PROSPECTUS SUMMARY

This summary highlights information contained elsewhere in this prospectus. Because it is a summary, it does not contain all of the information that you should consider before investing in our common stock. You should read and carefully consider this entire prospectus before making an investment decision, especially the information presented under the headings “Risk Factors,” “Cautionary Note Regarding Forward-Looking Statements,” “Important Introductory Information” and our financial statements and the notes relating to the financial statements included elsewhere in this prospectus. We present EBITDA as a supplemental measure to help us describe our operating performance. EBITDA is a non-GAAP financial measure commonly used in our industry and should not be construed as an alternative to net (loss) income (as determined in accordance with generally accepted accounting principles in the United States, or GAAP) or as a better indicator of operating performance. Other companies in our industry may calculate EBITDA differently than we do. Please refer to note (1) to “Summary Financial Data” for a reconciliation of our net (loss) income to EBITDA and a more thorough discussion of our use of EBITDA in this prospectus.

Our Company

We are a rapidly-growing franchisor of chiropractic clinics that operates on a non-insurance, cash-based model. We seek to be the leading provider of chiropractic care in the markets we serve and to become the most recognized brand in our industry through the rapid and focused expansion of chiropractic clinics in key markets throughout North America and abroad.

Our mission is to improve quality of life through routine chiropractic care. We seek to accomplish this by making quality care readily available and affordable. We have created a growing network of 215 modern, consumer-friendly chiropractic clinics operated by franchisees that employ only licensed chiropractors. We believe we have priced our services below industry standard pricing for similar services and below most insurance co-payment levels. We believe we can translate our demonstrated franchisee growth and our senior management’s experience in developing other well-known specialty retail concepts to successfully develop and profitably operate company-owned clinics.

Our locations have been selected to be visible, accessible and convenient. We offer a welcoming, consumer-friendly experience that attempts to redefine the chiropractic doctor/patient relationship. Our clinics are open longer hours than many of our competitors and our patients do not need appointments. We operate a “cash” business. We do not accept insurance and we do not provide Medicare covered services. Our independence from third-party reimbursement and related administrative requirements makes us attractive to chiropractic doctors who desire to focus their practice principally on patient care and to minimize the administrative burdens of traditional insurance reimbursement-based practices. We believe that increasing awareness of the availability of our pricing at a significant discount to the cost of traditional chiropractic adjustments and, in most cases, below the level of insurance co-payment amounts, will aid in driving patients to our brand. In addition, we believe that our commitment to affordable pricing will not only attract existing consumers of chiropractic services, but will also appeal to the growing market of consumers who seek alternative or non-invasive wellness care. We have attracted an average of between 540 and 948 new patients per year to our clinics between 2010 and 2013, as compared to the 2013 average of 364 new patients per year for the chiropractic industry.

Since acquiring the predecessor to our company in March, 2010, we have grown from eight franchised clinics in operation to 215 franchised clinics in operation as of June 30, 2014, with another 250 franchises granted through a network of regional developers and independent franchise operators. All 215 Joint clinics open as of June 30, 2014, are operated by franchisees and we do not directly own or operate any of these clinics. In the six months ended June 30, 2014, our franchised clinics registered 948,304 patient visits and generated system-wide revenues of \$19,773,084, which refers to the aggregate revenues of our franchisees. We receive a royalty of 7.0% of gross revenues from franchised clinics and 4.0% of gross revenues from clinics franchised through regional developers. We also collect a national marketing fee of 1.0% of gross revenues of all franchised clinics. We receive a franchise fee of \$29,000 for franchises we sell directly and a franchise fee of \$14,500 for franchises sold through regional developers.

Our franchisees have demonstrated sustained increases in average monthly sales and patient visits per clinic, which we believe demonstrates our ability to increase sales and our growing brand equity. For the

14 clinics that opened in 2011, we increased sales throughout our system from \$650,170 in 2011 to \$2,823,895 in 2012 (a 334.3% increase) and to \$4,223,254 in 2013 (a 49.6% increase), and increased patient visits from 34,056 in 2011 to 142,045 in 2012 (a 317.1% increase) and 197,452 in 2013 (a 39.0% increase).

As part of our branding strategy, we deliver convenient, appointment-free chiropractic adjustments in a casual, inviting, consumer-oriented environment at prices that are between 56% and 70% lower than the average cost for comparable procedures offered by traditional chiropractors, according to *First Research*. To increase convenience and value for our patients, our clinics offer a variety of customizable membership and wellness plans which feature discounted pricing even as compared with our single-visit pricing schedules. These flexible plans are designed to attract patients and encourage repeat visits and routine usage.

Our goal is to locate our clinics in highly visible convenience-oriented retail centers. Our clinics are, on average, approximately 1,000 – 1,200 square feet, and feature an open floor plan that contains a well-appointed reception area and an average of three treatment tables. Our clinics’ layout and interior design is modern, comfortable and consistent across our system. This aids in building brand awareness and patient loyalty, and provides our patients with a comfortable, upscale service experience that distinguishes us from the clinical atmosphere often encountered at traditional chiropractic clinics and medical offices.

Our consumer-focused service model targets the non-acute treatment market, which we believe to be the largest segment of the chiropractic services market. As our model does not focus on the treatment of severe, acute injury, we do not require expensive and invasive diagnostic tools such as MRIs and X-rays. Instead, we refer patients who present with acute symptoms to alternate healthcare providers, including traditional chiropractors. We seek to drive patient flow to our clinics not only by building brand awareness through conveniently located, highly visible locations but also by using traditional retail-oriented marketing and customer acquisition techniques. Many of our patients are referrals from existing patients. We intend to maximize our operational efficiencies, drive usage and grow brand awareness through the expansion of our presence into a national infrastructure that leverages our size and local market density.

All of our 215 clinics are currently operated by franchisees. Of these, 40 franchises have been awarded directly by us while 175 franchises were awarded pursuant to our regional developer program in which we sold licenses to third parties to develop franchises in particular geographic areas. Our future growth strategy will increasingly focus on opening clinics that are directly owned and operated by us, while continuing to grow through the sale of additional franchises.

For the year ended December 31, 2013, we had net income after taxes of \$155,635. For the six month period ended June 30, 2014, we had a net loss of \$261,646. For the same periods, our revenue as a percentage of franchisees’ revenue was 26.7% and 16.4% respectively.

Our Industry

The chiropractic industry in the United States is large, growing, and highly fragmented. According to *First Research*, expenditures for chiropractic services in the U.S. were \$11.0 billion in 2013 and are expected to grow at approximately 3.0% annually for the next five years. In addition, according to a January 2014 IBISWorld report, approximately \$4.7 billion of the total chiropractic market comes from out-of-pocket, or cash, payments by patients. Among the factors driving this growth are healthcare cost pressures, the aging population and technological advances that are expected to shift services from inpatient facilities and hospitals to outpatient

TABLE OF CONTENTS

settings. We believe that the demand for chiropractic services will continue to expand as a result of growing awareness of the benefits of regular maintenance therapy.

According to *Chiropractic Care*, a United States market report by Strategy.com, between approximately 6% and 9% of the United States population regularly uses chiropractic. According to the American Chiropractic Association, 80% of Americans experience back pain at least once in their lifetime. Most chiropractic services are provided by sole practitioners in medical-office settings. The chiropractic industry differs from the broader healthcare services industry in that it is more heavily consumer-driven, market-responsive and price sensitive, as the result of many treatment options falling outside the bounds of traditional insurance reimbursable services and fee schedules.

According to a report issued by *First Research* in March 2014, expenditures for chiropractic services in the United States were approximately \$11.0 billion in 2013, which represents less than 1% of all healthcare expenditures, and in 2013 the top 50 companies delivering chiropractic services in the United States generated less than 10.0% of all industry revenue. In addition, according to *Chiropractic Economics*, in 2013, 40.0% of all chiropractic expenditures were paid by insurance, with only 17.1% of chiropractic costs financed by government programs, including Medicare and Medicaid. We believe these characteristics are evidence of an underserved market with potential consumer demand that is favorable for an efficient, low-cost, consumer-oriented provider.

Our competitors include single doctors' offices as well as multiple-unit clinic operations, including several multi-unit franchisors. Many of these competitors operate on an insurance reimbursement model although they typically accept cash payment as well. See, "Business — Our Industry" and "Competition."

Our Competitive Strengths

We believe the following competitive strengths have contributed significantly to our initial success and will position us for future growth:

Price and convenience. We believe that our strongest competitive advantages are our price and convenience. We offer a much less expensive alternative to traditional providers of chiropractic services by focusing on non-acute care and by not participating in insurance or Medicare reimbursement. We can do this because our clinics are not burdened with the operating expenses required to perform certain diagnostic procedures and to process reimbursement claims. Our model allows us to pass these savings on to our patients. According to *Chiropractic Economics*, the average price for a chiropractic adjustment involving spinal manipulation in the United States is between \$50 and \$75. By comparison, our average price is \$22, or between 56% and 70% lower than the average price.

To underscore our focus on convenience, we also offer our patients the opportunity to visit our clinics without an appointment and receive prompt attention. Finally, we offer extended hours of operation, including weekends, which is not typical among our competitors.

Retail, consumer-driven approach. We utilize strong, recognizable brand and retail approaches to stimulate awareness and drive patients to our clinics. We strive to locate clinics in highly visible retail centers. Our model provides our patients with the flexibility to see a chiropractor when they want because we do not schedule appointments and most of our clinics maintain extended hours and offer patient care six or seven days per week.

Our chiropractors can focus on patient service. We believe the time and money our chiropractors save by not having to attend to administrative duties related to insurance reimbursement processing allows them increased opportunities to:

- see more patients;
- establish and reinforce chiropractor/patient relationships; and
- educate patients on the benefits of chiropractic maintenance therapy.

We believe this approach has resulted in broad acceptance, strong brand recognition and favorable patient experiences. This is evidenced by our growth in patient visits. From 2012 to 2013, our patient visits grew from 440,636 to 1,113,714, or 152.8%. As of June 30, 2014, our patient visits were 949,918, representing an annualized growth of over 70.0% from 2013.

TABLE OF CONTENTS

Our approach to chiropractic practices has also made us an attractive alternative to chiropractic doctors who desire to spend more time treating patients than they are enabled to do in traditional practices with greater overhead, personnel, and administrative burdens. We believe that our model will aid us in recruiting chiropractors to work in our clinics.

Proven track record of opening franchised clinics and growing sales. We have grown our franchised clinic revenue base every month since we acquired our predecessor company in March 2010, increasing total monthly sales from \$113,198 in June 2010 to \$3,850,000 in June 2014. During this period we increased the number of clinics in operation from eight to 215. During this same period, we increased average annualized sales per clinic from \$137,087 to \$350,771.

Same store sales growth is a measure commonly used in the retail industry. It is important because it excludes sales growth from new locations, thus illustrating a retailer’s growth capacity from existing units. Same store sales growth measures the annual sales increase for each store that has been open for at least one year. Same store sales growth for our clinics that opened in 2011 (which we refer to as age class 2011) was 99.1% in 2012, 49.6% in 2013, and 21.2% through June 30, 2014. The following table presents same store sales growth data for our clinics that opened in 2011, which is the only age class for which we have at least two full years of data. Although our age class 2011 clinics consist of only 14 clinics, we believe that they are representative of the same store sales growth that we expect from new clinics as they grow to maturity.

Strong and proven management team. Our strategic vision and results-oriented culture are directed by our senior management team led by our Chief Executive Officer John B. Richards, who previously served as president of Starbucks North America when it expanded from 500 to 3,000 units. Mr. Richards was also Chief Executive Officer of Elizabeth Arden Red Door Salons. Together with Mr. Richards, our senior management team is also guided by David Orwasher, who has served as our Chief Operating Officer since January 2014 and who previously served as a vice president of Starbucks, working directly with Mr. Richards during the same period. John Leonesio, the founder of Massage Envy, who grew that company from inception through the opening of over 300 franchises, serves as non-executive Chairman of our Board of Directors. Mr. Leonesio was our Chief Executive Officer from the commencement of our operations through the opening of 160 clinics across 22 states. Our senior management will direct a team of dedicated leaders who are focused on executing our business plan and implementing our growth strategy. Messrs. Richards, Orwasher and Leonesio have had collective responsibility for building, opening or franchising a total of over 7,000 retail units. We believe that our management team's experience in operating, franchising, developing systems and rapidly expanding retail operations will be a key driver of our growth and will position us well for achieving our long-term strategy.

Our Growth Strategy

Our goal is not only to capture a significant share of the existing market but also to expand the market for non-acute chiropractic care. We intend to accomplish this through the rapid and focused geographic expansion of our affordable service offering by the introduction of corporate clinics and the continuation of our franchising program. We propose to employ a variety of growth tactics including:

- opening company-owned clinics;
- the opportunistic acquisition of existing franchises;
- continued clinic revenue and royalty income growth;
- opening franchised clinics in development;
- the sale of additional franchises and conversion of existing chiropractic practices to our model;
- reacquiring regional developer licenses; and
- improving margins and leveraging infrastructure.

Development of company-owned clinics. Development of company-owned clinics will be our principal focus, and we will use a significant amount of the proceeds from this offering to pursue this strategy. We believe we can leverage the experience we have gained in supporting our demonstrated franchisee growth and our senior management's experience in rapidly and effectively growing other well-known high velocity specialty retail concepts to successfully develop and profitably operate company-owned clinics. Since commencing operations as a franchisor of chiropractic clinics, we have gained significant experience in identifying the business systems and practices that are required to profitably operate our clinics, validate our model and demonstrate proof of concept. See, "Use of Proceeds" and "Business — Our Growth Strategy."

We believe our greater control over company owned clinics will enable us to more effectively apply these operating standards than in our franchised clinics. We intend to develop company-owned clinics in geographic clusters where we are able to increase efficiencies through a consolidated real estate penetration strategy, leverage cooperative advertisement and marketing and attain general corporate and administrative operating efficiencies. Our management has done this before, and we believe that their experience in this area readily translates to our business model.

Acquiring existing franchisees. We believe that we can accelerate the development of company-owned clinics through the selective acquisition of existing franchised clinics. Our management team has developed a template for the acquisition of existing franchised clinics, their conversion to company-owned clinics and their integration into a company-owned clinic system. We have begun the process of developing a pipeline of existing franchisees whose clinics may be available for purchase and we intend to use a portion of the proceeds of this offering for acquisitions. We have not entered into any agreement for any specific acquisition at this time.

TABLE OF CONTENTS

Increasing revenues from existing franchisees. We have a history of increasing revenues from existing franchises. Our revenues from existing franchises have increased by an average of 26.2% percent for each of the past 14 calendar quarters through June 30, 2014. We believe that the experience we have gained operations, management and marketing, together with increasing awareness of our brand has contributed to revenue growth. We believe that our ability to leverage cooperative and general media advertising will continue to grow as the number and density of our clinics increases.

Opening clinics in development. In addition to the 215 clinics our franchisees are currently operating, we have sold licenses and granted franchises either directly or through our regional developers for an additional 250 clinics that are in various stages of development. We will continue to provide support to our franchisees and regional developers to open these clinics and to achieve sustainable profitability as soon as possible.

Selling additional franchises. We intend to continue to sell franchises. We believe that, to secure leadership in our industry and to maximize opportunities in identified markets, it is important to gain brand equity and consumer awareness as rapidly as possible, consistent with a disciplined approach to opening clinics. This same strategy has been used by numerous high-velocity retail concepts, including Starbucks Coffee Company. We believe that continued sales of franchises in selected markets complements our plan to open company-owned clinics, particularly in specialized or unique operating environments, and that a growth strategy that includes both franchised and company-owned clinics has advantages over either approach by itself. These advantages include:

- increasing our availability to patients;
- accelerating our speed to market and our competitive advantages;
- enhancing our value to present franchisees who may realize benefits from clinic density and cooperative advertising;
- enhancing our desirability to potential new franchisees; and
- presenting an exit strategy to franchisees, who may view us as a potential acquirer of their franchised clinics at such time as they may choose to sell.

Reacquiring regional developer licenses. We intend to selectively pursue the reacquisition of regional developer licenses. We believe that by repurchasing regional developer licenses we can increase our profitability through capturing the regional developers' royalty stream on franchises within their region. In addition, to the extent that we reacquire a given regional developer license, we will be freed from contractual restraints that may be present in that regional developer license on our ability to open company-owned clinics in that region. We intend to use a portion of the proceeds of this offering for the reacquisition of regional developer licenses.

Continue to improve margins and leverage infrastructure. As we continue to grow, we expect to drive greater efficiencies in our development and marketing organizations and leverage our technology and existing support infrastructure. We believe we will be able control corporate costs over time to enhance margins as general and administrative expenses grow at a slower rate than our clinic base and revenues. At the clinic level, we expect to drive margins and labor efficiencies through continued revenue growth as our clinic base matures and the average number of patient visits increases. In addition, we will consider introducing selected branded products such as nutraceuticals or dietary supplements and related additional services.

Risks Associated with Our Business

An investment in our common stock involves a high degree of risk. Any of the factors set forth under "Risk Factors" may limit our ability to successfully execute our business strategy. You should carefully consider all of the information set forth in this prospectus and, in particular, should evaluate the specific factors set forth under "Risk Factors" in deciding whether to invest in our common stock. Below is a summary of some of the principal risks we face:

- we may not be able to successfully implement our growth strategy if we or our franchisees are unable to locate and secure appropriate sites for clinic locations, obtain favorable lease terms, hire and retain suitable chiropractors and staff to serve our patients, and attract patients to our clinics;

TABLE OF CONTENTS

- we have limited experience operating company-owned clinics, and we may not be able to duplicate the success of some of our franchisees;
- we may not be able to acquire operating clinics from existing franchisees or acquire operating clinics on attractive terms;
- we may not be able to continue to sell franchises to qualified franchisees;
- we may not be able to identify, recruit and train enough qualified chiropractors to staff our clinics;
- new clinics may not be profitable, and we may not be able to maintain or improve revenues and franchise fees from existing franchised clinics;
- the chiropractic industry is highly competitive, with many well-established competitors;
- we may face negative publicity or damage to our reputation, which could arise from concerns expressed by opponents of chiropractic and by chiropractors operating under historically traditional service models;
- legislation and regulations, as well as new medical procedures and techniques could reduce or eliminate our competitive advantages; and
- we will face increased costs as a result of being a public company.

IMPLICATIONS OF BEING AN EMERGING GROWTH COMPANY

We qualify as an emerging growth company as defined in the Jumpstart our Business Startups Act of 2012 (the “JOBS Act”). An emerging growth company may take advantage of specified reduced reporting and other burdens that are otherwise applicable generally to public companies. These provisions include:

- a requirement to have only two years of audited financial statements and only two years of related selected financial data and management’s discussion and analysis of financial condition and results of operations disclosure;
- an exemption from the auditor attestation requirement in the assessment of our internal control over financial reporting pursuant to the Sarbanes-Oxley Act of 2002 (the “Sarbanes-Oxley Act”);
- an exemption from new or revised financial accounting standards until they would apply to private companies and from compliance with any new requirements adopted by the Public Company Accounting Oversight Board requiring mandatory audit firm rotation;
- reduced disclosure about the emerging growth company’s executive compensation arrangements; and
- no requirement to seek non-binding advisory votes on executive compensation or golden parachute arrangements.

The JOBS Act permits emerging growth companies to take advantage of an extended transition period to comply with new or revised accounting standards applicable to public companies. We are choosing to “opt out” of this provision, and as a result, we plan to comply with new or revised accounting standards as required when they are adopted. This decision to opt out of the extended transition period is irrevocable.

We have elected to adopt certain of the reduced disclosure requirements available to emerging growth companies. As a result of these elections, the information that we provide in this prospectus may be different than the information you may receive from other public companies in which you hold equity interests. In addition, it is possible that some investors will find our common stock less attractive as a result of our elections, which may result in a less active trading market for our common stock and more volatility in our stock price.

We may take advantage of these provisions until we are no longer an emerging growth company. We will remain an emerging growth company until the earlier of (1) the last day of the fiscal year (a) following the fifth anniversary of the completion of this offering, (b) in which we have total annual gross revenue of at least \$1.0 billion or (c) in which we are deemed to be a large accelerated filer, which means the market value of our common stock that is held by non-affiliates exceeds \$700 million as of the last business day of our prior second fiscal quarter, and (2) the date on which we have issued more than \$1.0 billion in non-convertible debt during the prior three-year period. We may choose to take advantage of some but not all of these reduced disclosure requirements.

(1) EBITDA consists of net income (loss), before interest, income taxes, depreciation and amortization. We have provided EBITDA because it is a measure of financial performance commonly used for comparing companies in our industry. EBITDA provides an alternative measure of cash flow from operations. You should not consider EBITDA as a substitute for operating profit as an indicator of our operating performance or as an alternative to cash flows from operating activities as a measure of liquidity. We may calculate EBITDA differently from other companies.

(2) All share and per share amounts have been retroactively restated to give effect to the dividend of 0.78 shares of common stock, which was effected on September 17, 2014.

TABLE OF CONTENTS

We believe that the use of EBITDA provides an additional tool for investors to use in evaluating ongoing operating results and trends and in comparing our financial measures with other outpatient medical clinics, which may present similar non-GAAP financial measures to investors. In addition, you should be aware when evaluating EBITDA that in the future we may incur expenses similar to those excluded when calculating these measures. Our presentation of these measures should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. Our computation of EBITDA may not be comparable to other similarly titled measures computed by other companies, because all companies do not calculate EBITDA in the same fashion.

Our management does not consider EBITDA in isolation or as an alternative to financial measures determined in accordance with GAAP. The principal limitation of EBITDA is that they exclude significant expenses and income that are required by GAAP to be recorded in our financial statements. Some of these limitations are:

- a. EBITDA does not reflect our cash expenditures, or future requirements, for capital expenditures or contractual commitments;
- b. EBITDA does not reflect changes in, or cash requirements for, our working capital needs;
- c. EBITDA does not reflect the interest expense, or the cash requirements necessary to service interest or principal payments, on our debts; and
- d. although depreciation and amortization are non-cash charges, the assets being depreciated and amortized will often have to be replaced in the future, and EBITDA does not reflect any cash requirements for such replacements.

Because of these limitations, EBITDA should not be considered in isolation or as a substitute for performance measures calculated in accordance with GAAP. We compensate for these limitations by relying primarily on our GAAP results and using EBITDA only supplementally. You should review the reconciliation of net income (loss) to EBITDA below and not rely on any single financial measure to evaluate our business. The following table reconciles net income (loss) to EBITDA for 2012, 2013 and for the six months ended June 30, 2014:

RISK FACTORS

You should carefully consider the risks described below before buying shares in this offering. If any of the following risks actually occur, our business, financial condition and results of operations could be harmed. In that case, the trading price of our common stock could decline, and you could lose all or part of your investment.

Risks Related to Our Business

Our long-term success is highly dependent on our ability to open new, primarily company-owned clinics, and is subject to many unpredictable factors.

One of the key means of achieving our growth strategy will be through opening new, primarily company-owned clinics and operating those clinics on a profitable basis. We expect this to be the case for the foreseeable future. We have opened 207 franchised clinics since April 2010, but we have opened only one company-owned clinic, which we then sold to a franchisee. We currently operate no company-owned clinics. We may not be able to open new company-owned clinics as quickly as planned. In the past, we have experienced delays in opening some franchised clinics, for various reasons, including the landlord's failure to turn over the premises to our franchisee on a timely basis. Such delays could happen again in future clinic openings. Delays or failures in opening new, primarily company-owned clinics could materially and adversely affect our growth strategy and our business, financial condition and results of operations. As we operate more clinics, our rate of expansion relative to the size of our clinic base will eventually decline.

In addition, one of our biggest challenges is locating and securing an adequate supply of suitable new clinic sites in our target markets. Competition for those sites is intense, and other medical and retail concepts that compete for those sites may have unit economic models that permit them to bid more aggressively for those sites than we can. There is no guarantee that a sufficient number of suitable sites will be available in desirable areas or on terms that are acceptable to us in order to achieve our growth plan. Our ability to open new clinics also depends on other factors, including:

- negotiating leases with acceptable terms;
- identifying, hiring and training qualified employees in each local market;
- timely delivery of leased premises to us from our landlords and punctual commencement of our build-out construction activities;
- managing construction and development costs of new clinics, particularly in competitive markets;
- obtaining construction materials and labor at acceptable costs, particularly in urban markets;
- unforeseen engineering or environmental problems with leased premises;
- generating sufficient funds from operations or obtaining acceptable financing to support our future development;
- securing required governmental approvals, permits and licenses (including construction permits and operating licenses) in a timely manner and responding effectively to any changes in local, state or federal laws and regulations that adversely affect our costs or ability to open new clinics; and
- avoiding the impact of inclement weather, natural disasters and other calamities.

We have not begun to identify specific sites for company-owned clinics, and we have not begun hiring operators for company-owned clinics. Our progress in opening new, primarily company-owned clinics from quarter to quarter may occur at an uneven rate. If we do not open new clinics in the future according to our current plans, the delay could materially adversely affect our business, financial condition and results of operations.

We intend to develop new, primarily company-owned clinics in our existing markets, expand our footprint into adjacent markets and selectively enter into new markets. However, there are numerous factors involved in identifying and securing an appropriate site, including, but not limited to: identification and availability of suitable locations with the appropriate population demographics, psychographics, traffic

TABLE OF CONTENTS

patterns, local retail and business attractions and infrastructure that will drive high levels of customer traffic and sales per clinic; consumer acceptance of our chiropractic practice concept; financial conditions affecting developers and potential landlords, such as the effects of macro-economic conditions and the credit market, which could lead to these parties delaying or canceling development projects (or renovations of existing projects), in turn reducing the number of appropriate locations available; developers and potential landlords obtaining licenses or permits for development projects on a timely basis; anticipated commercial, residential and infrastructure development near our new clinics; and availability of acceptable lease arrangements.

We may not be able to successfully develop critical market presence for our brand in new geographical markets, as we may be unable to find and secure attractive locations, build name recognition or attract new customers. If we are unable to fully implement our development plan, our business, financial condition and results of operations could be materially adversely affected.

New clinics, once opened, may not be profitable, and the increases in average clinic sales and comparable clinic sales that we have experienced in the past may not be indicative of future results.

Typically, our new clinics continue to increase sales for their first 36 months of operation. Our analysis of clinic growth leads us to believe that revenue growth will continue past 36 months. However, we cannot assure you that this will occur for future clinic openings. In new markets, the length of time before average sales for new clinics stabilize is less predictable and can be longer as a result of our limited knowledge of these markets and consumers' limited awareness of our brand. New clinics may not be profitable and their sales performance may not follow historical patterns. In addition, our average clinic sales and comparable clinic sales may not increase at the rates achieved over the past several years. Our ability to operate new clinics, especially company-owned clinics, profitably and increase average clinic sales and comparable clinic sales will depend on many factors, some of which are beyond our control, including:

- consumer awareness and understanding of our brand;
- general economic conditions, which can affect clinic traffic, local rent and labor costs and prices we pay for the supplies we use;
- changes in consumer preferences and discretionary spending;
- competition, either from our competitors in the chiropractic industry or our own clinics;
- temporary and permanent site characteristics of new clinics;
- changes in government regulation; and
- other unanticipated increases in costs, any of which could give rise to delays or cost overruns.

If our new clinics do not perform as planned, our business and future prospects could be harmed. In addition, if we are unable to achieve our expected average clinics sales, our business, financial condition and results of operations could be adversely affected.

Our failure to manage our growth effectively could harm our business and operating results.

Our growth plan includes a significant number of new clinics. Our existing clinic management systems, administrative staff, financial and management controls and information systems may be inadequate to support our planned expansion. Those demands on our infrastructure and resources may also adversely affect our ability to manage our existing clinics. Managing our growth effectively will require us to continue to enhance these systems, procedures and controls and to hire, train and retain managers and team members. We may not respond quickly enough to the changing demands that our expansion will impose on our management, clinic teams and existing infrastructure which could harm our business, financial condition and results of operations.

Our expansion into new markets may present increased risks.

We plan to open clinics in markets where we have little or no operating experience. Clinics we open in new markets may take longer to reach expected sales and profit levels on a consistent basis and may have higher construction, occupancy, marketing or operating costs than clinics we open in existing markets, thereby affecting our overall profitability. New markets may have competitive conditions, consumer tastes and

TABLE OF CONTENTS

discretionary spending patterns that are more difficult to predict or satisfy than our existing markets. We may need to make greater investments than we originally planned in advertising and promotional activity in new markets to build brand awareness. We may find it more difficult in new markets to hire, motivate and keep qualified employees who share our vision and culture. We may also incur higher costs from entering new markets, particularly with company-owned clinics if, for example, we hire and assign regional managers to manage comparatively fewer clinics than in more developed markets. For these reasons, both our new franchised clinics and our new company-owned clinics may be less successful than our existing franchised clinics or may achieve target rates of patient visits at a slower rate. If we do not successfully execute our plans to enter new markets, our business, financial condition and results of operations could be materially adversely affected.

We will be subject to all of the risks associated with leasing space subject to long-term non-cancelable leases for clinics that we intend to operate.

We do not intend to own any of the real property where our company-owned clinics will operate. We expect the company-owned clinics we intend to open in the future will be leased. We anticipate that our leases generally will have an initial term of five years and generally can be extended only in five-year increments (at increased rates). We expect that all of our leases will require a fixed annual rent, although some may require the payment of additional rent if clinic sales exceed a negotiated amount. We expect that our leases will typically be net leases, which require us to pay all of the cost of insurance, taxes, maintenance and utilities, and that these leases will not be cancellable by us. If a future company-owned clinic is not profitable, resulting in its closure, we may nonetheless be committed to perform our obligations under the applicable lease including, among other things, paying the base rent for the balance of the lease term. In addition, we may fail to negotiate renewals as each of our leases expires, either on commercially acceptable terms or at all, which could cause us to pay increased occupancy costs or to close stores in desirable locations. These potential increases in occupancy costs and the cost of closing company-owned clinics could materially adversely affect our business, financial condition or results of operations.

Our intended reliance on sources of revenue other than from franchise and regional developer licenses exposes us to risks.

From the commencement of our operations until the present, we have relied exclusively on the sale of franchises and regional developer licenses as sources of revenue until the franchises we have sold begin to generate royalty revenues. We intend to place less reliance in the future on these sources of revenue as we implement our strategy of developing and operating company-owned clinics. We will not realize revenues from company-owned clinics until the opening of those clinics, and we will be required to use our working capital, including the proceeds for this offering, to operate our business and to develop company-owned clinics. If the opening of our company-owned clinics is delayed or if the cost of developing company-owned clinics exceeds our expectations, we may experience insufficient working capital to fully implement our development plans, and our business, financial condition and results of operations could be adversely affected.

Our potential need to raise additional capital to accomplish our objectives of expanding into new markets and opening company-owned clinics exposes us to risks.

We intend to use a portion of the proceeds of this offering as consideration for future development and acquisitions of company-owned clinics and related businesses. If we do not have sufficient cash resources, our ability to develop and acquire clinics and related businesses could be limited unless we are able to obtain additional capital through future debt or equity financings. Using cash to finance development and acquisition of clinics and related businesses could limit our financial flexibility by reducing cash available for operating purposes. Using debt financing could result in lenders imposing financial covenants that limit our operations and financial flexibility. Using equity financing may result in dilution of ownership interests of our existing stockholders. We may also use common stock as consideration for the future acquisition of clinics and related businesses. If our common stock does not maintain a sufficient market value or if prospective acquisition candidates are unwilling to accept our common stock as part of the consideration for the sale of their clinics or businesses, we may be required to use more of our cash resources or greater debt financing to complete these acquisitions.

TABLE OF CONTENTS

Changes in economic conditions and adverse weather and other unforeseen conditions could materially affect our ability to maintain or increase sales at our clinics or open new clinics.

Our services emphasize maintenance therapy, which is generally not a medical necessity, and should be viewed as discretionary medical expenditures. The United States in general or the specific markets in which we operate may suffer from depressed economic activity, recessionary economic cycles, higher fuel or energy costs, low consumer confidence, high levels of unemployment, reduced home values, increases in home foreclosures, investment losses, personal bankruptcies, reduced access to credit or other economic factors that may affect consumer discretionary spending. Traffic in our clinics could decline if consumers choose to reduce the amount they spend on non-critical medical procedures. Negative economic conditions might cause consumers to make long-term changes to their discretionary spending behavior, including reducing medical discretionary spending on a permanent basis. In addition, given our geographic concentrations in the West, South-west and mid-Atlantic regions of the United States, economic conditions in those particular areas of the country could have a disproportionate impact on our overall results of operations, and regional occurrences such as local strikes, terrorist attacks, increases in energy prices, adverse weather conditions, tornadoes, earthquakes, hurricanes, floods, droughts, fires or other natural or man-made disasters could materially adversely affect our business, financial condition and results of operations. Adverse weather conditions may also impact customer traffic at our clinics. All of our clinics depend on visibility and walk-in traffic, and the effects of adverse weather may decrease visits to malls in which our clinics are located and negatively impact our revenues. If clinic sales decrease, our profitability could decline as we spread fixed costs across a lower level of sales. Reductions in staff levels, asset impairment charges and potential clinic closures could result from prolonged negative clinic sales, which could materially adversely affect our business, financial condition and results of operations.

Our dependence on the success of our franchisees exposes us to risks.

A substantial portion of our revenues comes from royalties generated by our franchised clinics. We anticipate that franchise royalties will represent a substantial part of our revenues in the future. As of June 30, 2014, we had 104 franchisees operating 215 clinics. Accordingly, we are reliant on the performance of our franchisees in successfully opening and operating their clinics and paying royalties to us on a timely basis. Our franchise system subjects us to a number of risks as described in the next four risk factors, any one of which could impact our ability to collect royalty payments from our franchisees, may harm the goodwill associated with our brand and may materially adversely affect our business and results of operations.

Our franchisees are independent operators over whom we have limited control.

Franchisees are independent operators, and their employees are not our employees. Accordingly, their actions are outside of our control. Although we have developed criteria to evaluate and screen prospective franchisees, we cannot be certain that our franchisees will have the business acumen or financial resources necessary to operate successful franchises in their approved locations, and state franchise laws may limit our ability to terminate or modify these franchise agreements. Moreover, despite our training, support and monitoring, franchisees may not successfully operate stores in a manner consistent with our standards and requirements, or may not hire and adequately train qualified managers and other store personnel. The failure of our franchisees to operate their franchises successfully and the actions taken by their employees could have a material adverse effect on our reputation, our brand and our ability to attract prospective franchisees, and on our business, financial condition and results of operations.

A recent decision by the United States National Labor Relations Board held that McDonald's Corporation could be held jointly liable for labor and wage violations by its franchisees. If this decision is upheld it could result in us having responsibility for damages, reinstatement, back pay and penalties in connection with labor law violations by our franchisees over whom we have no control, and could have a material and adverse effect on our financial condition and results of operations.

We are subject to the risk that our franchise agreements may be terminated or not renewed.

Each franchise agreement is subject to termination by us as the franchisor in the event of a default, generally after expiration of applicable cure periods, although under certain circumstances a franchise agreement may be terminated by us upon notice without an opportunity to cure. The default provisions under

TABLE OF CONTENTS

the franchise agreements are drafted broadly and include, among other things, any failure to meet operating standards and actions that may threaten our intellectual property. In addition, each franchise agreement has an expiration date. Upon the expiration of the franchise agreement, we or the franchisee may, or may not, elect to renew the franchise agreement. If the franchise agreement is renewed, the franchisee will receive a new franchise agreement for an additional term. Such option, however, is contingent on the franchisee's execution of the then-current form of franchise agreement (which may include increased royalty payments, advertising fees and other costs), and the payment of a renewal fee. If a franchisee is unable or unwilling to satisfy any of the foregoing conditions, we may elect to not renew the expiring franchise agreement, in which event the franchise agreement will terminate upon expiration of its term. The termination or non-renewal of a franchise agreement could result in the reduction of royalty payments we receive.

Our franchisees may not meet timetables for opening their clinics, which could reduce the royalties we receive.

Our franchise agreements specify a timetable for opening the clinic. Failure by our franchisees to open their clinics within the specified time limit would result in the reduction in royalty payments we receive and could result in the termination of the franchise agreement. Of our 258 franchise agreements for unopened clinics as of June 30, 2014, franchisors under 135 franchise agreements have not met the opening timetable specified in their franchise agreement.

Our franchisees may elect bankruptcy protection and deprive us of income.

The bankruptcy of a franchisee could negatively impact our ability to collect payments due under such franchisee's franchise agreement. In a franchisee bankruptcy, the bankruptcy trustee may reject the franchisee's franchise agreement pursuant to Section 365 under the United States Bankruptcy Code, in which case we would no longer receive royalty payments from the franchisee.

Our regional developers are independent operators over whom we have limited control.

Our regional developers are independent operators. Accordingly, their actions are outside of our control. We depend upon our regional developers to sell a minimum number of franchises within their territory and to assist the purchasers of those franchises to develop and open their clinics. The failure by regional developers to sell the specified minimum number of franchises within the time limits set forth in their regional developer license agreements would reduce the franchise fees we receive, delay the payment of royalties to us and result in a potential event of default under the regional developer license agreement. Of our total of 26 regional developer licenses as of June 30, 2014, regional developers under 11 regional developer licenses have not met their minimum franchise sales requirements within the time periods specified in their regional developer license agreements.

We present EBITDA as a supplemental measure to help us describe our operating performance. EBITDA is a non-GAAP financial measure commonly used in our industry and should not be construed as an alternative to net (loss) income or as a better indicator of operating performance.

EBITDA consists of net income (loss), before interest, income taxes, depreciation and amortization. We present EBITDA as a supplemental measure to help us describe our operating performance. EBITDA is a non-GAAP financial measure commonly used in our industry and should not be construed as an alternative to net (loss) income (as determined in accordance with generally accepted accounting principles in the United States, or GAAP) or as a better indicator of operating performance. You should not consider EBITDA as a substitute for operating profit, as an indicator of our operating performance or as an alternative to cash flows from operating activities as a measure of liquidity. We may calculate EBITDA differently from other companies.

In addition, in the future we may incur expenses similar to those excluded when calculating EBITDA. Our presentation of these measures should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. Our computation of EBITDA may not be comparable to other similarly titled measures computed by other companies, because all companies do not calculate EBITDA in the same fashion.

Our management does not consider EBITDA in isolation or as an alternative to financial measures determined in accordance with GAAP. The principal limitation of EBITDA is that it excludes significant

TABLE OF CONTENTS

expenses and income that are required by GAAP to be recorded in our financial statements. Some of these limitations are: (i) EBITDA does not reflect our cash expenditures, or future requirements, for capital expenditures or contractual commitments; (ii) EBITDA does not reflect changes in, or cash requirements for, our working capital needs; (iii) EBITDA does not reflect the interest expense, or the cash requirements necessary to service interest or principal payments, on our debts, and although depreciation and amortization are non-cash charges, the assets being depreciated and amortized will often have to be replaced in the future; and (iv) EBITDA does not reflect any cash requirements for such replacements.

Our ability to operate effectively could be impaired if we fail to attract and retain our executive officers.

Our success depends, in part, upon the continuing contributions of our executive officers and key employees at the management level. Although we have employment agreements with certain our key executive officers, there is no guarantee that they will not leave. The loss of the services of any of our executive officers or the failure to attract other executive officers could have a material adverse effect on our business or our business prospects. If we lose the services of any of our key employees at the operating or regional level, we may not be able to replace them with similarly qualified personnel, which could harm our business.

We are planning on rapidly growing our operations after the closing of this offering. A lack of qualified employees will significantly hinder our growth plans and adversely affect our results of operations.

As we grow, our ability to increase productivity and profitability will be limited by our ability to employ, train and retain skilled personnel. There can be no assurance that we will be able to maintain an adequate skilled labor force necessary to operate efficiently, that our labor expenses will not increase as a result of a shortage in the supply of skilled personnel or that we will not have to curtail our planned internal growth as a result of labor shortages.

Our clinics and chiropractors compete for patients in a highly competitive environment that may make it more difficult to increase patient volumes and revenues.

The business of providing chiropractic services is highly competitive in each of the markets in which our clinics operate. The primary bases of such competition are quality of care and reputation, price of services, marketing and advertising strategy and implementation, convenience, traffic flow and visibility of office locations and hours of operation. Our clinics compete with all other chiropractors in their local market. Many of those chiropractors have established practices and reputations in their markets. Some of these competitors and potential competitors may have financial resources, affiliation models, reputations or management expertise that provides them competitive advantages against us, which may make it difficult to compete against them. Our two largest multi-unit competitors are HealthSource Chiropractic, which currently operates 442 units and ChiroOne, which operates 42 units. In addition, a number of other chiropractic franchises and chiropractic practices that are attempting to duplicate or follow our business model are currently operating in our markets and in other parts of the country and may enter our existing markets in the future.

Our success is dependent on the chiropractors who control the professional corporations, or PC owners, with whom we enter into management services agreements, and we may have difficulty locating qualified chiropractors to replace PC owners.

With the exception of franchisees that are owned by chiropractors, or franchisees that are owned by non-chiropractors in states that do not regulate the corporate practice of chiropractic, our chiropractic services are provided by legal entities organized under state laws as professional corporations, or PCs. Each PC employs or contracts with chiropractors in one or more offices. Each of the PCs is wholly owned by one or more licensed chiropractors, the PC owner, and we do not own any capital stock of any PC. We and our franchisees that are not owned by chiropractors enter into management services agreements with PCs to provide on an exclusive basis all non-clinical services of the chiropractic practice. The PC owner is critical to the success of a clinic because he or she has control of all clinical aspects of the practice of chiropractic and the provision of chiropractic services. Under our arrangements with the PC owners, the PC owners are prohibited from selling, transferring, pledging or assigning the stock of the PC to a third party without our consent. In addition, we can require the PC owner to sell his or her interest in the PC to any person

TABLE OF CONTENTS

designated by us that is permitted to hold an ownership interest in the PC. However, upon the departure of a PC owner, we may not be able to locate one or more suitably qualified licensed chiropractors to hold the ownership interest in the PC and maintain the success of the departing PC owner. Also, a court may decide not to enforce these transfer restrictions in a given situation.

Our management services agreements with our affiliated PCs could be challenged by a state or chiropractor under laws regulating the practice of chiropractic.

The laws of every state in which we operate contain restrictions on the practice of chiropractic and control over the provision of chiropractic services. The laws of many states where we operate permit a chiropractor to conduct a chiropractic practice only as an individual, a member of a partnership or an employee of a PC, limited liability company or limited liability partnership. These laws typically prohibit chiropractors from splitting fees with non-chiropractors and prohibit non-chiropractic entities, such as chiropractic management services organizations, from engaging in the practice of chiropractic and from employing chiropractors. The specific restrictions against the corporate practice of chiropractic, as well as the interpretation of those restrictions by state regulatory authorities, vary from state to state. However, the restrictions are generally designed to prohibit a non-chiropractic entity from controlling or directing clinical care decision-making, engaging chiropractors to practice chiropractic or sharing professional fees. The form of management agreement that we recommend to our franchisees that are management service organizations explicitly prohibits the management service organization from controlling or directing clinical care decisions. However, there can be no assurance that all of our franchisees that are management service organizations will strictly follow the provisions in our recommended form of management agreement. The laws of many states also prohibit chiropractic practitioners from paying any portion of fees received for chiropractic services in consideration for the referral of a patient. Any challenge to our contractual relationships with our affiliated PCs by chiropractors or regulatory authorities could result in a finding that could have a material adverse effect on our operations, such as voiding one or more management services agreements. Moreover, the laws and regulatory environment may change to restrict or limit the enforceability of our management services agreements. We could be prevented from affiliating with chiropractor-owned PCs or providing comprehensive business services to them in one or more states.

We and our affiliated chiropractor-owned PCs are subject to complex laws, rules and regulations, compliance with which may be costly and burdensome.

We, and the chiropractor-owned PCs we provide management services for, are subject to extensive federal, state and local laws, rules and regulations, including:

- state regulations on the practice of chiropractic;
- the Health Insurance Portability and Accountability Act of 1996, as amended, and its implementing regulations, or HIPAA, and other federal and state laws governing the collection, dissemination, use, security and confidentiality of patient-identifiable health and financial information;
- federal and state laws and regulations which contain anti-kickback and fee-splitting provisions and restrictions on referrals;
- the federal Fair Debt Collection Practices Act and similar state laws that restrict the methods that we and third party collection companies may use to contact and seek payment from patients regarding past due accounts;
- state and federal labor laws, including wage and hour laws.

Many of the above laws, rules and regulations applicable to us and our affiliated PCs are ambiguous, have not been definitively interpreted by courts or regulatory authorities and vary from jurisdiction to jurisdiction. Accordingly, we may not be able to predict how these laws and regulations will be interpreted or applied by courts and regulatory authorities, and some of our activities could be challenged. In addition, we must consistently monitor changes in the laws and regulatory schemes that govern our operations. Although we have tried to structure our business and contractual relationships in compliance with these laws, rules and regulations in all material respects, if any aspect of our operations was found to violate applicable laws, rules or regulations, we could be subject to significant fines or other penalties, required to cease operations in a

TABLE OF CONTENTS

particular jurisdiction, prevented from commencing operations in a particular state or otherwise be required to revise the structure of our business or legal arrangements. Our efforts to comply with these laws, rules and regulations may impose significant costs and burdens, and failure to comply with these laws, rules and regulations may result in fines or other charges being imposed on us.

Our facilities are subject to extensive federal and state laws and regulations relating to the privacy and security of individually identifiable information.

HIPAA required the United States Department of Health and Human Service to adopt standards to protect the privacy and security of individually identifiable health-related information, or PHI. The department released final regulations containing privacy standards in December 2000 and published revisions to the final regulations in August 2002. The privacy regulations extensively regulate the use and disclosure of PHI. The regulations also provide patients with significant rights related to understanding and controlling how their health information is used or disclosed. The security regulations require healthcare providers to implement administrative, physical and technical practices to protect the security of individually identifiable health information that is maintained or transmitted electronically. The Health Information Technology for Economic and Clinical Health Act, or HITECH, which was signed into law in February of 2009, enhanced the privacy, security and enforcement provisions of HIPAA by, among other things, extending HIPAA's privacy and security standards directly applicable to "business associates," which, like us, are independent contractors or agents of covered entities (such as the chiropractic PCs and other healthcare providers) that create, receive, maintain, or transmit PHI in connection with providing a service for or on behalf of a covered entity. HITECH also established security breach notification requirements, created a mechanism for enforcement of HIPAA by state attorneys general, and increased penalties for HIPAA violations. Violations of HIPAA or HITECH could result in civil or criminal penalties. In addition to HIPAA, there are numerous federal and state laws and regulations addressing patient and consumer privacy concerns, including unauthorized access or theft of personal information. State statutes and regulations vary from state to state. Lawsuits, including class actions and action by state attorneys general, directed at companies that have experienced a privacy or security breach also can occur. We have established policies and procedures in an effort to ensure compliance with these privacy related requirements. However, if there is a breach, we may be subject to various penalties and damages and may be required to incur costs to mitigate the impact of the breach on affected individuals.

Our business model depends on proprietary and third party management information systems that we use to, among other things, track financial and operating performance of our clinics, and any failure to successfully design and maintain these systems or implement new systems could materially harm our operations.

We depend on integrated management information systems, some of which are provided by third parties, and standardized procedures for operational and financial information, as well as for patient records and our billing operations. We may experience unanticipated delays, complications, data breaches or expenses in implementing, integrating, and operating our systems. Our management information systems regularly require modifications, improvements or replacements that may require both substantial expenditures as well as interruptions in operations. Our ability to implement these systems is subject to the availability of skilled information technology specialists to assist us in creating, implementing and supporting these systems. Our failure to successfully design, implement and maintain all of our systems could have a material adverse effect on our business, financial condition and results of operations.

If we fail to properly maintain the integrity of our data or to strategically implement, upgrade or consolidate existing information systems, our reputation and business could be materially adversely affected.

We increasingly use electronic means to interact with our customers and collect, maintain and store individually identifiable information, including, but not limited to, personal financial information and health-related information. Despite the security measures we have in place to ensure compliance with applicable laws and rules, our facilities and systems, and those of our third-party service providers, may be vulnerable to security breaches, acts of cyber terrorism, vandalism or theft, computer viruses, misplaced or lost data, programming and/or human errors or other similar events. Additionally, the collection, maintenance, use, disclosure and disposal of individually identifiable data by our businesses are regulated at the federal and state levels as well as by certain financial industry groups, such as the Payment Card Industry organization.

TABLE OF CONTENTS

Federal, state and financial industry groups may also consider from time to time new privacy and security requirements that may apply to our businesses. Compliance with evolving privacy and security laws, requirements, and regulations may result in cost increases due to necessary systems changes, new limitations or constraints on our business models and the development of new administrative processes. They also may impose further restrictions on our collection, disclosure and use of individually identifiable information that are housed in one or more of our databases. Noncompliance with privacy laws, financial industry group requirements or a security breach involving the misappropriation, loss or other unauthorized disclosure of personal, sensitive and/or confidential information, whether by us or by one of our vendors, could have material adverse effects on our business, operations, reputation and financial condition, including decreased revenue; material fines and penalties; increased financial processing fees; compensatory, statutory, punitive or other damages; adverse actions against our licenses to do business; and injunctive relief whether by court or consent order.

We along with our affiliated PCs and their chiropractors may be subject to malpractice and other similar claims and may be unable to obtain or maintain adequate insurance against these claims.

The provision of chiropractic services by chiropractors entails an inherent risk of potential malpractice and other similar claims. While we do not have responsibility for compliance by affiliated PCs and their chiropractors with regulatory and other requirements directly applicable to chiropractors, claims, suits or complaints relating to services provided at the offices of our franchisees or affiliated PCs may be asserted against us. We have experienced one malpractice claim since our founding in April, 2010, which we are vigorously defending and do not expect its outcome to have a material adverse effect on our business, financial condition or results of operations. The assertion or outcome of these claims could result in higher administrative and legal expenses, including settlement costs or litigation damages. Our current minimum professional liability insurance coverage required for our franchisees or their affiliated PCs is \$1 million per occurrence and \$3 million in annual aggregate, with a self-insured retention of \$0 per claim and \$0 annual aggregate. Our inability to obtain adequate insurance or an increase in the future cost of insurance to us and the chiropractors who provide chiropractic services or an increase in the amount we have to self-insure may have a material adverse effect on our business and financial results.

We could be party to litigation that could adversely affect us by distracting management, increasing our expenses or subjecting us to material money damages and other remedies.

In addition to potential malpractice claims, we are also subject to a variety of other claims arising in the ordinary course of our business, including personal injury claims, contract claims and claims alleging violations of federal and state law regarding workplace and employment matters, equal opportunity, harassment, discrimination and similar matters, and we could become subject to class action or other lawsuits related to these or different matters in the future. Regardless of whether any claims against us are valid, or whether we are ultimately held liable, claims may be expensive to defend and may divert time and money away from our operations and hurt our performance. A judgment in excess of our insurance coverage for any claims could materially and adversely affect our financial condition and results of operations. Any adverse publicity resulting from these allegations may also materially and adversely affect our reputation or prospects, which in turn could materially adversely affect our business, financial condition and results of operations.

We are subject to the risk that our current insurance may not provide adequate levels of coverage against claims.

Our current insurance policies may not be adequate to protect us from liabilities that we incur in our business. Additionally, in the future, our insurance premiums may increase, and we may not be able to obtain similar levels of insurance on reasonable terms, or at all. Any substantial inadequacy of, or inability to obtain insurance coverage could materially adversely affect our business, financial condition and results of operations.

Furthermore, there are types of losses we may incur that cannot be insured against or that we believe are not economically reasonable to insure. Such losses could have a material adverse effect on our business and results of operations. As a public company, we intend to enhance our existing directors' and officers' insurance. While we expect to obtain such coverage, we may not be able to obtain such coverage at all or at a reasonable cost now or in the future. Failure to obtain and maintain adequate directors' and officers' insurance would likely adversely affect our ability to attract and retain qualified officers and directors.

TABLE OF CONTENTS

Events or rumors relating to our brand names could significantly impact our business.

Recognition of our brand names, including THE JOINT and THE CHIROPRACTIC PLACE, and the association of those brands with quality, convenient and inexpensive chiropractic maintenance care are an integral part of our business. The occurrence of any events or rumors that cause patients to no longer associate the brands with quality, convenient and inexpensive chiropractic maintenance care may materially adversely affect the value of the brand names and demand for chiropractic services at our franchisees or their affiliated PCs.

Risks Related to this Offering

Our stock price could be volatile and could decline following this offering.

Prior to this offering, there has been no public market for shares of our common stock. An active market may not develop following completion of this offering, or if developed, may not be maintained.

The price at which our common stock will trade after this offering could be extremely volatile and may fluctuate substantially due to the following factors, some of which are beyond our control:

- variations in our operating results;
- variations between our actual operating results and the expectations of securities analysts, investors and the financial community;
- announcements of developments affecting our business or expansion plans by us or others; and
- conditions and trends in the chiropractic industry.

As a result of these and other factors, investors in our common stock may not be able to resell their shares at or above the initial offering price.

In the past, securities class action litigation often has been instituted against companies following periods of volatility in the market price of their securities. This type of litigation, if directed at us, could result in substantial costs and a diversion of management's attention and resources.

We have identified material weaknesses in our internal control over financial reporting, and our business and stock price may be adversely affected if we do not adequately address those weaknesses or if we have other material weaknesses or significant deficiencies in our internal control over financial reporting.

We did not adequately implement certain controls over our financial reporting cycle. These areas included properly segregated duties due to the size of our accounting department and inefficient accounting for and reporting of complex transactions. The existence of these or one or more other material weaknesses or significant deficiencies could result in errors in our financial statements, and substantial costs and resources may be required to rectify any internal control deficiencies. If we cannot produce reliable financial reports, investors could lose confidence in our reported financial information, the market price of our stock could decline significantly, we may be unable to obtain additional financing to operate and expand our business, and our business and financial condition could be harmed. We have added additional support personnel in our accounting department and are actively engaged in recruiting a chief financial officer, which we believe will remediate these weaknesses.

Our officers and directors and their affiliates will exercise significant control over us.

After the completion of this offering, our founders, executive officers and directors and their immediate family members will beneficially own, in the aggregate, approximately % of our outstanding common stock. These stockholders may have interests that are different from yours. As a result, these stockholders will be able to exercise significant control over all matters requiring stockholder approval, including the election of directors and approval of significant corporate transactions, which could delay or prevent someone from acquiring or merging with us.

Provisions of Delaware law could discourage a takeover that stockholders may consider favorable.

As a Delaware corporation, we have elected to be subject to the Delaware anti-takeover provisions contained in Section 203 of the Delaware General Corporation Law. Under Delaware law, a corporation may

TABLE OF CONTENTS

not engage in a business combination with any holder of 15% or more of its capital stock unless the holder has held the stock for three years or, among other things, the Board of Directors has approved the transaction. Our Board of Directors could rely on this provision to prevent or delay an acquisition of us. For a description of our capital stock, see “Description of Capital Stock.”

Future sales of our common stock, including those purchased in this offering, may depress our stock price.

Sales of substantial amounts of our common stock in the public market following this offering by our then-existing stockholders may adversely affect the market price of our common stock. Shares issued upon the exercise of outstanding options and shares issuable upon the exercise of the Representative’s warrants also may be sold in the public market. Such sales could create the perception to the public of difficulties or problems with our business. As a result, these sales might make it more difficult for us to sell securities in the future at a time and price that we deem necessary or appropriate.

Upon completion of this offering, we will have shares of common stock outstanding, assuming no exercise of the underwriters’ over-allotment option and no exercise of outstanding options and warrants after June 30, 2014. Of these shares, only shares sold in this offering to persons not subject to a lock-up agreement with our underwriters are freely tradable without restriction immediately following this offering. After the lock-up agreements pertaining to this offering expire one year after the date of the final prospectus for this offering (or, in limited circumstances after 180 days from such date), an additional 6,166,039 shares will be eligible for sale in the public market, of which 5,126,524 shares are currently held by founders, directors, executive officers and other affiliates, and are subject to volume limitations under Rule 144 of the Securities Act and certain other restrictions. The underwriters may also, in their sole discretion, permit our founders, officers, directors and current stockholders to sell shares prior to the expiration of the lockup agreements. See “Shares Eligible for Future Sale” for more information regarding shares of our common stock that may be sold by existing stockholders after the closing of this offering.

Financial forecasting by us and financial analysts that may publish estimates of our financial results will be difficult because of our limited operating history, and our actual results may differ from forecasts.

As a result of our limited operating history, it is difficult to accurately forecast our revenues, operating expenses and results, and operating data. The inability by us or the financial community to accurately forecast our operating results could cause our net losses in a given quarter to be greater than expected, which could cause a decline in the trading price of our common stock. We have a limited amount of meaningful historical financial data upon which to base planned operating expenses. We base our current and forecasted expense levels new company acquisitions on our operating plans and estimates of future revenues, which are dependent on the growth of the number of customers and the demand for our products. As a result, we may be unable to make accurate financial forecasts or to adjust our spending in a timely manner to compensate for any unexpected shortfalls in revenues. We believe that these difficulties in forecasting are even greater for financial analysts that may publish their own estimates of our financial results.

Our management may not use the proceeds of this offering effectively.

Our management has broad discretion over the use of proceeds of this offering in excess of the amounts required to pay the cash portion of the purchase price for the Combinations. Our management has not designated a specific use for this portion of the proceeds of this offering. Accordingly, it is possible that our management may allocate the proceeds in ways that do not improve our operating results. In addition, these proceeds may not be invested to yield a favorable rate of return pending our use of the proceeds.

We do not intend to pay dividends. You will not receive funds without selling shares, and you may lose the entire amount of your investment.

We have never declared or paid any cash dividends on our capital stock and do not intend to pay dividends in the foreseeable future. We intend to invest our future earnings, if any, to fund our growth. We cannot assure you that you will receive a positive return on your investment when you subsequently sell your shares or that you will not lose the entire amount of your investment.

TABLE OF CONTENTS

You will experience immediate and substantial dilution in the pro forma as adjusted net tangible book value.

Purchasers of our common stock in this offering will experience immediate and substantial dilution in the pro forma as adjusted net tangible book value of their shares in the amount of \$ per share, or %, assuming an initial public offering price of \$ per share (the midpoint of the price range set forth on the cover page of this prospectus). For a discussion of dilution, see “Dilution.”

The requirements of being a public company, including compliance with the reporting requirements of the Exchange Act and the requirements of the Sarbanes-Oxley Act, may strain our resources, increase our costs and distract management, and we may be unable to comply with these requirements in a timely or cost-effective manner.

As a public company with listed equity securities, we will need to comply with certain laws, regulations and requirements, including corporate governance provisions of the Sarbanes-Oxley Act of 2002, or the “Sarbanes-Oxley Act,” related regulations of the Securities and Exchange Commission, or “SEC,” and the requirements of The NASDAQ Global Market with which have not been required to comply as a private company. Complying with these statutes, regulations and requirements will occupy a significant amount of time of our Board of Directors and management and will significantly increase our costs and expenses. We will need to:

- institute more comprehensive corporate governance and compliance functions;
- design, establish, evaluate and maintain a system of internal control over financial reporting in compliance with the requirements of Section 404(a) of the Sarbanes-Oxley Act and the related rules and regulations of the SEC and the Public Company Accounting Oversight Board;
- comply with rules promulgated by The NASDAQ Global Market;
- prepare and distribute periodic public reports in compliance with our obligations under the federal securities laws;
- establish new internal policies, such as those relating to disclosure controls and procedures and insider trading;
- to a greater degree than previously, involve and retain outside counsel and accountants in the above activities; and
- establish an investor relations function.

We are an emerging growth company and our reliance on the reduced disclosure requirements applicable to emerging growth companies may make our common stock less attractive to investors.

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act of 2012, and we may take advantage of certain exemptions and relief from various reporting requirements that are applicable to other public companies but are not applicable to emerging growth companies. In particular, while we are an emerging growth company we will not be required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes-Oxley Act, we will be subject to reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and we will not be required to hold non-binding advisory votes on executive compensation or shareholder approval of any golden parachute payments not previously approved.

We may remain an emerging growth company until as late as December 31, 2019 (the fiscal year-end following the fifth anniversary of the completion of this offering), though we may cease to be an emerging growth company earlier under certain circumstances, including (i) if the market value of our common stock that is held by non-affiliates exceeds \$700 million as of any June 30, in which case we would cease to be an emerging growth company as of the following December 31 or (ii) if our gross revenues exceed \$1 billion in any fiscal year. Investors may find our common stock less attractive if we rely on these exemptions and relief. If some investors find our common stock less attractive for this reason, there may be a less active trading market for our common stock and our stock price may decline and/or become more volatile.

TABLE OF CONTENTS

Following this offering we will be obligated to develop and maintain proper and effective internal controls over financial reporting. We may not complete our analysis of our internal controls over financial reporting in a timely manner, or these internal controls may not be determined to be effective, which may adversely affect investor confidence in our company and, as a result, the value of our common stock.

Following this offering and beginning with our second annual report on SEC Form 10-K after becoming a public company, we will be required, pursuant to Section 404(a) of the Sarbanes-Oxley Act, to furnish a report by management on, among other things, the effectiveness of our internal control over financial reporting. This assessment will need to include disclosure of any material weaknesses identified by our management in our internal control over financial reporting. We may not be able to complete evaluation, testing and any required remediation in a timely fashion. During the evaluation and testing process, if we identify one or more material weaknesses in our internal control over financial reporting, we will be unable to confirm that our internal controls are effective.

When we cease to be an emerging growth company, our auditors will be required to express an opinion on the effectiveness of our internal controls. If we are unable to confirm that our internal control over financial reporting is effective, or if our auditors are unable to express an opinion on the effectiveness of our internal controls, we could lose investor confidence in the accuracy and completeness of our financial reports, which would cause the price of our common stock to decline.

Claims for indemnification by our directors and officers may reduce our available funds to satisfy successful third-party claims against us and may reduce the amount of money available to us.

Our amended and restated certificate of incorporation and bylaws that will be in effect immediately prior to the completion of this offering provide that we will indemnify our directors and officers, in each case to the fullest extent permitted by Delaware law. In addition, we have entered and expect to continue to enter into agreements to indemnify our directors, executive officers and other employees as determined by our Board of Directors. Upon the consummation of this offering, we will enter into indemnification agreements with our director nominees and amended indemnification agreements with each of our directors and officers. Under the terms of such indemnification agreements, we are required to indemnify each of our directors and officers, to the fullest extent permitted by the laws of the state of Delaware, if the basis of the indemnitee's involvement was by reason of the fact that the indemnitee is or was a director or officer of the Company or any of its subsidiaries or was serving at the Company's request in an official capacity for another entity. We must indemnify our officers and directors against all reasonable fees, expenses, charges and other costs of any type or nature whatsoever, including any and all expenses and obligations paid or incurred in connection with investigating, defending, being a witness in, participating in (including on appeal), or preparing to defend, be a witness or participate in any completed, actual, pending or threatened action, suit, claim or proceeding, whether civil, criminal, administrative or investigative, or establishing or enforcing a right to indemnification under the indemnification agreement. The indemnification agreements also require us, if so requested, to advance within 30 days of such request all reasonable fees, expenses, charges and other costs that such director or officer incurred, provided that such person will return any such advance if it is ultimately determined that such person is not entitled to indemnification by us. Any claims for indemnification by our directors and officers may reduce our available funds to satisfy successful third-party claims and may reduce the amount of money available to us.

Certain statements contained in this prospectus (including information incorporated by reference) are “forward-looking statements.” We have tried to identify these forward-looking statements by using words such as “may,” “might,” “will,” “expect,” “anticipate,” “believe,” “could,” “intend,” “plan,” “estimate,” “should,” “if,” “project,” and similar expressions. We have based these forward-looking statements on our current expectations and projections about future events. However, these forward-looking statements are subject to risks, uncertainties, assumptions and other factors that may cause our actual results, performance or achievements to be materially different from our expectations and projections. TABLE OF CONTENTS

USE OF PROCEEDS

The net proceeds to us from the sale of shares being offered by us at an assumed initial public offering price of \$ per share, after deducting estimated underwriting discounts and commissions and estimated offering expenses, are estimated to be approximately \$ million, or approximately \$ million if the underwriters' over-allotment option is exercised in full.

The principal purposes of this offering are to create a public market for our common stock; to provide resources to develop new company-owned clinics; to acquire selected existing franchisees; to repurchase selected regional developer licenses; for general corporate purposes, including additional working capital, capital expenditures and marketing; to facilitate future access to the public capital markets; and to provide us with flexibility in the future to acquire additional businesses, either with the net proceeds from this offering or through the publicly traded common stock we create through this offering.

We have not allocated a specific amount of our net proceeds from this offering to any particular purpose. The net proceeds we actually expend for the development of company-owned clinics and the acquisition of additional franchises or regional developer licenses may vary significantly depending on a number of factors, including the timing of our identification and leasing of suitable sites for company-owned clinics and, in respect of the acquisition of franchises or regional developer licenses, our ability to enter into a binding acquisition agreement on favorable terms and the negotiated purchase price. In addition, the net proceeds we actually expend for general corporate purposes may vary significantly depending on a number of factors, including future revenue growth and our cash flows. As a result, we will retain broad discretion over the allocation of the net proceeds from this offering. Pending use of the net proceeds from this offering, we intend to invest the net proceeds in short-term, investment-grade securities.

DIVIDEND POLICY

We have never declared or paid any cash dividends on our capital stock. We currently expect to retain future earnings, if any, to finance the growth and development of our business and do not anticipate paying any cash dividends in the foreseeable future.

DILUTION

If you invest in our stock, your interest will be diluted to the extent of the difference between the public offering price per share of our common stock and the pro forma net tangible book value per share of our common stock after this offering.

The net tangible book value of our common stock on June 30, 2014 was (\$1.5 million) or (\$0.30) per share of common stock. Net tangible book value per share represents the amount of our total tangible assets less total liabilities, divided by the number of shares of common stock outstanding. Dilution in net tangible book value per share represents the difference between the amount per share paid by purchasers of shares of our common stock in this offering and the net tangible book value per share of our common stock immediately afterwards. After giving effect to our sale of million shares of common stock offered by this prospectus at an assumed initial public offering price of \$ per share, and after deducting estimated underwriting discounts and commissions and estimated offering and acquisition expenses payable by us, our pro forma net tangible book value will be \$ million, or approximately \$ per share. The following table illustrates the per share dilution:

Estimated public offering price per share	\$
Net tangible book value per share as of June 30, 2014	(\$0.30)
Increase in net tangible book value per share attributable to new investors

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion of the financial condition and results of operations should be read in conjunction with our financial statements and their notes appearing elsewhere in this prospectus. This discussion contains forward-looking statements, the accuracy of which involves risks and uncertainties. Our actual results could differ materially from those anticipated in these forward looking statements for many reasons, including the risks faced by us described in "Risk Factors" starting on page 14 and elsewhere in the prospectus.

Overview

The Joint Corp. ("we," "our" or "us"), a Delaware corporation, was formed on March 10, 2010, for the purpose of franchising chiropractic clinics, selling regional developer rights and supporting the operations of franchised chiropractic clinics at locations throughout the United States.

The Joint Corporate Unit No. 1 LLC, an Arizona limited liability company, was formed on July 14, 2010, for the purpose of operating chiropractic centers in the state of Arizona. It operated one company-owned clinic which was sold on July 1, 2012, and all remaining balances were consolidated with The Joint as of December 31, 2013.

We seek to be the leading provider of chiropractic care in the markets we serve and to become the most recognized brand in our industry through the rapid and focused expansion of chiropractic clinics in key markets throughout North America and abroad.

Key Performance Measures. We receive both weekly and monthly performance reports from our franchised clinics which include key performance indicators including gross clinic revenues, total royalty income, number of open clinics and patient office visits. We believe these indicators provide us with useful data with which to measure our performance and to measure our franchisees' performance.

Key Clinic Development Trends. We expect to open an additional 92 clinics in the next twelve months, with 74 clinics to be opened under regional developer licenses and 18 clinics to be opened under direct franchise agreements. We generally expect a franchised clinic to open within 9 to 12 months from the date a franchise agreement is signed. This development timeline applies both to clinics franchised directly with us and for clinics franchised through a regional developer. In addition, our regional developers are required, under their respective regional developer agreements, to obtain franchises and open the minimum number of clinics prescribed in their regional developer agreement within a negotiated time period, which takes into account the number of clinics, as well as the size, geography and demographics pertaining to each relevant region. This negotiated time period may differ among regional developers.

We may encounter difficulty in finding suitable locations for our planned company-owned clinics, and our franchisees may encounter difficulty in finding suitable locations for their franchised clinics. In addition, we and our franchisees may not be able to secure the services of chiropractors who share our vision and philosophy regarding the practice of chiropractic and are therefore appropriate candidates to provide services at a Joint clinic. Our ability to take full advantage of advertising and public awareness initiatives will depend on the speed with which we can develop either company-owned or franchised clinics in clusters with sufficient density to justify the use of mass media.

Revenues

Franchise Fees. Our revenues from franchise fees are derived from the sales of franchised units which are recognized when a clinic is opened. In April of 2010, we became a registered franchisor, with the acquisition of 23 original franchises. In 2013, franchise fees recognized were \$2,536,333, or 42.6% of total 2013 revenue.

Royalty Fees. We collect royalties based upon the terms of our franchise disclosure document and our franchise agreements, currently equal to 7.0% of gross sales from open clinics. In 2013, royalty fees were \$1,531,201, or 25.7% of total revenues for 2013.

Advertising Fund Revenue. In 2013, advertising fund revenue was \$216,784, or 3.6% of total revenues.

TABLE OF CONTENTS

IT Related Income and Software Fees. We collect a monthly computer software fee for use of our proprietary chiropractic software, for related computer support and related internet service support. That fee is \$275/month per open clinic. The combined software and supportive hardware program was made available to all clinics in April 2012. IT related revenue represents a flat fee paid by our franchisees to purchase the clinics' computer equipment, operating software, pre-installed chiropractic system software, keycard scanner and credit card receipt printer. In 2013, combined IT related income and software fees were \$762,867, or 12.8% of total revenues.

Regional Developer Fees. In 2011, we established a regional developer program to engage independent contractors to assist in developing a specified geographical region. Under this program, regional developers pay a per license fee of 25.0% of the applicable franchise fee to obtain the right to develop a minimum number of clinics within a specified geographic region and receive 50.0% of franchise fees collected upon the sale of franchises and 3.0% of royalties collected from open clinics in their region. No additional fees are required from regional developers in respect of clinics developed by the regional developer in excess of their minimum development obligation in the territory. Regional developer fees are recognized as revenue when we have performed substantially all initial services required by the regional developer agreement, which is generally upon the opening of each clinic. In 2013, regional developer fees were \$742,875, or 12.5% of total revenues.

Cost of Revenues

Cost of Revenues. Cost of Revenues is comprised of expenses associated with sales, opening and ongoing support in respect of our clinic operators and regional developers. Specifically, cost of revenues includes franchise sales commissions, regional developer royalties and commissions and payments to contracted sales professionals. These costs are recognized upon the opening and ongoing operations of the clinics. Also included in cost of revenues are the costs of computer hardware and software sold to each franchisee owner.

For the year ended December 31, 2013, cost of revenues was \$2,006,196, or 33.7% of total revenues, reflecting a decrease from 2012, in which cost of revenues was 39.2% of total revenues. Cost of revenues as a percent of revenues decreased in the first six months of 2014 to 34.3% because of increased royalty revenue due to an increase in open clinics.

Selling, General and Administrative Costs

Selling, general and administrative costs include all corporate and administrative functions that support our clinics and provide an infrastructure to facilitate our operations and future growth. Components of these costs include executive management, supervisory and staff salaries, bonuses and related taxes and employee benefits, marketing, travel, information systems, training, support center rent and related occupancy costs, and professional and consulting fees. Selling, general and administrative expenses rose in 2013 by more than \$470,000 in response to our growth and the opening of 93 clinics in 2013, which represented an increase of 40 above 2012. In the first six months of 2014, we opened 41 new clinics which contributed to selling, general and administrative costs of \$1,139,700. As a result of these additional clinics opening, selling, general and administrative costs as a percent of revenues increased for the first six months of 2014 to 77.3% from 59.0% for the year ended December 31, 2013.

Selling and marketing expenses consist principally of advertising and promotion, outside services, media and advertising, marketing fund expenditures and internal software costs. These costs are directed through our chief marketing officer and are paid for with the 1.0% marketing fee we collect from franchisees. Outside services and costs includes programs to create brand awareness and promotion in new markets for potential clinic locations. All advertising costs are expensed as incurred.

Depreciation and Amortization is computed using the straight line method over the estimated useful lives of any property and equipment.

General and Administrative Costs rose in 2013 in response to our growth and the opening of 93 clinics in 2013, which represented an increase of 40 above 2012. In the first six months of 2014, general and administrative costs rose to \$2,050,640. This was an increase of \$823,031 over the first six months of 2013 and was due to continued growth and the opening of 41 clinics in the first six months of 2014 in addition to

the 93 new clinics opened for fiscal year 2013 and our commitment to develop a significant number of company-owned clinics in selected markets. In anticipation of this growth we have invested in the development of our senior management team which includes the addition of a Chief Marketing Officer, and the hiring of a new Chief Operating Officer and Chief Executive Officer. We are currently developing a chiropractic advisory board to assist in oversight, quality control, research and training in chiropractic and related performance issues. We have engaged a health care focused public relations firm as well as a nationally recognized marketing agency to continue to drive revenue growth and brand awareness.

Results of Operations

Our operating results for fiscal years 2013 and 2012, and for the six months ended June 30, 2014 and June 30, 2013, expressed as a percentage of sales were as follows:

Comparison of Six Months Ended June 30, 2014 to Six Months Ended June 30, 2013

For the six months ended June 30, 2014 and 2013, revenues were \$3,244,671 and \$2,832,812 respectively, an increase of \$411,859, or 14.5%. The increase was due to increased royalty fee revenue of \$787,691, increased software fee revenue of \$116,600, increased marketing fund revenue \$34,886 and increased other income of \$37,215. These revenue increases were offset by decreases of \$351,333 in franchise fee revenue, a decrease of \$147,000 in regional developer fees and a decrease of \$66,200 in IT related income. The increase in royalty fees for the period ended June 30, 2014 was due to an increase of 84 open clinics to 215 open clinics as of June 30, 2014, compared to 131 open clinics as of June 30, 2013, representing an increase of 64.1% over the total number of open clinics as of June 30, 2013. The increased clinic base generated significantly more sales upon which the royalty fee is calculated. Franchise fees are recognized when clinics are opened. For the six months ended June 30, 2014 and June 30, 2013, 41 and 52 new clinics opened respectively.

For the six months ended June 30, 2014 and 2013, the cost of revenues was 34.4% and 35.5%, respectively as a percentage of total revenues. The total cost of revenues increased by \$107,764 due to an increase in the regional developer royalties of \$285,662 or 155.0% higher than the six months ended June 30, 2013. This expense increase was due to an increase in the number of open regional developer sold franchises from number of open regional developer sold franchises for the six months ended June 30 2013. This increased cost of revenues was partially offset by a decrease in regional developer and sales commissions of \$210,688 due to a lower amount of regional developer clinic openings during the six months ended June 30, 2014 as compared to the six months ended June 30, 2013.

Selling and general administrative expenses increased \$730,775, or 43.2% to \$2,420,662 for the six months ended June 30, 2014 from \$1,689,887 reported for the comparable period in 2013. As a percentage of sales, selling and general administrative expenses increased to 74.6% for the six months ended June 30, 2014 from 59.7% for the same period in 2013. Selling and marketing expenses decreased \$92,256, or 20.0%, to \$370,022 for the six months ended June 30, 2014 from \$462,278 for the six months ended June 30, 2013. Direct selling expenses are comprised of media and promotion costs, advertising, software development and related travel costs. The decrease in direct selling expenses is attributable to a change in marketing strategy in 2014 to focus attention on the development of new marketing plans to be launched in the second half of 2014. General administrative expenses increased \$823,031 or 67.0% to \$2,050,640 for the six months ended

TABLE OF CONTENTS

June 30, 2014 from \$1,227,609 reported for six months ended June 30, 2013. The expense increase is due to a \$558,079 increase in employment expense which includes salaries and wages, stock based compensation, executive relocation costs, health insurance expense and payroll tax expense, a \$137,430 increase in professional fees expense for legal and accounting services, a \$55,500 increase in director's fees and an increase of \$30,727 in computer and internet expenses. Depreciation expense for the six months ended June 30, 2014, and June 30, 2013, was \$88,885 and \$31,511 respectively, an increase of \$57,374 or 182.1%. The increase was due to the fixed assets additions of \$542,673 for relocation and expansion of the corporate office, related tenant improvement expenses, software enhancements and website development expenses subsequent to June 30, 2013.

Other expense was \$3,800 and \$22,000 for the six months ended June 30, 2014, and 2013, respectively. Income tax benefits for the six months ended June 30, 2014, and June 30, 2013, was \$121,523 and \$30,667 respectively.

Royalty income for the six month period ended June 30, 2014 was \$1,361,591, as compared to \$573,900 for the same period in 2013, representing growth of 137.0%. Total patient visits for the six month period ended June 30, 2014 were 947,929, as compared to 430,875 for the same period in 2013, representing growth of 120.0%. As of June 30, 2014, we had 215 open clinics, as compared to 131 open clinics as of June 30, 2013, representing growth of 64.0%.

Comparison of Year Ended December 31, 2013 to Year Ended December 31, 2012

For the years ended December 31, 2013, and 2012, we reported revenues of \$5,958,067 and \$2,784,942, an increase of \$3,173,125, or 113.9%. The increase is attributable to increases of \$1,197,000 in franchise fees, \$994,965 in royalty fees, \$406,817 in IT related income and software fees, \$350,125 in regional developer charges, \$161,648 in advertising fund revenue and \$122,692 in merchant fee rebates for promotional marketing and credit card processing, partially offset by a decrease of \$60,122 of clinic revenue.

For the years ended December 31, 2013, and 2012, we reported cost of revenues of \$2,006,196 and \$1,090,533, an increase of \$915,663, or 84.0%. As a percentage of revenues, cost of revenues decreased to 33.7% for the year ended December 31, 2013, from 39.2% for the same period in 2012. The decrease is attributable to the mix of revenues and cost of revenues. With the increased number of clinics in 2013 the royalty fees earned in 2013 increased \$944,965 over the prior year. For the year ended December 31, 2013, and 2012, we reported clinic openings of 93 and 53 respectively, an increase of 40, or 75.5%.

For the years ended December 31, 2013, and 2012, we reported selling and general administrative expenses of \$3,512,082 and \$3,041,550 an increase of \$470,532, or 15.5%. As a percentage of revenue, selling and general administrative expenses decreased to 58.9% for the year ended December 31, 2013, from 109.2% for the year ended December 31, 2012. Selling and marketing expenses increased \$32,341, or 4.3%, to \$781,256 for the year ended December 31, 2013, from \$748,915 reported for the year ended December 31, 2012. Direct selling expenses are comprised of media and promotion costs, advertising, software development and related travel costs. General administrative expenses increased \$417,280 or 18.6%, to \$2,680,101 for the year ended December 31, 2013, from \$2,242,821 reported for the year ended December 31, 2012. The increase is attributable to \$477,361 in increases in salaries and benefits, \$83,695 for occupancy and related costs and \$20,285 for miscellaneous expenses, partially offset by decreases of \$164,061 in office expenses, professional fees, insurance and clinic expenses (we sold the company clinic as of June 2013). Depreciation expense for the year ended December 31, 2013, was \$70,725 compared to depreciation of \$49,814 for the year ended December 31, 2012. The \$20,911 increase in depreciation was primarily due to the additional assets added in 2013 for software development for our franchisees.

Other income (expense) totaled \$(32,000) and \$36,318 for the years ended December 31, 2013, and 2012, respectively.

For the year ended December 31, 2013, and 2012, we recorded income tax benefit of approximately \$252,154 and \$574,528, respectively.

Royalty income for the 12 month period ended December 31, 2013 was \$1,531,201, as compared to \$536,236 for the same period in 2012, representing growth of 186.0%. Total patient visits for the 12 month

Liquidity and Capital Resources

We will finance our operations primarily with the capital raised through sales of our common equity securities in connection with this offering. As of June 30, 2014, we had cash and cash equivalents of \$3,260,666.

We expect to devote substantial resources to acquiring additional companies. Although we anticipate that the proceeds of this offering, together with our current cash and cash equivalents and cash flows will be sufficient to fund our activities for the next twelve months and the foreseeable future, we cannot assure you that we will not require additional financing within this time period or that additional funding, if needed, will be available on terms acceptable to us or at all. In addition, although there are no present understandings, commitments or agreements with respect to any acquisition of other businesses, products or technologies, we intend to actively seek and attempt to complete the acquisition of other businesses. If we are unable to raise additional equity or debt financing, if and when needed, we could be forced to significantly curtail our operations.

At June 30, 2014, we had an accumulated deficit of \$2,242,607. Current assets of \$5,825,390 exceeded current liabilities of \$4,216,747 by \$1,608,643. Historically, we have financed our business through cash generated from ongoing operations.

At December 31, 2013, we had an accumulated deficit of \$1,980,961. Liquid assets at December 31, 2013 consisted primarily of cash and cash equivalents of \$3,516,750. Current assets of \$5,660,799 exceeded current liabilities of \$3,589,459 by \$2,071,340.

Net decrease in cash	<u>\$ (48,842)</u>

Cash provided by our operating activities for the year ended December 31, 2013 was \$422,217 resulting from net income of \$155,635 and cash increases in operating assets and liabilities of \$753,708, partially offset by noncash reconciling adjustments of \$487,126. Noncash reconciling adjustments include accrued interest on notes receivable of \$5,551 and deferred income taxes of \$552,300 partially offset by depreciation and amortization of \$70,725.

The \$753,708 increase in cash from operating assets and liabilities is primarily attributable to an decrease in restricted cash of \$17,290, prepaid income taxes of \$300,000, prepaid expenses and other current assets of \$47,069, decreases in accounts payable and accrued expenses of \$125,394, co-op funds liability of \$9,359, payroll liabilities of \$58,046, deferred revenue of \$59,167, income taxes payable of \$419,297, and other liabilities of \$108,029 partially offset by an increase in accounts receivable of \$287,757, deferred franchise costs of \$14,850, deposits and other assets of \$60,686, and a decrease in marketing fund deferred revenue of \$26,650.

Cash used in investing activities of \$231,059 was the result of the purchase of equipment for \$241,412, offset by payments received from notes receivable of \$10,353. Cash used in financing activities was \$240,000, and is comprised of the purchase of treasury stock of \$240,000.

Net cash provided by operating activities decreased \$1,753,720, or 80.6% to \$422,217 for the year ended December 31, 2013, from \$2,175,937 for the comparable period in 2012. This decrease in net cash provided from operating activities, is comprised of an increase in operating assets and liabilities of \$2,684,810 offset by a decreases in non-cash reconciling adjustments of \$39,160 and net loss of \$891,930 for the year ended December 31, 2013, as compared to 2012.

Deferred revenue and deferred costs decreased from 2012 to 2013 due to the two underlying factors affecting our business: sales of franchises and opening of clinics. In fiscal 2013 we opened 93 clinics. Opening of clinics is a non-cash transaction. In fiscal 2013 we sold 98 franchises. The sale of franchises is a cash transaction. In fiscal 2013 we realized more revenue from clinic openings than we added through sales, resulting in a net decrease in deferred revenue and deferred cost balances at year-end.

Accounts receivable increased \$287,757 or 261.0% from 2012 to 2013. The increase is primarily attributable to an increase in clinic sales and transfer fees receivable of \$178,008 and an increase in royalties receivable of \$68,585. Prepaid taxes decreased \$300,000 or 100.0% from 2012 to 2013, directly related to a prepayment of taxes in 2012 of \$300,000, however no such payment was made in 2013. Income taxes payable increase \$419,297 or 100.0% from 2012 to 2013. The increase in income taxes payable is primarily attributable to positive taxable income in 2013.

Net cash used in financing activities increased \$240,000, or 100.0% for the year ended December 31, 2013, from \$0 for the comparable period in 2012. This increase is comprised of a \$240,000 increase in the purchase of treasury stock.

Recent Accounting Pronouncements

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers* (Topic 606) which provides guidance on how companies recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects consideration to which we expect to be entitled in exchange for those goods or services. We are in the process of evaluating the impact of this pronouncement.

Potential Fluctuations in Quarterly Results

Our quarterly operating results may fluctuate significantly as a result of a variety of factors, including the timing of new clinic openings, markets in which they are contained and related expenses, general economic conditions, consumer confidence in the economy, consumer preferences, and competitive factors.

Contractual Obligations and Risk

The following table summarizes our contractual obligations at December 31, 2013, and the effect that such obligations are expected to have on our liquidity and cash flows in future periods:

Contractual Obligation	2014	2015	2016	2017	2018	2019 & Beyond	Other	Total
Operating lease obligations	116,000	235,000	250,000	255,000	260,000	154,000	—	1,270,000
Uncertain tax positions⁽¹⁾	—	—	—	—	—	—	204,300	204,300
Total	116,000	235,000	250,000	255,000	260,000	154,000	1,474,300	1,474,300

(1) Unrecognized tax benefits, as shown in “Other,” have been recorded as liabilities, and we are uncertain as to if or when such amounts may be settled.

Quantitative and Qualitative Disclosures about Market Risk

Our market risk exposures are related to our cash, cash equivalents and investments. We invest our excess cash in liquid short-term investments with a maturity of less than one year. We anticipate investing our net proceeds from this offering in similar investment grade and highly liquid investments. These investments are not held for trading or other speculative purposes. Changes in interest rates affect the investment income we earn on our investments and, therefore, impact our cash flows and results of operations.

All of our transactions are conducted, and our accounts are denominated, in United States dollars. Accordingly, we are not exposed to foreign currency risk.

Critical Accounting Policies and Estimates

Our financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, or GAAP. The preparation of our financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities and the reported amounts of revenues and expenses. Our estimates are based on assumptions we believe are reasonable under the circumstances. We will evaluate our estimates on an ongoing basis and make changes as experience develops or as we become aware of new information. Actual results may differ from these estimates.

Items subject to significant estimates and assumptions include the allowance for doubtful accounts, share-based compensation arrangements, fair value of stock options, estimated life of stock options and forfeitures, useful lives and realizability of long-lived assets, classification of deferred revenue and deferred franchise costs and deferred tax assets and liabilities as long-term or current, uncertain tax positions and realizability of deferred tax assets. Of these items, share-based compensation, the fair value of stock options and the estimated lives of stock options and forfeitures entail a high degree of subjectivity and judgment.

The allowance for doubtful accounts is based on management’s assessment of the collectability of accounts receivable. Although not historically a large area for us, we did establish an allowance for doubtful accounts of \$40,000 as of June 30, 2014.

The useful lives and realizability of long lived assets is not expected to have a high degree of susceptibility to change.

Share-based compensation expense is based upon a variety of inputs including the value of our stock, which as a private company is highly subjective and subject to significant change, estimates of volatility, currently based on comparable companies, the selection of which is subjective. Estimated life of options and forfeitures are also subjective and subject to judgment, and may impact expense in the future. Most of these subjective estimates will impact the value of future grants.

TABLE OF CONTENTS

The estimated fair value of each option granted is calculated using the Black-Scholes option-pricing model. In order to calculate the fair value of the options, certain assumptions are made regarding the components of the model, including the estimated fair value of underlying common stock, risk-free interest rate, volatility, expected dividend yield and expected option life. Changes to the assumptions could cause significant adjustments to the valuation.

The fair value of the Company's common stock is estimated by the Board of Directors at or about the time of grant for each share-based award. At each grant, the Board of Directors considered a blend of approaches in establishing a value for our common stock, including an income approach which considers our EBITDA, a market approach, involving the Board of Directors' assessment of an amount our shareholders would accept in the private sale of the Company, and the valuation of the Company in an initial public offering and the probability of successfully completing an initial public offering. In addition, the Board of Directors considered its receipt, pursuant to a contractual right of first refusal, of a bona fide offer from an unaffiliated third party, in November 2013, to purchase 534,000 shares of our common stock at a price of \$0.45 per share. Although the methods for determining fair value of our common stock are not complex, the Board of Directors' estimate of the fair value of our common stock does involve subjectivity, especially assessments of value in a private sale and estimates of value in the public stock market.

The classification of deferred revenue and deferred franchise costs as current or long-term is based on the production schedule and our ability to adhere to it. Although not impacting our overall financial position, classification does impact our current ratio.

The realizability of deferred tax assets and determination of whether an allowance is necessary is based on our assessment of the probability and timing of the reversal of the deferred tax asset, prospects for book and tax income and the potential to carry back net operating losses if needed. It is our assessment that our assessment of the realizability of deferred tax assets and determination regarding allowances will not change in the foreseeable future.

Principles of Consolidation

Our consolidated financial statements include the accounts of The Joint Corp. and its wholly-owned subsidiary, The Joint Corporate Unit No. 1, LLC. All significant intercompany accounts and transactions between The Joint Corp. and its subsidiary have been eliminated in consolidation.

Concentrations of Credit Risk

We grant credit in the normal course of business to franchisees related to the collection of initial franchise fees, royalties and other operating revenues. We periodically perform credit analysis and monitor the financial condition of the franchisees to reduce credit risk. As of December 31, 2013, and 2012, one customer and two customers, respectively, represented 14.7% and 54.3% of outstanding accounts receivable.

Accounts Receivable

Accounts receivable represent amounts due from franchisees for royalty fees and marketing and advertising expenses. We consider a reserve for doubtful accounts based on the creditworthiness of the franchisee. The provision for uncollectible amounts is continually reviewed and adjusted to maintain the allowance at a level considered adequate to cover future losses. The allowance is our best estimate of uncollectible amounts and is determined based on specific identification and historical performance that are tracked by us on an ongoing basis. The losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. We determined that an allowance for doubtful accounts was not necessary for the twelve months ended December 31, 2013, and 2012. For the six months ended June 30, 2014, we established an allowance for one account in the amount of \$42,039.

Deferred Franchise Costs

Deferred franchise costs represent commissions that are earned in conjunction with the sale of a franchise, and are expensed when the respective revenue is recognized, which is generally upon the opening of a clinic.

TABLE OF CONTENTS

Property and Equipment

Property and equipment are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of three to seven years. Leasehold improvements are amortized using the straight-line method over the shorter of the lease term or the estimated useful life of the asset.

Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of property or equipment are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in other income.

Software Developed

We capitalize most software development costs. These capitalized costs are primarily related to proprietary software used by clinics for operations and by us for management of operations. Costs incurred in the preliminary stages of development are expensed as incurred. Once an application has reached the development stage, internal and external costs, if direct and incremental, are capitalized as assets in progress until the software is substantially complete and ready for its intended use. Capitalization ceases upon completion of all substantial testing. We also capitalize costs related to specific upgrades and enhancements when it is probable the expenditures will result in additional functionality. Software developed is recorded as part of property and equipment. Maintenance and training costs are expensed as incurred. Internal use software is amortized on a straight line basis over its estimated useful life, generally five years.

Long-Lived Assets

We review long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recovered. We look primarily to the undiscounted future cash flows in its assessment of whether or not long-lived assets have been impaired. No impairments of long-lived assets were recorded for the years ended December 31, 2013, and 2012, and for the six months ended June 30, 2014.

Revenue Recognition

We generate revenue through initial franchise fees, regional developer fees, transfer fees, royalties, IT related income, and computer software fees.

Initial Franchise Fees

We require the entire initial franchise fee to be paid upon execution of the franchise agreement, which has an initial term of ten years. Initial franchise fees received from a franchisee are recognized as revenue when we have performed substantially all initial services required by the franchise agreement, which is generally upon the opening of a clinic.

Regional Developer Fees

During 2011, we established a regional developer program to bring on independent contractors to assist in developing a specified geographical region or unit. Under this program, a regional developer pays a per license fee of 25.0% of the franchise fee to obtain the rights to develop the clinic within a specified geographical region and receives 50.0% of all franchise fees collected upon the sale of a franchise and 3.0% of all royalties collected from open clinics in their region. Any clinics developed by the regional developer over their contracted minimum in the territory, require no additional fee. Regional developer fees are recognized as revenue when we have performed substantially all initial services required by the regional developer agreement, which is generally upon the opening of each clinic.

Royalties

We collect royalties, as stipulated in the franchise agreement, equal to 7.0% of gross sales and a marketing and advertising fee of 1.0% of gross sales. Certain franchisees with franchise agreements acquired during our formation pay a monthly flat fee. Royalties are recognized as revenue when earned.

Income Taxes

We account for income taxes in accordance with the Accounting Standards Codification that requires the recognition of deferred income taxes for differences between the basis of assets and liabilities for financial statement and income tax purposes. The differences relate principally to depreciation of property and

TABLE OF CONTENTS

equipment and treatment of revenue for franchise fees and regional developer fees collected. Deferred tax assets and liabilities represent the future tax consequence for those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. Deferred taxes are also recognized for operating losses that are available to offset future taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized.

We account for uncertainty in income taxes by recognizing the tax benefit or expense from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based on the technical merits of the position. We measure the tax benefits and expenses recognized in the consolidated financial statements from a position based on the largest benefit that has a greater than 50.0% likelihood of being realized upon ultimate resolution.

Earnings (Loss) per Common Share

Basic earnings (loss) per common share include no dilution and are computed by dividing the net earnings (loss) by the weighted-average number of common shares outstanding during the period. Diluted earnings (loss) per common share is computed by giving effect to all potentially dilutive common shares including preferred stock, restricted stock and stock options. Basic and diluted earnings per share for the year ended December 31, 2012, and the six months ended June 30, 2014, were the same as the impact of all potentially dilutive securities outstanding was anti-dilutive. Diluted earnings per share for the year ended December 31, 2013, included the effect of 1,335,000 shares of common stock issuable upon conversion of the preferred stock and 534,000 shares of common stock issuable upon exercise of a stock option. Diluted earnings per share for the six months ended June 30, 2013, included the effect of 1,335,000 shares of common stock issuable upon conversion of the preferred stock.

BUSINESS

Our Company

We are a rapidly growing franchisor of chiropractic clinics that operates on a non-insurance, cash-based model. We seek to be the leading provider of chiropractic care in the markets we serve and to become the most recognized brand in our industry through the rapid and focused expansion of chiropractic clinics in key markets throughout North America and abroad. Our mission is to improve quality of life through routine chiropractic care. We strive to accomplish this by making quality care readily available and affordable. We have created a growing network of modern, consumer-friendly chiropractic clinics operated by franchisees that employ only licensed chiropractors. We have priced our services below most competitors' pricing for similar services and below most insurance co-payment levels (i.e., below the patient co-payment required for an insurance-covered service).

Since acquiring the predecessor to our company in March, 2010, we have grown our enterprise from eight to 215 franchised clinics in operation as of June 30, 2014, with another 250 franchises granted through our network of regional developers and independent franchise operators. In the six months ended June 30, 2014, our franchised clinics registered 948,304 patient visits and generated system-wide revenues of \$19,773,084, which refers to the aggregate revenues of our franchisees. We receive a royalty of 7.0% of gross revenues from franchised clinics and 4.0% of gross revenues from clinics franchised through regional developers. We also collect a national marketing fee of 1.0% of gross revenues of all franchised clinics. We receive a franchise of \$29,000 for franchises we sell directly and a franchise fee of \$14,500 for franchises sold through regional developers.

All 215 Joint clinics open as of June 30, 2014, are operated by franchisees and we do not directly own or operate any of these clinics. Of these, 40 franchises have been awarded directly by us. In addition, 175 franchises were awarded pursuant to our regional developer program in which we sold licenses to third parties to develop franchises in particular geographic areas. The 250 franchises granted in addition to our currently open clinics are in various stages of development. Of these, 83 franchises were awarded directly by us and 167 franchises were awarded pursuant to our regional developer program. Our future growth strategy will increasingly focus on opening clinics directly owned and operated by us, while continuing to grow through the sale of additional franchises.

For the year ended December 31, 2013, we had net income after taxes of \$155,635. For the six month period ended June 30, 2014, we had a net loss of \$206,582. For the same periods, our revenue as a percentage of franchisees' revenue was 26.7% and 16.4%, respectively.

Over the past three years, our franchisees have achieved sustained increases in average monthly revenues and patient visits per clinic, which we believe demonstrates our ability to continue to increase revenues and to grow our brand equity. For the 14 clinics that opened in 2011, we increased sales throughout our system from \$650,170 in 2011 to \$2,823,895 in 2012, and to \$4,223,254 in 2013, and increased patient visits from 34,056 in 2011 to 142,045 in 2012 and to 197,452 in 2013.

For the 53 clinics that opened in 2012, we increased sales from \$2,140,814 in 2012 to \$9,591,917 in 2013, and increased patient visits from 116,752 in 2012 to 468,467 in 2013.

As part of our branding strategy, we deliver convenient, appointment-free chiropractic adjustments in a casual, inviting, consumer-oriented environment at prices that are between 56% and 70% lower than the average cost for comparable procedures offered by traditional chiropractors, according to *First Research*. To increase convenience and value for our patients, our clinics offer a variety of customizable membership and wellness plans which feature discounted pricing even as compared with our single-visit pricing schedules. These flexible plans are designed to attract patients and encourage repeat visits and routine usage.

TABLE OF CONTENTS

As of June 30, 2014, we have 215 franchised clinics in operation in 25 states. The map below shows the states in which our franchisees operate clinics and the number of clinics open in each state as of June 30, 2014.

Our locations have been selected to be visible, accessible and convenient. We offer a welcoming, consumer-friendly experience that attempts to redefine the chiropractic doctor/patient relationship. Our clinics are open longer hours than most of our competitors and our patients do not need appointments. We operate a “cash” business. We do not accept insurance and do not provide Medicare covered services. We believe that our approach, especially our commitment to affordable pricing and our ready service delivery model, will attract existing consumers of chiropractic services and will also appeal to the growing market of consumers who seek alternative or non-invasive wellness care.

Patients

We appeal to a broad demographic group. Our patients come from a cross section of 20 different demographic categories with significant variation in age, income, employment and lifestyle. Our top five demographic/psychographic categories (using Pitney Bowes’ “Personix” profiles) are as follows:

Personix Profile	Median Age	Income Range	Occupation
Collegiate Crowd	21	\$15 – 20K	Student/Manager/Clerical
Career Building	26	\$50 – 75K	Professional/Technical
Savvy Singles	37	\$50 – 100K	Professional/Technical
Solid Single Parent	43	\$50 – 75K	Professional/Technical
Career-Centered Singles	54	\$75 – 100K	Professional/Managerial

Services

We offer convenient, appointment-free chiropractic adjustments in a casual, inviting, consumer-oriented environment. To increase convenience and value for our patients, our clinics offer a variety of membership and wellness packages which feature discounted pricing as compared with our single-visit pricing. These flexible packages are designed to attract patients and encourage repeat visits and routine usage. As an added advantage, patients who purchase memberships may receive adjustments at any Joint clinic throughout our system at no additional cost.

Our goal is to locate our clinics in highly visible retail centers. Our clinics measure, on average, approximately 1,000 – 1,200 square feet, and contain a reception area and an average of three treatment tables. A typical clinic is staffed by one receptionist/wellness coordinator and one or two chiropractic doctors. Our service delivery model, coupled with our consistent, consumer-oriented approach, has been designed to aid in

TABLE OF CONTENTS

the development of brand awareness and to provide our patients with an identifiable, comfortable, upscale service experience that distinguishes us from the clinical and impersonal atmosphere often encountered at traditional chiropractic and medical offices.

Our patients arrive at our clinics without appointments at times convenient to their schedules. Once a patient has signed up, they simply swipe their membership card at a card reader at the reception desk to announce their arrival. Typically, within five to seven minutes (the average throughout our system), the patient is escorted to the non-intimidating, open adjustment area, where they are required to remove only their outerwear to receive their adjustment. The adjustment, administered by a licensed chiropractor, takes approximately 12 – 15 minutes on average for a new patient and 7 minutes on average for a returning patient. Each patient's records are automatically updated in our proprietary data storage system by our chiropractors in compliance with all applicable medical records security and privacy regulations. A typical Joint adjustment area is shown on the inside front cover of this prospectus.

Our consumer-focused service model targets the non-acute treatment market, which we believe to be the largest segment of the chiropractic services market. As our model does not focus on the treatment of severe, acute injury, we do not have the need to provide expensive and invasive diagnostic tools such as MRIs and X-rays but instead refer those who present with acute symptoms to alternate healthcare providers, including traditional chiropractors. We seek to drive patient flow to our clinics by creating brand awareness through numerous, conveniently located, highly visible clinic locations and traditional retail-oriented marketing and customer acquisition techniques. We intend to maximize our operational efficiencies, drive usage and grow brand awareness through the expansion of our presence into a national infrastructure that leverages our size and local market density.

We maintain operating standards in compliance with the highest standards in the chiropractic profession. We intend to recruit a chiropractic advisory board consisting of cross-functional specialists and opinion leaders. Collectively they would contribute to an integrated understanding of the science of chiropractic and advise us on the current state of spinal and neuromuscular research. In addition, we expect that our chiropractic advisory board will contribute to the development and improvement of our protocols and operating practices.

Franchises

All of our current clinics are operated by franchisees under franchise agreements with us. We employ demanding qualification criteria in the selection of franchisees and training programs that adhere to strict operating standards for franchisees. We qualify potential franchisees by conducting criminal and credit background checks and obtaining information on their financial resources, work history and experience. We require franchisees to have a minimum net worth of \$250,000. In addition, we make a determination as to the compatibility of franchisee candidates with our philosophical approach to chiropractic patient care, based on personal interviews. Once qualified, we require proposed franchisees to attend a three-day training program, where candidates are evaluated and scored. If the training program is successfully completed, we will grant a franchise. We provide additional field support in advance of a franchised clinic's opening, and we further provide ongoing training through our web portal and through quarterly franchisee reviews and scheduled field visits by our operations support personnel. We work hard to ensure that each of our franchise locations meets the same quality and patient service standards in order to preserve the consistency and reliability of our brand.

We are dedicated to providing the tools our franchisees need to succeed before, during and after a clinic opening, including assistance with site selection and development, training, operations and marketing support. Through our franchise support and development infrastructure and our rigorous screening process, we have successfully built a base of 215 franchised clinics in operation that are owned by 104 franchisees as of June 30, 2014, with an average clinic ownership of approximately two clinics per franchisee. As of June 30, 2014, a majority of our franchisees owned one clinic, while approximately 85% of franchisees owned one or two clinics. We believe this highly diversified franchisee base demonstrates the viability of our concept across numerous types of owners and operators, limits our risk and provides an attractive base of owners with capacity to grow with our brand.

We identify potential franchisees through a variety of methods, including information on our website, advertising in chiropractic journals, the use of franchise brokers and through referrals from existing franchisees.

TABLE OF CONTENTS

Many of our franchisees are chiropractors. However, the majority of our franchisees are independent businesses. In states which regulate the corporate practice of chiropractic services, our non-chiropractor owned franchisees enter into management agreements typically with a chiropractor-owned professional corporation. Under such management agreements, all aspects of professional chiropractic practice are under the exclusive control of the licensed chiropractor and all non-chiropractic aspects of the operation of the clinic are managed by the franchisee. Where such arrangements are in place, the chiropractors are employees of the chiropractor-owned professional corporation and not of the franchisee.

Franchise Disclosure. The United States Federal Trade Commission and many states require a franchisor to provide a franchise disclosure document or “FDD” to all prospective franchisees. In addition, many states require a franchisor to register with a state franchise administrator before offering or selling a franchise in that state. We believe we have complied with all federal regulations regarding disclosure and with all state franchise registration requirements in the states in which we have sold, offered or are offering to sell franchises. Our FDD contains detailed information about our company’s organization and history, and explains to prospective franchisees what their rights and responsibilities would be if they became our franchisee. The FDD also includes our financial statements, a copy of our standard franchise agreement and various other documents and agreements that are relevant to a prospective franchisee’s decision to purchase a franchise.

Regional Developers. We have entered into 26 regional developer licenses with 15 regional developers in which we granted to regional developers the right to solicit potential franchisees in a defined territory. The fee for a regional developer license varies from territory to territory and generally depends on the number of franchises anticipated to be awarded within a particular territory. We reserve the right to approve franchisees and clinic sites identified by our regional developers. We receive 50.0% of our standard franchise fee for franchises awarded under regional developer licenses, and we remit a 3.0% royalty to our regional developers on the gross revenues of franchises awarded under their regional developer licenses.

Regional developers are typically seasoned entrepreneurs with significant investment capital. Many of our regional developers were successful franchisees or regional developers of Massage Envy, the company founded by our non-executive Chairman of the Board, John Leonesio, or owners of multiple unit franchises of other unrelated businesses. Because of their business acumen, potential regional developers typically are aware of opportunities for licenses and have approached us to begin the licensing process.

Our regional developer licenses grant an exclusive territory to our regional developers and require our regional developers to sell a minimum number of franchises within their territory and to cause the franchises to be opened within a specified time period. Regional developers are obligated also to provide training and support to franchisees. Regional developer licenses typically have a ten year duration and are renewable upon payment of a renewal fee. We may terminate regional developer licenses if the regional developer fails to meet its material obligations under the license.

We have negotiated repurchase rights in some of our regional developer licenses, pursuant to which we have the option, commencing three years from the effective date of the license, to repurchase the regional developer license pursuant to a negotiated formula.

Franchise Agreements. For each franchise clinic, we enter into a franchise agreement stipulating a standard set of terms and conditions. The initial term of a franchise agreement generally is 10 years, with one 10-year renewal option. The standard initial franchise fee for our clinics is \$29,000. This initial fee is paid in full at the time the franchise agreement is signed. A franchise fee allows an owner to open a single clinic at a specific location. Our franchise agreements do not, however, typically create an exclusive territory for our franchisees outside of their specific location. Franchisees who renew their franchises after the initial term must pay us a renewal fee equal to 25.0% of our then-current initial franchise fee.

Under our standard franchise agreements, franchisees are also required to pay an ongoing royalty fee of 7.0% of gross revenues in order to use our registered trademarks and to benefit from corporate franchise support. Our franchisees currently contribute 1.0% of gross revenues to a regional and national advertising fund, and we may, under certain circumstances, raise this contribution to 2.0% of gross revenues.

Our franchise agreements set forth certain material duties and responsibilities of franchisees, including, but not limited to, the timetable for pre-opening actions such as permitting, the timetable for opening, initial

TABLE OF CONTENTS

and follow up training responsibilities, advertising standards, restrictions on the use of our trademarks and services marks both during and after the term of the franchise, confidentiality and non-competition provision, restrictions on transfer of the franchise, and dispute resolution provisions. Our franchise agreements also set forth our material duties and responsibilities, including but not limited to, our right to approve the site selected for each franchise, our right to set and make changes to the operating standards applicable to franchisees, such as plans and specifications for the franchised clinic, choice of equipment, signs, furnishings, software and computer systems, advertising materials, types of products and services offered, conditions and appearance of the franchised clinic, approved vendors and suppliers and insurance requirements. We also retain the right to approve all advertising conducted by a franchisee. Our right to enforce certain standards may be limited by state laws which restrict the right of a franchisor to control the activities of a licensed professional chiropractor.

If a franchisee fails to comply with the material provisions of our franchise agreement or our operating policies, or if a franchisee violates other specific provisions of our franchise agreement, including, but not limited to, operating in an unsafe manner, failure to comply with applicable laws, failure to submit financial reports, attempting to transfer the franchise, conviction of a crime, or materially degrading our brand or goodwill, we have the right, after specified notice and cure periods, to terminate the franchise and require the franchisee to cease using our brand and our operating systems. Upon termination of a franchise, we are entitled to receive, in addition to any damages to which we are entitled, a termination fee equal to one-half of our then-current franchise fee. We also have the right, but not the obligation, to purchase the assets of the franchise at fair market value. Upon termination of a franchise, the former franchisee will be bound by the confidentiality and non-competition provisions of the franchise agreement.

From time to time, we may enter into amendments to our standard franchise agreements as part of various limited incentive programs targeted to improve clinic growth, accelerate development in certain markets or assist underperforming clinics, among others. These amendments may include lower royalty fees for a limited period.

We have the right to terminate our franchise agreements for a number of reasons, including insolvency or bankruptcy, failure to operate franchised clinics according to our standards, understatement of sales, failure to pay fees, or material misrepresentations on an application for a franchise.

If a franchisee is not a licensed chiropractor, we provide the franchisees with a standard form of management agreement that, depending on the laws of the state in which the franchisee is located, the franchisee may be required to enter into with a chiropractic professional corporation or professional limited liability company, pursuant to which the franchisee will provide management and administrative services to the professional corporation or limited liability company. Under this arrangement, the franchisee is prohibited from providing, supervising, directing or controlling the manner in which the licensed chiropractors who are employed by the professional corporation or limited liability company provide chiropractic services to their patients.

Franchisee Support. From the time the initial franchise agreement is executed, we offer assistance in order to ensure that our franchisees begin their Joint ownership in a manner that we believe will foster success. Although our franchisees are responsible for site selection, we provide guidance and assistance through the site searching and acquisition process, as well as in the design and construction phases.

Site Selection. Franchisees are responsible for finding their own site, with guidance and approval from us. Standard specifications involve such factors as: (i) general location/neighborhood; (ii) traffic patterns; (iii) parking; (iv) size; and (v) proximity to competing businesses. Once a franchisee completes a site submission package, which typically occurs at least 150 days prior to the execution of a lease, our real estate personnel will assess the prospective site and, if deemed appropriate, provide written approval to start negotiations for a lease of the site. Throughout this negotiation process, members of our real estate team support the franchisee.

Design and Construction. Once a site is approved, our construction management personnel provide the franchisee with construction education and design plans to ensure that the franchised location fits our standards and specifications. Once a lease is signed, we also help our franchisees in: (i) identifying and selecting qualified contractors; (ii) submitting plans for necessary permits; (iii) reviewing bids and (iv) helping to negotiate prices for

TABLE OF CONTENTS

design and construction. During the actual construction phase, our construction management personnel also help the franchisee in providing final punch list instructions prior to opening the clinic.

Training. We have a mandatory training program for new franchisees and their managers, crafted to provide the technical and managerial skills necessary to prepare them for their duties. Our training program consists of 12 hours of classroom training and 14 hours of on-the-job training, covering areas including (i) our operating manual; (ii) computer software; (iii) accounting; (iv) vendor relations; (v) construction specifications; (vi) staffing; (vii) new patients; (viii) adjusting techniques; (ix) communications; (x) patient education; and (xi) marketing and advertising. We equip and support our franchisees with the necessary tools to represent the brand and empower each franchisee to run a successful business that ultimately drives our operating results. In addition to the initial franchisee training, we offer support materials through our website and conduct periodic educational webinars.

System Standards and Operations Support. We have established stringent standards for franchise operations to protect and benefit the Joint brand and our franchisees. These standards are clearly and thoroughly detailed for franchisees through our operations manual, which is given to franchisees in training and amended periodically. Topics covered in our operations manual include, among other things: (i) pre-opening procedures; (ii) construction; (iii) operating guidelines; (iv) detailed daily operating procedures; (v) software and (vi) marketing guidance. We periodically provide refresher training programs, seminars and regional meetings which require the attendance and satisfactory completion by franchisees and/or their managers.

Our Industry

The chiropractic industry in the United States is large, growing and highly fragmented. According to First Research, expenditures for chiropractic services in the U.S. were \$11.0 billion in 2013 and are expected to grow at approximately 3.0% annually for the next five years. In addition, according to Chiropractic Economics, in 2013 approximately 35.0% of total chiropractic expenditures were from out-of-pocket, or cash, payments by patients. The United States Bureau of Labor Statistics expects employment in chiropractic to grow faster than the average for all occupations. Some of the factors the Bureau of Labor Statistics identified as driving this growth are healthcare cost pressures, an aging population requiring more health care and technological advances that are expected to shift services from inpatient facilities and hospitals to outpatient settings. We believe that the demand for chiropractic services will continue to grow as a result of several additional drivers such as the increased awareness of the benefits of regular maintenance therapy and increasing awareness of the availability of our pricing at significant discounts to the cost of traditional chiropractic adjustments and, in most cases, below the level of insurance co-payment amounts.

Most chiropractic services are provided by sole practitioners in medical-office settings. The chiropractic industry differs from the broader healthcare services industry in that it is more heavily consumer-driven, market-responsive and price sensitive, as the result of many treatment options falling outside the bounds of traditional insurance reimbursable services and fee schedules. According to a report issued by *First Research* in March, 2014, expenditures for chiropractic services in the United States were approximately \$11.0 billion in 2013, which represents less than 1.0% of all healthcare expenditures, and in 2013 the top 50 companies delivering chiropractic services in the United States generated less than 10.0% of all industry revenue. In addition, according to *Chiropractic Economics*, in 2013, 40.0% of all chiropractic expenditures were paid by insurance, with only 17.1% of chiropractic costs financed by government programs, including Medicare and Medicaid. We believe these characteristics are evidence of an underserved market with potential consumer demand that is favorable for an efficient, low-cost, consumer-oriented provider.

Most chiropractic practices are set up to accept and to process insurance-based reimbursement. And while chiropractors typically accept cash payment in addition to insurance, Medicare and Medicaid, they continue to incur overhead expenses associated with maintaining the capability to process third-party reimbursement. We believe that most chiropractors who operate on the third-party reimbursement model would find it economically difficult to discount the prices they charge for their services to levels comparable with our pricing.

We believe that certain trends that favor our business model are present in our industry. Among these are:

TABLE OF CONTENTS

- individuals are increasingly practicing active lifestyles, people are living longer, and require more medical, maintenance and preventative support;
- individuals are displaying an increasing openness to alternative, non-pharmacological types of care;
- utilization of local conveniently sited urgent-care or “mini-care” alternatives to primary care is increasing; and
- health clubs, massage and other non-drug, non-invasive wellness maintenance providers continue to grow in popularity.

Chiropractic care is widely accepted among individuals with a variety of medical conditions, particularly back pain. Between approximately 6.0% and 9.0% of the United States population regularly uses chiropractic. According to the American Chiropractic Association, 80.0% of Americans experience back pain at least once in their lifetime. According to Global Industry Analysts, chiropractic represents one of the most popular and cost effective alternative treatments for musculoskeletal disorders and is being used by more than 50.0% of American patients suffering from persistent back pain. The National Center for Complementary & Alternative Medicine of the National Institutes of Health has stated that spinal manipulation appears to benefit some people with low-back pain and also may be helpful for headaches, neck pain, upper- and lower-extremity joint conditions and whiplash-associated disorders. The Mayo Clinic has recognized chiropractic as safe when performed by trained and licensed chiropractors, and the Cleveland Clinic has stated that chiropractors are established members of the mainstream medical team.

Our Competitive Strengths

We believe the following competitive strengths have contributed significantly to our initial success and will position us for future growth:

Price and convenience. We believe that our strongest competitive advantages are our price and convenience. We offer a much less expensive alternative to traditional providers of chiropractic services by focusing on non-acute care and by not participating in insurance or Medicare reimbursement. We can do this because our clinics are not burdened with the operating expenses required to perform certain diagnostic procedures and to process reimbursement claims. Our model allows us to pass these savings on to our patients. According to *Chiropractic Economics*, the average price for a chiropractic adjustment involving spinal manipulation in the United States is between \$50 and \$75. By comparison, our average price is \$22, or between 56% and 70% lower than the average price.

Our service offerings, pricing and growing number of conveniently sited locations encourage consumer trial, repeat visits and sustainable patient relationships. According to a 2013 survey conducted by *Chiropractic Economics*, the average for repeat patient visits generally in the chiropractic industry is two times per month. We believe our pricing and service offering structure helps us to generate a higher usage. The following table sets forth our average price per adjustment as of June 30, 2014, for patients who purchase single adjustments, multiple adjustment packages, and memberships. Our price per adjustment averages approximately \$22 across all three groups.

	<u>The Joint Service Offering</u>		
	<u>Single Visit</u>	<u>Package(s)</u>	<u>Membership(s)</u>
Price per adjustment	\$29	\$16 – \$20	\$13 – \$16

We have attracted an average of between 540 and 948 new patients per year to our clinics between 2010 and 2013, as compared to the 2013 average of 364 new patients per year for the chiropractic industry generally.

We offer our patients the opportunity to visit our clinics without an appointment and receive prompt attention. Additionally, we offer extended hours of operation, including weekends, which is not typical among our competitors.

Retail, consumer-driven approach. We utilize strong, recognizable brand and retail approaches to stimulate awareness and drive patients to our clinics. We intend to continue to drive brand awareness through prominent signage on our clinics and through consistent, proven and highly targeted marketing initiatives. Our

TABLE OF CONTENTS

model provides our patients with the flexibility to see a chiropractor when they want to because we do not schedule appointments and most of our clinics maintain extended hours and offer patient care six or seven days per week.

Our chiropractors can focus on patient service. We believe the time our chiropractors save by not having to attend to administrative duties related to insurance reimbursement processing allows more time to:

- see more patients,
- establish and reinforce chiropractor/patient relationships, and
- educate patients on the benefits of chiropractic maintenance therapy.

Our approach to chiropractic practices has also made us an attractive alternative for chiropractic doctors who desire to spend more time treating patients than they typically do in traditional practices, which are burdened with greater overhead, personnel, and administrative expense. We believe that our model will aid us in recruiting chiropractors who desire to focus their practice principally on patient care and to minimize the administrative burdens of traditional insurance-based practices.

Proven track record of opening franchised clinics and achieving profitability at the clinic level. We have grown our franchised clinic revenue base every month since we acquired our predecessor in March 2010, increasing monthly sales from \$113,198 in June, 2010 to \$3,773,953 in June, 2014. During this period we increased the number of clinics in operation from eight to 215. During this same period, we have increased average annualized unit sales from \$137,087 to \$350,771.

Monthly Sales June 2010 – June 2014

TABLE OF CONTENTS

Same store sales growth is a measure commonly used in the retail industry. It is important because it excludes sales growth from new locations, thus illustrating a retailer’s growth capacity from existing units. Same store sales growth measures the annual sales increase for each store that has been open for at least one year. Same store sales growth for our clinics that opened in 2011 (which we refer to as age class 2011) was 99.1% in 2012, 49.6% in 2013, and 21.2% through June 30, 2014. The following table presents same store sales growth data for our clinics that opened in 2011, which is the only age class for which we have at least two full years of data. Although our age class 2011 clinics consist of only 14 clinics, we believe that they are representative of the same store sales growth that we expect from new clinics as they grow to maturity.

* Through June 30, 2014

We have demonstrated success in opening franchised clinics across a range of markets. While there is significant variation among our franchisees, our clinics generally require annual sales, subject to market-specific expenses, of approximately \$250,000 to achieve profitability. The following table shows the performance of some of our highest performing franchisees in selected markets. We believe that the information provided below demonstrates our ability to open clinics across a range of geographies including small, medium-sized and large markets, and to grow those clinics to sustained profitability.

<u>Market Size</u>	<u>Market</u>	<u>Region</u>	<u>Years in Operation</u>	<u>Annual Sales</u>
Small	Albuquerque, NM	SW	2	\$ 288,144
	Savannah, GA	SE	2	\$ 454,584
	Greenville, SC	SE	3	\$ 604,797

Not all of our franchised clinics perform as well as our top clinics. Average annual sales as of June 30, 2014 for all clinics open between two and three years in small markets is \$244,969. Average annual sales as of June 30, 2014 for all clinics open between two and five years in medium sized markets is \$323,568. Average annual sales as of June 30, 2014 for all clinics open between two and three years in large markets is \$349,617. Like all franchisors, we have franchisees who do not succeed, so you should not assume that all

TABLE OF CONTENTS

franchisees will reach average sales levels or the superior sales levels set forth in the above table. See “Risk Factors — Our dependence on the success of our franchisees exposes us to risks.”

Strong and proven management team. Our strategic vision and results-oriented culture are directed by our senior management team led by Chief Executive Officer John B. Richards, who previously served as president of Starbucks North America when it expanded from 500 to 3,000 units. Mr. Richards was also Chief Executive Officer of Elizabeth Arden Red Door Salons. Our senior management team is also guided by David Orwasher, who has served as our Chief Operating Officer since January 2014 and who previously served as a vice president of Starbucks, working directly with Mr. Richards during the same period. John Leonesio, the founder of Massage Envy Spa, who grew that company from inception through the opening of over 300 franchises, serves as non-executive Chairman of our Board of Directors. Mr. Leonesio was our Chief Executive Officer from the commencement of our operations through the opening of 160 clinics across 22 states. Our senior management directs a team of dedicated leaders who are focused on executing our business plan and implementing our growth strategy. Messrs. Richards, Orwasher, and Leonesio have had collective responsibility for building, opening or franchising a total of over 7,000 retail units. We believe that our management team’s experience in operating, franchising, developing systems and rapidly expanding retail operations will be a key driver of our growth and will position us well for achieving our long-term strategy.

Our Growth Strategy

Our goal is not only to capture a significant share of the existing market but also to expand the market for chiropractic care. We intend to accomplish this through the rapid and focused geographic expansion of our affordable service offering by the introduction of company-owned clinics and the selected continuation of our franchising program. We propose to employ a variety of growth tactics including:

- the development of company-owned clinics;
- the opportunistic acquisition of existing franchises;
- continued clinic revenue and royalty income growth;
- the sale of additional franchises and conversion of existing chiropractic practices to our model;
- acquiring regional developer licenses; and
- improving margins and leveraging infrastructure.

Our analysis of over 300,000 patients from 173 clinics across 22 states suggests that the United States market alone can support at least 1,600 Joint clinics.

Development of company-owned clinics.

We will focus on the development of company-owned clinics as the principal strategy in our growth plan, and we intend to use a significant portion of the proceeds from this offering to pursue this strategy.

We will open, develop or purchase company-owned clinics that meet our criteria for demographics, site attractiveness, proximity to other clinics and additional suitability factors. We believe that, based on the historic level of monthly sales achieved by franchised clinics that have reached a level of maturity of at least two years and that share these suitability factors, our company-owned clinics will be able to achieve average monthly sales of \$35,000 after two years of operation. When operated as franchises, over whose operating expenses we have no control, there will be significant variability of profit levels among our franchised clinics. However, when operated as company-owned clinics, using our recommended staffing and operating guidelines, and applying uniform management and financial discipline, we believe company-owned clinics will be capable of generating monthly operating profits of \$18,000 after two years. Based on our understanding of the investment necessary to open and properly capitalize a typical clinic, as described in our Franchise Disclosure Document, we believe our company-owned clinics will be capable of generating an attractive rate of return on investment.

We believe we can leverage the experience we have gained in supporting our demonstrated clinic growth and our senior management’s experience in rapidly and effectively growing other well-known high velocity specialty retail concepts to successfully develop and profitably operate company-owned clinics. Since commencing operations as a franchisor of chiropractic clinics, we have gained significant experience in

TABLE OF CONTENTS

identifying and implementing the business systems and practices that are required to profitably operate our clinics, validate our model and demonstrate proof of concept. We have developed simple, repeatable operating standards which, when applied in a disciplined approach, result in an attractive opportunity for success at the clinic level.

We believe our direct control over company-owned clinics will enable us to apply these operating standards even more effectively than in our franchised clinics. We intend to develop company-owned clinics in geographic clusters where we are able to increase efficiencies through a consolidated real estate penetration strategy, leverage cooperative advertisement and marketing and attain general corporate and administrative operating efficiencies. Our senior management has done this before, and we believe that their experience in this area readily translates to our business model.

We believe that the development process for company-owned clinics presents significant advantages as compared with growth through continued franchising. The development timeline for company-owned clinics can be as short as three months, while the development timeline for franchised clinics is generally between 9 and 12 months. While there may be material variances among franchisees in customer acquisition activities and compliance with operating standards, these key business initiatives can be uniformly defined, efficiently applied and continually measured for company-owned clinics. In addition, we believe that our revenue from company-owned and operated clinics will exceed revenue that would be generated strictly through royalty income from a purely franchise-operated system.

While we cannot predict the availability for lease of desirable locations for company-owned clinics, nor the availability of suitable chiropractors to staff our clinics, we believe that the application of a centralized process, driven by trained development and management professionals, will enable us to develop and operate company-owned clinics with greater certainty and likelihood of success than if we relied solely on growth through franchising.

We believe that our lower staffing requirements, simple layout and relatively shorter development timeline, as compared to retail industry averages, provide us with the opportunity to generate attractive returns on invested capital.

We currently have no company-owned clinics and, pending completion of this offering, we have taken no steps toward identifying specific locations, commencing negotiations with landlords or hiring operators for company-owned clinics, other than to have researched the market potential for new clinics, which we believe to be significant. See “Risk Factors — Risks Related to Our Business — Our long-term success is highly dependent on our ability to open new, primarily company-owned clinics, and is subject to many unpredictable factors.”

Acquiring existing franchisees.

We believe that we can accelerate the development of, and revenue generation from, company-owned clinics through the selective acquisition of existing franchised clinics. Our management has developed a template for the acquisition of existing franchised clinics, their conversion to company-owned clinics and their integration into a company-owned clinic system. We have begun the process of developing a pipeline of existing franchisees whose clinics may be available for purchase. While we cannot predict the availability of franchised clinics for repurchase, in the event appropriately located single clinics or clusters of clinics within our system become available to purchase on economically attractive terms, we may devote a significant portion of the proceeds from this offering to the purchase of such clinics. The acquisition of existing franchises could accelerate the time required to open and stabilize company-owned clinics.

We have no present agreement regarding any specific acquisition. However, from time to time we are approached by franchisees who wish to sell their clinics. By maintaining a record of franchisees who alert us to their interest in selling their clinics, we have begun to develop a pipeline of clinics potentially available for purchase. Following the completion of this offering, we will begin to proactively approach franchisees to determine whether they are interested in selling their clinics to us.

Increasing revenues from existing franchisees.

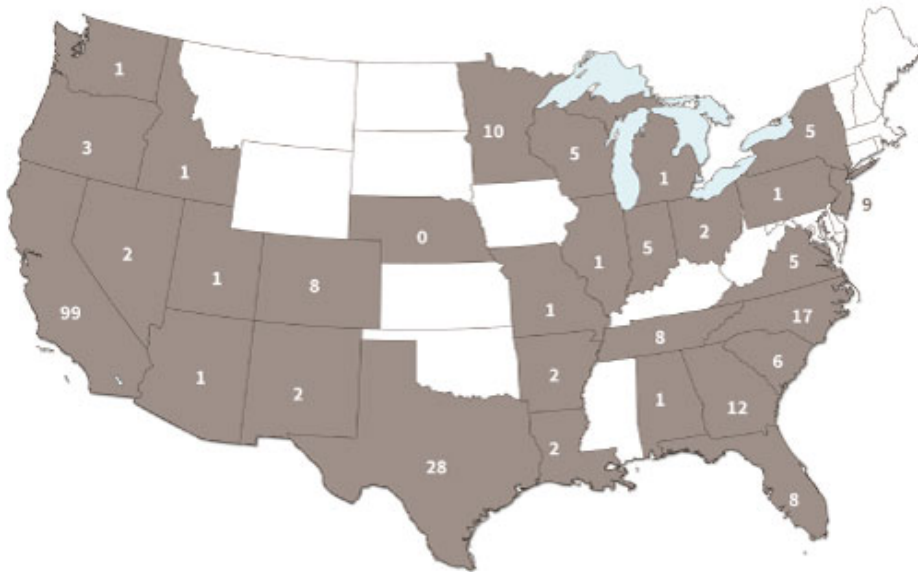

We have a history of increasing revenues from existing franchises. Our revenues from existing franchises have increased by an average of 26.2% for each of the past 14 calendar quarters through June 30, 2014. We

TABLE OF CONTENTS

believe that the experience we have gained in developing and refining management systems, operating standards, training materials and marketing and customer acquisition activities has contributed to our system's revenue growth. Additionally, we believe that increasing awareness of our brand has also contributed to revenue growth, particularly in markets where the number and density of our clinics has made cooperative and mass media advertising attractive. We believe that our ability to leverage cooperative and general media advertising will continue to grow as the number and density of our clinics increases.

Opening clinics in development.

In addition to the 215 clinics our franchisees are currently operating, we have granted franchises either directly or through our regional developers for an additional 250 clinics that are in various stages of development. We will continue to provide support to our franchisees and regional developers to open these clinics and to achieve sustainable operating metrics as soon as possible. The following map shows the states in which we have sold 250 additional clinics pending development.

Selling additional franchises.

We intend to continue to sell franchises. We believe that, to secure leadership in our industry and to maximize opportunities in identified markets, it is important to gain brand equity and consumer awareness as rapidly as possible, consistent with a disciplined approach to opening clinics. We believe that continued sales of franchises in selected markets complements our plan to open company-owned clinics, particularly in specialized or unique operating environments, and that a growth strategy that includes both franchised and company-owned clinics has advantages over either approach by itself. These advantages include:

- increasing our availability to patients;
- accelerating our speed to market and our competitive advantages;
- enhancing our value to present franchisees who may realize benefits from clinic density and cooperative advertising;
- enhancing our desirability to potential new franchisees; and
- presenting an exit strategy to franchisees, who may view us as a potential acquirer of their franchised clinics at such time as they may choose to sell.

Reacquiring regional developer licenses.

We intend to selectively pursue the reacquisition of regional developer licenses. We negotiated repurchase rights in 15 of our 26 regional developer licenses. We have the option, beginning after the third year of the regional developer license, to repurchase the license by paying \$29,000 for each open franchise and \$7,250

TABLE OF CONTENTS

for each franchise that has not been opened. We have begun the process of developing a pipeline of existing regional developer licensees whose area licenses may be available for purchase. We believe that by repurchasing regional developer licenses we can increase our profitability through capturing the regional developers' royalty stream from franchises within their region. In addition, to the extent that we acquire a given regional developer license, we will have fewer limitations on and less costs associated with opening or acquiring clinics within that region. We intend to use a portion of the proceeds of this offering to reacquire regional developer licenses.

Continue to improve margins and leverage infrastructure.

We believe our corporate infrastructure is positioned to support a clinic base greater than our existing footprint. As we continue to grow, we expect to drive greater efficiencies across our operations and development and marketing organizations and further leverage our technology and existing support infrastructure. We believe we will be able control corporate costs over time to enhance margins as general and administrative expenses grow at a slower rate than our clinic base and revenues. We believe we can introduce better and more visible professional marketing and patient acquisition practices that will promote brand recognition and drive revenue increases at a faster pace than marketing costs will increase. At the clinic level, we expect to drive margins and labor efficiencies through continued revenue growth as our clinic base matures and the average number of patient visits increases. In addition, we will consider introducing selected and complementary branded products such as nutraceuticals or dietary supplements and related additional services.

Regulatory Environment

HIPAA

In an effort to further combat healthcare fraud and protect patient confidentiality, Congress included several anti-fraud measures in the Health Insurance Portability and Accountability Act of 1996 (HIPAA). HIPAA created a source of funding for fraud control to coordinate federal, state and local healthcare law enforcement programs, conduct investigations, provide guidance to the healthcare industry concerning fraudulent healthcare practices, and establish a national data bank to receive and report final adverse actions. HIPAA also criminalized certain forms of health fraud against all public and private payors. Additionally, HIPAA mandates the adoption of standards regarding the exchange of healthcare information in an effort to ensure the privacy and security of electronic patient information. Sanctions for failing to comply with HIPAA include criminal penalties and civil sanctions. In February 2009, the American Recovery and Reinvestment Act of 2009 (ARRA) was enacted. Title XIII of ARRA, the Health Information Technology for Economic and Clinical Health Act (HITECH), includes substantial Medicare and Medicaid incentives for providers to adopt electronic health records ("EHR") and grants for the development of health information exchange ("HIE"). Recognizing that HIE and EHR systems will not be implemented unless the public can be assured that the privacy and security of patient information in such systems is protected, HITECH also significantly expands the scope of the privacy and security requirements under HIPAA. Most notable are the new mandatory breach notification requirements and a heightened enforcement scheme that includes increased penalties, and which now apply to business associates as well as to covered entities. In addition to HIPAA, a number of states have adopted laws and/or regulations applicable in the use and disclosure of individually identifiable health information that can be more stringent than comparable provisions under HIPAA and HITECH.

We believe that our operations substantially comply with applicable standards for privacy and security of protected healthcare information. We cannot predict what negative effect, if any, HIPAA/HITECH or any applicable state law or regulation will have on our business.

State regulations on corporate practice of medicine.

With the exception of franchisees that are owned by chiropractors or franchisees that are owned by non-chiropractors in states that do not regulate the corporate practice of chiropractic, our chiropractic services are provided by legal entities organized under state laws as professional corporations, or PCs. Each PC employs or contracts with chiropractors in one or more offices. Each of the PCs is wholly owned by one or more licensed chiropractors, and we do not own any capital stock of any PC. We and our franchisees that are not owned by chiropractors enter into management services agreements with PCs to provide the PCs on an exclusive basis with all non-clinical services of the chiropractic practice. We believe we are in compliance with all applicable laws relating to the corporate practice of medicine or chiropractic.

TABLE OF CONTENTS

Regulation relating to franchising

We are subject to the rules and regulations of the Federal Trade Commission and various state laws regulating the offer and sale of franchises. The Federal Trade Commission and various state laws require that we furnish an FDD containing certain information to prospective franchisees, and a number of states require registration of the FDD at least annually with state authorities. Among the information required to be disclosed in our FDD is our business experience, material litigation, all fees due to us from franchisees, a franchisee's estimated initial investment, restrictions on sources of products and services we impose on franchisees, development and operating obligations of franchisees, whether we provide financing to franchisees, our training and support obligations and other terms and conditions of our franchise agreement. We are operating under exemptions from registration in several states based on our qualifications for exemption as set forth in those states' laws. Substantive state laws regulating the franchisor-franchisee relationship presently exist in many states. We believe that our FDD, and franchising procedures comply in all material respects with both the Federal Trade Commission guidelines and all applicable state laws regulating franchising in those states in which we have offered franchises. We have not elected to sell franchises in certain states where the time and cost associated with registering our FDD in that state is not, in our judgment, justified by current demand for franchises in that state. As of June 30, 2014, we were registered to sell franchises in 25 states.

Other federal, state and local regulation

We are subject to varied federal regulations affecting the operation of our business. We are subject to the U.S. Fair Labor Standards Act, the U.S. Immigration Reform and Control Act of 1986, the Occupational Safety and Health Act and various other federal and state laws governing such matters as minimum wage requirements, overtime, fringe benefits, workplace safety and other working conditions and citizenship requirements. A significant number of our clinic service personnel are paid at rates related to the applicable minimum wage, and increases in the minimum wage could increase our labor costs. We are continuing to assess the impact of recently-adopted federal health care legislation on our health care benefit costs. Many of our smaller franchisees will qualify for exemption from the mandatory requirement to provide health insurance benefits because of their small number of employees. The imposition of any requirement that we or our franchisees provide health insurance benefits to our or their employees that are more extensive than the health insurance benefits that we currently provide to our employees or that franchisees may or may not provide, or the imposition of additional employer paid employment taxes on income earned by our employees, could have an adverse effect on our results of operations and financial position. Our distributors and suppliers also may be affected by higher minimum wage and benefit standards, which could result in higher costs for goods and services supplied to us.

We are also required to comply with the accessibility standards mandated by the U.S. Americans with Disabilities Act of 1990 and related federal and state statutes, which generally prohibits discrimination in accommodation or employment based on disability. We may in the future have to modify our clinics to provide service to or make reasonable accommodations for disabled persons. While these expenses could be material, our current expectation is that any such actions will not require us to expend substantial funds.

We are subject to extensive and varied state and local government regulation affecting the operation of our business, as are our franchisees, including regulations relating to public and occupational health and safety, sanitation, fire prevention and franchise operation. Each franchise clinic is subject to licensing and regulation by a number of governmental authorities, which include zoning, health, safety, sanitation, environmental, building and fire agencies in the jurisdiction in which the franchise is located. We require our franchisees to operate in accordance with standards and procedures designed to comply with applicable codes and regulations. However, ours or our franchisees' inability to obtain or retain health or other licenses would adversely affect operations at the impacted clinic or clinics. Although we have not experienced, and do not anticipate, any significant difficulties, delays or failures in obtaining required licenses, permits or approvals, any such problem could delay or prevent the opening of, or adversely impact the viability of, a particular clinic. In addition, in order to develop and construct our clinics we need to comply with applicable zoning and land use regulations. Federal and state regulations have not had a material effect on our operations to date, but more stringent and varied requirements of local governmental bodies with respect to zoning and land use could delay or even prevent construction and increase development costs of new clinics.

TABLE OF CONTENTS

Competition

The chiropractic industry is highly fragmented. According to *First Research's* March 2014 report, the top 50 providers of chiropractic services in the United States generate less than ten percent of industry revenue. Our competitors include the approximately 36,000 independent chiropractic offices currently open throughout the United States as well as certain multi-unit operators. We may also face competition from traditional medical practices, outpatient clinics, massage therapists and sellers of devices intended for home use to address back and joint discomfort. Our two largest multi-unit competitors are HealthSource Chiropractic, an insurance-based practice management company which currently operates 442 units and ChiroOne, which currently operates 42 units, both on a franchised basis.

We have identified two competitors who are attempting to duplicate our cash-only, low cost, appointment-free model. Based on publicly available information, these competitors operate five clinics and one clinic respectively as franchises. We anticipate that other direct competitors will join our industry as our visibility, reputation and perceived advantages become more widely known.

We believe the principal areas of competition in our industry include price, convenience, quality and consistency of services provided, comfort and accessibility of clinics and reputation.

Employees

As of September 17, 2014, we had 19 employees, all of whom were employed on a full-time basis. None of our employees are members of unions or participate in other collective bargaining arrangements.

Facilities

Our corporate headquarters are located at 16767 North Perimeter Drive, Suite 240, Scottsdale, Arizona 85260. The term of our lease for this location expires on July 31, 2019. The primary functions performed at our corporate headquarters are financial, accounting, treasury, marketing, operations, human resources, information systems support and legal. In 2007, Mr. Rees was a co-founder and member of the group responsible for the creation and public offering of Trans-India Acquisition Corporation, a special purpose acquisition company which was listed on the American Stock Exchange. Our executive officers are appointed by our Board of Directors and serve at the Board's pleasure. With the exception of Craig P. Colmar and Steven P. Colmar, who are brothers, there are no family relationships among any of our directors or executive officers.

Director Independence

We intend to list our common stock on The NASDAQ Global Market in conjunction with this offering, and accordingly, we have used the definition of "independence" of the NASDAQ Stock Market to determine whether our directors are deemed to be independent. Based on that definition, we have determined that Craig P. Colmar and Steven P. Colmar are independent and that upon becoming a director, William R. Fields and Ronald V. DaVella will be independent.

Future Additions to Executive Management

Following completion of this offering, we plan to identify, recruit and add several persons to fill key positions in our management team as we seek to grow and develop our business. We will also seek to add substantially to our number of full-time employees, as discussed in more detail elsewhere in this prospectus. See "Management's Discussion and Analysis of Financial Condition and Results of Operations — Overview — Future Revenues and Operating Expenses."

Board Committees

We have established three standing committees of our Board of Directors: an Audit Committee, a Nominating and Corporate Governance Committee and a Compensation Committee. Each of the committees will report to the Board of Directors as they deem appropriate, and as the Board of Directors may request. The expected composition, duties and responsibilities of these committees are set forth below. In the future, our Board of Directors may establish other committees, as it deems appropriate, to assist it with its responsibilities.

Audit Committee

The Audit Committee oversees our accounting and financial reporting processes and the integrity of our financial statements. The Audit Committee's responsibilities also include oversight of our internal accounting and financial controls, the qualifications and independence of our independent accountants, and our compliance with legal and regulatory requirements. In addition, the Audit Committee is responsible for

TABLE OF CONTENTS

reviewing, setting policy and evaluating the effectiveness of our processes for assessing significant risk exposures and the measures that management has taken to minimize such risks. In carrying out these responsibilities, the Audit Committee is charged with, among other things: appointing, replacing, compensating, retaining, evaluating, terminating and overseeing our independent registered public accounting firm; discussing with our independent registered public accounting firm their independence from management; reviewing with our independent registered public accounting firm the scope and results of their audit; approving all audit and permissible non-audit services to be performed by our independent registered public accounting firm; discussing with management and our independent registered public accounting firm the interim and annual consolidated financial statements that we file with the SEC; reviewing periodically with our counsel and/or principal regulatory compliance officer any legal and regulatory matters that may have a material adverse effect on our financial statements, operations, compliance policies and programs; reviewing and approving procedures for the confidential anonymous submission of concerns regarding questionable accounting, internal controls or auditing matters; reviewing and approving related person transactions; (9) annually reviewing the Audit Committee charter and the Audit Committee's performance; and handling such other matters that are specifically delegated to the Audit Committee by our Board of Directors from time to time.

Upon completion of this offering, our Audit Committee will consist of John B. Richards, Craig P. Colmar and Ronald V. DaVella. The SEC and NASDAQ rules require us to have one independent director on the Audit Committee upon the listing of our common stock on The NASDAQ Global Market and a majority of independent directors on the Committee within 90 days after the listing of our stock, with all of the members of the Audit Committee required to be independent directors no later than one year after the listing of our stock. Our Board of Directors has determined that Ronald V. DaVella meets the definition of "independent director" for purposes of serving on an audit committee under applicable SEC and NASDAQ rules but that Messrs. Richards and Colmar do not. We intend to comply with the phase-in of these independence requirements within the times specified. In addition, Mr. DaVella will initially qualify as our "audit committee financial expert," as that term is defined in the applicable SEC rules.

The written charter for our Audit Committee will be available on our corporate website at www.thejoint.com upon the completion of this offering. The information contained on our website is not part of this prospectus.

Nominating and Governance Committee

The Nominating and Governance Committee is responsible for developing and recommending to the Board of Directors criteria for identifying and evaluating candidates for directorships and making recommendations to the full Board regarding candidates for election or reelection to the Board of Directors at each annual stockholders' meeting. In addition, the Nominating and Governance Committee is responsible for overseeing our corporate governance guidelines and reporting and making recommendations to the Board of Directors concerning corporate governance matters. The Nominating and Governance Committee is also responsible for making recommendations to the full Board concerning the structure, composition and function of the Board of Directors and its committees.

Upon completion of this offering, our Nominating and Governance Committee will consist of John B. Richards, John Leonesio and Steven P. Colmar. The SEC and NASDAQ rules require us to have one independent director on the Nominating and Corporate Governance Committee and a majority of independent directors on the Nominating and Governance Committee within 90 days after the listing of our stock, with all of the members of the Nominating and Governance Committee required to be independent directors no later than one year after the listing of our stock. Our Board of Directors has determined that Mr. Colmar meets the definition of "independent director" for purposes of serving on a nominating and governance committee under applicable SEC and NASDAQ rules but that Messrs. Richards and Leonesio do not. We intend to comply with the phase-in of these independence requirements within the times specified.

The written charter for our Nominating and Governance Committee will be available on our corporate website at www.thejoint.com upon the completion of this offering. The information contained on our website does not constitute a part of this prospectus.

Compensation Committee

The Compensation Committee is responsible for determining the cash compensation and equity compensation of our executive officers. The Compensation Committee is responsible for, among other things: reviewing the respective salaries of our executive officers in light of our goals and objectives relevant to each officer; determining appropriate cash bonuses, if any, for our executive officers; and granting stock options and other awards under our stock option plan to our executive officers and determining the terms, conditions, restrictions and limitations of the options and awards granted.

Upon completion of this offering, our Compensation Committee will consist of William R. Fields, John Leonesio and Craig P. Colmar. The SEC and NASDAQ rules require us to have one independent director on the Compensation Committee member upon the listing of our common stock on The NASDAQ Global Market and a majority of independent directors on the Committee within 90 days after the listing of our stock, with all of the members of the Compensation Committee required to be independent directors no later than one year after the listing of our stock. Our Board of Directors has determined that Mr. Fields meets the definition of “independent director” for purposes of serving on a compensation committee under applicable SEC and NASDAQ rules but that Messrs. Leonesio and Colmar do not. We intend to comply with the phase-in of these independence requirements within the times specified.

The written charter for our Compensation Committee will be available on our corporate website at www.thejoint.com upon the completion of this offering. The information contained on our website does not constitute a part of this prospectus.

Risk Oversight

Our Audit Committee is responsible for overseeing our risk management process. The Audit Committee focuses on our general risk management strategy and the most significant risks facing us and ensures that appropriate risk mitigation strategies are implemented by management. The Audit Committee reports any significant issues to the Board of Directors as part of the Board of Directors’s general oversight responsibility.

Our management is responsible for day-to-day risk management. This oversight includes identifying, evaluating and addressing potential risks that may exist at the enterprise, strategic, financial, operational, compliance and reporting levels.

Leadership Structure of the Board of Directors

The positions of Chairman of the Board and Chief Executive Officer are presently separated. We believe that separating these positions allows our Chief Executive Officer to focus on our day-to-day business, while allowing the Chairman of the Board to lead the Board of Directors in its fundamental role of providing advice to and oversight of management. Our Board of Directors recognizes the time, effort and energy that the Chief Executive Officer is required to devote to his position in the current business environment, as well as the commitment required to serve as our Chairman, particularly as the Board of Directors’ oversight responsibilities continue to grow. While our bylaws and corporate governance guidelines do not require the positions of Chairman and Chief Executive Officer to be separate, our Board of Directors believes that having separate positions is the appropriate leadership structure for us at this time and demonstrates our commitment to good corporate governance.

Compensation Committee Interlocks and Insider Participation

None of our executive officers currently serves, or in the past year has served, as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive officers serving on our Board of Directors or Compensation Committee.

Code of Ethics

We have adopted a general code of ethics which applies to all of our directors, executive officers and employees, and have also adopted an additional code of ethics directed to our executive officers and designated accounting personnel. Copies of these codes will be available on our corporate website www.thejoint.com upon completion of this offering. The information contained on our website does not constitute a part of this prospectus. We will provide copies of our codes of ethics without charge to any person upon request. Such requests should be made in writing to Investor Relations at The Joint Corp., 16767 N. Perimeter, Suite 240, Scottsdale, Arizona 85260.

EXECUTIVE COMPENSATION

Summary Compensation Table

The following table shows the total compensation paid or accrued during our last full fiscal year, which ended December 31, 2013, to our Chief Executive Officer and our Chief Operating Officer, who were our only two executive officers during the year:

<u>Name and Principal Positions</u>	<u>Year</u>	<u>Salary</u>	<u>Stock Awards</u>	<u>Option Awards</u>	<u>All Other Compensation</u>	<u>Total</u>
John Leonesio ⁽¹⁾						
Chief Executive Officer	2013	—	—	—	\$ 232,833	\$ 232,833
Ronald Record ⁽²⁾						
Chief Operating Officer	2013	\$205,000	—	—	—	\$ 205,000

(1) Mr. Leonesio served as our Chief Executive Officer under contract with his business, United Club Services, LLC. During 2013, we made payments totaling \$232,833 to United Club Services, LLC, of which \$157,000 was paid for Mr. Leonesio's service as our Chief Executive Officer and as a member of our Board of Directors, \$60,000 was paid on a pass-through basis for the services as our controller of an employee of United Club Services, LLC, and \$15,833 was paid to reimburse United Club Services, LLC for Mr. Leonesio's health insurance premiums.

(2) Mr. Record resigned as Chief Operating Officer in April 2014. Under the terms of Mr. Record's separation agreement, we agreed to make a payment to him of \$100,000 contingent upon the successful completion of this offering.

We entered into an employment agreement with David Orwasher in December 2013, pursuant to which Mr. Orwasher became our President and Chief Operating Office as of January 1, 2014, with a base salary of \$310,000 per year. We entered into an employment term sheet with John Richards in December 2013, pursuant to which Mr. Richards became our Chief Executive Officer in July 2014, and, following completion of this offering, we will enter into an employment agreement with Mr. Richards pursuant to which he will receive a base salary of \$400,000 per year. Since January 1, 2014, Mr. Richards has received consulting fees at the rate of \$75,000 per year pending his full-time employment following completion of this offering. We do not have employment agreements with any other executive officers, but we have entered into an employment term sheet with Catherine B. Hall which outlines her base salary, bonus opportunity and incentive equity grants. See "Employment Agreements and Change in Control Arrangements." There were no stock options or other equity awards outstanding as of December 31, 2013.

Employment Agreements and Change in Control Arrangements

David Orwasher's employment agreement provides that, in addition to his base salary, he may earn incentive compensation of up to 50% of his base salary based on his achievement of performance objectives agreed to with our Board of Directors. In connection with his employment, Mr. Orwasher received incentive stock options for 166,875 shares at an exercise price of \$1.20 per share and a restricted stock award of 166,875 shares of our common stock. Our Board of Directors determined that the fair market value of a share of our common stock on the date of the stock option grant and restricted stock award to Mr. Orwasher was \$1.20 per share. 66,750 shares of Mr. Orwasher's stock options and 66,750 shares of his restricted stock award vest over a 48 month period in consecutive monthly installments beginning on the date of grant. 100,125 shares of Mr. Orwasher's stock options and 100,125 shares of his restricted stock award begin to vest upon the completion of this offering: 50% of the shares vest in equal monthly installments over the 12-month period beginning on the completion of this offering; 30% of the shares vest in equal monthly installments over the 12-month period beginning on the first anniversary of the completion of this offering; and 20% of the shares will vest in equal monthly installments over the 12-month period beginning on the second anniversary of the conclusion of this offering.

Mr. Orwasher's employment agreement provides that if his employment is terminated following a change in control for any reason other than his death, his permanent disability or "cause" (as that term is defined in the employment agreement), he will receive his base salary for a period of nine months following the date that his employment terminates and all of his unvested stock options and shares of restricted stock will

TABLE OF CONTENTS

immediately vest and, in the case of his stock options, remain exercisable for a period of 90 days following the date that his employment terminates. If we participate in a “business combination” (as that term is defined in the employment agreement) in which the aggregate consideration received by us or our stockholders exceeds \$30 million, then that number of Mr. Orwasher’s 166,875 stock options and 166,875 restricted shares will vest such that the percentage of vested options and shares will equal the same percentage as the amount of consideration received by us or our stockholders in the business combination in excess of \$30 million bears to \$120 million.

In connection with our entering into the employment term sheet with Mr. Richards, he received a restricted stock award of 400,500 shares. Our Board of Directors determined the fair market value of a share of our common stock on the date of the restricted stock award to Mr. Richards was \$1.20 per share. 66,750 shares of Mr. Richards’ restricted stock award vest over a 48-month period in consecutive monthly installments beginning on the date of grant. 333,750 shares of Mr. Richards’ restricted stock award will vest begin to vest upon the completion of this offering: 50% of the shares vest in equal monthly installments over the 12-month period beginning on the completion of this offering; 30% of the shares vest in equal monthly installments over the 12-month period beginning on the first anniversary of the completion of this offering; and 20% of the shares will vest in equal monthly installments over the 12-month period beginning on the second anniversary of the conclusion of this offering.

Mr. Richards’ restricted stock agreement provides that that if his employment is terminated following a change in control for any reason other than his death, his permanent disability or “cause” (as that term is defined in the restricted stock agreement), all of his unvested shares will vest following the termination of his employment. If we participate in a “business combination” (as that term is defined in the restricted stock agreement) in which the aggregate consideration received by us or our stockholders exceeds \$30 million, then that number of Mr. Richards’ 400,500 restricted shares will vest such that the percentage of vested shares will equal the same percentage as the amount of consideration received by us or our stockholders in the business combination in excess of \$30 million bears to \$120 million.

We anticipate that the employment agreement that we will enter into with Mr. Richards upon completion of this offering will provide that he may earn incentive compensation of up to 50% of his base salary based on his achievement of performance objectives agreed to with our Board of Directors and that if his employment is terminated following a change in control for any reason other than his death, his permanent disability or “cause” (as that term is defined in the employment agreement), he will receive his base salary for a period of nine months following the date that his employment terminates.

Under our employment term sheet with Ms. Hall, she receives a base salary of \$195,000 per year, with the opportunity to earn a bonus equal to 40% of her base salary. In connection with her employment, Ms. Hall received options to purchase 71,200 shares of our common stock at an exercise price per of \$2.02 per share, which our Board of Directors determined was the fair market value of a share of our common stock on the date of the grant to Ms. Hall. Ms. Hall’s options will vest and become immediately exercisable in the event of a change of control.

Director Compensation

Each director who is not an employee of ours will receive a fee of \$36,000 per year, plus \$1,000 per committee meeting attended. Each director who is an employee of ours will not receive any additional compensation for serving as director. All of our directors will be reimbursed for their reasonable out-of-pocket expenses incurred in attending meetings of the Board of Directors or any of its committees and for other expenses reasonably incurred in their capacity as directors. Each non-employee director who will be joining the Board of Directors upon the completion of this offering will be granted an option to purchase 25,000 shares of our common stock upon the director’s initial election to the Board of Directors. Thereafter, all non-employee directors will be granted an option to purchase 10,000 shares of our common stock upon his or her election or re-election as a director. All options granted to directors will have an exercise price per share equal to the closing price of a share of our stock on the grant date, will vest on the first anniversary of the grant date and may be exercised at any time after they become vested (and prior to the expiration of their 10-year term). See “— 2014 Plan.” Non-employee directors received directors’ fees of \$1,000 per month during 2013.

TABLE OF CONTENTS

Compensation Plans

2014 Plan

Our Board of Directors adopted and our stockholders approved the 2014 Incentive Stock Plan (the “2014 Plan” or “plan”) in May 2014 to replace our 2012 Stock Plan (the “2012 Plan”). The 2014 Plan provides for the grant of stock options, stock appreciation rights (“SARs”) (either alone or in tandem with stock options), shares of restricted stock, and restricted stock units (“RSUs”) (all of these types of grants collectively, “awards”). Stock options may be of two types: (i) incentive stock options (“ISOs”) intended to satisfy the requirements of section 422 of the Internal Revenue Code and (ii) nonstatutory stock options (i.e., options that do not qualify for special treatment under the Internal Revenue Code). ISOs may be granted only to our employees. All of the other awards may be granted to our employees, directors and consultants.

Number of Shares of Common Stock Issuable under the 2014 Plan. The maximum total number of shares of common stock for which awards may be granted under the 2014 Plan is 1,513,000 shares. No person eligible for an award under the 2014 Plan may receive an award in any calendar year for more than 50,000 shares in the case of stock options and SARs and 50,000 shares in the case of shares of restricted stock and RSUs.

Administration of the 2014 Plan. The 2014 Plan is administered by a committee of our Board of Directors (the “Committee”). The Committee is required to consist of two or more directors, all of whom are (i) “non-employee” directors as defined in Rule 16b-3 under the Securities Exchange Act of 1934, (ii) “independent directors” under the applicable listing standards of The NASDAQ Global Market, and (iii) “outside directors” under §162(m) of the Internal Revenue Code. Unless the Board designates a different committee, the Compensation Committee of the Board will serve as the Committee (as long as all of the members of the Compensation Committee qualify).

Subject to the terms of the 2014 Plan, the Committee has the authority to select the eligible persons to whom awards are to be granted and to determine the time, type, number of shares, vesting, restrictions, limitations and other terms and conditions of each award.

Options and SARs. The 2014 Plan permits the award of options to purchase shares of our common stock and the award of SARs. An SAR entitles the holder to receive the appreciation in value over a specified period of the number of shares of our common stock for which the SAR is awarded. The holder of the SAR receives in settlement of the SAR an amount (either in cash or shares of our stock, or a combination of the two) equal to the excess of the fair market value of a share of our stock on the date of exercise of the SAR over the base price of the SAR, multiplied by the SAR’s number of shares.

The Committee determines the exercise price of each option or SAR granted under the 2014 Plan, but the exercise price per share may not be less than the closing price of a share of our common stock on the date of grant. The term of an option or SAR may not exceed 10 years, except in the case of an ISO granted to any employee who owns 10% of the voting power of all classes of our outstanding capital stock. In that case, the term may not exceed five years and the exercise price per share must be at least 110% of the closing price of a share of our common stock on the date of grant. In addition, to the extent that the aggregate fair market value of the underlying shares of all ISOs that become exercisable by an individual for the first time in any calendar year exceeds \$100,000, the options will be treated as nonstatutory stock options.

Any unvested portion of an option or SAR expires on termination of employment, except if termination is due to death, in which case the option or SAR becomes fully vested. A terminated recipient may exercise the vested portion of his or her option or SAR for the period of time stated in the award agreement. Generally, the option or SAR will remain exercisable for 30 days following termination. In no event, however, may any option or SAR be exercised later than the expiration of its term.

As of June 30, 2014, 71,200 options to purchase our common stock at a weighted average \$2.02, subject to vesting and other conditions were outstanding.

Restricted Stock and RSUs. Our 2014 Plan permits the award of restricted shares and RSUs. An award of restricted shares is an award of shares of our common stock, subject to vesting requirements, restrictions on transfer and other terms and conditions as the Committee determines. An RSU award entitles the holder to

TABLE OF CONTENTS

receive a payment (either in cash or shares of our stock, or a combination of the two) equal to the value of a share of our common stock at the time of payment multiplied by the number of shares subject to the award.

Option Grants to Outside Directors. Our 2014 Plan provides for the automatic grant to each non-employee director, upon his or her election or re-election as a director, of a nonstatutory stock option for 10,000 shares at an exercise price per share equal to the closing price of a share of our common stock on the grant date. These options vest in full on the first anniversary of the grant date, have a term of 10 years and may be exercised at any time after they become vested (and prior to the expiration of their 10-year term).

Transferability of Awards. Unless otherwise determined by the Committee, options, SARs, unvested restricted shares and RSU awards generally may not be transferred. After vesting, restricted shares may still remain subject to restrictions on transfer under applicable securities laws and any restrictions imposed by the award agreement.

Adjustments upon Change in Control. Our 2014 Plan provides that in the event of a change in control as defined in the plan, all outstanding unvested stock options, SARs and RSU awards will immediately vest and become exercisable and all restrictions on the shares underlying restricted stock awards will lapse.

Amendment and Termination of the 2014 Plan. Our 2014 Plan will automatically terminate in 2024, unless we terminate it sooner. In addition, our Board of Directors has the authority to amend, suspend or terminate the 2014 Plan provided it does not impair the rights of the holder of any outstanding award. Any amendment to the 2014 Plan that would materially increase the number of shares of our common stock for which awards may be granted requires the approval of our stockholders.

2012 Plan

Our Board of Directors adopted the 2012 Stock Plan (the “2012 Plan”) in November 2012, and our stockholders approved the plan in December 2012. The 2012 Plan was subsequently amended and then replaced by our 2014 Plan, although the plan remains in effect for the administration of awards made prior to its replacement by the 2014 Plan. As of June 30, 2014, awards under both plans consisted, in the aggregate, of 567,375 shares of restricted stock and options to purchase 271,895 shares of our common stock at a weighted-average exercise price per share of \$1.20, subject to vesting and other conditions.

Limitations on Directors’ Liability and Indemnification

Our certificate of incorporation provides that our directors will not be personally liable to us or our stockholders for monetary damages for breach of their fiduciary duties as directors, except for any of the following:

- any breach of their duty of loyalty to us or our stockholders;
- acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- payments of dividends or approval of stock repurchases or redemptions that are prohibited by Delaware law; or
- any transaction from which the director derived an improper personal benefit.

This limitation of liability does not apply to liabilities arising under the federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

Our certificate of incorporation and bylaws provide that we will indemnify our directors and officers and, in certain cases, our employees and agents to the fullest extent permitted by law. Our bylaws also permit us to secure insurance on behalf of any officer, director, employee or agent for any liability arising out of his or her actions.

We have entered into agreements to indemnify our directors and executive officers, in addition to the indemnification provided for in our certificate of incorporation and bylaws. These agreements, among other things, provide for indemnification of our directors and officers for expenses, judgments, fines, penalties and settlement amounts incurred by any such person in any action or proceeding arising out of such person’s services as a director or officer or at our request.

TABLE OF CONTENTS

We believe that these provisions and agreements are necessary to attract and retain qualified persons as directors and executive officers. There is no pending litigation or proceeding involving any of our directors, officers, employees or agents. We are not aware of any pending or threatened litigation or proceeding that might result in a claim for indemnification by a director, officer, employee or agent.

Procedures for Approval of Related Party Transactions

The Board of Directors has adopted a written policy requiring certain transactions with related parties to be approved in advance by the Audit Committee. For purposes of this policy, a related party includes any director or executive officer or an immediate family member of any director or executive officer. The transactions subject to review include any transaction, arrangement or relationship (or any series of similar transactions, arrangements and relationships) in which (i) we or one of our subsidiaries will be a participant, (ii) the aggregate amount involved exceeds \$100,000 and (iii) a related party will have a direct or indirect interest. In reviewing proposed transactions with related parties, the Audit Committee will consider the benefits to us of the proposed transaction, the potential effect of the proposed transaction on the director's independence (if the related party is a director), and the terms of the proposed transaction and whether those terms are comparable to the terms available to an unrelated third party or to employees generally. There were no transactions during 2013 that required the Audit Committee's approval (or would have required the Audit Committee's approval if the policy had been in place at the time).

DESCRIPTION OF CAPITAL STOCK

Authorized and Outstanding Capital Stock

As of September 17, 2014, our authorized capital stock consisted of 20,000,000 shares of common stock, par value \$0.001 per share, of which 4,831,039 are outstanding, and 50,000 shares of preferred stock, par value \$0.001 per share, 25,000 of which are outstanding and convertible into 1,335,000 shares of our common stock. Upon completion of this offering, there will be shares of common stock outstanding and no shares of preferred stock outstanding, in each case, after giving effect to the dividend of 0.78 shares of common stock for each share of common stock outstanding as of September 15, 2014, which occurred on September 17, 2014. The following description of our capital stock is only a summary and is subject to and qualified in its entirety by our certificate of incorporation and bylaws, which are included as exhibits to the registration statement of which this prospectus forms a part, and by the applicable provisions of Delaware law.

Common Stock

Holders of common stock are entitled to one vote per share on all matters to be voted upon by the stockholders, including the election of directors. Such holders are not entitled to vote cumulatively for the election of directors. Holders of a majority of the shares of common stock may elect all of the directors standing for election. Subject to preferences that may be applicable to any outstanding preferred stock, common stockholders are entitled to receive ratably such dividends, if any, as may be declared from time to time by the Board of Directors out of funds legally available for that purpose. In the event of our liquidation, dissolution or winding, the common stockholders are entitled to share ratably in all assets remaining after payment of liabilities, subject to prior distribution rights of preferred stock, if any, then outstanding. Common stockholders have no preemptive or conversion rights or other subscription rights. There are no redemption or sinking fund provisions applicable to the common stock.

We have never declared or paid any cash dividends on our capital stock. We currently expect to retain future earnings, if any, to finance the growth and development of our business and do not anticipate paying any cash dividends in the foreseeable future.

Preferred Stock

The Board of Directors is authorized, without action by the stockholders, to designate and issue preferred stock in one or more series and to designate the powers, preferences and rights of each series, which may be greater than the rights of common stock. It is not possible to state the actual effect of the issuance of any shares of preferred stock upon the rights of holders of common stock until the Board of Directors determines the specific rights of the holders of such preferred stock. However the effects might include, among other things:

- impairing the dividend rights of the common stock;
- diluting the voting power of the common stock;
- impairing the liquidation rights of the common stock; and
- delaying or preventing a change in our control without further action by the stockholders.

Our certificate of incorporation, as amended, authorizes the issuance of 50,000 shares of preferred stock, of which, 25,000 shares, designated as "Series A Preferred Stock," are issued and outstanding. The Board of Directors approved a certificate of designations, preferences and rights of our Series A Preferred Stock, which specifies that the Series A Preferred stock shall rank senior to our common stock, shall have a liquidation preference ahead of our common stock, shall be convertible at the option of holders of Series A Preferred Stock, into our common stock at a conversion price of \$40.00 per share (subject to adjustment), shall have anti-dilution protection, shall have voting rights on all matters on an "as-converted" basis, shall have the right to receive dividends on an "as converted" basis, shall have preemptive rights to purchase additional securities issued by us, and shall have specific class voting rights with respect to certain corporate actions. As of June 30, 2014, each share of our Series A Preferred Stock is convertible into 53.4 shares of our common stock. All holders of our preferred stock have elected to convert their preferred stock into common stock upon completion of this offering.

Registration Rights

The Representative will be entitled to "piggy-back" and demand registration rights in connection with the warrants described above, provided that such demand registration rights will expire after four years from the date of effectiveness in compliance with FINRA Rule 5110(f)(2)(G)(iv). The piggy-back registration right provided will expire after six years from the effective date of the offering in compliance with FINRA Rule 5110(f)(2)(G)(v). We will bear all fees and expenses attendant to registering the securities issuable on exercise of the warrant, other than underwriting commissions incurred and payable by the holder. For a further description of these rights, please refer to the section entitled "Underwriting — Representative's Warrant."

Anti-Takeover Provisions

Certain provisions of Delaware law and our certificate of incorporation and bylaws could make the following more difficult:

- the acquisition of us by means of a tender offer;
- acquisition of control of us by means of a proxy contest or otherwise; and
- the removal of our incumbent officers and directors.

These provisions, summarized below, are expected to discourage certain types of coercive takeover practices and inadequate takeover bids, and are designed to encourage persons seeking to acquire control of us to negotiate with our Board of Directors. We believe that the benefits of increased protection against an unfriendly or unsolicited proposal to acquire or restructure us outweigh the disadvantages of discouraging such proposals. Among other things, negotiation of such proposals could result in an improvement of their terms.

Delaware Anti-Takeover Law. We are subject to Section 203 of the Delaware General Corporation Law, an anti-takeover law. In general, Section 203 prohibits a publicly held Delaware corporation from engaging in a "business combination" with an "interested stockholder" for a period of three years following the date the person became an interested stockholder, unless the "business combination" or the transaction in which the person became an interested stockholder is approved by our Board of Directors in a prescribed manner. Generally, a "business combination" includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. Generally, an "interested stockholder" is a person who, together with affiliates and associates, owns or, within three years prior to the determination of interested stockholder status, did own, 15% or more of a corporation's voting stock. The existence of this provision may have an anti-takeover effect with respect to transactions not approved in advance by the Board of Directors, including discouraging attempts that might result in a premium over the market price for the shares of common stock held by stockholders.

Stockholder Meetings. Under our bylaws, only the Board of Directors, the Chairman of the Board, the Chief Executive Officer and the President may call special meetings of stockholders.

No Cumulative Voting. Our certificate of incorporation and bylaws do not provide for cumulative voting in the election of directors.

TABLE OF CONTENTS

Undesignated Preferred Stock. The authorization of undesignated preferred stock makes it possible for the Board of Directors without stockholder approval to issue preferred stock with voting or other rights or preferences that could impede the success of any attempt to obtain control of us. These and other provisions may have the effect of deferring hostile takeovers or delaying changes in control or management of us.

Amendment of Provisions in the Certificate of Incorporation. The certificate of incorporation will generally require the affirmative vote of the holders of at least two-thirds of the outstanding voting stock in order to amend any provisions of the certificate of incorporation concerning:

- the required vote to amend the certificate of incorporation;
- management of the business by the Board of Directors;
- calling of a special meeting of stockholders;
- number of directors and structure of the Board of Directors;
- removal and appointment of directors;
- director nominations by stockholders;
- personal liability of directors to us and our stockholders; and
- indemnification of our directors, officers, employees and agents.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is Continental Stock Transfer & Trust Company. The telephone number of Continental Stock Transfer & Trust Company is (212) 509-4000.

TABLE OF CONTENTS

SHARES ELIGIBLE FOR FUTURE SALE

Prior to this offering, there has been no public market for our common stock and a liquid trading market for our common stock may not develop or be sustained after this offering. Future sales of substantial amounts of our common stock in the public market, or the perception that such sales may occur, could adversely affect the prevailing market price of our common stock and impair our ability to raise equity capital in the future. No prediction can be made as to the effect, if any, future sales of shares, or the availability of shares for future sales will have on the market price of our common stock prevailing from time to time. As described below, only a limited number of shares of our common stock will be available for sale in the public market for a period of several months after consummation of this offering due to contractual and legal restrictions on resale described below. Future sales of our common stock in the public market either before (to the extent permitted) or after restrictions lapse, or the perception that those sales may occur, could adversely affect the prevailing market price of our common stock at such time and our ability to raise equity capital at a time and price we deem appropriate.

Sale of Restricted Shares

Upon completion of this offering, we will have _____ shares of common stock outstanding. Of these shares of common stock, the _____ shares of common stock being sold in this offering, plus any shares sold upon exercise of the underwriters' option to purchase additional shares, will be freely tradable without restriction under the Securities Act, except for any such shares which may be acquired by an "affiliate" of ours, as that term is defined in Rule 144, which shares will be subject to the volume limitations and other restrictions of Rule 144 described below. The remaining 6,166,039 shares of common stock held by our existing stockholders upon completion of this offering will be "restricted securities," as that term is defined in Rule 144, and may be resold only after registration under the Securities Act or pursuant to an exemption from such registration, including, among others, the exemptions provided by Rule 144 and Rule 701 under the Securities Act, which rules are summarized below. These remaining shares of common stock held by our existing stockholders upon completion of this offering will be available for sale in the public market (after the expiration of the lock-up agreements described below) only if registered or if they qualify for an exemption from registration under Rule 144 or Rule 701 under the Securities Act, as described below.

As a result of the lock-up agreements described below under the "Underwriting" section and the provisions of Rules 144 and Rule 701 promulgated under the Securities Act, the shares of our common stock (excluding the shares sold in this offering) will be available for sale in the public market as follows:

- no shares will be eligible for sale on the date of this prospectus; and
- shares will be eligible for sale upon the expiration of the lock-up agreements, as more particularly described below under the "Underwriting" section, beginning one year after the date of this prospectus, subject to certain exceptions.

Rules 144 and 701

In general, under Rule 144, as currently in effect, persons who are not one of our affiliates at any time during the three months preceding a sale may sell shares of our common stock beneficially held upon the earlier of (1) the expiration of a six-month holding period, if we have been subject to the reporting requirements of the Exchange Act and have filed all required reports for at least 90 days prior to the date of the sale, or (2) a one-year holding period.

At the expiration of the six-month holding period, a person who was not one of our affiliates at any time during the three months preceding a sale would be entitled to sell an unlimited number of shares of our common stock provided current public information about us is available, and a person who was one of our affiliates at any time during the three months preceding a sale would be entitled to sell within any three-month period a number of shares of common stock that does not exceed the greater of either of the following:

- 1% of the number of shares of common stock then outstanding which will equal to approximately shares immediately after this offering; and
- the average weekly trading volume of the common stock during the four calendar weeks preceding the filing of a Form 144 with respect to such sale.

TABLE OF CONTENTS

Sales under Rule 144 are also subject to certain manner of sale provisions and notice requirements and to the availability of current public information about us. Under Rule 144(k), a person who is not deemed to have been our affiliate at any time during the three months preceding a sale, and who has beneficially owned the shares proposed to be sold for at least two years including the holding period of any prior owner except an affiliate of The Joint, is entitled to sell such shares without complying with the manner of sale, public information, volume limitation or notice provisions of Rule 144.

Rule 701, as currently in effect, permits resales of shares in reliance upon Rule 144 but without compliance with certain restrictions. Any employee, officer, director or consultant who purchased shares under a written compensatory plan or contract may be entitled to rely on the resale provisions of Rule 701. Rule 701 permits affiliates to sell their Rule 701 shares under Rule 144 without complying with the holding period requirements of Rule 144. Rule 701 further provides that non-affiliates may sell such shares in reliance on Rule 144 without having to comply with the holding period, public information, volume limitation or notice provisions of Rule 144. All holders of Rule 701 shares are required to wait until 90 days after the date of this prospectus before selling such shares. However, in this offering % of Rule 701 shares are subject to lock-up agreements and will only become eligible for sale at the earlier of the expiration of the 180-day lock-up agreements or no sooner than 90 days after the offering upon obtaining the prior written consent of the underwriters.

UNDERWRITING

Feltl and Company is acting as the sole book-running manager of the offering and as representative of the underwriters named below, or the Representative. Subject to the terms and conditions set forth in an underwriting agreement dated the date of this prospectus among us, the Representative, we have agreed to sell to each underwriter named below and each underwriter named below has severally and not jointly agreed to purchase from us, at the public offering price per share set forth on the cover page of this prospectus, less the underwriting discounts and commissions, the number of shares of common stock listed next to its name in the following table:

Underwriters	Number of Shares
Feltl and Company, Inc.	
Sanders Morris Harris Inc.	
Total	

The underwriters are committed to purchase all the shares of common stock offered by us other than those covered by the option to purchase additional shares described below, if they purchase any shares. The obligations of the underwriters may be terminated upon the occurrence of certain events specified in the underwriting agreement. Furthermore, pursuant to the underwriting agreement, the underwriters' obligations are subject to customary conditions, representations and warranties contained in the underwriting agreement, such as receipt by the underwriters of officers' certificates and legal opinions.

We have agreed to indemnify the underwriters against specified liabilities, including liabilities under the Securities Act, and to contribute to payments the underwriters may be required to make in respect thereof.

The underwriters are offering the shares, subject to prior sale, when, as and if issued to and accepted by them, subject to approval of legal matters by their counsel and other conditions specified in the underwriting agreement. The underwriters reserve the right to withdraw, cancel or modify offers to the public and to reject orders in whole or in part.

Over-Allotment Option. We have granted the underwriters an over-allotment option. This option, which is exercisable for up to 45 days after the date of this prospectus, permits the underwriters to purchase a maximum of additional shares (15% of the shares sold in this offering) from us to cover over-allotments, if any. If the underwriters exercise all or part of this option, they will purchase shares covered by the option at the public offering price per share that appears on the cover page of this prospectus, less the underwriting discounts and commissions. If this option is exercised in full, the total net proceeds, before expenses, to us will be \$.

Discounts. The following table shows the public offering price, underwriting discounts and proceeds, before expenses, to us. The information assumes either no exercise or full exercise by the underwriters of their over-allotment option.

	Per Share	Total Without Over-Allotment Option	Total With Over-Allotment Option
Public offering price	\$	\$	\$
Underwriting discounts	\$	\$	\$
Proceeds, before expenses, to us	\$	\$	\$

The underwriters propose to offer the shares offered by us to the public at the public offering price per share set forth on the cover of this prospectus. In addition, the underwriters may offer some of the shares to other securities dealers at such price less a concession of \$ per share. After the initial offering, the public offering price and concession to dealers may be changed.

We have also agreed to pay the Representative's expenses relating to the offering, including, but not limited to, expenses and disbursements relating to the registration, qualification or exemption of securities offered under state securities laws, or "blue sky" laws; reasonable fees and expenses of the Representative's counsel; expenses related to travel and due diligence meetings for the investment community and other

expenses in connection with the delivery of the preliminary and final prospectus. In addition, we have agreed to pay to the Representative of the underwriters accountable expenses in an amount not to exceed \$250,000.

We estimate that the total expenses of the offering payable by us, excluding underwriting discounts and commissions, will be approximately \$.

Lock-Up Agreements. Pursuant to certain “lock-up” agreements with the Representative, we, our executive officers and directors, and substantially all of our stockholders have agreed, subject to certain exceptions, not to offer, sell, contract to sell, pledge, or otherwise dispose of, directly or indirectly, any shares of common stock or securities convertible into or exchangeable or exercisable for any shares of common stock beneficially owned by them, enter into a transaction which would have the same effect, or enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of common stock, without the prior written consent of the Representative, for a period of one year from the date of the final prospectus pertaining to the offering. It is provided however, that if a stockholder is neither one of our officers or directors, the lock-up restrictions described above shall not apply to and no consent of the Representative shall be required for sale by the stockholder of our securities representing up to 0.1% of the our issued and outstanding shares of common stock, calculated on a fully diluted basis, on each consecutive month commencing six months following the date of the final prospectus relating to this offering and ending at the end of the lock-up period. The restrictions described above do not apply to: (i) the sale of any shares common stock to the underwriters pursuant to the underwriting agreement; (ii) a transfer of shares of common stock to a family member or trust; (iii) a transfer of shares of common stock to charitable or educational organizations if, in any such case, such transfer is a bona fide gift; (iv) transfers of shares of common stock to partners or wholly-owned subsidiaries, as the case may be; (v) transfers of shares of common stock in connection with the exercise of any stock options that expire during the restricted period, to the extent necessary to fund the exercise price of such stock options and any withholding taxes resulting from such exercise; (vi) transfers of share of common stock by will or intestate succession; (vii) the establishment of a Rule 10b5-1 trading plan under the Exchange Act by a security holder for the sale of shares of common stock, provided that such plan does not provide for the transfer of common stock during the restricted period, and (viii) transfers of shares of common stock pursuant to any order of, or settlement agreement not involving any public sale of such shares or securities, approved by, any court of competent jurisdiction; provided, however, that in any case referred to in clauses (ii) through (v) above, each transferee executes and delivers a lock-up agreement agreeing to be subject to the restrictions on transfer described above. The Representative may, in its sole discretion, at any time without prior notice, release all or any portion of the shares from the restrictions in any such agreement; provided, however, if the party to be released is an officer or director of the Company and except if (a) the release or waiver is effected solely to permit a transfer not for consideration and (b) the transferee has agreed in writing to be bound by the same terms described in the “lock-up” agreement, (i) the Representative agrees that, at least three business days before the effective date of any release or waiver, the Representative will notify us of the impending release or waiver, and (ii) we have to announce the impending release or waiver by press release through a major news service at least two business days before the effective date of the release or waiver. Any release or waiver granted by the Representative to any such officer or director shall only be effective two business days after the publication date of such press release.

NASDAQ Listing. We have applied to have our common stock approved for listing on The NASDAQ Global Market under the symbol “JYNT.”

Electronic Offer, Sale and Distribution of Shares. A prospectus in electronic format may be made available on the websites maintained by one or more of the underwriters or selling group members, if any, participating in this offering and one or more of the underwriters participating in this offering may distribute prospectuses electronically. The Representative may agree to allocate a number of shares to underwriters and selling group members for sale to their online brokerage account holders. Internet distributions will be allocated by the underwriters and selling group members that will make internet distributions on the same basis as other allocations. Other than the prospectus in electronic format, the information on these websites is not part of, nor incorporated by reference into, this prospectus or the registration statement of which this prospectus forms a part, has not been approved or endorsed by us or any underwriter in its capacity as underwriter, and should not be relied upon by investors.

TABLE OF CONTENTS

Determination of the Initial Public Offering Price. Prior to this offering, there has been no public market for our common stock. The initial public offering price was determined through negotiations between us and the Representative of the underwriters. In addition to prevailing market conditions, the factors considered in determining the initial public offering price included the following:

- the information included in this prospectus and otherwise available to the Representative;
- the valuation multiples of publicly traded companies that the Representative believe to be comparable to us;
- our financial information;
- our prospects and the history and the prospectus of the industry in which we compete;
- an assessment of our management, its past and present operations, and the prospects for, and timing of, our future revenues;
- the present state of our development; and
- the above factors in relation to market values and various valuation measures of other companies engaged in activities similar to ours.

Stabilization. In connection with this offering, the underwriters may engage in stabilizing transactions, over-allotment transactions, syndicate-covering transactions, penalty bids and purchases to cover positions created by short sales.

Stabilizing transactions permit bids to purchase shares so long as the stabilizing bids do not exceed a specified maximum, and are engaged in for the purpose of preventing or retarding a decline in the market price of the shares while the offering is in progress.

Over-allotment transactions involve sales by the underwriters of shares in excess of the number of shares the underwriters are obligated to purchase. This creates a syndicate short position which may be either a covered short position or a naked short position. In a covered short position, the number of shares over-allotted by the underwriters is not greater than the number of shares that they may purchase in the over-allotment option. In a naked short position, the number of shares involved is greater than the number of shares in the over-allotment option. The underwriters may close out any short position by exercising their over-allotment option and/or purchasing shares in the open market.

Syndicate covering transactions involve purchases of shares in the open market after the distribution has been completed in order to cover syndicate short positions. In determining the source of shares to close out the short position, the underwriters will consider, among other things, the price of shares available for purchase in the open market as compared with the price at which they may purchase shares through exercise of the over-allotment option. If the underwriters sell more shares than could be covered by exercise of the over-allotment option and, therefore, have a naked short position, the position can be closed out only by buying shares in the open market. A naked short position is more likely to be created if the underwriters are concerned that after pricing there could be downward pressure on the price of the shares in the open market that could adversely affect investors who purchase in the offering.

Penalty bids permit the Representative to reclaim a selling concession from a syndicate member when the shares originally sold by that syndicate member are purchased in stabilizing or syndicate covering transactions to cover syndicate short positions.

These stabilizing transactions, syndicate covering transactions and penalty bids may have the effect of raising or maintaining the market price of our shares or common stock or preventing or retarding a decline in the market price of our shares or common stock. As a result, the price of our common stock in the open market may be higher than it would otherwise be in the absence of these transactions. Neither we nor the underwriters make any representation or prediction as to the effect that the transactions described above may have on the price of our common stock. These transactions may be effected on The NASDAQ Global Market or otherwise and, if commenced, may be discontinued at any time.

TABLE OF CONTENTS

Passive market making. In connection with this offering, underwriters and selling group members may engage in passive market making transactions in our common stock on The NASDAQ Global Market in accordance with Rule 103 of Regulation M under the Exchange Act, during a period before the commencement of offers or sales of the shares and extending through the completion of the distribution. A passive market maker must display its bid at a price not in excess of the highest independent bid of that security. However, if all independent bids are lowered below the passive market maker's bid, then that bid must then be lowered when specified purchase limits are exceeded.

Representative's Warrant. We have agreed to issue the Representative a warrant to purchase up to shares of common stock, which is 3% of the shares sold in this offering, excluding the over-allotment option, as additional consideration. The warrant is exercisable at \$ per share (125% of the initial public offering price), commencing on a date which is one year from the effective date of this offering under this prospectus and expiring four years from the effective date of this offering in compliance with FINRA Rule 5110(f)(2)(G)(i). The warrant and the shares of common stock underlying the warrant have been deemed compensation by FINRA, and are therefore subject to a 180-day lock-up pursuant to Rule 5110(g)(1) of FINRA. The Representative (or permitted assignees under the Rule) will not transfer the warrant or the securities underlying the warrant except in accordance with applicable securities regulations. In addition, the warrants provide for registration rights upon request, in certain cases. The demand registration right will have a duration of no more than four years from the date of effectiveness in compliance with FINRA Rule 5110(f)(2)(G)(iv) if and when we are eligible to use a registration statement on Form S-3. The piggy-back registration right provided will have a duration of no more than six years from the date of effectiveness in compliance with FINRA Rule 5110(f)(2)(G)(v). We will bear all fees and expenses attendant to registering the securities issuable on exercise of the warrant, other than underwriting commissions incurred and payable by the holder. The exercise price and number of shares issuable upon exercise of the warrant may be adjusted in certain circumstances including in the event of a stock dividend, extraordinary cash dividend or our recapitalization, reorganization, merger or consolidation. However, the warrant exercise price or underlying shares will not be adjusted for issuances of shares of common stock at a price below the warrant exercise price.

Right of First Refusal. We have granted the Representative the right of first refusal to act, for a period of twelve months from the effectiveness or commencement of sales of this offering, at a minimum, as a co-lead manager and/or co-placement agent with at least 50% of the gross economics for any and all future public or private debt offerings by us occurring or commencing during such twelve-month period. The terms of any such engagement will be negotiated between us and the Representative.

Other Relationships. Certain of the underwriters and their affiliates have provided, and may in the future provide various investment banking, commercial banking and other financial services for us and our affiliates for which they have received, and may in the future receive customary fees. However, except as disclosed in this prospectus, we have no present arrangements with any of the underwriters for any further services.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders' of
The Joint Corp.
Scottsdale, Arizona

We have audited the accompanying consolidated balance sheets of The Joint Corp. as of December 31, 2013 and 2012, and the related consolidated statements of operations, changes in stockholders' equity, and cash flows for each of the years then ended. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Joint Corp. and subsidiaries as of December 31, 2013 and 2012, and the results of their operations and their cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note 9 to the financial statements, the 2013 financial statements have been restated to correct the earnings per share disclosure.

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

The Joint Corp. (“The Joint”), a Delaware corporation, was formed on March 10, 2010, for the purpose of franchising chiropractic clinics, selling regional developer rights and supporting the operations of franchised chiropractic clinics at locations throughout the United States of America. The franchising of chiropractic clinics is regulated by the Federal Trade Commission and various state authorities.

The Joint Corporate Unit No. 1, LLC (“Clinic”), an Arizona limited liability company, was formed on July 14, 2010, for the purpose of operating chiropractic centers in the state of Arizona. The Clinic was sold on July 1, 2012, and all remaining account balances were consolidated with The Joint as of December 31, 2012.

The following table summarizes the number of clinics in operation for years ended December 31, 2013 and 2012 and the six months ended June 30, 2014 and 2013.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of The Joint Corp. and its wholly owned subsidiary, The Joint Corporate Unit No. 1, LLC (collectively, the “Company”).

All significant intercompany accounts and transactions between The Joint Corp. and its subsidiary have been eliminated in consolidation.

Cash

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash. The Company continually monitors its positions with, and credit quality of, the financial institutions with which it invests. As of the balance sheet date and periodically throughout the year, the Company has maintained balances in various operating accounts in excess of federally insured limits.

Restricted Cash

Restricted cash held by the Company relates to cash franchisees are required to contribute to the National Marketing Fund and cash franchisees provide to the Co-Op Marketing Funds. Cash contributed to the National Marketing Fund is to be used in accordance with the Franchise Disclosure Document with a focus on regional and national marketing and advertising.

Concentrations of Credit Risk

The Company grants credit in the normal course of business to franchisees related to the collection of initial franchise fees, royalties, and other operating revenues. The Company periodically performs credit analysis and monitors the financial condition of the franchisees to reduce credit risk. As of December 31, 2013 and 2012, one customer and two customers, respectfully, represented 15% and 54% of outstanding accounts receivable. We did not have any customers that represented greater than 10% of our revenues during the six months ended June 30, 2014 and 2013 or the years ended December 31, 2013 and 2012.

(information as it pertains to June 30, 2014 and 2013 is unaudited)**

**NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES – (continued)**

Accounts Receivable

Accounts receivable represent amounts due from franchisees for royalty fees and marketing and advertising expenses. The Company considers a reserve for doubtful accounts based on the creditworthiness of the franchisee. The provision for uncollectible amounts is continually reviewed and adjusted to maintain the allowance at a level considered adequate to cover future losses. The allowance is management's best estimate of uncollectible amounts and is determined based on specific identification and historical performance that are tracked by the Company on an ongoing basis. The losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. The Company determined that an allowance for doubtful accounts was not necessary for the twelve months ended December 31, 2013 and 2012. As of June 30, 2014 and 2013 the Company had allowance for doubtful accounts of \$42,039 and \$0, respectively.

Deferred Franchise Costs

Deferred franchise costs represent commissions that are earned in conjunction with the sale of a franchise, and are expensed when the respective revenue is recognized, which is generally upon the opening of a clinic.

Property and Equipment

Property and equipment are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of three to seven years. Leasehold improvements are amortized using the straight-line method over the shorter of the lease term or the estimated useful life of the assets.

Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of property or equipment are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in other income.

Software Developed

The Company capitalizes most software development costs. These capitalized costs are primarily related to proprietary software used by clinics for operations and the Company for management of operations. Costs incurred in the preliminary stages of development are expensed as incurred. Once an application has reached the development stage, internal and external costs, if direct and incremental, are capitalized as assets in progress until the software is substantially complete and ready for its intended use. Capitalization ceases upon completion of all substantial testing. The Company also capitalizes costs related to specific upgrades and enhancements when it is probable the expenditures will result in additional functionality. Software developed is recorded as part of property and equipment. Maintenance and training costs are expensed as incurred. Internal use software is amortized on a straight line basis over its estimated useful life, generally 5 years.

Long-Lived Assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recovered. The Company looks primarily to the undiscounted future cash flows in its assessment of whether or not long-lived assets have been impaired. No impairments of long-lived assets were recorded for the years ended December 31, 2013 and 2012 and for the six months ended June 30, 2014.

Advertising Fund

The Company has established an advertising fund for national marketing and advertising of services offered by the clinics owned by the franchisees. As stipulated in the typical franchise agreement, a franchisee, in addition to the monthly royalty fee, pays a monthly marketing fee of 1% of gross sales, which may increase to 2% at the discretion of the Company. The Company is to segregate the marketing funds collected

and use the funds for specific purposes as outlined in the Franchise Disclosure Document. As amounts are expended from the fund, the Company recognizes advertising fund revenue and a related expense. Amounts collected in excess of marketing expenditures are included in restricted cash on the consolidated balance sheets of the Company.

Co-Op Marketing Funds

Franchises have established regional Co-Ops for advertising within their local and regional markets. The Joint maintains an agency relationship under which the marketing funds collected are segregated and used for the specified purposes as directed by the Co-Ops officers. The marketing funds are included in restricted cash on the consolidated balance sheets of the Company.

Revenue Recognition

The Company generates revenue through initial franchise fees, regional developer fees, transfer fees, royalties, IT related income, and computer software fees.

Initial Franchise Fees

The Company requires the entire initial franchise fee to be paid upon execution of the franchise agreement, which has an initial term of ten years and are non-refundable. Initial franchise fees received from a franchisee are recognized as revenue when the Company has performed substantially all initial services required by the franchise agreement. The franchisor's services under the franchise agreement include: training of franchisee and staff, site selection, construction/vendor management and ongoing operations support. The Company provides no financing to own franchises or guarantees on their behalf.

Regional Developer Fees

During 2011, the Company established a regional developer program to bring on independent contractors to assist in developing a specified geographical region or unit. Under this program, a regional developer pays a per license fee of 25% of the franchise fee to obtain the rights to develop the clinic within a specified geographical region and receives 50% of all franchise fees collected upon franchise sale and 3% of all royalties collected from open clinics in their region. Any clinics developed by the regional developer over their contracted minimum in the territory, requires no additional fee. Regional developer fees are recognized as revenue when the Company has performed substantially all initial services required by the regional developer agreement, which is generally upon the opening of each clinic and are non-refundable. The franchisor's services under the RD agreements include: site selection within RD Territory, grand opening support for two clinics within the region, sales support for identification of qualified franchisees, and marketing support to advertise for ownership opportunities. Several of the Company's regional developer agreements grant to the Company the option to repurchase the regional developer's license. The Company has no present intent to exercise any repurchase option for a regional developer license.

Royalties

The Company collects royalties, as stipulated in the franchise agreement, equal to 7% of gross sales and a marketing and advertising fee of 1% of gross sales. Certain franchisees with franchise agreements acquired during the formation of the Company pay a monthly flat fee. Royalties are recognized as revenue when earned. Royalties are collected bi-monthly two working days after each sales period has ended. The Company considers a reserve for doubtful accounts based on the creditworthiness of the franchisee. The provision for uncollectible amounts is continually reviewed and adjusted to maintain the allowance at a level considered adequate to cover future losses. The allowance is management's best estimate of uncollectible amounts and is determined based on specific identification and historical performance that are tracked by the Company on an ongoing basis.

POLICIES – (continued)**

IT Related Income and Software Fees

The Company collects a monthly computer software fee for use of the Company's proprietary chiropractic software, computer support, and internet services support, which was rolled out to all the clinics in April 2012. These fees are recognized on a monthly basis as services are provided. IT related revenue represents a flat fee to purchase the clinics' computer equipment, operating software, preinstalled chiropractic system software, key card scanner (patient identification card), credit card scanner and credit card receipt printer. These fees are recognized as revenue when upon receipt of equipment by the franchisee.

Advertising Costs

The Company's policy is to expense all operating advertising costs as incurred. Advertising expenses for years ended December 31, 2013 and 2012 were \$323,219 and \$404,050, respectively, and the six months ended June 30, 2014 and 2013 were \$40,039 and \$134,209, respectively.

Income Taxes

The Company accounts for income taxes in accordance with the Accounting Standards Codification that requires the recognition of deferred income taxes for differences between the basis of assets and liabilities for financial statement and income tax purposes. The differences relate principally to depreciation of property and equipment and treatment of revenue for franchise fees and regional developer fees collected. Deferred tax assets and liabilities represent the future tax consequence for those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. Deferred taxes are also recognized for operating losses that are available to offset future taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized.

The Company accounts for uncertainty in income taxes by recognizing the tax benefit or expense from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based on the technical merits of the position. The Company measures the tax benefits and expenses recognized in the consolidated financial statements from such a position based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate resolution.

For the six months ended June 30, 2014 and the year ended December 31, 2013, the Company recorded a liability for income taxes for operations and uncertain tax positions of approximately \$204,000 and \$148,000, respectively, of which \$50,000 and \$33,000 respectively, represent penalties and interest and recorded in "other liabilities" section of the accompanying consolidated balance sheets. Interest and penalties associated with tax positions are recorded in the period assessed as general and administrative expenses. The Company's tax returns for tax years subject to examination by tax authorities include 2010 through the current period for state and federal reporting purposes.

Earnings (Loss) per Common Share

Basic earnings (loss) per common share include no dilution and are computed by dividing the net earnings (loss) by the weighted-average number of common shares outstanding during the period. Diluted earnings (loss) per common share is computed by giving effect to all potentially dilutive common shares including preferred stock, restricted stock, and stock options. Basic and diluted earnings per share for the year ended December 31 2012 and the six months ended June 30, 2014 were the same as the impact of all potentially dilutive securities outstanding was anti-dilutive.

Stock-Based Compensation

The Company accounts for share based payments by recognizing compensation expense based upon the estimated fair value of the awards on the date of grant. The Company determines the estimated grant fair value using the Black-Scholes option pricing model and recognizes compensation costs ratably over the vesting period using the straight-line method.

Use of Estimates

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates. Items subject to significant estimates and assumptions include the allowance for doubtful accounts, share-based compensation arrangements, fair value of stock options, useful lives and realizability of long-lived assets, classification of deferred revenue and deferred franchise costs and the related deferred tax assets and liabilities as long-term or current, uncertain tax positions and realizability of deferred tax assets.

Recent Accounting Pronouncements

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers* (Topic 606) which provides guidance on how companies recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects consideration to which the company expects to be entitled in exchange for those goods or services. The Company is in the process of evaluating the impact of this pronouncement.

Subsequent Events

Currently, the Company is pursuing a Form S-1 registration with the Securities and Exchange Commission and will have associated expenses related to this subsequent event.

On September 16, 2014, the Board declared a second stock dividend of .78 shares of common stock for each share of common stock outstanding as of September 15, 2014. The second stock dividend is effective and payable automatically as of the effective date of the Company's Amended and Restated Certificate of Incorporation, which was September 17, 2014. This stock dividend has been accounted for as a stock split and retroactively reflected in these consolidated financial statements.

NOTE 2 NOTES RECEIVABLE

Effective July 2012, the Company sold its company-owned clinic, including the license agreement, equipment, and customer base, in exchange for a \$90,000 promissory note. The note bears interest at 6% per annum for fifty-four months and requires monthly principal and interest payments over forty-two months, beginning August 2013 and maturing January 2017. The outstanding balance on the note as of June 30, 2014 and December 31, 2013 was \$72,427 and \$85,198, respectively and is uncollateralized.

Note Receivable — Related Party

Effective October 2012, a stockholder and former director of the Company transferred ownership in his clinic to a third party in connection with which the Company assessed a contractual transfer fee of \$21,750. The Company accepted the stockholder's promissory note in the amount \$21,750 in payment of this fee. The note has not been formalized with terms, including interest rate or payment schedules and, accordingly, is presented as a long-term note receivable in the accompanying consolidated balance sheets.

The Company considers a reserve for doubtful accounts on notes receivable. The provision for uncollectible amounts is continually reviewed and adjusted to maintain the allowance at a level considered adequate to cover future losses. The allowance is management's best estimate of uncollectible amounts and is determined based on specific identification and historical performance that are tracked by the Company on an ongoing basis. The losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. The Company determined that an allowance for doubtful accounts on notes receivable was not necessary as of June 30, 2014 and 2013 and December 31, 2013 and 2012.

NOTE 4 FAIR VALUE CONSIDERATION

The Company's financial instruments include cash, restricted cash, accounts receivable, notes receivable, accounts payable and accrued expenses. The carrying amounts of the Company's financial instruments approximate their fair value due to their short maturities.

The Company generally does not use derivative financial instruments to hedge exposures to cash-flow, market or foreign-currency risks.

Authoritative guidance defines fair value as the price that would be received to sell an asset or settle a liability (an exit price) in an orderly transaction between market participants at the measurement date. The guidance establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Company. Unobservable inputs are inputs that reflect the our assumptions of what market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on reliability of the inputs as follows:

- Level 1: Inputs that reflect unadjusted quoted prices in active markets that are accessible to Ampio for identical assets of liabilities;
- Level 2: Inputs include quoted prices for similar assets and liabilities in active or inactive markets or that are observable for the asset or liability either directly or indirectly; and
- Level 3: Unobservable inputs that are supported by little or no market activity.

As of December 31, 2013 and 2012 and for the six months ended June 30, 2014, and 2013 the Company does not have any financial instruments that contain unobservable inputs measured as level 1, 2 or 3.

For the six months ending June 30, 2014, amortization credit was approximately (\$40,850). In addition, the Company records operating leases to rent expense on a straight-line basis. When lease payments differ from the straight-line rent expense, the difference is recorded to the deferred tenant allowance account. For the six months ending June 30, 2014, additional rent expense was \$43,500.

NOTE 8 EQUITY

Stock-Based Compensation

In November 2012, the Company adopted the 2012 Stock Plan (“2012 Plan”). The Plan purpose is to attract and retain the best available personnel for positions of substantial responsibility, provide incentives and additional ownership opportunities for employees, directors, and consultants, and generally promote the success of the Company’s business. The Plan permits the Company to grant incentive stock options, non-statutory stock options, restricted stock, stock appreciation rights, performance units and performance shares to employees, directors, and consultants for a period of ten years.

On May 15, 2014, the Company adopted the 2014 Stock Plan (“2014 Plan”). The 2014 Plan is designed to supersede and replace the 2012 Plan, effective as of the adoption date and set aside 1,513,000 shares of the Company’s common stock that may be guaranteed under the Plan.

As of June 30, 2014, the Company has granted stock options to employees to purchase 271,895 shares of the Company and granted restricted stock awards to an executive and consultant to earn 567,375 shares of Company stock. The stock options vest over a period of four years from grant date. The restricted stock was granted in two tranches. The first tranche vests over a period of four years from the grant date. The second tranche begins vesting upon completion of a successful initial public offering by the Company during the employment and service term of participating executives annually over a three year term. Management has reserved a pool of shares to be issued when the options are exercised and the restricted stock is earned.

The estimated fair value of each option granted is calculated using the Black-Scholes option-pricing model. In order to calculate the fair value of the options, certain assumptions are made regarding the components of the model, including the estimated fair value of underlying common stock, risk-free interest rate, volatility, expected dividend yield and expected option life. Changes to the assumptions could cause significant adjustments to the valuation.

The fair value of the Company’s common stock is estimated by the Board of Directors at or about the time of grant for each share-based award. At each grant, the board considered a number of factors in establishing a value for the Company’s common stock including the Company’s EBITDA, assessments of an amount the Company’s shareholders would accept in the private sale of the company, discussions with the Company’s investment bankers regarding pricing of the company’s common stock in an initial public offering and the probability of successfully completing an IPO. Although the methods for determining fair value of the Company’s common stock are not complex, the board’s estimate of the fair value of its common stock does involve subjectivity, especially assessments of value in a private sale and estimates of value in the public stock market.

Since the Company’s stock was not publicly traded, expected volatilities are based on volatilities from publicly traded companies with business models similar to the Company. Upon successful completion of an IPO, the Company’s stock trading price is expected be the basis of fair value of its common stock used in determining the value of share based awards. The Company will rely upon the volatilities from publicly traded companies with similar business models until the Company’s common stock has accumulated enough trading history for the Company to utilize its own historical volatility. There has been no employee forfeiture of stock options to date. The expected life of the options granted is based on the average of the vesting term and the contractual term of the option. The risk-free rate for periods within the expected life of the option is based on the U.S. Treasury 10-year yield curve in effect at the date of the grant.

The remaining \$56,419 in unrecognized stock-based compensation expense is associated with 100,125 stock option grants whose vesting is contingent upon completion of a successful IPO.

The second tranche begins vesting upon completion of a successful initial public offering by the Company during the employment and service term of the executive and consultant, respectively. This vests in 12 monthly installments from the date of closing the IPO. The estimated fair market value of the 567,375 shares of restricted stock was valued at \$1.20 per share, determined by the Board, totaling approximately \$679,000 to be recognized ratably as the stock is vested. Unrecognized stock based compensation expense for restricted stock awards as of June 30, 2014 was \$658,969 of which \$139,781 is expected to be recognized ratably over 3.5 years. Item 14. Indemnification of Directors and Officers

Section 145 (“Section 145”) of the General Corporation Law of the State of Delaware, as the same exists or may hereafter be amended (the “General Corporation Law”) provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation) by reason of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation’s best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was illegal.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against such person and incurred by such person in any such capacity, arising out of such person’s status as such, whether or not the corporation would otherwise have the power to indemnify such person against such liability under Section 145.

Registrant’s Amended and Restated Certificate of Incorporation and Bylaws provide that Registrant will indemnify to the fullest extent permitted by law any person made or threatened to be made a party to an action or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that he, his testator or intestate is or was a director, officer or employee of Registrant or any predecessor of Registrant, or serves or served at any other corporation, partnership, joint venture, trust or other enterprise as a director, officer, employee or agent at the request of Registrant or any predecessor of Registrant.

Registrant’s Bylaws provide for mandatory indemnification to the fullest extent permitted by General Corporation Law against all expense, liability and loss including attorney’s fees, judgments, fines, ERISA

excise taxes or penalties and amounts paid in settlements, provided that Registrant shall not be required to indemnify unless the proceeding in which indemnification is sought was authorized in advance by our Board of Directors.

Registrant's directors and executive officers are covered by insurance maintained by Registrant against specified liabilities for actions taken in their capacities as such, including liabilities under the Securities Act of 1933, as amended. In addition, the Registrant has entered into contracts with its directors and executive officers providing indemnification of such directors and executive officers by the Registrant to the fullest extent permitted by law, subject to certain limited exceptions.

The Underwriting Agreement (Exhibit 1.1 hereto) provides for indemnification by the Underwriters of Registrant and its executive officers and directors, and by Registrant of the underwriters, for certain liabilities arising under the Securities Act or otherwise in connection with this offering.

The foregoing option grant was exempt from registration under the Securities Act pursuant to Section 4(2) thereof on the basis that the transaction did not involve a public offering.
- (c) On January 1, 2014, the Registrant issued 166,875 restricted shares of its common stock to David Orwasher pursuant to a restricted stock purchase agreement. The recipients in such transactions represented their intention to acquire the securities for investment only and not with a view to or for sale in connection with any distribution thereof, and appropriate legends were affixed to the share certificates and instruments issued in such transactions. Item 17. Undertakings

The undersigned Registrant hereby undertakes to provide to the Underwriters at the closing specified in the Underwriting Agreement, certificates in such denominations and registered in such names as required by the Underwriters to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of Registrant pursuant to the provisions referenced in Item 14 of this registration statement or otherwise, Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. The undersigned Registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The designation of this series, which consists of 50,000 shares of Preferred Stock, is Series A Preferred Stock (the "Series A Preferred Stock") and the stated value shall be Forty Dollars (\$40.00) per share (subject to adjustment for stock splits, stock dividends, combinations, reclassifications or other similar events) (the "Stated Value").

II. Rank

The Series A Preferred Stock shall rank (i) senior to the Corporation's common stock, par value \$.001 per share (the "Common Stock"); (ii) senior to any class or series of capital stock of the Corporation hereafter created (with the consent of the holders of Series A Preferred Stock obtained in accordance with Article VIII hereof) specifically ranking, by its terms, junior to the Series A Preferred Stock (collectively, with the Common Stock, "Junior Securities"); (iii) pari passu with any class or series of capital stock of the Corporation hereafter created (with the consent of the holders of Series A Preferred Stock obtained in accordance with Article VIII hereof) specifically ranking, by its terms, on parity with the Series A Preferred Stock (all of the foregoing in this clause (iii) being referred to as "Pari Passu Securities"); and (iv) junior to any class or series of capital stock of the Corporation hereafter created (with the consent of the holders of Series A Preferred Stock obtained in accordance with Article VIII hereof) specifically ranking, by its terms, senior to the Series A Preferred Stock ("Senior Securities"), in each case as to distribution of assets upon a Liquidation Event (as defined below).

III. Liquidation Preference

A . Liquidation. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the holders of shares of Series A Preferred Stock then outstanding shall be entitled to be paid out of the assets of the Corporation available for distribution to its stockholders before any payment shall be made to the holders of any other shares of capital stock of the Corporation (other than Senior Securities), an amount per share equal to the Liquidation Preference. If upon any such liquidation, dissolution or winding up of the Corporation, the assets of the Corporation available for distribution to its stockholders shall be insufficient to pay the holders of shares of Series A Preferred Stock the full amount to which they shall be entitled under this Article III.A, the holders of shares of Series A Preferred Stock shall share ratably in any distribution of the assets available for distribution in proportion to the respective amounts which would otherwise be payable in respect of the shares held by them upon such distribution if all amounts payable on or with respect to such shares were paid in full.

B. Definitions. For purposes hereof:

(a) The term "Liquidation Event" shall mean any of the following: (i) the liquidation, dissolution or winding up of the Corporation, either voluntarily or involuntarily; (ii) the sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions, by the Corporation or any subsidiary of the Corporation of all or substantially all the assets of the Corporation and its subsidiaries taken as a whole, or the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Corporation if substantially all of the assets of the Corporation and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where such sale, lease, transfer, exclusive license or other disposition is to a wholly owned subsidiary of the Corporation; (iii) the effectuation by the Corporation or its stockholders of a transaction or series of related transactions in which the beneficial owners of voting capital stock of the Corporation immediately prior to such transaction or transactions hold less than 50% of the Corporation's issued and outstanding voting capital stock in the Corporation after giving effect to such transaction or transactions, (iv) the consolidation, merger or other business combination of the Corporation with or into any other Person (as defined below) or Persons when the Corporation is not the survivor or (v) a Qualified Public Offering; *provided, however*, that a Qualified Public Offering shall not be a Deemed Liquidation Event unless holder of at least 75% of the issued and outstanding Series A Preferred Stock elect by written notice to the Corporation that the Qualified Public Offering be treated as a Deemed Liquidation Event at least 5 days prior to the Qualified Public Offering.

(b) The term a “Deemed Liquidation Event” shall mean any of the Liquidation Events set forth in Article II.B(a)(ii) - (v).

(c) The term “Person” shall mean any individual, corporation, limited liability company, partnership, association, trust or other entity or organization.

(d) The term “Liquidation Preference” with respect to a share of the Series A Preferred Stock shall mean an amount equal to the Stated Value thereof, plus any dividends declared but unpaid thereon.

C. Effecting a Deemed Liquidation Event.

(a) The Corporation shall not have the power to effect a Deemed Liquidation Event unless the agreement or plan of merger or consolidation for such transaction provides that the consideration payable to the stockholders of the Corporation shall be allocated among the holders of capital stock of the Corporation in accordance with Article II.

(b) In the event of a Deemed Liquidation Event in respect of which the Corporation does not effect a liquidation, dissolution or winding up of the Corporation under the General Corporation Law within ninety (90) days after such Deemed Liquidation Event, then (i) the Corporation shall send a written notice to each holder of Series A Preferred Stock, no later than the ninetieth (90th) day after the Deemed Liquidation Event advising such holders of their right (and the requirements to be met to secure such right) pursuant to the terms of the following clause (ii) to require the redemption of such shares of Series A Preferred Stock and (iii) if the holders of at least seventy-five (75%) of the then outstanding shares of Series A Preferred Stock, so request in a written instrument delivered to the Corporation not later than one hundred (100) days after such Deemed Liquidation Event, the Corporation shall use the consideration received by the Corporation for such Deemed Liquidation Event (if applicable), together with any other assets of the Corporation available for distribution to its stockholders (the “Available Proceeds”), to the extent legally available therefor, on the 100th day after such Deemed Liquidation Event, to redeem all outstanding shares of Series A Preferred Stock at a price per share equal to the Liquidation Preference. Notwithstanding the foregoing, in the event of a redemption pursuant to the preceding sentence, if the Available Proceeds are not sufficient to redeem all outstanding shares of Series a Preferred Stock, the Corporation shall redeem a pro rata portion of each holder’s shares of Series A Preferred Stock to the fullest extent of such Available Proceeds, based on the respective amounts which would otherwise be payable in respect of the shares to be redeemed if the legally available funds were sufficient to redeem all such shares, and shall redeem the remaining shares to have been redeemed as soon as practicable after the Corporation has funds legally available therefor. Prior to the distribution or redemption provided for in the Article II.C(b), the Corporation shall not expend or dissipate the consideration received for such Deemed Liquidation Event (if applicable), except to discharge expenses reasonably incurred in connection with such Deemed Liquidation Event.

(c) In addition to any other rights granted to the holders of Series A Preferred Stock, in the event that the Available Funds are not sufficient to redeem all outstanding shares of Series A Preferred Stock in accordance with Article III.C(b), then until the Liquidation Preference is paid in full with respect to all shares of outstanding Series A Preferred Stock, the Corporation shall not, without first obtaining the approval (by vote or written consent, as provided by the DGCL) of the holders of at least 75% of the then outstanding shares of Series A Preferred Stock: (i) pay or declare any dividend or make any distribution on, any shares of capital stock of the Corporation; (ii) create, or authorize the creation of, or issue, or authorize the issuance of any debt security, or permit any subsidiary to take any such action with respect to any debt security; (iii) sell, transfer or otherwise dispose of any material asset of the Corporation or any subsidiary; (iv) make any capital expenditure in excess of one hundred thousand dollars (\$100,000) in any fiscal year; (v) enter into any agreement with any key employee, officer or director of the Corporation that provides for (A) compensation in excess of one hundred thousand dollars (\$100,000) in any calendar year or (B) the issuance of any equity securities of the Corporation; (vi) enter into any agreement with a third party that provides for the payment by the Corporation of more than fifty thousand dollars (\$50,000) in the aggregate; (vii) enter into any material agreements with affiliates, employees or directors; or (viii) the incur indebtedness in excess of \$50,000.

D. Notice. The Corporation shall provide twenty days' notice (or such lesser time as is practicable under the circumstances if the Corporation cannot provide twenty days' notice, but in no event less than ten days notice) of the prospective occurrence of a Liquidation Event so that the holders of shares of Series A Preferred Stock may exercise the conversion rights as provided herein. The occurrence of a Liquidation Event shall not preclude the holders of Series A Preferred Stock from exercising their conversion rights as provided herein.

IV. Conversion at the Option of the Holder

A. Each holder of shares of Series A Preferred Stock may, at its option at any time and from time to time after the date of issuance of such Series A Preferred Stock, upon surrender of the certificates therefor, convert any or all of its shares of Series A Preferred Stock into Common Stock as follows (an "Optional Conversion"). Each share of Series A Preferred Stock shall be convertible into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing (a) the Stated Value thereof, by (b) the then effective Conversion Price (as defined below).

B. The “Conversion Price” shall be Forty Dollars (\$40.00), subject to adjustments from time to time pursuant to the provisions of Article IV.C below.

C. The Conversion Price shall be subject to adjustment from time to time as follows:

(a) Adjustment to Conversion Price Due to Stock Split, Stock Dividend, Etc. If at any time when the Series A Preferred Stock is issued and outstanding, the number of outstanding shares of Common Stock is increased or decreased by a stock split, stock dividend, combination, reclassification or other similar event, the Conversion Price shall be proportionately adjusted.

(b) Adjustment Due to Reorganization. Subject to the provisions of Article III, if there shall occur any reorganization, recapitalization, reclassification, consolidation or merger involving the Corporation in which the Common Stock (but not the Preferred Stock) is converted into or exchanged for securities, cash or other property (other than a transaction covered elsewhere by this Article IV), then, following any such reorganization, recapitalization, reclassification, consolidation or merger, each share of Series A Preferred Stock shall thereafter be convertible in lieu of the Common Stock into which it was convertible prior to such event into the kind and amount of securities, cash or other property which a holder of the number of shares of Common Stock issuable upon conversion of one (1) share of Series A Preferred Stock immediately prior to such reorganization, recapitalization, reclassification, consolidation or merger would have been entitled to receive pursuant to such transaction; and, in such case, appropriate adjustment (as determined in good faith by the Board of Directors) shall be made in the application of the provisions in this Article IV with respect to the rights and interests thereafter of the holders of Series A Preferred Stock, to the end that the provisions set forth in this Article IV (including provisions with respect to changes in and other adjustments of the Conversion Price) shall thereafter be applicable, as nearly as reasonably may be, in relation to any securities or other property thereafter deliverable upon the conversion of the Series A Preferred Stock.

(c) Other Securities Offerings. In the event that (1) at any time following the original date of issuance of the Series A Preferred Stock, the Corporation sells or issues any Common Stock or securities or options convertible into, exercisable for, or exchangeable for, Common Stock, other than shares or options issued pursuant to any employee stock option plan adopted by the Corporation or pursuant to a Qualified Initial Public Offering (as defined below), and (2) the effective sales price of the Common Stock with respect to such transaction (including the effective or maximum conversion, exercise or exchange price) (“Other Price”) is less than the Stated Value of the Series A Preferred Stock, the Corporation shall issue and allot to the holders of Series A Preferred Stock, at no additional cost, such number of additional shares of Series A Preferred Stock as is necessary so that the average weighted cost per share of Common Stock issuable upon conversion of the Series A Preferred Stock shall equal the Other Price. For purposes of determining the average weighted cost per share, the calculation shall include any additional shares of Common Stock that may be issued upon conversion of the Series A Preferred Stock due to any adjustment in the Conversion Price thereof pursuant to Article IV.C(c)(1) or IV.C(c)(2) above.

For purposes hereof, a “Qualified Public Offering” shall mean the initial public offering of the Company’s capital stock resulting in listing of such capital stock on any of the New York Stock Exchange, the American Stock Exchange, NASDAQ or any other recognized national or international stock exchange.

D. In order to convert Series A Preferred Stock into full shares of Common Stock, a holder of Series A Preferred Stock shall: (i) submit a written notice of conversion to the Corporation; and (ii) surrender the original certificates representing the Series A Preferred Stock being converted (the “Preferred Stock Certificates”), duly endorsed, to the office of the Corporation.

(a) Lost or Stolen Certificates. Upon receipt by the Corporation of evidence of the loss, theft, destruction or mutilation of any Preferred Stock Certificates representing shares of Series A Preferred Stock, and (in the case of loss, theft or destruction) of indemnity reasonably satisfactory to the Corporation, and upon surrender and cancellation of the Preferred Stock Certificates, if mutilated, the Corporation shall execute and deliver new Preferred Stock Certificate(s) of like tenor and date.

(b) Delivery of Common Stock Upon Conversion. Upon the surrender of certificates as described above together with a Notice of Conversion, the Corporation shall issue and, within two (2) business days after such surrender (or, in the case of lost, stolen or destroyed certificates, after provision of agreement and indemnification pursuant to subparagraph (a) above), deliver to or upon the order of the holder (i) that number of shares of Common Stock for the portion of the shares of Series A Preferred Stock converted as shall be determined in accordance herewith and (ii) a certificate representing the balance of the shares of Series A Preferred Stock not converted, if any,

(c) Conversion Date. The “Conversion Date” shall be the date specified in the Notice of Conversion. The person or persons entitled to receive the shares of Common Stock issuable upon conversion shall be treated for all purposes as the record holder or holders of such securities as of the Conversion Date and all rights with respect to the shares of Series A Preferred Stock surrendered shall forthwith terminate except the right to receive the shares of Common Stock or other securities or property issuable on such conversion and except that the holders preferential rights as a holder of Series A Preferred Stock shall survive to the extent the corporation fails to deliver such securities.

E. A number of shares of the authorized but unissued Common Stock sufficient to provide for the conversion of the Series A Preferred Stock outstanding at the then current Conversion Price shall at all times be reserved by the Corporation, free from preemptive rights, for such conversion or exercise.

V. Voting Rights

A. The holders of the Series A Preferred Stock shall have the right to vote on all matters to which the holders of Common Stock are entitled to vote as provided by the General Corporation Law of the State of Delaware (“DGCL”). Each share of Series A Preferred Stock shall be entitled to a number of votes equal to the number of shares of Common Stock into which it is then convertible using the record date for the taking of such vote of stockholders as the date as of which the Conversion Price is calculated. Holders of the Series A Preferred Stock shall be entitled to notice of all stockholder meetings or written consents (and copies of proxy materials and other information sent to stockholders), which notice must be provided pursuant to the Corporation’s bylaws and the DGCL in order for the proposed stockholder action to be valid.

B. To the extent that under the DGCL the vote of the holders of the Series A Preferred Stock, voting separately as a class or series as applicable, is required to authorize a given action of the Corporation, the affirmative vote or consent of the holders of a majority of the shares of the Series A Preferred Stock represented at a duly held meeting at which a quorum is present or by written consent of a majority of the shares of Series A Preferred Stock (except as otherwise may be required under the DGCL) shall constitute the approval of such action by the class.

VI. Dividends

In the event the Corporation declares, pays or sets aside any dividends with respect to the shares of any other class or series of capital stock of the Corporation, whether payable in cash or other property, the holders of Series A Preferred Stock shall be entitled to receive (a) in the case of a dividend on any class or series that is convertible into Common Stock, an allocable share of such dividend as if all shares of Series A Preferred Stock had been converted into Common Stock of the Corporation on the record date for the declaration of such dividend or (b) in the case of a dividend on any class or series that is not convertible into Common Stock, at a rate per share of Series A Preferred Stock determined by (A) dividing the amount of the dividend payable on each share of such class or series of capital stock by the original issuance price of such class or series of capital stock (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization with respect to such class or series) and (B) multiplying such fraction by an amount equal to the Stated Value (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization with respect to the Series A Preferred Stock); provided that, if the Corporation declares, pays or sets aside, on the same date, a dividend on shares of more than one class or series of capital stock of the Corporation, the dividend payable to the holders of Series A Preferred Stock pursuant to this Article VI shall be calculated based upon the dividend on the class or series of capital stock that would result in the highest Series A Preferred Stock dividend.

VII. Preemptive Rights

In the event the Corporation issues additional equity securities of any class or series, each holder of Series A Preferred Stock shall have the right to maintain his or her proportionate beneficial ownership interest by purchasing, on the same terms and conditions on which the additional equity securities are to be issued, a percentage of the newly issued securities equal to the percentage determined by dividing the number of shares of Common Stock held by such holder of Series A Preferred Stock, determined as if all shares of Series A Preferred Stock had been converted into Common Stock, by the total number of shares of Common Stock outstanding prior to the issuance of the additional equity securities, determined as if all shares of Series A Preferred Stock had been converted into Common Stock (“Pro-Rata Share”). In addition, should any holder of Series A Preferred Stock choose not to purchase all of its Pro-Rata Shares, the remaining holders of Series A Preferred Stock shall have the right to purchase the remaining Pro-Rata Shares. The Corporation shall provide the holders of Series A Preferred Stock reasonable prior notice and reasonable time and opportunity to exercise their preemptive rights set forth in this Article VII.

VIII. Protective Provisions

So long as shares of Series A Preferred Stock are outstanding, the Corporation shall not, without first obtaining the approval (by vote or written consent, as provided by the DGCL) of the holders of at least 75% of the then outstanding shares of Series A Preferred Stock;

- (a) alter or change the rights, preferences or privileges of the Series A Preferred Stock or any Senior Securities so as to affect adversely the Series A Preferred Stock;
- (b) create any new class or series of capital stock;
- (c) increase the authorized number of shares of Series A preferred Stock or issue any additional shares of Series A Preferred Stock;
- (d) issue any additional shares of stock of any class at a price, or any securities or options convertible into, exercisable for, or exchangeable for, any shares of capital stock of the Corporation, the effective sales price of which is less than the Stated Value of the Series A Preferred Stock;
- (e) redeem or purchase any issued and outstanding shares of capital stock of the Corporation except in exercise of the Corporation’s repurchase options as set forth in certain Founders’ Restricted Stock Purchase Agreements by and between the Corporation and certain holders of Common Stock and that were in effect prior to the date hereof; or

(f) reclassify, alter or amend any existing security of the Corporation.

IN WITNESS WHEREOF, this Certificate of Designation is executed on behalf of the Corporation this 26 day of March, 2010.

To the fullest extent permitted by the General Corporation Law of the State of Delaware as the same exists or as may hereafter be amended, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director; provided, however, that nothing contained in this Article VII shall eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for payments of dividends or approval of stock repurchases or redemptions that are prohibited by Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. No repeal or modification of this Article VII shall apply to or have any adverse effect on any right or protection of, or any limitation of the liability of, a director of the Corporation existing at the time of such repeal or modification with respect to acts or omissions occurring prior to such repeal or modification.

B. Indemnification. The Corporation may indemnify to the fullest extent permitted by law any person made or threatened to be made a party to an action or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that such person or his or her testator or intestate is or was a director, officer or employee of the Corporation, or any predecessor of the Corporation, or serves or served at any other corporation, partnership, joint venture, trust or other enterprise as a director, officer, employee or agent at the request of the Corporation or any predecessor to the Corporation.

Section 1.1. Registered Office and Agent. The initial registered office of the Corporation shall be 874 Walker Road, Suite C, City of Dover, County of Kent, Delaware 19904, and the name of the initial registered agent of the Corporation at such address shall be United Corporate Services, Inc.

Section 1.2. Offices. The Corporation may also have offices at such other places both within and without the State of Delaware as the Board of Directors may from time to time determine or the business of the Corporation may require.

**ARTICLE II
MEETINGS OF STOCKHOLDERS**

Section 2.1. Annual Meetings. Annual meetings of stockholders shall be held at such date, time and place, either within or without the State of Delaware, as may be designated from time to time by the Board of Directors and stated in the notice of the meeting, for the purpose of electing a Board of Directors, and transacting such other business as properly may be brought before the meeting.

To be properly brought before the annual meeting, business must be either (i) specified in the notice of annual meeting (or any supplement or amendment thereto) given by or at the direction of the Board of Directors, (ii) otherwise brought before the annual meeting by or at the direction of the Board of Directors, or (iii) otherwise properly brought before the annual meeting by a stockholder. In addition to any other applicable requirements, for business to be properly brought before an annual meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation. To be timely, a stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Corporation not less than sixty (60) days nor more than ninety (90) days prior to the meeting; provided, however, that in the event that less than seventy (70) days notice or prior public disclosure of the date of the annual meeting is given or made to stockholders, notice by a stockholder, to be timely, must be received no later than the close of business on the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure was made, whichever first occurs. A stockholder's notice to the Secretary shall set forth (a) as to each matter the stockholder proposes to bring before the annual meeting (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, and (ii) any material interest of the stockholder in such business, and (b) as to the stockholder giving the notice (i) the name and record address of the stockholder and (ii) the class, series and number of shares of capital stock of the Corporation which are beneficially owned by the stockholder. Notwithstanding anything in these Bylaws to the contrary, no business shall be conducted at the annual meeting except in accordance with the procedures set forth in this Article II, Section 2. The officer of the Corporation presiding at an annual meeting shall, if the facts warrant, determine and declare to the annual meeting that business was not properly brought before the annual meeting in accordance with the provisions of this Article II, Section 2, and if such officer should so determine, such officer shall so declare to the annual meeting and any such business not properly brought before the meeting shall not be transacted.

Section 2.2. Special Meetings. Special meetings of the stockholders, for any purpose or purposes, unless otherwise provided by statute or by the Certificate of Incorporation, may only be called by a majority of the Board of Directors or by the Chairman, the Chief Executive Officer or the President and shall be called by the Secretary at the request in writing of stockholders owning a majority in amount of the entire capital stock of the Corporation issued and outstanding and entitled to vote. Such request shall state the purpose or purposes of the proposed meeting. Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice.

Section 2.3. Notice of Meetings. Whenever stockholders are required or permitted to take action at a meeting, a written notice of the meeting shall be given which shall state the place, date and hour of the meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Unless otherwise provided by law, the written notice of any meeting shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting, to each stockholder entitled to vote at such meeting.

Section 2.4. Quorum; Vote Required for Action. Except as otherwise provided by law or by the Certificate of Incorporation or these Bylaws, the presence in person or by proxy of the holders of a majority of the outstanding shares of stock of the Corporation entitled to vote thereat shall constitute a quorum at each meeting of the stockholders and all questions shall be decided by a vote of the holders of a majority of the shares so represented in person or by proxy at the meeting and entitled to vote thereat. The stockholders present at any duly organized meeting may continue to do business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum.

Section 2.5. Adjournments. Notwithstanding any other provisions of these Bylaws, the holders of a majority of the shares of stock of the Corporation entitled to vote at any meeting, present in person or represented by proxy, whether or not a quorum is present, shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. At any such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting originally called; provided, however, that if the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the adjourned meeting.

Section 2.6. Voting Rights; Proxies. Unless otherwise provided by law or by the Certificate of Incorporation each stockholder shall at every meeting of the stockholders be entitled to one vote in person or by proxy for each share of the capital stock having voting power held by such stockholder, but no proxy shall be voted on after three (3) years from its date, unless the proxy provides for a longer period. Each proxy shall be revocable unless expressly provided therein to be irrevocable or unless otherwise made irrevocable by law. The notice of every meeting of the stockholders may be accompanied by a form of proxy approved by the Board of Directors in favor of such person or persons as the Board of Directors may select.

Section 2.7. Action of Stockholders Without Meeting. Unless otherwise provided by the Certificate of Incorporation, any action required to be taken at any annual or special meeting of stockholders, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, and shall be delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing.

Section 2.8. List of Stockholders Entitled to Vote. The officer who has charge of the stock ledger of the Corporation shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present.

Section 2.9. Record Date. In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders, or to receive payment of any dividend or other distribution or allotment of any rights or to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date on which the resolution fixing the record date is adopted and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of any meeting of stockholders, nor more than sixty (60) days prior to the time for such other action as hereinbefore described; provided, however, that if no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held, and, for determining stockholders entitled to receive payment of any dividend or other distribution or allotment of rights or to exercise any rights of change, conversion or exchange of stock or for any other purpose, the record date shall be at the close of business on the day on which the Board of Directors adopts a resolution relating thereto.

A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

In order that the Corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall be more than ten (10) days after the date upon which the resolution fixing the record date is adopted. If no record date has been fixed by the Board of Directors and no prior action by the Board of Directors is required by the Delaware General Corporation Law, as amended ("DGCL"), the record date shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation in the manner prescribed by Article II, Section 2.7 hereof. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by the DGCL with respect to the proposed action by written consent of the stockholders, the record date for determining stockholders entitled to consent to corporate action in writing shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

Section 2.10. Ratification. Any transaction questioned in any stockholders' derivative suit, or any other suit to enforce alleged rights of the Corporation or any of its stockholders, on the ground of lack of authority, defective or irregular execution, adverse interest of any director, officer or stockholder, nondisclosure, miscomputation or the application of improper principles or practices of accounting may be approved, ratified and confirmed before or after judgment by the Board of Directors or by the holders of common stock and, if so approved, ratified or confirmed, shall have the same force and effect as if the questioned transaction had been originally duly authorized, and said approval, ratification or confirmation shall be binding upon the Corporation and all of its stockholders and shall constitute a bar to any claim or execution of any judgment in respect of such questioned transaction.

ARTICLE III BOARD OF DIRECTORS

Section 3.1. Powers; Number; Qualifications. The business, affairs and property of the Corporation shall be managed by or under the direction of the Board of Directors, which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these Bylaws directed or required to be exercised or done by the stockholders. The number of directors shall be as fixed in such manner as may be determined by the vote of a majority of the directors then in office, but shall not be less than one. Directors need not be stockholders of the Corporation. The initial board of directors of the company shall consist of three directors.

Section 3.2. Election; Term of Office; Resignation; Removal. The directors shall be elected at the annual meeting of the stockholders and each director shall hold office until the next annual meeting of stockholders or until such director's earlier resignation, removal from office, death or incapacity.

Section 3.3. Vacancies. Any vacancy in the Board of Directors, including vacancies resulting from any increase in the authorized number of directors may be filled by a vote of the remaining directors then in office or by a sole remaining director and the directors so chosen shall hold office until the next annual meeting of stockholders and until their successors are duly elected and qualified, or until their earlier death, resignation or removal.

Section 3.4. Nominations. Nominations of persons for election to the Board of Directors of the Corporation at a meeting of stockholders of the Corporation may be made at such meeting by or at the direction of the Board of Directors, by any committee or persons appointed by the Board of Directors or by any stockholder of the Corporation entitled to vote for the election of directors at the meeting who complies with the notice procedures set forth in this Article III, Section 3.4. Such nominations by any stockholder shall be made pursuant to timely notice in writing to the Secretary of the Corporation. To be timely, a stockholder's notice shall be delivered to or mailed and received at the principal executive offices of the Corporation not less than sixty (60) days nor more than ninety (90) days prior to the meeting; provided however, that in the event that less than seventy (70) days notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder, to be timely, must be received no later than the close of business on the tenth (10th) day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made, whichever first occurs. Such stockholder's notice to the Secretary shall set forth (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director, (a) the name, age, business address and residence address of the person, (b) the principal occupation or employment of the person, (c) the class and number of shares of capital stock of the Corporation which are beneficially owned by the person, and (d) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to the Rules and Regulations of the Securities and Exchange Commission under Section 14 of the Securities Exchange Act of 1934, as amended, and (ii) as to the stockholder giving the notice (a) the name and record address of the stockholder and (b) the class and number of shares of capital stock of the Corporation which are beneficially owned by the stockholder. The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as a director of the Corporation. No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the procedures set forth herein. The officer of the Corporation presiding at an annual meeting shall, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and if he should so determine, he shall so declare to the meeting and the defective nomination shall be disregarded.

Section 3.5. Resignations. Any director may resign at any time by written notice to the Corporation. Any such resignation shall take effect at the date of receipt of such notice or at any later time specified therein, and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 3.6. Regular Meetings. Regular meetings of the Board of Directors shall be held at such place or places within or without the State of Delaware, at such hour and on such day as may be fixed by resolution of the Board of Directors, without further notice of such meetings. The time and place of holding regular meetings of the Board of Directors may be changed by the Chairman, the Chief Executive Officer, the President or any Vice President by giving written notice thereof as provided in Article III, Section 3.8 hereof.

Section 3.7. Special Meetings. Special meetings of the Board of Directors may be held whenever called by (i) the Chairman, the Chief Executive Officer or the President (ii) the Chairman, the Chief Executive Officer, the President or the Secretary on the written request of a majority of the Board of Directors; or (iii) resolution adopted by the Board of Directors. Special meetings may be held within or without the State of Delaware as may be stated in the notice of the meeting.

Section 3.8. Notice of Meetings. Written notice of the time, place and general nature of the business to be transacted at all special meetings of the Board of Directors, and written notice of any change in the time or place of holding the regular meetings of the Board of Directors, must be given to each director at least forty-eight (48) hours prior to the day of the meeting; provided, however, that notice of any meeting need not be given to any director if waived by him in writing, or if he shall be present at such meeting, except when the director attends the meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business on the grounds that the meeting is not lawfully called or convened.

Section 3.9. Quorum; Vote Required for Action. Except as may be otherwise specifically provided by law, the Certificate of Incorporation or these Bylaws, at all meetings of the Board of Directors or any committee thereof, a majority of the directors then in office or of such committee, as the case may be, shall constitute a quorum for the transaction of business and, except as otherwise provided by law or these Bylaws, the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board of Directors. If a quorum shall not be present at any meeting of the Board of Directors or of any committee thereof, a majority of the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

Section 3.10. Action by Unanimous Consent of Directors. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee of the Board of Directors may be taken without a meeting, if all members of the board or the committee of the board, as the case may be, consent thereto in writing, which may be in counterparts, and the writing or writings are filed with the minutes of proceedings of the Board of Directors or the committee thereof. Such writing(s) shall be manually executed if practicable, but if circumstances so require, effect shall be given to written consent transmitted by telegraph, telex, telecopy or similar means of visual data transmission.

Section 3.11. Telephonic Meetings Permitted. Members of the Board of Directors, or any committee designated by the Board of Directors, may participate in a meeting of such board or committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Bylaw shall constitute presence in person at such meeting.

Section 3.12. Interested Directors. No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association, or other organization in which one or more of its directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board of Directors or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose, if (i) the material facts as to his or their relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum, or (ii) the material facts as to his or their relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders, or (iii) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified, by the Board of Directors, a committee thereof or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes the contract or transaction.

Section 3.13. Compensation. Directors shall be entitled to such compensation for their services as may be approved by the Board of Directors, including, if so approved by resolution of the Board of Directors, a fixed sum and expenses of attendance at each regular or special meeting or any committee thereof. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like compensation for attending committee meetings.

Section 3.14. Removal. Any director or the entire Board of Directors may be removed, with or without cause, by the holders of a majority of the shares entitled to vote at an election of directors. The notice calling such meeting shall state the intention to act upon such matter, and the vacancy or vacancies, if any, caused by such removal shall be filled at such meeting by a vote of the holders of a majority of the shares entitled to vote at an election of directors.

Section 3.15. Committees. The Board of Directors may, by resolution adopted by a majority of the members of the Board of Directors, designate one or more committees, each committee to consist of two or more of the directors of the Corporation. The Board may designate one or more directors as alternate members of any committee. The alternate members of any committee may replace any absent or disqualified member at any meeting of the committee. Any such committee, to the extent provided in a resolution of the Board of Directors, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it; but no such committee shall have such power or authority in reference to amending the Certificate of Incorporation, adopting an agreement of merger or consolidation, recommending to the stockholders the sale, lease or exchange of all or substantially all of the Corporation's property and assets, recommending to the stockholders a dissolution of the Corporation or a revocation of a dissolution, or amending the Bylaws of the Corporation; and, unless the resolution or the Certificate of Incorporation expressly so provide, no committee shall have the power or authority to declare a dividend or to authorize the issuance of stock. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board of Directors. Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors when required. Members of special or standing committees shall be entitled to receive such compensation for serving on such committees as the Board of Directors shall determine.

ARTICLE IV
NOTICES

Section 4.1. Notices. Whenever, under the provisions of the Certificate of Incorporation or these Bylaws, notice is required to be given to any director or stockholder, such notice must be in writing and may be given in person, in writing or by mail, telegram, telecopy or other similar means of visual communication, addressed to such director or stockholder, at his address as it appears on the records of the Corporation, with postage or other transmittal charges thereon prepaid. Such notice shall be deemed to be given (i) if by mail, the day when the same shall be deposited in the United States mail, and (ii) otherwise, when such notice is transmitted.

Section 4.2. Waiver of Notice. Whenever any notice is required to be given under the provisions of the Certificate of Incorporation or these Bylaws, a waiver thereof in writing, signed by the person or persons entitled to said notice, whether before or after the time stated therein, shall be deemed equivalent thereto. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the stockholders, directors, or members of a committee of directors need be specified in any written waiver of notice unless so required by the Certificate of Incorporation.

ARTICLE V

The Board of Directors may, by resolution, from time to time confer like powers upon any other person or persons.

Section 5.3. Chief Executive Officer. Subject to the provisions of these Bylaws and to the direction of the Board of Directors, the Chief Executive Officer shall have ultimate authority for decisions relating to the general management and control of the affairs and business of the Corporation and shall perform such other duties and exercise such other powers which are or from time to time may be delegated to him or her by the Board of Directors or these Bylaws, all in accordance with basic policies as established by and subject to the oversight of the Board of Directors.

Section 5.6. Secretary. The Secretary shall attend all meetings of the Board of Directors and all meetings of stockholders and record all the proceedings thereat in a book or books to be kept for that purpose; the Secretary shall also perform like duties for the standing committees when required. The Secretary shall give, or cause to be given, notice of all meetings of the stockholders and special meetings of the Board of Directors, and shall perform such other duties as may be prescribed by the Board of Directors or the Chief Executive Officer, under whose supervision the Secretary shall be. If the Secretary shall be unable or shall refuse to cause or be given notice of all meetings of the stockholders and special meetings of the Board of Directors, then any Assistant Secretary shall perform such actions. The Treasurer shall disburse the funds of the Corporation as may be ordered by the Board of Directors, taking proper vouchers for such disbursements, and shall render to the Chief Executive Officer and the Board of Directors, at its regular meetings, or when the Board of Directors so requires, an account of all his transactions as Treasurer and of the financial condition of the Corporation. If required by the Board of Directors, the Treasurer shall give the Corporation a bond in such sum and with such surety or sureties as shall be satisfactory to the Board of Directors for the faithful performance of the duties of his office and for the restoration to the Corporation, in case of his death, resignation, retirement or removal from office, of all books, papers, vouchers, money and other property of whatever kind in his possession or under his control belonging to the Corporation.

Certificates may be issued for partly paid shares and in such case upon the face or back of the certificates issued to represent any such partly paid shares the total amount of the consideration to be paid therefor, and the amount paid thereon shall be specified.

Section 6.3. Signatures. Any of or all the signatures on the certificate may be facsimile including, but not limited to, signatures of officers of the Corporation and countersignatures of a transfer agent or registrar. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if he were such officer, transfer agent or registrar at the date of issue.

Section 6.4. Lost, Stolen or Destroyed Stock Certificates; Issuance of New Certificates. The Board of Directors may direct a new certificate or certificates to be issued in place of any certificate or certificates theretofore issued by the Corporation alleged to have been lost, stolen or destroyed upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen or destroyed. When authorizing such issue of a new certificate or certificates, the Board of Directors may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate or certificates, or his legal representative, to advertise the same in such manner as it shall require and/or to give the Corporation a bond in such sum as it may direct as indemnity against any claim that may be made against the Corporation with respect to the certificate alleged to have been lost, stolen or destroyed.

Section 6.5. Transfer of Stock. Stock of the Corporation shall be transferable in the manner prescribed by law and in these Bylaws. Transfers of stock shall be made on the books of the Corporation only by a person named in the certificate or by his attorney lawfully constituted in writing and upon the surrender of the certificate therefor, which shall be canceled before a new certificate shall be issued. Upon surrender to the Corporation or the transfer agent of the Corporation of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignation or authority to transfer, and subject to applicable federal and state securities laws and contractual obligations, it shall be the duty of the Corporation to issue a new certificate to the person entitled thereto, cancel the old certificate and record the transaction upon its books, unless the Corporation has a duty to inquire as to adverse claims with respect to such transfer which has not been discharged. The Corporation shall have no duty to inquire into adverse claims with respect to such transfer unless (a) the Corporation has received a written notification of an adverse claim at a time and in a manner which affords the Corporation a reasonable opportunity to act on it prior to the issuance of a new, reissued or re-registered share certificate and the notification identifies the claimant, the registered owner and the issue of which the share or shares is a part and provides an address for communications directed to the claimant; or (b) the Corporation has required and obtained, with respect to a fiduciary, a copy of a will, trust, indenture, articles of co-partnership, Bylaws or other controlling instruments, for a purpose other than to obtain appropriate evidence of the appointment or incumbency of the fiduciary, and such documents indicate, upon reasonable inspection, the existence of an adverse claim. The Corporation may discharge any duty of inquiry by any reasonable means, including notifying an adverse claimant by registered or certified mail at the address furnished by him or, if there be no such address, at his residence or regular place of business that the security has been presented for registration of transfer by a named person, and that the transfer will be registered unless within thirty days from the date of mailing the notification, either (a) an appropriate restraining order, injunction or other process issues from a court of competent jurisdiction or (b) an indemnity bond, sufficient in the Corporation's judgment to protect the Corporation and any transfer agent, registrar or other agent of the Corporation involved from any loss which it or they may suffer by complying with the adverse claim, is filed with the Corporation

ARTICLE VII

Before payment of any dividend, there may be set aside out of any funds of the Corporation available for dividends such sum or sums as the directors from time to time, in their absolute discretion, think proper as a reserve or reserves to meet contingencies, or for equalizing dividends, or for repairing or maintaining any property of the Corporation, or for such other purpose as the directors shall think conducive to the interest of the Corporation, and the directors may modify or abolish any such reserve in the manner in which it was created.

Section 7.2. Fiscal Year. The fiscal year of the Corporation shall be fixed by resolution of the Board of Directors.

ARTICLE VIII
INDEMNIFICATION

Section 8.1. The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

Section 8.2. The Corporation shall indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 8.3. To the extent that a director, officer, employee or agent of the Corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Sections 1 or 2 of this Article, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

Section 8.4. Any indemnification under Sections 1 or 2 of this Article (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in such section. Such determination shall be made:

- (a) By the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding;
- (b) If such a quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion; or
- (c) By the stockholders.

Section 8.5. Expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Corporation as authorized in this Section. Such expenses (including attorneys' fees) incurred by other employees and agents may be so paid upon such terms and conditions, if any, as the Board of Directors deems appropriate.

Section 8.6. The indemnification and advancement of expenses provided by, or granted pursuant to the other sections of this Article shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office.

Section 8.7. The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability under the provisions of this Article.

Section 8.8. For purposes of this Article, references to “the Corporation” shall include, in addition to the resulting Corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under this Article with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation of its separate existence had continued.

Section 8.9. For purposes of this Article, references to “other enterprises” shall include employee benefit plans; references to “fines” shall include any excise taxes assessed on a person with respect to any employee benefit plan; and references to “serving at the request of the Corporation” shall include any service as a director, officer, employee or agent of the Corporation which imposes duties on, or involves services by, such director, officer, employee, or agent with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner he reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner “not opposed to the best interests of the Corporation” as referred to in this Article.

Section 8.10. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 8.11. No director or officer of the Corporation shall be personally liable to the Corporation or to any stockholder of the Corporation for monetary damages for breach of fiduciary duty as a director or officer, provided that this provision shall not limit the liability of a director or officer (i) for any breach of the director’s or the officer’s duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the General Corporation Law of Delaware, or (iv) for any transaction from which the director or officer derived an improper personal benefit.

The Corporation's registered office and registered agent may be changed at any time by the board of directors.

1.2 Other Offices

The Corporation may also have other offices, either within or outside the State of Delaware, as the board of directors determines or as the Corporation's business requires.

**Article 2
Stockholders**

2.1 Annual Meeting

An annual meeting of stockholders for the election of directors and the transaction of any other business which properly comes before the meeting shall be held between March 31 and October 31 of each year, on the date fixed by the board of directors.

2.2 Business at Annual Meetings of Stockholders

(a) At an annual meeting of the stockholders, only such nominations for director will be made and only such other business will be conducted as will have been properly brought before the meeting. To be properly brought before an annual meeting, nominations and other business must be: either (1) proposed by or at the direction of the board of directors, either pursuant to the Corporation's notice of the meeting in compliance with Section 2.5 of these Bylaws or otherwise; or (2) proposed to be brought before the meeting by any stockholder of record (i) who is entitled to vote at the meeting, (ii) who gives timely notice of the proposed business in compliance with this Section 2.2, and (iii) who is a stockholder of record at the time of giving notice. In addition, for any business to be properly brought before an annual meeting by a stockholder, the business must be a proper matter for stockholder action.

(b) To be timely, a stockholder's notice of proposed business must be addressed to the secretary of the Corporation and received at the Corporation's principal executive offices no later than the close of business on the 90th day, and no earlier than the close of business on the 120th day, prior to the first anniversary of the preceding year's annual meeting of stockholders. If, however, the date of the annual meeting is more than 30 days before or after the first anniversary, the stockholder's notice must be received no later than the close of business on the 90th day, and no earlier than the 120th day, prior to the annual meeting.

(c) The stockholder's notice to the secretary shall include, for each item of business that the stockholder proposes to bring before the annual meeting, a brief description of the business and the reasons for conducting the business at the annual meeting. The stockholder's notice shall also include the stockholder's name and address as they appear on the Corporation's books, the name and address of the of the beneficial owner, if any, on whose behalf the stockholder is acting and the number of shares of the Corporation's stock beneficially owned by the beneficial owner, and a statement of any interest of the stockholder or beneficial owner in the business proposed to be brought before the meeting. If such notice pertains to the nomination of directors, as to each person whom the stockholder proposes to nominate for election or reelection as a director, the notice shall include all information relating to such person as would be required to be disclosed in solicitations of proxies for the election of such nominees as directors pursuant to Regulation 14A under the Securities Exchange Act of 1934 ("Regulation 14A"), and such person's written consent to serve as a director if elected.

(d) The chairman of the annual meeting shall have the power to determine whether any business was not properly brought before the annual meeting in accordance with the procedures in this Section 2.2. If the chairman determines that any business was not properly brought before the meeting, the chairman shall inform the meeting that the business was not brought properly before the meeting and that the business may not be transacted.

2.3 Special Meetings

A special meeting of stockholders may be called for any purpose or purposes by the chairman of the board or the president and chief executive officer, or by the secretary of the Corporation at the direction of the board of directors. The business transacted at any special meeting of stockholders shall be limited to matters relating to the purpose or purposes stated in the notice of the meeting.

2.4 Place of Meetings

Meetings of stockholders shall be held at the place designated by the board of directors, which may be within or outside the State of Delaware. If the Board does not designate a place, the place shall be the Corporation's principal office.

2.5 Notice of Meetings

Written notice of each meeting of stockholders shall be given to all stockholders entitled to vote at the meeting at least 10 but not more than 60 days prior to the meeting (unless otherwise provided by law). The notice shall state the date, place and time of the meeting, and in the case of a special meeting of stockholders, the purpose or purposes for which the meeting is called. If mailed, the notice shall be considered given when deposited in the United States mail, proper postage prepaid, directed to the stockholder at his address as it appears on the Corporation's records. If electronically transmitted, the notice shall be considered given as provided in Section 2.13.

2.6 Quorum

The holders of a majority of the shares entitled to vote at a meeting of stockholders, present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting, except as otherwise provided by law or by the Corporation's certificate of incorporation.

2.7 Voting

Each holder of common stock shall be entitled to one vote for each share of common stock that he holds of record. When a quorum is present at any meeting of stockholders, the affirmative vote of holders of a majority of the shares present in person or represented by proxy, entitled to vote on a matter and voting shall decide the matter, except as provided in Section 3.2, Section 8.2, or when a different vote is required by law or by the Corporation's certificate of incorporation.

2.8 Proxies

Each stockholder entitled to vote at a meeting of stockholders, or to consent to corporate action without a meeting, may authorize another person to act for him by proxy authorized by an instrument in writing or by electronic transmission and delivered to the secretary of the Corporation prior to or at the time of the meeting or other action. No proxy may be voted or acted on more than three years after its date, unless the appointment expressly provides for a longer period. A stockholder may revoke his appointment of a proxy by an instrument in writing or by electronic transmission delivered to the secretary of the Corporation, by a subsequent appointment or by attendance at the meeting and voting in person. Any electronic submission pursuant to this section must either set forth or be submitted with information from which the Corporation can determine that such electronic transmission was authorized by the stockholder.

2.9 Voting List

At least 10 days before every meeting of stockholders, the secretary of the Corporation shall prepare a complete alphabetical list of the stockholders entitled to vote at the meeting, showing the address of each stockholder and the number of shares registered in his name. The Corporation shall not be required to include electronic mail addresses or other electronic contact information on such list. This list shall be open to the examination of any stockholder, for any purpose germane to the meeting, for a period of at least 10 days prior to the meeting: (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting; or (ii) during ordinary business hours, at the Corporation's principal place of business. The list also shall be produced and kept open during the meeting of stockholders and may be inspected by any stockholder who is present.

2.10 Inspectors

The board of directors shall appoint in advance of any meeting of stockholders one or more inspectors to act at the meeting. If no inspector appointed is able to act at the meeting, the chairman of the meeting shall appoint one or more inspectors. Each inspector shall take and sign an oath faithfully to carry out the duties of inspector with strict impartiality and according to the best of his ability. The inspectors shall determine the number of shares outstanding and the voting power of each, determine the shares represented at the meeting and the validity of proxies and ballots, count all votes and ballots, determine (and retain for a reasonable period a record of) the disposition of any challenges made to any determination of the inspectors, and certify their determination of the number of shares represented at the meeting and their count of all votes and ballots.

2.11 Adjournments

Any meeting of stockholders may be adjourned to another time or place by the holders of a majority of the shares present or represented by proxy at the meeting and entitled to vote, even though less than a quorum. Notice need not be given of the adjourned meeting if the time and place of the adjourned meeting are announced at the meeting at which the adjournment is taken, unless the adjournment is for more than 30 days or, after the adjournment, a new record date is fixed for the adjourned meeting. The Corporation may transact any business at the adjourned meeting which might have been transacted at the original meeting.

2.12 Action by Consent

Any action which may be taken at a meeting of stockholders may be taken without a meeting (and without prior notice) if a consent or consents in writing, setting forth the action taken, are signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take the action at a meeting at which all shares entitled to vote were present and voted. An electronic transmission consenting to an action to be taken shall be deemed to be written, signed and dated for the purposes of this section, provided that it either sets forth or is delivered with information from which the Corporation can determine that such electronic transmission was authorized by the stockholder or proxy holder (or their authorized agents) and the date on which it was transmitted. Prompt notice of the taking of any corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented.

2.13 Notice to Stockholders by Electronic Transmission

(a) Without limiting the manner by which notice otherwise may be given effectively to stockholders, any notice to stockholders given by the corporation under any provision of the Delaware General Corporation Law (the “DGCL”), the certificate of incorporation or these bylaws shall be effective if given by a form of electronic transmission consented to by the stockholder to whom the notice is given. Any such consent shall be revocable by the stockholder by written notice to the corporation. Any such consent shall be deemed revoked if (1) the corporation is unable to deliver by electronic transmission two consecutive notices given by the corporation in accordance with such consent and (2) such inability becomes known to the secretary or an assistant secretary of the corporation or to the transfer agent, or other person responsible for the giving of notice; provided, however, the inadvertent failure to treat such inability as a revocation shall not invalidate any meeting or other action.

(b) Notice given pursuant to subsection (a) of this section shall be deemed given: (1) if by facsimile telecommunication, when directed to a number at which the stockholder has consented to receive notice; (2) if by electronic mail, when directed to an electronic mail address at which the stockholder has consented to receive notice; (3) if by a posting on an electronic network together with separate notice to the stockholder of such specific posting, upon the later of (i) such posting and (ii) the giving of such separate notice; and (4) if by any other form of electronic transmission, when directed to the stockholder. An affidavit of the secretary or an assistant secretary or of the transfer agent or other agent of the corporation that the notice has been given by a form of electronic transmission shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

Article 3 Directors

3.1 General Powers

The Corporation's business and affairs shall be managed by or under the direction of a board of directors, which may exercise all of the powers of the Corporation except as otherwise provided by law or by the Corporation's certificate of incorporation.

3.2 Number and Term of Office

The number of directors constituting the board of directors shall be five. The number of directors may be changed by a resolution of the board of directors or the stockholders, but if changed, no decrease in the number of directors shall affect the term of any incumbent. Directors shall be elected at the annual meeting of stockholders. Each director shall be elected by the vote of a majority of the votes cast in respect of the director's election, with the exception that if the number of nominees for election exceeds the number of directors to be elected, the directors shall be elected by the vote of a plurality of the shares present in person or represented by proxy and entitled to vote on the election of directors. For purposes of this section 3.2, a "majority of the votes cast" means that the number of shares voted "for" the director's election exceeds the number of shares voted "against" the director's election. If an incumbent director is not re-elected, the director shall tender his resignation to the board of directors. The Nominating and Governance Committee shall make a recommendation to the Board whether to accept or reject the director's resignation or whether other action should be taken. The Board shall act on the Committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of certification of the election results. The director who tendered his resignation shall not participate in Committee's deliberations (if he is a member of the Committee) or in the Board's decision. Each director shall hold office until his successor is elected or until his earlier death, resignation or removal. Despite the expiration of a director's term, the director shall continue to serve in office until the next meeting of stockholders at which directors are elected. Directors need not be stockholders of the Corporation.

3.3 Regular Meetings

Regular meetings of the board of directors shall be held, at least once each fiscal quarter, at the times and places determined by the board of directors. Notice of a regular meeting of the board of directors need not be given (except to a director who was absent when the determination of the time and place was made).

3.4 Special Meetings

Special meetings of the board of directors may be held at any time at the call of the chairman of the board, the president, the lead director (if applicable) or any two directors. Special meetings shall be held at the Corporation's principal office unless the board of directors designates a different location.

3.5 Notice of Special Meetings

Written notice of a special meeting of the board of directors shall be given to each director at his business address by the secretary of the Corporation, or by the officer or one of the directors calling the meeting, by personal delivery, electronic transmission, overnight courier service or mail at least 48 hours prior to the meeting. The notice shall state the time and place of the meeting but need not specify the purpose of the meeting.

3.6 Quorum

A majority of the total number of directors shall constitute a quorum to transact business at all meetings of the board of directors. In the absence of quorum at any meeting, a majority of the directors present may adjourn the meeting without further notice other than announcement of the time and place of the adjourned meeting.

3.7 Participation by Telephone

A director or member of any committee designated by the board of directors may participate in any meeting of the board of directors or of such committee by conference telephone or similar communications equipment which enables all persons participating in the meeting to hear one another, and participation in this manner shall constitute presence in person at the meeting.

3.8 Voting

The vote of a majority of the directors present at any meeting of the board of directors at which a quorum is present shall be the act of the board of directors, unless the vote of a greater number is required by the Corporation's certificate of incorporation.

3.9 Resignation

A director may resign at any time by written notice to the Corporation at its principal office or to the chairman of the board, president or secretary. Unless otherwise specified in the director's notice, his resignation shall be effective on receipt by the Corporation or designated officer.

3.10 Removal

Any director may be removed, for cause, at any special meeting of stockholders called for that purpose, by the affirmative vote of holders of a majority of the shares then entitled to vote at an election of directors.

3.11 Vacancies

Any vacancy in the board of directors created by a director's resignation, death or removal, or any vacancy arising because of an increase in the number of directors may be filled by the incumbent directors. A director elected to fill a vacancy shall hold office for the balance of the term for which he was elected.

3.12 Compensation

The board of directors may establish reasonable fees to be paid to directors for their services, and may also authorize the payment of their expenses, if any, reasonably incurred in attending meetings of the board of directors.

3.13 Committees

The board of directors, by resolution passed by a majority of the whole Board, may create one or more committees (for example, a Compensation Committee or an Audit Committee) of two or more directors to serve at the Board's pleasure. The board of directors may designate one or more directors as alternate members of any committee who may replace any absent or disqualified member of the committee at any meeting of the committee. To the extent provided in the resolution creating each committee, and subject to the limitations imposed by law, the committee shall have and may exercise all of the powers and authority of the board of directors in respect of matters within the scope of the committee's authority. Unless the resolution creating any committee specifies a greater number, a majority of the members of the committee shall constitute a quorum, and a majority of a quorum shall be necessary for committee action. Subject to the direction of the board of directors, each committee shall determine the time and place of its meetings and establish appropriate rules to govern its activities.

3.14 Action by Consent

Any action which may be taken at a meeting of the board of directors or of any committee of the board of directors may be taken without a meeting (and without prior notice) if all members of the board or committee, as the case may be, consent thereto in writing or by electronic transmission, and the writings or electronic transmissions, setting forth the actions taken, are filed with minutes of proceedings of the board of directors or the committee.

3.15 Lead Director

If the Corporation's president and chief executive officer, or any other officer or employee of the Corporation, is serving as the chairman of the board, the board may appoint an outside director as the lead director, and if appointed, the lead director will have the qualifications and duties described in this Section 3.15.

The lead director shall be independent under the listing standards of the National Association of Securities Dealers, Inc., and shall serve at the board's pleasure until the next election of directors by the stockholders. The lead director shall: working with the chairman of the board, coordinate the scheduling and agenda of board meetings and the preparation and distribution of agenda materials; preside when the board meets in executive session or otherwise in the absence of the chairman of the board; call special meetings of the board when he considers appropriate; oversee the scope, quality and timeliness of the flow of information from the Corporation's management to the board; and serve as an independent point of contact for stockholders wishing to communicate with the board other than through the chairman of the board.

Article 4 Officers

4.1 Principal Officers

The principal officers of the Corporation shall consist of a president, chief financial officer, and secretary, and if the board of directors considers it advisable, a chief operating officer. The board of directors may elect a chairman of the board from among the directors and may appoint such other officers and assistant officers, including one or more vice presidents, assistant treasurers and assistant secretaries as the board considers advisable. More than one office may be held by the same person.

4.2 Election and Term of Office

The president, chief financial officer, secretary, and chief operating officer (if one is elected) shall be elected annually by the board of directors at the first meeting of the board of directors following the annual meeting of stockholders. A chairman of the board and other officers may be elected or appointed at this meeting or at any other meeting. Each officer shall hold office until his successor is elected and qualified or until his earlier death, resignation or removal. The election or appointment of an officer shall not of itself create any contract rights.

4.3 Resignation

An officer may resign at any time by written notice to the Corporation at its principal office or to the chairman of the board, president or secretary. Unless otherwise specified in the officer's notice, his resignation shall be effective on receipt by the Corporation or designated officer.

4.4 Removal

Any officer may be removed by the board of directors, with or without cause, whenever in its judgment the officer's removal would serve the Corporation's best interests. Unless the board of directors determines otherwise, no officer who is removed shall have any right to compensation as an officer for any period following his removal except as provided in an authorized contract with the Corporation.

4.5 Vacancies

The board of directors may fill a vacancy in any office occurring for any reason or may leave any vacant office unfilled other than the offices of president, Treasurer or secretary.

4.6 Chairman of the Board

The chairman of the board, if one is elected, shall confer with the president on matters of general policy affecting the day- to-day management of the Corporation's business and have such other powers and duties as the board of directors assigns. The chairman of the board shall preside at all meetings of the board of directors.

4.7 President

The president shall be the Corporation's chief executive officer and, subject to the direction of the board of directors and such supervisory powers, if any, that the board may give to the chairman of the board, shall have general charge of the Corporation's business and day-to-day management. He shall also supervise the Corporation's other officers and see that all resolutions and orders of the board of directors are carried into effect. He shall preside at all meetings of the stockholders and, in the absence of the chairman of the board or if one is not elected, at all meetings of the board of directors. In general, the president shall have the powers and duties usually vested in the office of president of a corporation and such other powers and duties as the board of directors assigns.

4.8 Chief Operating Officer

The chief operating officer of the Corporation shall be responsible, under the president's direction, for overseeing the Corporation's day-to-day business operations. The chief operating officer shall have the powers and duties usually vested in the office of chief operating officer of a corporation and such other powers and duties as the president or the board of directors assigns.

4.9 Chief Financial Officer

The chief financial officer of the Corporation shall be responsible, under the president's direction, for all financial and accounting matters, including custody of the Corporation's funds and securities and responsibility for depositing, investing and disbursing the Corporation's funds. The chief financial officer shall have the powers and duties usually vested in the office of chief financial officer of a corporation and such other powers and duties as the president or board of directors assigns.

4.10 Vice Presidents

The vice president, if one is appointed, or, if there is more than one, the vice presidents, shall assist the president as he directs in the management of the Corporation's business and the implementation of resolutions and orders of the board of directors. If there is more than one vice president, the board of directors may give them titles that are descriptive of their respective functions or indicative of their relative seniority. In the event of the absence or inability to act of the president, the vice president, or if there is more than one, the vice presidents in the order of their seniority as indicated by their titles or as otherwise determined by the board of directors, shall perform the duties of president. The vice president or vice presidents shall also have such other powers and duties as the president or board of directors assigns.

4.11 Secretary

The secretary shall have the powers and duties usually vested in the office of secretary of a corporation, including custody of the Corporation's corporate records and responsibility for sending all notices to stockholders and directors required by law or by these Bylaws and recording all proceedings of meetings of the stockholders and the directors. The secretary shall have authority to certify copies of these Bylaws, resolutions of the stockholders and directors and other documents of the Corporation as true and correct and shall also have such other powers and duties as the president or board of directors assigns.

4.12 Assistant Officers

The assistant treasurer and the assistant secretary (or if more than one is appointed, the assistant treasurers and assistant secretaries in the order determined by the board of directors) shall perform the duties of the treasurer or secretary, as the case may be, in the event of his absence or inability to act. Each assistant treasurer or assistant secretary shall also have such powers and duties as the president or board of directors assigns.

4.13 Salaries

Officers of the Corporation shall be entitled to such salaries, compensation or reimbursement as the board of directors determines. No officer shall be prevented from receiving a salary by reason of the fact that he is also a director.

Article 5 Indemnification

5.1 Third Party Suits

The Corporation shall indemnify each person who was or is made a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the Corporation (a "proceeding") by reason of the fact that he, or the person of whom he is the legal representative, is or was a director or officer of the Corporation or, while a director or officer, is or was serving at the Corporation's request as a director, officer, trustee, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, against all expenses (including attorneys' fees), judgments, fines, ERISA excise taxes or penalties, and amounts paid in settlement that he reasonably incurs in connection with the proceeding, to the fullest extent authorized by the DGCL, as it now exists and as it may be amended (but in the case of any amendment, only to the extent that the amendment authorizes the Corporation to provide broader indemnification rights than were permitted prior to the amendment).

5.2 Derivative Suits

The Corporation shall indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) that he reasonably incurs in connection with the defense or settlement of such action or suit to the fullest extent authorized by the DGCL, as it now exists and as it may be amended (but in the case of any amendment, only to the extent that the amendment authorizes the Corporation to provide broader indemnification rights than were permitted prior to the amendment).

5.3 Suits Initiated by Director or Officer

Notwithstanding Sections 5.2 and 5.3, and except with respect to proceedings seeking to enforce rights to indemnification, the Corporation shall indemnify any director or officer seeking indemnity in connection with a proceeding initiated by such director or officer only if such proceeding was authorized or approved by the board of directors.

5.4 Survival of Indemnification

The right to indemnification shall continue as to a person who has ceased to be a director or officer of the Corporation and shall inure to the benefit of his heirs and legal representatives.

5.5 Expenses Payable in Advance

The right to indemnification shall include the right to be paid by the Corporation the expenses incurred in defending any proceeding in advance of its final disposition. Payment of such expenses shall be made, however, only upon delivery of an undertaking by the director or officer to repay all amounts advanced if it is ultimately determined that he is not entitled to indemnification under this Article (or otherwise).

5.6 Non-Exclusivity of Indemnification

The right to indemnification under this Article shall not be exclusive of any other rights that a director or officer may have by law, under the corporation's certificate of incorporation, these Bylaws or any contract or by vote of the stockholders or disinterested directors or otherwise.

5.7 Indemnification of Employees and Agents

The Corporation, by action of its board of directors, may provide indemnification to its employees and agents with the same scope and effect as the indemnification provided to its directors and officers in this Article.

5.8 Insurance

The Corporation may purchase and maintain insurance on its own behalf and on behalf of any person who is or was a director, officer, employee or agent of the Corporation or is or was serving at the Corporation's request as a director, officer, trustee, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, whether or not the Corporation would have the power to indemnify such person against such liability under this Article 5 or the General Corporation Law of the State of Delaware.

Article 6 Stock

6.1 Stock Certificates

The shares of the Corporation shall be represented by certificates. The board of directors may provide by resolution that some or all of the Corporation's stock shall be uncertificated shares, but any such resolution shall not apply to any shares represented by a certificate until the certificate is surrendered to the Corporation. In any case, every holder of stock represented by certificates, and upon request every holder of uncertificated shares, shall be entitled to a certificate representing the number of shares registered in his name. Each certificate shall be signed by or in the name of the Corporation by the chairman of the board or the president or a vice president and by the secretary or an assistant secretary. Any or all of the signatures on the certificate may be a facsimile. If any officer, transfer agent or registrar who has signed a certificate, or whose facsimile signature has been placed upon a certificate, ceases to serve before the certificate is issued, the certificate may be issued with the same effect as if the officer, transfer agent or registrar were still serving at the time of issuance. All certificates shall be in the form prescribed by the board of directors, and shall be consecutively numbered or otherwise identified. The name and post office address of the person to whom the shares represented by the certificate are issued, with the number of shares and date of issuance, shall be entered on the Corporation's stock transfer books.

6.2 Endorsements

Each certificate for shares of stock which are subject to any restriction on transfer pursuant to the Corporation's certificate of incorporation, these Bylaws, applicable securities laws or an agreement between the Corporation and any number of stockholders shall have conspicuously noted on the face or back of the certificate either the full text of the restriction or a statement that the shares of stock represented by the certificate are subject to the restriction.

6.3 Transfers

Shares of stock of the Corporation may be transferred on the books of the Corporation by the surrender to the Corporation or its transfer agent of the certificate representing such shares properly endorsed or accompanied by a written assignment or power of attorney properly executed, with such proof of authority or authenticity of signature as may be required by rules and regulations adopted by the board of directors. Whenever any transfer of shares is made for collateral security and not absolutely, it shall be so expressed in the entry in the Corporation's stock transfer books if, when the certificate is presented for transfer, both the transferor and the transferee request the Corporation to do so.

6.4 Lost Certificates

The Corporation may issue a new certificate of stock in place of any certificate previously issued which is alleged to have been lost, stolen or destroyed on such terms and conditions as the board of directors may prescribe, including presentation of reasonable evidence of such loss, theft or destruction and such bond or other indemnity as the board of directors requires for the protection of the Corporation and its transfer agent.

6.5 Stockholders of Record

Except as may be otherwise required by law, the Corporation shall be entitled to treat the holder of record of any shares of its stock as shown on its stock transfer records as the owner of those shares for all purposes, including the payment of dividends and the right to vote, until the shares have been transferred on the Corporation's stock transfer records in accordance with these Bylaws, regardless of any intervening transfer, pledge or other disposition of the shares.

6.6 Record Date

The board of directors may fix a date in advance as the record date for purposes of determining the stockholders entitled to notice of or to vote at any meeting of stockholders, to consent to corporate action without a meeting, to receive payment of any dividend or other distribution, to exercise any rights in respect of any change, conversion or exchange of stock, or for purposes of any other lawful action. The record date may be fixed within these limits:

(i) the record date for determining the stockholders entitled to notice of and to vote at any meeting of stockholders shall not be less than 10 or more than 60 days prior to the date of the meeting;

(ii) the record date for determining the stockholders entitled to consent to corporate action without a meeting shall not be earlier than the date of the resolution fixing the record date or more than 10 days after such date; and

(iii) the record date for determining the stockholders for any other purpose shall not be earlier than the date of the resolution fixing the record date or more than 60 days prior to the action for which the determination is being made.

If the board of directors does not fix a record date:

(i) the record date for determining the stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day before the date on which notice is given;

(ii) the record date for determining stockholders entitled to consent to corporate action without a meeting shall be the first date on which a signed consent setting forth the action taken or proposed to be taken is delivered to the Corporation; and

(iii) the record date for determining the stockholders for any other purpose shall be the close of business on the day that the board of directors adopts the resolution authorizing the action with respect to which the determination is being made.

Attendance of a person at any meeting shall constitute a waiver of notice of the meeting, unless the person attends for the express purpose of objecting, at the beginning of the meeting, to transacting any business the meeting because the meeting was not lawfully called or convened.

7.8 Evidence of Authority

No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association or other organization in which one or more of its directors or officers are directors or officers or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the board of directors or committee which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose, if:

- (a) the material facts as to his relationship or interest and as to the contract or transaction are disclosed or are known to the board of directors or the committee, and the Board or committee in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested directors, even though the disinterested directors are less than a quorum;

Interested directors may be counted in determining the presence of a quorum at a meeting of the board of directors or of a committee of directors which authorizes the contract or transaction.

7.11 Electronic Transmission

For purposes of these Bylaws, “electronic transmission” means any form of communication, not directly involving the physical transmission of paper, that creates a record that may be retained, retrieved, and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through an automated process.

INDEMNIFICATION AGREEMENT

THIS INDEMNIFICATION AGREEMENT (the “**Agreement**”) is made and entered into as of [_____], 20[] between The Joint Corp., a Delaware corporation (the “**Company**”), and [name] (“**Indemnitee**”).

WHEREAS, highly competent persons have become more reluctant to serve corporations as [directors] [officers] or in other capacities unless they are provided with adequate protection through insurance or adequate indemnification against inordinate risks of claims and actions against them arising out of their service to and activities on behalf of the corporation;

WHEREAS, the Board of Directors of the Company (the “**Board**”) has determined that, in order to attract and retain qualified individuals, the Company will attempt to maintain on an ongoing basis, at its sole expense, liability insurance to protect persons serving the Company and its subsidiaries from certain liabilities. Although the furnishing of such insurance has been a customary and widespread practice among United States-based corporations and other business enterprises, the Company believes that, given current market conditions and trends, such insurance may be available to it in the future only at higher premiums and with more exclusions. At the same time, directors, officers, and other persons in service to corporations or business enterprises are being increasingly subjected to expensive and time-consuming litigation relating to, among other things, matters that traditionally would have been brought only against the Company or business enterprise itself. The Bylaws and Certificate of Incorporation of the Company permit or require indemnification of the officers and directors of the Company. Indemnitee may also be entitled to indemnification pursuant to the General Corporation Law of the State of Delaware (“**DGCL**”). The DGCL expressly provides that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts may be entered into between the Company and members of the Board, officers and other persons with respect to indemnification;

WHEREAS, the uncertainties relating to such insurance and to indemnification have increased the difficulty of attracting and retaining such persons;

WHEREAS, the Board has determined that the increased difficulty in attracting and retaining such persons is detrimental to the best interests of the Company's stockholders and that the Company should act to assure such persons that there will be increased certainty of such protection in the future;

WHEREAS, it is reasonable, prudent and necessary for the Company contractually to obligate itself to indemnify, and to advance expenses on behalf of, such persons to the fullest extent permitted by applicable law so that they will serve or continue to serve the Company free from undue concern that they will not be so indemnified;

WHEREAS, this Agreement is a supplement to and in furtherance of the Bylaws and Certificate of Incorporation of the Company and any resolutions adopted pursuant thereto, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of Indemnitee thereunder; and

Last updated August 2013

WHEREAS, Indemnitee does not regard the protection available under the Company's Bylaws and Certificate of Incorporation and insurance as adequate in the present circumstances, and may not be willing to serve as an officer or director without adequate protection, and the Company desires Indemnitee to serve in such capacity. Indemnitee is willing to serve, continue to serve and to take on additional service for or on behalf of the Company on the condition that he be so indemnified; and

NOW, THEREFORE, in consideration of Indemnitee's agreement to serve as an [officer] [director] from and after the date hereof, the parties hereto agree as follows:

1 . Indemnity of Indemnitee. The Company hereby agrees to hold harmless and indemnify Indemnitee to the fullest extent permitted by law, as such may be amended from time to time. In furtherance of the foregoing indemnification, and without limiting the generality thereof.

(a) Proceedings Other Than Proceedings by or in the Right of the Company. Indemnitee shall be entitled to the rights of indemnification provided in this Section 1(a) if, by reason of his Corporate Status (as hereinafter defined), the Indemnitee is, or is threatened to be made, a party to or participant in any Proceeding (as hereinafter defined) other than a Proceeding by or in the right of the Company. Pursuant to this Section 1(a), Indemnitee shall be indemnified against all Expenses (as hereinafter defined), judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him, or on his behalf, in connection with such Proceeding or any claim, issue or matter therein, if the Indemnitee acted in good faith and in a manner the Indemnitee reasonably believed to be in or not opposed to the best interests of the Company, and with respect to any criminal Proceeding, had no reasonable cause to believe the Indemnitee's conduct was unlawful.

(b) Proceedings by or in the Right of the Company. Indemnitee shall be entitled to the rights of indemnification provided in this Section 1(b) if, by reason of his Corporate Status, the Indemnitee is, or is threatened to be made, a party to or participant in any Proceeding brought by or in the right of the Company. Pursuant to this Section 1(b), Indemnitee shall be indemnified against all Expenses actually and reasonably incurred by the Indemnitee, or on the Indemnitee's behalf, in connection with such Proceeding if the Indemnitee acted in good faith and in a manner the Indemnitee reasonably believed to be in or not opposed to the best interests of the Company; provided, however, if applicable law so provides, no indemnification against such Expenses shall be made in respect of any claim, issue or matter in such Proceeding as to which Indemnitee shall have been adjudged to be liable to the Company unless and to the extent that the Court of Chancery of the State of Delaware shall determine that such indemnification may be made.

(c) Indemnification for Expenses of a Party Who is Wholly or Partly Successful. Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of his Corporate Status, a party to and is successful, on the merits or otherwise, in any Proceeding, he shall be indemnified to the maximum extent permitted by law, as such may be amended from time to time, against all Expenses actually and reasonably incurred by him or on his behalf in connection therewith. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall indemnify Indemnitee against all Expenses actually and reasonably incurred by him or on his behalf in connection with each successfully resolved claim, issue or matter. For purposes of this Section and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter.

2 . Additional Indemnity. In addition to, and without regard to any limitations on, the indemnification provided for in Section 1 of this Agreement, the Company shall and hereby does indemnify and hold harmless Indemnitee against all Expenses, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or on his behalf if, by reason of his Corporate Status, he is, or is threatened to be made, a party to or participant in any Proceeding (including a Proceeding by or in the right of the Company), including, without limitation, all liability arising out of the negligence or active or passive wrongdoing of Indemnitee. The only limitation that shall exist upon the Company's obligations pursuant to this Agreement shall be that the Company shall not be obligated to make any payment to Indemnitee that is finally determined (under the procedures, and subject to the presumptions, set forth in Sections 6 and 7 hereof) to be unlawful.

3. Contribution.

(a) Whether or not the indemnification provided in Sections 1 and 2 hereof is available, in respect of any threatened, pending or completed action, suit or proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), the Company shall pay, in the first instance, the entire amount of any judgment or settlement of such action, suit or proceeding without requiring Indemnitee to contribute to such payment and the Company hereby waives and relinquishes any right of contribution it may have against Indemnitee. The Company shall not enter into any settlement of any action, suit or proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding) unless such settlement provides for a full and final release of all claims asserted against Indemnitee.

(b) Without diminishing or impairing the obligations of the Company set forth in the preceding subparagraph, if, for any reason, Indemnitee shall elect or be required to pay all or any portion of any judgment or settlement in any threatened, pending or completed action, suit or proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), the Company shall contribute to the amount of Expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Indemnitee in proportion to the relative benefits received by the Company and all officers, directors or employees of the Company, other than Indemnitee, who are jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), on the one hand, and Indemnitee, on the other hand, from the transaction or events from which such action, suit or proceeding arose; provided, however, that the proportion determined on the basis of relative benefit may, to the extent necessary to conform to law, be further adjusted by reference to the relative fault of the Company and all officers, directors or employees of the Company other than Indemnitee who are jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), on the one hand, and Indemnitee, on the other hand, in connection with the transaction or events that resulted in such expenses, judgments, fines or settlement amounts, as well as any other equitable considerations which applicable law may require to be considered. The relative fault of the Company and all officers, directors or employees of the Company, other than Indemnitee, who are jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), on the one hand, and Indemnitee, on the other hand, shall be determined by reference to, among other things, the degree to which their actions were motivated by intent to gain personal profit or advantage, the degree to which their liability is primary or secondary and the degree to which their conduct is active or passive.

(c) The Company hereby agrees to fully indemnify and hold Indemnitee harmless from any claims of contribution which may be brought by officers, directors, or employees of the Company, other than Indemnitee, who may be jointly liable with Indemnitee.

(d) To the fullest extent permissible under applicable law, if the indemnification provided for in this Agreement is unavailable to Indemnitee for any reason whatsoever, the Company, in lieu of indemnifying Indemnitee, shall contribute to the amount incurred by Indemnitee, whether for judgments, fines, penalties, excise taxes, amounts paid or to be paid in settlement and/or for Expenses, in connection with any claim relating to an indemnifiable event under this Agreement, in such proportion as is deemed fair and reasonable in light of all of the circumstances of such Proceeding in order to reflect (i) the relative benefits received by the Company and Indemnitee as a result of the event(s) and/or transaction(s) giving cause to such Proceeding and/or (ii) the relative fault of the Company (and its directors, officers, employees and agents) and Indemnitee in connection with such event(s) and/or transaction(s).

4 . Indemnification for Expenses of a Witness. Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of his Corporate Status, a witness, or is made (or asked) to respond to discovery requests, in any Proceeding to which Indemnitee is not a party, he shall be indemnified against all Expenses actually and reasonably incurred by him or on his behalf in connection therewith.

5 . Advancement of Expenses. Notwithstanding any other provision of this Agreement, the Company shall advance all Expenses incurred by or on behalf of Indemnitee in connection with any Proceeding by reason of Indemnitee's Corporate Status within thirty (30) days after the receipt by the Company of a statement or statements from Indemnitee requesting such advance or advances from time to time, whether prior to or after final disposition of such Proceeding. Such statement or statements shall reasonably evidence the Expenses incurred by Indemnitee and shall include or be preceded or accompanied by a written undertaking by or on behalf of Indemnitee to repay any Expenses advanced if it shall ultimately be determined that Indemnitee is not entitled to be indemnified against such Expenses. Any advances and undertakings to repay pursuant to this Section 5 shall be unsecured and interest free.

6 . Procedures and Presumptions for Determination of Entitlement to Indemnification. It is the intent of this Agreement to secure for Indemnitee rights of indemnity that are as favorable as may be permitted under the DGCL and public policy of the State of Delaware. Accordingly, the parties agree that the following procedures and presumptions shall apply in the event of any question as to whether Indemnitee is entitled to indemnification under this Agreement:

(a) To obtain indemnification under this Agreement, Indemnitee shall submit to the Company a written request, including therein or therewith such documentation and information as is reasonably available to Indemnitee and is reasonably necessary to determine whether and to what extent Indemnitee is entitled to indemnification. The Secretary of the Company shall, promptly upon receipt of such a request for indemnification, advise the Board in writing that Indemnitee has requested indemnification. Notwithstanding the foregoing, any failure of Indemnitee to provide such a request to the Company, or to provide such a request in a timely fashion, shall not relieve the Company of any liability that it may have to Indemnitee unless, and to the extent that, such failure actually and materially prejudices the interests of the Company.

(b) Upon written request by Indemnitee for indemnification pursuant to the first sentence of Section 6(a) hereof, a determination with respect to Indemnitee's entitlement thereto shall be made in the specific case by one of the following four methods, which shall be at the election of the Board (1) by a majority vote of the disinterested directors, even though less than a quorum, (2) by a committee of disinterested directors designated by a majority vote of the disinterested directors, even though less than a quorum, (3) if there are no disinterested directors or if the disinterested directors so direct, by independent legal counsel in a written opinion to the Board, a copy of which shall be delivered to the Indemnitee, or (4) if so directed by the Board, by the stockholders of the Company. For purposes hereof, disinterested directors are those members of the Board who are not parties to the action, suit or proceeding in respect of which indemnification is sought by Indemnitee.

(c) If the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 6(b) hereof, the Independent Counsel shall be selected as provided in this Section 6(c). The Independent Counsel shall be selected by the Board. Indemnitee may, within ten (10) days after such written notice of selection shall have been given, deliver to the Company a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "**Independent Counsel**" as defined in Section 13 of this Agreement, and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If a written objection is made and substantiated, the Independent Counsel selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court has determined that such objection is without merit. If, within twenty (20) days after submission by Indemnitee of a written request for indemnification pursuant to Section 6(a) hereof, no Independent Counsel shall have been selected and not objected to, either the Company or Indemnitee may petition the Court of Chancery of the State of Delaware or other court of competent jurisdiction for resolution of any objection which shall have been made by the Indemnitee to the Company's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the court or by such other person as the court shall designate, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 6(b) hereof. The Company shall pay any and all reasonable fees and expenses of Independent Counsel incurred by such Independent Counsel in connection with acting pursuant to Section 6(b) hereof, and the Company shall pay all reasonable fees and expenses incident to the procedures of this Section 6(c), regardless of the manner in which such Independent Counsel was selected or appointed.

(d) In making a determination with respect to entitlement to indemnification hereunder, the person or persons or entity making such determination shall presume that Indemnitee is entitled to indemnification under this Agreement. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence. Neither the failure of the Company (including by its directors or independent legal counsel) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its directors or independent legal counsel) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

(e) Indemnitee shall be deemed to have acted in good faith if Indemnitee's action is based on the records or books of account of the Enterprise (as hereinafter defined), including financial statements, or on information supplied to Indemnitee by the officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise or on information or records given or reports made to the Enterprise by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Enterprise. In addition, the knowledge and/or actions, or failure to act, of any director, officer, agent or employee of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement. Whether or not the foregoing provisions of this Section 6(e) are satisfied, it shall in any event be presumed that Indemnitee has at all times acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

(f) If the person, persons or entity empowered or selected under Section 6 to determine whether Indemnitee is entitled to indemnification shall not have made a determination within sixty (60) days after receipt by the Company of the request therefor, the requisite determination of entitlement to indemnification shall be deemed to have been made and Indemnitee shall be entitled to such indemnification absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law; provided, however, that such sixty (60) day period may be extended for a reasonable time, not to exceed an additional thirty (30) days, if the person, persons or entity making such determination with respect to entitlement to indemnification in good faith requires such additional time to obtain or evaluate documentation and/or information relating thereto; and provided further, that the foregoing provisions of this Section 6(f) shall not apply if the determination of entitlement to indemnification is to be made by the stockholders pursuant to Section 6(b) of this Agreement and if (A) within fifteen (15) days after receipt by the Company of the request for such determination, the Board or the Disinterested Directors, if appropriate, resolve to submit such determination to the stockholders for their consideration at an annual meeting thereof to be held within seventy five (75) days after such receipt and such determination is made thereat, or (B) a special meeting of stockholders is called within fifteen (15) days after such receipt for the purpose of making such determination, such meeting is held for such purpose within sixty (60) days after having been so called and such determination is made thereat.

(g) Indemnitee shall cooperate with the person, persons or entity making such determination with respect to Indemnitee's entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination. Any Independent Counsel, member of the Board or stockholder of the Company shall act reasonably and in good faith in making a determination regarding the Indemnitee's entitlement to indemnification under this Agreement. Any costs or expenses (including attorneys' fees and disbursements) incurred by Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Company (irrespective of the determination as to Indemnitee's entitlement to indemnification) and the Company hereby indemnifies and agrees to hold Indemnitee harmless therefrom.

(h) The Company acknowledges that a settlement or other disposition short of final judgment may be successful if it permits a party to avoid expense, delay, distraction, disruption and uncertainty. In the event that any action, claim or proceeding to which Indemnitee is a party is resolved in any manner other than by adverse judgment against Indemnitee (including, without limitation, settlement of such action, claim or proceeding with or without payment of money or other consideration) it shall be presumed that Indemnitee has been successful on the merits or otherwise in such action, suit or proceeding. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

(i) The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that his conduct was unlawful.

7. Remedies of Indemnitee.

(a) In the event that (i) a determination is made pursuant to Section 6 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses is not timely made pursuant to Section 5 of this Agreement, (iii) no determination of entitlement to indemnification is made pursuant to Section 6(b) of this Agreement within ninety (90) days after receipt by the Company of the request for indemnification, (iv) payment of indemnification is not made pursuant to this Agreement within ten (10) days after receipt by the Company of a written request therefor, or (v) payment of indemnification is not made within ten (10) days after a determination has been made that Indemnitee is entitled to indemnification or such determination is deemed to have been made pursuant to Section 6 of this Agreement, Indemnitee shall be entitled to an adjudication in an appropriate court of the State of Delaware, or in any other court of competent jurisdiction, of Indemnitee's entitlement to such indemnification. Indemnitee shall commence such proceeding seeking an adjudication within one hundred eighty (180) days following the date on which Indemnitee first has the right to commence such proceeding pursuant to this Section 7(a). The Company shall not oppose Indemnitee's right to seek any such adjudication.

(b) In the event that a determination shall have been made pursuant to Section 6(b) of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding commenced pursuant to this Section 7 shall be conducted in all respects as a de novo trial on the merits, and Indemnitee shall not be prejudiced by reason of the adverse determination under Section 6(b).

(c) If a determination shall have been made pursuant to Section 6(b) of this Agreement that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding commenced pursuant to this Section 7, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's misstatement not materially misleading in connection with the application for indemnification, or (ii) a prohibition of such indemnification under applicable law.

(d) In the event that Indemnitee, pursuant to this Section 7, seeks a judicial adjudication of his rights under, or to recover damages for breach of, this Agreement, or to recover under any directors' and officers' liability insurance policies maintained by the Company, the Company shall pay on his behalf, in advance, any and all expenses (of the types described in the definition of Expenses in Section 13 of this Agreement) actually and reasonably incurred by him in such judicial adjudication, regardless of whether Indemnitee ultimately is determined to be entitled to such indemnification, advancement of expenses or insurance recovery.

(e) The Company shall be precluded from asserting in any judicial proceeding commenced pursuant to this Section 7 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court that the Company is bound by all the provisions of this Agreement. The Company shall indemnify Indemnitee against any and all Expenses and, if requested by Indemnitee, shall (within ten (10) days after receipt by the Company of a written request therefore) advance, to the extent not prohibited by law, such expenses to Indemnitee, which are incurred by Indemnitee in connection with any action brought by Indemnitee for indemnification or advance of Expenses from the Company under this Agreement or under any directors' and officers' liability insurance policies maintained by the Company, regardless of whether Indemnitee ultimately is determined to be entitled to such indemnification, advancement of Expenses or insurance recovery, as the case may be.

(f) Notwithstanding anything in this Agreement to the contrary, no determination as to entitlement to indemnification under this Agreement shall be required to be made prior to the final disposition of the Proceeding.

8. Non-Exclusivity; Survival of Rights; Insurance; Primacy of Indemnification; Subrogation.

(a) The rights of indemnification as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Certificate of Incorporation, the By-laws, any agreement, a vote of stockholders, a resolution of directors of the Company, or otherwise. No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any action taken or omitted by such Indemnitee in his Corporate Status prior to such amendment, alteration or repeal. To the extent that a change in the DGCL, whether by statute or judicial decision, permits greater indemnification than would be afforded currently under the Certificate of Incorporation, By-laws and this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

(b) To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, officers, employees, or agents or fiduciaries of the Company or of any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise that such person serves at the request of the Company, Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any director, officer, employee, agent or fiduciary under such policy or policies. If, at the time of the receipt of a notice of a claim pursuant to the terms hereof, the Company has directors' and officers' liability insurance in effect, the Company shall give prompt notice of the commencement of such proceeding to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of the Indemnitee, all amounts payable as a result of such proceeding in accordance with the terms of such policies.

(c) In the event of any payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee (other than against the Fund Indemnitors), who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

(d) The Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder if and to the extent that Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise.

(e) Except as provided in paragraph (c) above, the Company's obligation to indemnify or advance Expenses hereunder to Indemnitee who is or was serving at the request of the Company as a director, officer, employee or agent of any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise shall be reduced by any amount Indemnitee has actually received as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise.

9 . Exception to Right of Indemnification. Notwithstanding any provision in this Agreement, the Company shall not be obligated under this Agreement to make any indemnity in connection with any claim made against Indemnitee:

(a) for which payment has actually been made to or on behalf of Indemnitee under any insurance policy or other indemnity provision, except with respect to any excess beyond the amount paid under any insurance policy or other indemnity provision; or

(b) for an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 16(b) of the Securities Exchange Act of 1934, as amended, or similar provisions of state statutory law or common law; or

(c) in connection with any Proceeding (or any part of any Proceeding) initiated by Indemnitee, including any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Company or its directors, officers, employees or other indemnitees, unless (i) the Board authorized the Proceeding (or any part of any Proceeding) prior to its initiation, or (ii) the Company provides the indemnification, in its sole discretion, pursuant to the powers vested in the Company under applicable law.

10. Duration of Agreement. All agreements and obligations of the Company contained herein shall continue during the period Indemnitee is an officer or director of the Company (or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise) and shall continue thereafter so long as Indemnitee shall be subject to any Proceeding (or any proceeding commenced under Section 7 hereof) by reason of his Corporate Status, whether or not he is acting or serving in any such capacity at the time any liability or expense is incurred for which indemnification can be provided under this Agreement. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors (including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business or assets of the Company), assigns, spouses, heirs, executors and personal and legal representatives.

11. Security. To the extent requested by Indemnitee and approved by the Board, the Company may at any time and from time to time provide security to Indemnitee for the Company's obligations hereunder through an irrevocable bank line of credit, funded trust or other collateral. Any such security, once provided to Indemnitee, may not be revoked or released without the prior written consent of the Indemnitee.

12. Enforcement.

(a) The Company expressly confirms and agrees that it has entered into this Agreement and assumes the obligations imposed on it hereby in order to induce Indemnitee to serve as an officer or director of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving as an officer or director of the Company.

(b) This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof.

(c) The Company shall not seek from a court, or agree to, a "bar order" which would have the effect of prohibiting or limiting the Indemnitee's rights to receive advancement of expenses under this Agreement.

13. Definitions. For purposes of this Agreement:

(a) "**Corporate Status**" describes the status of a person who is or was a director, officer, employee, agent or fiduciary of the Company or of any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise that such person is or was serving at the express written request of the Company.

(b) **“Disinterested Director”** means a director of the Company who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

(c) **“Enterprise”** shall mean the Company and any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise that Indemnitee is or was serving at the express written request of the Company as a director, officer, employee, agent or fiduciary.

(d) **“Expenses”** shall include all reasonable attorneys’ fees, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating, participating, or being or preparing to be a witness in a Proceeding, or responding to, or objecting to, a request to provide discovery in any Proceeding. Expenses also shall include Expenses incurred in connection with any appeal resulting from any Proceeding and any federal, state, local or foreign taxes imposed on the Indemnitee as a result of the actual or deemed receipt of any payments under this Agreement, including without limitation the premium, security for, and other costs relating to any cost bond, supersede as bond, or other appeal bond or its equivalent. Expenses, however, shall not include amounts paid in settlement by Indemnitee or the amount of judgments or fines against Indemnitee.

(e) **“Independent Counsel”** means a law firm, or a member of a law firm, that is experienced in matters of corporation law and neither presently is, nor in the past five years has been, retained to represent (i) the Company or Indemnitee in any matter material to either such party (other than with respect to matters concerning Indemnitee under this Agreement, or of other indemnitees under similar indemnification agreements), or (ii) any other party to the Proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term “Independent Counsel” shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee’s rights under this Agreement. The Company agrees to pay the reasonable fees of the Independent Counsel referred to above and to fully indemnify such counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto.

(f) **“Proceeding”** includes any threatened, pending or completed action, suit, arbitration, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding, whether brought by or in the right of the Company or otherwise and whether civil, criminal, administrative or investigative, in which Indemnitee was, is or will be involved as a party or otherwise, by reason of his or her Corporate Status, by reason of any action taken by him or of any inaction on his part while acting in his or her Corporate Status; in each case whether or not he is acting or serving in any such capacity at the time any liability or expense is incurred for which indemnification can be provided under this Agreement; including one pending on or before the date of this Agreement, but excluding one initiated by an Indemnitee pursuant to Section 7 of this Agreement to enforce his rights under this Agreement.

1 4 . Severability. The invalidity or unenforceability of any provision hereof shall in no way affect the validity or enforceability of any other provision. Without limiting the generality of the foregoing, this Agreement is intended to confer upon Indemnitee indemnification rights to the fullest extent permitted by applicable laws. In the event any provision hereof conflicts with any applicable law, such provision shall be deemed modified, consistent with the aforementioned intent, to the extent necessary to resolve such conflict.

1 5 . Modification and Waiver. No supplement, modification, termination or amendment of this Agreement shall be binding unless executed in writing by both of the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions hereof (whether or not similar) nor shall such waiver constitute a continuing waiver.

1 6 . Notice By Indemnitee. Indemnitee agrees promptly to notify the Company in writing upon being served with or otherwise receiving any summons, citation, subpoena, complaint, indictment, information or other document relating to any Proceeding or matter which may be subject to indemnification covered hereunder. The failure to so notify the Company shall not relieve the Company of any obligation which it may have to Indemnitee under this Agreement or otherwise unless and only to the extent that such failure or delay materially prejudices the Company.

17. Notices. All notices and other communications given or made pursuant to this Agreement shall be in writing and shall be deemed effectively given (a) upon personal delivery to the party to be notified, (b) when sent by confirmed electronic mail or facsimile if sent during normal business hours of the recipient, and if not so confirmed, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent:

or to such other address as may have been furnished to Indemnitee by the Company or to the Company by Indemnitee, as the case may be.

1 8 . Counterparts. This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same the same instrument. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal E-SIGN Act of 2000, *e.g.*, www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

19. Headings. The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

20. Governing Law and Consent to Jurisdiction. This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules. The Company and Indemnitee hereby irrevocably and unconditionally (i) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in the Chancery Court of the State of Delaware (the “**Delaware Court**”), and not in any other state or federal court in the United States of America or any court in any other country, (ii) consent to submit to the exclusive jurisdiction of the Delaware Court for purposes of any action or proceeding arising out of or in connection with this Agreement, (iii) appoint, to the extent such party is not otherwise subject to service of process in the State of Delaware, irrevocably **[name]** **[address]** as its agent in the State of Delaware as such party's agent for acceptance of legal process in connection with any such action or proceeding against such party with the same legal force and validity as if served upon such party personally within the State of Delaware, (iv) waive any objection to the laying of venue of any such action or proceeding in the Delaware Court, and (v) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Delaware Court has been brought in an improper or inconvenient forum.

If the exercise price of an Option is paid by tender to the Company, or attestation to the ownership, of Shares owned by the Participant, the number of Shares available for issuance under the Plan will be reduced by the gross number of Shares for which the Option is exercised.

(b) Lapsed Awards. If an Award expires or becomes unexercisable without having been exercised in full, or is surrendered pursuant to an Exchange Program, the unpurchased Shares which were subject thereto will become available for future grant or sale under the Plan (unless the Plan has terminated); provided, however, that Shares that have actually been issued under the Plan, whether upon exercise of an Award, will not be returned to the Plan and will not become available for future distribution under the Plan, except that if unvested Shares are forfeited or repurchased by the Company, such Shares will become available for future grant under the Plan.

(c) Share Reserve. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as will be sufficient to satisfy the requirements of the Plan.

4. Administration of the Plan.

(a) Procedure.

i. Multiple Administrative Bodies. Different Committees with respect to different groups of Service Providers may administer the Plan.

ii. Section 162(m). To the extent that the Administrator determines it to be desirable to qualify Options granted hereunder as “performance-based compensation” within the meaning of Section 162(m) of the Code, the Plan will be administered by a Committee of two or more “outside directors” within the meaning of Section 162(m) of the Code.

iii. Rule 16b-3. To the extent desirable to qualify transactions hereunder as exempt under Rule 16b-3, the transactions contemplated hereunder will be structured to satisfy the requirements for exemption under Rule 16b-3.

iv. Other Administration. Other than as provided above, the Plan will be administered by (A) the Board or (B) a Committee, which committee will be constituted to satisfy Applicable Laws.

(b) Powers of the Administrator. Subject to the provisions of the Plan, and in the case of a Committee, subject to the specific duties delegated by the Board to such Committee, the Administrator will have the authority, in its discretion:

- i. to determine the Fair Market Value;
- ii. to select the Service Providers to whom Awards may be granted hereunder;
- iii. to determine the number of Shares to be covered by each Award granted hereunder;
- iv. to approve forms of agreement for use under the Plan;
- v. to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Administrator will determine;
- vi. to institute an Exchange Program;
- vii. to construe and interpret the terms of the Plan and Awards granted pursuant to the Plan;
- viii. to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws;
- ix. to modify or amend each Award (subject to Section 18(c) of the Plan), including the discretionary authority to extend the post-termination exercisability period of Awards longer than is otherwise provided for in the Plan;
- x. to allow Participants to satisfy withholding tax obligations in such manner as prescribed in Section 14;
- xi. to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;
- xii. to allow a Participant to defer the receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant under an Award; and
- xiii. to make all other determinations deemed necessary or advisable for administering the Plan.

(c) Effect of Administrator's Decision. The Administrator's decisions, determinations and interpretations will be final and binding on all Participants and any other holders of Awards.

5. Eligibility. Nonstatutory Stock Options, Restricted Stock, Stock Appreciation Rights, Performance Units and Performance Shares may be granted to Service Providers. Incentive Stock Options may be granted only to Employees.

6. Stock Options.

(a) Limitations.

i. Each Option will be designated in the Award Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000, such Options will be treated as Nonstatutory Stock Options. For purposes of this Section 6(a), Incentive Stock Options will be taken into account in the order in which they were granted. The Fair Market Value of the Shares will be determined as of the time the Option with respect to such Shares is granted.

ii. The following limitations will apply to grants of Options and Stock Appreciation Rights:

1. No Service Provider will be granted in any Fiscal Year Options and/or Stock Appreciation Rights to purchase more than 100,000 Shares.

2. The foregoing limitation will be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 13.

3. If an Option and/or Stock Appreciation Right, as applicable, is cancelled in the same Fiscal Year in which it was granted (other than in connection with a transaction described in Section 13), the cancelled Option and/or Stock Appreciation Right, as applicable, will be counted against the limit set forth in subsection (1). For this purpose, if the exercise price of an Option and/or Stock Appreciation Right, as applicable, is reduced, the transaction will be treated as a cancellation of the Option and/or Stock Appreciation Right and the grant of a new Option and/or Stock Appreciation Right, as applicable.

(b) Term of Option. The term of each Option will be stated in the Award Agreement. In the case of an Incentive Stock Option, the term will be ten (10) years from the date of grant or such shorter term as may be provided in the Award Agreement. Moreover, in the case of an Incentive Stock Option granted to a Participant who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option will be five (5) years from the date of grant or such shorter term as may be provided in the Award Agreement.

(c) Option Exercise Price and Consideration.

i. Exercise Price. The per share exercise price for the Shares to be issued pursuant to exercise of an Option will be determined by the Administrator, subject to the following:

1. In the case of an Incentive Stock Option

a. granted to an Employee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price will be no less than 110% of the Fair Market Value per Share on the date of grant.

b. granted to any Employee other than an Employee described in paragraph (A) immediately above, the per Share exercise price will be no less than 100% of the Fair Market Value per Share on the date of grant.

Notwithstanding the foregoing, Incentive Stock Options may be granted with a per Share exercise price of less than 100% of the Fair Market Value per Share on the date of grant pursuant to a transaction described in, and in a manner consistent with, Section 424(a) of the Code.

2. In the case of a Nonstatutory Stock Option, the per Share exercise price will be determined by the Administrator. In the case of a Nonstatutory Stock Option intended to qualify as “performance-based compensation” within the meaning of Section 162(m) of the Code, the per Share exercise price will be no less than 100% of the Fair Market Value per Share on the date of grant.

ii. Waiting Period and Exercise Dates. At the time an Option is granted, the Administrator will fix the period within which the Option may be exercised and will determine any conditions that must be satisfied before the Option may be exercised.

iii. Form of Consideration. The Administrator will determine the acceptable form of consideration for exercising an Option, including the method of payment. In the case of an Incentive Stock Option, the Administrator will determine the acceptable form of consideration at the time of grant. Such consideration may consist entirely of: (1) cash; (2) check; (3) promissory note; (4) other Shares, provided Shares acquired directly or indirectly from the Company, (A) have been owned by the Participant and not subject to substantial risk of forfeiture for more than six months on the date of surrender, and (B) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option will be exercised; (5) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan; (6) a reduction in the amount of any Company liability to the Participant, including any liability attributable to the Participant’s participation in any Company-sponsored deferred compensation program or arrangement; (7) any combination of the foregoing methods of payment; or (8) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

(d) Exercise of Option.

i. Procedure for Exercise; Rights as a Stockholder. Any Option granted hereunder will be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share. An Option will be deemed exercised when the Company receives: (i) notice of exercise (in such form as the Administrator specify from time to time) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised (together with an applicable withholding taxes). Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option will be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. The Company will issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 13 of the Plan. Exercising an Option in any manner will decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

ii. Termination of Relationship as a Service Provider. If a Participant ceases to be a Service Provider, other than upon the Participant's death or Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option will remain exercisable for three (3) months following the Participant's termination. Unless otherwise provided by the Administrator, if on the date of termination the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan. If after termination the Participant does not exercise his or her Option within the time specified by the Administrator, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

iii. Disability of Participant. If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option will remain exercisable for twelve (12) months following the Participant's termination. Unless otherwise provided by the Administrator, if on the date of termination the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan. If after termination the Participant does not exercise his or her Option within the time specified herein, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

iv. Death of Participant. If a Participant dies while a Service Provider, the Option may be exercised following the Participant's death within such period of time as is specified in the Award Agreement to the extent that the Option is vested on the date of death (but in no event may the option be exercised later than the expiration of the term of such Option as set forth in the Award Agreement), by the Participant's designated beneficiary, provided such beneficiary has been designated prior to Participant's death in a form acceptable to the Administrator. If no such beneficiary has been designated by the Participant, then such Option may be exercised by the personal representative of the Participant's estate or by the person(s) to whom the Option is transferred pursuant to the Participant's will or in accordance with the laws of descent and distribution. In the absence of a specified time in the Award Agreement, the Option will remain exercisable for twelve (12) months following Participant's death. Unless otherwise provided by the Administrator, if at the time of death Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will immediately revert to the Plan. If the Option is not so exercised within the time specified herein, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

7. Restricted Stock.

(a) Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Administrator, at any time and from time to time, may grant Shares of Restricted Stock to Service Providers in such amounts as the Administrator, in its sole discretion, will determine.

(b) Restricted Stock Agreement. Each Award of Restricted Stock will be evidenced by an Award Agreement that will specify the Period of Restriction, the number of Shares granted, and such other terms and conditions as the Administrator, in its sole discretion, will determine. Unless the Administrator determines otherwise, the Company as escrow agent will hold Shares of Restricted Stock until the restrictions on such Shares have lapsed.

(c) Transferability. Except as provided in this Section 7, Shares of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction.

(d) Other Restrictions. The Administrator, in its sole discretion, may impose such other restrictions on Shares of Restricted Stock as it may deem advisable or appropriate.

(e) Removal of Restrictions. Except as otherwise provided in this Section 7, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan will be released from escrow as soon as practicable after the last day of the Period of Restriction. The Administrator, in its discretion, may accelerate the time at which any restrictions will lapse or be removed.

(f) Voting Rights. During the Period of Restriction, Service Providers holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless the Administrator determines otherwise.

(g) Dividends and Other Distributions. During the Period of Restriction, Service Providers holding Shares of Restricted Stock will be entitled to receive all dividends and other distributions paid with respect to such Shares unless otherwise provided in the Award Agreement. If any such dividends or distributions are paid in Shares, the Shares will be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.

(h) Return of Restricted Stock to Company. On the date set forth in the Award Agreement, the Restricted Stock for which restrictions have not lapsed will revert to the Company and again will become available for grant under the Plan.

8. Stock Appreciation Rights.

(a) Grant of SARs. Subject to the terms and conditions of the Plan, a SAR may be granted to Service Providers at any time and from time to time as will be determined by the Administrator, in its sole discretion. The Administrator may grant Affiliated SARs, Freestanding SARs, Tandem SARs, or any combination thereof.

(b) Number of Shares. The Administrator will have complete discretion to determine the number of SARs granted to any Service Provider, subject to the limits set forth in Section 6(a)(ii).

(c) Exercise Price and Other Terms. The Administrator, subject to the provisions of the Plan, will have complete discretion to determine the terms and conditions of SARs granted under the Plan. However, the exercise price of Tandem or Affiliated SARs will equal the exercise price of the related Option.

(d) SAR Agreement. Each SAR grant will be evidenced by an Award Agreement that will specify the exercise price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Administrator, in its sole discretion, will determine.

(e) Expiration of SARs. An SAR granted under the Plan will expire upon the date determined by the Administrator, in its sole discretion, and set forth in the Award Agreement. Notwithstanding the foregoing, the rules of Section 6(d) also will apply to SARs.

(f) Payment of SAR Amount. Upon exercise of an SAR, a Participant will be entitled to receive payment from the Company in an amount determined by multiplying:

- i. The difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times
- ii. The number of Shares with respect to which the SAR is exercised.

At the discretion of the Administrator, the payment upon SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof.

9. Performance Units and Performance Shares.

(a) Grant of Performance Units/Shares. Performance Units and Performance Shares may be granted to Service Providers at any time and from time to time, as will be determined by the Administrator, in its sole discretion. The Administrator will have complete discretion in determining the number of Performance Units and Performance Shares granted to each Participant.

(b) Value of Performance Units/Shares. Each Performance Unit will have an initial value that is established by the Administrator on or before the date of grant. Each Performance Share will have an initial value equal to the Fair Market Value of a Share on the date of grant.

(c) Performance Objectives and Other Terms. The Administrator will set performance objectives or other vesting provisions (including, without limitation, continued status as a Service Provider) in its discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units/Shares that will be paid out to the Service Providers. The time period during which the performance objectives or other vesting provisions must be met will be called the "Performance Period." Each Award of Performance Units/Shares will be evidenced by an Award Agreement that will specify the Performance Period, and such other terms and conditions as the Administrator, in its sole discretion, will determine. The Administrator may set performance objectives based upon the achievement of Company-wide, divisional, or individual goals, applicable federal or state securities laws, or any other basis determined by the Administrator in its discretion.

(d) Earning of Performance Units/Shares. After the applicable Performance Period has ended, the holder of Performance Units/Shares will be entitled to receive a payout of the number of Performance Units/Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance objectives or other vesting provisions have been achieved. After the grant of a Performance Unit/Share, the Administrator, in its sole discretion, may reduce or waive any performance objectives or other vesting provisions for such Performance Unit/Share.

(e) Form and Timing of Payment of Performance Units/Shares. Payment of earned Performance Units/Shares will be made as soon as practicable after the expiration of the applicable Performance Period. The Administrator, in its sole discretion, may pay earned Performance Units/Shares in the form of cash, in Shares (which have an aggregate Fair Market Value equal to the value of the earned Performance Units/Shares at the close of the applicable Performance Period) or in a combination thereof.

(f) Cancellation of Performance Units/Shares. On the date set forth in the Award Agreement, all unearned or unvested Performance Units/Shares will be forfeited to the Company, and again will be available for grant under the Plan.

10. Formula Option Grants to Outside Directors.

All grants of Options to Outside Directors pursuant to this Section will be automatic and nondiscretionary, except as otherwise provided herein, and will be made in accordance with the following provisions:

(a) Type of Option. All Options granted pursuant to this Section will be Nonstatutory Stock Options and, except as otherwise provided herein, will be subject to the other terms and conditions of the Plan.

(b) No Discretion. No person will have any discretion to select which Outside Directors will be granted Options under this Section or to determine the number of Shares to be covered by such Options (except as provided in Sections 10(f) and 13).

(c) Quarterly Option. Each Outside Director will be automatically granted an Option to purchase an amount determined by the Administrator but in no event more than 2,500 Shares (a "Quarterly Option") on the first day of March, June, September and December, if as of such date, he or she will have served on the Board for at least the preceding six (6) months.

(d) Terms. The terms of each Option granted pursuant to this Section will be as follows:

i. The term of the Option will be ten (10) years.

ii. The exercise price per Share will be 100% of the Fair Market Value per Share on the date of grant of the Option.

iii. Subject to Section 13, the Quarterly Option will vest and become exercisable as to one-twelfth (1/12th) of the Shares each month following the vesting commencement date, provided that the Participant continues to serve as a Director through such date.

(e) Amendment. The Administrator in its discretion may change the number of Shares subject to the First Options and Subsequent Options.

11. Leaves of Absence. Unless the Administrator provides otherwise, vesting of Awards granted hereunder will be suspended during any unpaid leave of absence. A Service Provider will not cease to be an Employee in the case of (i) any leave of absence approved by the Company or (ii) transfers between locations of the Company or between the Company, its Parent, or any Subsidiary. For purposes of Incentive Stock Options, no such leave may exceed ninety (90) days, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then three (3) months following the 91st day of such leave any Incentive Stock Option held by the Participant will cease to be treated as an Incentive Stock Option and will be treated for tax purposes as a Nonstatutory Stock Option.

12. Transferability of Awards. Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, such Award will contain such additional terms and conditions as the Administrator deems appropriate.

13. Adjustments; Dissolution or Liquidation; Merger or Change in Control.

(a) Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, or other change in the corporate structure of the Company affecting the Shares occurs, the Administrator, in order to prevent diminution or enlargement of the benefits or potential benefits intended to be made available under the Plan, may (in its sole discretion) adjust the number and class of Shares that may be delivered under the Plan and/or the number, class, and price of Shares covered by each outstanding Award, the numerical Share limits in Sections 3 and 6 of the Plan and the number of Shares issuable pursuant to Options to be granted under Section 10.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator will notify each Participant as soon as practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.

(c) Change in Control. In the event of a Change in Control, each outstanding Award will be assumed or an equivalent option or right substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Award, the Participant will fully vest in and have the right to exercise all of his or her outstanding Options and Stock Appreciation Rights, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock will lapse, and, with respect to Performance Shares and Performance Units, all performance goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met. In addition, if an Option or Stock Appreciation Right becomes fully vested and exercisable in lieu of assumption or substitution in the event of a Change in Control, the Administrator will notify the Participant in writing or electronically that the Option or Stock Appreciation Right will be fully vested and exercisable for a period of time determined by the Administrator in its sole discretion, and the Option or Stock Appreciation Right will terminate upon the expiration of such period.

For the purposes of this subsection (c), an Award will be considered assumed if, following the Change in Control, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) or, in the case of a Stock Appreciation Right upon the exercise of which the Administrator determines to pay cash or a Performance Share or Performance Unit which the Administrator can determine to pay in cash, the fair market value of the consideration received in the merger or Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change in Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of an Option or Stock Appreciation Right or upon the payout of a Performance Share or Performance Unit, for each Share subject to such Award (or in the case of Performance Units, the number of implied shares determined by dividing the value of the Performance Units by the per share consideration received by holders of Common Stock in the Change in Control), to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control.

Notwithstanding anything in this Section 13(c) to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Company or its successor modifies any of such performance goals without the Participant's consent; provided, however, a modification to such performance goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

(d) Termination Following Change of Control. With respect to Awards granted to an Outside Director that are assumed or substituted for, if on the date of or following such assumption or substitution the Participant's status as a Director or a director of the successor corporation, as applicable, is terminated other than upon a voluntary resignation by the Participant, then the Participant will fully vest in and have the right to exercise Options and/or Stock Appreciation Rights as to all of the Optioned Stock, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock will lapse, and, with respect to Performance Shares and Performance Units, all performance goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met.

14. Tax Withholding.

(a) Withholding Requirements. Prior to the delivery of any Shares or cash pursuant to an Award (or exercise thereof), the Company will have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local, foreign or other taxes (including the Participant's FICA obligation) required to be withheld with respect to such Award (or exercise thereof).

(b) Withholding Arrangements. The Administrator, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit a Participant to satisfy such tax withholding obligation, in whole or in part by (a) paying cash, (b) electing to have the Company withhold otherwise deliverable cash or Shares having a Fair Market Value equal to the minimum amount required to be withheld, or (c) delivering to the Company already-owned Shares having a Fair Market Value equal to the minimum amount required to be withheld. The amount of the withholding requirement will be deemed to include any amount which the Administrator agrees may be withheld at the time the election is made, not to exceed the amount determined by using the maximum federal, state or local marginal income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined. The Fair Market Value of the Shares to be withheld or delivered will be determined as of the date that the taxes are required to be withheld.

15. No Effect on Employment or Service. Neither the Plan nor any Award will confer upon a Participant any right with respect to continuing the Participant's relationship as a Service Provider with the Company, nor will they interfere in any way with the Participant's right or the Company's right to terminate such relationship at any time, with or without cause, to the extent permitted by Applicable Laws.

16. Date of Grant. The date of grant of an Award will be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination will be provided to each Participant within a reasonable time after the date of such grant.

17. Term of Plan. Subject to Section 21 of the Plan, the Plan will become effective upon its adoption by the Board. It will continue in effect for a term of ten (10) years unless terminated earlier under Section 18 of the Plan.

18. Amendment and Termination of the Plan.

(a) Amendment and Termination. The Board may at any time amend, alter, suspend or terminate the Plan.

(b) Stockholder Approval. The Company will obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) Effect of Amendment or Termination. No amendment, alteration, suspension or termination of the Plan will impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Company. Termination of the Plan will not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

19. Conditions Upon Issuance of Shares.

(a) Legal Compliance. Shares will not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares will comply with Applicable Laws and will be further subject to the approval of counsel for the Company with respect to such compliance.

(b) Investment Representations. As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

20. Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, will relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority will not have been obtained.

Article 3 Administration

3.1 Committee

The Board of Directors shall designate a committee of the Board (the "Committee") to administer the Plan. The Committee shall consist of two or more directors both or all of whom shall be (i) "non-employee directors" as defined in Rule 16b-3 under the Exchange Act, (ii) "independent directors" under the applicable listing standards of The NASDAQ Global Market and (iii) "outside directors" under §162(m) of the Code.

3.2 Authority

Subject to the terms of the Plan, the Committee shall have the authority to select the Eligible Persons to whom Awards are to be granted and to determine the time, type, number of shares, vesting, restrictions, limitations and other terms and conditions of each Award.

Awards under the Plan need not be uniform in respect of different Eligible Persons, whether or not similarly situated. The Committee may consider such factors as it deems relevant in selecting Eligible Persons for Awards and in determining their Awards.

The Committee may condition the vesting of any Award on the attainment of one or more Performance Goals. Performance Goals may differ from Participant to Participant and from Award to Award. The Committee shall specify the applicable Performance Goal or Goals in the underlying Award Agreement (but in no event later than the latest permissible date to enable the Award to qualify as performance-based compensation under §162(m) of the Code). The Committee's evaluation of a Performance Goal's attainment may be adjusted to exclude any extraordinary events and transactions as described in Accounting Principles Board Opinion No. 30, but in all other respects, the measurement of Performance Goals shall be determined in accordance with the Company's financial statements and U.S. generally accepted accounting principles.

The Committee may interpret the Plan, adopt, revise and rescind policies and procedures to administer the Plan, and make all factual and other determinations required for Plan's administration.

The Committee's determinations, interpretations and other actions shall be final and binding. No member of the Committee shall be liable for any action of the Committee in good faith.

3.3 Procedures

The members of the Committee shall elect a chairman, and the Committee shall meet as necessary at the call of the chairman or any two members of the Committee. A majority of the members of the Committee shall constitute a quorum, and all actions of the Committee at a meeting at which a quorum is present shall be taken by majority vote.

A member of the Committee may participate in any meeting of the Committee by a conference telephone call or other means that enable all persons participating in the meeting to hear one another, and participation in this manner shall constitute his or her presence in person at the meeting. The Committee also may act by the unanimous written consent of its members.

Article 4 Plan Operation

4.1 Effective Date

This Plan shall become effective if and when approved by the Company's stockholders.

4.2 Term

This Plan shall have a term of 10 years, expiring on the tenth anniversary of its approval by the Company's stockholders (but remaining in effect, however, for outstanding Awards). No Award may be granted under the Plan after its expiration.

4.3 Maximum Number of Shares

The maximum total number of shares of common stock for which Awards may be granted under this Plan is 550,000 shares. This maximum shall be subject to the capitalization adjustments under Section 4.6.

The shares for which Options and SARs are granted shall count against this limit on a 1-for-1 basis, and the shares for which Restricted Stock Awards and RSU Awards are granted shall count against this limit on a 2-for-1 basis (so that each share for which a Restricted Stock Award or RSU Award is granted reduces by two shares the available number of shares for which Awards may be granted).

The shares for which Awards may be granted shall be shares currently authorized but unissued or shares that the Company currently holds or subsequently acquires as treasury shares, including shares purchased in the open market or in private transactions.

4.4 Shares Available for Awards

The determination of the number of shares of common stock available for Awards under the Plan shall take into account the following:

- (a) If an Option lapses or expires unexercised, the number of shares in respect of which the Option lapsed or expired shall be added back to the available number of shares for which Awards may be granted.
- (b) If a Restricted Stock Award or RSU Award lapses or is forfeited, twice the number of shares in respect of which the Award lapsed or was forfeited shall be added back to the available number of shares for which Awards may be granted.
- (c) If a SAR Award or RSU Award is settled in cash, the number of shares in respect of which the Award was settled in cash shall not be added back to the available number of shares for which Awards may be granted.
- (d) If the exercise price of an Option is paid by delivery of shares of common stock pursuant to Section 5.8, the number of shares issued upon exercise of the Option, without netting the shares delivered in payment of the exercise price, shall be taken into account in determining the available number of shares for which Awards may be granted.

4.5 Individual Limit on Awards

In any calendar year, the maximum number of shares for which Awards may be granted to any Eligible Person shall not exceed 50,000 shares in the case of Options and SARS and 50,000 shares in the case of Restricted Stock and RSU Awards, in each case taking into account all similar types of grants and awards under other stock option and equity compensation plans of the Company. These maximums shall be subject to the capitalization adjustments under Section 4.6.

4.6 Capitalization Adjustments

In the event of a change in the number of outstanding shares of common stock by reason of a stock dividend, stock split, recapitalization, reorganization or the like, the Committee may, and in the case of a reverse stock split, the Committee shall, equitably adjust the following in order to prevent a dilution or enlargement of the benefits or potential benefits intended to be provided under the Plan: (i) the number of shares for which Awards may be granted under the Plan, (ii) the maximum number of shares for which Awards may be granted to any Eligible Person in a calendar year, (iii) the aggregate number of shares in respect of each outstanding Award and (iv) the exercise price of each outstanding Option and SAR. The Committee may also make any other equitable adjustments that the Committee considers appropriate. Except in the case of a reverse stock split, adjustments shall be made in the Committee's discretion, and its decisions shall be final and binding.

Article 5
Stock Options and SARs

5.1 Grant

The Committee may grant an Option or SAR to any Eligible Person. Subject to the terms of this Plan, the Committee shall determine the restrictions, limitations and other terms and conditions of each Option and SAR Award.

The Committee shall designate each Option as either an ISO or NSO, and shall designate each SAR Award as either a Stand-Alone SAR or a Tandem SAR. A Tandem SAR may not be granted later than the time that its related Option is granted.

5.2 Exercise Price

The Committee shall determine the exercise price of each Option and SAR. The exercise price per share may not be less than the Fair Market Value on the Grant Date of the Option or SAR.

Except for capitalization adjustments under Section 4.6 or as approved by the Company's stockholders, the exercise price per share of any outstanding Option or SAR may not be reduced, and the Option or SAR may not be surrendered to the Company for cash or as consideration for the grant of a new Option or SAR with a lower exercise price per share.

5.3 Vesting and Term

The Committee shall determine the time or times at which each Option and Stand-Alone SAR becomes vested. Vesting may be based on continuous service or on the attainment of Performance Goals or other conditions specified in the Award Agreement. A Tandem SAR shall vest if and to the extent that its related Option vests, and shall expire or be canceled when its related Option expires or is canceled. No Option or SAR may have an Expiration Date more than 10 years from its Grant Date.

Each Option and SAR held by an Employee shall become fully vested as of his or her Termination Date if the Employee's termination of employment occurs by reason of his or her death. In addition, the Committee, in its discretion, may accelerate the vesting of an Option or SAR at any time.

5.4 Termination of Employment

In the case of an Option or SAR held by an Employee whose employment terminates:

(a) if and to the extent that the Option or SAR is unvested as of the Employee's Termination Date, the Option or SAR shall lapse on the Termination Date unless the Employee's employment terminated by reason of his or her death, in which case the Option or SAR shall become fully vested as of the Employee's Termination Date; and

(b) if and to the extent that the Option or SAR is (or becomes) vested as of the Employee's Termination Date, the Option or SAR shall expire as specified in the underlying Award Agreement, or if no date is specified, (i) on the earlier of 30 days after the Employee's Termination Date or the expiration date of the Option or SAR, or (ii) if the Employee's employment terminated by reason of his or her death, on the earlier of the first anniversary of the Employee's death or the expiration date of the Option or SAR.

The Committee may extend the expiration date of the Option or SAR to any date up to the last day of the term of the Option or SAR.

5.5 Transferability

No Option or SAR may be transferred, assigned or pledged, whether by operation of law or otherwise, except (i) as provided in the underlying Award Agreement or as the Committee otherwise permits, or (ii) as provided by will or the applicable laws of intestacy or (iii) if:

(a) the transferee is a revocable trust that the employee established for estate planning reasons (in respect of which the employee is treated as the owner for federal income tax purposes); or

(b) the transferee is (i) the spouse of the employee or a child, step-child, grandchild, parent, sibling or child of a sibling of the employee (each an "eligible transferee"), (ii) a custodian for an eligible transferee under any Uniform Transfers to Minors Act or Uniform Gifts to Minors Act or (iii) a trust for the primary benefit of one or more eligible transferees.

Transfers described in the preceding clause (b) shall be subject to any restrictions and requirements that the Committee considers appropriate (for example, the transferee's written agreement to be bound by the terms of the Plan and the underlying Award Agreement).

No Option or SAR shall be subject to execution, attachment or similar process.

5.6 Additional ISO Rules

To the extent that the aggregate fair market value (determined in respect of each ISO on the basis of the Fair Market Value of a share of common stock on the ISO's Grant Date) of the underlying shares of all ISOs that become exercisable by an individual for the first time in any calendar year exceeds \$100,000, the Options shall be treated as NSOs. This limitation shall be applied by taking ISOs into account in the order in which they were granted.

In the case of an ISO granted to an Employee who at the time of grant owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company (or any Subsidiary), the exercise price per share may not be less than 110% of the Fair Market Value on the Grant Date and the ISO may not have an Expiration Date more than five years from the Grant Date.

The Award Agreement underlying an Option that the Committee designates as an ISO may contain any additional terms, beyond those of this Plan, that the Committee considers necessary or desirable to include to assure that the Option complies with the requirements of §422 of the Code.

5.7 Manner of Exercise

A vested Option or SAR may be exercised in full or only partially (but in the case of a partial exercise, only in respect of a whole number of shares) by (i) written notice to the Committee or its designee stating the number of shares in respect of which the Option or SAR is being exercised and, in the case of an Option, (ii) full payment of the exercise price of those shares.

5.8 Payment of Exercise Price

Payment of the exercise price of an Option shall be made by check or, if permitted by the Committee (either in the underlying Award Agreement or at the time of exercise), by: (i) delivery of shares of common stock having a Fair Market Value on the date of exercise equal to the exercise price; (ii) directing the Company to withhold, from the shares otherwise issuable upon exercise of the Option, shares having a Fair Market Value on the date of exercise equal to the exercise price; (iii) by an open-market broker-assisted sale pursuant to which the Company is promptly delivered the portion of the sales proceeds necessary to pay the exercise price; (iv) any combination of these methods of payment; or (v) any other method of payment that the Committee authorizes.

5.9 Tandem SARs

A Tandem SAR shall entitle the Participant to elect to exercise either the SAR or the related Option as to all or any portion of the shares subject to the SAR and Option. The exercise of a Tandem SAR shall cause the immediate and automatic cancellation of its related Option with respect to the same number of shares, and the exercise, expiration or cancellation of the related Option (other than by reason of the exercise of the Tandem SAR) shall cause the automatic and immediate cancellation of the Tandem SAR with respect to the same number of shares.

5.10 Settlement of SARs

Settlement of a SAR may be made, in the Committee's discretion, in shares of common stock or in cash, or in a combination of the two, subject to applicable tax withholding requirements. Any cash payment in settlement of a SAR shall be made on the basis of the Fair Market Value of a share of common stock on the date that the SAR is exercised.

Article 6 Restricted Stock and Restricted Stock Units

6.1 Grant

The Committee may issue Restricted Shares or grant Restricted Stock Units to any Eligible Person. Subject to the terms of this Plan, the Committee shall determine the restrictions, limitations and other terms and conditions of each Restricted Stock Award and RSU Award.

6.2 Vesting

The Committee shall determine the time or times at which each Restricted Stock Award or RSU Award becomes vested. Vesting may be based on continuous service or on the attainment of specified Performance Goals or other conditions specified in the Award Agreement.

Each Restricted Stock Award and RSU Award held by an Employee shall become fully vested as of his or her Termination Date if the Employee's termination of employment occurs by reason of his or her death. In addition, the Committee, in its discretion, may accelerate the vesting of a Restricted Stock Award or RSU Award at any time.

6.3 Transferability

Prior to the vesting of a Restricted Stock Award, the Restricted Shares subject to the Award may not be transferred, assigned or pledged (except as provided in the Award Agreement or as the Committee permits) and shall not be subject to execution, attachment or similar process. After vesting, the shares may still remain subject to restrictions on transfer under applicable securities laws and any restrictions imposed by the Award Agreement. The Committee may require each certificate representing Restricted Shares to bear a legend making appropriate reference to the restrictions on the shares, and may also require that the certificate, together with a stock power duly endorsed in blank by the Participant, remain in the Company's physical custody or in escrow with a third party until all restrictions have lapsed.

6.4 Rights as Stockholder

Subject to the terms of the Plan and the underlying Award Agreement, a Participant shall have all of the rights of a stockholder in respect of the Restricted Shares subject to a Restricted Stock Award, including the right to vote the shares and to receive all dividends and other distributions in respect of the shares. The Committee may provide in the Award Agreement for the payment of dividends and distributions to the Participant when dividends are paid to stockholders generally or at the time of vesting or distribution of the Restricted Shares.

A Participant shall not have any rights as a stockholder in respect of the shares of common stock subject to a RSU Award until those shares have been issued and delivered to the Participant pursuant to the terms of the Award.

6.5 Settlement of RSU Award

Settlement of a RSU Award may be made, in the Committee's discretion, in shares of common stock or in cash, or in a combination of the two, subject to applicable tax withholding requirements. Any cash payment in settlement of a RSU Award shall be made on the basis of the Fair Market Value of a share of common stock on the date that the shares subject to the Award become issuable to the Participant.

6.6 Deferrals

The Committee may (but shall not be required to) permit a Participant to elect to defer the delivery of shares upon the vesting or settlement of a Restricted Stock Award or RSU Award. Any such election shall be for a deferral period and in a manner and on terms that the Committee approves and that comply with the requirements of §409A of the Code.

Article 7 Formula Option Grants to Outside Directors

7.2 Type of Option

All Options granted pursuant to this Article will be Nonstatutory Stock Options.

7.3 Quarterly Option

Each Outside Director automatically will be granted an Option to purchase an amount determined by the Committee but in no event more than 2,500 Shares (a "Quarterly Option") on the first day of March, June, September and December, if as of such date, he or she will have served on the Board for at least the preceding six (6) months.

- iii. The Quarterly Option will vest and become exercisable as to one-twelfth (1/12th) of the Shares each month following the vesting commencement date, provided that the Participant continues to serve as a Director through such date.

Article 8 Change of Control

Upon a Change of Control, all outstanding Awards shall become fully vested and exercisable, and all restrictions on the shares underlying Restricted Stock Awards shall lapse.

A "Change of Control" means an event or the last of a series of related events by which:

- (a) any Person directly or indirectly acquires or otherwise becomes entitled to vote stock having 51% or more of the voting power in elections for directors; or
- (b) during any 24-month period a majority of the members of the Board of Directors ceases to consist of directors who were:
 - (1) directors at the beginning of the period ("continuing directors"); or
 - (2) elected to office after the start of the period by the Board of Directors with the approval of two-thirds of the incumbent continuing directors ("appointed directors"); or
 - (3) elected to office after the start of the period by the Company's stockholders following nomination for election by the Board of Directors with the approval of two-thirds of the incumbent continuing and appointed directors ("elected directors"); or
 - (4) elected to office after the start of the period by the Board of Directors with the approval of two-thirds of the incumbent continuing, appointed and elected directors; or
 - (5) elected to office after the start of the period by the Company's stockholders following nomination for election by the Board of Directors with the approval of two-thirds of the incumbent continuing, appointed and elected directors; or
- (c) the Company merges or consolidates with another corporation, and holders of outstanding shares of the Company's common stock immediately prior to the merger or consolidation do not own stock in the survivor of the merger or consolidation having more than 75% of the voting power in elections for directors; or
- (d) the Company sells all or a substantial portion of the consolidated assets of the Company and its Subsidiaries, and the Company does not own stock in the purchaser having more than 75% of the voting power in elections for directors.

As used in this definition, a “Person” means any “person” as that term is used in sections 13(d) and 14(d) of the Exchange Act, together with all of that person’s “affiliates” and “associates” as those terms are defined in Rule 12b-2 under the Exchange Act.

Article 9 Miscellaneous Provisions

9.1 Award Agreement

Each Award under the Plan shall be evidenced by an Award Agreement which shall be subject to and incorporate the terms of the Plan.

9.2 Tax Withholding

The Company may withhold an amount sufficient to satisfy its withholding tax obligations, if any, in connection with any Award under the Plan, and the Company may defer making any payment or delivery of shares pursuant to the Award unless and until the Participant indemnifies the Company to its satisfaction in respect of its withholding obligation.

9.3 Amendment and Termination

The Board may amend, suspend or terminate the Plan at any time. The Company’s stockholders shall be required to approve any amendment that would materially increase the number of shares of common stock for which Awards may be granted or that would increase the number of shares of common stock for which ISOs may be granted (other than an amendment authorized under Section 4.6). If the Plan is terminated, the Plan shall remain in effect for Awards outstanding as of its termination. No amendment, suspension or termination of the Plan shall adversely affect the rights of the holder of any outstanding Award without his or her consent.

9.4 Foreign Jurisdictions

The Committee may adopt, amend and terminate a supplement to the Plan to permit Employees in another country to receive Awards under the supplement (on terms not inconsistent with the terms of Awards under the Plan) in compliance with that country’s securities, tax and other laws.

9.5 No Right To Employment

Nothing in this Plan or in any Award Agreement shall give any person the right to continue in the employ of the Company or any Subsidiary or limit the right of the Company or Subsidiary to terminate his or her employment.

9.6 Notices

Notices required or permitted under this Plan shall be considered to have been duly given if sent by certified or registered mail addressed to the Committee at the Company’s principal office or to any other person at his or her address as it appears on the Company’s payroll or other records.

9.7 Severability

If any provision of this Plan is held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining provisions, and the Plan shall be construed and administered as if the illegal or invalid provision had not been included.

9.8 Governing Law

This Plan and all Award Agreements shall be governed in accordance with the laws of the State of Delaware.

OFFICE LEASE AGREEMENT

THIS Office LEASE Agreement ("Lease") is entered into and shall be effective as of September 17, 2013 ("Effective Date"), by and between: (i) DTR14, L.L.C., an Arizona limited liability company ("Landlord"); and (ii) The Joint Corp., a Delaware corporation ("Tenant").

Landlord and Tenant (collectively, "Parties" and individually, a "Party"), agree as follows:

1. Premises.

(a) *Lease.* On the terms and subject to the conditions set forth in this Lease, Landlord hereby leases the Premises to Tenant, and Tenant hereby agrees to lease the Premises from Landlord.

(b) *Project & Premises.* The "Project" is the multi-building commercial office complex described in the Basic Lease Information and conceptually depicted on **Exhibit A-1** to this Lease. The "Premises" are a portion of the three-story office building identified as the "Building" in the Basic Lease Information and depicted as "Building One" on **Exhibit A-1** to this Lease. In addition to the Premises and as further set forth in this Lease, Tenant will also have certain rights and obligations relating to the Parking Facilities and the Common Areas (both as defined below). The location of the Premises within the Building is depicted on **Exhibit A-2** to this Lease ("Premises Location"). The Premises will include all Tenant Improvements (as defined in, and to be installed pursuant to, the Tenant Improvement Rider attached to this Lease as **Exhibit B**).

(c) *Rentable Area.* Prior to the Commencement Date, Landlord shall calculate the number of square feet of rentable area ("Rentable Area") of the Premises ("Final Calculation"). The Final Calculation will include a load factor of thirteen percent (13.00%) and will be determined in a manner which is generally consistent with the BOMA Standard Method for Measuring Rentable Area in Office Buildings. ANSI Z 65.1-2010.

(d) *Common Areas.* During the Term, Tenant and its agents, employees and invitees shall have the nonexclusive right with others designated by Landlord to use all of the common areas ("Common Areas") situated on or within the Project. Common Areas include, but are not limited to, elevators, sidewalks, Parking Facilities, driveways, hallways, stairways, public bathrooms, common entrances, lobby areas and other similar public areas and access ways which are not part of the Premises or leased to, or used exclusively by, a specific tenant within the Project.

(e) *Project Operations.* Landlord shall cause the Building and Common Areas to be maintained in compliance with all applicable laws, ordinances, regulations and restrictive covenants. The Common Areas of the Project and the exterior of the Building, including all related landscaping, shall be maintained and operated by Landlord in a manner consistent with Class A low-rise office buildings in Scottsdale, Arizona, free, in all material respects, from any disruptive or annoying activities or events. Landlord represents and warrants to Tenant that as of the Commencement Date, the Building and the Premises comply, in all material respects, with applicable laws, ordinances, rules, regulations and codes, which includes, but is not limited to, the Americans With Disabilities Act, as amended.

(f) *Tenant's Proportionate Share.* Tenant's proportionate share of those expenses that become payable to Landlord as Additional Rent under this Lease is the "Proportionate Share". Tenant's Proportionate Share of Operating Expenses (as defined below) and Taxes (as defined below) that relate to the Project shall be a fraction, the numerator of which is the Rentable Area of the Premises, and the denominator of which is the Rentable Area of all buildings within the Project (including the Building). Tenant's Proportionate Share of Operating Expenses and Taxes that relate to the Building shall be a fraction, the numerator of which is the Rentable Area of the Premises, and the denominator of which is the Rentable Area of the Building. Tenant's Proportionate Share shall be adjusted from time to time during the Term, upon written notice to Tenant, as additional Rentable Area is added to, or deleted from, the Project or the Building, as the case may be. The effective date of any adjustment shall be: (i) with respect to additional Rentable Area added to the Project or Building, as the case may be, the date that a Certificate of Occupancy is issued for the shell with respect to the Building or other buildings in the Project; or (ii) with respect to Rentable Area deleted from the Project or Building, as the case may be, the effective date of the deletion.

2. Term & Possession.

(a) *Base Term & Commencement.* The initial term of this Lease ("Base Term") shall commence on the Commencement Date and, unless sooner terminated, shall expire on the Expiration Date described in the Basic Lease Information ("Expiration Date"). The Commencement Date of the Lease ("Commencement Date") shall be the date that the Tenant Improvement Work is substantially completed on the Completion Date as provided in **Section 4(d)** of the Tenant Improvement Rider attached to this Lease as **Exhibit B**, unless otherwise mutually agreed in writing by Landlord and Tenant. The Parties anticipate the Commencement Date will occur on February 1, 2014 ("Scheduled Commencement Date"). Within thirty (30) days following Commencement Date, the parties agree to execute a certificate confirming the Commencement Date and Expiration Date substantially in the form attached to this Lease as Exhibit D.

(b) *Intentionally Omitted.*

(c) *Delivery of Premises.* Subject to the early access provisions of **Paragraph 2(d)**, below, Landlord will deliver possession of the Premises to Tenant by the Commencement Date.

(d) *Tenant Access.* Tenant (and its suppliers, contractors and consultants) may enter the Premises (and other portions of the Project as reasonably required) within thirty (30) days of the Commencement Date without the payment of any sum, but subject to the other requirements and covenants, of this Lease. Such early entry shall be for the sole purpose of planning for and installing Tenant's cabling, furniture, trade fixtures, equipment, phones, inventories and supplies, and shall be subject to Landlord's reasonable safeguards including, but not limited to, reasonable restrictions on hours of access and safety and security procedures. Landlord will cooperate in good faith and cause Landlord's contractors and suppliers to cooperate in good faith with Tenant and Tenant's suppliers, contractors and consultants to facilitate Tenant's ability to have its business operations fully functional in the Premises on or immediately after the Commencement Date. Prior to the Commencement Date, Tenant shall cooperate in good faith with Landlord to avoid interference with any activity of Landlord contemplated by this Lease.

3. Rent.

(a) *Annual Base Rent.* The Annual Base Rent for the Base Term shall be the amounts set forth in the Basic Lease Information. Annual Base Rent shall be paid by Tenant in monthly installments equal to one-twelfth (1/12) of the Annual Base Rent for the applicable period ("Monthly Base Rent"), commencing on the Commencement Date and continuing thereafter for the balance of the Term. Tenant shall pay each installment of Monthly Base Rent in advance, without notice or demand, on or before the first Business Day of each and every calendar month to the party specified in the Basic Lease Information or to such other person or at such other address as Landlord may designate by written notice to Tenant from time to time. If the Commencement Date occurs on a date other than the first (1st) calendar day of a month, the first installment of Monthly Base Rent shall be prorated based upon a thirty (30)-day calendar month.

(b) *Additional Rent.*

(i) Definitions.

(A) "Operating Expenses" means, subject to the limitations set forth below, all reasonable and necessary actual costs incurred by Landlord in managing, operating, maintaining and repairing the Building and all Common Areas as a Class A low-rise office complex with related facilities and amenities in Scottsdale, Arizona, including, without limitation, all costs, expenditures, fees and charges for:

(aa) operation, maintenance and repair including maintenance, repair and replacement of Common Areas, exterior light fixtures, common signage, glass and landscaping and maintenance and repair of the roof covering or membrane;

(jj) contesting in good faith for the benefit of the Building or Project or the office tenants the validity or applicability of any Laws enacted after the Commencement Date that may negatively affect the Building or Project; and

(kk) any other actual cash cost, whether or not described in this **Section 3(b)(i)(A)**, which, in accordance with generally accepted accounting principles, is a non-capitalized expense of managing, operating, maintaining and repairing the Building and all Common Areas, and which is not otherwise excluded pursuant to this Lease.

- (B) Operating Expenses shall not include any of the following:
- (aa) except as provided by clause (ii) above, any capital expenditure and/or associated amortization and financing costs;
 - (bb) any costs of special services or benefits rendered to or for the benefit of fewer than all Building tenants;
 - (cc) any costs of improvements and alterations specifically for Tenant or any other tenant or tenants of the Building or the Project or for the preparation or improvement of any other suite within the Property;

 - (ee) any costs for which Landlord is reimbursed by insurance or any other tenants or occupants or users of any of the Project other than through Project tenants' payment of their pro-rata shares of Operating Expenses;
 - (ff) any leasing commissions, attorneys' fees or any other expenses (including without limitation advertising and other promotional expenses) incurred in connection with leasing or subleasing space in the Project or enforcing any such leases or subleases or buying, selling or financing the Project;

 - (hh) any payments in respect to overhead or profit to subsidiaries or affiliates of Landlord (other than the property management fees described in clause (ee) above);
 - (ii) any costs of decorating, redecorating, cleaning or other services not provided on a regular basis with respect to the Project and/or to all tenants of the Building;
 - (jj) any costs relating to relocation of tenants within the Building or the Project;
 - (kk) any costs of correcting defects in the construction of the Building;
 - (ll) any costs of any repairs made by Landlord because of the total or partial destruction of the Building or the condemnation of a portion of the Building except to the extent of any costs incurred pursuant to deductibles permitted to be maintained under the insurance required by this Lease;

(mm) any increase in insurance premium to the extent such increase is caused or attributable to the use, occupancy or act of Landlord or any other Project tenants or occupants;

(nn) any costs of overtime or other expense in curing Landlord's defaults or performing work expressly provided in this Lease to be borne at Landlord's expense;

(oo) any costs incurred because Landlord or any other person or entity (except Tenant) violated the terms of any lease, sublease or other agreement;

(pp) any costs incurred to (i) rectify any failure of the Building to comply with the Americans With Disabilities Act ("ADA") in effect on the Commencement Date; or (ii) test, survey, cleanup, contain, abate, remove or otherwise remedy hazardous wastes or materials from the Project (the foregoing does not limit Tenant's obligations under **Section 6**, below);

(qq) any Taxes or the costs associated with contesting any Taxes; or

(rr) any costs for repair or maintenance of telecommunication facilities that are or may be leased or licensed to third party providers for income.

(C) "Taxes" means all real property taxes and general, special or district assessments or other governmental impositions, of whatever kind, nature or origin, imposed on or by reason of the ownership or use of the Building and all Common Areas; any state, county or municipal governmental property lease excise tax or the equivalent thereof; and the reasonable cost of contesting by appropriate proceedings the amount or validity of any Taxes described above but only to the extent those Taxes are reduced or avoided and (on a pro-rata basis) Tenant receives a reduction or refund of those Taxes contested and paid. "Taxes" shall exclude any of the foregoing items charged directly to, and paid by, other Project tenants, occupants and users (including Tenant), interest or penalties incurred by reason of late payment of taxes, franchise taxes or similar taxes on Landlord's business, inheritance, gift, transfer, net income and profit taxes, capital levies, special assessments levied against property other than real estate.

(ii) Payment of Additional Rent.

(A) Tenant shall pay Landlord as additional rent ("Additional Rent") for each calendar year, or portion thereof: (i) Tenant's applicable Proportionate Share of Operating Expenses and Taxes that relate to the Project, generally; and (ii) Tenant's applicable Proportionate Share of Operating Expenses and Taxes that relate exclusively to the Building, but only to the extent the total of item (i) and item (ii) exceed the Expense Stop (as set forth in the Basic Lease Information).

(B) Landlord agrees that in calculating any Operating Expenses payable by Tenant under this Lease, that portion of Operating Expenses which are controllable by Landlord (excluding, specifically, Taxes, Insurance, Utilities, and other items over which Landlord has no control) will not increase more than five percent (5%) annually over the amount of such controllable Operating Expenses for the previous calendar year. The Operating Expense payable by Tenant shall be subject to a 95% gross-up if actual occupancy of the Building falls below 95%.

(C) Commencing on the Commencement Date, and thereafter with respect to each full or partial calendar year during the Term, Tenant shall pay Landlord, together with each installment of the Monthly Base Rent, an amount equal to the estimated Additional Rent for the applicable period. On or prior to the Commencement Date, and within thirty (30) days prior to the commencement of each calendar year during the Term, Landlord shall provide Tenant with an estimate of the monthly Additional Rent for the applicable period which shall be utilized for the purpose of calculating Tenant's Additional Rent payment obligations under this Lease. Within ninety (90) days following the end of each calendar year, Landlord shall provide Tenant with a written statement ("Statement") of Landlord's actual Operating Expenses and Taxes for the prior calendar year (or applicable portion thereof). If Landlord's estimate of the Additional Rent of the applicable period was less than the actual Additional Rent as set forth in the Statement, Tenant shall, within fifteen (15) Business Days following receipt of the Statement, pay the difference to Landlord. If Landlord's estimate of the Additional Rent for the applicable period was greater than the actual Additional Rent as set forth in the Statement, Tenant shall receive a credit equal to the difference which shall be applied against the next monthly installment of Rent. Each Statement shall be sufficient to enable Tenant to compare the Statement to the definitions of Operating Expenses and Taxes set forth in this Lease. Each Statement shall provide detail reasonably sufficient for Tenant to differentiate between Operating Expenses that are attributable to one hundred percent (100%) to the Premises and Operating Expenses that are subject to Tenant's Proportionate Share. Tenant shall have the right to examine and copy at Landlord's office during Landlord's normal business hours after reasonable notice to Landlord any relevant back-up information or documentation: (i) requested in good faith by Tenant within one hundred eighty (180) days after receipt by Tenant of each Statement; and (ii) which is reasonably required to enable Tenant to understand each Statement. Absent fraud or manifest error by Landlord, each Statement will be final if Tenant does not object within one hundred eighty (180) days after receipt. If the results of Tenant's examination show an overcharge to Tenant of more than five (5%) percent of the actual amount owed by Tenant, Landlord shall pay the actual and reasonable cost of such audit up to \$1,500 (provided the audit is conducted by an independent certified public accountant experienced in auditing commercial office records ("Accountant") selected by Tenant and reasonably approved by Landlord, and further provided the Accountant is not compensated on a contingency fee basis) and Landlord shall refund to Tenant any overcharge of such items as discovered by the audit within thirty (30) days of notification of such findings.

(D) All Operating Expenses, Taxes and Additional Rent shall be computed on an accrual basis, provided that, no prepayment of any Operating Expense or Tax before its due date shall, regardless of date of payment, be included prior to its due date. Each Statement and all estimates of Operating Expenses and Taxes and reconciliation statements shall be prepared by Landlord according to generally accepted accounting principles, applied in a consistent manner.

(c) *Payment of Rent.* All amounts payable or reimbursable by Tenant under this Lease, including Annual Base Rent, Additional Rent, Parking Fees (as defined below) late charges and interest (collectively, "Rent"), shall constitute and be payable and recoverable as rent, in the manner provided in this Lease. All sums payable to Landlord on demand under the terms of this Lease shall be payable within five (5) Business Days after receipt by Tenant of notice (with any related supporting computations or documentation) from Landlord of the amounts due. Rent is payable in equal monthly installments ("Monthly Base Rent"), in advance, on the first day of each calendar month without further statement or notice from Landlord. All other sums payable to Landlord shall be payable, not more frequently than monthly, on the later of: (a) the due dates for such payments as set forth in this Lease; or (b) five (5) Business Days after Tenant's receipt of Landlord's statement therefor. All Rent shall, except as otherwise specifically provided in (or by way of recoupment of matured and liquidated obligations of Landlord under) this Lease, be paid without offset, recoupment or deduction in lawful money of the United States of America to Landlord at Landlord's Address for Payment of Rent as set forth in the Basic Lease Information, or to such other person or at such other place as Landlord may from time to time designate. All other Rent items will be billed no more frequently than monthly, and will be included in one monthly statement.

(d) *Rental Taxes.* Tenant shall pay to Landlord with each installment of Monthly Base Rent, Operating Expenses, Parking Fees, Taxes, Additional Rent, or other Rent, the amount of any gross receipts, transaction privilege, sales or similar tax, exclusive of any state or federal franchise tax or personal or corporate income tax measured by the income of Landlord, payable by Landlord on account of this Lease or Tenant's payment of such items to, or on behalf of, Landlord.

(e) *Late Charge & Interest.* If any payment of Rent is not received by Landlord within five (5) Business Days after its due date, Tenant shall pay to Landlord as a late charge ("Late Charge") a sum equal to five percent (5%) of the late payment. A late charge shall not be imposed more than once on any particular installment not paid when due, but imposition of a late charge on any payment not made when due does not eliminate late charges imposed on other payments not made when due or preclude imposition of a late charge on any other payments not made when due. To the extent the payment of any sums by either Landlord or Tenant under this Lease require or permit the imposition of interest, the interest rate charged ("Interest Rate") shall be fifteen (15%) per annum.

4 . Security Deposit. Concurrently with the execution of this Lease, Tenant shall deposit with Landlord \$75,000.00 (“Security Deposit”) for Tenant's full and faithful performance of all the terms and conditions required under this Lease. Upon the expiration of the 36th month of the Term, provided Tenant is not in default under this Lease, Landlord shall offset \$25,000 (“Rent Offset”) from the Security Deposit and apply the Rent Offset toward the next due monthly installment of Annual Base Rent, leaving a Security Deposit balance of \$50,000.00. At the Expiration Date, Landlord will return to Tenant any remaining portions of the Security Deposit, without interest, provided that if Tenant fails to pay any Rent or perform any covenants when due after any applicable notice and cure periods, Landlord may apply any portions of the Security Deposit toward curing such default, and Tenant shall replenish the Security Deposit to \$50,000.00 immediately upon invoice by Landlord. Tenant will not be entitled to any interest or other yield upon the Security Deposit at any time, and Landlord is free to commingle, invest or otherwise use said deposit, subject to Landlord’s obligation to return the Security Deposit.

5 . Tenant Improvements & Alterations. The Parties shall perform their respective obligations with respect to design and construction of any improvements to be constructed and installed in the Premises (“Tenant Improvements”), as provided in the Tenant Improvement Rider attached to the Lease as **Exhibit B**. Except for any Tenant Improvements to be constructed by Landlord or Tenant as provided in this Lease, Tenant shall not make any alterations, improvements or similar structural or non-structural changes to the Premises (“Alterations”), without Landlord’s prior consent, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, that Tenant shall not be required to obtain Landlord’s prior consent for interior non- structural changes with a total project cost under \$10,000. Tenant shall provide Landlord with at least five (5) business days prior notice prior to commencing any Alterations, which are not subject to Landlord’s prior consent. Any Alterations shall be completed by Tenant at Tenant’s sole cost and expense: (i) with due diligence, in a good and workmanlike manner, using good materials; (ii) in compliance with plans and specifications approved by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed; (iii) in compliance with any construction rules and regulations which have then been promulgated uniformly and in good faith and communicated by Landlord to Tenant; (iv) in accordance with all applicable Laws (including all work, whether structural or non-structural, inside or outside the Premises, required to comply fully with all applicable Laws and necessitated by Tenant’s work); and (v) subject to the conditions set forth in the following sentence which Landlord may in Landlord’s good faith discretion impose at the time of giving the consent. The conditions permissibly imposed by Landlord shall be limited to requirements for Tenant to: (a) provide payment or performance bonds or additional insurance (from Tenant or Tenant’s contractors or design professionals, if the cost of work undertaken as a single project exceeds \$50,000.00 and if Landlord would require such bonds or insurance if the contractors or professionals were retained by Landlord); (b) use contractors or subcontractors approved by Landlord, which approval shall not be unreasonably withheld or delayed (or withheld without a written explanation of the reason therefor) or delayed; and (c) remove all or part of the Alterations (except Tenant Improvements or Alterations paid for in whole or in part by Landlord) within thirty (30) days after expiration or termination of the Term, as designated by Landlord, or such Alterations will then become the property of Landlord. If any work outside the Premises, or any work on or adjustment to any of the Building systems, is required in connection with or as a result of Tenant’s Alterations, such work shall be performed at Tenant’s expense by contractors designated by Tenant but approved by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed. No approval or consent by Landlord shall be deemed or construed to be a representation or warranty by Landlord as to the adequacy, sufficiency, fitness or suitability thereof or compliance thereof with applicable Laws or other requirements. In addition to any Alteration paid for in whole or in part by Landlord, and subject to the following sentence, all Alterations which would be fixtures under Arizona law if Tenant owned fee title to the Project shall upon installation become part of the Building and be the property of Landlord. Tenant may from time to time replace any Alterations upon satisfaction of all applicable requirements of this **Section 5**, provided that if any Alterations so replaced are the property of Landlord the replacement Alterations shall also be the property of Landlord.

6 . Use of Premises, Tenant shall use and occupy the Premises for general office purposes related to operating Tenant's corporate headquarters as a franchisor of chiropractic clinics and for no other purpose without Landlord's prior consent. Tenant expressly covenants and agrees that it shall not operate as a staffed (in person) bank or depository institution, with tellers, that loans money, accepts deposits, pays interest, clears checks, acts as an intermediary in financial transactions, and/or provides other financial services to its public customers ("Prohibited Use"). Tenant, at its expense, shall comply with the laws, rules and regulations of any federal, state or municipal authority, or the Arizona Fire Underwriters Rating Bureau, or with any notice from any public officer pursuant to law, or with any notice from any insurance company pertaining to Tenant's occupancy or use of the Premises. Tenant shall immediately discontinue any use of the Premises which is declared by any governmental authority having jurisdiction to be in violation of law or the certificate of occupancy for the Building or the Premises. Tenant will not use or permit the Premises to be used for any purposes that interfere with the use and enjoyment of the Building by Landlord or the other tenants, or which, in Landlord's reasonable discretion, impair the reputation of the Building.

Tenant shall not do, or permit anything to be done in the Premises, or bring or keep anything therein, which will in any way increase the rate of fire insurance on the Building, or violate, invalidate or conflict with fire insurance policies on the Building, fixtures or on property kept therein; provided, however, that Tenant's normal conduct of its business shall not violate this paragraph. Tenant shall not access, perform maintenance or otherwise enter or use any portion of the Premises below the finished floor or above the ceiling grid without first obtaining, in each instance, Landlord's prior written consent.

Tenant and Tenant's employees and agents shall not, in violation of any applicable laws, handle, use, manufacture, store, release or dispose of any oil, petroleum or chemical liquids or solids, liquid or gaseous products or any hazardous waste or hazardous substance (collectively, "Hazardous Materials"), as those terms are used in the *Comprehensive Environmental Response, Compensation, and Liability Act of 1980*, as amended, or in any other federal, state or local law governing hazardous substances (collectively, "Act"), as such laws may be amended from time to time at, upon, under or within the Premises or the Building or the land on which it is built, or into the plumbing or sewer or water system servicing the Premises or the Building, nor shall Tenant, its employees or agents cause or permit the discharge, spillage, uncontrolled loss, seepage or filtration of any Hazardous Materials at, upon, under or within the Premises or the Building or the land or into the plumbing or sewer or water system servicing the same. Tenant shall comply in all respects with the requirements of the Act and related regulations, and shall notify Landlord immediately if Tenant discovers any Hazardous Materials at, upon, under or within the Premises or the Building or the land. Notwithstanding the foregoing, normal quantities and use of those Hazardous Materials customarily used in the conduct of general office activities, such as copier fluids and cleaning supplies, may be used and stored at the Premises without Landlord's prior consent.

Tenant shall indemnify Landlord against all costs, expenses, liabilities, losses, damages, injunctions, suits, fines, penalties, claims, and demands, including reasonable attorneys' fees, arising out of any violation of or Default in the covenants of this **Section 6**. The provisions of this **Section 6** shall survive the expiration of the Term.

The Landlord hereby represents and warrants that to the best of Landlord's actual knowledge there are no Hazardous Materials on the Premises, Common Areas, or Project. Landlord shall defend, indemnify and hold harmless Tenant from and against claims, costs, expenses, actions, losses, damages and liabilities (including reasonable attorneys' fees) directly arising out of the existence of Hazardous Substances and/or Environmental Conditions on the Premises which: (i) Landlord introduces on the Premises, Common Areas or Project; or (ii) Landlord had actual knowledge existing on the Premises, Common Areas or Project prior to the Commencement Date and Landlord did not disclose to Tenant. This indemnification shall survive the termination of this Lease.

7. Rules & Regulations. The Parties shall be bound by and comply with: (i) the rules and regulations attached to this Lease as **Exhibit C** to the extent those rules and regulations are not in conflict with any term or provision of this Lease;and (ii) any reasonable rules and regulations adopted by Landlord for all tenants of the Building after the Effective Date, but only to the extent such rules and regulations are reasonably designed for the safety, care, order or cleanliness of the Common Areas, do not unreasonably and materially interfere with Tenant's conduct of its business or Tenant's use and enjoyment of the Premises, the Parking Facilities and the Common Areas, and do not require the payment of additional money by Tenant (collectively, "Rules and Regulations"). Landlord shall not be responsible to Tenant or to any other person for any violation of, or failure to observe, the Rules and Regulations by any other tenant or other person (except Landlord), provided that notwithstanding any provision of the Rules and Regulations to the contrary, Landlord shall not unreasonably or selectively enforce the Rules and Regulations against Tenant and shall otherwise uniformly enforce all Rules and Regulations among tenants of the Building.

8. Subletting & Assignment.

(a) *Consent.* Tenant will not transfer or assign this Lease, or sublet the Premises or any part thereof or transfer possession or occupancy of the Premises to any person, firm or corporation without the prior written consent of Landlord which shall not be unreasonably withheld, conditioned or delayed (collectively, "Permitted Transfer"). Tenant shall submit to Landlord such information as reasonably requested by Landlord in connection with Tenant's request for consent to a transfer, including financial statements and tax returns in order to evaluate the solvency, financial responsibility and the business acumen and experience of the proposed transferee. Any net profits derived from a sublease under any Permitted Transfer will be payable to Landlord as Additional Rent. Tenant shall pay, as Additional Rent, all of Landlord's costs and expenses (including reasonable attorney's fees) incurred in connection with any proposed transfer or assignment of this Lease, or sublet the Premises (collectively, "Proposed Transfer").

(b) *Tenant Liability.* Unless expressly released by Landlord, in its sole and absolute discretion, if there is any assignment or Permitted Transfer of this Lease or subletting of the Premises, Tenant shall remain liable to Landlord for payment of the Rent and any other amounts due to Landlord under this Lease and all other covenants and conditions of Tenant contained in this Lease.

(c) *Sale of Premises or Assignment by Landlord.* The term "Landlord" as used in this Lease shall mean the owner of the Building at the time in question. If there is a transfer (whether voluntary or involuntary) by such owner of its interest in the Building, such owner shall thereupon be released and discharged from all covenants and obligations of the Lease thereafter accruing (but not from liability for any uncured Default existing on the date of transfer) if: (i) the new owner expressly agrees in writing to assume all of Landlord's obligations under this Lease; and (ii) any Tenant funds that Landlord is holding are delivered to the new owner.

(d) *Landlord's Recapture Right.* Any assignment of this Lease or subtenancy shall be subject to Landlord's Recapture Right (as defined below). If Tenant elects to transfer or assign this Lease, or to sublease any portion of the Premises, Tenant shall first provide Landlord with written notice ("Assignment Notice") outlining the material terms of the proposed transaction and designating the portion(s) of the Premises that will be affected ("Recapture Space"). Landlord shall have ten (10) business days following receipt of any Assignment Notice to elect, in Landlord's sole discretion, to exercise Landlord's recapture right "Recapture Right" with respect to the Recapture Space. If the Recapture Space is the entire Premises, and Landlord elects to exercise its Recapture Right, the Lease shall terminate on the date that is thirty (30) days following the date of the Assignment Notice ("Recapture Date"). If the Recapture Space is less than the entire Premises, and Landlord elects to exercise its Recapture Rights,: (i) the Lease shall terminate with respect to the Recapture Space only on the Recapture Date; (ii) Tenant shall reimburse Landlord, as Additional Rent, for the cost of installing a demising wall between the Recapture Space and the remaining balance of the Premises; (iii) the Rent payable under this Lease shall be proportionately reduced based on the square footage of the Recapture Space; and (iv) Landlord and Tenant will enter into an amendment to the Lease properly evidencing the space reduction. If Landlord fails to exercise the Recapture Right within the required timeframe, the Lease shall not terminate with respect to the Recapture Space and Tenant shall be free to proceed with the proposed transaction, subject to the restrictions and requirements otherwise set forth in Paragraph 8(a), above. Landlord may lease the recaptured portion of the Premises to the proposed assignee or subtenant without liability to Tenant. Upon any recapture (or partial recapture) as provided under this Paragraph 8(d), Landlord and Tenant shall have no further obligations or liabilities to each other under this Lease with respect to the Recapture Space, except with respect to obligations or liabilities which accrue or have accrued as of the date of such termination or those obligations or liabilities which expressly survive the termination of this Lease.

9. Services & Utilities.

(a) *Building Standard Services & Utilities.* Landlord shall, at Landlord's expense and as a component of the Operating Expenses, furnish for the Premises: (i) reasonable amounts of heat, ventilation and air-conditioning to maintain temperatures for comfortable use and occupancy of the Premises during all Standard HVAC Hours specified in the Basic Lease Information ("Standard HVAC Hours"); (ii) electricity at all times that provides electric current in reasonable amounts for all normal office and administrative purposes; (iii) janitorial and trash removal services each Sunday through Thursday (except public holidays) after 6:30 p.m.; (iv) automatic passenger elevator service at all times on a non-exclusive basis through the elevator located in the Building's lobby; (v) hot and cold running water at all times sufficient for drinking, lavatory, toilet and ordinary cleaning purposes to be drawn from approved fixtures in the Premises; (vi) building standard fluorescent lamp, lighting tube, bulb and lamp ballast replacement; (vii) perimeter window washing, inside (once each year) and outside (at least twice each year); (viii) extermination and pest control when and as reasonably required; (ix) maintenance of all Common Areas, including cleaning, HVAC, illumination, signage, lawn care and landscaping maintenance; (x) Common Area toilet room supplies; (xi) maintenance, lighting, cleaning and striping of the Parking Facilities; and (xii) with prior consent of Landlord, access to the Building's Demarcation point for telecommunication services provided to the Building by Qwest/Century Link or Cox Communications or equivalent service provider as determined by Landlord, provided any additional connection fees shall be at Tenant's sole cost. All services described in the preceding sentence shall be at least consistent with those customarily furnished in Class A low-rise office buildings in Scottsdale, Arizona. Any additional utilities or services that Landlord may agree to provide (including lamp or tube replacement for other than building standard lighting fixtures) shall be at Tenant's sole expense.

(b) *Additional Services.* Landlord shall furnish HVAC services at times other than Standard HVAC Hours, which Tenant may obtain by operating thermostats or other controls for distinct zones in the Premises. Tenant shall pay for such services on an hourly basis at the rate of \$6.00 per hour per zone. Landlord may, at Landlord's discretion, have the Premises separately metered for electricity, in which case Tenant shall not be required to pay a separate fee for using HVAC services at times other than Standard HVAC Hours and the total electrical expense for the Premises shall be deemed to be an Operating Expense for which Tenant is entirely responsible pursuant to Paragraph 4(b)(ii)(A)(ii), above.

(c) *Interruption of Service.* In no event shall Landlord be liable to Tenant for any interruption or failure in the supply of any utilities (including, without limitation, cable, phone and /or fiber) to the Premises. Landlord reserves the right to interrupt service of the heat, plumbing, air conditioning, cooling, electric, and sewer and water systems, when reasonably necessary, by reason of accident, or of repairs, alterations or improvements which in the good faith judgment of Landlord are desirable or necessary to be made, until such repairs, alterations or improvements shall have been completed; and Landlord shall have no responsibility or liability for failure to supply heat, plumbing, air conditioning, cooling, electric, and sewer and water service, or other service or act for the benefit of Tenant, when prevented from so doing by Force Majeure or by orders or regulations of any federal, state, county, or municipal authority (Landlord and Tenant shall each adhere to and abide by such orders and regulations without any reduction in rent or in any of Tenant's other obligations hereunder), and Tenant agrees that Tenant shall have no claim for damages nor shall there be any abatement of Annual Base Rent if any of said systems or service shall be discontinued or shall fail to function for any reason other than Landlord's negligence or failure to perform its obligations under this Lease. Landlord shall use commercially reasonable efforts to notify Tenant, in advance, of any planned interruptions and to minimize interference with Tenant's business.

(d) *Excessive Electrical & Water Usage.* Tenant will not install or operate in the Premises any heavy duty electrical or plumbing equipment or machinery, without obtaining the prior written consent of Landlord. If, in Landlord's reasonable discretion, Tenant consumes any utilities or services in excess of the normal consumption for general office use, Tenant agrees to pay Landlord for the cost of such excess consumption of utilities or services upon receipt of a statement of such costs from Landlord at the same time as payment of the Rent. Landlord may, at Landlord's discretion, have the Premises separately metered for electricity, in which case Tenant shall not be required to pay a separate fee for using HVAC services, and the total electrical expense for the Premises shall be deemed to be an Operating Expense for which Tenant is entirely responsible pursuant to **Section 3(b)(ii)(A)(ii)**, above.

10. Maintenance & Repairs.

(a) Landlord shall maintain or cause to be maintained in reasonably good order, condition and repair, all structural portions of the roof, foundations, floors, and exterior walls of the Building, all Building systems and all public and Common Areas of the Project (including, without limitation, the Parking Facilities, elevators and Common Area restrooms, building standard electrical, lighting, mechanical, plumbing, heating, air conditioning systems, and building standard fluorescent light bulbs) in a manner comparable with other Class A low-rise office buildings in Scottsdale, Arizona; provided, however, that: (i) Tenant shall pay the cost of repairs for any physical damage to the Project or the Premises occasioned by the misuse or primary negligence of Tenant or Tenant's employees, agents or invitees, to the extent (if any) not covered by Landlord's property insurance or the insurance Landlord is required to carry pursuant to this Lease; and (ii) Tenant shall, at its sole cost and expense, be responsible for all maintenance and repair (including janitorial costs) associated with any Non-Building Standard improvements, materials and/or finishes installed in the Premises. The term "Non-Building Standard" shall mean any improvements, finishes or materials that differ in any material respect from the standard improvements, finishes and/or materials used by Landlord in the Common Areas. Tenant shall promptly report in writing to Landlord any defective condition actually known to Tenant which Landlord is required to repair. All repairs, replacements and maintenance required of Landlord shall be made: (y) within a reasonable time (depending on the nature of the repair, replacement or maintenance required) after receiving notice from Tenant or having actual knowledge, without duty of inquiry, of the need for such repair, replacement or maintenance; and (z) in a manner that does not unreasonably interfere with Tenant's ability to conduct Tenant's business in the Premises.

(b) Tenant will keep the Premises and the fixtures and equipment therein in reasonably good order and condition, normal wear and tear excepted. During the Term, and subject to Landlord's cleaning, repair and maintenance obligations, Tenant at Tenant's expense, but under the good faith direction of Landlord, shall repair and maintain the interior of the Premises, including the interior walls, floor coverings, ceiling (ceiling tiles and grid), interior Tenant Improvements and any appliances (including dishwashers, refrigerators, hot water heaters and garbage disposals) in the Premises, and keep the Premises in a clean, safe and orderly condition. Nothing contained in this **Paragraph 10(b)** is intended to modify the requirements in Section 5, above, with respect to permitted alterations.

(c) Subject to the requirements of this Lease, Landlord reserves the right at any time and from time to time, without the same constituting an actual or constructive eviction and without incurring any liability to Tenant or otherwise affecting Tenant's obligations under this Lease, to make changes, alterations, additions, deletions, improvements, repairs, relocations or replacements in or to the Building and the fixtures and equipment thereof, as well as in or to the street entrances, halls, passages, stairways and other Common Areas, and to change the name by which the Building is commonly known and/or the Building's address. Landlord reserves the right from time to time to install, use, maintain, repair and replace Building signage, pipes, ducts, conduits, wires and appurtenant meters and equipment for service to other parts of the Building, above the ceiling surfaces, below the floor surfaces, within the walls and in the central core areas, and to relocate any Building signage, pipes, ducts, conduits, wires and appurtenant meters and equipment included in the Premises which are located in the Premises or located elsewhere outside the Premises. Nothing contained in this paragraph shall be deemed to relieve Tenant of any duty, obligation or liability with respect to making any repair, replacement or improvement or complying with any law, order or requirement of any government or other authority and nothing contained herein shall be deemed or construed to impose upon Landlord any obligation, responsibility or liability whatsoever, for the care, supervision or repair of the Building, or any part thereof, other than as expressly provided in this Lease. Said changes, alterations, additions, deletions, improvements, repairs, relocations or replacements shall not materially damage or impair Tenant's use or occupancy.

(d) Except as otherwise expressly provided in this Lease, any and all injury, breakage or damage of any type whatsoever to the Premises or to other portions of the Building, arising from any act or omission of Tenant or its agents, employees, licensees, invitees or contractors, shall be repaired by Landlord at the sole expense of Tenant (net of insurance proceeds received by Landlord). Tenant shall reimburse Landlord for the costs of such repairs within ten (10) Business Days of receipt of written notice from Landlord of such costs. This provision shall be construed as an additional remedy granted to Landlord and not in limitation of any other rights and remedies which Landlord may have.

11. Signs & Advertisements.

(a) Landlord agrees to display, at Landlord's expense, Tenant's name on the Building directory in the size and style or lettering typically used by Landlord. The number of individual names listed on the Building directory or directories shall be subject to such limitation as shall be established from time to time by Landlord. Landlord will, at Landlord's cost, install Building standard suite entry signage at the entrance to the Premises.

(b) Except as set forth in **Section 11(c)**, below, no sign, advertisement or notice shall be inscribed, painted, affixed or displayed on any part of the outside or the inside of the Building, or inside of the Premises where it may be visible from outside or from the public areas of the Building, except with Landlord's prior written consent and then only in such location, number, size, color and style (i.e., Building standard lettering) as is authorized by Landlord. If any such sign, advertisement or notice is exhibited without first obtaining Landlord's written consent, Landlord shall have the right to remove same, and Tenant shall be liable for any and all expenses incurred by Landlord in connection with said removal.

(c) To the extent permissible by law and subject to compliance with applicable covenants and conditions related to the Project, Tenant shall have the right, at Tenant's sole cost and expense, to install one (1) sign displaying its name on the exterior of the northeast elevation of the Building facing the Loop 101 Freeway ("Tenant Building Sign") in the location designated by Landlord. The location, design, size and other specifications of the Tenant Building Sign shall be consistent with Landlord's comprehensive sign plan and standard guidelines, subject to the approval by the Landlord, the City of Scottsdale and any applicable owner's association. Landlord approves the location depiction and rendering of the Tenant Building Sign as set forth on Exhibit E to this Lease, subject to: (i) compliance with Landlord's comprehensive sign plan and standard guidelines; and (ii) approval by the City of Scottsdale and any applicable owner's association.

(d) Landlord shall have the right to prohibit any published advertisement of Tenant which in Landlord's good faith opinion tends to impair the image or reputation of the Building or its desirability as a Class A office building. Upon written notice from Landlord, Tenant shall immediately refrain from and discontinue any such advertisement.

(e) Tenant's signage rights set forth in this **Section 11** are personal to Tenant and shall expire upon any Permitted Transfer.

12. Excessive Floor Load. Landlord shall have the right to prescribe the weight and method of installation and position of safes, filing facilities or other heavy fixtures or equipment. Tenant will not, without Landlord's prior written approval, install in the Premises any fixtures, equipment or machinery that will place a load upon the floor exceeding the designed floor load capacity. Tenant shall be liable for all damage (other than normal and reasonable wear and tear) done to the Building by installing or removing a safe or any other article of Tenant's office equipment, or due to its being in the Premises.

13. Moving and Deliveries. Except upon initial move-in, no freight, furniture or other bulky matter of any description shall be received into the Building or carried in the elevators, without Landlord's prior written approval, which approval shall not be unreasonably withheld. Tenant shall promptly remove from the public areas within or adjacent to the Building any of Tenant's property delivered or deposited there, and shall be responsible for any damage to the Building or the Premises caused by its moving and deliveries.

14. Parking Facilities.

(a) *Parking Ratios.* Subject to the specific terms, provisions and adjustments set forth in this **Section 14**, Landlord will maintain, for Tenant's use during the Term, parking for Tenant based on a total parking ratio not to exceed 5/1,000 square feet of Rentable Area ("Maximum Parking Ratio"), which will be administered and paid for as follows:

(i) *Covered Parking.* Landlord will at all times during the Term maintain (A) fifteen (15) covered reserved parking spaces based on a ratio of 1.5/1,000 square feet of Rentable Area ("Covered Reserved Parking Spaces") for Tenant's exclusive use, and (B) twenty-nine (29) covered unreserved parking spaces based on a ratio of 3.0/1,000 square feet of Rentable Area ("Covered Unreserved Parking Spaces") for Tenant's non-exclusive use. Commencing on the 13th month following the Commencement Date, Tenant shall pay a monthly Parking Fee at the rate of \$55.00 per space per month for each Covered Reserved Parking Spaces and \$40.00 per space per month for each Covered Unreserved Parking Spaces. All Parking Fees shall be payable, in advance and without demand, together with each installment of Monthly Base Rent.

(ii) *Uncovered Parking.* Tenant shall be permitted, on a non-exclusive basis, to use up to five (5) uncovered, unreserved parking spaces based on a ratio of 0.5/1,000 square feet of Rentable Area ("General Parking Spaces") at no additional charge to Tenant.

(b) *General.* The Covered Reserved Parking Spaces, Covered Unreserved Parking Spaces and General Parking Spaces shall be referred to collectively in this Lease as the "Parking Facilities." Tenant shall not use any Parking Facilities or other parking or storage areas in the Project for the overnight storage of vehicles without Landlord's prior written approval, which approval shall not be unreasonably withheld. It is understood and agreed that Landlord assumes no responsibility, and shall not be held liable, for any damage or loss to any automobiles parked in the Parking Facilities or to any personal property located therein, or for any injury sustained by any person in or about the Parking Facilities. Landlord shall use commercially reasonable efforts to enforce parking restrictions within the Parking Facilities; provided, however, Landlord shall not be liable for any parking violations of other Tenants.

15. Access.

(a) *Access to Building & Common Areas.* Tenant shall have access to the Building and the Common Areas twenty-four (24) hours per day, seven (7) days per week, by means of a key or an electronic security access system. Tenant shall, upon termination of the Lease, return to Landlord all keys and/or access cards to the Building. Landlord reserves the right to require a refundable deposit on Building keys and security access cards, which deposit shall be returned to Tenant at the time such keys and cards are returned to Landlord. Additional keys or security access cards required by Tenant for any reason will be provided upon Tenant's payment of a fee as reasonably determined by Landlord. If Tenant installs separate or replacement locks or access devices on or within the Premises, Tenant shall promptly provide Landlord with all necessary keys, access cards and access codes in order to insure that Landlord has and maintains access to the Premises as otherwise provided in this Lease.

(b) *Landlord's Access to Premises.* Landlord, its agents, employees and contractors shall have the right to enter the Premises at all reasonable times, including emergencies determined by Landlord, (a) to make inspections or to make repairs to the Premises or other premises as Landlord may deem necessary; (b) to perform nightly cleaning of the Premises; (c) to exhibit the Premises to prospective tenants during the last six (6) months of the Term; and (d) for any purpose whatsoever relating to the safety, protection or preservation of the Building. Landlord shall not be required to give Tenant notice for access to Premises to perform nightly cleaning and for emergencies determined by Landlord. Landlord shall use reasonable efforts to minimize interference to Tenant's business when making repairs or otherwise accessing the Premises pursuant to the terms of this Lease, but Landlord shall not be required to perform the repairs at any time other than during normal working hours. Landlord shall provide reasonable notice prior to entry (except in the case of emergencies or (a) or (b) above).

(c) *Restricted Access.* No additional locks, other devices or systems, including without limitation alarm systems, which would restrict access to the Premises shall be placed upon any doors without the prior written consent of Landlord.

16. Liability.

(a) *Personal Property.* All personal property of Tenant (including but not limited to furniture, equipment, trade fixtures and merchandise) located in the Premises or in the Building shall be at the sole risk of Tenant. Landlord, its agents and employees shall not be liable for any damage thereto, unless such damage is directly attributable to the negligent or willful acts of Landlord, its agents or employees. Landlord, its agents and employees shall not be liable for any accident or damage to property of Tenant resulting from the use or operation of elevators or of the heating, cooling, electrical or plumbing apparatus, unless caused by and due to the negligent or willful acts of Landlord, its agents or employees. Tenant hereby expressly releases Landlord, its agents and employees from any liability incurred or claimed by reason of damage to Tenant's property except for damage caused by the negligent or willful misconduct of Landlord, its agents or employees. Landlord, its agents and employees shall not be liable in damages, nor shall this Lease be affected, for conditions arising or resulting, and which affect the Building, due to construction on contiguous premises.

(b) *Criminal Acts of Third Parties.* Landlord, its agents and employees shall not be liable in any manner to Tenant, its agents, employees, licensees or invitees for any injury or damage to Tenant, Tenant's agents, employees, licensees or invitees or their property caused by the criminal or intentional misconduct of third parties unless such injury or damage is the proximate result of Landlord's breach of any term or provision of this Lease.

(c) *Tenant Indemnity.* Subject to the terms and conditions otherwise set forth in this Lease, Tenant shall indemnify Landlord, Landlord's property manager, and their respective owners, members, employees and agents, and save them harmless from and against any and all claims, actions, damages, liabilities and expense in connection with loss of life, personal injury and/or damage to property arising from or out of any occurrence in, upon or at the Premises and/or the Common Areas, or the occupancy or use by Tenant of the Premises and/or the Common Areas or any part thereof, or occasioned wholly or in part by any act or omission of Tenant, its agents, employees, contractors, invitees or licensees unless proximately caused by and due to the negligent or willful acts of Landlord, its agents or employees. If Landlord, the property manager, or their respective agents or employees shall, without fault on its or their part, be made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold the same harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid in connection with such litigation.

(d) *Landlord Indemnity.* Subject to the terms and conditions otherwise set forth in this Lease, Landlord shall indemnify Tenant, and Tenant's respective shareholders, officers, directors, employees and agents and save them harmless from and against any and all claims, actions, damages, liabilities and expenses in connection with loss of life, personal injury and/or damage to property arising from or out of the occurrence in, upon or at the Premises and/or the Common Areas, or the occupancy or use by Landlord of the Premises and/or the Common Areas or any part thereof, or occasioned wholly or in part by any act or omission of Landlord, its agents, employees, contractors, invitees or licensees. If Tenant or its respective agents or employees shall, without fault on its or their part, be made a party to any litigation commenced by or against Landlord, then Landlord shall protect and hold the same harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid in connection with such litigation.

17. Insurance.

(a) *Liability Insurance.* Each Party shall maintain in full force throughout the Term commercial general liability insurance providing coverage on an occurrence form basis with limits of not less than Two Million Dollars (\$2,000,000.00) each occurrence for bodily injury and property damage combined and Two Million Dollars (\$2,000,000.00) annual general aggregate coverage. Each Party's liability insurance policy or policies shall: (i) include premises liability broad form property damage coverage and personal injury coverage; (ii) provide that the insurance company has the duty to defend all insureds under the policy; (iii) provide that defense costs are paid in addition to and do not deplete any of the policy limits; (iv) cover liabilities arising out of or incurred in connection with the Premises or the Project, as applicable; and (v) extend coverage to cover liability for the actions of each Party's employees, agents and invitees. Each policy of liability insurance required by this **Section 17** shall: (i) contain a cross liability endorsement or separation of insureds clause; (ii) provide that any waiver of subrogation rights or release prior to a loss does not void coverage; (iii) provide that it is primary to and not contributing with, any policy of insurance carried by the other Party covering the same loss; (iv) provide that any failure to comply with the reporting provisions shall not affect coverage provided to the other Party; and (v) name the non-procuring Party, and the Property Manager identified in the Basic Lease Information ("Property Manager"), and such other parties in interest as the non-procuring Party may from time to time reasonably designate to the procuring Party in writing, as additional insureds. Such additional insureds shall be provided at least the same extent of coverage as is provided to the procuring Party under such policies.

(b) *Property Insurance.* Each Party shall at all times maintain in effect with respect to its personal property at the Project (including, with respect to Tenant, any Alterations and trade fixtures owned by Tenant), commercial property insurance providing coverage, on an “all risk” or “special form” basis, in an amount equal to at least 90% of the full replacement cost of the covered property. Either Party may carry such insurance under a blanket policy, provided that such policy provides coverage equivalent to a separate policy. During the Term, the proceeds from any such policies of insurance relating to losses incurred with respect to the Project shall be used for the repair or replacement of the property so insured. In each case, the non-procuring Party shall be provided coverage under such insurance to the extent of its insurable interest (if any) and, if requested by the non-procuring Party, both Landlord and Tenant shall sign all documents reasonably necessary or proper in connection with the settlement of any claim or loss under such insurance. Landlord will have no obligation to carry insurance on any Alterations or on Tenant’s trade fixtures or personal property, and Tenant will have no obligation to carry insurance on any of Landlord’s personal property.

(c) *Building Insurance.* Landlord shall maintain in effect insurance on the Building and Parking Facilities and Tenant Improvements with responsible insurers, on an “all risk” or “special form” basis, insuring the Building and Parking Facilities and Tenant Improvements in the amount of the full replacement cost thereof, excluding land. The insurance shall include an extended coverage endorsement of the kind required by an institutional lender to repair and restore the Building (including the Tenant Improvements) and the Parking Facilities. Landlord may, but shall not be obligated to, carry insurance against additional perils and/or in greater amounts, provided that any such additional insurance is of a type and amount carried by owner of comparable Class A office space in the Scottsdale metropolitan area. Landlord’s liability coverage on the Common Areas will insure Tenant against liability for the acts or omissions of Landlord and its employees, agents and representatives.

(d) *Requirements for All Policies.* Each policy of insurance required under this **Section 17** shall: (i) be in a form, and written by an insurer, reasonably acceptable to the non-procuring Party; (ii) be maintained at the procuring Party’s sole cost and expense; and (iii) require at least thirty (30) days’ (or such lesser period as is reasonably available) written notice to the non-procuring Party prior to any cancellation, nonrenewal or modification of insurance coverage. All insurance companies issuing such policies shall be admitted carriers licensed to do business in Arizona. Each Party shall provide to the other, upon request, evidence that the insurance required to be carried by it pursuant to this **Section 17**, including any endorsement effecting additional insured status, is in full force and effect and that premiums therefor have been paid.

(e) *Updating Coverage.* The amounts of insurance required by this **Section 17** shall be reviewed and revised, three years after the Commencement Date and each three years thereafter, to maintain approximately the same level of coverage that exists on the Commencement Date, considering the coverage then carried by prudent landlords and tenants for Class A low-rise office buildings in Scottsdale, Arizona.

(f) *Proof of Insurance.* Prior to occupancy of the Premises by Tenant, and not less than thirty (30) days prior to expiration of any policy thereafter, each Party shall furnish to the other Party reasonably acceptable proof of insurance reflecting that the insurance required by this **Section 17** is in force, accompanied by an endorsement showing the required additional insureds reasonably requested by the other Party. Such proof may consist of a certificate or a certified copy of each insurance policy required to be in force at any time pursuant to the requirements of this Lease.

(g) *Notice of Fire and Accident.* Tenant shall give Landlord prompt notice in case of fire, theft, or accidents in the Premises, and in case of fire, theft or accidents in the Building if involving Tenant, its agents, employees or invitees.

(h) *Waiver of Subrogation.* Neither Landlord nor Tenant shall be liable (by way of subrogation or otherwise) to the other party (or to any insurance company insuring the other party) for any loss or damage to the Premises or to the property of either party covered by insurance to the extent of such insurance and all casualty insurance and other insurance carried either by Landlord or Tenant covering losses arising out of destruction or damage to the Premises or its contents or to other portions of the Building shall provide for a waiver of subrogation against Landlord and Tenant respectively on the part of the insurance company, and Landlord and Tenant mutually waive all right of recovery against each other, their agents, or employees for any loss, damage or injury of any nature whatsoever to property or person for which either party is required by this Lease to carry insurance.

18. Damage by Casualty.

(a) *Fire or Casualty Damage.* If there is damage or destruction of the Premises by fire or any other casualty, this Lease shall not be terminated, except as provided in **Section 18(c)**, but the Premises shall be promptly and fully repaired and restored by Landlord to the extent of available insurance proceeds.

(b) *Untenantability.* If the condition referred to in **Section 18(a)** is such so as to make the entire Premises untenantable, then the Rent which Tenant is obligated to pay hereunder shall abate as of the date of the occurrence until the Premises have been fully and completely restored by Landlord. If the Premises are partially damaged or destroyed, then during the period until Landlord completes restoration of the damaged portion of the Premises, Tenant shall be required to pay Rent covering only that part of the Premises that it is able to occupy, based on the Rentable Area of the Premises that can be occupied compared to the total Rentable Area of the Premises. Any repair or restoration to be performed by Landlord under this **Section 18** shall be limited to those portions of the Premises which were constructed by Landlord or are Landlord's responsibility to maintain or repair. Tenant, at its own expense, shall repair or replace its furniture, trade fixtures, equipment, personal property and other items belonging to Tenant, and any leasehold improvements constructed by Tenant, which are damaged or destroyed by fire or other casualty. Except as hereinabove set forth, no compensation, or claim, or diminution of Rent will be allowed or paid by Landlord, by reason of inconvenience, annoyance, or injury to business, arising from the necessity of repairing the Premises or any portion of the Building of which they are a part.

(c) *Right to Terminate.* If the Premises are substantially or totally destroyed by fire or other casualty so as to be substantially untenantable, and it shall require more than one hundred eighty (180) days from the date of loss for Landlord to complete restoration of same, or at the time of the casualty less than one (1) year remains of the Term, either party, upon written notice to the other, may terminate this Lease, in which case the Rent shall be apportioned and paid to the date of said fire or other casualty. If the repair to the Premises are not substantially complete so that Tenant can reoccupy the Premises for the conduct of its business within two hundred forty (240) days from the date of loss, then Tenant may elect to terminate this Lease by giving Landlord fifteen (15) days prior written notice, in which case the Rent shall be apportioned and paid to the dates of said fire or other casualty.

19. Condemnation. If the whole or a substantial part of the Project or the Building shall be taken for any public or quasi-public purpose by any lawful power or authority by exercise of the right of appropriation, condemnation or eminent domain, or sold to said authority to prevent such taking (collectively, a "Taking"), Landlord shall have the right to terminate this Lease effective as of the date possession is required to be surrendered to said authority, and Rent shall be apportioned as of that date. For purposes of this **Section 19**, a substantial part of the Premises or the Building shall be considered to have been taken if, in Landlord's good faith opinion, the taking shall render the Building commercially impractical or undesirable for Landlord to permit this Lease to continue or to continue operating the Building. Tenant shall not assert any claim against Landlord or the taking authority for any compensation arising out of or related to such taking and Landlord shall be entitled to receive the entire amount of any award without deduction for any estate or interest of Tenant but reserves the right to assert a claim on its own behalf against the condemning authority, which claim shall have no bearing on Landlord's award. If Landlord does not elect to terminate this Lease, the Annual Base Rent and Additional Rent payable by Tenant pursuant to **Section 3** shall be adjusted (based on the ratio that the number of square feet of Rentable Area taken from the Premises bears to the number of rentable square feet in the Premises immediately prior to such taking) as of the date possession is required to be surrendered to said authority. Nothing contained in this Section shall be deemed to give Landlord any interest in any award made to Tenant for the taking of personal property, fixtures or the leasehold interest belonging to Tenant, as long as such award is made in addition to and separately stated from any award made to Landlord for the Premises and the Building or any loss of income associated with the condemnation. Landlord shall have no obligation to contest any taking.

20. Defaults and Remedies.

- (a) *Default.* Each of the following shall be deemed a default ("Default") by Tenant and a breach of this Lease:
- (i) Subject to **Paragraph 20(i)**, below, a failure by Tenant to pay any Rent when due if such payment is not made within five (5) Business Days after receipt of written notice from Landlord;
 - (ii) An assignment of this Lease or subletting of the Premises in violation of **Section 8**;
 - (iii) A failure by Tenant to cure or correct any violation, breach or failure in the observance or performance of any other term, covenant, agreement or condition of this Lease on the part of Tenant to be observed or performed, within thirty (30) days after receipt by Tenant of written notice describing, in reasonable detail, the nature of the Default or, if such failure cannot reasonably be cured within such thirty (30) day period, Tenant fails within such thirty (30) day period to commence, and thereafter to diligently proceed to completion with, all actions necessary to cure the Default as soon as reasonably possible;

(iv) Tenant's abandonment of or suspension of business in the Premises; or

(v) Any material and adverse misrepresentation by Tenant to Landlord in connection with the negotiation and/or execution of this Lease.

(b) *Remedies.* Upon the occurrence of a Default by Tenant, Landlord shall be entitled to remedy such default as follows:

(i) Landlord shall have the right, immediately or at any time thereafter, without further notice to Tenant, to enter the Premises, without terminating this Lease or being guilty of trespass, and do any and all acts as Landlord may deem reasonably necessary, proper or convenient to cure such Default, for the account and at the expense of Tenant, and Tenant agrees to pay to Landlord as Additional Rent all damage and/or expense reasonably incurred by Landlord in so doing.

(ii) Landlord shall have the right to terminate this Lease and Tenant's right to possession of the Premises and, with or without legal process, take possession of the Premises and remove Tenant, any occupant and any property therefrom, using such force as may be reasonably necessary, without being guilty of trespass and without relinquishing any right of Landlord against Tenant. No act or thing done by Landlord shall be deemed to be an acceptance of a surrender of the Premises unless Landlord shall execute a written agreement of surrender with Tenant. Tenant's liability shall not be terminated by the execution of a new lease of the Premises by Landlord. After such a dispossession or removal, (1) the Rent and other charges which are the obligation of Tenant shall be paid up to the date Landlord's re-entry, (2) Landlord may re-let the Premises or any part or parts thereof either in the name of Landlord or otherwise, for a term or terms which may, at the option of Landlord, be less than or exceed the period which would otherwise have constituted the balance of the term of this Lease, and (3) Tenant shall pay to Landlord any deficiency between the sum of the Rent and other charges due hereunder plus the reasonable costs of relating the Premises (including broker's and attorneys' fees, and the cost of alterations, repairs and replacements reasonably necessary to re-let the Premises) and the amount of rents and other charges collected on account of the new lease or leases of the Premises for each month of the period which would otherwise have constituted the balance of the term of this Lease (not including any renewal periods, the commencement of which shall not have occurred prior to such dispossession or removal). Such deficiency shall be paid by Tenant in monthly installments on the dates specified in this Lease for payment of Rent, and any suit brought to collect the amount of the deficiency for any month shall not prejudice in any way the rights of Landlord to collect the deficiency for any subsequent month by a similar proceeding. In the alternative, Landlord shall have the right to exercise all or any of the rights and remedies afforded Landlord under law including, but not limited to, the right to terminate this Lease and recover Landlord's damages incurred as a result thereof. The damages Landlord may recover against Tenant include, but are not limited to, any Late Charge(s) otherwise due the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for the same period that the Tenant proves could be reasonably avoided, together with interest on all unpaid sums at the Interest Rate. Tenant hereby expressly waives any and all rights of redemption granted by or under any present or future laws if Tenant is being evicted or being dispossessed for any cause, or in the event of Landlord obtaining possession of the Premises by reason of the default by Tenant of any of the covenants and conditions of this Lease.

(c) *Right of Landlord to Cure Tenant's Default.* If Tenant defaults in the making of any payment to any third party, or doing any act required to be made or done by Tenant relating to the Premises, then Landlord may, but shall not be required to, make such payment or do such act. The amount of any resulting expense or cost to Landlord, including reasonable attorneys' fees, with interest thereon at the Interest Rate, accruing from the date paid by Landlord, shall be paid by Tenant to Landlord and shall constitute Additional Rent hereunder, due and payable by Tenant upon receipt of a written statement of costs from Landlord. The making of such payment or the doing of such act by Landlord shall not operate to cure Tenant's default, nor shall it prevent Landlord from the pursuit of any remedy to which Landlord would otherwise be entitled.

(d) *Lien for Rent.* Upon any Default by Tenant, Landlord shall have a lien upon the property of Tenant in the Premises for the amount of any unpaid Rent subject to any lien waiver(s) Landlord may have executed with lender(s) of Tenant. In such event, Tenant shall not remove any of Tenant's property from the Premises except with the prior written consent of Landlord, and Landlord shall have the right and privilege, at its option, to take possession of all property of Tenant in the Premises, to store the same on the Premises, or to remove it and store it in such place as may be selected by Landlord, at Tenant's risk and expense. Notwithstanding any conflicting provision of this Lease or any other provision of the Arizona Revised Statutes, Landlord shall never have any lien on or other right of any nature in, on or with respect to any records, media, files, computers or other items containing any confidential or privileged information relating to Tenant's business or clients.

(e) *Attorneys' Fees.* Tenant agrees to pay all costs and reasonable expenses of collection (including reasonable attorneys' fees) on any part of any sums due Landlord that may be collected by an attorney, suit, distress or foreclosure; and further, if Tenant fails to promptly and fully perform and comply with any material condition and covenant hereunder and the matter is turned over to Landlord's attorney, Tenant shall pay Landlord a reasonable attorneys' fee plus costs, where necessary, whether suit is instituted or not.

(f) *Landlord's Remedies Cumulative.* All rights and remedies of Landlord herein enumerated shall be cumulative, and none shall exclude any other right or remedy allowed by law. For the purposes of any suit brought or based hereon, this Lease shall be construed to be a divisible contract, to the end that successive actions may be maintained on this Lease as successive periodic sums mature hereunder.

(g) *Landlord's Default.*

(i) If Landlord fails to perform or comply in any material manner with any provision of this Lease, Tenant may give Landlord notice of the default and Landlord shall have: (i) five (5) Business Days to cure the default, if the default can be cured by the payment of money; and (ii) thirty (30) days to cure the default, if the default cannot be cured by the payment of money, but if a non-monetary default cannot reasonably be cured within such thirty (30)-day period, Landlord will have such additional time as may be reasonably necessary to cure the default so long as Landlord promptly commences to cure the default within the 30-day period and diligently proceeds to complete such cure.

(ii) If any default by Landlord continues beyond the applicable cure period set forth in **Section 20(g)(i)**, above. Tenant may pursue its rights and remedies under this Lease and Arizona Law, excepting only the right of offset or deduction of Rent, unless such remedy is expressly conferred by this Lease. In addition, Tenant may cure a default on Landlord's behalf, and the costs expended by Tenant in good faith in doing so shall be paid by Landlord upon demand together with interest thereon at the Interest Rate. If Landlord fails to pay any sum due Tenant after default and such failure continues for more than three (3) Business Days after additional notice by Tenant to Landlord and Landlord's lender, Tenant shall have, in addition to any other rights and remedies under this Lease and Arizona law, the right to offset such amounts against all payments of Rent subsequently accruing until such amount with interest at the Interest Rate is recovered in full, except that no more than fifty percent (50%) of any installment of Rent shall be offset. Upon the giving of twenty-four (24) hours notice to Landlord, Tenant shall also have the right to self-help if Landlord fails to provide heating, ventilation and air conditioning services to the Premises in the manner required by this Lease and in such event any amounts expended by Tenant shall be payable by Landlord on demand together with interest thereon at the Interest Rate and Tenant shall have, in addition to any other rights and remedies under this Lease and Arizona Law, the right to offset such amounts against all payments of Rent subsequently accruing until such amount with interest is recovered in full, except that no more than fifty (50%) of any installment of Rent shall be offset.

(h) *Non-Waiver.* Acceptance of partial payment of Rent or other partial performance, with or without the accepting Parties' knowledge of a Default or default by the other Party, or failure of either Party to take any action on account of a Default or default by the other Party, or to enforce its rights under this Lease, other than the acceptance of full payment of a cure of the Default or default, shall not be deemed a waiver of any Default or default.

(i) *Special Default Notice Rule.* Notwithstanding the provisions of **Paragraph 20(a)(i)**, above, Landlord shall not be required to provide Tenant with written notice of non-payment more than one (1) time in any twelve (12) month period during the Term.

(i) *Special Default Notice Rule.* Notwithstanding the provisions of **Paragraph 20(a)(i)**, above, Landlord shall not be required to provide Tenant with written notice of non-payment more than one (1) time in any twelve (12) month period during the Term. Accordingly, if Tenant fails to make any Rent payment when due and Landlord provided Tenant written notice of non-payment of Rent anytime within the prior twelve (12) month period, Landlord shall not be required to provide written notice of non-payment with respect to that payment and a Default will exist if such payment is not made within five (5) Business Days following the applicable due date.

21. Encumbrances & Public Notice.

(a) *Subordination & Attornment.* This Lease is made and shall be subject and subordinate to any existing or future encumbrance created by Landlord and covering all or any portion of the Project; provided, however, that such subordination shall only be effective as to any future encumbrance if the holder of the encumbrance agrees that this Lease shall survive the termination of the encumbrance by lapse of time, foreclosure or otherwise and that all holders of the encumbrance will be bound by this Lease and by all of Tenant's rights under the Lease and Tenant agrees to and shall attorn to the holders of such encumbrance(s). Provided the conditions of the preceding sentence are satisfied, Tenant shall execute and deliver to Landlord, within fifteen (15) Business Days after written request by Landlord and in a form reasonably requested by Landlord and consistent with this **Section 21**, any additional documents evidencing the subordination of this Lease, the nondisturbance agreement of all holders of encumbrances and Tenant's agreement to attorn ("SNDA"). If the interest of Landlord in the Project is transferred pursuant to, or in lieu of proceedings for enforcement of, any encumbrance and provided that the new owner of the Project complies with the requirements of this **Section 21**, Tenant shall immediately and automatically following notice of such transfer attorn to the new owner, and this Lease shall continue in full force and effect as a direct lease between the transferee and Tenant on the terms, and subject to the conditions, otherwise set forth in this Lease. Landlord shall use commercially reasonable efforts to receive from Landlord's current lender, a subordination, non-disturbance and attornment agreement, reasonably acceptable to Tenant, that provides (among other things) that this Lease shall survive the termination of the encumbrance by lapse of time, foreclosure or otherwise and that all holders of the encumbrance will be bound by this Lease and by all of Tenant's rights under the Lease and Tenant agrees to attorn to the holders of such encumbrance.

(b) *New Financing.* If any future mortgagee requires, as a good faith condition of any financing, that modifications to this Lease be obtained, and provided that such modifications (i) are reasonable, (ii) do not adversely affect Tenant's use and enjoyment of the Premises and the Common Areas or change the character of the Building from a Class A low-rise office building, (iii) do not materially alter the Approved Plan for the Premises, and (iv) do not increase the Rent and other sums required to be paid by Tenant, then Landlord may submit to Tenant a written amendment to this Lease incorporating mortgagee's required modifications, and, if Tenant does not execute and return to Landlord such written amendment within fifteen (15) Business Days after the same has been submitted to Tenant, then Landlord shall thereafter have the right, at its sole option, to cancel this Lease. Such option shall be exercisable by Landlord giving Tenant written notice of cancellation, immediately whereupon this Lease shall be cancelled and terminate, and any money held by Landlord on Tenant's behalf shall be returned to Tenant, and both Landlord and Tenant shall thereupon be relieved from any and all further liability or obligation under this Lease.

22. Estoppel Certificates. Tenant agrees, at any time and from time to time, upon not less than ten (10) days prior written notice by Landlord, to execute, acknowledge and deliver to Landlord a written estoppel certificate (i) certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, stating the nature of same), (ii) stating the Commencement Date of the Lease Term, (iii) stating the amounts of Annual Base Rent and Additional Rent and the dates to which the Annual Base Rent and Additional Rent have been paid by Tenant, (iv) stating the amount of any Security Deposit, if any, (v) stating whether or not to the best knowledge of Tenant, Landlord is in default in the performance of any covenant, agreement or condition contained in this Lease, and, if so, specifying each such default of which Tenant may have knowledge, (vi) stating that Tenant has no right to setoff and no defense against payment of the Annual Base Rent or Additional Rent, (vii) stating the address to which notices to Tenant should be sent, and (viii) certifying such other matters as may be reasonably requested by Landlord. Any such certificate delivered pursuant hereto may be relied upon by an owner of the Building, any prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein, or any prospective assignee of any such mortgage. Failure to deliver the aforesaid certificate within the ten (10) days shall be conclusive upon Tenant for the benefit of Landlord and any successor to Landlord that this Lease is in full force and effect and has not been modified except as may be represented by the party requesting the certificate. Further, if Tenant fails to deliver the certificate within the twenty (20) days, Tenant permits Landlord the one-time right to execute and deliver the certificate to any third party.

23. Surrender and Inspection Upon the Expiration Date or other termination of the Term of this Lease, Tenant shall quit and surrender the Premises to Landlord broom clean and in as good order and condition as when received, ordinary and reasonable wear and tear excepted, and Tenant shall remove all of its property from the Premises and its Tenant Building Sign from the Building by the Expiration Date or other termination of this Lease. Tenant shall restore the exterior of the Building affected by the Tenant Building Sign to its condition prior to Tenant's installation of the Tenant Building Sign. Tenant's obligation to observe or perform this covenant shall survive the expiration or other termination of this Lease. If Tenant does not remove Tenant's furniture, equipment, machinery, trade fixtures, floor coverings and all other items of personal property from the Premises prior to the Expiration Date, then Tenant shall be conclusively presumed to have conveyed the same to Landlord without further payment or credit by Landlord to Tenant, and Landlord may dispose of such personal property at Tenant's cost.

24. Tenant Holdover. If Tenant continues to remain in the Premises after the expiration of the Lease Term without Landlord's consent, Tenant shall become a tenant of sufferance only, at a base monthly rent which is one hundred twenty-five percent (125%) of the Base Monthly Rent applicable to the last month of the Term (for the first three (3) months of a holdover) and then one hundred fifty percent (150%) of the Base Monthly Rent applicable to the last month of the Term (for each subsequent holdover month), and otherwise subject to the terms, covenants and conditions herein specified. Tenant expressly agrees to hold Landlord harmless from all loss and damages, direct and consequential, which Landlord may suffer in defense of claims by other parties against Landlord arising out of the holding over by Tenant, including without limitation attorneys' fees which may be incurred by Landlord in defense of such claims. Acceptance of rent by Landlord subsequent to the expiration of the Term shall not constitute consent to any holding over.

25. Quiet Enjoyment. So long as Tenant shall observe and perform all the covenants and agreements binding on Tenant under this Lease, Tenant shall at all times during the Term, peacefully and quietly have and enjoy possession of the Premises and nonexclusive use of the Common Areas without any encumbrance or hindrance by, from or through Landlord, except as provided for elsewhere under this Lease.

26. Limitation of Landlord's Liability. It is understood and agreed that the liability of Landlord under this Lease shall be limited solely to Landlord's assets and its interest in the Project of which the Premises form a part and the Common Areas; and that neither Landlord's members nor its officers, employees and agents, shall be personally liable for any obligations of Landlord arising out of or related to this Lease.

27. Time of the Essence. Landlord and Tenant acknowledge that time is of the essence in the performance of any and all obligations, terms, and provisions of this Lease.

28. Waiver of Trial by Jury. Landlord and Tenant waive their right to trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other (except for personal injury or property damage) on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use of or occupancy of the Premises, and any emergency statutory or any other statutory remedy.

29. Notices. All notices required or desired to be given by either Party to the other shall be given in person, or sent by Federal Express or by certified or registered mail, postage prepaid, return receipt requested, addressed as specified in the Basic Lease Information. Either Party may, by like written notice, designate a new address to which such notices shall be directed. Notice shall be deemed to be effective when delivered in person or by Federal Express, or three (3) days after mailing.

30. Brokers. Except as separately agreed, in writing, by Landlord to: (i) Marcor Commercial Real Estate Inc. (Francis Marotta) who is representing Tenant in this transaction ("Tenant's Broker"); and (ii) Cassidy Turley (Michael Beall and Christopher Walker) who is representing Landlord in this transaction ("Landlord's Broker"), Landlord and Tenant each represents and warrants to the other that it has not employed any broker in connection with this Lease transaction. Landlord and Tenant each shall indemnify and hold harmless the other from and against any claims for brokerage or other commission arising by reason of a breach by the indemnifying party of the aforesaid representation and warranty.

31. Force Majeure. Landlord's obligations under this Lease, including Landlord's obligations to deliver the Premises shall be subject to *force majeure* delays ("Force Majeure Delays"). For the purpose of this Lease, the term Force Majeure Delays shall include delays caused by strikes, fire, unusually severe and adverse weather conditions, acts or delays of public agencies or governmental bodies, any moratorium on the issuance of governmental approvals or utility service connections or other similar government actions, freight embargoes, unanticipated shortages of necessary labor or materials or for other reasons beyond the reasonable control of Landlord. If the Commencement Date is postponed as a result of a Force Majeure Delay, the Expiration Date shall also be postponed for the same period of time.

32. Miscellaneous Provisions.

(a) *Governing Law.* The laws of the State of Arizona (excluding conflict of laws principles) shall govern the validity, performance and enforcement of this Lease.

(b) *Covenants.* The parties hereto agree that all the provisions of this Lease are to be construed as covenants and agreements as though the words importing such covenants and agreements were used in each separate provision.

(c) *Successors.* All rights, remedies and liabilities herein given to or imposed upon either of the parties hereto, shall extend to, be binding upon and inure to the benefit of their respective heirs, executors, administrators, successors and permitted assigns. This provision shall not be deemed to grant Tenant any right to assign this Lease or to sublet the Premises.

(d) *No Partnership.* Nothing contained in this Lease shall be deemed or construed to create a partnership or joint venture of or between Landlord and Tenant, or to create any other relationship between the parties other than that of Landlord and Tenant.

(e) *No Representations by Landlord.* Neither Landlord nor any agent of Landlord has made any representations or promises with respect to the Premises or the Building except as herein expressly set forth, and no rights, privileges, easements or licenses are granted to Tenant except as herein expressly set forth.

(f) *Captions.* All Section and paragraph captions herein are for the convenience of the parties only, and shall neither limit nor amplify the provisions of this Lease.

(g) *Invalidity of Particular Provisions.* If any term or provision of this Lease or applications thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remaining terms and provisions of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and enforced to the fullest extent permitted by law.

(h) *Counterparts.* This Lease may be executed in several counterparts, but all such counterparts shall constitute one and the same legal document.

(i) *Entire Agreement; Modification.* This Lease and all Exhibits hereto contain all the agreements and conditions made between the parties and may not be modified orally or in any other manner than by an agreement in writing, signed by the parties hereto.

(j) *Interpretation.* This Lease shall not be construed for or against Landlord or Tenant, but this Lease shall be interpreted in accordance with the general tenor of the language in an effort to reach the intended result.

(k) *Authority.* Landlord and Tenant hereby covenant that each has full right, power and authority to enter into this Lease upon the terms and conditions herein set forth. If Tenant signs as a corporation, each of the persons executing this Lease on behalf of Tenant does hereby covenant and warrant that Tenant is a duly authorized and existing corporation, qualified to do business in the jurisdiction in which the Premises is located, that the corporation has full right and authority to enter into this Lease, and that each and both of the persons signing on behalf of the corporation were authorized to do so. If Tenant signs as a partnership, each of the persons executing this Lease on behalf of Tenant does hereby covenant and warrant that Tenant is a duly formed and validly existing partnership, that the partnership has full right and authority to enter into this Lease, and that each of the persons signing on behalf of the partnership were authorized to do so.

(l) *Examination of Lease.* Submission of this Lease for examination or signature by Tenant shall not constitute an offer to lease or a reservation of or option for Lease, and the same shall not be effective as a Lease or otherwise until execution and delivery by both Landlord and Tenant.

(m) *Landlord Assignment.* Landlord may, at any time after the Effective Date, assign this Lease to any party without Tenant's consent; provided, however, that: (i) Landlord shall provide Tenant with written notice of the assignment no less than thirty (30) days prior to its effective date; (ii) any assignee shall (A) be (or become on the effective date of the assignment) fee owner of the Building, and (B) agree, in writing, to become "Landlord" under this Lease and assume all of Landlord's obligations from and after the effective date of assignment; and (iii) DTR14. L.L.C. shall remain liable for any matters that accrued prior to the effective date of assignment.

(n) *Tenant Financial Statements.* Tenant agrees to deliver to Landlord, from time to time but not more than once in any consecutive twelve (12) month period, within fifteen (15) days after written request, the then most current annual financial statement(s) of Tenant prepared in accordance with generally accepted accounting principles, consistently applied and accurately reflecting the then existing financial condition of Tenant, together with such additional financial information as may be reasonably requested by Landlord; provided, however: (i) if Landlord requests such financial statements in connection with any financing arrangement or transfer of Landlord's interest in the Project or Building, the limitation set forth above with respect to one request per calendar year shall not apply; and (ii) Landlord shall promptly reimburse Tenant for its actual and reasonable third party out of pocket costs incurred in producing financial statements more frequently than once in any consecutive twelve month period.

(o) *Landlord Lien Waiver.* Landlord hereby acknowledges that Tenant may enter into a personal property lease agreement or financing for its business or equipment to be physically located at the leased premises. Provided Tenant is in not in Default, Landlord shall waive or subordinate its landlord's lien in writing as reasonably requested by any *bona fide* third-party financing company or lender with respect to any personal property financed by Tenant to be located the Premises ("Subordinated Collateral") by executing and delivering the lien waiver within fifteen (15) Business Days after written request by Tenant. Notwithstanding the foregoing, Landlord's expressly reserves all lien rights set forth in **Paragraph 20(d)**, above, with respect to any Subordinated Collateral which is released by any applicable financing company or lender.

(p) *Attorneys Fees.* If any action or proceeding, whether judicial or non-judicial, is commenced with respect to any claim or controversy arising from a breach of this Lease or seeking the interpretation or enforcement of this Lease, including any exhibits attached hereto, in addition to any and all other relief, the prevailing party or parties in such action or proceeding shall receive and be entitled to recover all costs and expenses, including reasonable attorneys' fees and costs, incurred by it on account of or related to such action or proceeding.

33. Tenant Improvement Allowance. Provided no Default exists which has not been timely cured, Landlord shall pay Tenant a tenant improvement allowance in the amount of \$42.50 per square foot of Rentable Area of the Premises ("TI Allowance"), all as more particularly set forth in **Exhibit B** to this Lease.

34. Tenancy Allowance. Provided no Default exists, Landlord shall pay Tenant an amount equal to \$13.00 per square foot of Rentable Area of the Premises ("Tenancy Allowance") in consideration of Tenant's agreement to enter into this Lease, occupy the Premises, comply with the terms and conditions set forth in this Lease and pay Rent during the Term. Landlord shall pay the Tenancy Allowance directly to Tenant within twenty (20) Business Days following the Commencement Date.

TENANT IMPROVEMENT RIDER

1. General. This Tenant Improvement Rider (“Rider”) sets forth the specific terms and conditions governing the respective obligations of Landlord and Tenant with respect to the design and installation of, and payment for, the Tenant Improvements, and the conduct of Tenant’s Work (as defined below). Capitalized terms not otherwise defined in this Rider will have the meanings given them in the Lease.

2. Tenant Improvement Payment Obligations.

a. Landlord Obligations. In order to assist in underwriting the total cost of the Tenant Improvement Work (as defined below), Landlord will provide a tenant improvement allowance (“TI Allowance”) equal to \$42.50 per square foot of Rentable Area of the Premises. The TI Allowance will be used for any costs incurred in connection with the Tenant Improvement Work including, without limitation, all materials, labor, taxes, equipment, permit applications and fees, architectural work and project management fees, which include a three percent (3%) management fee payable to Landlord or an affiliate of Landlord (“Management Fee”) for services such as plan review, bidding, scheduling, general contractor coordination, and delivery of the Tenant Improvement Work. Landlord’s financial responsibility for the Tenant Improvement Work shall be strictly limited to the TI Allowance and, as set forth in **Paragraph 2(b)**, below, Tenant shall be responsible for the payment of any costs associated with the Tenant Improvement Work that exceed the TI Allowance.

b. Tenant Obligations. Tenant shall be obligated to pay all costs associated with the Tenant Improvement Work that exceed the TI Allowance. All costs and expenses associated with the Tenant Improvement Work that exceed the TI Allowance (including, if applicable, all costs and expenses associated with any Change Order Work (as defined below)), will be paid by Tenant in the same manner as Additional Rent within ten (10) days after Landlord’s written demand (with any related supporting computations or documentation) from Landlord of the amounts due (with supporting computations and documentation) of such amounts.

3. Tenant Improvement Work.

a. Approved Space Plan. Within five (5) days following the Effective Date, Landlord and Tenant will agree upon, and approve, a final design and space plan for the Premises (“Approved Space Plan”) using Landlord’s designated interior architect, Phoenix Design One, Inc. (“Architect”). Landlord and Tenant agree to meet, discuss and cooperate in good faith to achieve the Approved Space Plan. The Approved Space Plan will set forth Tenant’s final design and space planning requirements for the Premises in sufficient detail to permit Landlord to prepare the Final Tenant Improvement Plans (as defined below) and bid the Tenant Improvement Work. The Approved Space Plan will be part of the Tenant Improvement Work and all third-party costs associated with the preparation of the Approved Space Plan and approved by Tenant will be deducted from the TI Allowance.

b. *Final Tenant Improvement Plans.* Within twenty-five (25) days following approval of the Approved Space Plan, Landlord will prepare or cause Architect to prepare plans and specifications for the Tenant Improvement Work (“Working Drawings”) which are consistent with the Approved Space Plan and include Tenant’s final material selections (“Material Selections”). So long as the Working Drawings are consistent with the Approved Space Plan and the Material Selections, Tenant will approve the Working Drawings within five (5) Business Days after Tenant’s receipt of the Working Drawings (or, if not consistent, notify Landlord of the inconsistency) from Landlord or Architect by providing a separate written approval. Tenant’s failure to timely do so will be deemed an approval of the Working Drawings. If there are any inconsistencies of the Working Drawings from the Approved Space Plan and Material Selections, then Landlord and Tenant agree to meet, discuss and cooperate in good faith to address the inconsistencies within five (5) Business Days after Landlord’s receipt of Tenant’s comments. After approval of the Working Drawings, Landlord will prepare, or cause Architect to prepare, final plans and specifications for the Tenant Improvement Work (“Final Tenant Improvement Plans”) which are consistent with the Working Drawings and which will be used by Landlord to bid the Tenant Improvement Work and obtain the permits necessary to enable the selected contractor to construct the Tenant Improvement Work. So long as the Final Tenant Improvement Plans are consistent with the Working Drawings agreed upon by Landlord and Tenant, Tenant will approve the Final Tenant Improvement Plans (or, if not consistent, notify Landlord of the inconsistency) within five (5) Business Days after Tenant’s receipt of the Final Working Drawings from Landlord or Architect by providing a separate written approval. Tenant’s failure to timely do so will be deemed an approval of the Final Tenant Improvement Plans. Landlord and Tenant agree to meet, discuss and cooperate in good faith to address any inconsistency of the Final Tenant Improvement Plans from the Working Drawings within five (5) Business Days after Landlord’s receipt of Tenant’s comments. With prior written notice to Tenant, Landlord and/or Architect may make non-material changes to the Final Tenant Improvement Plans as may be required by any municipal authority in order to obtain the building permit necessary to complete the Tenant Improvement Work. If any municipal authority requires material changes to the Final Tenant Improvement Plans, Landlord and Tenant will cooperate in good faith to finalize and approve the necessary changes within five (5) Business Days after notice from the municipal authority. Tenant’s approval of any material changes to the Final Tenant Improvement Plans will be evidenced by a separate written approval in a form reasonably designated by Landlord. The date that Landlord obtains the building permit required to commence construction of the Final Tenant Improvement Plans will be known as the “Plan Approval Date.”

c. *Project Bidding.* Within five (5) days following preparation of the Final Tenant Improvement Plans, Landlord shall submit the Final Tenant Improvement Plans for bid to at least two (2) general contractors, with one general contractor being selected by Landlord and the other selected by Tenant. Both general contractors shall be licensed in Arizona and maintain appropriate insurance coverage. Landlord shall select the successful bidder in Landlord’s commercially reasonable discretion considering the contractor’s commitment to meet the Tenant’s required construction timeline, completeness of the bid, cost differentials for comparable work and materials, and ability to perform in accordance with the complexity and scope of the Tenant Improvement Work, provided, however, all bids shall be disclosed and reviewed with Tenant prior to Landlord’s selection. The total cost associated with the successful bid for the Tenant Improvement Work will be referred to as the “TI Cost.”

d. *Scope of Tenant Improvement Work & Excluded Items.* The “Tenant Improvement Work” will consist of, and be limited to: (i) the Approved Space Plan, (ii) the Working Drawings; (iii) the Final Tenant Improvement Plans; and (iv) the Tenant Improvements, constructed in accordance with the Final Tenant Improvement Plans, including any Change Order Work. The Tenant Improvement Work does not include the design, acquisition and/or installation of computer, phone, telecommunications and/or audio-visual cabling, wireless transmission facilities, trade fixtures, other office equipment, phone systems, trade fixtures, inventories, supplies, modular furniture, cubicles, storage and filing cabinets and other related items that Tenant has or will order for installation within the Premises (collectively, “FF&E”). The purchase and/or installation of the FF&E (“Tenant’s Work”) shall be Tenant’s sole and exclusive responsibility; provided, however, that Tenant may, at its election, utilize any unused portions of the TI Allowance to pay the costs associated with purchase and/or installation of the FF&E. The cost associated with any third-party Tenant representative project manager and/or inspector hired by Tenant for Tenant’s Work shall be the exclusive responsibility of Tenant and shall not be part of the Tenant Improvement Work or the TI Cost. Notwithstanding the previous sentence, Tenant may submit a final invoice for such services to Landlord to be paid from the TI Allowance if sufficient funds remain after the payment of the TI Cost otherwise contemplated under this Rider.

4. Construction.

a. *Landlord’s Obligations - Shell Building.* On the Effective Date, Landlord shall, at its own cost, tender the Premises “as-is” and “where is” in its current shell condition (“Shell Condition”). All work required to improve the Premises from Shell Condition to the condition specified in the Final Tenant Improvement Plans shall be Tenant Improvement Work.

b. *Landlord’s Obligations - Tenant Improvement Work.* Landlord (or an affiliate of Landlord) shall complete the Tenant Improvement Work, subject to the Management Fee (as defined above). Subject only to Force Majeure Events (as defined below) and Tenant Delays (as defined below), Landlord will cause the Tenant Improvement Work to be commenced and completed in conformance with the Final Tenant Improvement Plans, using, as applicable, the Material Selections (or, with prior approval of Tenant, not to be unreasonably withheld, commercially reasonable substitutes if any Material Selections are not available). Subject to the TI Allowance, Landlord will pay for the Tenant Improvement Work.

c. *Tenant’s Obligations.* Tenant will cooperate with Landlord and the Selected Contractor throughout the construction process and, except as otherwise expressly provided in this Rider, provide requested consents and approvals within five (5) Business Days. Tenant shall be financially responsible to coordinate and/or complete: (i) Tenant’s Work; and (ii) any costs associated with the Tenant Improvement Work and any Change Order Work that exceeds the TI Allowance.

d . Completion; Punch List. Subject to extensions resulting from Tenant Delays and/or Force Majeure Events, Landlord will use its commercially reasonable efforts to cause the Tenant Improvement Work to be substantially completed on or before the date that is one hundred twenty (120) days after the Plan Approval Date ("Scheduled Completion Date"). The Tenant Improvement Work will be deemed to be substantially completed and the "Completion Date" will occur at such time as: (y) Landlord notifies Tenant that the Tenant Improvement Work has been substantially completed in accordance with the Final Tenant Improvement Plans, subject only to the Punch List Items (as defined below), which will not materially impair Tenant's intended use of the Premises; and (z) the City of Scottsdale has issued a temporary Certificate of Occupancy, Certificate of Completion or the reasonable equivalent, which will enable Tenant to occupy and conduct its intended use in the Premises. If Landlord obtains a temporary Certificate of Occupancy as provided in the clause (z), above, Landlord shall nonetheless diligently pursue to completion obtaining a permanent Certificate of Occupancy. Landlord shall give Tenant at least fifteen (15) days prior written notice of the anticipated Scheduled Completion Date. Landlord and Tenant will schedule and conduct an inspection of the Tenant Improvement Work no less than five (5) Business Days prior to Landlord's substantial completion. After the inspection, Tenant and Landlord shall mutually agree upon the items that Landlord is required to correct to Tenant's reasonable satisfaction ("Punch List Items"). The inspection shall be scheduled for a Business Day at a time mutually acceptable to Tenant and Landlord. Landlord shall complete the Punch List Items within thirty (30) days following the inspection. If the Tenant Improvement Work is not deemed to be substantially completed on or before the Scheduled Completion Date, Landlord agrees to use commercially reasonable efforts to complete all remaining Tenant Improvement Work within 60 days and, during this 60-day grace period ("Grace Period"), the Lease will remain in full force and effect, Landlord will not be deemed to be in breach or default of the Lease, and Landlord will have no liability to Tenant as a result of any delay except that, subject to Tenant Delays and Force Majeure Events, Tenant shall receive an abatement of Monthly Base Rent in an amount equal to one (1) day of Monthly Base Rent for each one (1) day delay for completion beyond the Grace Period.

5. Tenant Delays. The Scheduled Completion Date will be extended on a day-for-day basis if the Tenant Improvement Work has not been substantially completed by reason of any of the following (collectively, "Tenant Delays"):

- (i) the failure of Tenant to confirm the Approved Space Plan within the required timeframe set forth in **Paragraph 3(a)**, above;
- (ii) the failure of Tenant to confirm the Working Drawings or changes to the Final Tenant Improvement Plans within the required time frames set forth in **Paragraph 3(b)**, above;
- (iii) the failure of Tenant to confirm the Final Tenant Improvement Plans within the timeframe set forth in **Paragraph 3(b)**, above;

EMPLOYMENT AGREEMENT

THIS AGREEMENT (the "Agreement") dated as of December 31, 2013 is made and entered into by and between The Joint Corp., a Delaware corporation (the "Company"), and David M. Orwasher (the "Executive").

WHEREAS, the Company wishes to retain the services of Executive as a senior executive of the Company who is expected to make major contributions to the short and long-term profitability, growth and financial strength of the Company; and

WHEREAS, Company and Executive believe that it is in their respective best interests to enter into and deliver this Agreement; and

WHEREAS, the Executive acknowledges that in the course of his employment by the Company, he will or may have access to and become informed of the Company's confidential information and will frequently come into contact with the Company's regional developers, franchisees and management such that the Executive will influence the business and relationships between the Company and its regional developers, franchisees and management; and

WHEREAS, the Executive has agreed to certain confidentiality, non-solicitation and non-competition agreements and acknowledges that the compensation and other benefits payable to the Executive hereunder represent adequate compensation for such agreements; and

WHEREAS, the Company recognizes that, as is the case for most companies, the possibility of a Change in Control (as defined below) exists; and

WHEREAS, the Company desires to ensure both present and future continuity of management and desires to establish certain severance benefits for the Executive, applicable in the event of the termination of the Executive's employment for reasons other than Cause (as defined below); and

WHEREAS, the Company desires to ensure that its senior executives are not practically disabled from discharging their duties in respect of a proposed or actual transaction involving a Change in Control and to provide certain benefits for the Executive, applicable in the event of a Change in Control.

NOW, THEREFORE, the Company and the Executive agree as follows:

1. **Certain Defined Terms.** In addition to terms defined elsewhere herein, the following terms have the following meanings when used in this Agreement with initial capital letters:
 - (a) "Base Pay" means the Executive's annual base salary as provided in Section 5 of this Agreement, at a rate not less than the Executive's annual fixed or base compensation as in effect for Executive immediately prior to the occurrence of a Change in Control or such higher rate as may be determined from time to time after a Change in Control by the Board or a committee thereof.
-

- (b) "Board" means the Board of Directors of the Company.
- (c) "Cause" means
 - (i) intentional engagement by the Executive in misconduct which is materially injurious to the Company, monetarily or otherwise;
 - (ii) intentional act by the Executive of fraud, embezzlement or theft in connection with his duties or in the course of his employment with the Company or any subsidiary;
 - (iii) intentional damage by the Executive to property of the Company or any subsidiary;
 - (iv) material breach of Section 14 or Section 15 hereof;
 - (v) intentional engagement by the Executive in any Competitive Activity;
 - (vi) intentional wrongful disclosure by the Executive of confidential information of the Company or any Subsidiary; or
 - (vii) the determination by unanimous vote of the Board then in office (excluding the Executive if he is a Director) that the Executive has demonstrated an objective, material inability to effectively discharge the duties given to the Executive under this Agreement such that same are directly and substantially injurious to the company; provided, however, that this subsection (vii) shall be void and have no further effect upon the earlier of (A) the Executive's relocation to the Scottsdale Arizona area or (B) 9 months from the date hereof.

For purposes of this Agreement, no act or failure to act on the Executive's part shall be deemed "intentional" if it was due primarily to an error in judgment or negligence, but it shall be deemed "intentional" only if it was not in good faith and without reasonable belief that his act or failure to act was in the Company's best interest. Notwithstanding the foregoing, the Executive shall not be deemed to have been terminated for "Cause" hereunder unless and until the Executive receives a copy of a resolution duly adopted by the affirmative vote of not less than two-thirds of the Board then in office (or the unanimous vote of the Board in the case of subsection (vii), and excluding the Executive if he is a Director) at a meeting of the Board called and held for such purpose, after reasonable notice to the Executive and an opportunity for the Executive, together with his counsel (if the Executive chooses to have counsel present at such meeting), to be heard before the Board, finding that, in the good faith opinion of the Board, the Executive was guilty of conduct constituting "Cause" as herein defined and specifying the particulars thereof. Nothing herein will limit the right of the Executive or his beneficiaries to contest the validity or propriety of any such determination.

- (d) “Change in Control” means the occurrence during the term of this Agreement of any of the following events:

 - (ii) when individuals who, as of the date hereof, constitute the Board (the “Incumbent Board”) cease for any reason to constitute at least a majority of the Board except that any individual becoming a Director subsequent to the date hereof whose election, or nomination for election by the Company’s stockholders, was approved by a vote of at least two-thirds of the Directors then comprising the Incumbent Board (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for director, without objection to such nomination), and is not pursuant to a form of Business Combination as is hereinafter defined, shall be deemed to have been a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest (within the meaning of Rule 14a-11 of the Exchange Act) with respect to the election or removal of Directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board;

- (iii) consummation of (A) a reorganization, merger or consolidation (B) a sale or other disposition of all or substantially all of the assets of the Company (each, a “Business Combination”), unless, in each case, immediately following such Business Combination, (I) all or substantially all of the individuals and entities who were the beneficial owners of the common stock and all or substantially all of the individuals and entities who were the beneficial owners of the Voting Stock of the Company immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of the then outstanding shares of common stock and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of Directors of the entity resulting from such Business Combination (including, without limitation, an entity which as a result of such transaction owns the Company or all or substantially all of the Company’s assets either directly or through one or more subsidiaries) in substantially the same proportions relative to each other and the Executive as their ownership, immediately prior to such Business Combination, of the common stock and the Voting Stock of the Company, (II) no Person (other than the Company, such entity resulting from such Business Combination or any employee benefit plan (or related trust) sponsored or maintained by the Company, any Subsidiary or such entity resulting from such Business Combination) beneficially owns, directly or indirectly, 15% or more of the then outstanding shares of common stock of the entity resulting from such Business Combination or the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors of such entity and (III) at least a majority of the members of the Board of Directors of the entity resulting from such Business Combination were members of the Incumbent Board at the time of the execution of the initial agreement or of the action of the Board providing for such Business Combination; or

If the Executive disagrees with a determination to terminate him because the Company believes he is Disabled, the Company and the Executive, or in the event of the Executive’s incapacity to designate a doctor, the Executive’s legal representative, together shall choose a qualified medical doctor who shall determine whether the Executive is Disabled. If the Company and the Executive cannot agree on the choice of a qualified medical doctor, then the Company and the Executive each shall choose a qualified medical doctor and the two doctors together shall choose a third qualified medical doctor, who shall determine whether the Executive is Disabled. The determination of the chosen qualified medical doctor as to whether the Executive is Disabled shall be binding upon the Company and the Executive unless such determination is clearly made in bad faith.

- (c) Subject to shareholder approval to expand the Company's 2013 Stock Plan (the "Plan"), the Company will, immediately following such approval (i) grant to Executive as Restricted Stock (as defined in the Plan), 93,750 shares, and (ii) issue to Executive incentive stock options for 93,750 shares, together representing five percent (5%) of the Company's fully diluted Common Stock, par value \$.001 per share (the "Common Stock") issued and outstanding as of the date of this Agreement. Such Restricted Stock and stock options so granted shall vest as follows:
 - (i) 37,500 shares of Restricted Stock ("Grant A") and 37,500 stock options ("Grant A Option"), shall vest over a 48 month period in consecutive, equal monthly installments beginning on the date of grant;
 - (ii) 56,250 shares of Restricted Stock ("Grant B") and 56,250 stock options ("Grant B Option"), will vest commencing upon the closing of a Successful IPO and over the ensuing consecutive 36 month period as follows: 50% of the shares in equal monthly installments during the consecutive, successive 12 months commencing on the date of the IPO; 30% in consecutive equal monthly installments commencing on the first anniversary of the IPO; and 20% of the shares in equal monthly installments during the 12 consecutive, successive months commencing on the second anniversary of the date of the IPO such that the total amount of Grant B and Grant B Option vested over this 36 month period shall equal 100%; and

- (iii) The provisions of Subsections (i) and (ii) above notwithstanding, in the event the Company participates in a Business Combination during the term of this Agreement, as the same may be extended, in which the aggregate consideration received by the Company or its shareholders exceeds \$30 million, then the number of shares granted Executive pursuant to Grant A and Grant B and Grant A Option and Grant B Option will vest immediately prior to the consummation of the Business Combination so that the total percentage of vested shares of Grant A, Grant A Option, Grant B and Grant B Option combined, immediately prior to the Business Combination, will equal the same percentage as the amount of consideration received by the Company or its shareholders in excess of \$30,000,000 bears to \$120,000,000.

Example: Assume the Company enters into a Business Combination in which the shareholders receive \$90,000,000 in cash. The amount received by the shareholders in excess of \$30,000,000 is \$60,000,000. The percentage that \$60,000,000 bears to \$120,000,000 is 50%. Thus the Executive is entitled to full vesting of 50% of the combined Grant A, Grant A Option, Grant B and Grant B Option (including amounts already vested).

- (d) The Executive will be eligible for annual grants of stock options under the Plan in the discretion of the Board or the Plan Administrator. To the extent permitted by applicable law and the terms and conditions of the Plan, the above-referenced stock options shall be “incentive stock options” as that term is defined under Section 422 of the Code and any remaining stock options shall be non-qualified stock options.
 - (e) Such options would become exercisable in equal, consecutive monthly amounts over a three year period commencing on the date of grant, except that in the event of a Successful IPO, the options would become exercisable in full. To the extent permitted by applicable law and the terms and conditions of the Plan, the above-referenced stock options shall be “incentive stock options” as that term is defined under Section 422 of the Code and any remaining stock options shall be non-qualified stock options.
6. **Benefits.** The Company shall make available to the Executive, subject to the terms and conditions of the applicable plans, including without limitation the eligibility rules, participation for the Executive and his eligible dependents in the Company-sponsored employee benefit plans or arrangements and such other usual and customary benefits now or hereafter generally available to employees of the Company and such benefits and perquisites as are made available to senior executives of the Company, including, without limitation, equity and cash incentive programs and supplemental retirement, deferred compensation and welfare plans.

7. **Expenses.** The Company shall pay or reimburse the Executive, in accordance with the general policies of the Company, for reasonable and necessary expenses incurred by the Executive in connection with his duties on behalf of the Company. In addition, for not more than 9 months from the date of the Executive's commencement of employment, the Company shall pay or reimburse the Executive an amount up to \$8,000 per month for commuting and local residence expenses.
8. **Place of Performance.** In connection with his employment by the Company, the Executive shall be based at the Company's offices located in Scottsdale, Arizona. The Executive may commute from his current residence in New York for up to 9 months from the date of this Agreement provided that the Executive will be located in Scottsdale during normal business hours on average, not less than 4 days per week (unless traveling for business purposes).
9. **Termination Payments, Vesting and Exercise of Stock Grants and Options upon Involuntary Termination other than for Cause or Voluntary Termination due to Death or Disability.**
- (a) If an Involuntary Termination occurs other than for Cause and subject to the Executive entering into a release and settlement agreement with the Company on reasonable and customary terms, then
- (i) the Company shall pay the Executive, in accordance with the Company's regular payroll schedule but no less than on a bi-weekly basis, termination payments equal to the continuation of the Executive's base salary for a period of nine months thereafter (the "Payment Period");
- (ii) all unvested stock grants and stock options shall immediately vest; and
- (iii) the Executive shall have the right to exercise any and all vested stock options at any time not later than 90 days after the date of the Involuntary Termination.
- (b) If a Voluntary Termination due to Executive's death during the term of this Agreement occurs, then notwithstanding anything to the contrary in the Executive's stock option agreement(s) or certificate(s) or in the stock option plan(s) under which Executive's stock options were granted, (i) one-third of the unvested portion of all stock grants and stock options granted to Executive shall become immediately exercisable as of the date of Executive's death, and (ii) all other unvested stock grants and stock options held by Executive shall be immediately canceled. Executive's estate shall have a period of one year following Executive's death to exercise any vested and the aforementioned unvested stock options.

- (c) If a Voluntary Termination due to Executive's becoming Disabled during the term of this Agreement occurs, then notwithstanding anything to the contrary in the Executive's stock option agreement(s) or certificate(s) or in the stock option plan(s) under which Executive's stock options were granted, (i) one-third of the unvested portion of all stock grants and stock options granted to Executive shall become immediately exercisable as of the date of Disability, and (ii) all other unvested stock grants and stock options held by Executive shall be immediately canceled. Executive shall have a period of one year following Executive's Disability to exercise any vested stock options.
- (d) If the Executive dies while any amounts are payable to him hereunder, all such amounts, unless otherwise provided herein, shall be paid to the Executive's designated beneficiary, or, if none, then to the Executive's estate.
- (e) Notwithstanding the foregoing, if the Executive breaches Sections 15 or 16 hereof, any right of the Executive to receive termination payments, to have the vesting of his stock grants or stock options accelerated or to have the period during which he may exercise his options extended under this Section 9 shall be forfeited, but without prejudice to any exercise of options that may have occurred prior to such forfeit, and the Executive shall reimburse the Company in full for all termination payments made to the Executive under this Section 9 no later than 30 days after the Company gives notice of such breach to the Executive.

10. **Termination Payments, Vesting and Exercise of Stock Grants and Options upon Termination for Cause or Voluntary Termination for Reasons Other Than Death or Permanent Disability.** If the Company terminates this Agreement for Cause or in the event of a Voluntary Termination for reasons other than the Executive's Death or Permanent Disability, the Company shall pay Executive the compensation and benefits otherwise payable to Executive under Section 5 through the date of termination. Executive's rights under any Restricted Stock grants or stock options with respect to the vesting or exercise of such Restricted Stock grants or stock options shall be determined under the terms of the Restricted Stock grant or Stock Option Agreement entered into between the Company and the Executive and this Agreement.

11. **Termination Following a Change in Control.**

- (a) If at any time upon the occurrence of a Change in Control, Company terminates the Executive's employment, the Executive shall be entitled to the benefits provided by Sections 11 and 12 unless such termination is the result of the occurrence of one or more of the following events:
 - (i) The Executive's death;
 - (ii) The Executive's permanent disability; or
 - (iii) Cause.

- (b) If at any time following the occurrence of a Change in Control the Executive shall be entitled to the benefits provided by Section 12 if one or more of the following events has occurred (regardless of whether any other reason, other than Cause as hereinabove provided, for such termination exists or has occurred, including without limitation other employment):
- (i) Failure to maintain the Executive in the office or the position, or a substantially equivalent office or position, of or with the Company, which the Executive held immediately prior to a Change in Control;
 - (ii) a reduction in the aggregate of the Executive's Base Pay and Incentive Pay received from the Company and any Subsidiary from that earned immediately prior to the Change in Control or the termination or denial of the Executive's rights to Employee Benefits or a reduction in the scope or value thereof from that earned immediately prior to the Change in Control, any of which is not remedied by the Company no later than 10 calendar days after receipt by the Company of written notice from the Executive of such change, reduction or termination, as the case may be;
 - (iii) determination by the Executive (which determination will be conclusive and binding upon the parties hereto if it was made in good faith and in all events will be presumed to have been made in good faith unless otherwise shown by the Company by clear and convincing evidence) that a change in circumstances has occurred following a Change in Control, including, without limitation, a change in the scope of the business or other activities for which the Executive was responsible immediately prior to the Change in Control, which has rendered the Executive substantially unable to carry out, has substantially hindered Executive's performance of, or has caused Executive to suffer a material reduction in, any of the authorities, powers, functions, responsibilities or duties attached to the position held by the Executive immediately prior to the Change in Control, which situation is not remedied no later than 10 calendar days after receipt by the Company of written notice from the Executive of such determination;
 - (iv) The liquidation, dissolution, merger, consolidation or reorganization of the Company or transfer of all or substantially all of its business and/or assets, unless the successor or successors (by liquidation, merger, consolidation, reorganization, transfer or otherwise) to which all or substantially all of its business and/or assets have been transferred (directly or by operation of law) assumed all duties and obligations of the Company under this Agreement pursuant to Section 24(a) and Executive's total compensation package remains unchanged from the Company and any Subsidiary from that earned immediately prior to the Change in Control;

- (v) The Company relocates its principal executive offices, or requires the Executive to have his principal location of work changed, to any location that is in excess of 50 miles from the location thereof immediately prior to the Change in Control without his prior written consent; or
- (vi) Without limiting the generality or effect of the foregoing, any material breach of this Agreement by the Company or any successor thereto which is not remedied by the Company within 10 calendar days after receipt by the Company of written notice from the Executive of such breach.

A termination by the Company pursuant to Section 11(a) or by the Executive pursuant to Section 11(b) will not affect any rights that the Executive may have pursuant to any agreement, policy, plan, program or arrangement of the Company providing Employee Benefits, which rights shall be governed by the terms thereof, except for any rights to severance compensation to which Executive may be entitled upon termination of employment under Section 9.

12. **Severance Compensation Following Change in Control.**

- (a) If at any time the Company terminates the Executive's employment pursuant to Section 11(a) or the Executive terminates his employment pursuant to Section 11(b),
 - (i) the Company shall pay the Executive, in accordance with the Company's regular payroll schedule, termination payments equal to the continuation of the Executive's base salary for a period of nine months thereafter (the "Payment Period");
 - (ii) all unvested stock grants and stock options under Grant A and Grant A Option (if prior to a Successful IPO) and all unvested stock grants under Grant A, Grant A Option and Grant B and Grant B Option if after a Successful IPO) and stock options shall immediately vest; and
 - (iii) the Executive shall have the right to exercise any and all vested stock options at any time not later than 90 days after the date of termination.
- (b) Without limiting the rights of the Executive at law or in equity, if the Company fails to make any payment or provide any benefit required to be made or provided hereunder on a timely basis, the Company shall pay interest on the amount or value thereof at an annualized rate of interest equal to the so-called composite "prime rate" plus 600 basis points as quoted from time to time during the relevant period in the Midwest Edition of *The Wall Street Journal*. Such interest shall be payable as it accrues on demand. Any change in such prime rate shall be effective on and as of the date of such change.
- (c) Notwithstanding any provision of this Agreement to the contrary, the parties' respective rights and obligations under this Section 12 and under Sections 13 and 16 shall survive any termination or expiration of this Agreement or the termination of the Executive's employment following a Change in Control for any reason whatsoever.

13. **Limitation on Payments and Benefits.** Notwithstanding any provision of this Agreement to the contrary, if any amount or benefit to be paid or provided under this Agreement would be an “Excess Parachute Payment,” within the meaning of Section 280G of the Internal Revenue Code of 1986, as amended (the “Code”), or any successor provision thereto, but for the application of this sentence, then the payments and benefits to be paid or provided under this Agreement shall be reduced to the minimum extent necessary (but in no event to less than zero) so that no portion of any such payment or benefit, as so reduced, constitutes an Excess Parachute Payment except that the foregoing reduction shall be made only if and to the extent that such reduction would result in an increase in the aggregate payment and benefits to be provided, determined on an after-tax basis (taking into account the excise tax imposed pursuant to Section 4999 of the Code, or any successor provision thereto, any tax imposed by any comparable provision of state law, and any applicable federal, state and local income taxes). The determination of whether any reduction in such payments or benefits to be provided under this Agreement or otherwise that is required pursuant to the preceding sentence shall be made at the expense of the Company, if requested by the Executive or the Company, by the Company’s independent accountants. The fact that the Executive’s right to payments or benefits may be reduced by reason of the limitations contained in this Section 13 shall not of itself limit or otherwise affect any other rights of the Executive other than pursuant to this Agreement. In the event that any payment or benefit intended to be provided under this Agreement or otherwise is required to be reduced pursuant to this Section 13, the Executive shall be entitled to designate the payments and/or benefits to be so reduced in order to give effect to this Section 13. The Company shall provide the Executive with all information reasonably requested by the Executive to permit the Executive to make such designation. In the event that the Executive fails to make such designation within 10 business days of the Termination Date, the Company may effect such reduction in any manner it deems appropriate.

14. **No Mitigation Obligation.** The Company hereby acknowledges that it will be difficult and may be impossible for the Executive to find reasonably comparable employment following the Termination Date and that the non-competition covenant contained in Section 15 will further limit the employment opportunities for the Executive. Accordingly, the Company acknowledges that the payment of the severance compensation by the Company to the Executive in accordance with the terms of this Agreement is reasonable and that the Executive will not be required to mitigate the amount of any payment provided for in this Agreement by seeking other employment or otherwise, nor will any profits, income, earnings or other benefits from any source whatsoever create any mitigation, offset, reduction or any other obligation on the part of the Executive hereunder or otherwise, except as expressly provided in the last sentence of Section 12(a).

15. **Confidentiality Agreement.**

- (a) The Executive acknowledges that in the course of his employment by the Company, he will or may have access to and become informed of confidential and secret information that is a competitive asset of the Company (“Confidential Information”), including, without limitation, (i) the terms of agreements between the Company and its employees, regional developers, franchisees and suppliers (ii) pricing strategy, (iii) sales and marketing methods, (iv) product development ideas and strategies, (v) personnel and franchisee training and development programs, (vi) financial results, (vii) strategic plans and demographic analyses, (viii) proprietary computer and systems software and (ix) any non-public information concerning the Company, its employees, regional developers, franchisees, suppliers and customers. Regardless of any actual or alleged breach by the Company of this Agreement, the Executive shall keep all Confidential Information in strict confidence and shall not directly or indirectly make known, divulge, reveal, furnish, make available or use any Confidential Information (except in the course of his regular authorized duties on behalf of the Company) until and unless such Confidential Information becomes, through no fault of the Executive, generally known to the public or the Executive is required by law to make disclosure (after giving the Company reasonable notice and an opportunity to contest such requirement). The Executive’s obligations under this Section 15 are in addition to, and not in limitation or preemption of, all other obligations of confidentiality which the Executive may have to the Company under general legal or equitable principles.
- (b) Except in the ordinary course of the Company’s business, the Executive has not made and shall never make or cause to be made, any copies, pictures, duplicates, facsimiles or other reproductions or recordings or any abstracts or summaries including or reflecting Confidential Information. All such documents and other property furnished to the Executive by the Company or otherwise acquired or developed by the Company shall at all times be the property of the Company. Upon a Voluntary Termination or Involuntary Termination, the Executive shall return to the Company any such documents or other property of the Company which are in the possession, custody or control of the Executive.

16. **Covenant not to Compete; No Inducement; No Solicitation.** In consideration for the Executive’s employment hereunder and the Company’s providing the Executive with confidential information and contacts with the Company’s customers and accounts,

- (a) during the term of the Employment Provisions and (A) after an Involuntary Termination for Cause, for a period of three years after such Involuntary Termination, (B) after an Involuntary Termination other than for Cause, during the Payment Period or (C) after a Voluntary Termination, if prior to the date of the Voluntary Termination the Company agrees to pay Executive all of the termination payments set forth in Section 9(a) hereof, for a period of two years after such Voluntary Termination, the Executive shall not, without the prior written consent of the Company (which consent may be withheld for any reason or no reason), directly or indirectly or by action in concert with others, own, manage, operate, join, control, perform consulting services for, be employed by, participate in or be connected with any business, enterprise or other entity (or the ownership, management, operation, or control of any such business, enterprise or other entity) (a “Competing Enterprise”) engaged anywhere in the United States in the Restricted Business. Notwithstanding the foregoing, Executive may make purely passive investments on behalf of himself, his immediate family or any trust in public companies engaged in a Competing Enterprise so long as the aggregate interest represented by such investments does not exceed 1% of any class of the outstanding debt or equity securities of any Competing Enterprise.

- (b) during the term of the Employment Provisions and (A) after an Involuntary Termination for Cause, for a period of three years after such Involuntary Termination, (B) after an Involuntary Termination other than for Cause, during the Payment Period or (C) after a Voluntary Termination, if prior to the date of the Voluntary Termination the Company agrees to pay Executive all of the termination payments set forth in Section 9(a) hereof, for a period of three years after such Voluntary Termination, the Executive shall not, directly or indirectly, in any capacity, on his own behalf or on behalf of any other firm, person or entity, induce or attempt to induce any regional developer, franchisee or clinic manager of the Company to cease doing business in whole or in part with the Company, solicit the business of any such person for any Restricted Business or otherwise create any ill will or negative publicity with respect to the Company.
- (c) during the term of the Employment Provisions and (A) after an Involuntary Termination for Cause, for a period of three years after such Involuntary Termination, (B) after an Involuntary Termination other than for Cause, during the Payment Period or (C) after a Voluntary Termination, if prior to the date of the Voluntary Termination the Company agrees to pay Executive all of the termination payments set forth in Section 9(a) hereof, for a period of three years after such Voluntary Termination, the Executive shall not, directly or indirectly, in any capacity, on his own behalf or on behalf of any other firm, person or entity, undertake or assist in the solicitation of any Company employee (including without limitation, employees of Company franchisees), to terminate his or her employment with the Company or with a Company franchisee.
- (d) during a period ending one year following the Termination Date, if the Executive has received or is receiving benefits under Section 12, the Executive shall not, without the prior written consent of the Company, which consent shall not be unreasonably withheld, engage in any Competitive Activity.

17. **Employment Rights.** Nothing expressed or implied in this Agreement shall create any right or duty on the part of the Company or the Executive to have the Executive remain in the employment of the Company prior to or following any Change in Control. Any termination of employment of the Executive or the removal of the Executive from the office or position in the Company following the commencement of any discussion with a third person that ultimately results in a Change in Control shall be deemed to be a termination or removal of the Executive after a Change in Control for purposes of this Agreement.

18. **Withholding of Taxes.** The Company may withhold from any amounts payable under this Agreement all federal, state, city or other taxes as the Company is required to withhold pursuant to any law or government regulation or ruling.

19. **Specific Enforcement.** The Executive acknowledges and agrees that a violation of Sections 15 or 16 hereof that results in material detriment to the Company would cause irreparable harm to the Company, and that the Company's remedy at law for any such violation would be inadequate. In recognition of the foregoing, the Company shall have the right, in addition to any other relief afforded by law or this Agreement, including damages, but specifically excluding any consequential or punitive damages sustained by a breach of this Agreement and any forfeitures under Section 9, and without any necessity or proof of actual damages, to enforce this Agreement by specific remedies, including, among other things, temporary and permanent injunctions, it being the understanding of the Company and the Executive that damages, the forfeitures described above and injunctions shall all be proper modes of relief and shall not be considered alternative remedies.

20. **Arbitration.** Any dispute between the parties under this Agreement shall be resolved (except as provided below) through informal arbitration by an arbitrator selected under the rules of the American Arbitration Association (located in Phoenix, Arizona) and the arbitration shall be conducted in that location under the rules of said Association. Each party shall be entitled to present evidence and argument to the arbitrator. The arbitrator shall have the right only to interpret and apply the provisions of this Agreement and may not change any of its provisions. The arbitrator shall permit reasonable pre-hearing discovery of facts to the extent necessary to establish a claim or a defense to a claim, subject to supervision by the arbitrator. The determination of the arbitrator shall be conclusive and binding upon the parties and judgment upon the same may be entered in any court having jurisdiction thereof. The arbitrator shall give written notice to the Company and the Executive stating its determination, and shall furnish to each party a signed copy of such determination. The expenses of arbitration shall be borne equally by the Executive and the Company or as the arbitrator shall otherwise equitably determine.

Notwithstanding the foregoing, the Company nor the Executive shall not be required to seek or participate in arbitration regarding any breach of Sections 15 or 16, but may pursue its remedies for such breach in any court of competent jurisdiction in the State of Arizona. Any arbitration or action pursuant to this Section 20 shall be governed by and construed in accordance with the substantive laws of the State of Arizona, without giving effect to the principles of conflict of laws of such State.

21. **Notices.** For all purposes of this Agreement, all communications, including without limitation notices, consents, requests or approvals, required or permitted to be given hereunder shall be in writing and shall be deemed to have been duly given when hand delivered or dispatched by electronic facsimile transmission (with receipt thereof confirmed), or five business days after having been mailed by United States registered or certified mail, return receipt requested, postage prepaid, or three business days after having been sent by a nationally recognized overnight courier service (such as Federal Express or UPS) addressed to the Company (to the attention of the Secretary of the Company) at its principal executive office and to the Executive at his principal residence, or to such other address as either party may have furnished to the other in writing and in accordance herewith, except that notices of changes of address shall be effective only upon receipt.

22. **Governing Law.** The validity, interpretation, construction and performance of this Agreement shall be governed by and construed in accordance with the substantive laws of the State of Arizona, without giving effect to the principles of conflict of laws of such State.

23. **Agreement.** This Agreement contains all of the covenants and agreements between the parties with respect to such subject matter. Each party to this Agreement acknowledges that no representations, inducements, promises, or other agreements, orally or otherwise, have been made by any party, or anyone acting on behalf of any party, pertaining to the subject matter hereof, that are not embodied herein, and that no other agreement, statement or promise pertaining to the subject matter hereof that is not contained in this Agreement shall be valid or binding on either party.

24. **Successors and Binding Agreement.**

- (a) The Company shall require any successor (whether direct or indirect, by purchase, merger, consolidation, reorganization or otherwise) to all or substantially all of the business or assets of the Company, by agreement in form and substance satisfactory to the Executive, expressly to assume and agree to perform this Agreement in the same manner and to the same extent the Company would be required to perform if no such succession had taken place. This Agreement shall be binding upon and inure to the benefit of the Company and any successor to the Company, including without limitation any persons acquiring directly or indirectly all or substantially all of the business or assets of the Company whether by purchase, merger, consolidation, reorganization or otherwise (and such successor shall thereafter be deemed the "Company" for the purposes of this Agreement), but will not otherwise be assignable, transferable or delegable by the Company.
- (b) This Agreement will inure to the benefit of and be enforceable by the Executive's personal or legal representatives, executors, administrators, successors, heirs, distributees and legatees.
- (c) This Agreement is personal in nature and neither the Company nor the Executive shall, without the consent of the other, assign, transfer or delegate this Agreement or any rights or obligations hereunder except as expressly provided in Sections 24(a) and 24(b). Without limiting the generality or effect of the foregoing, the Executive's right to receive payments hereunder will not be assignable, transferable or delegable, whether by pledge, creation of a security interest, or otherwise other than by a transfer by the Executive's will or by the laws of descent and distribution and, in the event of any attempted assignment or transfer contrary to this Section 24(c), the Company shall have no liability to pay any amount so attempted to be assigned, transferred or delegated.

25. **Validity.** If any provision of this Agreement or the application of any provision hereof to any person or circumstances is held invalid, unenforceable or otherwise illegal, the remainder of this Agreement and the application of such provision to any other person or circumstances shall not be affected, and the provision so held to be invalid, unenforceable or otherwise illegal shall be reformed to the extent (and only to the extent) necessary to make it enforceable, valid or legal.

26. **Miscellaneous.** No provision of this Agreement may be modified, waived or discharged unless such waiver, modification or discharge is agreed to in writing signed by the Executive and the Company. No waiver by either party hereto at any time of any breach by the other party hereto or compliance with any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time. Unless otherwise noted, references to "Sections" are to sections of this Agreement. The captions used in this Agreement are designed for convenient reference only and are not to be used for the purpose of interpreting any provision of this Agreement.

27. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same agreement.

28. **Effective Date.** Notwithstanding anything to the contrary herein, this Agreement shall not become effective unless and until the Board approves this Agreement. Upon receipt of such approval, this Agreement shall become immediately effective.

IN WITNESS WHEREOF, the Company and the Executive have executed this Agreement as of the date first above written ¹.

sufficient unvested Grant A and Grant B Restricted Shares shall vest immediately prior to the closing of the Business Combination so that, taking into account Grant A and Grant B Restricted Shares that have previously vested, the vested Grant A and Grant B Restricted Shares immediately prior to the closing of the Business Combination are the same percentage of the 225,000 Restricted Shares as the aggregate consideration received by the Company or its stockholders in the Business Combination in excess of \$30,000,000 is to \$120,000,000.

3. **Voluntary and Involuntary Terminations**

Notwithstanding anything to the contrary in Paragraph 2:

By acceptance of this Award, the Consultant agrees to be a party to and bound by the Stockholders Agreement and the Right of First Refusal Agreement as if he were an original signatory to each of those agreements, and in this regard, he agrees to sign any joinder agreement or instrument of accession that may be required.

The Consultant shall not have the right to vote any unvested Restricted Shares. All dividends and distributions in respect of unvested Restricted Shares (for example, shares of the Company's Common Stock issued by reason of a stock split, reverse stock split or stock dividend) shall be treated as additional unvested Restricted Shares subject to the terms of this Award.

7. **Tax Liability**

Unless the Consultant has made a timely election under section 83(b) of the Internal Revenue Code of 1986 to be taxed as of the Grant Date rather than as the Restricted Shares become vested, the Company shall have the right, upon the vesting of any Restricted Shares, to deduct or withhold, or require the Consultant to remit to the Company, an amount sufficient to satisfy the federal, state, local and other taxes (including the Participant's FICA obligation) that the Company is required to withhold by reason of such vesting. The Company may permit the Consultant to satisfy this withholding obligation by any of the methods described in Section 14(b) of the Plan.

For purposes of this Award, no act or failure to act on the Consultant's part shall be deemed "intentional" if it was due primarily to an error in judgment or negligence, but it shall be deemed "intentional" only if it was not in good faith and without reasonable belief that his act or failure to act was in the Company's best interest. Notwithstanding the foregoing, the Consultant shall not be deemed to have been terminated for "Cause" unless and until the Consultant receives a copy of a resolution duly adopted by the affirmative vote of not less than two-thirds of the directors of the Company then in office (or the unanimous vote of the board in the case of subsection (f), and excluding the Consultant if he is a director) at a meeting of the board called and held for such purpose, after reasonable notice to the Consultant and an opportunity for the Consultant, together with his counsel (if the Consultant chooses to have counsel present at such meeting), to be heard before the board, finding that, in the good faith opinion of the board, the Consultant was guilty of conduct constituting "Cause" as defined and specifying the particulars of his conduct constituting "Cause." If the Company and the Consultant cannot agree on the choice of a qualified medical doctor, then the Company and the Consultant each shall choose a qualified medical doctor and the two doctors together shall choose a third qualified medical doctor, who shall determine whether the Consultant is Disabled. The determination of the chosen qualified medical doctor as to whether the Consultant is Disabled shall be binding upon the Company and the Consultant unless such determination is clearly made in bad faith.

(2) 16,875 Grant B Restricted Shares shall vest in 12 monthly installments of 1,407 Restricted Shares each for the first three monthly installments and 1,406 Restricted Shares each for the last nine monthly installments, with the monthly installments beginning on the date of the first anniversary of the closing of the Successful IPO and continuing on the first day of the month for the next 11 months; and

(3) 11,250 Grant B Restricted Shares shall vest in 12 equal monthly installments of 938 Restricted Shares each for the first six monthly installments and 937 Restricted Shares each for the last six monthly installments, with the monthly installments beginning on the date of the second anniversary of the closing of the Successful IPO and continuing on the first day of the month for the next 11 months.

Except as provided in the following subparagraph (c), none of the 56,250 Grant B Restricted Shares shall vest if a Successful IPO does not occur during the term of the Employment Agreement (as the term of the Employment Agreement may be extended).

(c) Notwithstanding anything to the contrary in the preceding subparagraphs (a) and (b), if

(1) the Company participates in a Business Combination during the term of the Employment Agreement (as the term of the Employment Agreement may be extended) and

(2) the aggregate consideration received by the Company or its stockholders in the Business Combination exceeds \$30,000,000,

sufficient unvested Grant A and Grant B Restricted Shares shall vest immediately prior to the closing of the Business Combination so that, taking into account Grant A and Grant B Restricted Shares that have previously vested, the vested Grant A and Grant B Restricted Shares immediately prior to the closing of the Business Combination are the same percentage of the 93,750 Restricted Shares as the aggregate consideration received by the Company or its stockholders in the Business Combination in excess of \$30,000,000 is to \$120,000,000. Section 5(c)(iii) of the Employment Agreement contains an illustration of the operation of this provision.

3. **Voluntary and Involuntary Terminations**

Notwithstanding anything to the contrary in Paragraph 2:

(a) in the event of a Voluntary Termination for any reason other than the Executive's death or becoming Disabled, the Executive's rights in respect of and interest in all unvested Restricted Shares as of the date of the Voluntary Termination shall lapse and those shares shall be canceled;

(b) in the event of a Voluntary Termination by reason of the Executive's death or becoming Disabled, one-third of the unvested Restricted Shares as of the date of the Voluntary Termination shall vest on such date, and the Executive's rights in respect of and interest in the remaining unvested Restricted Shares shall lapse and those shares shall be canceled;

(c) in the event of an Involuntary Termination other than for Cause, and subject to the Executive's entering into a release and settlement agreement with the Company as described in Section 9(a) of the Employment Agreement, all unvested Restricted Shares as of the date of the Involuntary Termination shall vest on such date;

(d) in the event of an Involuntary Termination for Cause, the Executive's rights in respect of and interest in all unvested Restricted Shares as of the date of the Involuntary Termination shall lapse and those shares shall be canceled; and

(e) if the Company terminates the Executive's employment following the occurrence of a Change in Control, or if under Section 11(b) of the Employment Agreement the Executive becomes entitled to the benefits under Section 12 of the Employment Agreement following the occurrence of a Change in Control, all unvested Restricted Shares as of date of such termination or entitlement shall vest on such date.

4. Other Agreements

This Award is subject to the condition that the Executive becomes a party to and bound by (i) the Stockholders Agreement dated as of March 10, 2010 entered into by the Company and certain of its stockholders (the "Stockholders Agreement") and (ii) the Right of First Refusal and Tag Along Rights Agreement dated as of March 10, 2010 entered into by the Company and certain of its stockholders (the "Right of First Refusal Agreement").

By acceptance of this Award, the Executive agrees to be a party to and bound by the Stockholders Agreement and the Right of First Refusal Agreement as if he were an original signatory to each of those agreements, and in this regard, he agrees to sign any joinder agreement or instrument of accession that may be required.

5. Stock Certificates

The Company shall be the custodian for all shares of Restricted Stock. Reasonably promptly following the Executive's written request after any unvested Restricted Shares have become vested, the Company shall issue and deliver to the Executive a stock certificate in the Executive's name representing those vested Restricted Shares on the Company's stock records.

Each stock certificate issued to the Executive shall bear a legend substantially in the following form:

The shares of the Common Stock, par value \$.001 per share (these "Shares"), of The Joint Corp., a Delaware corporation (the "Company"), represented by this Certificate are subject to the Stockholders Agreement dated as of March 10, 2010 entered into by the Company and certain of its stockholders (as it may be amended or superseded, the "Stockholders Agreement"), a copy of which may be obtained from the Company upon written request); and by accepting any interest in these Shares the person accepting such interest shall be deemed to agree to and shall become bound by all of the provisions of the Stockholders Agreement.

6. Voting and Distributions

The Executive shall have the right to vote all vested Restricted Shares, and shall be entitled to all dividends and distributions in respect of vested Restricted Shares, in either case regardless of whether a stock certificate representing those shares has been issued to the Executive.

The Executive shall not have the right to vote any unvested Restricted Shares. All dividends and distributions in respect of unvested Restricted Shares (for example, shares of the Company's Common Stock issued by reason of a stock split, reverse stock split or stock dividend) shall be treated as additional unvested Restricted Shares subject to the terms of this Award.

7. Tax Liability

Unless the Executive has made a timely election under section 83(b) of the Code to be taxed as of the Grant Date rather than as the Restricted Shares become vested, the Company shall have the right, upon the vesting of any Restricted Shares, to deduct or withhold, or require the Executive to remit to the Company, an amount sufficient to satisfy the federal, state, local and other taxes (including the Participant's FICA obligation) that the Company is required to withhold by reason of such vesting. The Company may permit the Executive to satisfy this withholding obligation by any of the methods described in Section 14(b) of the Plan.

8. Transferability

This Award may not be transferred, assigned or pledged (whether by operation of law or otherwise) and shall not be subject to execution, attachment or similar process.

9. Interpretation

This Award is subject to the terms of the Plan, as the Plan may be amended (but except as required by applicable law, no amendment of the Plan after the Grant Date shall adversely affect Employee's rights in respect of the Award without Employee's consent).

If there is a conflict or inconsistency between this Award and the Plan, the terms of the Plan shall control. The Administrator's interpretation of this Award and the Plan shall be final and binding.

10. No Employment Rights

Nothing in this Award shall be considered to confer on Employee any right to continue in the employ of the Company or to limit the Company's right to terminate Employee's employment.

11. Governing Law

This Award shall be governed in accordance with the laws of the State of Arizona.

12. **Binding Effect**

This Award shall be binding on the Company and the Executive and on the Company's successors and the Executive's heirs and legal representatives.

13. **Effective Date.** This Award shall not become effective until the Executive's acceptance of this Award and his agreement to be bound by the Stockholders Agreement and the Right of First Refusal Agreement. Upon such acceptance and agreement, this Award shall become effective as of the Grant Date without the necessity of further action by either the Company or the Executive.

STATE COVER PAGE

Your state may have a franchise law that requires a franchise to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in **Exhibit A** for information about the franchisor or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise.

1. **THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY ARBITRATION ONLY IN ARIZONA. OUT OF STATE ARBITRATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT. IT ALSO MAY COST MORE ARBITRATION WITH US IN ARIZONA THAN IN YOUR OWN STATE.**
2. **THE FRANCHISE AGREEMENT STATES THAT ARIZONA LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTION AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.**
3. **YOU, YOUR SPOUSE(S), AND/OR EACH SPOUSE OF YOU OR THE OWNERS/PARTNERS/MEMBERS, OF YOU IF YOU ARE A LEGAL ENTITY, MAY HAVE TO SIGN A PERSONAL GUARANTY AND PERSONALLY GUARANTEE ALL OBLIGATIONS OF THE FRANCHISED BUSINESS, WHETHER OR NOT YOUR SPOUSE(S) IS/ARE INVOLVED IN THE OPERATION OF THE BUSINESS. THIS REQUIREMENT PLACES AT RISK THE PERSONAL ASSETS OF YOU, THE OWNERS/PARTNERS/MEMBERS OF YOU IF YOU ARE A LEGAL ENTITY, AND/OR YOUR SPOUSE(S).**
4. **THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.**

We use the services of one or more franchise brokers or referral sources to assist us in selling our franchise. A franchise broker or referral source is our agent and represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

Item 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Joint Corp., a Delaware corporation, is offering prospective Franchise Owners the opportunity to operate a Location franchise in accordance with the terms described in this Disclosure Document. To simplify the language in this Disclosure Document, the terms, “We,” “Us,” “the Company,” or “The Joint” mean The Joint Corp., the franchisor (but not the Company’s officers, directors, agents or employees). “You” or “Franchise Owner” mean the person who buys a franchise from us. The term “Location” or “Locations” mean one or several The Joint single-unit franchises. If you are a corporation, partnership or other entity, our Franchise Agreement will also apply to your owners, officers and directors. Unless otherwise indicated, the term “Franchised Business” means a The Joint franchise.

The Franchisor, and any Parents Predecessor and Affiliates. We are a Delaware corporation, created on March 10, 2010. Our predecessor for the purpose of this Franchise Disclosure Document was The Joint Franchise Co., LLC, an Arizona limited liability company organized on February 21, 2003. However, The Joint Corp. did not take over, or merge with, The Joint Franchise Co., LLC but merely bought the assets from The Joint Franchise Co., LLC, including the existing franchise agreements between The Joint Franchise Co., LLC and its franchisees. We have no affiliates.

Our principal business and mailing address is 16767 N. Perimeter Dr., Suite 240, Scottsdale, Arizona 85260. Our telephone number is (480) 245-5960 and our facsimile number is (480) 513-7989. Our agent for service of process is disclosed in **Exhibit A**.

The principal business and mailing address of The Joint Franchise Co., LLC was 4300 Paces Ferry Road, #125, Atlanta, Georgia, 30339.

The Franchised Business. We currently offer a single-unit franchise or location franchise (“Location(s)”). Our predecessor began offering Location franchises in March 2003. We offered Regional Developer franchises from February 2011 until December 2013. We no longer offer Regional Developer franchises and do not intend to in the future. However, we have existing Regional Developer franchisees in our system.

We do not operate any company or affiliate -owned Location or Regional Developer franchises. The Company is not engaged in any other business.

We offer Location franchises to persons or legal entities that meet our qualifications, and are willing to undertake the investment and effort to own and operate businesses that will manage clinics that specialize in providing chiropractic services and products to the general public through licensed chiropractic professionals (“Clinic(s)”).

Our existing Regional Developer franchises have the right to solicit potential purchasers for our Location Franchises in a defined territory. Regional Developer Franchises also provide development and ongoing franchise support services to the Location Franchises within their defined territory. Regional Developer franchises are offered under a separate Disclosure Document. Depending on your area, you may have a Regional Developer franchise that assists us with your Location franchise.

Excepted where allowed otherwise by applicable law, each Clinic will be operated by one or more licensed chiropractors who will provide chiropractic services in the state in which the Clinic is located. We expect that these chiropractors will form a “PC”, which is a professional corporation (or similar entity, such as a professional limited liability company, if permitted under local and state laws) to own and operate the Clinic. If permitted by state and local law, the PC may be the same entity as your franchisee entity or have the same owners as the Franchised Business.

The Joint... The Chiropractic Place™ – Unit FDD 2014 (v.3)

To operate a Location franchise, you must enter into a Franchise Agreement with us. If you are a non-chiropractor Location franchisee, in addition to signing the Franchise Agreement with us, before you begin operating the Franchised Business, you must enter into a management agreement (“Management Agreement”) with a PC. Licensed chiropractic professionals and/or a PC are not required to execute a Management Agreement. Under a Management Agreement, a non-chiropractor Location franchisee will provide a PC with management and administrative services and support consistent with the System to support the PC’s chiropractic practice and its delivery of chiropractic services and related products to patients at a Clinic, consistent with all applicable laws and regulations. Subject to changes that may be required by state law, you must use our applicable standard form(s) of Management Agreement (**Exhibit L** of this Disclosure Document), however, you may negotiate the monetary terms and, with our written consent, certain other terms of the relationship with a PC. You must obtain our written approval of the final Management Agreement prior to signing it with a PC. We must also approve the PC candidate. If you are not able to find a suitable chiropractor or chiropractors to create, own and staff the PC, we will attempt to help you find a suitable PC. You must have a Management Agreement in effect with a PC at all times during the operation of the Franchised Business.

The PC will employ and control the chiropractors and the other chiropractic professionals and staff who provide the actual chiropractic services required to be delivered at and through the Clinic. A non-chiropractor Location franchisee may not provide any actual chiropractor services, nor will it supervise, direct, control or suggest to the PC or its licensed chiropractors or employees the manner in which the PC provides or may provide chiropractic services to its patients (except as described below under “Waiver of Management Agreement.”). Due to various federal and state laws regarding the practice of chiropractic medicine, and the ownership and operation of chiropractic practices and health care businesses that provide chiropractic services, it is critical that you, as non-chiropractor Location franchisee, do not engage in practices that are, or may appear to be, the practice of chiropractic medicine. The PC must offer all chiropractic services in accordance with the Management Agreement and the System.

You must operate your Location at a site we approve and in accordance with the standards and procedures designated by the Company (the “System”), and according to the Company’s Operations Manual for Locations (“the Manual”). (See Item 11).

Under our Franchise Agreement (the “Agreement”), the Company offers qualified purchasers the right to establish and operate a Location at a site approved by the Company. The Franchise Agreement (attached as **Exhibit B** hereto) gives you the right to operate a Location under the name and mark “The Joint... the Chiropractic Place™” and other marks designated by the Company from time to time (all referred to as the “Proprietary Marks”). Under the Agreement, you must offer all products and services that we may specify and may not offer any products or services we have not authorized.

Locations are typically located in high-traffic strip malls or other similarly suitable locations.

Market and Competition. The market for The Joint Locations includes individuals who desire chiropractic care.

If you open a The Joint Location, your competition will include other businesses offering similar products and services to individuals. These competitors may include other chiropractic clinics, physical therapy specialists, hospitals and other medical facilities and franchises.

Laws and Regulations. You are responsible for operating in full compliance with all laws that apply to your Location franchise and the Clinic that you manage. The medical industry is heavily regulated. These laws may include federal, state and local regulations relating to: the practice of chiropractic medicine and the operation and licensing of chiropractic services; the relationship of providers and suppliers of health care services, on the one hand, and chiropractors and clinicians, on the other, including anti-kickback laws (including the Federal Medicare Anti-Kickback Statute and similar state laws); restrictions or prohibition on fee splitting; physician self-referral restrictions (including the federal “Stark Law” and similar state laws); payment systems for medical benefits available to individuals through insurance and government resources (including Medicare and Medicaid); privacy of patient records (including the Health Insurance Portability and Accountability Act of 1996); use of medical devices; and advertising of medical services. While not all of these laws and regulations will be applicable to all Clinics, depending on location, services provided, it is important to be aware of the regulatory framework. We require all employees that will work with patients in a franchise Location to undergo a background check.

The Joint... The Chiropractic Place™ – Unit FDD 2014 (v.3)

You must secure and maintain in force all required licenses, permits and certificates relating to the operation of the Franchised Business and the other licenses applicable to Clinics. You must not employ any person in a position that requires a license unless that person is currently licensed by all applicable authorities and a copy of the license or permit is in your business files. You must comply with all state and local laws and regulations regarding the management of any Clinic.

You must also ensure that your relationship with the PC for which you manage the Clinic complies with all laws and regulations, and that the PC complies with all laws and regulations and secures and maintains in force all required licenses, permits and certificates relating to the operation of a Clinic. Each state has medical, nursing, physician assistant, cosmetology, naturopathic, chiropractic and other boards that determine rules and regulations regarding their respective members and the scope of services that may legally be offered by their members. The laws and regulations generally include requirements for the medical providers to hold required state licenses and registrations to work as chiropractors and chiropractic assistants in the state where the Clinic is located, and to hold required certifications by, or registrations in, any applicable professional association or registry. If a state or jurisdiction has such a law or regulation, these laws and regulations are likely to vary from state to state, and these may change from time to time.

If we license you to operate a Franchised Business, we are not engaging in the practice of chiropractic medicine, nursing or any other profession that requires specialized training or certification, and you, as franchisee, must not engage in the practice of chiropractic medicine, nursing, or any other profession that requires specialized training or certification, unless you are properly licensed to do so. The Franchise Agreement and Management Agreement will not interfere, affect or limit the independent exercise of medical judgment by the PC and its medical staff. It will be your responsibility for researching all applicable laws, and we strongly advise that you consult with an attorney and/or contact local, state and federal agencies before signing a Franchise Agreement with us, or a Management Agreement with a PC, to determine your legal obligations and evaluate the possible effects on your costs and operations.

Based on our review of the laws of the various states, we expect that you will be required to work with a PC in the following states: Arkansas, California, Colorado, District of Columbia, Florida, Hawaii, Illinois, Kansas, Kentucky, Maryland, Michigan, Minnesota, New Jersey, New York, North Carolina, Oregon, Pennsylvania, Rhode Island, South Dakota, Tennessee, Vermont, Washington, West Virginia, and Wyoming. However, you may be required to work with a PC in other states, depending on how those states interpret their own laws. Some states have not explicitly stated whether an unlicensed person can own and/or operate a chiropractic practice in their state. You understand that it is your responsibility to operate your franchise Location in compliance with the laws of your state. This may mean that you may have to alter the structure of your franchise and begin working with a PC, if the state you operate in does not allow, or decides to no longer allow, an unlicensed person from owning and/or operating a chiropractic practice.

Some states may permit an unlicensed person from owning and operating a chiropractic practice, but require you to first obtain a license or permit (i.e., Alabama, Massachusetts). You understand that it is your responsibility to obtain all necessary licenses or permits to operate your franchise Location.

In addition, you must operate the Franchised Business in full compliance with all applicable laws, ordinances and regulations, including, without limitation, government regulations relating to occupational hazards, health, EEOC, OSHA, discrimination, employment, sexual harassment, worker's compensation and unemployment insurance and withholding and payment of federal and state income taxes, social security taxes and sales and service taxes. You should consult with your attorney concerning those and other local laws and ordinances that may affect the operation of your Franchised Business.

The Joint... The Chiropractic Place™ – Unit FDD 2014 (v.3)

Waiver of Management Agreement

In certain states, it may be permissible under the existing laws that may be applicable to chiropractic professionals and/or practices, such as chiropractic clinics, for a non-chiropractor to both own and operate a Clinic and a Location Franchise, including hiring chiropractic and other professional personnel and providing chiropractic services to patients at the Clinic. If you determine that the laws that would apply to a Clinic in your state would permit you to do so, you may request that we waive certain of the requirements of the Franchise Agreement related to separating the operation of the chiropractic aspects of the Clinic from the management aspects. In particular, you (i) would not enter into a management agreement with a PC that, as a separate entity, would otherwise operate the Clinic and provide all chiropractic services, and (ii) you would not be restricted from hiring and supervising chiropractic professionals. Any waiver, or any modification of our standards, would be subject to compliance with all applicable laws and regulations. If we agree to do a waiver, you must enter into an Amendment to Waive Management Agreement (“Waiver Agreement”) (**Exhibit M** of this Disclosure Document). Under the Waiver Agreement, you agree that, instead of entering into the Management Agreement with a separate PC, you will (a) operate the Clinic, including performing all responsibilities and obligations of the “PC” under the Management Agreement, and (b) manage the Clinic as required in the Franchise Agreement and by performing all the responsibilities and obligations of the “Company” under the Management Agreement.

You are responsible for operating in full compliance with all laws that apply to a Clinic, and you must make your own determination as to your legal compliance obligations. Additionally, the laws applicable to your Clinic may change, and if there are any medical regulations or other laws that would render your operation of the Clinic through a single entity (or otherwise) in violation of any medical regulations, you must immediately advise us of such change and of the your proposed corrective action to comply with medical regulations, including (if applicable) entering into a management agreement with a PC. Similarly, if we discover any such laws, upon providing you notice of such laws, you agree to make such changes as are necessary to comply with medical regulations, including (if applicable) entering into a management agreement with a PC.

The tables above and accompanying notes describe the nature and amount of all other fees that you must pay to us or our affiliates, or that we or our affiliates impose or collect in whole or in part for a third party, whether on a regular periodic basis or as infrequent anticipated expenses, in carrying on your The Joint Location:

Explanatory Notes:

- (1) Except for some product and service purchases (see Item 8) and advertising cooperative payments (see Item 11), all fees are uniform, and are imposed by, collected by, and payable to us. We have in the past, and may in the future, waive or defer some of the fees set forth in the table. However, we will not do so unless we determine in our sole and absolute discretion that it is in the best interest of the franchise system as a whole. All fees are non-refundable.
- (2) You must pay all amounts due by automatic debit. After you sign the documents we require to debit your business checking account automatically for the amounts due, we will debit your bank account for the Royalty Fee, Advertising Fee, and other amounts you owe us. You must make funds available for withdrawal from your account before each due date.

If you do not report accurately your Location's gross revenues for any week, then we may debit your account for one hundred twenty percent (120%) of the Royalty Fee and Advertising Fee amounts that we debited during the previous week. If the Royalty Fee and Advertising Fee amounts we debit are less than the Royalty Fee and Advertising Fee amounts you actually owe us (once we determine the franchise's actual gross revenues for the week), then we will debit your account for the balance on the day we specify. If the Royalty Fee and Advertising Fee amount we debit is greater than the Royalty Fee and Advertising Fee amount you actually owe us, then we will credit the excess amount, without interest, against the amount we otherwise would debit from your account during the following week.

- (3) "Gross revenues" means the total of all revenue and receipts derived from the operation of the franchise, including all amounts received at or away from the Location, or through the business the Location conducts (such as fees for chiropractic care, fees for the sale of any service or product, gift certificate sales, and revenue derived from products sales, whether in cash or by check, credit card, debit card, barter or exchange, or other credit transactions); and excludes only sales taxes collected from customers and paid to the appropriate taxing authority, and all customer refunds and credits the franchise actually makes. For franchisees that operate as the management company for a P.C. and any of its clinics under a Management Agreement, "gross revenues" includes all revenues and receipts of the P.C. and any of its clinics, even if those revenues are not recognized on the books of the franchisee.
- (4) The initial charge for setup of the Office Management Software is \$495.00. Thereafter, the monthly charge for the Office Management Software is \$275.00. This fee allows the franchisee to access the contents of our site and resources and to use our propriety software. See Item 7 and 11 for additional information regarding Computer Systems.
- (5) If you fail to pay the premiums for insurance required to operate your franchise, including but not limited to, general or professional liability insurance, we may obtain insurance for you and you will be required to reimburse us within ten (10) days of receipt of a demand for reimbursement from us. We will have the right to debit your account the amounts owed to us for such premiums if you fail to pay us within ten (10) days of our request for reimbursement.
- (6) Location relocation is only applicable if the Location loses its premises because of circumstance beyond the control of the franchisee. Any Location relocation site needs to be approved by the Company in the same manner as the approval of the Location's initial site. The relocation fee is due to the Company within a week after the site approval by the Company.
- (7) You must pay the termination fee, plus any costs and attorneys' fees incurred by us, if you improperly attempt to terminate or close your Location or franchise before your term expires, or we terminate your Franchise Agreement for any reason set forth in the Franchise Agreement. We may also recover from you any damages suffered by us (e.g., lost future revenues) resulting from your improper or wrongful termination of the franchise. Termination fees may be unenforceable in certain states. See Item 17 for additional information.

Explanatory Notes:

*These estimated initial expenses are our best estimate of the costs you may incur in establishing and operating your franchise. Our estimates are based on our experience (see Items 1 and 2), and our current requirements for Franchised Businesses. The factors underlying our estimates may vary depending on a number of variables, and the actual investment you make in developing and opening your franchise may be greater or less than the estimates given depending upon the location of your franchise, and current relevant market conditions. Your costs will also depend on factors such as how well you follow our methods and procedures; your management skills; your business experience and capabilities; local economic conditions; the local market for our products and services; the prevailing wage rates; competition; and sales levels reached during your initial phase of business operations.

** None of the fees or costs paid to us listed in the table above are refundable.

- (1) See Item 5 for more information about the Initial Franchise Fee for Locations.
- (2) This estimate includes security deposits required by the landlord and utility companies, but not your telecommunications service.
- (3) Your actual rent payments may vary, depending upon your location and your market's retail lease rates. We recommend that you lease an office of no less than one thousand (1,000) square feet with access to bathrooms, and provisions for telecommunication equipment and office furniture. We estimate your initial expenses for leasing office space during the first three months will range from \$7,200 to \$27,000 depending on the size and location of the Location.

If you purchase instead of lease the premises for your Location, then the purchase price, down payment, interest rates, and other financing terms will determine the amount of your monthly mortgage payments.
- (4) This estimate does not include any construction allowances that may be offered by your landlord. Building and construction costs will vary depending upon the condition of the premises for the Location, the size of the premises, and local construction costs. The estimate does not take in account any tenant improvement allowances that may be given by the landlord.
- (5) These estimates assume you will purchase your signage. The type and size of the signage you actually install will be based upon the zoning and property use requirements and restrictions. There could be an occasion where signage is not permitted because of zoning or use restrictions.
- (6) You will need to purchase office furniture for the operation of your Location, including workstations and chairs, file cabinets, shelving, and an initial inventory of forms, stationary and other items.
- (7) See Manual and Item 11 for more details about computer systems and software.
- (8) You may be required to obtain business licenses from the local government agency to operate your Franchised Business. We have estimated these costs will be between \$750 and \$1,800 depending upon the jurisdiction.
- (9) You may incur legal fees, accounting fees and other professional fees in order to incorporate your business, set up a PC, review agreements relating to the operation of the franchise, to perform background checks and personality profiles of potential employees and medical professionals, and to perform all necessary tax filings and to set up a small business or a PC, including a general ledger, tax reports, payroll deposits, etc.

The Joint... The Chiropractic Place™ – Unit FDD 2014 (v.3)

- (10) We estimate that your annual cost of insurance will range from \$4,000 to \$8,000. You must purchase all insurance necessary to operate your franchise, including but not limited to, professional liability insurance for all chiropractors who work in or supervise each clinic, from our required vendor. Currently, Brown & Brown Insurance is our required vendor for all insurance necessary to meet our specifications. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverage to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards, changing economic conditions, or other relevant changes in circumstances. All insurance policies you purchase must name us and any affiliate we designate as additional insureds, and provide for thirty (30) days' prior written notice to us of a policy's material modification or cancellation. If you fail to obtain or maintain the insurance we specify, we may (but need not) obtain the insurance for you and the Location on your behalf (see Item 6). The cost of your premiums will depend on the insurance carrier's charges, terms of payment, and your insurance and payment histories. Our insurance requirements are in our Operations Manual, and may be updated from time to time by way of updates to our Operations Manual or other written communications.
- (11) We estimate that your travel expenses for initial training will be \$1,300 to \$2,300. While the Company does not charge for training, the Franchise Owner is required to pay his transportation to and from our training site and pay for his/her living arrangements and food during the time of training. The Company estimates costs of \$150 per day, per person, for lodging, food and other miscellaneous expenses, plus travel expenses to and from Franchise Owner's personal residence. However, if the Franchise Owner lives in the Phoenix metropolitan area where the training will take place, the travel expenses will be minimal.
- (12) We estimate that Grand Opening and other startup advertising expenses (excluding your local advertising requirement) will be \$10,000. You must spend this amount in accordance with the Manual during the sixty (60) day period that begins thirty (30) days prior to the opening of your Franchise, and ending thirty (30) days after the opening of your Franchise. Starting on the second month of operation of the Location, you must spend the greater of \$3,000 or 5% of the Location's monthly gross revenue toward local advertising. We anticipate that your monies will be spent for your Grand Opening and local advertising will be used on a variety of advertising media, including but not limited to, online, newspaper/magazine advertisements and related customized marketing materials prepared by the Company or third-party vendors. See the Manual for details. We estimate that a Franchise Owner will pay a at least \$16,000 in Grand Opening and local advertising during the first three (3) months of operation of a Location, however, you may choose to spend more.
- (13) The estimate of additional funds is based on an owner-operated business and does not include any allowance for an owner's draw. The estimate of \$20,000 to \$35,000 is for a period of at least three (3) months. The Company estimates that, in general, you may expect to put additional cash into the business during at least the first three (3) months, and sometimes longer.
- (14) We have relied on our experience in this industry in compiling these estimates. You should review these figures carefully with a business advisor before making any decision to purchase this franchise opportunity.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases of Goods and Services

You must purchase certain products, supplies, insurance, inventory, signage, fixtures, furniture, equipment, décor and other specified items under specifications and standards that we periodically establish in our Manual or other notices we send to you from time to time. These specifications are established to provide standards for performance, durability, design and appearance. You must purchase such products, supplies, insurance, etc. required for the operation of your Franchised Business solely from suppliers (including distributors, manufacturers, and other sources) who have been approved in writing by the Company, as set forth in the Manual. You are not allowed to purchase any item from an unapproved supplier. When selecting suppliers, we consider all relevant factors, including the quality of goods and services, service history, years in business, capacity of supplier, financial condition, terms and other requirements consistent with other supplier relationships. We maintain written lists of approved items of equipment, fixtures, inventory, and supplies (by brand name and/or by standards and specifications) and lists of approved suppliers for those items. All such suppliers and approved vendors will be listed in the Manual, which must always be followed, even as modified and updated by the Company. We will notify you whenever we establish or revise any of our standards or specifications, or if we designate approved suppliers for products, equipment or services.

We are currently an approved supplier of computer hardware, software and supplies. There are no approved suppliers in which any of our officers owns an interest. We may become the required supplier for digital marketing and advertising services in the future. If we do, you will be required to discontinue using other suppliers for these services.

You must comply with our requirements to purchase or lease real estate, goods, and services according to our specifications and/or from approved suppliers to be eligible to renew your franchise. Failure to comply with these requirements will render you ineligible for renewal, and may be a default allowing us to terminate your franchise.

Approval of Alternative Suppliers

The Company does not have any specific written criteria for supplier selection and does not intend at this time to prepare one. Therefore, the Company will not furnish its criteria for supplier approval to Franchise Owners. If you would like to purchase any items from any unapproved supplier, then you must submit to us a written request for approval of the proposed supplier. We have the right to inspect the proposed supplier's facilities, and require that product samples from the proposed supplier be delivered, at our option, either directly to us, or to any independent, certified laboratory that we may designate, for testing. We may charge you a supplier evaluation fee (not to exceed the reasonable cost of the inspection and the actual cost of the test) to make the evaluation. We reserve the right to periodically re-inspect the facilities and products of any approved supplier, and revoke our approval if the supplier does not continue to meet any of our criteria.

Revenue from Franchisee Purchases

In 2013, we received revenue from franchisee required purchases from two vendors: 1) Woodforest National Bank/Merchants' Choice Payment Solutions (collectively "WNB/MCPS") (merchant credit card services) and 2) Clayton/Kendall (franchisee supplies). We did not generate revenue from franchisee purchases of other required products or services. We receive approximately \$50/month from MCPS for each franchise clinic that used MCPS' services. Clayton/Kendall paid us a 10% rebate on franchisee purchases of required products. We received gross revenues of \$351,000 from franchisee required purchases of computer hardware, software and related services from us. Our gross revenue from these required purchases does not take into labor, equipment and shipping charges we incurred in providing this equipment. All franchisees are required to sign an agreement with our required vendors for credit card services (MCPS) and for music (Retail Radio). A copy of each of these agreements is attached in Exhibit O.

The Joint... The Chiropractic Place™ – Unit FDD 2014 (v.3)

In the year ending December 31, 2013, revenues from sale of required products and services to franchisees was \$482,679, or approximately 8.1% of our total revenues of \$5,958,067. The cost of purchasing required products and services to our specifications will represent approximately 31% of your total purchases in establishing your franchise and approximately 6% of your total purchases during the operation of your franchise.

We may receive revenue or other consideration from any other suppliers for goods and services that we require or advise you to purchase. In the event we enter agreements with any such suppliers, we anticipate that any revenue or other consideration received would probably include promotional allowances, rebates, volume discounts, and other payments, and would probably be equal to zero to ten percent (0-10%) of the amount of the goods or services you purchase from the supplier. We expect that at least some of these arrangements will generally allow us to obtain discounts off standard pricing, and pass at least a portion of the savings on to you.

Negotiated Prices, Cooperatives and Material Benefits

We negotiate price terms and other purchase arrangements with suppliers for you for some items that we require you to lease or purchase in developing and operating your Location franchise. There currently are no purchasing and distribution cooperatives. We do not provide any material benefits to you if you buy from sources we approve.

Advertising Specifications. You must obtain our approval before you use any advertising and promotional materials, signs, forms and stationary unless we have prepared or approved them during the twelve (12) months prior to their proposed use. You must purchase certain advertising and promotional materials, brochures, fliers, forms, business cards and letterhead from approved vendors only. Further, you must not engage in any advertising of your Franchised Business unless we have previously approved the medium, content and method.

Price Restrictions. To the extent permitted by applicable law, we may periodically establish maximum and/or minimum prices for services and products that Franchise locations offer, including without limitation, prices for promotions in which all or certain The Joint Franchise locations participate. If we establish such prices for any services or products, you cannot to exceed or reduce that price, but will charge the price for the service or product that we establish. You will apply any pricing matrix or schedule established by us. However, in states where you must enter a Management Agreement this provision will be modified, to the extent legally permissible, to conform to the laws of the state where your Franchise location will be located.

Records. All of your bookkeeping and accounting records, financial statements, and all reports you submit to us must conform to our requirements. All reports must be submitted in a timely manner in accordance with the dates we set from time to time.

Computer-Related Equipment and Software. You must purchase for each Location a computer system and operating software that we specify from time to time. See Item 7 regarding the estimated initial cost of this equipment. You will also be required to purchase from our approved supplier our proprietary office management software costing \$495.00. You will also be required to pay a monthly fee of \$275.00 for the continuing use and upgrade of the office management software. You will also be required to have access to a broadband Internet connection at all time.

Item 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations:

Before you open your Location franchise for business, we or our designee will:

1. Review and approve or disapprove your proposed Location site. We require that you have selected and we have approved your proposed Location site within six (6) months of signing the Franchise Agreement. In order to provide us time to review your proposed Location site and meet that deadline, you must use your best efforts to seek and select a mutually agreeable site within one hundred fifty (150) days after signing the Franchise Agreement. You must then obtain lawful possession of the Premises through lease or purchase within thirty (30) days of our approval of the site. The site must meet our criteria for demographics; traffic count; parking; ingress and egress; character of neighborhood; competition from, proximity to, and nature of other businesses; size; appearance; and other physical and commercial characteristics. We require that your Location be at least five hundred (500) or more square feet in size. Locations are typically located in high-traffic strip malls. For each proposed site, you must submit to us, in the form we specify, a description of the site and any other information or materials that we may require. We will not unreasonably withhold approval of a site that meets our standards for general location and neighborhood, traffic patterns, parking size, layout, and other physical characteristics for a Location. If you fail to identify a mutually agreeable site by the established deadline, then we may terminate your Franchise Agreement. (Franchise Agreement – Section 5.1).
2. Identify the products, materials, supplies, and services you must use to develop and operate your Location, the minimum standards and specifications that you must satisfy in developing and operating the franchise, and the designated and approved suppliers from whom you must or may buy or lease these items (which might be limited to or include us and/or our affiliates) (Franchise Agreement – Section 5.1). See Item 8 for additional information.
3. Lend to you one copy of our Manual (“Manual”), which contains our mandatory and suggested specifications, standards and procedures for operating your Location (Franchise Agreement – Section 5.1-5.2). **Exhibit C** to this Disclosure Document sets forth the Table of Contents for our Manual which is approximately 298 pages in length. The Manual may be composed of or include audiotapes, videotapes, computer disks, compact disks, and/or other written or intangible materials. We may make all or part of the Manual available to you through various means, including the Internet. The Manual contains our System Standards and information about your other obligations under the Franchise Agreement. We may modify the Manual periodically to reflect changes in System Standards. You must keep your copy of the Manual current, and in a secure place at your Location. If you and we have a dispute over the contents of the Manual, then our master copy of the Manual will control. The Manual is confidential, and you may not copy, duplicate, record or otherwise reproduce any part of it. If your copy of the Manual is lost, destroyed or significantly damaged, then you must obtain a replacement copy at our then applicable charge (see Item 6). You may view our Manual at our corporate headquarters before purchasing your Location, but must first sign a nondisclosure agreement (**Exhibit E** of this Disclosure Document) promising not to reveal any of the information contained in the Manual without our permission. See Item 14 for additional information regarding our Manual.
4. Provide you with specifications for the computer system for your Location (Franchise Agreement – Section 3.4). See below for additional information about these specifications.

The Joint... The Chiropractic Place™ – Unit FDD 2014 (v.3)

5. No later than thirty (30) days before your Location opens for business, provide to you, other members of your management team, and any agents you employ our initial training program for Locations (Franchise Agreement – Section 5.1). You (if you are an individual) or at least one of your Principal Owners as defined in your Franchise Agreement (if you are a legal entity), your general manager (if we agree for you to have a general manager; see Item 15), any licensed chiropractor practicing at the Location, and other members of your management team that we designate must complete this initial training program to our satisfaction. The training program includes classroom instruction and Location operation training at our headquarters in Scottsdale, Arizona, and on-the-job Location operation training at either a training facility or a location we designate. There will be no tuition charge for these training programs for any persons who attend, but you must pay any wages or compensation owed to, and all travel, lodging, meal, and transportation expenses incurred by, all of your personnel who attend the training programs. All persons who attend our initial training program must complete it to our satisfaction.

6. Provide at the Company's expense an opening supervisor to assist you with the Location's operational efficiency, staff training, Location setup and opening of your Location for one (1) day before the opening of your first Location and for one (1) day after the opening of your first Location (Franchise Agreement – Section 3.6).

Time to Open:

Unless we agree otherwise, you must open your Location franchise within nine (9) months after signing your Franchise Agreement. We estimate that Locations will typically open for business approximately three (3) months after signing the Franchise Agreement. Factors affecting this length of time include locating a site for the Premises and signing a lease, construction or remodeling of the site (if required), completion of required training, financing arrangements, local ordinance and building code compliance, delivery and installation of equipment, and hiring and training of your staff (Franchise Agreement – Section 3.1).

Post-Opening Obligations:

After your Location opens for business, we or our designee will:

1. Provide you with guidance and assistance in the following areas: (a) the products and services authorized for sale by the Location, and specifications, standards, and operating procedures used by Location franchises; (b) purchasing approved equipment, furniture, furnishings, signs, products, operating materials, and supplies; (c) development and implementation of local advertising and promotional programs; (d) administrative, bookkeeping, accounting, inventory control and general operating and management procedures; (e) establishing and conducting employee training programs at the Location; (f) changes in any of the above that occur from time to time; and (g) specify any approved brands, types and/or models of equipment, furniture, fixtures, and signs (Franchise Agreement – Section 5.1).

2. Continue lending to you a copy of our Manual (Franchise Agreement – Sections 5.1-5.2).

3. Allow you to use our Marks and confidential information in operating your Location (Franchise Agreement – Sections 7 and 9). You must use the Marks and confidential information only as authorized in the Franchise Agreement and our Manual. See Items 13 and 14 for additional information.

4. Indemnify you against damages for which you are held liable in any proceeding arising out of your use of our Marks in compliance with the Franchise Agreement, and reimburse you for costs you incur in defending against any such claim (Franchise Agreement – Section 7.5). See Item 13 for additional information.

The Joint... The Chiropractic Place™ – Unit FDD 2014 (v.3)

5. As we deem appropriate, provide you with additional, on-going, and supplemental training programs (Franchise Agreement – Section 4.2). We may hold mandatory and optional training programs for you and your staff regarding new techniques, services or products, and other appropriate subjects. We may decide to hold these training programs at our own initiative, or in response to your request for additional or special training. We will determine the location, frequency, and instructors of these training programs. We may, but do not currently, charge you a daily attendance fee in an amount to be set by us for each owner, officer, director, manager, or employee of yours who attends any mandatory or optional training program (see Item 6). You must pay this fee to us in a lump sum before the training program begins. You must pay for all travel, lodging, meal, and personal expenses related to your attendance and the attendance of your personnel.

6. Review and approve or disapprove your advertising, marketing, and promotional materials (Franchise Agreement – Section 11.2). See Items 8 and the rest of this Item 11 for additional information about our advertising-related requirements and approval process.

7. As we deem advisable, conduct inspections and/or audits of your Location, including evaluations of its training methods, techniques, and equipment; its staff; and the services rendered to its customers (Franchise Agreement – Section 13.1). We may provide you with additional guidance and training based on the results of these inspections and/or audits.

8. If requested by you, we may provide you with a Company's employee or agent to assist you with the operation of your Location ("Store Assistance"). You will be responsible to pay to the Company a daily fee (currently set at \$300.00) - the Company reserves the right to adjust this fee as it deems appropriate) in addition to the actual costs (including but not limited to travel, meals, lodging, car rental, etc.) for the Store Assistance (Franchise Agreement – Section 5.1).

Advertising and Marketing:

Advertising by You

You are required to contribute to the advertising of your Location in your local market area, in the amount of \$3,000.00 per month or five percent (5%) of your monthly Gross Revenue, whichever is greater ("Minimum Local Advertising Requirement"). This is separate from the amounts you will spend for your Grand Opening. You will be responsible for the local marketing of your Location, including but not limited to the listing and advertising of your Location in each of the telephone directories distributed within your market area. You may only use advertising material that is approved by us. Any advertising or marketing material that you intend to use must receive prior written approval from us. If you do not receive our written disapproval within fifteen (15) days from the date the materials are delivered to us, then the materials will be deemed approved. The approval of the marketing or advertising material is valid for one year (Franchise Agreement – Section 11.2).

You are required to join and participate in The Joint Advertising Cooperative ("Co-op"), which is an association of all other Franchise Owners whose Franchised Businesses are located within your Area of Dominant Influence ("ADI"). An ADI is a geographic market designation that defines a broadcast media market, consisting of all counties in which the home market stations receive a preponderance of viewing. One function of the Co-op is to establish a local advertising pool, of which the funds must be used for Location's advertising only and for the mutual benefit of each Co-op member. The Franchise Owner must contribute to the pool in accordance with the rules and regulations of the Co-op, as determined by its members. Amounts contributed to the advertising pool by a Franchise Owner may not be considered as spent for local advertising, and therefore may not be used toward the Minimum Local Advertising Requirement (Franchise Agreement – Section 11.3).

Advertising by Us

We may create one or several national and/or regional advertising funds (the "Ad Fund(s)") for our Locations to accomplish those advertising and promotional programs we deem necessary or appropriate for the Locations (Franchise Agreement – Section 11.1). We may, however, choose to use only one Ad Fund to meet the needs of regional, multi-regional, and national advertising and promotional programs. Each Location must contribute to the Ad Funds for their area such amounts that we periodically require. The current contribution amount is one percent (1%) of Gross Sales. See Item 6 for the amount of your required contribution to Ad Funds. We have the right to increase or decrease your contribution to the Ad Funds upon thirty (30) days written notice to you. The maximum contribution to the Ad Funds we may require from you will be two percent (2%) of Gross Sales. Any Location owned by us must also contribute to the Ad Funds on the same basis as you.

The Joint... The Chiropractic Place™ – Unit FDD 2014 (v.3)

We will direct all marketing programs financed by the Ad Funds, and will have sole discretion over the creative concepts, materials and endorsements used by the Ad Funds, and the geographic, market, and media placement and allocation of the Ad Funds. We have the sole discretion to use the Ad Funds to pay the costs of administering regional, multi-regional, and/or national advertising programs, including purchasing direct mail and other media advertising; employing advertising agencies and supporting public relations, market research, and other advertising and marketing firms; and paying for advertising and marketing activities that we deem appropriate, including the costs of participating in any national or regional trade shows. We may in our discretion use Ad Funds to engage in advertising and promotional programs that benefit only one or several regionals, and not necessarily all Location franchises Ad Funds. We will not use the Ad Funds for advertising that is principally a solicitation for the sale of franchises.

The Ad Funds will be accounted for separately from our other funds, and will not be used to pay any of our general operating expenses, except for salaries, administrative costs, and overhead that we incur in activities reasonably related to the administration of the Ad Funds and their marketing programs, including preparing advertising and marketing materials, and collecting and accounting for contributions to the Ad Funds. We may spend in any fiscal year an amount greater or less than the aggregate contributions to the Ad Fund in that year, and the Ad Funds may borrow from us or other lenders to cover the Ad Funds' deficits, or invest any surplus for future use by the Ad Funds. We will prepare an annual statement of monies collected and costs incurred by each Ad Fund, and will provide it to you upon written request.

We may cause any Ad Fund to be incorporated or operated through an entity separate from us when we deem appropriate, and the entity will have the same rights and duties as we do under the Franchise Agreement. If established, the Ad Funds will be intended to enhance recognition of the Marks and to enhance the franchise opportunities available through our franchises. Although we will endeavor to use the Ad Funds to develop advertising and marketing materials and programs and place advertising that will benefit all Locations, we do not have to ensure that the Ad Funds' expenditures in or affecting any geographic area are proportionate or equivalent to the contributions made by Locations in that geographic area, or that any Location will benefit from the development of advertising and marketing materials or the placement of advertising by the Ad Funds directly or in proportion to the Location's contribution to the Ad Funds. We assume no direct or indirect liability or obligation to you or any other Location in connection with the establishment of an Ad Fund, or the collection, administration, or disbursement of monies paid into any Ad Fund.

We may suspend contributions to, and the operations of, any Ad Fund for any period we deem appropriate, and may terminate the Ad Fund upon thirty (30) days' written notice to you. All unspent monies held by the Ad Fund on the date of termination will be distributed to us, our affiliates, and you and our other franchisees in proportion to each party's respective contributions to the Ad Fund during the preceding twelve (12) month period. We may reinstate a terminated Ad Fund upon the same terms and conditions set forth in the Franchise Agreement upon thirty (30) days' advance written notice to you.

As of December 31, 2013, there are six (6) Advertising Co-ops located throughout the U.S. The Company has the right to create additional co-ops and to decide how they will be run. Currently, the Advertising Co-ops are operating according to their respective bylaws. The specific manner in which any future co-ops will be organized and governed has yet to be determined.

As of the date of this Disclosure Document we have no Ad Council.

We may become the required supplier of digital marketing and advertising services. If we do, you will be required to discontinue using any of your current suppliers for this services upon expiration of any existing contracts for these services, or within thirty (30) days of receiving notice from us that we will be providing these services, whichever occurs first. Any amounts paid to us as the required supplier of digital marketing and advertising services shall be counted against your Minimum Local Advertising Requirement.

The Joint... The Chiropractic Place™ – Unit FDD 2014 (v.3)

Computer System:

You must use the computer hardware and software (collectively, "Computer System") that we periodically designate to operate your Location (Franchise Agreement – Sections 3.4 and 6.6). You must obtain the Computer System, software licenses, maintenance and support services, and other related services from the suppliers we specify (which may include or be limited to us and/or our affiliates). (See Item 7 for more information regarding the cost of the Computer System) We may periodically modify the specifications for, and components of, the Computer System. These modifications and/or other technological developments or events may require you to purchase, lease, and/or obtain by license new or modified computer hardware and/or software, and obtain service and support for the Computer System. The Franchise Agreement does not limit the frequency or cost of these changes, upgrades, or updates. We have no obligation to reimburse you for any Computer System costs. Within sixty (60) days after you receive notice from us, you must obtain the components of the Computer System that we designate and ensure that your Computer System, as modified, is functioning properly.

We may charge you a reasonable fee for installing, providing, supporting, modifying, and enhancing any proprietary software or hardware that we develop and license to you; and (ii) other Computer System-related maintenance and support services that we or our affiliates provide to you. If we or our affiliates license any proprietary software to you or otherwise allow you to use similar technology that we develop or maintain, then you must sign any software license agreement or similar instrument that we or our affiliates may require.

You will have sole responsibility for: (1) the acquisition, operation, maintenance, and upgrading of your Computer System; (2) the manner in which your Computer System interfaces with our computer system and those of other third parties; and (3) any and all consequences that may arise if your Computer System is not properly operated, maintained and upgraded.

Your Computer System must be capable of supporting our required software, with Internet capability, and accessible by us remotely. You may also be required to purchase certain customer contact software and financial software, and to pay monthly charges associated with your Computer System. The specification regarding the required hardware and software for your Computer System is contained in the Manual.

We estimate the cost of purchasing the Computer System and related software and associated equipment will range from \$4,200.00 to \$6,000.00. In addition, you will be required to pay a recurring monthly charge for the use of our proprietary office management software. Currently this fee is \$275.00 per month, but is subject to change. You will also be required to pay the monthly cost of maintaining high-speed Internet access at your site. We estimate that this cost will be approximately \$50.00 per month.

We will have independent access to the information that will be generated and stored on your Computer System. There are no limitations on when or how we may access such information.

Table of Contents of the Operating Manual:

The Table of Contents of our Operations Manual is attached to this Franchise Disclosure Documents as **Exhibit C**. You will be given the opportunity to view our Operations Manual before buying a franchise and after you execute a confidentiality agreement.

Item 12

TERRITORY

No Exclusive or Protected Territory

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You will select for our approval the location of the Premises for your Location according to the requirements and within the time specified in the Franchise Agreement. Although, your Franchise Agreement does not provide for an exclusive or protected territory, the Company has the right to grant a protected territory or to decide to allow the installation of another Location near you without limitation of distance or other considerations.

Unless we agree otherwise, you must lease or purchase a site for the Premises of your Location, subject to our approval, within one hundred eighty (180) days after execution of the Franchise Agreement, as noted earlier in this Disclosure Document. Our approval will be based upon a variety of factors including the viability of the proposed location in relation to population, demographics, visibility, signage, access, parking, competition, projected growth in market area and other factors affecting your Territory. See the Manual for details.

We must approve the relocation of your franchised business. We will apply the same criteria for the relocation of a franchised business as we apply when determining the location of a new franchise.

The Franchise Agreement does not grant you any options, rights of first refusal, or similar rights to acquire additional franchises.

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

Franchise Owners are expected to participate in the direct operation of their franchise on a full-time basis. If they cannot, then they are obligated to have a fully trained Manager operate the franchise. However, we believe that a person with an equity interest can best ensure that our standards of quality and competence are maintained. The Franchise Agreement requires that you, or a designated Manager, be directly involved in the day-to-day operations and utilize your best efforts to promote and enhance the performance of the Franchised Business. While in most cases Franchise Owners will seek additional assistance for the labor-intensive portions of the business, we have built our reputation on Franchise Owner participation and believe it is crucial for continued success. In any case, when making decisions relating to the operation of the Location, the Franchise Owners should keep in mind that at least one licensed chiropractor must be present in the Location at all times, during the hours of business of the Location.

Any Manager you employ at the launching of your franchise operations must complete the initial management-training course required by the Company. All subsequent Managers must be trained fully according to our standards by either the Franchise Owner or the Company. However, the Company may charge a fee for this additional training. See Item 6 and the Manual for details.

Each individual who holds an ownership interest in the Franchise Owner must personally guarantee all of the obligations of the Franchise Owner under the Franchise Agreement. (See **Exhibit F** for the form of Guaranty and Assumption of Obligations.) The Guaranty must be executed by the spouse(s) of the franchisee, and all its owners, partners, etc.

At the Company's request, you must obtain and deliver executed covenants of confidentiality and non-competition (See Exhibit E) from any persons who have or may have an ownership interest in the Franchise Owner or in the franchise, any Managers, or any other persons who receive or have access to training and other Confidential Information under the System. The covenants must be in a form satisfactory to us, and must provide that we are a third party beneficiary of, and have the independent right to enforce the covenants.

You must use the Premises only for the operation of your Franchised Business and may not operate any other business at or from the Premises without the express prior written consent of the Company.

You must offer all goods and services that the Company designates as required for all franchises. In addition, the Company may require you to comply with other requirements (such as state or local licenses, training, marketing, insurance) before the Company will allow you to offer certain services.

In that case, you must comply with the new requirements. There are no express limitations on our right to designate additional or operational goods and services; however, such goods and services will be reasonably related to our franchise system or model.

We do not currently have any restrictions or conditions that limit access to customers to whom the franchisee may sell goods or services

The parties to this Agreement are The Joint Corp., a Delaware corporation ("we," "us," the "Company," or "The Joint Corp."); _____, as Franchise Owner ("you," "Franchise Owner," or "Franchisee"), and, if you are a partnership, corporation, or limited liability company, your "Principal Owners" (defined below).

1. INTRODUCTION.

This Agreement has been written in an informal style in order to make it more easily readable and to be sure that you become thoroughly familiar with all of the important rights and obligations the Agreement covers before you sign it. This Agreement includes several exhibits, all of which are legally binding and are an integral part of the complete Franchise Agreement. In this Agreement, we refer to The Joint Corp. as "we," "us," or the "Company." We refer to you as "you," "Franchise Owner" or "Franchisee." If you are a corporation, partnership or limited liability company, you will notice certain provisions that are applicable to those principal shareholders, partners or members on whose business skill, financial capability and personal character we are relying in entering into this Agreement. Those individuals will be referred to in this Agreement as "Principal Owners."

Through the expenditure of considerable time, effort and money, we and our affiliates have devised a system for the establishment and operation of The Joint Corp. business model, a chiropractic location that specializes in affordable, convenient, and accessible chiropractic care. It is our mission "to improve your quality of life through affordable Chiropractic care." Our atmosphere is fun and upbeat, and no appointments are necessary (all of these characteristics are referred to in this Agreement as the "System"). This business model includes a location model offering all of our franchised services and products (individually, a "Location" and collectively, the "Locations"). We identify the System by the use of certain trademarks, service marks and other commercial symbols, including the marks "The Joint...A Chiropractic Place®", "The Joint...The Chiropractic Place™" and certain associated designs, artwork and logos, which we may change or add to from time to time (the "Marks").

The Joint...The Chiropractic Place™
Franchise Agreement

From time to time we grant to persons who meet our qualifications, franchises to own and operate a The Joint Corp. Location franchise business that will manage clinics that specialize in providing chiropractic services and products to the general public through licensed chiropractic professionals ("Clinic(s)"). This Agreement is being presented to you because of the desire you have expressed to obtain the right to develop, own, and be franchised to operate a The Joint Corp. Location (we will refer to your The Joint Corp. franchise as the "Franchise" or the "Franchised Business"). You may purchase and operate your Franchise as a new, start-up Location (a "Start-up Location"), or may convert an existing chiropractic practice to a The Joint Corp. Location (a "Conversion Location"). In signing this Agreement, you acknowledge that you have conducted an independent investigation of The Joint Corp. Franchised Business, and recognize that, like any other business, the nature of it may evolve and change over time, that an investment in a The Joint Corp. Franchised Business involves business risks, and that the success of this business venture is primarily dependent on your business abilities and efforts.

We expressly disclaim making, and you acknowledge that you have not received or relied on, any guarantee, express or implied, as to the revenues, profits, or likelihood of success of The Joint Corp. Franchise venture contemplated by this Agreement. You acknowledge that there have been no representations by us or our affiliates or our or their respective officers, directors, members, employees, or agents that are inconsistent with the statements made in our current Franchise Disclosure Document concerning the Franchised Business, or the provisions of this Agreement. You further represent to us, as an inducement to our entering into this Agreement with you, that there have been no misrepresentations to us in your application for the rights granted by this Agreement, or in the financial information provided by you and your Principal Owners.

2. GRANT OF FRANCHISE.

2.1 Term: Reference to Exhibit 1.

You have applied for a franchise to own and operate a The Joint Corp. Location, and we have approved your application in reliance on all of the representations you made in that application. As a result, and subject to the provisions of this Agreement, we grant to you a Franchise to operate a The Joint Corp. Location offering all products, services, and proprietary programs of ours, in accordance with all elements of the System, that we may require for The Joint Corp. Locations.

You must operate the Franchise at a mutually agreeable site (the "Premises") to be identified after the signing of this Agreement, and to use the System and the Marks in the operation of that Franchise, for a term of 10 years (the "Initial Term"). The Initial Term will begin on the Agreement Date. (For convenience, the expiration date of the Initial Term is listed on Exhibit 1.) Termination or expiration of this Agreement will constitute a termination or expiration of your Franchise. (All references to the "term" of this Agreement refer to the period from the Agreement Date to the date on which this Agreement actually terminates or expires.)

The Joint...The Chiropractic Place™
Franchise Agreement

2.2 Full Term Performance.

You specifically agree to be obligated to operate the Franchise, perform the obligations of this Agreement, and continuously exert your best efforts to promote and enhance the business of the Franchise for the full term of this Agreement.

2.3 Management Agreement with Professional Corporation – Non-Licensed Franchisees.

If you are not a licensed chiropractor, prior to commencing operations of the Franchised Business, you must enter into a management agreement (“Management Agreement”) with a chiropractic professional corporation (or a professional limited liability company, if permitted in the state in which the Clinic is located) (a “PC”) whereby you will provide to the PC management and administrative services and support consistent with the System and as outlined in our form of Management Agreement, a copy of which is included as an Exhibit to our Disclosure Document, to support the PC’s chiropractic practice and its delivery of chiropractic services and related products to chiropractic patients, consistent with all applicable laws and regulations.

The PC shall employ and control the chiropractors and other chiropractic personnel that will provide the actual chiropractic services required to be delivered at and through the Clinic. You shall not provide any actual chiropractic services, nor shall you supervise, direct, control or suggest to, the PC or its chiropractors or employees the manner in which the PC provides or may provide chiropractic services to its patients. You acknowledge and agree that we will not provide any chiropractic services, nor will we supervise, direct, control or suggest to, the PC or its chiropractors or employees the manner in which the PC provide chiropractic services to its patients.

Due to various federal and state laws regarding the practice of chiropractic medicine, and the ownership and operation of chiropractic practices and health care businesses that provide chiropractic services, you understand and acknowledge that that you, as non-chiropractor Location franchisee, shall not engage in any practices that are, or may appear to be, the practice of chiropractic medicine. You acknowledge that the PC must offer all chiropractic services in accordance with the Management Agreement and the System.

The Joint...The Chiropractic Place™
Franchise Agreement

You must use our standard form of Management Agreement, however, you may negotiate the monetary terms and, with our written consent, certain other terms of the relationship with the PC. We will not unreasonably withhold our approval to requested changes in the Management Agreement. You must obtain our written approval of the final Management Agreement prior to your execution. We must approve the PC candidate. You shall ensure that the PC offers all chiropractic services in accordance with the Management Agreement and the System. If you are not able to find a suitable chiropractor to create, own and staff the PC, we will attempt to help you find a suitable PC. You must have a Management Agreement in effect with a PC at all times during the operation of the Franchised Business and during the Initial Term of this Agreement.

If you are a licensed chiropractor, or part of a PC owned by licensed chiropractors, you do not need to execute a Management Agreement. However, you are still responsible for compliance with all laws application to the operation of a chiropractic Clinic and your Location franchise.

2.4 Waiver of Management Agreement.

In certain states, it may be permissible under the existing laws that may be applicable to chiropractic professionals and/or practices, such as chiropractic clinics, for a non-chiropractor to both own and operate a Clinic and a Location Franchise, including hiring chiropractic and other professional personnel and providing chiropractic services to patients at the Clinic. If you determine that the laws that would apply to a Clinic in your state would permit you to do so, you may request that we waive certain of the requirements of the Franchise Agreement related to separating the operation of the chiropractic aspects of the Clinic from the management aspects. In particular, you (i) would not enter into a Management Agreement with a PC that, as a separate entity, would otherwise operate the Clinic and provide all chiropractic services, and (ii) you would not be restricted from hiring and supervising chiropractic professionals. Any waiver, or any modification of our standards, would be subject to compliance with all applicable laws and regulations. If we agree to do a waiver, you must enter into an Amendment to Waive Management Agreement ("Waiver Agreement"), a copy of which is attached as an exhibit to our Disclosure Document. Under the Waiver Agreement, you will agree that, instead of entering into the Management Agreement with a separate PC, you will (a) operate the Clinic, including performing all responsibilities and obligations of the "PC" under the Management Agreement, and (b) manage the Clinic as required in this Agreement and by performing all the responsibilities and obligations of the "Company" under the Management Agreement.

You are responsible for operating in full compliance with all laws that apply to a Clinic, and you must make your own determination as to your legal compliance obligations. Additionally, the laws applicable to your Clinic may change, and if there are any chiropractic regulations or other laws that would render your operation of the Clinic through a single entity (or otherwise) in violation of any medical regulations, you must immediately advise us of such change and of the your proposed corrective action to comply with chiropractic regulations, including (if applicable) entering into a Management Agreement with a PC. Similarly, if we discover any such laws, upon providing you notice of such laws, you agree to make such changes as are necessary to comply with medical regulations, including (if applicable) entering into a Management Agreement with a PC.

Franchise Agreement

2.5 Selection of Premises; No Protected Territory; Reservation of Rights.

You and we will mutually select the location of the Premises upon or after the signing of this Agreement. You acknowledge that the Franchise granted by this Agreement gives you the right to operate your Franchise only at the Premises. Although we will not seek to operate or grant others the right to operate a The Joint Corp. Location within the same general area as the Premises, we make no guarantee of any protected territory. Except as otherwise provided in this Paragraph 2.5, we retain all rights with respect to The Joint Corp. Location franchises, the Marks and the System, including (by way of example only and not as a limitation): (a) the right to operate or grant others the right to operate The Joint Corp. Location franchises in any location on terms and conditions we deem appropriate; and (b) the right to operate or offer other healthcare-related companies or franchises or enter into other lines of business offering similar or dissimilar products or services under trademarks or service marks other than the Marks, in any location.

2.6 Renewal of Franchise.

(a) Franchise Owner's Right to Renew. Subject to the provisions of subparagraph 2.6(b) below, and if you have substantially complied with all provisions of this Agreement and all other agreements between us, on expiration of the Initial Term, if you refurbish and decorate the Premises, replace fixtures, furnishings, wall decor, furniture, equipment, and signs and otherwise modify the Franchise in compliance with specifications and standards then applicable under new or renewal franchises for The Joint Corp. Location franchises, you will have the right to renew the Franchise for one (1) additional term of ten (10) years (the "Renewal Term").

(b) Notice of Deficiencies and Other Requirements. At least one (1) year before the expiration of the Initial Term, we agree to give you written notice of any deficiencies in your operation or in the historical performance of the Franchise that could cause us not to renew the Franchise. If we will permit renewal, our notice will state what actions, if any, you must take to correct the deficiencies in your operation of the Franchise or of the Premises, and will specify the time period in which those deficiencies must be corrected or other requirements satisfied. Renewal of the Franchise will be conditioned on your continued compliance with all the terms and conditions of this Agreement up to the date of expiration. If we send a notice of non-renewal, it will state the reasons for our refusal to renew.

The Joint...The Chiropractic Place™
Franchise Agreement

(c) Renewal Agreement; Releases. Should you choose to renew the Franchise, you must provide us with written notice of that intent no earlier than two (2) years and no later than one (1) year before the expiration of the Initial Term. To renew the Franchise, the Company, you and your Principal Owners must execute the form of Franchise Agreement and any ancillary agreements we are then customarily using in the grant or renewal of franchises for the operation of The Joint Corp. Location Franchises (with appropriate modifications to reflect the fact that the agreement relates to the grant of a renewal franchise), except that no initial franchise fee will be payable upon renewal of the Franchise. However, you must pay to us a renewal fee equal to 25% of our then-current initial franchise fee for Start-up Locations. You and your Principal Owners and your and their spouses must also execute general releases, in a form satisfactory to us, of any and all claims against us and our affiliates, and our and their respective owners, officers, directors, employees, and agents.

2.7 Personal Guaranty by Principal Owners; Reference to Exhibit 2.

Each of the Principal Owners and their spouses (where applicable), will be required to execute a personal guaranty (the "Guaranty"), guaranteeing the Franchise's liabilities and obligations to the Company. A copy of the Guaranty is incorporated herein as Exhibit 2.

3. DEVELOPMENT AND OPENING OF THE FRANCHISE

3.1 Site Approval; Lease or Purchase of Premises; Opening Timeline; Reference to Exhibit 3.

(a) You will use your best efforts to locate and select a proposed site for the Premises that is acceptable to us as suitable for the operation of the Franchise, which must be reviewed and approved by us within six (6) months of the Agreement Date. Our review and approval process may take up to thirty (30) days, so we recommend you submit your proposed site to us within one hundred fifty (150) days of the Agreement Date. You must submit to us, in the form we specify, a description of the site and such other information or materials as we may reasonably require. We will not unreasonably withhold approval of a site that meets our standards for general location and neighborhood, traffic patterns, parking size, layout and other physical characteristics, for The Joint Corp. Location franchises. Our approval of a site shall not constitute, nor be deemed, a judgment as to the likelihood of success of a The Joint Corp. Location at such location, or a judgment as to the relative desirability of such location in comparison to other locations. If you fail to identify a mutually-agreeable site within the aforementioned six (6) month period, we may terminate this Agreement.

(b) Once we have approved the proposed site of the Premises for your Franchise, you must obtain lawful possession of the Premises through lease or purchase within thirty (30) days of our approval of the Premises. You agree that you will not execute a lease without our advance written approval of the lease terms. The lease for the Premises must include the Addendum to Lease, attached hereto as Exhibit 3, permitting us to take possession of the Premises under certain conditions if this Agreement is terminated or if you violate the terms of the lease.

We will furnish to you prototype plans and specifications for your Location, reflecting our requirements for design, decoration, furnishings, furniture, layout, equipment, fixtures and signs for The Joint Corp. Locations, which may be in the form of actual plans for an existing or proposed Location with which we are involved. Using an architect we designate or approve, it will then be your responsibility to have the plans and specifications modified to comply with all ordinances, building codes, permit requirements, and lease requirements and restrictions applicable to the Premises. You must submit final construction plans and specifications to us for our approval before you begin construction at the Premises, and must construct the Franchise location in accordance with those approved plans and specifications.

As part of the Computer System, we may require you to obtain specified computer hardware and/or software, including without limitation a license to use proprietary software developed by us or others. Our modification of such specifications for the components of the Computer System may require you to incur costs to purchase, lease and/or obtain by license new or modified computer hardware and/or software, and to obtain service and support for the Computer System during the term of this Agreement. You acknowledge that we cannot estimate the future costs of the Computer System (or additions or modifications thereto), and that the cost to you of obtaining the Computer System (or additions or modifications thereto), including software, may not be fully amortizable over the remaining term of this Agreement. The Operations Manual may be composed of or include audio recordings, video recordings, computer disks, compact disks, and/or other written or intangible materials. We may make all or part of the Manual available to you through various means, including the Internet. A previously delivered Operations Manual may be superseded from time to time with replacement materials to reflect changes in the specifications, standards, operating procedures and other obligations in operating the Franchise. You must keep your copy of the Operations Manual current, and if you and we have a dispute over the contents of the Manual, then our master copy of the Manual will control. You agree that you will not at any time copy any part of the Operations Manual, permit it to be copied, disclose it to anyone not having a need to know its contents for purposes of operating your Franchise, or remove it from the Franchise location without our permission. 6. FEES AND COSTS.

6.1 Initial Franchise Fee.

You agree to pay us the initial franchise fee of Twenty-Nine Thousand and No/100 Dollars (\$29,000.00) (the "Initial Franchise Fee") when you sign this Agreement. In recognition of the expenses we incur in furnishing assistance and services to you, you agree that we will have fully earned the Initial Franchise Fee, and that is due and non-refundable when you sign this Agreement.

6.2 Royalty Fee.

You agree to pay us a continuing franchise royalty fee ("Royalty Fee") in the amount of seven percent (7%) of the gross revenues of the Franchise for all periods, with a minimum monthly amount of Seven Hundred and No/100 Dollars (\$700.00). This fee will be payable on the 1st and 16th of each month based on the Franchise's gross revenues. If the 1st or 16th of the month fall on a weekend or holiday, then the fee is payable on the next business day. If, at the end of any calendar month, the total Royalty Fee collected for the preceding month is less than \$700.00, the difference between the amount collected and \$700.00 shall be due on the tenth (10th) day of the following month. The terms "gross revenues" shall, for purposes of this Agreement, mean the total of all revenue and receipts derived from the operation of the Franchise, including all amounts received at or away from the site of the Franchise, or through the business the Franchise conducts (such as fees for chiropractic care, fees for the sale of any service or product, gift certificate sales, and revenue derived from products sales, whether in cash or by check, credit card, debit card, barter or exchange, or other credit transactions); and excludes only sales taxes collected from customers and paid to the appropriate taxing authority, and all customer refunds and credits the Franchise actually makes. For the avoidance of doubt, you specifically acknowledge that "gross revenues" includes the gross revenues of any P.C. or any of P.C.'s clinics that are managed by you pursuant to a Management Agreement, even if those revenues are not recognized on your books, and that you are responsible for determining those revenues and paying the Royalty Fee as if those revenues were recognized on your books. You and we acknowledge and agree that the Royalty Fee represents compensation paid by you to us for the guidance and assistance we provide and for the use of our Marks, Confidential Information (as defined herein), know-how, and other intellectual property we allow you to use under the terms of this Agreement. The Royalty Fee does not represent payment for the referral of customers to you, and you acknowledge and agree that the services we offer to you and our other The Joint Corp. franchisees do not include the referral of customers.

6.3 Regional and National Advertising Fee.

Recognizing the value of advertising to the goodwill and public image of The Joint Corp. Location franchises, we may, in our sole discretion, establish, maintain and administer one or more regional and/or national advertising funds (the "Ad Fund(s)") for such advertising as we may deem necessary or appropriate in our sole discretion. We may, however, choose to use only one Ad Fund to meet the needs of regional, multi-regional, and national advertising and promotional programs. If we establish an Ad Fund, you agree to contribute to the Ad Fund a percentage of gross revenues of the Franchise in an amount we designate from time to time by notice to you, up to a maximum of two percent (2%) of the gross revenues of the Franchise. As of the date of this Agreement, the current required contribution to the Ad Fund is one percent (1%) of the gross revenues of the Franchise. In the event we choose to change the required contribution amount, which we may do at our sole and absolute discretion, up to a maximum of two percent (2%) of gross revenues, we will provide you with thirty (30) days' advance written notice of the change. These advertising fees ("Advertising Fees") will be payable with and at the same time as your Royalty Fees payable under Paragraph 6.2 above. A further description of the Ad Fund and your obligations with respect to advertising and promoting the Franchise is found in Section 11 of this Agreement.

6.4 Local Advertising.

(a) By Franchisee. In addition to the Advertising Fees set forth in Paragraph 6.3, which will be used by us to promote The Joint Corp. on a regional and national level, you agree to spend a certain amount on advertising in your local market area. This amount must equal the greater of (a) Three Thousand and No/100 Dollars (\$3,000.00); or (b) five percent (5%) of the Franchise's gross revenues for each month during the term of this Agreement (the "Local Advertising Requirement"). If you have not properly input the Franchise's gross revenues for any reporting period, then we will be authorized to debit the Account in an amount equal to one hundred twenty percent (120%) of the Royalty Fee, Advertising Fee, and other amounts transferred from the Account for the last reporting period for which a report of the Franchise's gross revenues was provided to us. Any overpayment will be credited, without interest, against the Royalty Fee, Advertising Fee, and other amounts we otherwise would debit from your account during the following reporting period. Our use of electronic funds transfers as a method of collecting Royalty Fees and Advertising Fees due us does not constitute a waiver of any of your obligations to provide us with weekly reports as provided in Section 12, nor shall it be deemed a waiver of any of the rights and remedies available to us under this Agreement.

6.10 Application of Payments.

When we receive a payment from you, we have the right in our sole discretion to apply it as we see fit to any past due indebtedness of yours due to us or our affiliates, whether for Royalty Fees, Advertising Fees, purchases, interest, or for any other reason, regardless of how you may designate a particular payment should be applied.

You agree to use the Marks as the sole trade identification of the Franchise, except that you will display at the Franchise location a notice, in the form we prescribe, stating that you are the independent owner of the Franchise pursuant to a Franchise Agreement with us. You agree not to use any Mark as part of any corporate or trade name or with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos and additional trade and service marks licensed to you under this Agreement), or in any modified form. You also shall not use any Mark or any commercial symbol similar to the Marks in connection with the performance or sale of any unauthorized services or products, or in any other manner we have not expressly authorized in writing. You further agree to obtain any fictitious or assumed name registrations as may be required under applicable law.

7.5 Indemnification of Franchise Owner.

We agree to indemnify you against, and reimburse you for, all damages for which you are held liable in any trademark infringement proceeding arising out of your use of any Mark pursuant to and in compliance with this Agreement, and for all costs you reasonably incur in the defense of any such claim in which you are named as a party, so long as you have timely notified us of the claim, and have otherwise complied with this Agreement.

8. RELATIONSHIP OF THE PARTIES; INDEMNIFICATION.

8.1 Independent Contractor; No Fiduciary Relationship.

This Agreement does not create a fiduciary relationship between you and us. You and we are independent contractors, and nothing in this Agreement is intended to make either party a general or special agent, joint venture, partner, or employee of the other for any purpose whatsoever. 8.2 No Liability, No Warranties.

We have not authorized or empowered you to use the Marks except as provided by this Agreement, and you agree not to employ any of the Marks in signing any contract, check, purchase agreement, negotiable instrument or legal obligation, application for any license or permit, or in a manner that may result in liability to us for any indebtedness or obligation of yours. Except as expressly authorized by this Agreement, neither you nor we will make any express or implied agreements, warranties, guarantees or representations, or incur any debt, in the name of or on behalf of the other, or represent that your and our relationship is other than that of franchisor and franchisee.

8.3 Indemnification.

We will not assume any liability or be deemed liable for any agreements, representations, or warranties you make that are not expressly authorized under this Agreement, nor will we be obligated for any damages to you or any person or property directly or indirectly arising out of the operation of the business you conduct pursuant to this Agreement, whether or not caused by your negligent or willful action or failure to act. We will have no liability for any sales, use, excise, income, gross receipts, property, or other taxes levied against you or your assets, or on us, in connection with the business you conduct, or any payments you make to us pursuant to this Agreement (except for our own income taxes). We will not assume any liability or be deemed liable for any agreements you enter with any third-parties, whether or not they are an approved or required vendor. You agree to indemnify, defend, and hold us, our affiliates and our and their respective owners, directors, officers, employees, agents, successors, and assigns (individually, an "Indemnified Party," and collectively, the "Indemnified Parties"), harmless against, and to reimburse such Indemnified Parties for, all such obligations, damages, and taxes for which any Indemnified Party may be held liable, and for all costs the Indemnified Party reasonably may incur in the defense of any such claim brought against the Indemnified Party, or in any such action in which the Indemnified Party may be named as a party, including without limitation actual and consequential damages; reasonable attorneys', accountants', and/or expert witness fees; cost of investigation and proof of facts; court costs; other litigation expenses; and travel and living expenses. Each Indemnified Party has the right to defend any such claim against the Indemnified Party. You further agree to hold us harmless and indemnify and defend us for all costs, expenses, and/or losses we incur in enforcing the provisions of this Agreement, defending our actions taken relating to this Agreement, or resulting from your breach of this Agreement, including without limitation reasonable arbitrator's and attorneys' fees (including those for appeal), unless, after legal proceedings are completed, you are found to have fulfilled and complied with all of the terms of this Agreement. If you are other than an individual, then at least one (1) Principal Owner, director, officer, or other employee of you whom we approve must comply with the this requirement. If we agree that you may employ a General Manager, then the General Manager must fulfill this requirement. Any General Manager shall each obtain all licenses and certifications required by law before assuming his or her responsibilities at the Franchise. You agree not to recruit or hire, either directly or indirectly, any employee (or a former employee, for sixty (60) days after his or her employment has ended) of any The Joint Corp. If you violate this provision, in addition to any other right or remedy we may have, you agree to pay the employee's current or former employer twice the employee's annual salary, plus all costs and attorneys' fees incurred as a result of the violation. This amount is set at twice the employee's annual salary because it is a reasonable estimation of the damages that would occur from such a breach, and it will almost certainly be impossible to calculate precisely the actual damages from such a breach.

Deductibles must be in reasonable amounts, and are subject to review and written approval by us. You must provide us with copies of policies evidencing the existence of such insurance concurrently with execution of this Agreement and prior to each subsequent renewal date of each insurance policy, along with certificates evidencing such insurance. You are responsible for any and all claims, losses or damages, including to third persons, originating from, in connection with, or caused by your failure to name us as an additional insured on each insurance policy. You agree to defend, indemnify and hold us harmless of, from, and with respect to any such claims, loss or damage arising out of your failure to name us as additional insured, which indemnity shall survive the termination or expiration and non-renewal of this Agreement.

The Joint...The Chiropractic Place™
Franchise Agreement

Prior to the expiration of the term of each insurance policy, you must furnish us with a copy of a renewal or replacement insurance policy and appropriate certificates of insurance. If you at any time fail or refuse to maintain any insurance coverage required by us or to furnish satisfactory evidence thereof, then we, at our option and in addition to our other rights and remedies under this Agreement, may, but need not, obtain such insurance coverage on your behalf, and you shall reimburse us on demand for any costs or premiums paid or incurred by us, including any administrative fees or surcharges that we may incur. If you fail to pay us within ten (10) days of our demand for reimbursement, we reserve the right to debit your account the amounts owed to us for any premiums paid on your behalf for such insurance coverage along with any other costs, surcharges expenses and fees we incur to obtain such coverage on your behalf or on behalf of your franchise. We reserve the right to require you to provide us with an application for insurance (in a form acceptable to our required supplier for insurance) for any medical professional that has been offered a position to work in a Franchise location so that we may, if you fail to do so, procure any necessary insurance coverage for such medical professional.

Notwithstanding the existence of such insurance, you are and will be responsible for all loss or damage and contractual liability to third persons originating from or in connection with the operation of the Franchise, and for all claims or demands for damages to property or for injury, illness or death of persons directly or indirectly resulting therefrom; and you agree to defend, indemnify and hold us harmless of, from, and with respect to any such claims, loss or damage, which indemnity shall survive the termination or expiration and non-renewal of this Agreement. In addition to the requirements of the foregoing paragraphs of this Paragraph 10.8, you must maintain any and all insurance coverage in such amounts and under such terms and conditions as may be required in connection with your lease or purchase of the Premises.

Your obligation to maintain insurance coverage as described in this Agreement will not be reduced in any manner by reason of any separate insurance we maintain on our own behalf, nor will our maintenance of that insurance relieve you of any obligations under Section 7 of this Agreement.

10.9 Credit Cards and Other Methods of Payment

You must at all times have arrangements in existence with Visa, Master Card, American Express, Discover and any other credit and debit card issuers or sponsors, check verification services, and electronic fund transfer systems that we designate from time to time, in order that the Franchise may accept customers' credit and debit cards, checks, and other methods of payment. We may require you to obtain such services through us or our affiliates.

10.10 Pricing.

To the extent permitted by applicable law, we may periodically establish maximum and/or minimum prices for services and products that the Franchise location offers, including without limitation, prices for promotions in which all or certain The Joint Franchise locations participate. If we establish such prices for any services or products, you agree not to exceed or reduce that price, but will charge the price for the service or product that we establish. You hereby agree to apply any pricing matrix or schedule established by us. If you wish to offer an alternate pricing matrix, you must obtain our prior written approval. In states where you must enter a Management Agreement (Section 2.3), this provision shall be modified, to the extent legally permissible, and/or legally construed to conform to the laws of the state where your Franchise location will be located.

11. ADVERTISING.

11.1 By Company.

As stated in Paragraph 6.3, due to the value of advertising and the importance of promoting the public image of The Joint Corp. Location franchises, we will establish, maintain, and administer one or more Ad Funds to support and pay for national, regional, and/or local marketing programs that we deem necessary, desirable, or appropriate to promote the goodwill and image of all The Joint Corp. Location franchises. You will contribute to the Ad Fund the Advertising Fee set forth in Section 6.3. We agree that any Locations owned by us or our affiliates will contribute to the Ad Fund on at least the same basis as you do.

We will be entitled to direct all advertising programs financed by the Ad Fund, with sole discretion over the creative concepts, materials, and endorsements used in them, and the geographic, market, and media placement and allocation of the programs. We will have the sole discretion to use the Ad Fund to pay the costs of preparing and producing video, audio, and written advertising materials; administering regional, multi-regional and/or national advertising programs; including purchasing direct mail and other media advertising; employing advertising agencies and supporting public relations, market research, and other advertising and marketing firms; and paying for advertising and marketing activities that we deem appropriate, including the costs of participating in any national or regional trade shows, and providing advertising and marketing materials to The Joint Corp. Location franchises. We may in our discretion use the Ad Fund to engage in advertising and promotional programs that benefit only one or several regionals, and not necessarily all Location franchises Ad Funds. The Ad Fund will furnish you with approved advertising materials at its direct cost of producing those advertising materials. The amounts you contribute to the Ad Fund will not be used for placement of advertising in television, radio, newspaper or other media. Rather, any collective media placement will be conducted through the local and regional advertising cooperatives described in Section 11.3.

The Joint...The Chiropractic Place™
Franchise Agreement

The Ad Fund will be accounted for separately from other funds of the Company, and will not be used to defray any of our general operating expenses, except for any reasonable salaries, administrative costs, and overhead we may incur in activities reasonably related to the administration of the Ad Fund and its advertising programs (including without limitation conducting market research, preparing advertising and marketing materials, and collecting and accounting for contributions to the Ad Fund). We may spend in any fiscal year an amount greater or less than the total contributions to the Ad Fund in that year. We may cause the Ad Fund to borrow from us or other lenders to cover deficits of the Ad Fund, or to invest any surplus for future use by the Ad Fund. You authorize us to collect for remission to the Ad Fund any advertising monies or credits offered by any supplier to you based upon purchases you make. We will prepare an annual statement of monies collected and costs incurred by the Ad Fund and will make it available to you on written request.

You understand and acknowledge that the Ad Fund will be intended to maximize recognition of the Marks and patronage of The Joint Corp. Location franchises. Although we will endeavor to use the Ad Fund to develop advertising and marketing materials, and to place advertising in a manner that will benefit all The Joint Corp. Location franchises, we undertake no obligation to ensure that expenditures by the Ad Fund in or affecting any geographic area are proportionate or equivalent to contributions to the Ad Fund by The Joint Corp. Location franchises operating in that geographic area, or that any The Joint Corp. Location franchise will benefit directly or in proportion to its contribution to the Ad Fund from the development of advertising and marketing materials or the placement of advertising. Except as expressly provided in this Paragraph, we assume no direct or indirect liability or obligation to you with respect to the maintenance, direction, or administration of the Ad Fund.

We will have the right to terminate the Ad Fund by giving you thirty (30) days' advance written notice. All unspent monies on date of termination will be divided between the Company and the contributing The Joint Corp. Location franchisees in proportion to our and their respective contributions. At any time thereafter, we will have the right to reinstate the Ad Fund under the same terms and conditions as described in this Section (including the rights to terminate and reinstate the Ad Fund) by giving you thirty (30) days' advance written notice of reinstatement.

11.2 By Franchise Owner.

You must spend, in addition to any contributions to the Ad Fund, a minimum of the greater of (a) Three Thousand and No/100 Dollars (\$3,000.00); or (b) five percent (5%) of the Franchise's gross revenues for each month during the term of this Agreement, as outlined in Paragraph 6.4, for local advertising, promotion and marketing. You must provide us (in a form we approve or designate) evidence of your required local advertising, marketing and promotional expenditures by the thirtieth (30th) day of each month, for the preceding calendar month, along with a year-to-date report of the total amount spent on local advertising.

The Joint...The Chiropractic Place™
Franchise Agreement

You agree to list and advertise the Franchise in each of the classified telephone directories distributed within your market area, in those business classifications as we prescribe from time to time, using any standard form of classified telephone directory advertisement we may provide.

On each occasion before you use them, samples of all local advertising and promotional materials not prepared or previously approved by us must be submitted to us for approval. If you do not receive our written disapproval within fifteen (15) days from the date we receive the materials, the materials will be deemed to have been approved. You agree not to use any advertising or promotional materials that we have disapproved. You will be solely responsible and liable to ensure that all advertising, marketing, and promotional materials and activities you prepare comply with applicable federal, state, and local law, and the conditions of any agreements or orders to which you may be subject.

11.3 Regional Advertising Cooperatives.

In the event that more than one The Joint Corp. Location franchise is located in an area of dominant influence ("ADI"), we reserve the right to form a regional advertising cooperative (the "Regional Ad Co-op"). We also reserve the right to require you to join the Regional Ad Co-op and to contribute to its funding. We reserve the right to determine the amount to be contributed by each member of the Regional Ad Co-op as necessary. The required contributions to any Regional Ad Co-op will not be credited against the Local Advertising Requirement set forth in Paragraphs 6.4(a) and 11.2.

11.4 Websites and Other Forms of Advertising Media.

You acknowledge and agree that any Website or Other Forms of Advertising Media (as defined below) will be deemed "advertising" under this Agreement, and will be subject to, among other things, the need to obtain our prior written approval in accordance with Paragraphs 7.2 and 11.2. As used in this Agreement, the term or reference to "Website or Other Forms of Advertising Media" means any interactive system, including but not limited to all types of online communications, virtual applications, social media, or the like, including but not limited to Groupon, Living Social, Facebook, Twitter, etc., that you operate or use, or authorize others to operate or use, and that refer to the Franchise, the Marks, us, and/or the System. The term or reference Website or Other Forms of Advertising Media includes, but is not limited to, Internet and World Wide Web home pages. In connection with any Website or Other Forms of Advertising Media, you agree to the following:

The Joint...The Chiropractic Place™
Franchise Agreement

(a) Before establishing any Website or Other Form of Advertising Media, you will submit to us a sample of such Website or Other Form of Advertising Media format and information in the form and manner we may require.

(b) You will not establish or use any Website or Other Forms of Advertising Media without our prior written approval.

(c) In addition to any other applicable requirements, you must comply with our standards and specifications for Website or Other Forms of Advertising Media as we prescribe in the Operations Manual or otherwise in writing, including any specifications relating to the use of organic and paid search engine optimization, keyword and landing page management. If we require, you will establish a website as part of our corporate website and/or establish electronic links to our corporate website.

(d) If you propose any material revision to Website or Other Forms of Advertising Media or any of the information contained therein, you will submit each such revision to us for our prior written approval.

12. ACCOUNTING, REPORTS AND FINANCIAL STATEMENTS.

You agree to maintain, at your own expense, the Joint Software and accounting software, to act as a bookkeeping, accounting, and record keeping system for the Franchise. The Joint Software includes the capability of being polled by our central computer system, which you agree to permit. With respect to the operation and financial condition of the Franchise, we will pull from the Joint Software (if available), or require you to provide from your accounting software in a form we designate, or in accordance with General Acceptably Accounting Principles ("GAAP"), as the case may be, the following: (1) by Tuesday of each week, an electronic report of the Franchise's gross revenues for the preceding week ending on, and including, Sunday, and any other data, information, and supporting records that we may require; (2) by the thirtieth (30th) day of each month, a profit and loss statement for the preceding calendar month, and a year-to-date profit and loss statement and balance sheet; (3) within ninety (90) days after the end of your fiscal year, a fiscal year-end balance sheet, and an annual profit and loss statement for that fiscal year, reflecting all year-end adjustments; and (4) such other reports as we require from time to time (collectively, the "Reports"). You agree to input all Franchise transactions into the Joint Software and your accounting software in a timely manner to ensure that all Reports are accurate. If it is determined that any information was omitted from the Joint Software or your accounting software was input inaccurately, or you have failed to provide us any required Reports, we may charge a non-refundable accounting fee of One Hundred and No/100 Dollars (\$100.00), payable in a lump sum by the fifth (5th) day of the month following the month during which the inaccurate report was submitted or for any late Reports. You agree to maintain and furnish upon our request complete copies of federal and state income tax returns you file with the Internal Revenue Service and state tax departments, reflecting revenues and income of the Franchise or the corporation, partnership, or limited liability company that holds the Franchise. We reserve the right to require you to have audited or reviewed financial statements prepared by a certified public accountant on an annual basis. You agree to retain hard copies of all records for a minimum of four (4) years.

13. INSPECTIONS AND AUDITS.

13.1 Company's Right to Inspect the Franchise.

To determine whether you and the Franchise are complying with this Agreement and the specifications, standards, and operating procedures we prescribe for the operation of the Franchise, we or our agents have the right, at any reasonable time and without advance notice to you, to: (1) inspect the Premises; (2) observe the operations of the Franchise for such consecutive or intermittent periods as we deem necessary; (3) interview personnel of the Franchise; (4) interview customers of the Franchise; and (5) inspect and copy any books, records and documents relating to the operation of the Franchise. You agree to fully cooperate with us in connection with any of those inspections, observations and interviews. You agree to present to your customers any evaluation forms we periodically prescribe, and agree to participate in, and/or request that your customers participate in, any surveys performed by or on our behalf. Based on the results of any such inspections and audits and your other reports, we may provide to you such guidance and assistance in operating your Franchise as we deem appropriate.

13.2 Company's Right to Audit.

We have the right at any time during business hours, and without advance notice to you, to inspect and audit, or cause to be inspected and audited, the business records, bookkeeping and accounting records, sales and income tax records and returns and other records of the Franchise, and the books and records of any corporation, limited liability company, or partnership that holds the Franchise. You agree to fully cooperate with our representatives and any independent accountants we may hire to conduct any inspection or audit. If the inspection or audit is necessary because of your failure to furnish any reports, supporting records, other information or financial statements as required by this Agreement, or to furnish such reports, records, information, or financial statements on a timely basis, or if an understatement of gross revenues for any period is determined by an audit or inspection to be greater than two percent (2%), then you agree to pay us all monies owed, plus interest of one and one-half percent (1.5%) per month, and reimburse us for the cost of such inspection or audit, including without limitation any attorneys' fees and/or accountants' fees we may incur, and the travel expenses, room and board, and applicable per diem charges for our employees or contractors. The above remedies are in addition to all our other remedies and rights under this Agreement or under applicable law.

14. TRANSFER REQUIREMENTS.

14.1 Organization.

If you are a corporation, partnership or limited liability company (or if this Agreement is assigned to a corporation, partnership or limited liability company with our approval), you represent and warrant to us that you are and will continue to be throughout the term of this Agreement, duly organized and validly existing in good standing under the laws of the state of your incorporation, registration or organization, that you are qualified to do business and will continue to be qualified to do business throughout the term of this Agreement in all states in which you are required to qualify, that you have the authority to execute, deliver and carry out all of the terms of this Agreement, and that during the term of this Agreement the only business you (i.e., the corporate, partnership or limited liability entity) will conduct will be the development, ownership and operation of the Franchise.

14.2 Interests in Franchise Owner; Reference to Exhibit 4.

You and each Principal Owner represent, warrant and agree that all "Interests" in Franchise Owner are owned in the amount and manner described in Exhibit 4. No Interests in Franchise Owner will, during the term of this Agreement, be "public" securities (i.e., securities that require, for their issuance, registration with any state or federal authority). (An "Interest" is defined to mean any shares, membership interests, or partnership interests of Franchise Owner and any other equitable or legal right in any of Franchise Owner's stock, revenues, profits, rights or assets. When referring to Franchise Owner's rights or assets, an "Interest" means this Agreement, Franchise Owner's rights under and interest in this Agreement, any The Joint Corp. franchise, or the revenues, profits or assets of any The Joint Corp. franchise.) You and each Principal Owner also represent, warrant, and agree that no Principal Owner's Interest has been given as security for any obligation (i.e., no one has a lien on or security interest in a Principal Owner's Interest), and that no change will be made in the ownership of an Interest other than as expressly permitted by this Agreement or as we may otherwise approve in writing. You and each Principal Owner agree to furnish us with such evidence as we may request from time to time to assure ourselves that the Interests of Franchise Owner and each of your Principal Owners remain as permitted by this Agreement, including a list of all persons or entities owning any Interest, as defined above. If you have transferred your Interests in violation of this Agreement you shall be considered in breach of this Agreement.

14.3 Transfer by Company.

This Agreement is fully transferable by us and will inure to the benefit of any person or entity to whom it is transferred, or to any other legal successor to our interests in this Agreement.

14.4 No Transfer Without Approval.

You understand and acknowledge that the rights and duties created by this Agreement are personal to you and that we have entered into this Agreement in reliance on the individual or collective character, skill, aptitude, attitude, business ability, and financial capacity of you and your Principal Owners. Accordingly, neither this Agreement nor any part of your interest in it, nor any Interest (as defined in Paragraph 14.2) of Franchise Owner or a Principal Owner, may be transferred (see definition below) without our advance written approval if such transfer will result in the Principal Owner(s) set forth in Exhibit 4 holding less than a seventy-five percent (75%) Interest in Franchise Owner. Any Transfer that is made without our approval will constitute a breach of this Agreement and convey no rights to or interests in this Agreement, you, the Franchise, or any other The Joint Corp. franchise.

As used in this Agreement the term "Transfer" means any voluntary, involuntary, direct or indirect assignment, sale, gift, exchange, grant of a security interest, or occurrence of any other event which would or might change the ownership of any Interest, and includes, without limitation: (1) the Transfer of ownership of capital stock, partnership interest or other ownership interest (including the granting of options (such as stock options or any option which give anyone ownership rights now or in the future); (2) merger or consolidation, or issuance of additional securities representing an ownership interest in Franchise Owner; (3) sale of common stock of Franchise Owner sold pursuant to a private placement or registered public offering; (4) Transfer of an Interest in a divorce proceeding or otherwise by operation of law; or (5) Transfer of an Interest by will, declaration of or transfer in trust, or under the laws of intestate succession.

We will not unreasonably withhold consent to a Transfer of an Interest by a Principal Owner to a member of his or her immediate family or to your key employees, so long as all Principal Owners together retain a "controlling Interest" (i.e., the minimum ownership percentage listed in Exhibit 4), although we reserve the right to impose reasonable conditions on the Transfer as a requirement for our consent.

Interests owned by persons other than the Principal Owners ("minority owners") may be Transferred without our advance consent unless the Transfer would give that transferee and any person or group of persons affiliated or having a common interest with the transferee more than a collective twenty-five percent (25%) Interest in Franchise Owner, in which case our advance written approval for the Transfer must be obtained. Your formal partnership, corporation or other formation documents and all stock certificates, partnership units or other evidence of ownership must recite or bear a legend reflecting the transfer restrictions of this Paragraph 14.4.

14.5 Conditions for Approval of Transfer.

If you and your Principal Owners are in full compliance with this Agreement, we will not unreasonably withhold our approval of a Transfer that meets all the applicable requirements of this Section 14. The person or entity to whom you wish to make the Transfer, or its principal owners ("Proposed New Owner"), must be individuals of good moral character and otherwise meet our then-applicable standards for The Joint Corp. Location franchisees. If you propose to Transfer this Agreement, the Franchise or its assets, or any Interest, or if any of your Principal Owners proposes to Transfer a controlling Interest in you or make a Transfer that is one of a series of Transfers which taken together would constitute the Transfer of a controlling Interest in you, then all of the following conditions must be met before or at the time of the Transfer:

- (a) the Proposed New Owner must have sufficient business experience, aptitude, and financial resources to operate the Franchise;
- (b) you must pay any amounts owed for purchases from us and our affiliates, and any other amounts owed to us or our affiliates which are unpaid;
- (c) the Proposed New Owner's directors and such other personnel as we may designate must have successfully completed our Initial Training program, and shall be legally authorized and have all licenses necessary to perform the services offered by the Franchise. The Proposed New Owner shall be responsible for any wages and compensation owed to, and the travel and living expenses (including all transportation costs, room, board and meals) incurred by, the attendees who attend the Initial Training program;
- (d) if your lease for the Premises requires it, the lessor must have consented to the assignment of the lease of the Premises to the Proposed New Owner;
- (e) you (or the Proposed New Owner) must pay us a Transfer fee equal to seventy-five percent (75%) of the then current initial franchise fee we charge to new Start-up Location franchisees, and must reimburse us for any reasonable expenses incurred by us in investigating and processing any Proposed New Owner where the Transfer is not consummated for any reason;
- (f) you and your Principal Owners and your and their spouses must execute a general release (in a form satisfactory to us) of any and all claims you and/or they may have against us, our affiliates, and our and our affiliates' respective officers, directors, employees, and agents;

The Joint...The Chiropractic Place™
Franchise Agreement

(g) we must approve the material terms and conditions of the proposed Transfer, including without limitation that the price and terms of payment are not so burdensome as to adversely affect the operation of the Franchise;

(h) the Franchise and the Premises shall have been placed in an attractive, neat and sanitary condition;

(i) you and your Principal Owners must enter into an agreement with us providing that all obligations of the Proposed New Owner to make installment payments of the purchase price (and any interest on it) to you or your Principal Owners will be subordinate to the obligations of the Proposed New Owner to pay any amounts payable under this Agreement or any new Franchise Agreement that we may require the Proposed New Owner to sign in connection with the Transfer;

(j) you and your Principal Owners must enter into a non-competition agreement wherein you agree not to engage in a competitive business for a period of two (2) years after the Transfer and within twenty-five (25) miles of your Franchise Premises or any other The Joint Corp. Location franchise location;

(k) the Franchise shall have been determined by us to contain all equipment and fixtures in good working condition, as were required at the initial opening of the Franchise. The Proposed New Owner shall have agreed, in writing, to make such reasonable capital expenditures to remodel, equip, modernize and redecorate the interior and exterior of the premises in accordance with our then existing plans and specifications for a The Joint Corp. Location franchise, and shall have agreed to pay our expenses for plan preparation or review, and site inspection;

(l) upon receiving our consent for the Transfer or sale of the Franchise, the Proposed New Owner shall agree to assume all of your obligations under this Agreement in a form acceptable to us, or, at our option, shall agree to execute a new Franchise Agreement with us in the form then being used by us. We may, at our option, require that you guarantee the performance, and obligations of the Proposed New Owner; and

(m) you must have properly offered us the opportunity to exercise our right of first refusal as described below, and we must have then declined to exercise it.

The Joint...The Chiropractic Place™
Franchise Agreement

14.6 Right of First Refusal.

If you or any of your Principal Owners wishes to Transfer any Interest, we will have a right of first refusal to purchase that Interest as follows. The party proposing the Transfer (the "transferor") must obtain a bona fide, executed written offer (accompanied by a "good faith" earnest money deposit of at least five percent (5%) of the proposed purchase price) from a responsible and fully disclosed purchaser, and must submit an exact copy of the offer to us. You also agree to provide us with any other information we need to evaluate the offer, if we request it within five (5) days of receipt of the offer. We have the right, exercisable by delivering written notice to the transferor within fifteen (15) days from the date of last delivery to us of the offer and any other documents we have requested, to purchase the Interest for the price and on the terms and conditions contained in the offer, except that we may substitute cash for any form of payment proposed in the offer, and will not be obligated to pay any "finder's" or broker's fees that are a part of the proposed Transfer. We also will not be required to pay any amount for any claimed value of intangible benefits, for example, possible tax benefits that may result by structuring and/or closing the proposed Transfer in a particular manner or for any consideration payable other than the bona fide purchase price for the Interest proposed to be transferred. (In fact, we may in our sole and absolute discretion withhold consent to any proposed Transfer if the offer directly or indirectly requires payment of any consideration other than the bona fide purchase price for the Interest proposed to be transferred.) Our credit will be deemed equal to the credit of any other proposed purchaser, and we will have at least sixty (60) days to prepare for closing. We will be entitled to all customary representations and warranties given purchasers in connection with such sales. If the proposed Transfer includes assets not related to the operation of the Franchise, we may purchase only the assets related to the operation of the Franchise or may also purchase the other assets. (An equitable purchase price will be allocated to each asset included in the Transfer.)

If we do not exercise our right of first refusal, the transferor may complete the sale to the Proposed New Owner pursuant to and on the terms of the offer, as long as we have approved the Transfer as provided in this Section 14. You must immediately notify us of any changes in the terms of an offer. Any material change in the terms of an offer before closing will make it a new offer, revoking any previous approval or previously made election to purchase and giving us a new right of first refusal effective as of the day we receive formal notice of a material change in the terms. If the sale to the Proposed New Owner is not completed within one hundred twenty (120) days after we have approved the Transfer, our approval of the proposed Transfer will expire. Any later proposal to complete that proposed Transfer will be deemed a new offer, giving us a new right of approval and right of first refusal effective as of the day we receive formal notice of the new (or continuing) proposal. We will not exercise a right of first refusal with respect to a proposed Transfer of less than a controlling interest to a member of a Principal Owner's immediate family or to your key employees.

14.7 Death and Disability.

Upon the death or permanent disability of you or a Principal Owner, the executor, administrator, conservator or other personal representative of the deceased or disabled person must Transfer the deceased or disabled person's Interest within a reasonable time, not to exceed forty-five (45) days from the date of death or permanent disability, to a person we have approved. Such Transfers, including without limitation transfers by a will or inheritance, will be subject to all the terms and conditions for assignments and Transfers contained in this Agreement. Failure to so dispose of an Interest within the forty-five (45) day period of time will constitute grounds for termination of this Agreement.

14.8 Effect of Consent to Transfer.

Our consent to a proposed Transfer pursuant to this Section 14 will not constitute a waiver of any claims we may have against you or any Principal Owner, nor will it be deemed a waiver of our right to demand exact compliance with any of the terms or conditions of this Agreement by the Proposed New Owner.

14.9 Consent Not Unreasonably Delayed.

If all the conditions are met to transfer the FA or any interest therein, we will not unreasonably delay granting our consent to the transfer.

15. TERMINATION OF THE FRANCHISE.

We have the right to terminate this Agreement effective upon delivery of notice of termination to you, if: (1) you do not develop or open the Franchise as provided in this Agreement; (2) you abandon, surrender, transfer control of, lose the right to occupy the Premises of, or do not actively operate, the Franchise, or your lease for or purchase of the location of the Franchise is terminated for any reason; (3) you or your Principal Owners assign or Transfer this Agreement, any Interest, the Franchise, or assets of the Franchise without complying with the provisions of Section 14; (4) you are adjudged a bankrupt, become insolvent or make a general assignment for the benefit of creditors; (5) you use, sell, distribute or give away any unauthorized services or products, and do not cease the use, sale, or distribution of unauthorized services or products within ten (10) days after written notice is given to you; (6) you fail to maintain a valid license to practice and/or fail to maintain compliance with state and federal regulations and do not cure the failure within twenty (20) days after written notice is given to you; (7) you or any of your Principal Owners are convicted of or plead no contest to a felony or are convicted or plead no contest to any crime or offense that is likely to adversely affect the reputation of the Company, the Franchise, and/or the goodwill associated with the Marks; (8) you are involved in any action that is likely to adversely affect the reputation of the Company, the Franchise, and/or the goodwill associated with the Marks; (9) you or any of your employees violate any health or safety law, ordinance or regulation, or operate the Franchise in a manner that presents a health or safety hazard to your customers or the public; (10) you do not pay when due any monies owed to us or our affiliates, and do not make such payment within ten (10) days after written notice is given to you; (11) you fail to meet the minimum local advertising expenditures required in Section 11.2, and to provide the required proof of your expenditures; (12) you or any of your Principal Owners fail to comply with any other provision of this Agreement or any mandatory specification, standard, or operating procedure or you fail to make changes required to comply with applicable state or federal laws within twenty (20) days after written notice of such failure to comply is given to you; (13) you fail to procure or maintain any and all insurance coverage that we require, or otherwise fail to name us as an additional insured on any such insurance policies and failure to do so within ten (10) days after written notice is given to you; or (14) you or any of your Principal Owners fail on three (3) or more separate occasions within any twelve (12) consecutive month period to submit when due any financial statements, reports or other data, information, or supporting records; pay when due any amounts due under this Agreement; or otherwise fail to comply with this Agreement, whether or not such failures to comply are corrected after notice is given to you or your Principal Owners.

In addition, if, in the opinion of our legal counsel, any provision of this Agreement is contrary to law, then you and we agree to negotiate in good faith an amendment that would make this Agreement conform to the applicable legal requirements. If you and we are unable to reach such an agreement, or if fundamental changes to this Agreement are required to make it conform to the legal requirements, then we reserve the right to terminate this Agreement upon notice to you, in which case all of the post-termination obligations set forth in Section 16 shall apply.

In the event that we terminate this Agreement under this Section or other applicable provisions of this Agreement, we shall be entitled, in those states in which such termination fees are enforceable, to receive from you a termination fee in the amount equal to one-half (1/2) of our then-current initial franchise fee for new The Joint Corp. Location franchises (the "Termination Fee"). The Termination Fee shall be payable by you in addition to any damages payable to us, including loss of future revenues, resulting from your improper or wrongful breach or other termination of this Agreement. We shall be entitled to recover all costs, including attorneys' fees, incurred in connection with the termination and collection of the Termination Fee.

If you continue to operate the Franchise after termination of this Agreement, in addition to any other right or remedy we may have (including the Termination Fee), you agree to pay to us the amount of One Thousand and No/100 Dollars (\$1,000.00) per day that you operate the Franchise in violation of this Agreement, plus all costs and attorneys' fees incurred as a result of the violation. This amount is set at \$1,000 per day because it is a reasonable estimation of the damages that would occur from such a breach, and it will almost certainly be impossible to calculate precisely the actual damages from such a breach.

UPON TERMINATION OR EXPIRATION OF THE FRANCHISE.

16.1 Payment of Amounts Owed to Company.

You agree to pay us within five (5) days after the effective date of termination or expiration of the Franchise, or any later date that the amounts due to us are determined, all amounts owed to us or our affiliates which are then unpaid.

16.2 Marks.

You agree that after the termination or expiration of the Franchise you will:

You agree that on termination or expiration of the Franchise, you will immediately cease to use the Joint Software and will uninstall it from all computer systems owned by the Franchise.

16.6 Company's Option to Purchase the Franchise.

Upon the termination or expiration of the Franchise, we will have the option, but not the obligation, exercisable for thirty (30) days upon written notice to you, to purchase at fair market value all of the assets of the Franchise, including all approved equipment, fixtures, furniture and signs and all supplies, materials, and other items imprinted with any Mark, and to take an assignment of the lease for the Premises and any other lease or concession agreement necessary for the operation of the Franchise. If you and we cannot agree on the fair market value of the assets of the Franchise within a reasonable time, such value shall be determined by an average of the appraisals of two (2) independent appraisers, one of whom will be selected by you and one of whom will be selected by us. If the appraisals differ by more than ten percent (10%), then you and we will mutually agree on a value, or if you and we cannot agree, our appraisers will select a third appraiser whose determination of market value will be final. We shall not assume any liabilities, debts or obligations of the Franchise in connection with any such transfer, and you will indemnify us from any and all claims made against us arising out of any such transfer of the assets of the Franchise. All parties will comply with all applicable laws in connection with any such transfer, and you agree to cooperate with us in complying with all such requirements.

The closing shall occur within thirty (30) days after we exercise our option to purchase the assets or such later date as may be necessary to comply with applicable bulk sales or similar laws. At the closing, you and we both agree to execute and deliver all documents necessary to vest title in the purchased assets and/or real property in us free and clear of all liens and encumbrances, except those assumed by us and/or to effectuate the lease of the Franchise Premises. You also agree to provide us with all information necessary to close the transaction. We reserve the right to assign our option to purchase the Franchise or designate a substitute purchaser for the Franchise. By signing this Agreement, you irrevocably appoint us as your lawful attorney-in-fact with respect to the matters contemplated by this Paragraph 16.6, with full power and authority to execute and deliver in your name all documents required to be provided by you under this Paragraph in the event you do not provide them in a timely and proper manner. You also agree to ratify and confirm all of our acts as your lawful attorney-in-fact, and indemnify and hold us harmless from all claims, liabilities, losses or damages suffered by us in so doing.

Once we give notice that we will purchase the Franchise assets, we will have the right to immediately take over the operations of the Franchise. From the date we take over the Franchise to the date of closing of the purchase of the Franchise assets, we will be entitled to use any gross revenues of the Franchise to operate the Franchise, and to retain as a management fee up to ten percent (10%) of the balance of such gross revenues after operating expenses are paid, plus any additional costs and expenses we may incur.

16.7 Continuing Obligations.

All obligations of this Agreement (whether yours or ours) that expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect after and notwithstanding its expiration or termination until they are satisfied in full or by their nature expire.

16.8 Management of the Franchise.

In the event that we are entitled to terminate this Agreement in accordance with Section 15 above or any other provision of this Agreement, and in addition to any other rights or remedies available to us in the event of such termination, we may, but need not, assume the Franchise's management. All gross revenues from the Franchise's operation while we assume its management will be kept in a separate account, and all of the Franchise's expenses will be charged to this account. We may charge you (in addition to the Royalty Fee and Advertising Fee contributions due under this Agreement) a reasonable management fee in an amount that we may specify, equal to up to ten percent (10%) of the Franchise's gross revenues, plus our direct out-of-pocket costs and expenses, if we assume management of the Franchise under this Paragraph. We have a duty to utilize only our reasonable efforts in managing the Franchise, and will not be liable to you for any debts, losses, or obligations the Franchise incurs, or to any of your creditors for any products or services the Franchise purchases, while we manage it pursuant to this Paragraph.

17.1 Invalid Provisions: Substitution of Valid Provisions.

To the extent that the non-competition provisions of Sections 9.3 and 14.5 are deemed unenforceable because of their scope in terms of area, business activity prohibited, or length of time, you agree that the invalid provisions will be deemed modified or limited to the extent or manner necessary to make that particular provisions valid and enforceable to the greatest extent possible in light of the intent of the parties expressed in that such provisions under the laws applied in the forum in that we are seeking to enforce such provisions.

You agree to execute such financing statements, instruments, and other documents, in a form satisfactory to us, that we deem necessary so that we may establish and maintain a valid security interest in and to these assets.

17.5 No Guarantees.

If in connection with this Agreement we provide to you any waiver, approval, consent, or suggestion, or if we neglect or delay our response or deny any request for any of those, then we will not be deemed to have made any warranties or guarantees upon which you may rely, and will not assume any liability or obligation to you.

17.6 No Waiver.

If at any time we do not exercise a right or power available to us under this Agreement or do not insist on your strict compliance with the terms of the Agreement, or if there develops a custom or practice that is at variance with the terms of this Agreement, then we will not be deemed to have waived our right to demand exact compliance with any of the terms of this Agreement at a later time. Similarly, our waiver of any particular breach or series of breaches under this Agreement, or of any similar term in any other agreement between us and any other The Joint Corp. franchisee will not affect our rights with respect to any later breach. WHEREAS, the Parties hereto have entered into a certain Lease Agreement, dated on the ____ day of _____, 20__ (the "Agreement"), and pertaining to the premises located at _____ (the "Premises");

WHEREAS, Lessor acknowledges that Lessee intends to operate The Joint franchise from the Premises pursuant to a Franchise Agreement (the "Franchise Agreement") with The Joint Corp. ("Franchisor") under the name The Joint or other name designated by Franchisor ("Franchised Business"); and

1. Remodeling and Decor. The above recitals are hereby incorporated by reference. Lessor agrees that Lessee shall have the right to remodel, equip, paint and decorate the interior of the Premises and to display the proprietary marks and signs on the interior and exterior of the Premises as Lessee is reasonably required to do pursuant to the Franchise Agreement and any successor Franchise Agreement under which Lessee may operate a Franchised Business on the Premises.

2 . Assignment. Lessee shall have the right to assign all of its right, title and interest in and to the Lease Agreement to Franchisor or its parent, subsidiary, or affiliate, (including another franchisee) at any time during the term of the Lease, including any extensions or renewals thereof, without first obtaining Lessor's consent, pursuant to the terms of the Collateral Assignment of Lease attached hereto as **Exhibit A**. However, no assignment shall be effective until such time as Franchisor or its designated affiliate gives Lessor written notice of its acceptance of the assignment, and nothing contained herein or in any other document shall constitute Franchisor or its designated subsidiary or affiliate a party to the Lease Agreement, or guarantor thereof, and shall not create any liability or obligation of Franchisor or its parent unless and until the Lease Agreement is assigned to, and accepted in writing by, Franchisor or its parent, subsidiary or affiliate. In the event of any assignment, Lessee shall remain liable under the terms of the Lease. Franchisor shall have the right to reassign the Lease to another franchisee without the Landlord's consent in accordance with Section 4(a).

3. Default and Notice.

(a) In the event there is a default or violation by Lessee under the terms of the Lease Agreement, Lessor shall give Lessee and Franchisor written notice of the default or violation within ten (10) days after Lessor receives knowledge of its occurrence. If Lessor gives Lessee a default notice, Lessor shall contemporaneously give Franchisor a copy of the notice. Franchisor shall have the right, but not the obligation, to cure the default. Franchisor will notify Lessor whether it intends to cure the default and take an automatic assignment of Lessee's interest as provided in Paragraph 4(a). Franchisor will have an additional fifteen (15) days from the expiration of Lessee's cure period in which it may exercise the option to cure, but is not obligated to cure the default or violation.

(b) All notices to Franchisor shall be sent by registered or certified mail, postage prepaid, to the following address:

The Joint Corp.

Franchisor may change its address for receiving notices by giving Lessor written notice of the new address. Lessor agrees that it will notify both Lessee and Franchisor of any change in Lessor's mailing address to which notices should be sent.

(c) Following Franchisor's approval of the Lease Agreement, Lessee agrees not to terminate, or in any way alter or amend the same during the Initial Term of the Franchise Agreement or any Interim Period thereof without Franchisor's prior written consent, and any attempted termination, alteration or amendment shall be null and void and have no effect as to Franchisor's interests thereunder; and a clause to the effect shall be included in the Lease.

4. Termination or Expiration.

(a) Upon Lessee's default and failure to cure the default within the applicable cure period, if any, under either the Lease Agreement or the Franchise Agreement, Franchisor will, at its option, have the right, but not the obligation, to take an automatic assignment of Lessee's interest in the Lease Agreement and at any time thereafter to re-assign the Lease Agreement to a new franchisee without Lessor's consent and to be fully released from any and all liability to Lessor upon the reassignment, provided the franchisee agrees to assume Lessee's obligations and the Lease Agreement. Upon notice from Franchisor to Lessor requesting an automatic assignment, Lessor will, at the cost of Franchisor, take appropriate actions to secure the leased premises including but not limited changing the locks and granting Franchisor sole rights to the Premises.

(b) Upon the expiration or termination of either the Lease Agreement or the Franchise Agreement (attached), Lessor will cooperate with and assist Franchisor in securing possession of the Premises and if Franchisor does not elect to take an assignment of the Lessee's interest, Lessor will allow Franchisor to enter the Premises, without being guilty of trespass and without incurring any liability to Lessor, to remove all signs, awnings, and all other items identifying the Premises as a Franchised Business and to make other modifications (such as repainting) as are reasonably necessary to protect The Joint marks and system, and to distinguish the Premises from a Franchised Business. In the event Franchisor exercises its option to purchase assets of Lessee or has rights to those through the terms and conditions any agreement between Lessee and Franchisor, Lessor shall permit Franchisor to remove all the assets being purchased by Franchisor.

5. Consideration: No Liability.

(a) Lessor hereby acknowledges that the provisions of this Addendum are required pursuant to the Franchise Agreement under which Lessee plans to operate its business and Lessee would not lease the Premises without this Addendum. Lessor also hereby consents to the Collateral Assignment of Lease from Lessee to Franchisor as evidenced by Exhibit A.

(b) Lessor further acknowledges that Lessee is not an agent or employee of Franchisor and Lessee has no authority or power to act for, or to create any liability on behalf of, or to in any way bind Franchisor or any affiliate of Franchisor, and that Lessor has entered into this Addendum with full understanding that it creates no duties, obligations or liabilities of or against Franchisor or any affiliate of Franchisor.

6. Sales Reports. If requested by Franchisor, Lessor will provide Franchisor with whatever information Lessor has regarding Lessee's sales from its Franchised Business.

This COLLATERAL ASSIGNMENT OF LEASE (this "Assignment") is entered into effective as of the ___ day of ____, 20__ (the "Effective Date"), the undersigned, _____, ("Assignor") hereby assigns, transfers and sets over unto The Joint Corp., a Delaware Corporation ("Assignee") all of Assignor's right, title and interest as tenant, in, to and under that certain lease, a copy of which is attached hereto as **Exhibit 1** (the "Lease Agreement") with respect to the premises located at _____ (the "Premises"). This Assignment is for collateral purposes only and except as specified herein, Assignee shall have no liability or obligation of any kind whatsoever arising from or in connection with this Assignment unless Assignee shall take possession of the Premises demised by the Lease Agreement pursuant to the terms hereof and shall assume the obligations of Assignor thereunder.

Assignor represents and warrants to Assignee that it has full power and authority to so assign the Lease Agreement and its interest therein and that Assignor has not previously, and is not obligated to, assign or transfer any of its interest in the Lease Agreement nor the Premises demised thereby.

Upon a default by Assignor under the Lease Agreement or under that certain franchise agreement for The Joint between Assignee and Assignor ("Franchise Agreement"), or in the event of a default by Assignor under any document or instrument securing the Franchise Agreement, Assignee shall have the right and is hereby empowered to take possession of the Premises, expel Assignor therefrom, and, in the event, Assignor shall have no further right, title or interest in the Lease Agreement.

Assignor agrees it will not suffer or permit any surrender, termination, amendment or modification of the Lease Agreement without the prior written consent of Assignee. Through the Initial Term of the Franchise Agreement and any Renewal Period thereof (as defined in the Franchise Agreement), Assignor agrees that it shall elect and exercise all options to extend the term of or renew the Lease Agreement not less than thirty (30) days before the last day that said option must be exercised, unless Assignee otherwise agrees in writing. Upon failure of Assignee to otherwise agree in writing, and upon failure of Assignor to so elect to extend or renew the Lease Agreement as stated herein, Assignor hereby irrevocably appoints Assignee as its true and lawful attorney-in-fact, which appointment is coupled with an interest, to exercise the extension or renewal options in the name, place and stead of Assignor for the sole purpose of effecting the extension or renewal.

REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

We have audited the accompanying consolidated financial statements of The Joint Corp. and Subsidiary, which are comprised of the consolidated balance sheets as of December 31, 2013, 2012, and 2011, and the related consolidated statements of operations, changes in stockholders' deficit, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Joint Corp. and Subsidiary as of December 31, 2013, 2012, and 2011, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

OTHER MATTER

As discussed in Note 10 to the financial statements, certain errors were noted related to the application of the accounting policy related to revenue recognized for regional developer fees, franchise fees, and the associated costs for commissions earned related to clinic sales, the recognition of a liability for an uncertain tax position, and prepaid income taxes for the years ended December 31, 2012 and 2011. Accordingly, the respective amounts reported for 2012 and 2011 have been restated in the 2012 and 2011 financial statements. Our opinion is not modified with respect to that matter.

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES

Nature of Operations

The Joint Corp. ("The Joint"), a Delaware corporation, was formed on March 10, 2010, for the purpose of franchising chiropractic clinics, selling regional developer rights and supporting the operations of franchised chiropractic clinics at locations throughout the United States of America. The franchising of chiropractic clinics is regulated by the Federal Trade Commission and various state authorities.

The Joint Corporate Unit No. 1, LLC ("Clinic"), an Arizona limited liability company, was formed on July 14, 2010, for the purpose of operating chiropractic centers in the state of Arizona. The Clinic was sold on July 1, 2012, and all remaining account balances were consolidated with The Joint as of December 31, 2012.

The following table summarizes the number of clinics in operation:

	December 31,		
	2013	2012	2011
Clinics open at beginning of year	82	33	19
Clinics opened during the year	93	50	17

Clinics in operation as of the end of the year	<u>175</u>	<u>82</u>	<u>33</u>

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of The Joint Corp. and its wholly owned subsidiary, The Joint Corporate Unit No. 1, LLC (collectively, the "Company").

All significant intercompany accounts and transactions between The Joint Corp. and its subsidiary have been eliminated in consolidation.

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (Continued)

Cash

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash. The Company continually monitors its positions with, and credit quality of, the financial institutions with which it invests. As of the balance sheet date and periodically throughout the year, the Company has maintained balances in various operating accounts in excess of federally insured limits.

Restricted Cash

Restricted cash held by the Company relates to cash franchisees are required to contribute to the National Marketing Fund and cash franchisees provide to the Co-Op Marketing Funds. Cash contributed to the National Marketing Fund is to be used solely for regional and national marketing and advertising of services offered by the clinics owned by the franchisees. Cash provided to the Co-Op Marketing Funds is to be used solely for local and regional marketing and advertising of services offered by the clinics owned by franchisees within each Co-Op territory.

Concentrations of Credit Risk

The Company grants credit in the normal course of business to franchisees related to the collection of initial franchise fees, royalties, and other operating revenues. The Company periodically performs credit analysis and monitors the financial condition of the franchisees to reduce credit risk.

Accounts Receivable

Accounts receivable represent amounts due from franchisees for royalty fees and marketing and advertising expenses. The Company considers a reserve for doubtful accounts based on the creditworthiness of the franchisee. The provision for uncollectible amounts is continually reviewed and adjusted to maintain the allowance at a level considered adequate to cover future losses. The allowance is management's best estimate of uncollectible amounts and is determined based on specific identification and historical performance that are tracked by the Company on an ongoing basis. The losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. The Company determined that an allowance for doubtful accounts was not necessary as of December 31, 2013, 2012, and 2011.

Deferred Franchise Costs

Deferred franchise costs represent commissions that are earned in conjunction with the sale of a franchise, and are expensed when the respective revenue is recognized, which is generally upon the opening of a clinic.

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (Continued)

Property and Equipment

Property and equipment are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of three to seven years. Leasehold improvements are amortized using the straight-line method over the shorter of the lease term or the estimated useful life of the assets.

Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of property or equipment are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in other income.

Long-Lived Assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recovered. The Company looks primarily to the undiscounted future cash flows in its assessment of whether or not long-lived assets have been impaired. No impairments of long-lived assets were recorded for the years ended December 31, 2013, 2012, and 2011.

Advertising Fund

The Company has established an advertising fund for national marketing and advertising of services offered by the clinics owned by the franchisees. As stipulated in the typical franchise agreement, the franchisees pay, in addition to the royalty fee, a marketing fee of 1% of gross sales, which may increase to 2% at the discretion of the Company. The Company is to segregate the marketing funds collected and use the funds for specific purposes. As amounts are expended from the fund, the Company recognizes advertising fund revenue and a related expense. Amounts collected in excess of marketing expenditures are included in restricted cash on the consolidated balance sheets of the Company. As of December 31, 2013 and 2012, the marketing expenditures relating to the advertising fund were less than the marketing fund collections from the franchisees. This is shown as a liability on the consolidated balance sheets of the Company.

POLICIES (Continued)

Co-Op Marketing Funds

Franchises have established regional Co-Ops for advertising within their local and regional markets. The Joint maintains an agency relationship under which the marketing funds collected are segregated and used for the specified purposes. The marketing funds are included in restricted cash on the consolidated balance sheets of the Company. During the years ended December 31, 2013 and 2012, the Co-Op Marketing Fund collections from certain franchisees exceeded the marketing costs. This excess is shown as a liability on the consolidated balance sheets of the Company. As of December 31, 2013 and 2012, certain regional Co-Ops' marketing costs had exceeded the marketing funds collected. Accordingly, a receivable from the regional Co-Ops is shown on the consolidated balance sheets in other current assets to reflect the amount of overspent marketing funds.

Revenue Recognition

The Company generates revenue through initial franchise fees, regional developer fees, transfer fees, royalties, IT related income, and computer software fees, and through 2012, from providing chiropractic services.

Initial Franchise Fees

The Company requires the entire initial franchise fee to be paid upon execution of the franchise agreement, which has an initial term of ten years. Initial franchise fees received from a franchisee are recognized as revenue when the Company has performed substantially all initial services required by the franchise agreement, which is generally upon the opening of a clinic.

Regional Developer Fees

During 2011, the Company established a regional developer program to bring on independent contractors to assist in developing a specified geographical region or unit. Regional developers pay a per clinic fee to obtain the rights to develop the clinic within a specified geographical region and generally receive 50% of all franchise fees collected and 3% of all royalties collected from their region. Any clinics developed by the regional developer over their contracted minimum in the territory, requires no additional fee. Regional developer fees are recognized as revenue when the Company has performed substantially all initial services required by the regional developer agreement, which is generally upon the opening of each clinic.

Transfer Fees

Transfer fees are paid as consideration for the same rights and services as the initial fee. Transfer fees are recognized when a former franchisee transfers ownership of their location to a new franchisee.

Royalties

The Company collects royalties, as stipulated in the franchise agreement, equal to 7% of gross sales and a marketing and advertising fee of 1% of gross sales.

Certain franchisees with franchise agreements acquired during the formation of the Company pay a monthly flat fee. Royalties are recognized as revenue when earned.

IT Related Income and Software Fees

The Company collects a monthly computer software fee for use of the Company's proprietary chiropractic software, computer support, and Internet services support, which was rolled out to all the clinics in April 2012. IT related revenue represents a flat fee to purchase the clinics' computer equipment, operating software, preinstalled chiropractic system software, key card scanner (patient identification card), credit card scanner and credit card receipt printer. IT related income and software fees are recognized as revenue when earned.

Chiropractic Service Revenue

The Company recognized chiropractic service revenue upon the performance of chiropractic services at the wholly owned corporate chiropractic clinic, until the sale of the Clinic in 2012.

Advertising

The Company's policy is to expense all operating advertising costs as incurred. Advertising expenses for the years ended December 31, 2013, 2012, and 2011, were approximately \$204,000, \$224,000, and \$126,000 respectively.

Income Taxes

The Company accounts for income taxes in accordance with the Accounting Standards Codification that requires the recognition of deferred income taxes for differences between the basis of assets and liabilities for financial statement and income tax purposes. The differences relate principally to depreciation of property and equipment and treatment of revenue for franchise fees and regional developer fees collected. Deferred tax assets and liabilities represent the future tax consequence for those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. Deferred taxes are also recognized for operating losses that are available to offset future taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized.

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (Continued)

Income Taxes (Continued)

The Company accounts for uncertainty in income taxes by recognizing the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based on the technical merits of the position. The Company measures the tax benefits recognized in the consolidated financial statements from such a position based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate resolution. The application of income tax laws is inherently complex. Laws and regulations in this area are voluminous and are often ambiguous. As such, the Company is required to make many subjective assumptions and judgments regarding income tax exposures. Interpretations of and guidance surrounding income tax law and regulations change over time and may result in changes to the Company's subjective assumptions and judgments that can materially affect amounts recognized in the consolidated balance sheets and consolidated statements of operations.

At December 31, 2013, 2012, and 2011, the Company recorded a liability for income taxes associated with uncertain tax positions of approximately \$148,000, \$40,000, and \$36,000, respectively, of which approximately \$33,000, \$10,000, and \$8,000, respectively, represent penalties and interest. The liability is recorded in "other liabilities" in the accompanying consolidated balance sheets. Interest and penalties associated with tax positions are recorded in the period assessed as general and administrative expenses and were approximately \$23,000, \$3,000, and \$8,000 for the years ended December 31, 2013, 2012, and 2011, respectively. The Company's information returns for tax years subject to examination by tax authorities include 2010 through the current period for state and federal reporting purposes.

Use of Estimates

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates.

Reclassifications

Certain accounts in the 2012 and 2011 consolidated financial statements have been reclassified for comparative purposes to conform to the presentation in the 2013 consolidated financial statements.

Subsequent Events

The Company has evaluated all subsequent events through the auditors' report date, which is the date the financial statements were available for issuance.

NOTE 2 NOTES RECEIVABLE

Effective July 2012, the Company sold its company-owned clinic, including the license agreement, equipment, and customer base, in exchange for a \$90,000 promissory note. The note bears interest at 6% per annum for fifty-four months and requires monthly principal and interest payments over forty-two months, beginning August 2013 and maturing January 2017. The outstanding balance on the note as of December 31, 2013 and 2012 was \$85,198 and \$90,000, respectively.

Note Receivable – Related Party

Effective October 2012, a stockholder and director of the Company transferred ownership in his clinic to a third party in exchange for a \$21,750 promissory note. The note has not been formalized with terms, including interest rate or payment schedules and, accordingly, is presented as a long-term note receivable in the accompanying consolidated balance sheets. The outstanding balance on the note as of December 31, 2013 and 2012 was \$21,750.

The Company considers a reserve for doubtful accounts on notes receivable. The provision for uncollectible amounts is continually reviewed and adjusted to maintain the allowance at a level considered adequate to cover future losses. The allowance is management's best estimate of uncollectible amounts and is determined based on specific identification and historical performance that are tracked by the Company on an ongoing basis. The losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. The Company determined that an allowance for doubtful accounts on notes receivable was not necessary as of December 31, 2013, and 2012.

Operating Leases

The Company leases its corporate office space. Monthly payments under the lease were approximately \$10,500 through June 2012 and approximately \$6,700 through December 2013. In 2011, the Company subleased part of its corporate office space to a stockholder under a month-to-month arrangement. The Company recognized approximately \$49,000 of sublease income, which partially offsets rent expense for the year ended December 31, 2011.

Total rent expense, net of sublease income, for the years ended December 31, 2013, 2012, and 2011, was approximately \$124,000, \$117,000, and \$136,000, respectively.

NOTE 6 RELATED PARTY TRANSACTIONS

The Company entered into consulting and legal agreements with certain common stockholders related to services performed for the development of the Company. Amounts paid to these stockholders were approximately \$700,000, \$556,000, and \$526,000, for the years ended December 31, 2013, 2012, and 2011, respectively.

NOTE 7 STOCK PLAN

In November 2012, the Company adopted the 2012 Stock Plan ("Plan"). The purpose of the Plan is to attract and retain the best available personnel for positions of substantial responsibility, provide incentives and additional ownership opportunities for employees, directors, and consultants, and generally promote the success of the Company's business. The Plan permits the Company to grant incentive stock options, nonstatutory stock options, restricted stock, stock appreciation rights, performance units and performance shares to employees, directors, and consultants for a period of ten years. The maximum aggregate number of shares that may be granted under the Plan is 500,000. Effective with a grant date of January 1, 2014, the Company granted stock options to employees to purchase 111,750 shares of the Company and granted restricted stock awards to an executive and consultant to earn 318,750 shares of Company stock. The stock options generally vest over a period of five years from grant date. The restricted stock was granted in two tranches. The first tranche vests over a period of five years from the grant date. The second tranche begins vesting upon completion of a successful initial public offering by the Company during the employment and service term of the executive and consultant, respectively. Management has reserved a pool of shares to be issued when the options are exercised and the restricted stock is earned. The vesting period for all granted stock options and restricted stock commences in 2014 at which time the related recognition of stock-based compensation expense will commence.

NOTE 8 EQUITY

Preferred Stock

The company has designated 50,000 shares as preferred stock. The preferred stock is senior to common stock and each share has the same voting rights as the common stockholders. The liquidation preference is equal to the stated value of the stock plus any dividends declared but unpaid at the time of a Liquidation event. The preferred shares are convertible to common stock at the option of the holder at a rate of one share of preferred for one share of common stock. In addition, the preferred stock holders have a right of first refusal and tag-along rights to the common stockholders.

NOTE 9 RESTATEMENT

The Company has restated its previously issued 2012 and 2011 consolidated financial statements after identifying an error in the application of the accounting policies related to the recognition of regional developer fees, franchise fees, and commissions earned in conjunction with the sale of a clinic. The Company also identified an error in the previously reported 2012 and 2011 consolidated financial statements related to an uncertain tax position and an error in the 2012 consolidated financial statements related to the recorded amount of prepaid income taxes and the income tax provision. These errors did not result in an adjustment to the 2011 beginning accumulated deficit balance.

- 1. Recitals. The above Recitals and sections of the FA referred therein are hereby incorporated into and made part of this Agreement.

Transfer Agreement

2. Consent to Transfer. Franchisor hereby consents to the Transfer of the Transferred Interest as described in the Recitals.

3. Conditions for Approval of Transfer. Franchisee, and/or each undersigned Owner and his or her spouse, and Assignee each hereby represent and warrant that the conditions for approval of Transfer as set forth in Section 14.5 of the FA, to the extent such conditions are not specifically addressed or resolved under this Agreement, have been fully and completely satisfied as provided in such Section 14.5 and to Franchisor's satisfaction.

4. Release. Franchisee and/or each undersigned Owner and his or her spouse, and their present or former affiliated entities, officers, directors, shareholders, partners, members, employees, contractors, agents, predecessors, successors, assigns, attorneys, representatives, heirs, personal representatives and any spouses of each, as well as all other persons, firms, corporations, limited liability companies, associations or partnerships or other affiliated entities claiming by or through them (the "Releasing Entities"), hereby fully release Franchisor and its present or former affiliated entities, and their respective officers, directors, shareholders, partners, members, employees, contractors, agents, predecessors, successors, assigns, attorneys, representatives, heirs, personal representatives and any spouses of each, as well as all other persons, firms, corporations, limited liability companies, associations or partnerships or other affiliated entities claiming by or through it (the "Released Entities") from any and all liabilities, claims, demands, debts, damages, obligations and causes of action of any nature or kind, whether presently known or unknown, which the Releasing Entities may have against the Released Entities as of the date this Agreement is executed.

5. Non-Competition; Non-Solicitation; Confidentiality.

A. Definitions. Wherever used in this Section 5, the term "Franchisor" shall refer to Franchisor and any affiliate, subsidiary, or any successor or assign of Franchisor. Wherever used in this Section, the phrase "directly or indirectly" includes, but is not limited to, acting, either personally or as principal, owner, shareholder, employee, independent contractor, agent, manager, partner, joint venturer, consultant, or in any other capacity or by means of any corporate or other device, or acting through the spouse, children, parents, brothers, sisters, or any other relatives, friends, trustees, agents, or associates of any of the undersigned parties. Wherever used in this Section, the term "employees" shall refer to employees of Franchisor; any affiliate, subsidiary, or any successor or assign of Franchisor; and any franchisee of Franchisor existing as of the date of this Agreement and, to the extent allowable by law, any other person that has been an employee (as defined above) in the twelve (12) months preceding the date of this Agreement. Wherever used in this Section, the term "Confidential Information" shall be defined as provided in Section 9.1 of the FA, which provisions are hereby incorporated by reference.

B. Consideration. The undersigned Parties acknowledge that consideration for this Agreement has been provided and is adequate. The consideration includes, but is not limited to, the granting of the Franchise to Franchisee and/or each undersigned Owner, and Franchisor's consent to the Transfer of the Transferred Interest as provided in this Agreement.

C. Need for this Agreement. The undersigned Parties recognize that in the highly competitive business in which Franchisor and its affiliates and franchisees are engaged, preservation of Confidential Information is crucial and personal contact is important in securing new franchisees and employees, and retaining the goodwill of present franchisees, employees, customers, and suppliers. Personal contact is a valuable asset and is an integral part of protecting the business of Franchisor. Franchisee and/or each undersigned Owner recognize that it has had substantial contact with Franchisor's employees, customers, and suppliers and Confidential Information. For that reason, Franchisee and/or each undersigned Owner may be in a position to take for his or her benefit the Confidential Information and goodwill Franchisor has with its employees and Confidential Information now or in the future. If Franchisee and/or each undersigned Owner, after the Transfer of the Transferred Interest as provided in this Agreement, takes advantage of such Confidential Information or goodwill for Franchisee's and/or each undersigned Owner's own benefit, then the competitive advantage that Franchisor has created through its efforts and investment will be irreparably harmed.

Transfer Agreement

D . Non-Competition with Franchisor. Franchisee and/or each undersigned Owner of Franchisee agrees that for twenty-four (24) months following the date of this Agreement, neither Franchisee, nor any Owner, nor any member of Franchisee's or an Owner's immediate family will have any direct or indirect interest (e.g., through a spouse) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, representative or agent, or in any other capacity, in any Competitive Business located or operating: (a) within twenty-five (25) miles of the Franchisee's current location(s); or (b) within twenty-five (25) miles of any The Joint Corp. franchise in operation or development on the date of this Agreement. The term "Competitive Business" means any business which derives more than Ten Thousand and No/100 Dollars (\$10,000.00) of revenue per year from the performance of chiropractic or related services, or any business which grants franchises or licenses to others to operate such a business, other than a The Joint Corp. franchise operated under a franchise agreement with us.

E . Non-Solicitation of Franchisor's Employees. Franchisee and/or each undersigned Owner agrees that for twelve (12) months after the date of this Agreement, it will not directly or indirectly: (a) induce, canvas, solicit, or request or advise any employees of Franchisor, the Franchise, or any The Joint Corp. franchise to accept employment with any person, firm, or business that competes with any business of Franchisor, the Franchise, or any The Joint Corp. franchise; or (b) induce, request, or advise any employee of Franchisor, the Franchise, or any The Joint Corp. franchise to terminate such employee's relationship with Franchisor, the Franchise, or any The Joint Corp. franchise; or (c) disclose to any other person, firm, partnership, corporation or other entity, the names, addresses or telephone numbers of any of the employees of Franchisor, the Franchise, or any The Joint Corp. franchise, except as required by law.

F . Non-Solicitation of Franchisor's Customers. Franchisee and/or each undersigned Owner agrees that for twelve (12) months after the date of this Agreement, it will not directly or indirectly: (a) induce, canvas, solicit, or request or advise any customers of Franchisor, the Franchise, or any The Joint Corp. franchise to become customers of any person, firm, or business that competes with any business of Franchisor, the Franchise, or any The Joint Corp. franchise; or (b) induce, request or advise any customer of Franchisor, the Franchise, or any The Joint Corp. franchise to terminate or decrease such customer's relationship with Franchisor, the Franchise, or any The Joint Corp. franchise; or (c) disclose to any other person, firm, partnership, corporation or other entity, the names, addresses or telephone numbers of any of the customers of Franchisor, the Franchise, or any The Joint Corp. franchise, except as required by law.

G . Confidential Information. Franchisee and/or each undersigned Owner agrees at all times following the date of this Agreement, to hold the Confidential Information in the strictest confidence and not to use such Confidential Information for Franchisee's and/or each undersigned Owner's personal benefit, or the benefit of any other person or entity other than Franchisor, or disclose it directly or indirectly to any person or entity without Franchisor's express authorization or written consent. Franchisee and each undersigned Owner fully understand the need to protect the Confidential Information and all other confidential materials and agree to use all reasonable care to prevent unauthorized persons from obtaining access to Confidential Information at any time.

6 . Subordination. Franchisee and/or each undersigned Owner and Assignee each agrees that all of Assignee's obligations to make any installment payments to or for the benefit of Franchisee and/or an undersigned Owner in connection with the Transfer of the Transferred Interest as provided under this Agreement shall be subordinate to Assignee's obligations under the FA or any New FA (as defined below) to pay to us or our affiliates any fees and payments provided for therein.

Transfer Agreement

7. New FA. Assignee agrees that in connection with the Transfer of the Transferred Interest to it, Assignee shall sign at Franchisor's request the form of Franchisee Agreement currently used by Franchisor in selling and offering franchises like the Franchise (the "New FA").

8. Guaranty of Obligations. In consideration of, and as an inducement to, the execution of this Agreement by Franchisor, each undersigned Owner hereby personally and unconditionally (a) guarantees to Franchisor and its successors and assigns that the Owner will punctually pay and perform each and every undertaking, agreement and covenant of Assignee set forth in the FA or any New FA; and (b) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the FA or any New FA, including without limitation, monetary obligations, the obligations to take or refrain from taking certain actions and arbitration of disputes. Each undersigned Owner waives (1) protest and notice of default, demand for payment or nonperformance of any obligations guaranteed by this Section 8; (2) any right the Owner may have to require that an action be brought against Franchisor or any other person as a condition of the Owner's liability; (3) all right to payment or reimbursement from, or subrogation against, Franchisor which Owner may have arising out of this guaranty of Assignee; and (4) any and all other notices and legal or equitable defenses to which Owner may be entitled in its capacity as guarantor. Each undersigned Owner consents and agrees that (1) its direct and immediate liability under this Section shall be joint and several; (2) it will make any payment or render any performance required under the FA or any New FA on demand if Assignee fails or refuses to do so when required; (3) its liability will not be contingent or conditioned on our pursuit of any remedies against Assignee or any other person; (4) its liability will not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may from time to time grant to Assignee or to any other person, including without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims; and (5) the guaranty under this Section will continue and be irrevocable during the term of the FA or any New FA and afterward for so long as Assignee has any obligations under the FA or any New FA. If Franchisor is required to enforce the guaranty provided for under this Section in a judicial or arbitration proceeding, and prevail in such proceeding, then each undersigned Owner agrees that Franchisor will be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', arbitrators' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, whether incurred prior to, in preparation for or in contemplation of the filing of any such proceeding. If Franchisor is required to engage legal counsel in connection with any failure by any undersigned Owner to comply with the guaranty provisions of this Section, then the Owner shall reimburse Franchisor for any of the above-listed costs and expenses incurred by Franchisor.

9. Breach. The Parties hereby agree that each of the matters stated herein are important, material, and confidential, and substantially affect the effective and successful conduct of the business of Franchisor and its reputation, and goodwill. Any breach of the terms of this Agreement is a material breach of this Agreement, which will result in substantial and irreparable injury to Franchisor, for which the breaching Party may be preliminarily and permanently enjoined and for which the breaching Party shall also pay to Franchisor all damages (including, but not limited to, compensatory, incidental, consequential and lost profits damages) which arise from the breach, together with interest, costs and Franchisor's reasonable attorneys' fees (through final unappealable judgment) to enforce this Agreement. This Agreement does not limit any other remedies available at law or in equity available to Franchisor.

10. No Waiver. Franchisor may waive a provision of this Agreement only in writing executed by an authorized representative. No Party shall rely upon any oral representations as to a waiver of any provision of this Agreement. No waiver by a Party of a breach by another Party of any provision of this Agreement shall operate or be construed as a waiver of any subsequent breach by the breaching Party.

Transfer Agreement

11. Assignment. This Agreement is fully transferable by Franchisor. Franchisee and/or each undersigned Owner and Assignee shall not assign, convey, sell, delegate, otherwise transfer this Agreement or any right or duty hereunder without obtaining Franchisor's prior written consent.

12. Binding Agreement. This Agreement shall be binding upon the Parties' heirs and legal representatives. This Agreement shall be enforceable by the successors and assigns of Franchisor, any person or entity which purchases substantially all of the assets of Franchisor, and any subsidiary, affiliate or operation division of Franchisor.

13. Tolling. To ensure that Franchisor will receive the full benefit of this Agreement, the provisions of this Agreement will not run, for purposes of the prohibitions on any competition and solicitation, statute of limitations, or for laches, at any time that a party to this Agreement is actually acting in any way in contravention to this Agreement.

14. Headings. The paragraph headings of this Agreement are not a substantive part of this Agreement and shall not limit or restrict this Agreement in any way.

15. Choice of Law and Venue. This Agreement shall be construed in accordance with and governed for all purposes by the laws of Arizona. If any action or proceeding shall be instituted by any Party, or any representative thereof, all Parties and their representatives hereby consent and will submit to the jurisdiction of, and agree that venue is proper in Maricopa County, State of Arizona.

16. Severance and Reformation. In case any one or more of the provisions or restrictions contained in this Agreement, or any part thereof, shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions or restrictions of this Agreement. In case any one or more of the provisions or restrictions contained in this Agreement shall, for any reason, be held to be unreasonable, improper, overbroad or unenforceable in any manner, it is agreed that they are divisible and separable and should be valid and enforceable to the extent allowed by law. The intention of the Parties is that Franchisor shall be given the broadest protection allowed by law with respect to this Agreement.

17. Entire Agreement. No change, addition, deletion or amendment of this Agreement shall be valid or binding upon any Party unless in writing and signed by the Parties. Insofar as matters within the scope of this Agreement are concerned, this Agreement is the entire Agreement between the Parties and replaces and supersedes all prior agreements and understandings pertaining to the matters addressed in this Agreement. There are no oral or other agreements or understandings between the Parties affecting this Agreement.

18. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall be deemed to constitute one and the same instrument, and each counterpart shall be deemed an original.

19. Opportunity to Seek Independent Advice. The undersigned Parties recognize that this Agreement is an important document that affects their legal rights. For this reason, the Parties may wish to seek independent legal advice before accepting the terms stated herein. The undersigned Parties acknowledge that they have had an opportunity to seek such independent legal advice. They acknowledge that they have read and understand the provisions contained herein and acknowledge receipt of a copy of this Agreement.

FILING OFFICER COPY - NATIONAL UCC FINANCING STATEMENT (FORM UCC1) (REV. 07/29/98)

Instructions for National UCC Financing Statement (Form UCC1)

Please type or laser-print this form. Be sure it is completely legible. Read all Instructions, especially Instruction 1; correct Debtor name is crucial. Follow Instructions completely.

Fill in form very carefully; mistakes may have important legal consequences. If you have questions, consult your attorney. Filing office cannot give legal advice.

Do not insert anything in the open space in the upper portion of this form; it is reserved for filing office use.

When properly completed, send Filing Office Copy, with required fee, to filing office. If you want an acknowledgment, complete item B and, if filing in a filing office that returns an acknowledgment copy furnished by filer, you may also send Acknowledgment Copy; otherwise detach. If you want to make a search request, complete item 7 (after reading instruction 7 below) and send Search Report Copy, otherwise detach. Always detach Debtor and Secured Party Copies.

If you need to use attachments, use 8-1/2 X 11 inch sheets and put at the top of each sheet the name of the first Debtor, formatted exactly as it appears in item 1 of this form; you are encouraged to use Addendum (Form UCC1Ad).

A. To assist filing offices that might wish to communicate with filer, filer may provide information in item A. This item is optional.

B. Complete item B if you want an acknowledgment sent to you. If filing in a filing office that returns an acknowledgment copy furnished by filer, present simultaneously with this form a carbon or other copy of this form for use as an acknowledgment copy.

1. Debtor name: Enter only one Debtor name in item 1, an organization's name (1a) or an individual's name (1b). Enter Debtor's exact full legal name. Don't abbreviate.

1a. **Organization Debtor.** "Organization" means an entity having a legal identity separate from its owner. A partnership is an organization; a sole proprietorship is not an organization, even if it does business under a trade name. If Debtor is a partnership, enter exact full legal name of partnership; you need not enter names of partners as additional Debtors. If Debtor is a registered organization (e.g., corporation, limited partnership, limited liability company), it is advisable to examine Debtor's current filed charter documents to determine Debtor's correct name, organization type, and jurisdiction of organization.

1b. **Individual Debtor.** "Individual" means a natural person and a sole proprietorship, whether or not operating under a trade name. Don't use prefixes (Mr., Mrs., Ms.). Use suffix box only for titles of lineage (Jr., Sr., III) and not for other suffixes or titles (e.g., M.D.). Use married woman's personal name (Mary Smith, not Mrs. John Smith). Enter individual Debtor's family name (surname) in Last Name box, first given name in First Name box, and all additional given names in Middle Name box.

For both organization and individual Debtors: Don't use Debtor's trade name, DBA, AKA, FKA, Division name, etc. in place of or combined with Debtor's legal name; you may add such other names as additional Debtors if you wish (but this is neither required nor recommended).

1c. An address is always required for the Debtor named in 1a or 1b.

1d. Debtor's taxpayer identification number (tax ID #) – social security number or employer identification number – may be required in some states.

1e,f,g. "Additional information re organization Debtor" is always required. Type of organization and jurisdiction of organization as well as Debtor's exact legal name can be determined from Debtor's current filed charter document. Organizational ID #, if any, is assigned by the agency where the charter document was filed; this is different from taxpayer ID #; this should be entered preceded by the 2-character U.S. Postal identification of state of organization if one of the United States (e.g., CA12345, for a California corporation whose organizational ID # is 12345); if agency does not assign organizational ED #, check box in item 1g indicating "none."

Note: If Debtor is a trust or a trustee acting with respect to property held in trust, enter Debtor's name in item 1 and attach Addendum (Form UCC1Ad) and check appropriate box in item 17. If Debtor is a decedent's estate, enter name of deceased individual in item 1b and attach Addendum (Form UCC1Ad) and check appropriate box in item 17. If Debtor is a transmitting utility or this Financing Statement is filed in connection with a Manufactured-Home Transaction or a Public-Finance Transaction as defined in applicable Commercial Code, attach Addendum (Form UCC1Ad) and check appropriate box in item 18.

2. If an additional Debtor is included, complete item 2, determined and formatted per Instruction 1. To include further additional Debtors, or one or more additional Secured Parties, attach either Addendum (Form UCC1Ad) or other additional page(s), using correct name format. Follow Instruction 1 for determining and formatting additional names.

3. Enter information for Secured Party or Total Assignee, determined and formatted per Instruction 1. If there is more than one Secured Party, see Instruction 2. If there has been a total assignment of the Secured Party's interest prior to filing this form, you may either (1) enter Assignor S/P's name and address in item 3 and file an Amendment (Form UCC3) [see item 5 of that form]; or (2) enter Total Assignee's name and address in item 3 and, if you wish, also attaching Addendum (Form UCC1Ad) giving Assignor S/Ps name and address in item 12.

4. Use item 4 to indicate the collateral covered by this Financing Statement. If space in item 4 is insufficient, put the entire collateral description or continuation of the collateral description on either Addendum (Form UCC1Ad) or other attached additional page(s).

5. If filer desires (at filer's option) to use titles of lessee and lessor, or consignee and consignor, or seller and buyer (in the case of accounts or chattel paper), or bailee and bailor instead of Debtor and Secured Party, check the appropriate box in item 5. If this is an agricultural lien (as defined in applicable Commercial Code) filing or is otherwise not a UCC security interest filing (e.g., a tax lien, judgment lien, etc.), check the appropriate box in item 5, complete items 1-7 as applicable and attach any other items required under other law.

6. If this Financing Statement is filed as a fixture filing or if the collateral consists of timber to be cut or as-extracted collateral, complete items 1-5, check the box in item 6, and complete the required information (items 13, 14 and/or 15 on Addendum (Form UCC1Ad)..
7. This item is optional. Check appropriate box in item 7 to request Search Report(s) on all or some of the Debtors named in this Financing Statement. The Report will list all Financing Statements on file against the designated Debtor on the date of the Report, including this Financing Statement. There is an additional fee for each Report. If you have checked a box in item 7, file Search Report Copy together with Filing Officer Copy (and Acknowledgment Copy). Note: Not all states do searches and not all states will honor a search request made via this form; some states require a separate request form.
8. This item is optional and is for filer's use only. For filer's convenience of reference, filer may enter in item 8 any identifying information (e.g., Secured Party's loan number, law firm file number, Debtor's name or other identification, state in which form is being filed, etc.) that filer may find useful.

NORTH DAKOTA ADDENDUM TO FRANCHISE AGREEMENT

1. Articles 2.6 and 14.5 each contain a provision requiring a general release as a condition of renewal or transfer of the franchise. Such release is subject to and will exclude claims arising under the North Dakota Franchise Investment Law.

2. Article 17.9 will be amended to state that arbitration involving a franchise purchased in North Dakota must be held in a location mutually agreed on prior to the arbitration, or if the parties cannot agree on a location, at a location to be determined by the arbitrator.

3. Article 9.3 is amended to add that covenants not to compete on termination or expiration of an Franchise Agreement are generally not enforceable in the State of North Dakota except in limited circumstances provided by North Dakota law.

4. Article 17.9 will be amended to add that any claim or right arising under the North Dakota Franchise Investment Law may be brought in the appropriate state or federal court in North Dakota, subject to the arbitration provision of the Agreement.

5. Article 17.11 will be amended to state that, in the event of a conflict of law, to the extent required by the North Dakota Franchise Investment Law, North Dakota law will prevail.

6. Article 17.10 requires the franchisee to waive a trial by jury, as well as exemplary and punitive damages. These requirements are not enforceable in North Dakota pursuant to Section 51-19-09 of the North Dakota Franchise Investment Law, and are therefore not part of the Franchise Agreement.

7. Article 17.10 requirement that the franchise consent to a limitation of claims period of one year is not consistent with North Dakota law. The limitation of claims period under the Franchise Agreement shall therefore be governed by North Dakota law.

8. Each provision of this Addendum will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the North Dakota Franchise Investment Law, N.D. Cent. Code §§ 51-19-01 through 51-19-17, are met independently without reference to this Addendum.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed, and delivered this North Dakota Addendum to the Franchise Agreement on the same day as the Franchise Agreement was executed.

In the event the P.C. has a "claims made" form of insurance in effect at any time during the term of this Agreement, the Company shall obtain, at P.C.'s expense, full "tail" coverage to cover any event that may have occurred during the term of this Agreement. The P.C. shall provide to the Company any information with respect to the P.C. or the Providers necessary for the Company to secure such professional liability insurance. These insurance policies must name The Joint Corp., the Company, and any of their respective affiliates that the Company or The Joint Corp. designates as additional name insureds, and provide for thirty (30) days' prior written notice to the Company and The Joint Corp. and of a policy's material modification, cancellation or expiration.

8. Indemnification by the P.C. The P.C. hereby agrees to indemnify, defend, and hold harmless the Company, and each of the Company's officers, directors, shareholders, agents and employees, from and against any and all claims, demands, losses, liabilities, actions, lawsuits and other proceedings judgments and awards, and costs and expenses (including court costs, and reasonable attorneys' and consultancy fees), arising directly or indirectly, in whole or in part out of any breach by the p.c. OF This Agreement or any acts or omissions by the P.C. or its Providers in their performance of this Agreement, including, but not limited to, negligence of the P.C. or its Providers arising form or related to any of their professional acts or omissions to the extent that such is not paid or covered by the proceeds of insurance. The P.C. shall immediately notify the Company of any lawsuits or actions, or any threat thereof, against P.C. or any Provider, or the Company, that may become known to the P.C.

9. Indemnification by the Company. The Company hereby agrees to indemnify, defend, and hold harmless the P.C., and each of its officers, managers, members, agents and employees, from and against any and all claims, demands, losses, liabilities, actions, lawsuits and other proceedings, judgments and awards, and costs and expenses (including court costs, and reasonable attorneys' and consultancy fees), arising directly or indirectly, in whole or in part, out of any breach by the Company of this Agreement or any willful or grossly negligent act or omission by the Company in its performance of this Agreement, to the extent that such is not paid or covered by the proceeds of insurance. The company shall immediately notify the P.C. of any lawsuits or actions, or any threat thereof, against the Company, P.C. or any Provider that may become known to the Company.

10. Non-Solicitation.

(a) To the extent permitted by applicable Laws, the P.C. shall not, during the term of this Agreement and for a period of one (1) year from the date of termination or expiration of this Agreement, and shall ensure that its Providers shall not, during the term of their employment by the P.C. and for a period of one (1) year thereafter, solicit for employment, verbally or in writing, employ or offer employment to any employee or former employee of the Company or its affiliates, including, but not limited to any personnel provided by the Company to P.C. hereunder, without the prior written consent of the Company.

(b) To the extent permitted by law, during the term of any Provider's employment with the P.C. and for a period of one (1) year after the termination or expiration of any such Provider's employment agreement with the P.C., such Provider shall not, without the express written consent of the P.C., solicit verbally or in writing, any patient or former patient of the P.C., or otherwise interfere with such patient or former patient's relationship with the P.C. in connection with the provisions of chiropractic services. Upon termination of any Provider's employment with the P.C., the P.C. shall promptly notify the Provider's patients of how and where to contact the Provider.

(c) In the event that any of the P.C.'s Providers shall violate any provision of this Section 10, the P.C.'s President shall immediately notify the Company of such activity and the P.C. shall immediately take all necessary and appropriate corrective action.

(d) Company agrees to waive any outstanding Management Fees owed by the P.C. at termination of this agreement, pursuant to Section 5(a), as consideration for the non-solicitation provisions set forth in Section 10 (a) and (b) above.

11. Proprietary Rights. The P.C. recognizes and acknowledges that all records, files, reports, protocols, policies, manuals, data bases, processes, procedures, computer systems, materials and other documents used by the Company (or its affiliates) in rendering services hereunder, or relating to the operations of the company (or its affiliates), belong to and shall remain the property of the Company, and constitute proprietary information and trade secrets that are valuable, special, and unique assets of the Company's business ("Confidential Information"). The P.C. shall not, and shall assure that each of its Providers shall not, during or after the term of this Agreement, disclose any Confidential Information of the Company (or its affiliates), or the terms and conditions of this Agreement to any other firm, person, corporation, association, or other entity for any reason or purpose whatsoever, without the written consent of the Company or its respective affiliates.

12. Enforcement. The P.C. agrees that the restrictive covenants set forth in Sections 10, 11 and 12 are reasonable in nature, duration and geographical scope. The P.C. further acknowledges that any violation of those restrictive covenants will cause the Company irreparable damage, which a monetary award would be inadequate to remedy, and that a court or arbitrator of competent jurisdiction may, in addition to monetary awards, enjoin any breach of, and enforce, such restrictive covenants by temporary restraining order, and preliminary and permanent injunctive relief without the need for the moving party to post any bond or surety. If a court or arbitrator of competent jurisdiction determines that any of the restrictive covenants set forth in Section 10 or 11 are unreasonable in nature, duration or geographic scope, then the P.C. agrees that such court or arbitrator shall reform such restrictive covenant so that such restrictive covenant is enforceable to the maximum extent permitted by law for a restrictive covenant of that nature, and such court shall enforce the restrictive covenant to that extent. If any court or arbitrator finds that the P.C. and/or any Provider has breached the restrictive covenants set forth in Sections 10 or 11 above, then such restrictive covenants shall be extended for an additional period equal to the period of such breach.

For Use in CA

13 . Employment Agreements. The P.C. agrees that it shall impose by contract on each of its Providers the obligation to abide by the applicable terms and conditions of this Agreement, including the restrictive covenants specified above. The Company and its affiliates are intended to be third-party beneficiaries of such contracts and the Company may, in its sole discretion, be a signatory to such contracts for purposes of enforcing against Providers the terms and conditions of this Agreement. Any liquidated damages paid to the P.C. by Providers pursuant to contracts between the P.C. and such Providers shall be assigned by the P.C. and paid over to the Company.

14. Term and Termination.

(a) The term of this Agreement shall be for **[coterminous with franchise agreement]** years commencing on the date first written above, unless sooner terminated as set forth herein, and shall automatically renew for successive one (1) year terms unless either party gives the other at least ninety (90) days prior written notice of its intention not to renew prior to the expiration of then current term.

(b) Either party may terminate this Agreement immediately upon the occurrence of any of the following events with regard to the other party: (i) the making of a general assignment for the benefit of creditors; (ii) the filing of a voluntary petition or the commencement of any proceeding by either party for any relief under any bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustments of indebtedness, reorganization, composition or extension; (iii) the filing of any involuntary petition or the commencement of any proceeding by or against either party for any relief under any bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustment of indebtedness, reorganization, composition or extension, which such petition or proceeding is not dismissed within ninety (90) days of the date on which it is filed or commenced; or (iv) suspension of the transaction of the usual business of either party for a period in excess of thirty (14) days.

(c) The Company may terminate this Agreement immediately upon any of the following events:

(i) The date of death of **[Name of sole shareholder]**;

(ii) The date **[Name of sole shareholder]** is determined by a court of competent jurisdiction to be incompetent, or permanently disabled so as to be unable to render any professional services

(iii) The date **[Name of sole shareholder]** becomes disqualified under the Bylaws of the P.C. or applicable law to be a shareholder of the P.C.;

(iv) The date upon which any of the shares of stock in the P.C. held by **[Name of sole shareholder]** are transferred or attempted to be transferred voluntarily, by operation of law or otherwise to any person;

For Use in CA

(v) The date upon which [Name of sole shareholder] ceases to provide chiropractic services in connection with the P.C.; or

(v) The merger, consolidation, reorganization, sale, liquidation, dissolution, or other disposition of all or substantially all of the stock or assets of the P.C.

(d) The Company may terminate this Agreement if the P.C. fails, within seven (7) days after receiving written notice from the Company, to remove from the Clinic any Provider who the Company determines has materially disrupted or interfered with the performance of the P.C.'s obligations hereunder. This provision shall not be construed as permitting the Company to control or impair the P.C.'s or the Providers' chiropractic judgment, professional performance or patient of care.

(e) The Company may terminate this Agreement immediately upon written notice to the P.C. in the event of termination for any reason of any of the following agreements: the Shareholder and Stock Transfer Restriction Agreement, the Company's operating agreement and/or the employment agreement between the P.C. and _____ [Doctor's Name].

(f) The Company may terminate this Agreement at any time with or without cause, by giving the P.C. forty-five (45) days' prior written notice.

(g) Either party may terminate this Agreement upon thirty (30) days' prior written notice to the other party in the event of a material breach by the other party of any material term or condition hereof, if such breach is not cured to the reasonable satisfaction of the non-breaching party within thirty (30) days after the non-breaching party has given notice thereof to the other party.

(h) Upon termination or expiration of this agreement by either party, the P.C. shall pay the Company any amounts owed to the Company under paragraph 5 hereof as of the date of termination or expiration.

(i) Upon termination or expiration of this Agreement, the P.C. shall return to the Company any and all property of the Company which may be in the P.C.'s possession or under the P.C.'s control.

(j) If, in the opinion (the "Opinion") of nationally recognized health care counsel selected by the Company, it is determined that it is more likely than not that applicable Laws in effect or to become effective as of a date certain, or if the Company or the P.C. receives notice (the "Notice") of an actual or threatened decision, finding or action by any governmental or private agency or court (collectively referred to herein as "Action"), which Laws or Action, if or when implemented, would have the effect of subjecting either party to civil or criminal prosecution under state and/or federal laws, or other material adverse proceeding on the basis of their participation herein, then the Company or the P.C. shall provide such Opinion or Notice to the other party. The parties shall attempt in good faith to amend this Agreement to the minimum extent necessary in order to comply with such Laws or to avoid the Action, as applicable, and shall utilize mutually agreed upon joint legal counsel to the extent practicable. If, within ninety (90) days of providing written notice of such Opinion or such Notice to the other party, the parties hereto acting in good faith are unable to mutually agree upon and make amendments or alterations to this Agreement to meet the requirements in question, or alternatively, the parties mutually determine in good faith that compliance with such requirements is impossible or unfeasible, then this Agreement shall be terminated without penalty, charge or continuing liability upon the earlier of the following: the date one hundred and eight (180) days subsequent to the date upon which any party gives written notice to the other party, or the effective date upon which the Law or Action prohibits the relationship of the parties pursuant to this Agreement. In the event of a termination of this Agreement in accordance with this Section 15(j), then the restrictions contained in 10 and 11 of this Agreement shall be waived and shall be of no further effect.

For Use in CA

1 5 . Obligations After Termination. Except as otherwise provided herein or in any amendment hereto, following the effective date of termination of this Agreement:

(a) The Company shall continue to permit the P.C. or its authorized representatives to conduct financial audits relating to the period this Agreement was in effect;

(b) The P.C. shall cooperate with the Company to assure the appropriate transfer of patient cases and patient records;

(c) Both the Company and the P.C. shall cooperate in connection with the termination or assignment of provider contracts and other contractual arrangements; and

(d) Both the Company and the P.C. shall cooperate in the preparation of final financial statements and the final reconciliation of fees paid hereunder, which shall be calculated by the Company six (6) months after termination of this agreement; provided that in the event of a termination of this Agreement by the Company pursuant to Section 15(b), (c), or (d), the P.C. and any such Provider shall forfeit its (or his/her) rights to any future payment from the Company under this or any other agreement between the parties, except as may otherwise be agreed to by the Company in its discretion.

1 6 . Return of Proprietary Property and Confidential Information. All documents, procedural manuals, guides, specifications, plans, drawings, designs, copyrights, service marks and trademark rights, computer programs, program descriptions and similar materials, lists of present, past or prospective patients, proposals, marketing and public relations materials, invitations to submit proposals, fee schedules and data relating to patients and the pricing of the Company's products and services, records, notebooks and similar repositories of or containing Confidential Information and Inventions (including all copies thereof) that come into P.C. and/or its Providers possession or control, whether prepared by P.C., its Providers, or others: (a) are the property of the Company, (b) will not be used by P.C. or its Providers in any way adverse to the Company or to the benefit of P.C. and/or its Providers, (c) will not be removed from the Company's premises (except as P.C. and/or its Providers' duties hereunder require) and (d) at the termination of this Agreement or engagement of such Providers, will be left with, or forthwith returned and/or restored to the Company, and P.C. and such Providers shall discontinue use of such materials.

1 7 . Status of Parties. In the performance of the work duties and obligations under this Agreement, it is mutually understood and agreed that each party is at all times acting and performing as an independent contractor with respect to the other and that no relationship of partnership, joint venture or employment is created by this Agreement.

18. Force Majeure. Neither party shall be deemed to be in default of this Agreement if prevented from performing any obligation hereunder for any reason beyond its control, including but not limited to, Acts of God, war, civil commotion, fire, flood or casualty, labor difficulties, shortages of or inability to obtain labor, materials or equipment, governmental regulations or restrictions, or unusually severe weather. In any such case, the parties agree to negotiate in good faith with the goal of preserving this Agreement and the respective rights and obligations of the parties hereunder, to the extent reasonably practicable. It is agreed that financial inability shall not be a matter beyond a party's reasonable control.

19. Notices. Any notices to be given hereunder by either party to the other shall be deemed to be received by the intended recipient (a) when delivered personally, (b) the first business day following delivery to a nationally recognized overnight courier service with proof of delivery, or (c) three (3) days after mailing by certified mail, postage prepaid with return receipt requested, in each case addressed to the parties at the addresses set forth on page 1 above or at any other address designated by the parties in writing.

23. **Severability.** If any provision of this Agreement shall be held by a court of competent jurisdiction to be contrary to law, that provision will be enforced to the maximum extent permissible, and the remaining provisions of this Agreement will remain in full force and effect, unless to do so would result in either party not receiving the benefit of its bargain.

24. **Waiver.** The failure of a party to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver or deprive that party of the right thereafter to that term or any other term of this Agreement.

25. **Rights Unaffected.** No amendment, supplement or termination of this Agreement shall affect or impair any right or obligations which shall have theretofore matured hereunder.

26. **Interpretation of Syntax.** All references made and pronouns used herein shall be construed in the singular or plural, and in such gender, as the sense and circumstances require.

27. **Successors.** This Agreement shall be binding upon and shall inure to the benefit of the parties, their respective heirs, executors, administrators and assigns.

"Required by Law" includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or an administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions or participation with respect to health care providers participating in the program; and statutes or regulations that require such information if payment is sought under a government program providing public benefits.

Any terms used but not otherwise defined in this Addendum shall have the same meaning as the meaning ascribed to those terms in HIPAA.

II. **Permitted Uses and Disclosures.** Business Associate may use or disclose Protected Health Information received or created by Business Associate pursuant to the Agreement solely for the following purposes:

- A. Business Associate may use or disclose Protected Health Information as necessary to carry out Business Associate's responsibilities and duties under the Agreement.

- B. Business Associate may use or disclose Protected Health Information for Business Associate's proper management and administration or to fulfill any present or future legal responsibilities of Business Associate; provided, however, that if Business Associate discloses Protected Health Information to a third party under this Section II(b), Business Associate shall (i) obtain reasonable assurances from the person to whom the Protected Health Information is disclosed that it will be held confidentially and used or further disclosed only as Required by Law or for the purpose for which it was disclosed and (ii) obligate such person to notify Business Associate of any instances of which it is aware in which the confidentiality of the Protected Health Information has been breached.
- C. Business Associate may use or disclose protected Information as Required by Law.
- D. Any use or disclosure of Protected Health Information permitted hereunder shall be limited to the minimum amount necessary to accomplish the intended purpose of the use, disclosure or request and shall otherwise be accordance with HIPAA.

III . Disclosure to Agent. In the event Business Associate disclosed to any agent, including a subcontractor, Protected Health Information received from, or created or received by Business Associate on behalf of, the P.C., Business Associate shall obligate each such agent to agree to the same restrictions and conditions regarding the use and disclosure of Protected Health Information as are applicable to Business Associate under this Addendum.

IV . Safeguards. Business Associate shall employ appropriate administrative, technical and physical safeguards, consistent with the size and complexity of Business Associate's operations, to prevent the use or disclosure of Protected Health Information in any manner inconsistent with the terms of this Addendum. Business Associate shall maintain a written security program describing such safeguards, a copy of which shall be available to the P.C. upon request.

V . Reporting of Improper Disclosures. Business Associate shall report to the P.C. any unauthorized or improper use or disclosure of Protected Health Information within one (1) business day of the date on which Business Associate becomes aware of such use or disclosure.

VI . Reporting of Disclosures of Security Incidents. Business Associate shall report to the P.C. any Security Incident of which it becomes aware. For purposes of this Addendum, "Security Incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system; provided, however, that Business Associate shall not have any obligation to notify P.C. of any unsuccessful attempts to (i) obtain unauthorized access to P.C.'s information in Business Associate's possession, or (ii) interfere with Business Associate's system operations in an information system, where such unsuccessful attempts are extremely numerous and common to all users of electronic information systems (e.g., attempted unauthorized access to information systems, attempted modification or destruction of data files and software, attempted transmission of a computer virus).

VII. Mitigation. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of Protected Health Information by Business Associate in violation of the requirements of this Addendum.

X. Return of Protected Health Information Upon Termination. Upon termination of the Agreement, Business Associate shall: (a) if feasible, return or destroy all Protected Health Information received from , or created or received by Business Associate on behalf of, the P.C. that Business Associate still maintains in any form, and Business Associate shall retain no copies of such information; or (b) if Business Associate reasonably determines that such return or destruction is not feasible, extend the protections of this Addendum to such information and limit further uses and disclosures to those purposes that make the return or destruction of the Protected Health Information infeasible.

- B. P.C. shall provide Business Associate with any changes in, or revocation of, permission by an individual to use or disclose Protected Health Information, if such changes affect Business Associate's permitted or required uses and disclosures.
- C. P.C. shall notify Business Associate of any restriction on the use or disclosure of Protected Health Information to which P.C. has agreed in accordance with 45 CFR §164.522 to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

XII. Amendment. If any of the regulations promulgated under HIPAA are amended or interpreted in a manner that renders this Addendum inconsistent therewith, the P.C. may, on thirty (30) days written notice to Business Associate, amend this Addendum to the extent necessary to comply with such amendments or interpretations.

- XIII. Indemnification. Each of the parties shall indemnify, defend and hold harmless the other and its directors, officers, employees and agents from and against any and all third party liabilities, costs, claims and losses including, without limitation, the imposition of civil penalties by HHS under HIPAA, arising from or relating to the breach by either party or any of its directors, officers, employees or agents (including subcontractors) of the terms of this Addendum.

I I . Permitted Uses and Disclosures. Business Associate may use or disclose Protected Health Information received or created by Business Associate pursuant to the Agreement solely for the following purposes:

- A. Business Associate may use or disclose Protected Health Information as necessary to carry out Business Associate's responsibilities and duties under the Agreement.
- B. Business Associate may use or disclose Protected Health Information for Business Associate's proper management and administration ore to fulfill any present or future legal responsibilities of Business Associate; provided, however, that if Business Associate discloses Protected Health Information to a third party under this Section II(b), Business Associate shall Ii) obtain reasonable assurances from the person to whom the Protected Health Information is disclosed that it will be held confidentially and used or further disclosed only as Required by Law or for the purpose for which it was disclosed and (ii) obligate such person to notify Business Associate of any instances of which it is aware in which the confidentiality of the Protected Health Information has been breached.

- D. Any use or disclosure of Protected Health Information permitted hereunder shall be limited to the minimum amount necessary to accomplish the intended purpose of the use, disclosure or request and shall otherwise be accordance with HIPAA.

III . Disclosure to Agent. In the event Business Associate disclosed to any agent, including a subcontractor, Protected Health Information received from, or created or received by Business Associate on behalf of, the P.C., Business Associate shall obligate each such agent to agree to the same restrictions and conditions regarding the use and disclosure of Protected Health Information as are applicable to Business Associate under this Addendum.

IV . Safeguards. Business Associate shall employ appropriate administrative, technical and physical safeguards, consistent with the size and complexity of Business Associate's operations, to prevent the use or disclosure of Protected Health Information in any manner inconsistent with the terms of this Addendum. Business Associate shall maintain a written security program describing such safeguards, a copy of which shall be available to the P.C. upon request.

V . Reporting of Improper Disclosures. Business Associate shall report to the P.C. any unauthorized or improper use or disclosure of Protected Health Information within one (1) business day of the date on which Business Associate becomes aware of such use or disclosure.

VI . Reporting of Disclosures of Security Incidents. Business Associate shall report to the P.C. any Security Incident of which it becomes aware. For purposes of this Addendum, "Security Incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system; provided, however, that Business Associate shall not have any obligation to notify P.C. of any unsuccessful attempts to (i) obtain unauthorized access to P.C.'s information in Business Associate's possession, or (ii) interfere with Business Associate's system operations in an information system, where such unsuccessful attempts are extremely numerous and common to all users of electronic information systems (e.g., attempted unauthorized access to information systems, attempted modification or destruction of data files and software, attempted transmission of a computer virus).

VII . Mitigation. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of Protected Health Information by Business Associate in violation of the requirements of this Addendum.

- XIII. Indemnification. Each of the parties shall indemnify, defend and hold harmless the other and its directors, officers, employees and agents from and against any and all third party liabilities, costs, claims and losses including, without limitation, the imposition of civil penalties by HHS under HIPAA, arising from or relating to the breach by either party or any of its directors, officers, employees or agents (including subcontractors) of the terms of this Addendum.

**AMENDMENT TO
FRANCHISE AGREEMENT
WAIVER OF MANAGEMENT AGREEMENT**

THIS AMENDMENT ("Amendment") is made and entered into on this ___ day of _____, 20__ by and between The Joint Corp., a Delaware corporation ("Franchisor" or "we" or "us"), and _____, a _____ ("Franchisee" or "you").

RECITALS

- A. We and you are parties to a The Joint Corp. Franchise Agreement dated as of the same date as this Amendment (the "Franchise Agreement"), which pertains to the management and operation of a "The Joint" business at a facility operating under the name "The Joint" (which is referred to as a "Clinic") (together the management and operation of a Clinic will be referred to as the "Franchised Business") with the "Territory" as described in the Franchise Agreement. Your Clinic will be located and operated in the state of _____.
- B. We and you wish to amend the terms of the Franchise Agreement as described below.
- C. All capitalized terms not defined in this Amendment will have the meaning set forth in the Franchise Agreement, or the Management Agreement (as defined below).

AGREEMENT

NOW THEREFORE, we and you, in consideration of the undertakings and commitments of each party to the other party set forth herein and in the Franchise Agreement, and for other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, mutually agree as follows:

I. Franchisee's Representations and Warranties:

- a. You understand and agree that you are solely responsible for operating in full compliance with all laws that apply to your Franchised Business. The laws regulating the chiropractic medical industry include without limitation, federal, state and local regulations relating to: the practice of chiropractic medicine and the operation and licensing of chiropractic services; the relationship of providers and suppliers of health care services, on the one hand, and physicians and clinicians, on the other, including anti-kick back laws; restrictions or prohibition on fee splitting; physician self-referral restrictions; payment systems for medical benefits available to individuals through insurance and government resources; privacy of patient records; use of medical devices; and advertising of medical services (together such are, "Medical Regulations").
- b. You represent and warrant to us that: (1) you have conducted independent research regarding the Medical Regulations that are applicable to chiropractic services generally, and the Franchised Business specifically in the Territory, including retaining the services of qualified professional advisers as necessary; (ii) you have verified that under the Medical Regulations applicable to your Franchised Business, you are permitted to both manage the Clinic and operate the Clinic, including hiring any chiropractic and other personnel and providing chiropractic services to patients at the Clinic.
- c. You have requested that, based on your representations and warranties to us as to the Medical Regulations applicable to your Franchised Business, we waive the requirements of the Franchise Agreement that you (i) enter into a management agreement with a PC, which as a separate entity would operate the Clinic and provide all chiropractic services, and (ii) you refrain from providing any chiropractic services to patients or hiring and supervising medical providers, subject to all applicable Medical Regulations.

d. You acknowledge and agree that we are entering into this Amendment in reliance your representations and warranties. You understand and agree that your obligations to operate in compliance with Medical Regulations will continue throughout the term of the Franchise Agreement, and if there are any changes in Medical Regulations that would render your operation of the Clinic in violation of any Medical Regulation, you will immediately advise of such change and of the your proposed corrective action to comply with Medical Regulations, including (if applicable) entering into a management agreement with a PC.

e. You acknowledge and agree that by requesting us to permit you to perform all of the activities and obligations of the PC (rather than signing a management agreement with a PC that would operate the Clinic), you will incur all costs of both managing and operating the Clinic, including those costs that would otherwise be borne by the PC (such as obtaining all necessary licensing and certification for practicing chiropractic medicine and compensation of chiropractic professionals). You have researched the costs associated with both managing and operating the Clinic.

2. Based on your representations and warranties to us above, you and we agree as follows:

a. Notwithstanding anything to the contrary in the Franchise Agreement, including Section 1.2, you are not required by the Franchise Agreement to enter into a Management Agreement with a PC, provided that you comply with applicable Medical Regulations.

b. Notwithstanding anything to the contrary in the Franchise Agreement, including Section 1.2, you are not restricted from providing chiropractic services to the Clinic's patients, or from hiring and supervising the chiropractors and employees who are legally authorized to provide chiropractic services to patients of the Clinic.

c. Instead of entering into the Management Agreement with a separate PC, you agree to be solely responsible for operating the Clinic and providing, or arranging for and supervising the provision of, chiropractic services to the patients of the Clinic. You, therefore, agree that you will perform all responsibilities and obligations of the "PC" as set forth in the form of Management Agreement attached to this Amendment as Exhibit A (the "Management Agreement"), which are hereby incorporated into this Amendment. Without limiting the foregoing, you acknowledge and agree that these obligations include:

- (i) satisfying the representations and warranties of Section 1.2 of the Management Agreement;
- (ii) selecting, maintaining, and using the Equipment and Furnishings in good condition and repair and in a safe and appropriate manner as described in Section 2 of the Management Agreement;
- (iii) being responsible for all aspects of the diagnostic, therapeutic and related professional services delivered by the Providers at the Clinic; selecting, training, supervising and employing (or otherwise engaging) all Providers; ensuring that the Clinic and all Providers maintain all necessary licenses and credentials; establishing and maintaining quality and standards of patient care, as described in Section 4 of the Management Agreement;
- (iv) maintaining malpractice and other insurance as described in Section 7 of the Management Agreement;
- (v) indemnifying us as described in Sections 8 and 9 of the Management Agreement; and
- (vi) complying with the non-solicitation requirements of Section 10 of the Management Agreement.

d. Instead of entering into the Management Agreement with a separate PC, you agree to be solely responsible for providing the management and support services necessary for operating the Clinic. You, therefore, agree that you will perform all responsibilities and obligations of the "Company" as set forth in the Management Agreement, which are hereby incorporated into this Amendment. Without limiting the foregoing, you acknowledge and agree that these obligations include:

- (i) providing the use of the Premises and Equipment and Furnishings as described in Section 2 of the Management Agreement;
- (ii) providing the management and administrative services described in Sections 3 and 4 of the Management Agreement; and
- (iii) ensuring that all insurance required by Section 7 of the Management Agreement is maintained.

e. Any reference in the Franchise Agreement to an obligation of, or requirement applicable to, the PC will be your obligation.

f. Any reference in the Franchise Agreement to the "Franchised Business" will include your activities in both managing and operating the Clinic.

3. Except as otherwise amended above, the Franchise Agreement is otherwise in full force and effect.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed, and delivered this Amendment in duplicate on the day and year first above written.

STATE-SPECIFIC DISCLOSURES

REQUIRED BY THE STATE OF CALIFORNIA

CALIFORNIA CORPORATIONS CODE SECTION 31125 REQUIRES THAT THE FRANCHISOR GIVE THE FRANCHISEE A DISCLOSURE DOCUMENT APPROVED BY THE DEPARTMENT OF CORPORATIONS PRIOR TO A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

Neither we nor any person or franchise broker identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a *et seq.*, suspending or expelling such persons from membership in that association or exchange.

The California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination and non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control. We may not terminate your franchise except for good cause, and we must give you a notice of default and a reasonable opportunity to cure the defects (except for certain defects specified in the statute, for which no opportunity to cure is required by law). The statute also requires that we give you notice of any intention not to renew your franchise at least 180 days before expiration of the Franchise Agreement.

You must sign a general release if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of your franchise. This provision may not be enforceable under California law.

THE FRANCHISE AGREEMENT REQUIRES APPLICATION OF THE LAW OF ARIZONA. THIS PROVISION MAY NOT BE ENFORCEABLE UNDER CALIFORNIA LAW.

To the extent permitted by law, you and we waive any right to or claim for any punitive or exemplary damages against each other and agree that in the event of a dispute between us, each will be limited to the recovery of actual damages only (except in limited circumstances). Each party further waives trial by jury and, to the extent permitted by law, all claims arising out of or relating to the Franchise Agreement must be brought within one year from the date on which you or we knew or should have known of the facts giving rise to such claims (except for claims relating to nonpayment or underpayment of amounts you owe us).

The Franchise Agreement requires binding arbitration. The arbitration will occur at the office of the American Arbitration Office closest to our principal executive offices. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

REQUIRED BY THE STATE OF HAWAII

THESE FRANCHISES WILL BE/HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS OR A FINDING BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE DISCLOSURE DOCUMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.

THIS DISCLOSURE DOCUMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

Item 20 of this Disclosure Document will be amended by the addition of the following paragraph:

As of the dates listed in Attachment 1, this franchise offering is or will be effective in California, Hawaii, Illinois, Indiana, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Washington and Wisconsin and exempt from registration in Arizona and Utah. No states have refused, by order or otherwise, to register these franchises. No states have revoked or suspended the right to offer these franchises. The proposed registration of these franchises has not been involuntarily withdrawn in any state.

REQUIRED BY THE STATE OF ILLINOIS

Item 17 of this disclosure document is supplemented by the addition of the following paragraphs at the end of the chart:

State Law

The conditions under which you can be terminated and your rights on non-renewal may be affected by Illinois law, 815 ILCS 705/19 and 705/20.

The Illinois Franchise Disclosure Act will govern any Franchise Agreement if it applies to a subfranchise located in Illinois.

Any condition in the Franchise Agreement that designates jurisdiction or venue in a forum outside of Illinois is void with respect to any cause of action that otherwise is enforceable in Illinois, provided that the Franchise Agreement may provide for arbitration in a forum outside of Illinois.

REQUIRED BY THE STATE OF INDIANA

The Franchise Agreement contains a covenant not to compete that extends beyond the termination of your franchise. This provision may not be enforceable under Indiana law.

Indiana law makes unilateral termination of your franchise unlawful unless there is a material violation of the Franchise Agreement and the termination is not done in bad faith.

If Indiana law requires the Franchise Agreement and all related documents to be governed by Indiana law, then nothing in the Franchise Agreement or related documents referring to Arizona law will abrogate or reduce any of your rights as provided for under Indiana law.

Indiana law prohibits a prospective general release of claims subject to the Indiana Deceptive Franchise Practices Law.

Although the Franchise Agreement requires arbitration to be held at the office of the American Arbitration Association closest to our principal executive offices, arbitration held pursuant to the Franchise Agreement must take place in Indiana if you so request. If you choose Indiana, we have the right to select the location in Indiana.

MICHIGAN SPECIFIC-NOTICE

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition of the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure each failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months' notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualification or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (v) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision

(h) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Attorney General's Department for the State of Michigan, Consumer Protection Division, Franchise Section, 670 Law Building, 525 W. Ottawa Street, Lansing, Michigan 48913, (517) 373-7117.

REQUIRED BY THE STATE OF MARYLAND

A franchisee located within the state of Maryland shall not be required to assent to any release, estoppel or waiver of liability as a condition of purchasing a franchise which would act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

The provisions in the Franchise Agreement relating to the general release that is required as a condition of renewal, sale and assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

Lawsuits by either you or us may take place in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

Any limitation of claims provision(s) in the Franchise Agreement shall not act to reduce the 3-year statute of limitations afforded to you for bringing a claim under the Law. Any claims arising under the Maryland Franchise Registration and Law must be brought within 3 years after the grant of the franchise to you.

REQUIRED BY THE STATE OF MICHIGAN

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (i) A prohibition of the right of a franchisee to join an association of franchisees.
- (j) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (k) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure each failure.
- (l) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months' notice of franchisor's intent not to renew the franchise.
- (m) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (n) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (o) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualification or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
 - (v) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision

(p) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Attorney General's Department for the State of Michigan, Consumer Protection Division, Franchise Section, 670 Law Building, 525 W. Ottawa Street, Lansing, Michigan 48913, (517) 373-7117.

REQUIRED BY THE STATE OF MINNESOTA

We will protect your right to use the Marks and/or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the Marks.

Minn. Rule 2860.4400D prohibits us from requiring you to assent to a general release. Any release you sign as a condition of renewal or transfer will not apply to any claims you may have under the Minnesota Franchise Law.

With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. Sec. 80C. 14, subds, 3, 4 and 5 which require, except in certain specified cases, that you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for nonrenewal of the Franchise Agreement.

Minn. Stat. § 80C.17, Subd. 5, states that no civil action pertaining to a violation of a franchise rule or statute can be commenced more than three years after the cause of action accrues

Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in this Disclosure Document or the Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction. Under Minnesota law, we cannot require you to consent to injunction relief; however, we may seek injunctive relief from the Court.

Minn. Rule Part 2860.4400J prohibits us from requiring you to waive your rights to a jury trial or waive your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or consenting to liquidated damages, termination penalties or judgment notes.

REQUIRED BY STATE OF NEW JERSEY

Liquidated damages are void if unreasonable under the totality of the circumstances, including whether a statute governs the relationship and concerns liquidated damages clauses; and the common practice in the industry.

REQUIRED BY THE STATE OF NEW YORK

Registration of this franchise by New York State does not mean that New York State recommends it or has verified the information in the Disclosure Document.

We may, if we choose, negotiate with you about items covered in the Offering Prospectus. However, we cannot use the negotiating process to prevail upon a prospective franchisee to accept terms which are less favorable than those set forth in the Offering Prospectus.

All references to "Disclosure Document" will be deemed to include the term "Offering Prospectus" as used under the General Business Law of New York.

Item 3 of the Offering Prospectus is supplemented with the following:

Except as provided in Item 3 of the Offering Prospectus, neither we nor any person identified in Item 2 of the Offering Prospectus, or an affiliate offering franchises under our principal trademark:

A. Has an administrative, criminal or civil action pending against that person alleging: a felony; a violation of a franchise, antitrust or securities law; fraud, embezzlement, fraudulent conversion, misappropriation of property; unfair or deceptive practices or comparable civil or misdemeanor allegations.

B. Has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the ten-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud or securities law; fraud, embezzlement, fraudulent conversion or misappropriation of property, or unfair or deceptive practices or comparable allegations.

C. Is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a federal, State or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

Item 4 of this Offering Prospectus is supplemented with the following:

Except as provided in Item 4 of the Offering Prospectus, neither we, our affiliates, nor any officer or general partner has at any time during the ten year period immediately before the date of the Offering Prospectus: (a) filed as debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code; (b) obtained a discharge of its debts under the bankruptcy code; or (c) was a principal officer of a company or a general partner in a partnership that either filed as a debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code or that obtained a discharge of its debts under the U.S. Bankruptcy Code during or within one year after our officer or general partner held this position in the company or partnership.

Under the Franchise Agreement, the Manuals we issue may be modified and you are bound by such modifications. However, no such modifications may impose an unreasonable economic burden on you.

Provisions of general releases are mentioned in the Offering Prospectus and specified in the Franchise Agreement. These releases are limited by the following: all rights enjoyed by you and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued under this law will remain in force, it being the intent that the non-waiver proviso of the General Business Law of the State of New York Sections 687.4 and 687.5 be satisfied.

We will not make any assignment of the Franchise Agreement except to an assignee who, in our good faith judgment, is willing and able to assume our obligations under the Franchise Agreement.

The choice of law of the Franchise Agreement should not be considered a waiver of any right conferred upon either you or us by the General Business Law of the State of New York, Article 33.

Item 17 of the Offering Prospectus, the summary column of part (d), is modified to include the following sentence:

You can also terminate the Franchise Agreement on any grounds available by law.

REQUIRED BY THE STATE OF NORTH DAKOTA

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of your franchise. This provision may not be enforceable under North Dakota law.

Although the Franchise Agreement provides that the place of arbitration will be located at the office of the American Arbitration Association closest to our principal executive offices, we agree that the place of arbitration will be a location that is in close proximity to the site of your Franchised Business.

The Franchise Agreement requires that you consent to the jurisdiction of a court in close proximity to our principal executive offices. This provision may not be enforceable under North Dakota law because North Dakota law precludes you from consenting to jurisdiction of any court outside of North Dakota.

Although the Franchise Agreement provides that it will be governed by and construed in accordance with the laws of the State of Arizona, we agree that the laws of the State of North Dakota will govern the construction and interpretation of the Franchise Agreement.

A contractual requirement that you sign a general release may be unenforceable under the laws of North Dakota.

Although the Franchise Agreement requires the franchisee to consent to a waiver of trial by jury, the Commissioner has determined that a requirement requiring the waiver of a trial by jury to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. This provision is not enforceable in North Dakota.

Although the Franchise Agreement requires the franchisee to consent to a waiver of exemplary and punitive damages, the Commissioner had determined these types of provisions to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. This provision is not enforceable in North Dakota.

Although the Franchise Agreement requires the franchisee to consent to a limitation of claims period within one year, the Commissioner had determined this to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The limitation of claims period is therefore governed by North Dakota law.

To the extent any provision of the Franchise Agreement requires you to consent to a waiver of exemplary or punitive damages, the provision will be deemed null and void.

REQUIRED BY THE STATE OF RHODE ISLAND

Even though our Franchise Agreement says the laws of Arizona apply, § 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

REQUIRED BY THE STATE OF WASHINGTON

The state of Washington has a statute, RCW 19.100.180 which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

These requirements must be included in an addendum to the Franchise Agreement you sign for the State of Washington.

3. **TERMS OF SERVICE**

THIS LIMITED END USER AGREEMENT ("AGREEMENT") DESCRIBES YOUR RIGHTS TO USE THIS HARDWARE AND ALL ASSOCIATED SOFTWARE ("EQUIPMENT"). YOU SHOULD CAREFULLY READ THIS AGREEMENT BEFORE INSTALLING OR USING THE EQUIPMENT.

This End User Agreement ("Agreement") contains the terms and conditions under which Retail Radio, LLC, a California limited liability company ("RR") agrees to provide You, the Client, with a non-exclusive, limited license to use Retail Radio's Equipment for use as a customized in-store audio system.

This is a legal agreement between Client, the original End User licensee (End User, You or Your) and Retail Radio (RR). You are granted this limited license to use the Equipment only if you accept all of the terms contained in this Agreement. Before installation and use of the Equipment, please read all of the terms and conditions of this Agreement.

(a) License. RR grants to You a nonexclusive, nontransferable, limited license to use the Equipment in connection with retail store in-store audio systems as provided herein, and for no other purpose. You shall not transmit the program nor use the service outside the premises designated in this Agreement. You agree not to disclose or make the Equipment available to any third party and You shall protect the confidentiality of the Equipment with the degree of care which You use to protect the confidentiality of Your own proprietary information of like nature, but with no less than a reasonable degree of care. You may not lease, assign, sublicense or transfer this license and any attempt to lease, sublicense, assign or transfer all or any of Your rights hereunder is void and will result in an immediate termination of this Agreement. Client understands and agrees that RR's music service rights are licensed for background music only. Client further understands and agrees RR's music services do not license music for any other on-premise music uses, including, but not limited to, the following: live music, television use, DJ performances or businesses charging admission. Such uses require additional licensing that is the responsibility of Client, not RR.

(b) Restrictions. The Equipment and the accompanying printed or written materials are protected by applicable national copyright laws and are also subject to trade secret laws. Unauthorized copying of the Equipment or any related materials, including those instances where any aspects of the Equipment or related material have been modified, merged, or included with other data, code or software for any reason, is expressly forbidden. You will be liable for copyright infringement and all damages that result from any such unauthorized copying. The Equipment contains trade secrets, and in order to protect them, You may not decompile, reverse engineer or disassemble the Equipment, or otherwise reduce the Equipment to a human perceivable form. You may not modify, adapt, translate, rent, lease, loan, resell for profit, distribute, network or create derivative works based on all or any part of the Equipment.

(c) Title. The original and any copies of the Equipment, its associated software, and all accompanying content and documentation, in whole and in part, including translations, compilations, partial copies, modifications, and updates are the property of RR. You have only the limited rights granted by this Agreement. You are not an owner of a copy of the Program, and therefore 17 U.S.C. Section 117 does not apply. Upon terminating RR service the leased Plug N Play media player unit must be returned. If RR does not receive the leased equipment within 60 days of discontinuing service or receiving a replacement unit Client will be billed at the rate of \$199. RR will pay for shipping if required upon request.

(d) Maintenance of Equipment. RR shall maintain and update, as necessary, the Plug N Play media player at no additional charge, except as provided herein below. All maintenance shall be exclusively limited to that resulting from ordinary and proper use of the Equipment.

(e) Limited Warranty. RR warrants to Client that the Equipment as originally distributed to You (if any) is free from defects in materials and workmanship under normal use for a period equal to the length of the Initial first term of this agreement from the date of delivery to You ("Equipment Warranty"). Delivery shall be defined as the date You receive the Equipment from RR. RR does not warrant that the documentation or the functions contained in the Equipment will meet Your requirements or that the operation of the Equipment will be uninterrupted or error free.

No oral or written information or advice given by RR, its dealers, distributors, agents or employees will create a warranty or in any way increase the scope of the limited warranties set forth herein, and You may not rely on any such information or advice.

RR's entire liability and exclusive remedy with respect to breach of the Equipment Warranty will be, at RR's sole option and election, repair or replacement of any Equipment not meeting the Equipment Warranty, or refund of the price paid by You for the Equipment not meeting the Equipment Warranty; provided that the Equipment is returned to Your place of purchase within the Equipment Warranty period in accordance with the provisions set forth herein. You are responsible for any costs, expenses, customs, duties, taxes, and other similar charges relating to Your return shipment of the Equipment to Your place of purchase and RR's return of Equipment to You under the Equipment Warranty. You agree to pay all such costs upon invoice.

EXCEPT FOR THE LIMITED WARRANTY STATED ABOVE, THE EQUIPMENT IS PROVIDED "AS IS" WITHOUT WARRANTY OR CONDITION OF ANY KIND, EITHER EXPRESSED OR IMPLIED, AND THE IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY, TITLE AND FITNESS FOR A PARTICULAR PURPOSE ARE SPECIFICALLY DISCLAIMED. IN ADDITION, SHOULD THE EQUIPMENT PROVE DEFECTIVE DUE TO MISUSE, ALTERATIONS OR MODIFICATIONS (INCLUDING MODIFICATIONS TO THE UNDERLYING SOFTWARE) BY YOU, OR SHOULD THE INSTALLED EQUIPMENT BE DAMAGED OR DESTROYED AS A RESULT OF RODENTS, ACTS OF NATURE, FIRE, WATER DAMAGE OR PROPERTY DAMAGE OR SHOULD THE EQUIPMENT BE STOLEN YOU (AND NOT RR OR ANY AUTHORIZED DEALER) ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR, REPLACEMENT OR CORRECTION.

As to any equipment previously installed in Client's store (pre-existing equipment), unless provided by RR according to this Agreement, including but not limited to speakers, amplifiers and tuners, said pre-existing equipment is the property and responsibility of the Client. RR shall not be responsible for removal of said pre-existing equipment and any resulting replacement costs, property damage or incidental damages/costs. Replacement of said equipment is the sole responsibility of Client. Furthermore, removal of said pre-existing equipment and any resulting damages or interference with RR's provided services shall in no way constitute a breach of this Agreement.

(f) Termination. RR may terminate this Agreement and the license granted to You hereunder, immediately and upon written notice by certified mail to You upon Your breach of any provision of this Agreement.

(g) Copyrights. Retail Radio takes a firm stance against copyright infringement and file sharing. The unauthorized, direct or indirect, copying of commercial music, voices and messaging including digitally stored music files and/or information, without the copyright holder's permission is strictly prohibited and subject to prosecution.

4. LIMITATION OF LIABILITY

IN NO EVENT WILL RR OR ANYONE ELSE WHO HAS BEEN INVOLVED IN THE CREATION, PRODUCTION, USE, DELIVERY OR INSTALLATION OF THE EQUIPMENT AND INVOLVED IN PROVIDING RR'S AGREED TO SERVICES BE LIABLE TO YOU FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT OR SPECIAL DAMAGES, INCLUDING WITHOUT LIMITATION ANY LOST PROFITS, SAVINGS, LOST OR DAMAGED DATA OR OTHER EQUIPMENT ARISING OUT OF THE USE OR INABILITY TO USE THE EQUIPMENT, EVEN IF RR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE FOREGOING LIMITATIONS OF LIABILITY SHALL APPLY NOTWITHSTANDING ANY FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY OR ANY CLAIM BY YOU OR ANY OTHER PARTY. RR'S SOLE LIABILITY TO YOU OR ANY THIRD PARTY AND YOUR SOLE REMEDY ARISING OUT OF OR RELATED TO THIS CONTRACT HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE WILL NOT EXCEED THE LICENSE FEE PAID BY YOU FOR THE EQUIPMENT. SOME STATES DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES SO ALL OR A PORTION OF THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. **YOU AGREE AND WE AGREE THAT THIS LIMITATION OF LIABILITY REFLECTS A NEGOTIATED ALLOCATION OF RISKS BETWEEN YOU AND US AND IS AN ESSENTIAL PART OF THE CONSIDERATION FOR OUR PERFORMANCE OF THE AGREEMENT.**

5. CONFIDENTIAL INFORMATION/NON-COMPETITION

Client agrees that it will not, during or after the term of this Contract with RR, disclose the specific contract terms of RR's relationships or agreements with its or their respective significant vendors or customers or any other significant and material trade secret of RR's whether in existence or proposed, to any person, firm, partnership, corporation, or business for any reason or purpose whatsoever.

6. ENTIRE CONTRACT/AGREEMENT, MODIFICATION

This Contract constitutes the full and complete understanding of the parties hereto and will supersede all prior contracts, agreements and understandings, oral or written, express or implied, with respect to the subject matter hereof. Each party to this Contract acknowledges that no representations, inducements, promises or agreements, oral or otherwise, have been made by either party, or anyone acting on behalf of either party, which are not embodied herein and that no other contract, agreement, statement or promise not contained in this Contract shall be valid or binding. This Contract may not be modified or amended except by an instrument in writing signed by the party against whom or which enforcement may be sought.

7. INDEMNIFICATION

During the duration of the services sales contract and thereafter, the Client shall indemnify RR to the fullest extent permitted by law against any judgments, fines, amounts paid in settlement and reasonable expenses (including attorney's fees), and advance amounts necessary to pay the foregoing at the earliest time and to the fullest extent permitted by law, in connection with any claim, action or proceeding (whether civil or criminal) against RR (other than a claim brought by RR) as a result of RR's services to the Client.

8. SEVERABILITY

Any term or provision of this Contract which is invalid or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Contract or affecting the validity or enforceability of any of the terms or provisions of this Contract in any other jurisdiction.

9. WAIVER OF BREACH

The waiver by any party of a breach of any provision of this Contract, which waiver must be in writing to be effective, shall not operate as or be construed as a waiver of any subsequent breach.

10. ASSIGNABILITY, BINDING EFFECT

This Contract shall be binding upon and inure to the benefit of the Client, its successors and assigns and shall be binding upon and inure to the benefit of RR, its successors and assigns. This Contract may not be assigned by the Client. This Contract may not be assigned by RR except in connection with a merger or a sale by RR of its stock, interests or assets, and then only provided that the assignee specifically assumes in writing all of RR's obligations hereunder.

11. ARBITRATION

Any dispute or controversy arising under or in connection with this Contract, shall be settled exclusively by arbitration, conducted before a panel of three arbitrators in California, in accordance with the rules of the American Arbitration Association then in effect, and judgment may be entered on the arbitrator's award in any court having jurisdiction. The decision of the arbitrator shall be final and binding on the parties. The parties shall equally divide all costs of the American Arbitration Association and the arbitrator, except that the arbitrator shall direct Retail to reimburse Client's portion of the cost on the same basis as set forth in the next sentence with regard to legal fees. Each party shall bear its own legal fees in any dispute except that, in the event the Client prevails on any material issue, the arbitrator shall award the Client his/her legal fees attributable to all matters other than frivolous positions taken by the Client (as determined by the arbitrator).

12. GOVERNING LAW

All issues pertaining to the validity, construction, execution and performance of this Contract shall be construed and governed with the laws of the State of California, without giving effect to the conflict or choice of law provisions thereof.

13. HEADINGS

The headings in this Contract are intended solely for convenience or reference and shall be given no effect in the construction or interpretation of this Contract.

14. COUNTERPARTS

This Contract may be executed in several counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument.

15. MULTIPLE LOCATIONS

An additional page may be added to this Agreement for Client's additional locations for ease of business. Each additional location and its corresponding activation date will serve as a new Agreement reflecting the terms and conditions of this Agreement.

FRANCHISE DISCLOSURE DOCUMENT

The Joint Corp.
9383 East Bahia Drive, Suite 100
Scottsdale, Arizona 85260
Telephone (480) 245-5960
www.thejoint.com

We offer two types of franchises: 1) a single location franchise (referred hereto hereafter individually as a “Location” or collectively as “Locations”); and 2) a regional developer franchise (referred to hereafter individually as a “Regional Developer” or collectively as “Regional Developers”). Each Location will conduct business under the name of “The Joint...The Chiropractic Place™”, and will provide chiropractic services to the general public. Regional Developers will recruit prospective Location franchises in a designated development area, and provide certain sales and support services to Location franchises located within a defined development area (“Development Area”). We are offering the right to operate a Regional Developer franchise under this Disclosure Document. Location franchises are offered under our separate disclosure document (“FDD for Locations”).

The estimated total initial investment necessary to begin operations of your Regional Developer franchise will range from \$160,000 to \$326,450. This amount includes a Development Fee ranging from \$150,000 to \$300,000 that must be paid to the franchisor or an affiliate.

This disclosure document (“Disclosure Document”) summarizes certain provisions of your franchise agreement and other information in plain English. Read this Disclosure Document and all accompanying agreements carefully. You must receive this Disclosure Document at least fourteen (14) calendar days before you sign a binding agreement with, or make any payment to, us or an affiliate in connection with the proposed franchise sale. **Note, however, that no government agency has verified the information contained in this document.**

You may wish to receive your Disclosure Document in another format that is more convenient for you. To discuss the availability of disclosures in different formats, contact Chad Everts, The Joint Corp., 9383 E. Bahia Drive, Suite 100, Scottsdale, AZ 85260, (480) 245-5960.

The terms of your contract will govern your franchise relationship. Don’t rely on the Disclosure Document alone to understand your contract. Read your entire contract carefully. Show your contract and this Disclosure Document to an advisor, like a lawyer or accountant.

Buying a franchise is a complex investment. The information in this Disclosure Document can help you make up your mind. More information on franchising, such as “A Consumer’s Guide to Buying a Franchise,” which can help you understand how to use this disclosure document is available from the Federal Trade Commission. You can contact the FTC at 1-877-FTC-HELP or by writing to the FTC at 600 Pennsylvania Avenue NW, Washington, DC 20580. You can also visit the FTC’s home page at www.ftc.gov for additional information on franchising. Call your state agency or visit your public library for other sources of information on franchising. There may be laws on franchising in your state. Ask your state agencies about them.

Issuance Date: May 1, 2013

STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit A for information about the franchisor, or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

1. THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY ARBITRATION ONLY IN ARIZONA. OUT-OF-STATE ARBITRATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST YOU MORE TO ARBITRATE WITH US IN ARIZONA THAN IN YOUR OWN STATE.

2. THE FRANCHISE AGREEMENT STATES THAT ARIZONA LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTION AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.

3. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

We use the services of one or more franchise brokers or referral sources to assist us in selling our franchise. A franchise broker or referral source is our agent and represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

MICHIGAN SPECIFIC-NOTICE

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition of the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure each failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months' notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualification or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(v) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision

(h) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Attorney General's Department for the State of Michigan, Consumer Protection Division, Franchise Section, 670 Law Building, 525 W. Ottawa Street, Lansing, Michigan 48913, (517) 373-7117.

The Joint RD FDD - 2013

ITEM 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Joint Corp., a Delaware corporation, is offering prospective franchise owners the opportunity to operate a Regional Developer franchise in accordance with the terms described in this Disclosure Document. To simplify the language in this Disclosure Document, the terms, “We,” “Us,” “the Company,” or “The Joint” mean The Joint Corp., the franchisor (but not the Company’s officers, directors, agents or employees). “You” or “Franchise Owner” mean the person who buys a franchise from us. The term “Regional Developer” or “Regional Developers” mean one or several The Joint Regional Developer franchises. The term “Location” or “Locations” mean one or several The Joint single location franchises. If you are a corporation, partnership or other entity, our Regional Developer Agreement will also apply to your owners, officers and directors. Unless otherwise indicated, the term “Franchised Business” means a The Joint franchise.

The Franchisor, and any Parents, Predecessor and Affiliates

We are a Delaware corporation, created on March 10, 2010. Our predecessor for the purpose of this Disclosure Document was The Joint Franchise Co., LLC, an Arizona limited liability company organized on February 21, 2003. However, The Joint Corp. did not take over, or merge with, The Joint Franchise Co., LLC but merely bought the assets from The Joint Franchise Co., LLC, including the existing franchise agreements between The Joint Franchise Co., LLC and its franchisees. We have one affiliate, The Joint Corporate Unit No. 1, LLC, which is a unit franchise that is wholly-owned and operated by us. We do not have any other parents or affiliates.

Our principal business and mailing address is 9383 East Bahia Drive, Suite 100, Scottsdale, Arizona 85260. Our telephone number is (480) 245-5960 and our facsimile number is (480) 513-7989. We do not maintain a sales office at any location other than our principal places of business. We operate under our corporate name, The Joint Corp. We do not do business or intend to do business under any other names. Our agent for service of process is disclosed in Exhibit A to this Disclosure Document.

The principal business and mailing address of our predecessor, The Joint Franchise Co., LLC, was 4300 Paces Ferry Road, #125, Atlanta, Georgia, 30339.

Our Business

We grant franchises for the right to operate under the name “The Joint... The Chiropractic Place™” and other Marks designated by the Company from time to time. We refer to our proprietary and confidential system for the operation of The Joint Locations and Regional Developer franchises, together with the Marks, as “the System.” You must offer all products and services that we may specify and may not offer any products or services we have not authorized. The Company is not engaged in any other business.

We currently offer and sell two types of franchises: 1) single location franchises for The Joint (“Location(s)”); and 2) regional developer franchises (“Regional Developer(s)”). Our predecessor began offering Location franchises in March 2003. We began offering Regional Developer franchises in February 2011. This Disclosure Document is for the Regional Developer franchise concept only, and does not contain information about the costs of opening or operating a Location franchise. Location franchises are offered under a separate Disclosure Document (“FDD for Locations”). Currently, we do not operate any company or affiliate -owned Location or Regional Developer franchises.

Location franchises specialize in providing chiropractic services and products to the general public. Regional Developer franchises recruit prospective Location franchises in a designated development area, and provide certain sales and support services to Location franchises located within a defined development area (“Development Area”).

The Joint RD FDD - 2013

You must operate your Franchised Business at a site we approve and in accordance with the standards and procedures designated by the Company, and according to the Company's Operation Manual for Regional Developers, or other notices we send you from time to time ("the Manual for RDs"). (See Item 11).

Except where legally permissible, we will grant Location franchises only to licensed chiropractors, or to entities owned solely by licensed chiropractors. At least one licensed chiropractor must be present in the Location at all times, during the hours of business of the Location. A similar restriction does not apply to owners of Regional Developer franchises.

Market and Competition

The market for Locations franchises includes individuals who need chiropractic care. The competition for Location franchises includes other businesses offering similar products and services to individuals. These competitors may include other chiropractic clinics, physical therapy specialists, hospitals and other medical facilities and franchises.

Regional Developer franchises compete with other franchisors, regional developers, sales brokers and others offering franchises or other business opportunities. Prior business management experience is generally very important for new Regional Developers, and prior business ownership experience is highly desirable.

Laws and Regulations

Many states and local jurisdictions have enacted laws, rules, regulations and ordinances that may apply to the operation of Location franchises. For example, state licensing and certification requirements may apply to persons who perform services for or at a Location. Additionally, all records of the Franchised Business' patients are required to meet HIPAA compliance standards. In all cases, you must also comply with laws that apply generally to all businesses. You should investigate these laws, and consult with a legal advisor about whether these and/or other requirements apply to your franchise. There may be other laws and regulations in your state or county that may apply to your operation of the Franchised Business.

In addition to laws and regulations that apply to businesses generally, the Franchised Business may be subject to federal, state and local occupational safety and health regulations, state medical board regulations, Equal Employment Opportunity and Americans with Disabilities Act rules and regulations. Some jurisdictions may choose to regulate vigorously these and other laws that may adversely affect your ability to obtain the proper permits needed in order to open a Location franchise. Prior to signing a Regional Developer Agreement, we strongly recommend that you make sure that you will be able to obtain all necessary permits and licenses in order to operate the Franchised Business at your site.

INITIAL FEES

You must pay us an initial Regional Developer development fee ("the Development Fee") ranging from \$150,000 to \$300,000, depending on the population of your defined Development Area. The formula used to determine the Development Fee for your Development Area is calculated by multiplying 25% of the then-current franchise fee for a Location franchise, times the number potential Location franchises within the proposed geographically defined Development Area. Our formula assumes a Location territory with a minimum population of approximately 100,000, and is an approximation, rather than an exact formula.

The initial Regional Developer development fee must be paid by wire transfer, cash or certified funds when you sign the Regional Developer Agreement. The initial Regional Developer franchise fee is uniform for all Regional Developer franchises we offer through this Disclosure Document. However, we reserve the right to modify the initial Regional Developer franchise fee in the future to reflect the changing costs of doing business and changes in the value of a Regional Developer franchise. We may also discount the initial Regional Developer development fee: (i) if a Regional Developer purchases multiple development areas, depending on the number of development areas purchased and their locations; (ii) if we are unable to locate a Regional Developer in a particular region we consider desirable; or (iii) based on other subjective factors we deem important to the System.

We incur significant administrative and other expenses in appointing you as a Regional Developer, including training costs, attorneys' fees for preparing your Regional Developer Agreement, and expenses related to our lost or deferred opportunities to enfranchise others. As a result, the initial Regional Developer fee is fully earned by us upon receipt and is nonrefundable.

Explanatory Notes:

*** These estimated initial expenses are our best estimate of the costs you may incur in establishing and operating your Regional Developer franchise. Our estimates are based on our experience and the current requirements for Regional Developers. The actual investment you make in developing and opening your franchise may be greater or less than the estimates given depending upon the location of your franchise, and current relevant market conditions. Your costs will also depend on factors such as how well you follow our methods and procedures; your management skills; your business experience and capabilities; local economic conditions; the local market for our products and services; the prevailing wage rates; competition; and sales levels reached during your initial phase of business operations.**

1. We discuss the initial Regional Developer development fee in detail in Item 5 of this Disclosure Document. We and our affiliates do not offer any financing for this fee, and, except as mentioned in Item 5, is not refundable.
2. You may operate your Franchised Business from any location you choose. If you decide to operate your sales office from a leased premise, you will be required to pay rent and possibly, the cost of constructing, equipping and furnishing the sales office. Since the size and nature of each Regional Developer's sales office space will vary, an estimate is difficult. The estimate shown is for an office consisting of a reception area, one secretarial station, one conference room and two offices. The amount of your rent will vary according to the area, the type of office location (office building, strip center, or free-standing building), and various other factors. If you decide to operate out of a lease premises, you may also be required to pay a security deposit. In addition, in certain lease transactions, if you are an entity, the landlord may require your owners to personally guarantee the lease. Whether this fee is refundable depends on your agreement with your landlord.
3. You must obtain and maintain, at your own expense, insurance coverage for the vehicle(s) and any buildings you use or operate in connection with your franchise. Insurance costs depend on a variety of factors. Annual premiums are typically paid to the insurer immediately, with refunds being issued if you cancel the insurance. The cost of your premiums will depend on the insurance carrier's charges, terms of payment, and your insurance and payment history. Our insurance requirements are contained in our Manual for RDs.
4. If you decide to operate from a leased premise, you may be required to pay deposits for utilities. The amount of these deposits will vary depending on the practices of the utility companies and whether any impact or hook-up fees are required.
5. You may be required to purchase or lease a vehicle to conduct franchise sales activities. If you decide not to utilize your own vehicle we estimate it will cost you approximately \$400 per month to cover the cost of your vehicle, tax, title, and licensing.
6. You may wish to retain the services of an attorney and other consultants to assist you in forming your business entity and in purchasing and establishing your Franchised Business. The cost of these services will vary depending on the different services providers.
7. You will incur expenses related to our initial Regional Developer training program. We provide a training program, a training location, instructors, and instructional materials. You will need to arrange for transportation, food, and lodging for your designated attendees. The costs you incur will depend on the distance you must travel and the type of accommodations you choose. *See* Item 11 of this Disclosure Document.
8. If the laws within your Development Area require you to be registered prior to undertaking your franchise development activities as required by the Regional Developer Agreement, there will be certain costs associated with this registration, including registrations fees. Registration fees vary from state to state.

9. We estimate that you will spend between \$500 and \$1000 each month to advertise the sale of Location franchises in your Development Area. The precise amount will be determined by the population of your Development Area after consultation with, and consent by, us. Advertising expenditures must be documented to us upon our request. This includes the cost of sales and marketing materials.
10. You must purchase a personal computer system and printer for your Franchised Business that is compatible with our computer equipment, so that you will be able to use our proprietary software, receive e-mail, use Internet and Intranet services, and receive other electronic information we send. We estimate the initial cost to purchase the computer system to be between \$1,500 and \$2,500. You will be required to pay a fee of \$275/month for the continuing use and upgrade of our proprietary office management software. You will need to have an internet connection as part of your system. We estimate the cost of Internet service to be less than \$20 and \$30 per month, although DSL (high-speed) Internet access may cost between \$50 and \$75 per month. *See* Items 8 and 11 of this Disclosure Document.
11. You will need capital to support your on-going expenses like payroll, utilities and franchise sales advertising, to the extent that these costs are not covered by sales revenue. New businesses often generate a negative cash flow. We estimate that the amount shown will be sufficient to cover ongoing expenses for the start-up phase of the Franchised Business, which is three months. This is only an estimate, however, and there is no assurance that additional working capital will not be necessary during or after this start-up phase. Our entry into the Regional Developer Agreement with you does not mean that you will be successful. We make no representations or warranties of success. The success of your Franchised Business is speculative and will depend, more than any other factor, on your ability as an independent business owner. Other factors may also positively or negatively affect your Franchised Business.
12. We encourage you to make a diligent investigation of the Regional Developer franchise opportunity. You should contact the Regional Developers listed on Exhibit F, and consult appropriate business advisors, like attorneys or accounts who are qualified to assist you in carefully evaluating these figures, before you make any decision to purchase a Regional Developer franchise from us.
13. Except as expressly mentioned above, none of the fees above are refundable.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Approved Suppliers

You must purchase specified products and services relating to or for the operation of your Franchised Business solely from suppliers (including distributors, manufacturers, and other sources) who have been approved in writing by the Company. You are not allowed to purchase any of these products or services from an unapproved or alternate supplier. When selecting suppliers, we consider all relevant factors, including the quality of goods and services, service history, years in business, capacity of supplier, financial condition, terms and other requirements consistent with other supplier relationships. However, the Company does not have any specific written criteria for supplier selection and does not intend at this time to prepare one. Therefore, the Company will not furnish its criteria for supplier approval to you. We maintain written lists of required products (by brand name and/or by standards and specifications) and lists of approved suppliers for those items. All such products and approved vendors for our required products and services will be listed in the Manual for RDs, which must always be followed, even as modified and updated by the Company. Currently, we do not require our RDs to purchase any products, supplies or equipment from us.

Specifications and Standards

You must purchase certain products, supplies and equipment under specifications and standards that we periodically establish either in the Regional Developer Agreement, Manual for RDs, or other notices we send to you from time to time. These specifications are established to provide standards for performance, durability, design and appearance. We will notify you whenever we establish or revise any of our standards or specifications, or if we designate approved suppliers for products, equipment or services.

Our Involvement with Suppliers

While we and our affiliates currently have received no revenue or other consideration from suppliers in consideration for other goods or services that we require or advise you to obtain from approved suppliers, we reserve the right to do so in the future. We anticipate that any revenue or other consideration received would probably include promotional allowances, volume discounts, and other payments, and would probably be equal to zero to ten percent (0-10%) of the amount of the goods or services you purchase from the supplier. We expect that at least some of these arrangements will generally allow us to obtain discounts off standard pricing, and pass at least a portion of the savings on to you. We negotiate price terms and other purchase arrangements with suppliers for you for some items that we require you to lease or purchase in developing and operating your Regional Developer franchise. There currently are no purchasing and distribution cooperatives.

Effects of Compliance and Noncompliance

You must comply with our requirements to purchase or lease real estate, goods, and services according to our specifications and/or from approved suppliers to be eligible to renew your franchise. Failure to comply with these requirements will render you ineligible for renewal, and may be a default allowing us to terminate your franchise. We do not provide any other benefits to you because of your use of designated or approved services and products, or suppliers.

We may choose to negotiate purchase agreements for certain equipment or supplies. You may purchase such equipment or supplies from such designated suppliers or from any approved supplier on such terms as you negotiate. The Manual for RDs contains details relating to such purchases.

Insurance Specifications

Before you open your Location, you must obtain certain minimum insurance coverage, naming the Company as an additional insured. We may increase these limits or have new types of coverage added at any time after giving you notice. You must maintain this insurance coverage, as required by your Regional Developer Agreement, from a responsible carrier. Our current insurance requirements are summarized in the Manual for RDs. You must obtain your insurance necessary to operate your franchise from our required vendor. Currently, Brown & Brown Insurance is our required vendor for all insurance necessary to meet our specifications. We will not receive rebates or other consideration from Brown & Brown in connection the services provided to our franchisees.

Advertising Specifications

You must obtain our approval before you use any advertising and promotional materials, signs, forms and stationary unless we have prepared or approved them during the twelve (12) months prior to their proposed use. You must purchase certain advertising and promotional materials, brochures, fliers, forms, business cards and letterhead from approved vendors only. Further, you must not engage in any advertising of your Franchised Business unless we have previously approved the medium, content and method.

Records

All of your bookkeeping and accounting records, financial statements, and all reports you submit to us must conform to the requirements set forth in Sections 6.11 and 6.12 of the RDA, as well as those contained in our Manual for RDs.

Computer-Related Equipment and Software

You must purchase a computer system and operating software that we specify from time to time. See Item 7 regarding the estimated initial cost of this equipment. You will also be required to pay a monthly fee of \$275 for the continuing use and upgrade of our proprietary office management software. You will also be required to have access to a broadband Internet connection at all time.

We may require additional items to be purchased by the Franchise Owner from certain manufacturers or suppliers in the future. We will notify you of such requirements by sending to you such changes by modifying the Manual for RDs, or sending to you other written forms of communication.

Disclosure Document for Location Franchises

You must deliver a copy of our FDD for Locations to each potential Location franchisee. We will provide you with one copy of the FDD for Locations, although it is copyrighted, and you will not be licensed to reproduce it yourself without our prior written authorization. You must purchase additional copies of our FDD for Locations from our designated or approved supplier(s). Currently, only we are the designated or approved supplier of printed copies of our FDD for Locations. We will periodically provide you with a list of the designated or approved supplier(s) of our FDD for Locations. There is no alternate supplier due to the need to maintain strict control of the contents of our FDD for Locations.

2. Lend to you one copy of our Manual for RDs, which contains our mandatory and suggested specifications, standards and procedures for operating Regional Developer franchises (Regional Developer Agreement – Section 5.2). Exhibit C to this Disclosure Document sets forth the Table of Contents for our Manual for RDs. We will also lend you one copy of our Operations Manual for Location franchises (“Manual for Locations”), which contains our mandatory and suggested specifications, standards and procedures for operating Location franchises. Exhibit C to this Disclosure Document also sets forth the Table of Contents for our Manual for Locations. Together, the Manual for RDs and Manual for Locations are referred to as the “Manuals”. We may modify the Manuals periodically to reflect changes in System Standards, or as we deem appropriate. If your copy of either Manual is lost, destroyed or significantly damaged, then you must obtain a replacement copy at our then applicable charge (see Item 6). You may view our Manuals at our corporate headquarters before purchasing your Regional Developer franchise, but must first sign a Confidentiality/Non-Disclosure Agreement (Exhibit E) promising not to reveal any of the information contained in the Manuals without our permission. See Item 14 for additional information about our Manuals and Exhibit C.

3. Prepare and/or register any disclosure documents or other documentation that must be prepared, amended, or registered for you to fulfill your responsibilities to solicit, recruit, and screen prospective franchisees (Regional Developer Agreement – Section 5.4). Federal and state franchise or business opportunity laws govern the sale and offering of Location franchises, and may require the preparation, amendment, registration, or registration of all certain documentation and disclosures relating to the Location franchises offered in your Development Area (the “Documentation”) before you can solicit prospective franchisees. While we will prepare and register all Documentation necessary for you to begin soliciting prospective franchisees, you must provide us with any documentation or information we may need to prepare or register the Documentation, and will be responsible for all costs applicable to you. You must review and become fully familiar with all Documentation related to franchises sold in your Development Area. Before soliciting a prospective franchisee, you must take reasonable steps to confirm that the information contained in the Documentation or other materials related to the offer or sale of Location franchises is true, correct, and not misleading, or in violation of applicable state law related to registration of the Documentation.

4. Review and approve or disapprove your advertising, marketing, and promotional and/or website materials (Regional Developer Agreement – Sections 6.8 and 6.9). See the remainder of this Item 11 for additional information about our advertising-related requirements and approval process.

Post-Opening Obligations:

After your Regional Developer franchise opens for business, we or our designee will:

1. As we deem appropriate, provide you with additional or refresher training programs (Regional Developer Agreement – Section 5.1). You will be required to participate in periodic webinars and sales calls scheduled by us for Regional Developer franchises. We may require you to attend up to two (2) additional or refresher training courses each year at our corporate offices, or another location we designate. You may also be required to attend a national business meeting or convention of up to three (3) days each year. We will determine the location, frequency, and instructors of these training programs. We may charge reasonable fees for any courses, conventions, webinars, sales calls, and programs (see Item 6). You must also pay for all travel, lodging, meal, and personal expenses related to your attendance and the attendance of your personnel.
2. Continue lending to you a copy of our Manual for RDs and Manual for Locations (Regional Developer Agreement – Sections 5.2).
3. Provide you with general guidance through bulletins or other written materials (Regional Developer Agreement – Section 5.2).
4. If we agree to do so, provide you with additional or special guidance, training, or assistance that you request (Regional Developer Agreement – Section 5.1). If we provide this training, you must pay all of our then-applicable charges, including all per-diem fees and travel, lodging, meal, and living expenses of our personnel. See Item 6 for additional information.
5. As necessary, amend, maintain, or renew any Documentation and/or registrations necessary for you to continue to solicit prospective franchisees (Regional Developer Agreement – Section 5.4).
6. Approve or disapprove prospective Location franchisees (the “Prospective Franchisees”) recommended by you, and their proposed franchise locations (Regional Developer Agreement – Section 5.5). You must advertise for, solicit, recruit, and screen Prospective Franchisees to purchase Location franchises in your Development Area. You must investigate each Prospective Franchisee and its proposed Location franchise site to determine if they meet our standards and policies. After ensuring that a Prospective Franchisee meets our standards, you may recommend to us the approval of the Prospective Franchisee. You must provide us with all information that we may request to evaluate your recommendation. We may approve or reject a Prospective Franchisee for any reason. If we disapprove any Prospective Franchisee, we will notify you in writing of our reasons for the disapproval. If we approve the Prospective Franchisee, you must provide the Prospective Franchisee with a copy of our then-current Franchise Agreement for the Prospective Franchisee to sign.
7. Review and approve or disapprove your advertising, marketing, and promotional and/or website materials (Regional Developer Agreement – Sections 6.9 and 6.10). See the remainder of this Item 11 for additional information about our advertising-related requirements and approval process.
8. Pay you any compensation that you are owed under the Regional Developer Agreement (Regional Developer Agreement – Section 8).
9. Allow you to continue using our Marks and confidential information in operating your Regional Developer franchise (Regional Developer Agreement – Sections 9 and 10). See Items 13 and 14 for additional information.
10. Indemnify you against damages and expenses you incur in a trademark infringement proceeding disputing your authorized use of any Mark in compliance with the Regional Developer Agreement (Regional Developer Agreement – Section 9.5). See Item 13 for additional information.

11. If we establish a local or regional advertising cooperative that covers all or any part of your Development Area, approve or disapprove any advertising, marketing, or promotional materials created by the cooperative (Regional Developer Agreement – Section 6/7). Though there currently are no local or regional cooperatives, we may create a cooperative to support the advertising and marketing needs of their respective members. See Items 6, 8, and the rest of this Item 11 for additional information about the local and regional advertising cooperatives that we may create.

Advertising and Marketing

Advertising by You

You may develop, at your cost, advertising and promotional materials for your use, but may not use them until after we have approved them in writing. You must submit to us for our approval samples of all advertising and promotional materials not prepared or previously approved by us that you wish to use. We will not unreasonably withhold our approval. If you do not receive our written disapproval within 15 days from the date we receive the materials, the materials will be deemed to have been approved. Any materials submitted to us for approval will become our intellectual property. (Regional Developer Agreement – Section 10). We anticipate that you will spend between \$500 and \$1,000 a month in advertising in your Development Area.

If one is created, then you are also required to join and participate in The Joint Advertising Cooperative (“Co-op”), which is an association of all other franchise owners whose Franchised Businesses are located within your Area of Dominant Influence (“ADI”). An ADI is an exclusive geographic market area used as a device to measure the market covered by a radio or television station and determined by which station receives the most viewing hours. The population within this area receives the same programming. One function of the Co-op is to establish a local advertising pool, of which the funds must be used for Location franchises and/or Regional Developer franchises advertising only and for the mutual benefit of each Co-op member. The Franchise Owner must contribute to the pool in accordance with the rules and regulations of the Co-op, as determined by its members. Amounts contributed to the advertising pool by a Franchise Owner may be considered as spent for local advertising, and therefore toward the minimum local advertising requirement that we establish in the future. (Regional Developer Agreement – Section 6.7)

Advertising by Us

We may create an advertising fund (“Ad Fund”) for our Location franchises to accomplish those advertising and promotional programs we deem necessary or appropriate. We do not intend to create an Ad Fund for our Regional Developer franchises. We may increase or decrease each Location franchises contributions to the Ad Fund upon 30 days written notice. There is currently no Ad Fund for Location franchises. Currently, we do not charge an Ad Fund fee, but reserve the right to do so in the future.

We will direct all marketing programs financed by any Ad Fund, and will have sole discretion over the creative concepts, materials and endorsements used by any Ad Fund, and the geographic, market, and media placement and allocation of any Ad Fund. An Ad Fund may be used to pay the costs of administering regional and multi-regional advertising programs, including purchasing direct mail and other media advertising; employing advertising agencies and supporting public relations, market research, and other advertising and marketing firms; and paying for advertising and marketing activities that we deem appropriate, including the costs of participating in any national or regional trade shows. We will not use Ad Fund contributions for advertising that is principally a solicitation for the sale of franchises.

An Ad Fund will be accounted for separately from our other funds, and will not be used to pay any of our general operating expenses, except for salaries, administrative costs, and overhead that we incur in activities reasonably related to the administration of the Ad Fund and its marketing programs, including preparing advertising and marketing materials, and collecting and accounting for contributions to the Ad Fund. We may spend in any fiscal year an amount greater or less than the aggregate contributions to the Ad Fund in that year, and the Ad Fund may borrow from us or other lenders to cover the Ad Fund’s deficits, or invest any surplus for future use by the Ad Fund. We will prepare an annual statement of monies collected and costs incurred by an Ad Fund, and will provide it to you upon written request.

We may cause an Ad Fund to be incorporated or operated through an entity separate from us when we deem appropriate, and the entity will have the same rights and duties as we do under a Franchise Agreement or Regional Developer Agreement (as the case may be). If established, an Ad Fund will be intended to enhance recognition of the Marks and patronage of The Joint franchises, or enhance the franchise opportunities available through our franchises. Although we will endeavor to use an Ad Fund to develop advertising and marketing materials and programs and place advertising that will benefit all franchisees, we do not have to ensure that the Ad Fund's expenditures in or affecting any geographic area are proportionate or equivalent to the contributions made by any franchisees in that geographic area, or that any franchisees will benefit from the development of advertising and marketing materials or the placement of advertising by the Ad Fund directly or in proportion to the franchise's contribution to the Ad Fund. We assume no direct or indirect liability or obligation to you or any other franchisee in connection with the establishment of an Ad Fund, or the collection, administration, or disbursement of monies paid into an Ad Fund.

We may suspend contributions to, and the operations of, an Ad Fund for any period we deem appropriate, and may terminate an Ad Fund upon 30 days' written notice to you. All unspent monies held by an Ad Fund on the date of termination will be distributed to us, our affiliates, and you and our other franchisees in proportion to each party's respective contributions to the Ad Fund during the preceding 12-month period. We may reinstate a terminated Ad Fund upon the same terms and conditions set forth in a Franchise Agreement upon 30 days' advance written notice to you.

As of the date of this Disclosure Document, there is no Ad Fund or Advertising Co-ops. The Company has the right to create such organizations and to decide how they will be run. It may do so in the future. The specific manner in which they will be organized and governed has yet to be determined.

Website

You must also obtain our prior written approval to operate a website separate from our website. You must submit to us for our approval samples of the proposed website's domain name, format, and visible and non-visible content before using or changing the website. Your website must include all information or hyperlinks that we require. We may revoke our approval of a previously approved website at any time. (Regional Developer Agreement – Section 6.10)

Computer System

You must use the computer hardware and software (collectively, "Computer System") that we periodically designate to operate your Regional Developer franchise. (Regional Developer Agreement – Section 6.12) You must obtain the Computer System, software licenses, maintenance and support services, and other related services from the suppliers we specify (which may include or be limited to us and/or our affiliates). (See Items 6 and 7 for more information regarding the cost and fees associated with the Computer System) We may periodically modify the specifications for, and components of, the Computer System. These modifications and/or other technological developments or events may require you to purchase, lease, and/or obtain by license new or modified computer hardware and/or software, and obtain service and support for the Computer System. The Regional Developer Agreement does not limit the frequency or cost of these changes, upgrades, or updates. We have no obligation to reimburse you for any Computer System costs. Within 60 days after you receive notice from us, you must obtain the components of the Computer System that we designate and ensure that your Computer System, as modified, is functioning properly.

The Joint RD FDD - 2013

We may charge you a reasonable fee for (i) installing, providing, supporting, modifying, and enhancing any proprietary software or hardware that we develop and license to you; and (ii) other Computer System-related maintenance and support services that we or our affiliates provide to you. If we or our affiliates license any proprietary software to you or otherwise allow you to use similar technology that we develop or maintain, then you must sign any software license agreement or similar instrument that we or our affiliates may require. See Items 6 and 7 for information regarding the cost of required computer software, and the monthly fees associated with operating your Computer System

You will have sole responsibility for: (1) the acquisition, operation, maintenance, and upgrading of your Computer System; (2) the manner in which your Computer System interfaces with our computer system and those of other third parties; and (3) any and all consequences that may arise if your Computer System is not properly operated, maintained and upgraded.

Your Computer System must be capable of supporting our required software, with internet capability. You will also be required to purchase certain software, and to pay monthly charges associated with your Computer System. Currently, you will need a Dell Vostro 230 Slim Tower, or an equivalent computer, and a standard monitor, in order to run our proprietary office management software. You will also need a printer that is compatible with your computer and our software. The Computer System is used to track and store all data relating to the operation of your franchise and the franchises in our system. We have the right to access all information stored on your Computer System which relate to your franchise.

We estimate the cost of purchasing the Computer System and related software will range from \$1,500 to \$2,500. In addition to the cost of purchasing the hardware and software associated with the Computer System, you will be required to pay reoccurring charges associated with the continuing use and upgrade of our proprietary office management software. Currently this fee is \$275/month but is subject to change. You will also be required to pay the monthly cost of maintaining high speed internet access at your site. We estimate that this cost will be between \$20 and \$75 a month depending on the internet service provider.

Periodic Inspections

You must operate your Regional Developer franchise in accordance with the Regional Developer Agreement and the Manual for RDs. We reserve the right to conduct periodic inspections of your Franchised Business to ensure that you are in compliance with your Regional Developer Agreement, Manual for RDs, and our other written directives and standards. We may terminate your Regional Developer Agreement if you do not operate your business in compliance with the Regional Developer Agreement or the Manual for RDs.

Time to Open

You must open your Regional Developer franchise within 45 days after you receive your initial training from us, or 90 days after signing your Regional Developer Agreement, whichever occurs first. (Regional Developer Agreement – Section 2.2) We estimate that Regional Developer franchises will typically open for business approximately 2-3 months after signing the Regional Developer Agreement. Factors affecting this length of time include locating a site and signing a lease, if you choose to operate from a leased premises, construction or remodeling of the site, completion of required training, financing arrangements, local ordinance and building code compliance, delivery and installation of equipment or supplies, and hiring and training of your staff.

ITEM 12
TERRITORY

Your Regional Developer Agreement grants you an exclusive Development Area, the specific size and location of which depend on population demographics, your capacity to recruit prospective Location franchisees and provide Support Services in the Development Area, and the number of Location franchises we believe the Area can sustain. You and we will mutually agree on your Development Area when you sign the Regional Developer Agreement. There is no specific minimum or maximum area that we must include in your Development Area. Your Development Area may not be changed unless you and we both agree to the change in writing.

If you are in compliance with your Regional Developer Agreement, then we and our affiliates will not operate, establish, grant, or operate in your Development Area another Regional Developer franchise offering Location franchises, or any Location franchises not required to be developed under your Regional Developer Agreement. The continuation of your territorial exclusivity depends upon your compliance with the minimum development obligations defined in your Regional Developer Agreement.

Your territorial exclusivity is limited to the total number of franchises you are authorized to develop in your Development Area at the time of signing your Regional Developer Agreement. You have the option to purchase the right to develop additional Location franchises within your Development Area, and receive additional territorial protection for any additional Location franchises you purchase within your Development Area. However, if you choose not to exercise the right to purchase the rights to develop additional Location franchises within your Development Area, we retain the right develop or sell the right to develop additional Location franchises within your Development Area, and you will not receive any compensation or royalty fees for such Location franchises.

You may solicit prospective Location franchisees residing outside your Development Area but interested in opening a franchise within your exclusive Development Area without having to pay any special compensation to us or any other Regional Developer. Likewise, Regional Developer outlets owned by us, our affiliates (if applicable), or other Regional Developers may solicit prospective franchisees residing in your Development Area but interested in opening a franchise in another Development Area without having to pay you any special compensation. You may not solicit prospective franchisees for a Location franchise located outside of your exclusive Development Area. We will forward to you any leads or referrals that we receive from prospective franchisees interested in purchasing a Location franchise in your Development Area, and you will be entitled to the compensation referred to in Item 11 only if these prospective franchisees purchase a Location franchise in your Development Area.

Company Reserved Rights

We and our affiliates reserve the right to engage in any activities we deem appropriate that your Regional Developer Agreement does not expressly prohibit, whenever and wherever we desire, including the right to:

- (a) establish and operate Location and Regional Developer franchises, and granting rights to other persons to establish and operate Location or Regional Developer franchises, on any terms and conditions we deem appropriate and at any locations other than within the Development Area;
- (b) provide and grant rights to other persons to provide, goods and services dissimilar to and/or not competitive with those provided by Location franchises to customers located within your Development Area;
- (c) acquire the assets or ownership interest of one or more businesses providing products and services similar to those provided at Location franchises, and franchising, licensing or creating similar arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located or operating (including within your Development Area); and

(d) be acquired (regardless of the form of transaction) by a business providing products and services similar to those provided at Location franchises, or by another business, even if such business operates, franchises and/or licenses competitive businesses within your Development Area.

Copyrights

The Company claims a copyright and treats the information in the Manuals as confidential trade secrets, but you are permitted to use the material as part of your Franchised Business.

Confidential Operations Manuals

Under the Regional Developer Agreement, you must operate the Franchised Business in accordance with the standards, methods, policies, and procedures specified in the Manual for RDs. You will be loaned a copy of the Manual for RDs and Manual for Locations for the term of the Regional Developer Agreement, when you have completed the initial training program to our satisfaction. You must operate your Regional Developer franchise strictly in accordance with the Manual for RDs, as it may be revised by the Company from time to time. You must at all times, treat the Manuals and the information in them, as well as any other materials created for or approved by use for the operation of your Franchised Business, as confidential, as required by the Regional Developer Agreement. You must use all reasonable efforts to maintain this information as secret and confidential. You must not copy, duplicate, record or otherwise make them available to any unauthorized person. The Manuals will remain our sole property and must be returned in the event that you cease to be a Regional Developer franchise owner.

We may from time to time revise the contents of the Manual for RDs and Manual for Locations, and you must comply with each new or changed provision in the Manual for RDs. You must ensure that our Manuals are kept current at all times. In the event of any dispute as to the contents of the Manual for RDs, the terms of the master copies maintained by us at Company's home office will be controlling.

The Joint RD FDD – 2013

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

You must personally participate in the direct operation of your Regional Developer franchise. If you do not personally participate in the direct operation of your franchise on a full-time basis, then you are obligated to have a fully trained Manager operate the franchise. While we do not require that your Manager have an equity interest in the franchise, we believe that only a person with an equity interest can adequately ensure that our standards of quality and competence are maintained. The Regional Developer Agreement requires that you be directly involved in the day-to-day operations and utilize your best efforts to promote and enhance the performance of the Franchised Business. While in most cases Franchise Owners will seek additional assistance for the labor-intensive portions of the business, we have built our reputation on Franchise Owner participation and believe it is crucial for continued success.

Any Manager you employ at the launching of your franchise operations must complete the initial management-training course required by the Company. All subsequent Managers must be trained fully according to our standards by either the Franchise Owner or the Company. However, the Company may charge a fee for this additional training. See Item 6 and the Manual for RDs for details.

Each individual who holds an ownership interest in the Franchise Owner must personally guarantee all of the obligations of the Franchise Owner under the Regional Development Agreement. (See Exhibit 4 to the Regional Developer Agreement - Owner's Guaranty and Assumption of Obligations)

At the Company's request, you must obtain and deliver executed covenants of confidentiality and non-competition from any persons who have or may have an ownership interest in the Franchise Owner or in the franchise, or who receive or have access to training and other confidential information under the System. The covenants must be in a form satisfactory to us, and must provide that we are a third party beneficiary of, and have the independent right to enforce the covenants.

The Joint RD FDD – 2013

You must use your Regional Developer franchise sales office only for the operation of the Franchised Business and may not operate any other business at or from such office without the express prior written consent of the Company.

REGIONAL DEVELOPER AGREEMENT

THIS REGIONAL DEVELOPER AGREEMENT (the "Agreement") is made and entered into this _____ day of _____, 201_____, (the "Effective Date"), by and between THE JOINT CORP., a Delaware corporation ("Company", "we", "us" or "our"), and _____ corporation/limited company/partnership (Circle One) ("Regional Developer"), with reference to the following facts:

- A. We and our affiliates have designed and developed valuable and proprietary formats and systems for the development and operation of businesses operating single location franchises ("Location franchises" or "Franchises"). These Franchises offer affordable, convenient and accessible chiropractic care to the general public.
- B. We have developed and use, promote and license certain trademarks, service marks and other commercial symbols in operating our franchises, including "The Joint...The Chiropractic Place™", and we may create, use and license other trademarks, service marks and commercial symbols for use in operating our franchises (collectively, the "Marks").
- C. We offer franchisees the right to own and operate a Franchise offering the products and services we authorize (and only the products and services we authorize) and using our business formats, methods, systems, procedures, signs, designs and layouts, standards, specifications and Marks, all of which we may improve, further develop and otherwise modify from time to time (collectively, the "System").
- D. We seek a Regional Developer who will open and operate, or solicit and assist franchisees in opening and operating numerous Franchises within the geographic area described in Exhibit 1 (the "Development Area") , and for the total number of Franchises authorized for development within the Development Area set forth in Exhibit 1 (the "Development Rights").
- E. Regional Developer desires to establish a business (a "Regional Developer Business") under which it will solicit, qualify, train and assist franchisees (the "Franchisees") to build and operate Franchises in the Development Area, and we desire to grant to Regional Developer the right to operate the Regional Developer Business in accordance with the terms and upon the conditions contained in this Agreement.

WHEREFORE, IT IS AGREED

1. GRANT OF RIGHTS.

Subject to the terms of this Agreement, we hereby grant to Regional Developer, and Regional Developer hereby accepts, the rights during the Term to solicit, screen, qualify for final approval by us, train and assist Franchisees to open and operate, Franchises in the Development Area.

The Joint RD FDD – Exhibit C – RD Agreement

2. REGIONAL DEVELOPER'S DEVELOPMENT OBLIGATION.

2.1 Minimum Development Obligation and Development Schedule.

(a) Regional Developer shall solicit, screen, qualify, train and assist Franchisees to construct, equip, open and operate, within the Development Area, the total number of Franchises set forth in Exhibit 2 (the "Minimum Development Obligation"), in the manner and within each of the time periods specified therein (the "Development Schedule").

(b) Each Franchise shall be the subject of a separate Franchise Agreement (as defined herein). We and the Franchisee shall enter into our then current form of franchise agreement (the "Franchise Agreement").

(c) Franchises which are the subject of a Franchise Agreement executed pursuant this Agreement, shall be counted in determining whether the Minimum Development Obligation shall have been met within the applicable Development Periods.

(d) During the initial Term, if we or you wish to establish additional Franchises within the Development Area over and above the Minimum Development Obligation, and we have determined, in our sole discretion, that the Development Area can sustain such additional Franchises, you have the right to purchase such additional Franchises within thirty (30) days of receipt of our written offer or your written request, as applicable, to purchase such additional Franchises at the price set forth in Exhibit 1. If you decline our offer to purchase, or fail to pay the amount due for such additional Franchises before the end of the thirty (30) day period, we reserve the right establish and operate, and/or to grant other persons the right to establish and operate, such additional Franchises within your Development Area

2.2 Regional Developer Sales Office and Opening. Regional Developer shall establish and operate a franchise sales office ("Regional Developer Sales Office" or "Sales Office") within the Development Area. We will not approve or disapprove the location of the Sales Office. You must open your Regional Developer Business within 45 days after you receive your initial training from us, or 90 days after signing your Regional Developer Agreement, whichever occurs first.

3. EXCLUSIVITY.

3.1 Territorial Rights. Except as provided in Section 3.2, as long as this Agreement is in effect, and you are in compliance with this Agreement, and meet the Minimum Development Obligation set forth in this Agreement, then we and our affiliates will not operate, establish or grant in your Development Area another Regional Developer franchise offering Franchises.

3.2 Rights Maintained by Company. We (and any affiliates that we might have from time to time) shall at all times have the right to engage in any activities we deem appropriate that are not expressly prohibited by this Agreement, whenever and wherever we desire, including, but not limited to:

(a) establish and operate Franchises and Regional Developer Businesses, and granting right to other persons to establish and operate Franchises or Regional Developer Businesses, on any terms and conditions we deem appropriate and at any locations other than within your Development Area;

(b) establish and operate Franchises and/or grant other persons the right to establish and operate Franchises during the initial Term, to the extent that such additional Franchises exceed the total number of franchises you are authorized to development within your Development Area as set forth in Exhibit 1, and you decline to purchase the right to develop such additional Franchises.

(c) acquire the assets or ownership interest of one or more businesses providing products and services similar to those provided at Franchises, and franchising, licensing or creating similar arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located or operating, including within your Development Area; and

(d) be acquired (regardless of the form of transaction) by a business providing products and services similar to those provided at Franchises, or by another business, even if such business operates, franchises and/or licenses competitive businesses within your Development Area.

4. TERM.

The term of this Agreement (the "Term") shall be for a period of ten (10) years commencing on the Effective Date, unless sooner terminated in accordance with the provisions of Section 13. Regional Developer shall have the right to extend the Term for an additional period of ten (10) years if (i) Regional Developer has substantially complied with the Minimum Development Obligation and all of the other terms of this Agreement during the Term; (ii) Regional Developer and all of its owners and their spouses sign our general release form; (iii) we and Regional Developer mutually agree on a new minimum development obligation for the Development Area for the extension period; and (iv) Regional Developer has paid a renewal fee equal to twenty-five percent (25%) of the original Development Fee set forth in Paragraph 7. Under the general release, Regional Developer and its owners and their spouses will waive any and all claims against us, our affiliates, and our and their owners, officers, directors, employees, agents, successors and assigns. If Regional Developer wishes to extend the Term, Regional Developer must notify us in writing no more than one hundred eighty (180) days and no less than ninety (90) days before the Term would otherwise expire.

Notwithstanding the foregoing, any time after three (3) full years from the Effective Date of this Agreement, Company has the option of repurchasing the Development Area and all of your Regional Developer rights associated with this Agreement for any opened and unopened Franchises within your Development Area. The formula for repurchasing the Development Area and these rights will be as follows:

- (a) \$29,000 for each Franchise that is opened under to this Agreement; plus
- (b) \$7,250 for each Franchise that is unopened under this Agreement.

The total number of Franchises for which Regional Developer has acquired the Development Rights to open under this Agreement is set forth in Exhibit 1. Notwithstanding the foregoing, any Franchises that were opened in Regional Developer's Development Area prior to execution of this Agreement will be transferred to Company at no cost to Company if Company exercises its repurchase option.

Company must notify Regional Developer in writing of Company's intent to exercise the option at least thirty (30) days prior to the date such option shall take effect. Unless the parties agree otherwise, the closing on this repurchase option shall occur within thirty (30) days of Company's written notice of intent to exercise the repurchase option. Company and Regional Developer agree to execute and deliver any and all documents or instruments required to effectuate the repurchase by the Company.

5. ADDITIONAL OBLIGATIONS OF COMPANY AND REGIONAL DEVELOPER.

5.1 Regional Developer Training. Within forty-five days (45) days after the Effective Date, but no later than thirty (30) days before you open your Regional Developer franchise for business, we or our designee will provide up to three (3) days of training to Regional Director on the operation of a Regional Developer Business. This training program may include classroom training and/or hands-on training and will be conducted at our corporate headquarters in Scottsdale, Arizona, and/or at any other location(s) we designate. Regional Developer must complete the initial training to our satisfaction and participate in all other activities we require before soliciting Franchisees in the Development Area. Although we provide this training at no additional cost to Regional Developer, Regional Developer must pay all travel and living expenses which it and its attendees incur.

If we determine that Regional Developer cannot complete initial training to our satisfaction, we may, at our option, either (1) require Regional Developer to attend additional training at Regional Developer's expense (for which we may charge reasonable fees), or (2) terminate this Agreement.

Regional Developer shall participate in periodic webinars and sales calls scheduled by us for Regional Developer franchises, and attend a national business meeting or convention of up to three days each year. We may also require Regional Developer to attend up to two (2) additional or refresher training courses each year at our corporate offices, or another location we designate. We may charge reasonable fees for these courses, conventions, webinars, sales calls, and programs. Regional Developer is responsible for all travel and living expenses.

5.2 Regional Developer Manual.

(a) We shall loan to Regional Developer one (1) copy of our Regional Developer manual (the "Manual for RDs") and one (1) copy of our Operations Manual for Location Franchises ("Manual for Locations") (collectively referred to as the "Manuals"). Regional Developer shall conduct all business activities in strict accordance with our standard operational methods and procedures as prescribed from time to time in the Manual for RDs. As used in the Agreement, the term "Manuals" shall be deemed to include the Manuals so delivered to Regional Developer, all amendments to the Manuals, and all supplemental bulletins, notices and memoranda which prescribe standard methods or techniques of operation, and which we may from time to time deliver to Regional Developer.

(b) We shall have the right to modify or supplement the Manuals. Such modifications and supplements shall be effective and binding on Regional Developer fifteen (15) days after notice thereof is mailed or otherwise delivered to Regional Developer. Regional Developer acknowledges and agrees that modifications of and supplements to the Manuals may obligate Regional Developer to invest additional capital or incur higher operating costs.

(c) The Manuals are our property and may not be duplicated, copied, disclosed or disseminated in whole or in part in any manner except with our express prior written consent. Regional Developer shall maintain the confidentiality of the Manuals. Upon the termination of this Agreement, Regional Developer shall return to us all copies of the Manuals in its possession or control. If Regional Developer's copy of the Manuals is lost, destroyed or significantly damaged, Regional Developer agrees to obtain a replacement copy at our then applicable charge.

5.3 General Guidance. We will provide guidance to Regional Developer in the Manuals and other bulletins or other written materials, by electronic media, and/or by telephone consultation. If Regional Developer requests and we agree to provide additional or special guidance, assistance or training, Regional Developer must pay our then applicable charges, including our personnel's per diem charges and any travel and living expenses.

5.4 Franchise Registration and Disclosure. Neither Regional Developer nor any representative of Regional Developer shall solicit prospective Franchisees of Franchises until we have registered our current Franchise Disclosure Document in applicable jurisdictions in the Development Area and have provided Regional Developer with the requisite documents, or at any time when we notify Regional Developer that our registration is not then in effect or our documents are not then in compliance with applicable law. If Regional Developer's activities pursuant to this Agreement require the preparation, amendment, registration, or filing of information or any disclosure or other documents, then all requisite disclosure documents, ancillary documents, and registration applications shall be prepared and filed by us or our designee, and registration secured, before Regional Developer may solicit prospective Franchisees for Franchises. Costs of such registration applicable to Regional Developer shall be borne by Regional Developer. In particular, Regional Developer shall:

(a) prepare and forward to us verified financial statements of Regional Developer in such form and for such periods as shall be designated by us, including audited financial statements, if necessary and appropriate to comply with applicable legal disclosure, filing or other legal requirements;

(b) promptly provide all information reasonably required by us to prepare all requisite disclosure documents and ancillary documents for the offering of franchises throughout the Development Area; and

(c) execute all documents required by us for the purpose of registering Regional Developer and us to offer franchises throughout the Development Area.

Regional Developer agrees to review all information pertaining to Regional Developer prepared to comply with legal requirements for selling franchises in the Development Area and verify its accuracy if so requested by us. Regional Developer acknowledges that we and our affiliates and designees shall not be liable to Regional Developer for any errors, omissions or delays which occur in the preparation of such materials.

5.5 Investigation and Qualification of Prospective Franchisees.

(a) Each Franchise opened by a Franchisee pursuant to this Agreement shall be the subject of a separate Franchise Agreement with us, upon our then current form. Regional Developer shall have no right to modify or offer to modify any Franchise Agreement or other contract.

(b) If we shall approve a Franchisee and a prospective franchise location, Regional Developer shall transmit to such Franchisee for execution copies of our then-current Franchise Agreement pertaining to the approved site and providing for a protected territory surrounding said Franchise, as determined by us.

(c) Regional Developer shall investigate the qualifications of each prospective Franchisee and the suitability of each prospective franchise location in the Development Area in accordance with our standards, policies and procedures relating to qualification of Franchisees then in effect, and shall obtain all information required of prospective Franchisees by us.

(d) After Regional Developer is satisfied that a prospective Franchisee meets the standards established by us, Regional Developer may recommend to us the approval of such prospective Franchisee. Regional Developer shall then furnish to us all information relating to the prospective Franchisee which shall be required by us in the form and manner customarily required by us.

(e) We may thereafter conduct or obtain such credit reports and background checks on prospective franchisees as we deem necessary or convenient. We may then approve or disapprove a prospective franchisee for any reason and may seek further information with respect to the prospective Franchisee. Regional Developer shall cooperate with us in any further investigation of the prospective Franchisee. If we shall reject a prospective Franchisee, we shall provide Regional Developer with a written explanation of the reasons therefor.

(f) Regional Developer shall deliver to us a copy of all correspondence with Franchisees which is material to the franchise relationship, concurrently with its being sent or received by Regional Developer.

5.6 Training and Support. Regional Developer agrees to implement any training programs developed by us for Franchises and to provide such assistance and services as we shall reasonably request and require from time to time in connection with the construction, equipping and opening of Franchises within the Development Area, the sourcing of equipment, fixtures, furnishings, inventory and supplies for such Franchises, the advertising and promotion of such Franchises, and the supervision of the use, and compliance with our quality control standards in the use of the Marks at such Franchises. All services and assistance provided to Franchisees in connection with the operation of Franchises located in the Development Area will be provided by Regional Developer and such obligations of Regional Developer will not be transferred, delegated or subcontracted to any other person.

5.7 Inspection of Franchises and Operations. Regional Developer shall conduct inspections of all of the Franchises in the Development Area, and of its operations and the review of the operations of all Franchises in the Development Area, in accordance with the standards from time to time established by us, upon such schedules and according to such procedures as shall be agreed upon by us and Regional Developer, acting in good faith, but, in any event, at least once during each calendar quarter. Regional Developer shall provide reports to us with respect to the findings of such inspections, in such form and at such time as we shall require.

We reserve the right to conduct periodic inspections of your Regional Developer Business to ensure that you are in compliance with this Agreement, the Manual for RDs, standards, and any of our other written directives to you.

5.8 Marketing and Promotion. Regional Developer shall participate in all promotion and marketing activities required by us of our Regional Developers, as required in the Franchise Agreements, or otherwise.

The Joint RD FDD – Exhibit C – RD Agreement

6. OPERATING STANDARDS.

6.1 Standard of Service. Regional Developer shall at all times give prompt, courteous and efficient service to Franchises in the Development Area. Regional Developer shall, in all dealings with Franchisees, prospective Franchisees and the public, adhere to the highest standards of honesty, integrity, fair dealings and ethical conduct.

6.2 Compliance with Laws and Good Business Practices. Regional Developer shall secure and maintain in force all required licenses, permits and certificates relating to Regional Developer's activities under this Agreement and operate in full compliance with all applicable laws, ordinances and regulations. Regional Developer acknowledges being advised that many jurisdictions have enacted laws concerning the advertising, sale, renewal and termination of, and continuing relationship between parties to a franchise agreement, including, without limitation, laws concerning disclosure requirements. Regional Developer agrees promptly to become aware of and to comply with all such laws and legal requirements in force in the Development Area and to utilize only disclosure documents that we have approved for use in the applicable jurisdiction.

6.3 Accuracy of Information. Before it solicits any prospective franchisee, Regional Developer shall each time take reasonable steps to confirm that the information contained in any written materials, agreements and other documents related to the offer or sale of franchises is true, correct and not misleading at the time of such offer or sale and that the offer or sale of such franchise will not at that time be contrary to or in violation of any applicable state law related to the registration of the franchise offering. We shall provide Regional Developer with any changes to our disclosure documents and other agreements on a timely basis and, upon request, provide Regional Developer with confirmation that the information contained in any written materials, agreements or documents being used by Regional Developer is true, correct and not misleading, except for information specifically relating to disclosures regarding Regional Developer. If Regional Developer notifies us of an error in any information in our documents, we shall have a reasonable period of time to attempt to correct any deficiencies, misrepresentations or omissions in such information.

6.4 Notification of Litigation. Regional Developer shall notify us in writing within five (5) days after the commencement of any action, suit, arbitration, proceeding, or investigation, or the issuance of any order, writ, injunction, award and decree, by any court agency or other governmental instrumentality, which names Regional Developer or any of its Owners or otherwise concerns the operation or financial condition of Regional Developer, the Regional Developer Business or any Franchisee.

6.5 Insurance. Regional Developer shall at all times during the term of this Agreement maintain in force, at Regional Developer's sole expense, insurance written on an occurrence basis for the Regional Developer Business of the types, in the amounts and with such terms and conditions as we may from time to time prescribe in the Regional Developer Manual or otherwise. All of the required insurance policies shall name us and affiliates designated by use as additional insured, contain a waiver of the insurance company's right of subrogation against us and the designated affiliates, and provide that we will receive thirty (30) days' prior written notice of termination, expiration, cancellation or modification of any such policy. You are responsible for any and all claims, losses or damages, including to third persons, originating from, in connection with, or caused by your failure to name us as an additional insured on each insurance policy. You agree to defend, indemnify and hold us harmless of, from, and with respect to any such claims, loss or damage arising out of your failure to name us as additional insured, which indemnity shall survive the termination or expiration and non-renewal of this Agreement.

Notwithstanding the existence of such insurance, you are and will be responsible for all loss or damage and contractual liability to third persons originating from or in connection with the operation of the Regional Developer franchise, and for all claims or demands for damages to property or for injury, illness or death of persons directly or indirectly resulting therefrom; and you agree to defend, indemnify and hold us harmless of, from, and with respect to any such claims, loss or damage, which indemnity shall survive the termination or expiration and non-renewal of this Agreement. In addition to the requirements of the foregoing paragraphs of this Paragraph 6.5, you must maintain any and all insurance coverage in such amounts and under such terms and conditions as may be required in connection with your lease or purchase of any premises used to operate your Regional Developer franchise.

Your obligation to maintain insurance coverage as described in this Agreement will not be reduced in any manner by reason of any separate insurance we maintain on our own behalf, nor will our maintenance of that insurance relieve you of any obligations under this Agreement.

If you fail to pay the premiums for insurance required to operate your franchise, we may obtain insurance for you and you will be required to reimburse us within ten (10) days of receipt of a demand for reimbursement from us. We will have the right to debit your account the amounts owed to us for such premiums if you fail to pay us within ten (10) days of our request for reimbursement.

6.6 Proof of Insurance Coverage. Regional Developer will provide proof of insurance to us before beginning operations of its Regional Developer Business. This proof will show that the insurer has been authorized to inform us in the event any policies lapse or are cancelled or modified. We have the right to change the types, amount and terms of insurance that Regional Developer is required to maintain by giving Regional Developer prior reasonable notice. Noncompliance with these insurance provisions shall be deemed a material breach of this Agreement, and in the event of any lapse in insurance coverage, we shall have the right, in addition to all other remedies, to demand that Regional Developer cease operations of its Regional Developer Business until coverage is reinstated or, in the alternative, to pay any delinquencies in premium payments and charge the same back to Regional Developer.

6.7 Advertising Requirement and Cooperatives. You must meet the minimum advertising requirement we establish for your Regional Developer Business ("Minimum Advertisement Requirement"). We will establish the Minimum Advertising Requirement at the time you sign this Agreement. You may be required to provide receipts to show you are meeting this requirement. We reserve the right to increase the Minimum Advertisement Requirement for your Regional Developer Business if we determine that it is necessary for you to meet your Minimum Development Obligation.

If one is created, you are required to join and participate in the Advertising Cooperative ("Co-op"), which is an association of Regional Developer whose franchise Franchises are located with your Area of Dominant Influence ("ADI"). An ADI is a geographic market designation that defines a broadcast media market, consisting of all counties in which the home market stations receive a preponderance of viewing. One function of the Co-op is to establish a local advertising pool, of which the funds must be used for Franchise advertising only and for the mutual benefit of each Co-op member. Regional Developer must contribute to the pool in accordance with the rules and regulations of the Co-op, as determined by its members. Amounts contributed to the advertising pool by a Regional Developer may be considered as spent for local advertising, and therefore toward the minimum local advertising requirement.

6.8 Approval of Advertising. Prior to their use by Regional Developer, samples of all advertising and promotional materials not prepared or previously approved by us shall be submitted to us for approval, which approval shall not be unreasonably withheld. Regional Developer shall not use any advertising or promotional materials that we have not approved or have disapproved. Regional Developer acknowledges and understands that certain states require the filing of franchise sales advertising materials with the appropriate state agency prior to dissemination. Regional Developer agrees fully and timely to comply with such filing requirements at Regional Developer's own expense unless such advertising has been previously filed with the state by us. We may charge Regional Developer for the costs incurred by us in printing large quantities of advertising and marketing materials supplied by us to Regional Developer at Regional Developer's request.

6.9 Websites. As used in this Agreement, the term "Website" means an interactive electronic document contained in a network of computers linked by communications software that refers to the Franchise, Locations, franchises for Franchises or the Marks. The term "Website" includes, but is not limited to, Internet and World Wide Web pages. In connection with any Website, Regional Developer agrees to the following:

(a) Regional Developer shall not establish a separate Website without our prior written consent. We shall have the right, but not the obligation, to designate one or more web page(s) to describe Regional Developer, such web page(s) to be located within our Website; and

(b) If we approve, in writing, a separate Website for Regional Developer, then each of the following provisions shall apply:

(1) Regional Developer shall not establish or use the Website without our prior written approval.

(2) Before establishing the Website, Regional Developer shall submit to us, for our prior written approval, a sample of the proposed Website domain name, format, visible content (including, but not limited to, proposed screen shots), and non-visible content (including, but not limited to, meta tags) in the form and manner we may reasonably require, and Regional Developer shall not use or modify such Websites without our prior written approval as to such proposed use or modification.

(3) In addition to any other applicable requirements, Regional Developer shall comply with our standards and specifications for Websites as we prescribe from time to time in the Manuals or otherwise in writing.

(4) If we require, Regional Developer shall establish such hyperlinks to our Website and others we may request in writing.

We may revoke our approval at any time, in writing, and require that Regional Developer discontinue use of a separate Website.

6.10 Accounting, Bookkeeping and Records. Regional Developer shall maintain at its business premises in the Development Area all original invoices, receipts, checks, contracts, licenses, acknowledgement of receipt forms, and bookkeeping and business records we require from time to time. Regional Developer shall furnish to us, within one hundred twenty (120) days after the end of Regional Developer's fiscal year, a balance sheet and profit and loss statement (audited by a CPA, if requested by us) for Regional Developer's Business for such year (or a monthly or quarterly statement if required by us, in which case such statements also shall reflect year-to-date information). In addition upon our request, within ten (10) days after such returns are filed, exact copies of federal and state income, sales and any other tax returns and such other forms, records, books and other information as we periodically require regarding Regional Developer's Business, shall be furnished to us. Regional Developer shall maintain all records and report of the business conducted pursuant to this Agreement for at least two (2) years after the date of termination or expiration of this Agreement.

6.11 Reports. Regional Developer shall, as often as required by us, deliver to us a written report of its Regional Developer Business activities in such form and detail as we may from time to time specify, including information about efforts to solicit prospective Franchisees, the status of pending real estate transactions and the status of Franchises.

6.12 Computer Systems. Regional Developer agrees to use in the development and operation of the Regional Developer's Business the computer systems and operating software ("Computer System") that we specify from time to time. You acknowledge that we may modify such specifications and the components of the Computer System from time to time. As part of the Computer System, we may require you to obtain specified computer hardware and/or software, including without limitation a license to use proprietary software developed by us or others. Our modification of such specifications for the components of the Computer System may require you to incur costs to purchase, lease and/or obtain by license new or modified computer hardware and/or software, and to obtain service and support for the Computer System during the term of this Agreement. You acknowledge that we cannot estimate the future costs of the Computer System (or additions or modifications thereto), and that the cost to you of obtaining the Computer System (or additions or modifications thereto), including software, may not be fully amortizable over the remaining term of this Agreement. Nonetheless, you agree to incur such costs in connection with obtaining the computer hardware and software comprising the Computer System (or additions or modifications thereto). Within sixty (60) days after you receive notice from us, you agree to obtain the components of the Computer System that we designate and require. You further acknowledge and agree that we and our affiliates have the right to charge a reasonable systems fee for software or systems installation services; modifications and enhancements specifically made for us or our affiliates that are licensed to you; and other maintenance and support Computer System-related services that we or our affiliates furnish to you. You will have sole responsibility for: (1) the acquisition, operation, maintenance, and upgrading of your Computer System; (2) the manner in which your Computer System interfaces with our computer system and those of third parties; and (3) any and all consequences that may arise if your Computer System is not properly operated, maintained, and upgraded.

The Company will provide to you its proprietary office management software (the "Company Software"), which you will be required to install onto the Computer System and use in the operation of your Regional Developer Business. In addition, we may, at any time and from time to time, contract with one or more software providers, business service providers, or other third parties (individually, a "Service Provider") to develop, license, or otherwise provide to or for the use and benefit of you and other Company franchises certain software, software applications, and software maintenance and support services related to the Computer System that you must or may use in accordance with our instructions with respect to your Computer System.

The Joint RD FDD – Exhibit C – RD Agreement

6.14 Management of Business. You must personally participate in the direct operation of your Regional Developer Business. If you do not personally participate in the direct operation of your Regional Developer Business on a full-time basis, then you are obligated to have a fully trained Manager operate the franchise. We believe that only a person with an equity interest can adequately ensure that our standards of quality and competence are maintained. We required that you be directly involved in the day-to-day operations and utilize your best efforts to promote and enhance the performance of the Franchised Business.

Any Manager you employ at the launching of your franchise operations must complete the initial management-training course required by the Company. All subsequent Managers must be trained fully according to our standards by either the franchise owner or the Company. However, the Company may charge a fee for this additional training.

7. DEVELOPMENT FEE.

Regional Developer shall pay to us a non-refundable "Development Fee" of _____ Dollars (\$ _____), payable upon execution of this Agreement. If we require Regional Developer to acquire an in-depth demographic analysis of the Development Area, Regional Developer shall also purchase the demographic analysis from us or our designated supplier for the then-applicable fee.

8. PAYMENTS TO REGIONAL DEVELOPER.

8.1 Initial Fee Commission and Conditions of Payment. During the term of this Agreement, Regional Developer shall be paid a flat fee commission, as set forth in this Section, paid from the initial franchise fees paid by Franchisees and/or Regional Developer for the purchase of Location franchises to be located within the Development Area (the "Initial Fee Commission"), subject to fulfillment of the following conditions: (a) the Franchisee (or Regional Developer) executes a Franchise Agreement with us and an initial franchise fee has been paid to and actually received by us (we shall not be deemed to have received any fees paid into escrow, if applicable, until such fees actually have been remitted to us); and (b) Regional Developer has complied with all of its other obligations under this Agreement with respect to such sale and has verified the same to us in writing in a form prescribed by us. The Initial Fee Commission shall be an amount equal to Fourteen Thousand Five Hundred Dollars (\$14,500) for each Franchise that is sold pursuant to this Agreement minus any broker's fees or sales commissions, if any, and will be payable to Regional Developer within twenty (20) days after the conditions of this Section 8.1 have been fulfilled.

8.2 Commissions on Royalty Fees. We shall pay to Regional Developer, on the day of the week, 3% of the royalty fees (which excludes advertising and marketing fees) actually received by us from each Franchisee located in the Development Area during the applicable period pursuant to their Franchise Agreement ("Royalty Fees"). Notwithstanding the foregoing, if Regional Developer has failed to conduct the periodic inspections described in Section 5.9 and failed to perform in any material respect, with respect to one (1) or more Franchisees located in the Development Area, the other services described in Section 5 to be provided to Franchisees located in the Development Area during any applicable month, then Regional Developer shall not be entitled to receive commissions on Royalty Fees with respect to such Franchisees for the period during which reports or services were not provided.

8.3 Commissions After Termination. All payments under this Section 8 shall immediately and permanently cease after the expiration or termination of this Agreement, although Regional Developer shall receive all amounts which have accrued to Regional Developer as of the effective date of expiration or termination.

8.4 Application of Payments. Our payments to Regional Developer shall be based on amounts actually collected from Franchisees, not on payments accrued, due or owing. In the event of termination of a Franchise Agreement for an Franchise within the Development Area, we shall apply any payments received from a Franchisee to pay past due indebtedness of that Franchisee for Royalty Fees, advertising contributions, purchases from us or our affiliates, interest or any other indebtedness on that Franchisee to us or our affiliates. To the extent that such payments are applied to a Franchisee's overdue Royalty Fee payments, Regional Developer shall be entitled to its pro rata share of such payments, less its pro rata share of the costs of collection paid to third parties.

8.5 Setoffs. Regional Developer shall not be allowed to set off amounts owed to use for fees or other amounts due under this Agreement against any monies owed to Regional Developer by us, which right to set off is hereby expressly waived by Regional Developer. We shall be allowed to set off against amounts owed to Regional Developer for commissions, Royalty Fees or other amounts due under this Agreement any monies owed to us by Regional Developer.

9. MARKS.

9.1 Ownership and Goodwill of Marks. Regional Developer's right to use the Marks is derived only from this Agreement and is limited to Regional Developer's operation of its Regional Developer Business. Regional Developer's unauthorized use of the Marks is a breach of this Agreement and infringes our rights in the Marks. Regional Developer acknowledges and agrees that Regional Developer's use of the Marks and any goodwill established by that use are for our exclusive benefit and that this Agreement does not confer any goodwill or other interests in the Marks upon Regional Developer (other than the right to operate a Regional Developer Business under this Agreement). All provisions of this Agreement relating to the Marks apply to any additional and substitute trademarks and service marks we authorize Regional Developer to use.

9.2 Limitations on Regional Developer's Use of Marks. Regional Developer may not use any Mark: (1) as part of any corporate or legal business name; (2) with any prefix, suffix or other modifying words, terms, designs, symbols other than logos we have licensed to Regional Developer; (3) in selling any unauthorized services or products; (4) as part of any domain name, electronic address or search engine, without our consent; or (5) in any other manner we have not expressly authorized in writing. Regional Developer may not use any Mark in advertising the transfer, sale or other disposition of Regional Developer's business under this Agreement or an ownership interest in Regional Developer (if a corporation, partnership, limited liability company or another business entity holds the franchise at any time during this Agreement's term) without our prior written consent.

9.3 Notification of Infringements and Claims. Regional Developer agrees to notify us immediately of any apparent infringement of or challenge to Regional Developer's use of any Mark, or of any person's claim of any rights in any Mark, and not to communicate with any person other than us and our attorneys and Regional Developer's attorneys regarding any infringement, challenge or claim. We may take action we deem appropriate (including no action) and control exclusively any litigation, U.S. Patent and Trademark Office proceeding or other administrative proceeding arising from any infringement, challenge or claim or otherwise concerning any Mark. Regional Developer agrees to sign any documents and take any actions that, in the opinion of our attorneys, are necessary or advisable to protect and maintain our interests in any litigation or Patent and Trademark Office or other proceeding or otherwise to protect and maintain our interests in the Marks.

9.4 Discontinuance of Use of Marks. If we believe at any time that it is advisable for us and/or Regional Developer to modify or discontinue using any Mark and/or use one or more additional or substitute trademarks or service marks, Regional Developer agrees to comply with our directions within a reasonable time after receiving noticed. We need not reimburse Regional Developer for Regional Developer's expenses in complying with these directions, for any loss of revenue due to any modified or discontinued Mark, or for Regional Developer's expenses of promoting a modified or substitute trademark or service mark.

9.5 Indemnification For Use of Marks. We agree to indemnify and reimburse Regional Developer against and for all damages for which Regional Developer is held liable in any trademark infringement proceeding arising out of Regional Developer's authorized use of any Mark pursuant to and in compliance with this Agreement, and for all costs Regional Developer reasonably incurs in the defense of any such claim in which Regional Developer is named as a party, so long as Regional Developer has timely notified us of the claim, and have otherwise complied with this Agreement. At our option, we may defend and control the defense of any proceeding relating to any Mark.

10. CONFIDENTIAL INFORMATION.

We possess (and may continue to develop and acquire) certain confidential information relating to the development and operation of Franchises and Regional Developer Businesses (the "Confidential Information"), which includes (without limitation):

- (1) site selection criteria;
- (2) methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, knowledge and experience used in developing and operating Franchises and Regional Developer Businesses;
- (3) marketing research and promotional, marketing and advertising programs for Franchises and Regional Developer Businesses;
- (4) knowledge of specifications for and suppliers or, and methods of ordering, certain operating assets and products that Franchises and Regional Developer Businesses use;
- (5) knowledge of the operating results and financial performance of Franchises and Regional Developer Businesses;
- (6) customer communication and retention programs, along with data used or generated in connection with those programs; graphic designs and related intellectual property;
- (7) information generated by or used or developed in the operation of Franchises and Regional Developer Businesses, including customer names, addresses, telephone numbers and related information; and
- (8) any other information designated confidential or proprietary by us.

Regional Developer acknowledges and agrees that by entering into this Agreement, Regional Developer will not acquire any interest in Confidential Information, other than the right to use certain Confidential Information in accordance with this Agreement, and that Regional Developer's use of any Confidential Information in any other business would constitute an unfair method of competition with us and our franchisees. Regional Developer further acknowledges and agrees that the Confidential Information is proprietary, includes our trade secrets, and is disclosed to Regional Developer only on the condition that Regional Developer agrees, and it does agree, that Regional Developer:

- (1) will not use any Confidential Information in any other business or capacity;
- (2) will keep the Confidential Information absolutely confidential during and after this Agreement's term;
- (3) will not make unauthorized copies of any Confidential Information disclosure via electronic medium or in written or other tangible form;
- (4) will adopt and implement all reasonable procedures that we periodically prescribe to prevent unauthorized use or disclosure of Confidential Information, including, without limitation: (i) restricting its disclosure to Regional Developer's personnel and Franchisees needing to know such Confidential Information in order to develop and operate the Franchises; and (ii) requiring those having access to Confidential Information to sign confidentiality and non-disclosure agreements. We have the right to regulate the form of agreement that Regional Developer uses and to be a third party beneficiary of that agreement with independent enforcement rights; and
- (5) will not sell, trade or otherwise profit in any way from the Confidential Information, except using methods approved by us.

All ideas, concepts, techniques or materials relating to a Franchise or Regional Developer Business, whether or not protectable intellectual property and whether created by or for Regional Developer or its employees, must be promptly disclosed to us and will be deemed to be our sole and exclusive property and works made-for-hire for us. To the extent any item does not qualify as a "work made-for-hire" for us, by this paragraph, Regional Developer assigns ownership of that item, and all related rights to that item, to us and agrees to sign whatever assignment or other documents we request to evidence our ownership or to help us obtain intellectual property rights in the item.

"Confidential Information" does not include information, knowledge or know-how which is or becomes generally known in business consulting industry or which Regional Developer knew from previous business experience before we provided it to Regional Developer (directly or indirectly) or before Regional Developer attended our initial training program. If we include any matter in Confidential Information, anyone who claims that it is not Confidential Information must prove that the exclusion in this paragraph is fulfilled.

11. ASSIGNABILITY.

11.1 Assignability by Company.

(a) We shall have the right, but not the obligation, to cause a subsidiary or affiliate of ours to perform any or all of our obligations and exercise any or all of our rights under this Agreement and under any Franchise Agreement, and to require regional Developer to perform any or all of its obligations hereunder, in favor of such subsidiary or affiliate, by delivery of written notice thereof to Regional Developer.

(b) We shall have the right to assign this Agreement, or any of our rights and privileges under this Agreement to any other person, firm or corporation, other than a subsidiary or affiliate of ours, without Regional Developer's prior consent, and we shall not be liable for any obligations accruing under this Agreement after the effective date of such assignment; provided the assignee shall expressly assume and agree to perform our obligations under this Agreement and is reasonably capable of performing them.

11.2 Assignments by Regional Developer.

(a) We have entered into this Agreement in reliance upon and in consideration of the singular personal skills, character, aptitude, business ability, financial capacity and qualifications of Regional Developer and the trust and confidence reposed in Regional Developer or, in the case of a business entity Regional Developer, its owners (individually, an "Owner"). Therefore, neither Regional Developer's interest in this Agreement nor any of its rights or privileges hereunder shall be assigned or transferred, voluntarily or involuntarily, in whole or in part, by operation of law or otherwise, in any manner, without our prior written approval.

(b) Any assignment or transfer without our approval is a breach of this Agreement and has no effect. In this Agreement, the term "transfer" includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events:

(1) transfer of record or beneficial ownership of capital stock in Regional Developer (if Regional Developer is a corporation), a partnership or membership interest (if Regional Developer is a partnership or limited liability company), or any other ownership interest or right to receive all or a portion of Regional Developer's profits or losses;

(2) a merger, consolidation or exchange of shares or other ownership interests, or issuance of additional ownership interest or securities representing or potentially representing shares or other ownership interests, or a redemption of shares or other ownership interests;

(3) any sale or exchange of voting interests or securities convertible to voting interests, or any agreement granting the right to exercise or control the exercise of the voting rights of any owner or to control Regional Developer's operations or affairs;

(4) transfer of an interest in Regional Developer, this Agreement, or Regional Developer Business or its assets (or any right to receive all or a portion of Regional Developer's or the Regional Development Business' profits or losses or any capital appreciation relating to the Regional Development Business) in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law;

(5) if Regional Developer or an Owner (if Regional Developer is a business entity) dies, transfer of an interest in Regional Developer, this Agreement, or the Regional Development Business or its assets (or any right to receive all or a portion of Regional Developer's or the Regional Development Business' profits or losses or any capital appreciation relating to the Regional Development business) by will, declaration or transfer in trust, or under the law of intestate succession; or

The Joint RD FDD – Exhibit C – RD Agreement

(6) pledge of this Agreement (to someone other than us) or of an ownership interest in Regional Developer (if Regional Developer is a business entity) as security, foreclosure upon the development area franchises, or Regional Developer's transfer, surrender or loss of the area development franchise possession, control or management.

11.3 Conditions for Approval of Assignment or Transfer. We may impose any reasonable condition(s) to the granting of our consent to such assignments. Without limiting the generality of the foregoing, the imposition by us of any or all of the following conditions to our consent to any such assignment shall be deemed to be reasonable:

(a) that the assignee (or the principal officers, shareholders, directors or general partners of the assignee in the case of a business entity assignee) demonstrates that it has the skill, qualifications and economic resources necessary, in our judgment, reasonably exercised, to own and operate the Regional Developer Business;

(b) that Regional Developer has paid all amounts owed to us;

(c) that the assignee shall expressly assume in writing for our benefit all of the obligations of Regional Developer under this Agreement and any other agreements proposed to be assigned to such assignee;

(d) that neither the assignee nor its owners or affiliates operates, has an ownership interest in or performs services for a Competitive Business (defined in Section 12.2);

(e) that the assignee shall have completed (or agreed to complete) our training program;

(f) that the assignee signs our then current form of Regional Developer Agreement, the provisions of which may differ materially from any and all of those contained in this Agreement, and the term of which shall be the remaining term of this Agreement;

(g) that as of the date of any such assignment, the assignor shall have strictly complied with all of its obligations to us, whether under this Agreement or any other agreement, arrangement or understanding with us;

(h) that the assignee is not then in default of any of the obligation to us under any agreement between such assignee and us;

(i) that the assignor shall pay to us a transfer fee of Thirty Thousand Dollars (\$30,000), except for transfers pursuant to Section 11.4 below;

(j) that the assignor and the assignor's spouse (if any) shall sign a general release, in a form satisfactory to us, of any and all claims against us and our affiliates and our and their respective shareholders, officers, directors, employees, representatives, agents, successors and assigns; and

The Joint RD FDD – Exhibit C – RD Agreement

(k) that assignor will not directly or indirectly at any time or in any manner identify himself, herself or itself or any business as a current or former Franchisee or as one of our Franchisees or Regional Developers, use any Mark, any colorable imitation of a Mark, or other indicia of a Franchise or Regional Developer Business in any manner or for any purpose, or utilize for any purpose any trade name, trademark, service mark or other commercial symbol that suggests or indicates a connection or association with us.

Regional Developer shall not in any event have the right to pledge, encumber, charge, hypothecate or otherwise give any third party a security interest in this Agreement in any manner whatsoever without our express prior written permission, which permission may be withheld for any reason whatsoever in our sole subjective judgment.

11.4 Assignment to Entity Principally Controlled By You. The Regional Developer franchise business and its assets and liabilities may be assigned to a newly-formed corporation or other legal entity that conducts no business other than the operation of the franchise and in which you and any of your principals own and control in the aggregate not less than ninety percent (90%) of the equity and voting power of all outstanding capital stock or ownership interest, provided as follows:

- (a) that the proposed transferee complies with the provisions of this Agreement; and
- (b) that you are empowered to act for said corporation or other legal entity; and
- (c) that you shall submit to us documentation that we may reasonably request to effectuate the transfer, including the approving and acknowledging execution of this Agreement; and
- (d) that you shall submit to us a true and complete list of the shareholders, members or partners, showing number of shares or interests owned, and a list of the officers and directors if a corporation or managers if a limited liability company, or managing partners if a partnership. We shall be promptly notified of any changes in said lists; and
- (e) that all certificates of shares or interests issued by transferee at any time shall be endorsed thereon the appropriate legend to conform with state law, referring to this Agreement by date and name of parties hereto and stating "Transfer to This Certificate is Limited by the Terms and Conditions of a Regional Development Agreement dated _____;" and
- (f) that a copy of this Agreement shall be given to every shareholder, member or partner; and
- (g) that a copy of the organizational documents and any corporate resolutions and a Certificate of Good Standing will be furnished to us at our reasonable request, and prompt notification in writing of any amendments thereto will be provided to us; and
- (h) that the number of shares or interests issued or outstanding in the transferee will not be increased or decreased without prior written notice to us, which notice will in its terms guarantee compliance with this Agreement. In addition, new shareholders, members or partners must be approved by use and agree to be bound by this entire Agreement. Shareholders, members or partners may make a separate agreement among them providing for purchase by the survivors amount them of the shares of any shareholders or interests of any members or partners upon death, or other agreements affecting ownership or voting rights, so long as voting control and a majority representation of the board of directors or members or partners remains with those individuals who initially applied for and were approved as Franchisees under this Agreement. Shareholders, members or partners must notify us in writing of any such agreement which affects control of the transferee.

11.5 Death or Disability.

(a) Upon the death or disability of Regional Developer or an Owner, the executor, administrator, conservator, guardian or other personal representative must assign, sell, or transfer Regional Developer's interest in this Agreement, the Regional Developer Business and its assets, or the Owner's ownership interest in Regional Developer, to a third party approved by us. That transfer (including, without limitation, transfer by bequest or inheritance) must occur, subject to our rights, within a reasonable time, not to exceed nine (9) months from the date of death or disability, and is subject to all of the terms and conditions in this Section 11. A failure to transfer such interest within this time period is a breach of this Agreement. The term "disability" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent Regional Developer from supervising the Development Area management and operation for ninety (90) or more consecutive days.

(b) If, upon the death or disability of Regional Developer or an Owner, a trained manager who we approve is not managing the day-to-day operations, then the executor, administrator, conservator, guardian or other personal representative must, within a reasonable time not to exceed thirty (30) days from the date of death or disability, appoint a manager that we must approve to operate the Regional Developer Business. The manager must, at Regional Developer's or the Owner's estate's expense, satisfactorily complete the training we designate with the specified time period.

11.6 Company's Right of First Refusal. If Regional Developer at any time determines to sell or transfer an interest in this Agreement or the Regional Developer Business, or if Owner determines to sell or transfer a controlling ownership interest in Regional Developer, then Regional Developer or the Owner, as applicable (the "Seller") must obtain from a responsible and fully disclosed buyer, and send us a true and complete copy of a bona fide, executed written offer relating exclusively to an interest in Regional Developer or this Agreement and the Regional Developer Business. The offer must include details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price. To be a valid, bona fide offer, the proposed purchase price must be in a fixed dollar amount and without any contingent payments of purchase price (such as earn-out payments).

We may, by delivering written notice to the Seller within fifteen (15) days after we receive both an exact copy of the offer and all other information requested, elect to purchase the interest for the price and on the terms and conditions contained in the offer, provided that: 1) we may substitute cash for any form or payment proposed in the offer; 2) our credit will be deemed equal to the credit of any proposed buyer; 3) the closing will be not less than thirty (30) days after notifying the Seller of our election to purchase or, if later, the closing date proposed in the offer; and (4) we must receive, and the Seller agrees to make, all customary representations and warranties, given by the seller of the assets of a business or ownership interests in a legal entity, as applicable, including, without limitation, representations and warranties regarding ownership and condition of, and title to, assets and (if applicable) ownership interests and validity of contracts and the liabilities, contingent on otherwise, relating to the assets or ownership interests being purchased. If we exercise our right of first refusal, the Seller agrees that, for two (2) years beginning on the closing date, the Seller and members of its immediate family will be bound by the non-competition covenant contained in Section 12.2 below.

The Joint RD FDD – Exhibit C – RD Agreement

If we do not exercise our right of first refusal, the Seller may complete the sale to the proposed buyer on the original offer's terms, subject to our approval of the transfer as provided above. If the Seller does not complete the sale to the proposed buyer within sixty (60) days after we notify the Seller that we do not intend to exercise our right of first refusal, or if there is a material change in the terms of the sale (which the Seller must let us know promptly), we will have an additional right of first refusal during the thirty (30) day period following either the expiration of the sixty (60) day period or receipt of notice of the material change(s) in the sale's terms, either on the terms originally offered or the modified terms, at our option.

11.7 Ownership Structure. Regional Developer represents and warrants that all persons holding direct or indirect, legal or beneficial ownership interests in Regional Developer (collectively, the "Owners") are listed in Exhibit 3 and that its ownership structure is as set forth on Exhibit 3. In consideration of, and as an inducement to, the execution of this Agreement, each Owner of the Regional Developer and their respective spouses shall personally and unconditionally sign our form Guaranty and Acceptance of Obligations (Exhibit 4), guarantying to us and our successors and assigns that the Regional Developer will punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement; and agreeing to be personally bound by, and personally liable for the breach of, each and every provision in the Agreement. Regional Developer shall not change its ownership structure without complying with all of the terms and conditions of this Section 11. Within ten (10) days of any change in Regional Developer's ownership structure, Regional Developer shall submit a revised Exhibit 3 to us showing the new ownership structure, and any new Owners shall sign our form Guaranty and Acceptance of Obligations (Exhibit 4).

12. NON-COMPETITION.

12.1 In Term. During the term of this Agreement, neither Regional Developer, any of the Principals, nor any member of Regional Developer's or a Principal's immediate family will have any direct or indirect interest (e.g., through a spouse) as a disclosed or beneficial owner, investor, partner, director, officer, controlling shareholder, employee, consultant, representative or agent, or in any other capacity, in a Competitive Business (defined below), whether located within or outside the Development Area, unless we shall first consent thereto in writing.

12.2 Post-Term. For a eighteen (18) month period following the assignment, expiration or termination of this Agreement, for any reason, neither Regional Developer, any Owner, nor any member of Regional Developer's or an Owner's immediate family will have any direct or indirect interest (e.g., through a spouse) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, representative or agent, or in any other capacity, in any Competitive Business located or operating: (a) within the Development Area; (b) within the development area of any of our other regional developers, (c) within twenty-five (25) miles of any Franchise or Regional Developer franchise or in operation or development on the date of assignment, expiration or termination; or (d) within any unsold development areas. The term "Competitive Business" means any business which derives more than Fifty-Thousand Dollars (\$50,000) of revenue per year from the performance of chiropractic or related services, or any business which grants franchises or licenses to others to operate such a business, other than a Franchise operated under a franchise agreement with us.

13. TERMINATION.

13.1 Termination by Company. We may terminate this Agreement, effective upon written notice of termination to Regional Developer, if:

- (a) Regional Developer or one of its Owners makes or attempts to make a transfer in violation of Section 11;
- (b) Regional Developer fails to meet the Minimum Development Obligation for any Development Period;
- (c) Regional Developer has made or makes a material misrepresentation or omission in acquiring the rights under this Agreement or in operating the Regional Developer Business;
- (d) Regional Developer does not satisfactorily complete initial training;
- (e) Regional Developer is convicted by a trial court of, or pleads no contest to, a felony;
- (f) Regional Developer fails to maintain the insurance we require from time to time;

- (i) Developer (a) fails on three (3) or more separate occasions within any twenty-four (24) consecutive month period to submit when due reports or other data, information or supporting records, pay when due any amounts due to us (or our affiliates), or otherwise comply with this Agreement, whether or not Regional Developer corrects any of these failures after we deliver written notice to regional Developer; or (b) fails on two (2) or more separate occasions within any twelve (12) consecutive month period to comply with the same obligations under this Agreement, whether or not Regional Developer corrects either of the failures after we deliver written notice to Regional Developer;
- (j) Regional Developer makes an assignment for the benefit of creditors or admits in writing insolvency or inability to pay debts generally as they become due; Regional Developer consents to the appointment of a receiver, trustee or liquidator of all or the substantial part of the assets of the Regional Developer Business; or the assets of the Regional Developer Business are attached, seized, subjected to a writ or distress warrant, or levied upon, unless the attachment, seizure, writ, warrant or levy is vacated within thirty (30) days following the order' entry;
- (k) Regional Developer fails to comply with any other provision of this Agreement and does not correct the failure within thirty (30) days after we deliver written notice of the failure to Regional Developer; or
- (l) Regional Developer fails to pay any sums due to us and does not correct the failure within ten (10) days after we deliver written notice of that failure to Regional Developer.

We have the right to terminate any other agreement between us and Regional Developer due to a default by Regional Developer.

The Joint RD FDD – Exhibit C – RD Agreement

13.2 Rights and Obligations Upon Termination or Expiration. Upon the expiration of the Term, or upon the earlier termination of this Agreement, Regional Developer shall have no further right to construct, equip, own, open or operate additional Franchises (except pursuant to a Franchise Agreement between Regional Developer and us which is in full force and effect on the date of expiration or termination). Upon expiration or termination of this Agreement, we may ourselves construct, equip, open, own or operate, or license others to construct, equip, open, own or operate Franchises in the Development Area, except as provided in any Franchise Agreement executed pursuant to this Agreement. When this Agreement expires or is terminated for any reason and except as required to perform Regional Developer's obligations under a valid Franchise Agreement with us, Regional Developer shall:

(a) not directly or indirectly at any time thereafter or in any manner: (a) identify itself or any business as a current or former regional developer or ours; (b) use any Mark, any colorable imitation of a Mark, any trademark, service mark or commercial symbol that is confusingly similar to any Mark or other indicia of an Franchise in any manner or for any purpose; or (c) use for any purpose any trade name, trademark, service mark or other commercial symbol that indicates or suggests a connection or association with us;

(b) take the actions required to cancel all fictitious or assumed name or equivalent registrations relating to Regional Developer's use of any Mark;

(c) deliver to us within thirty (30) days all advertising, marketing and promotional material, forms and other materials containing any Mark or otherwise identifying or relating to the Regional Developer Business or to an Franchise;

(d) if applicable, notify all search engines of the termination or expiration of Regional Developer's right to use all domain names, Websites and other search engines associated directly or indirectly with the Marks or Franchises and authorize those search engines to transfer to us or our designee all rights to the domain names, Websites and search engines relating to the Marks or Franchises. We have the absolute right and interest in and to all domain names, Websites and search engines associated with the Marks or Franchises, and Regional Developer hereby authorizes us to direct all applicable parties to transfer Regional Developer's domain names, Websites and search engines to us or our designee if this Agreement expires or is terminated for any reason whatsoever. All parties may accept this Agreement as conclusive of our right to such domain names, Websites and search engines and this Agreement will constitute the authority from Regional Developer for all parties to transfer all such domain names, Websites and search engines to us;

(e) immediately cease using any of our Confidential Information in any business or otherwise and return to us all copies of the Manuals and any other confidential materials that we have loaned Regional Developer; and

(f) give us, within thirty (30) days after the expiration or termination of this Agreement, evidence satisfactory to us of Regional Developer's compliance with these obligations.

13.3 Termination Fee. In the event Regional Developer terminates this Agreement or ceases to do business, or Company terminates this Agreement pursuant to Paragraph 18.1 of this Agreement, the Regional Developer shall pay Company a termination fee equal to one-half of our highest then-current development fee for regional developer franchises, plus our attorneys' fees and costs incurred in connection with the early termination.

14. MEDIATION AND ARBITRATION.

14.1 Mediation. If a dispute arises under this Agreement, the parties agree to try to settle the dispute through good-faith participation in a mediation conducted by a mediator who is acceptable to both parties before proceeding to arbitration. However, we will not be required to proceed with mediation if we elect to enforce this Agreement or to seek temporary or permanent injunctive relief as provided above.

14.2 Arbitration. Except insofar as we elect to enforce this Agreement or to seek temporary or permanent injunctive relief as provided above, all controversies, disputes or claims arising between us, our affiliates, owners, officers, directors, agents and employees (in their representative capacity) and you (and your Principal Owners and guarantors) arising out of or related to: (i) this Agreement or any provision thereof or any related agreement (except for any lease or sublease with us or any of our affiliates); (ii) the relationship of the parties hereto; (iii) the validity of this Agreement or any related agreement, or any provision thereof; or (iv) any specification, standard or operating procedure relating to the establishment or operation of the Regional Developer franchise, shall be submitted for arbitration to be administered by the office of the American Arbitration Association. Such arbitration proceedings shall be conducted in Maricopa County, Arizona, and, except as otherwise provided in this Agreement, shall be conducted in accordance with the commercial arbitration rules of the American Arbitration Association then in effect. The arbitrator shall have the right to award or include in his award any relief which he or she deems proper in the circumstances, including without limitation, money damages (with interest on unpaid amounts from date due), specific performance, injunctive relief, attorneys' fees and costs. The award and decision of the arbitrator shall be conclusive and binding on all parties to this agreement and judgment on the award may be entered in any court of competent jurisdiction. Each party waives any right to contest the validity or enforceability of such an award. The provisions of this Paragraph are intended to benefit and limit third party non-signatories and will continue in full force and effect subsequent to and notwithstanding expiration or termination of this Agreement. The parties agree that arbitration shall be conducted on an individual, not a class-wide basis, and that any such arbitration shall not be consolidated with any other arbitration proceeding.

15. GENERAL CONDITIONS AND PROVISIONS.

15.1 Relationship of Regional Developer to Company. It is expressly agreed that the parties intend by this Agreement to establish between us and Regional Developer the relationship of franchisor and franchisee. Except as expressly provided herein, it is further agreed that Regional Developer has no authority to create or assume in our name or on our behalf, any obligation, express or implied, or to act or purport to act as agent or representative on our behalf for any purpose whatsoever. In no event shall either party be deemed to be fiduciaries of the other. Neither we nor Regional Developer is the employer, employee, agent, partner or co-venturer of or with the other, each being independent contractors. Regional Developer agrees that it will not hold himself out as the agent, employee, partner or co-venturer of ours, or as having any of the aforesaid authority. All Employees hired by or working for Regional Developer shall be the employees of Regional Developer and shall not, for any purpose, be deemed employees of us or subject to our control.

The Joint RD FDD – Exhibit C – RD Agreement

15.2 Indemnification. To the fullest extent permitted by law, Regional Developer agrees to indemnify, defend and hold harmless us, our affiliates, and our and their respective shareholders, directors, officers, employees, agents, representatives, successors and assigns (the "Indemnified Parties") from and against, and to reimburse any one or more of the Indemnified Parties for any and all claims, obligations and damages directly or indirectly arising out of: (1) the Regional Developer Business conducted by Regional Developer pursuant to this Agreement, (2) Regional Developer's breach of this Agreement, or (3) Regional Developer's non-compliance or alleged non-compliance with any law, ordinance, rule or regulation. For purposes of this indemnification, "claims" include all obligations, damages (actual, consequential, punitive or otherwise) and costs that any Indemnified Party reasonably incurs in defending any claim against it, including, without limitation, reasonable accountants', arbitrators', attorneys' and expert witness' fees, costs of investigation and proof of facts, court costs, travel and living expenses and other expenses of litigation, arbitration or alternative dispute resolution, regardless of whether litigation or alternative dispute resolution is commenced. Each Indemnified Party may defend and control the defense of any claim against it which is subject to this indemnification at Regional Developer's expense, and Regional Developer may not settle any claim or take any other remedial, corrective or other actions relating to any claim without our consent. This indemnity will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. An Indemnified Party need not seek recovery from an insurer or other third party, or otherwise mitigate its losses and expenses, in order to maintain and recover fully a claim against Regional Developer. Regional Developer agrees that a failure to pursue a recovery or mitigate a loss will not reduce or alter the amounts that an Indemnified Party may recover from Regional Developer.

15.3 Waiver and Delay. Except as otherwise expressly provided to the contrary, no waiver by us of any breach or series of breaches or defaults in performance by the Regional Developer, and no failure, refusal or neglect of or by us to exercise any right, power or option given to us under this Agreement or under any other agreement between us and Regional Developer, whether entered into before, after or contemporaneously with the execution of this Agreement (and whether or not related to this Agreement) or to insist upon strict compliance with or performance of the Regional Developer's obligations under this Agreement or any other agreement between us and Regional Developer, whether entered into before, after or contemporaneously with the execution of this Agreement (and whether or not related to this Agreement), shall constitute a novation, or a waiver of the provisions of this Agreement with respect to any subsequent breach thereof or a waiver of our right at any time thereafter to require exact and strict compliance with the provisions thereof.

15.4 Survival of Covenants. The covenants contained in this Agreement which, by their terms, require performance by the parties after the expiration or termination of this Agreement or ancillary agreements, shall be enforceable notwithstanding said expiration or other termination of this Agreement for any reason whatsoever.

15.5 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the legal representatives, successors and assigns of us and Regional Developer.

15.6 Joint and Several Liability. If either party consists of more than one person or entity, or a combination thereof, the obligations and liabilities of each such person or entity to the other under this Agreement are joint and several.

15.7 Governing Law. Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.) and except for all issues relating to arbitrability or the enforcement or interpretation of the agreement to arbitrate set forth in Section 14 that will be governed by the United States Arbitration Act (9 U.S.C. § 1 et seq.) and the federal common law relating to arbitration, this Agreement and the Regional Developer franchise will be governed by the internal laws of the State of Arizona (without reference to its choice of law and conflict of law rules), except that the provisions of any Arizona law relating to the offer and sale of business opportunities or franchises or governing the relationship of a franchisor and its franchisees will not apply unless their jurisdictional requirements are met independently without reference to this Paragraph. You agree that we may institute any action against you arising out of or relating to this Agreement (which is not required to be arbitrated hereunder or as to which arbitration is waived) in any state or federal court of general jurisdiction in Maricopa County, Arizona, and you irrevocably submit to the jurisdiction of such courts and waive any objection you may have to either the jurisdiction or venue of such court.

15.8 Consent to Jurisdiction. Subject to Section 14 and the provisions below, Regional Developer and its owners agree that all actions arising under this Agreement or otherwise as a result of the relationship between Regional Developer and us must be commenced in the State of Arizona, and in the state or federal court of general jurisdiction closest to where our principal business address then is located, and Regional Developer (and its Owners) irrevocably submits to the jurisdiction of those courts and waives any objection Regional Developer (or its owners) might have with either the jurisdiction of or venue in those courts. Nonetheless, Regional Developer and any of its Owners agree that we may enforce this Agreement and any arbitration orders and awards in the courts of the state or states in which Regional Developer or its Owners are domiciled.

15.9 Waiver of Punitive Damages and Jury Trial. Except for Regional Developer's obligation to indemnify us under Section 15.2 above and except where authorized by federal statute, we and Regional Developer and its Owners waive to the fullest extent permitted by law any right to or claim for any punitive or exemplary damages against the other and agree that, in the event of a dispute between us and Regional Developer, the party making a claim will be limited to equitable relief and to recovery of any actual damages it sustains. We and Regional Developer irrevocably waive trial by jury in any action, proceeding or counterclaim, whether at law or in equity, brought by either party.

15.10 Limitation of Claims. Any and all claims arising out of or relating to this Agreement or our relationship with Regional Developer, except for claims for indemnification under Section 15.2 above, will be barred unless a judicial or arbitration proceeding is commenced within one (1) year from the date on which the party asserting the claim knew or should have known of the facts giving rise to the claims.

15.11 Entire Agreement. This Agreement and the Exhibits incorporated in the Agreement contain all of the terms and conditions agreed upon by the parties to this Agreement with reference to the subject matter of this Agreement. No other agreements, and all prior agreements, understanding and representations are merged in this Agreement and superseded by this Agreement. Each party represents to the other that there are no contemporaneous agreements or understandings between the parties relating to the subject matter of this Agreement that are not contained in this Agreement. This Agreement cannot be modified or changed except by written instrument signed by all of the parties to this Agreement, provided that we may modify or amend the Manuals at any time without notice to, or approval of, Regional Developer or any other person. Nothing in this Agreement shall have the effect of disclaiming any of the information in the Franchise Disclosure Document or its attachments or addenda.

15.12 Title for Convenience. Article and Section titles used in this Agreement are for convenience only and shall not be deemed to affect the meaning or construction of any of the terms, provisions, covenants or conditions of this Agreement.

15.13 Gender. All terms used in any one number or gender shall extend to mean and include any other number and gender as the facts, context or sense of this Agreement or any section or paragraph hereof may require.

The Joint RD FDD – Exhibit C – RD Agreement

15.14 Severability. Except as expressly provided to the contrary in this Agreement, each Section, paragraph, term and provision of this Agreement in severable, and if, for any reason, any part thereof, to be invalid or contrary to or in conflict with any applicable present or future law and regulation in a final, unappealable ruling issued by any court, agency or tribunal with competent jurisdiction, that ruling will not impair the operation or, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, we and Regional Developer agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity. If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of this Agreement's termination or of our refusal to enter into a successor agreement, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement is invalid or unenforceable or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement, and we may modify the invalid or unenforceable provisions to the extent required to be valid and enforceable or delete the unlawful provision in its entirety. Regional Developer agrees to be bound by any promise or covenant imposing the maximum duty the law permits which is subsumed within any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement.

15.15 Fees and Expenses. Should any party to this Agreement commence any action or proceeding for the purpose of enforcing, or preventing the breach of, any provision of this Agreement, whether by arbitration, judicial or quasi-judicial action or otherwise, or for damages for any alleged breach of any provision of this Agreement, or for a declaration of such party's rights or obligations under this Agreement, then the prevailing party shall be reimbursed by the losing party for all costs and expenses incurred in connection therewith, including, but not limited to, reasonable attorneys' fees for the services rendered to such prevailing party.

15.16 Notices. Except as otherwise expressly provided herein, all written notices and reports permitted or required to be delivered by the parties pursuant to this Agreement shall be deemed so delivered at the time delivered by hand, one (1) business day after transmission by mail, via registered or certified mail, return receipt requested; or one (1) business day after placement with Federal Express, or other reputable air courier service, requesting delivery on the most expedited basis available, postage prepaid and addressed as follows:

15.17 Time of Essence. Time shall be of the essence for all purposes of this Agreement.

15.18 Lien and Security Interest. To secure your performance under this Agreement and indebtedness for all sums due us or our affiliates, we shall have a lien upon, and you hereby grant us a security interest in, the following collateral and any and all additions, accessions, and substitutions to or for it and the proceeds from all of the same: (a) all inventory now owned or after-acquired by you and the Regional Developer Business, including but not limited to all inventory and supplies transferred to or acquired by you in connection with this Agreement; (b) all accounts of you and/or the Regional Developer Business now existing or subsequently arising, together with all interest in you and/or the Regional Developer Business, now existing or subsequently arising, together with all chattel paper, documents, and instruments relating to such accounts; (c) all contract rights of you and/or the Regional Developer Business, now existing or subsequently arising; and (d) all general intangibles of you and/or the Regional Developer Business, now owned or existing, or after-acquired or subsequently arising. 16. SUBMISSION OF AGREEMENT.

This Agreement shall not be binding upon us unless and until it shall have been submitted to and signed by our Chief Executive, and the date of said signing as set forth on the first page of this Agreement shall be the effective date of this Agreement.

17. ACKNOWLEDGMENTS.

To induce us to sign this Agreement and grant Regional Developer the Franchise, Regional Developer acknowledges:

STATE-SPECIFIC ADDENDA

TO REGIONAL DEVELOPER AGREEMENT

Addenda to RD Agreement

CALIFORNIA ADDENDUM TO REGIONAL DEVELOPER AGREEMENT

1. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

2. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

3. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

4. The franchise agreement requires binding arbitration. The arbitration will occur in Maricopa County, State of Arizona.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

5. The Agreement requires the application of laws of Arizona. This requirement may be unenforceable under California law.

6. You must sign a general release if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed and delivered this California Addendum to the Regional Developer Agreement on the same date as the Regional Developer Agreement was executed.

ILLINOIS ADDENDUM TO REGIONAL DEVELOPER AGREEMENT

1. Articles 3.2 and 14.5 each contain a provision requiring a general release as a condition of renewal and transfer of the franchise. Such release will exclude claims arising under the Illinois Franchise Disclosure Act.

2. Article 13 is supplemented by the addition of the following, which will be considered an integral part of the Agreement:

“If any of the provisions of this Article 13 concerning termination are inconsistent with Section 19 of the Illinois Franchise Disclosure Act of 1987, Illinois law will apply.”

3. The Illinois Franchise Disclosure Act will govern the Agreement with respect to Illinois Franchisees. The provisions of the Agreement concerning governing law, jurisdiction, and venue will not constitute a waiver of any right conferred on you by the Illinois Franchise Disclosure Act. Consistent with the foregoing, any provision in the Agreement which designates jurisdiction and venue in a forum outside of Illinois is void with respect to any cause of action which is otherwise enforceable in Illinois.

4. This Agreement requires that it be governed by Arizona law. To the extent that such law conflicts with the Illinois Franchise Disclosure Act, the Act will control.

5. Although the Agreement requires litigation to be instituted in a state or federal court in the county and state where our principal executive offices are located, you must institute all litigation in a court of competent jurisdiction located in the State of Illinois, subject to the arbitration provision of the Agreement.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors and Stockholders
The Joint Corp. and Subsidiary

We have audited the accompanying consolidated balance sheets of The Joint Corp. and Subsidiary (the "Company") as of December 31, 2012 and 2011 and the related consolidated statements of income, stockholders' equity, and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Joint Corp. and Subsidiary as of December 31, 2012 and 2011 and the results of their operations and their cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

THE JOINT CORP. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Business - The Joint Corp. ("The Joint" or the "Company"), was incorporated in Delaware on March 10, 2010. The Company develops, owns, operates and franchises chiropractic clinics under the name of "The Joint". The franchising of chiropractic clinics is regulated by the Federal Trade Commission and various state authorities. As of December 31, 2012, there were 82 clinics operating in 17 states. An additional 258 franchise clinics were committed to be opened through signed franchise agreements and an additional 242 clinics were committed to be developed through signed area development agreements with Regional Developers as of December 31, 2012.

The Joint Corporate Unit No. 1, LLC ("Clinic"), was formed in Arizona on July 14, 2010, for the purpose of operating chiropractic centers in the state of Arizona. The Clinic was sold on July 1, 2012 and all remaining account balances are consolidated with the Company as of December 31, 2012.

Principles of Consolidation - The accompanying consolidated financial statements include the accounts of the Company and its wholly-owned subsidiary. All significant inter-company transactions and balances have been eliminated in consolidation.

Acquisition - On March 24, 2010, The Joint Corp. acquired certain franchise agreements, intellectual property rights, and trade receivables of the Joint Franchise Co., LLC in exchange for 8,000 shares of the Company's common stock. Under the terms of the asset purchase agreement, The Joint Corp. assumed the liabilities of The Joint Franchise Co., LLC for the performance of the franchisor's obligations under the acquired franchise agreements. Management has determined that there is no material value associated with the assets received or stock issued under the asset purchase agreement. Therefore, there is no acquisition accounting for the estimated fair value of the assets acquired.

Management's Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Company to make estimates and assumptions that affect the reported amounts

of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Financial Instruments - Due to their short-term nature, the carrying value of the current financial assets and liabilities approximates their fair value. The fair value of long-term debt approximates the carrying amount based upon the expected borrowing rate for debt with similar remaining maturities and comparable risk.

Cash and Cash Equivalents - Cash equivalents include all investments with original maturities of three months or less or which are readily convertible into known amounts of cash and are not legally restricted. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000, while the remaining balance of approximately \$3,400,000 is uninsured at December 31, 2012. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Accounts Receivable, Net - The Company provides an allowance for uncollectible accounts on accounts receivable based on historical losses and existing economic conditions, when relevant. They provide for a general bad debt reserve for franchise receivables due to increases in days' sales outstanding and deterioration in general economic market conditions. This general reserve is based on the aging of receivables meeting specified criteria and is adjusted each quarter based on past due receivable balances. Any changes to the reserve are recorded in general and administrative expenses. There was no allowance for uncollectible accounts at December 31, 2012 and 2011. The Company does not accrue interest on outstanding amounts.

Property and Equipment - Property, equipment and leasehold improvements are recorded at cost. Repair and maintenance costs are charged to operations when incurred. Furniture, fixtures, and equipment are depreciated using the straight-line method over estimated useful lives ranging from 3-7 years. Leasehold improvements are amortized using the straight-line method over the shorter of the lease term, including reasonably assured renewal options, or the estimated useful life of the assets.

Recoverability of Property, Equipment and Leasehold Improvements, Impairment Charges, and Exit and Disposal Costs - The Company evaluates clinic sites and long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of clinic sites to be held and used is measured by a comparison of the carrying amount of the site to the undiscounted future net cash flows expected to be generated on a clinic-by-clinic basis. If a clinic is determined to be impaired, the loss is measured as the amount by which the carrying amount of the clinic exceeds its fair value. Fair value, as determined by the discounted future net cash flows, is estimated based on the best information available including estimated future cash flows, expected growth rates in comparable clinic sales, remaining lease terms and other factors. If these assumptions change in the future, the Company may be required to take additional impairment charges for the related assets. Considerable management judgment is necessary to estimate future cash flows. Accordingly, actual results could vary significantly from the estimates.

The Company accounts for exit or disposal activities, including clinic closures, in accordance with the FASB Accounting Standards Codification for Exit or Disposal Cost Obligations. Such costs include the cost of disposing of the assets as well as other facility-related expenses from previously closed clinics. These costs are generally expensed as incurred. Additionally, at the date they cease using a property under an operating lease, the Company records a liability for the net present value of any remaining lease obligations, net of estimated sublease income. Any subsequent adjustments to that liability as a result of lease termination or changes in estimates of sublease income are recorded in the period incurred. Upon disposal of the assets associated with a closed clinic, any gain or loss is recorded in the same caption as the original impairment within the Consolidated Statements of Operations.

Marketing Fund and Restricted Cash - In year ended 2010, the Company established a system-wide Marketing fund. Company-owned clinics in addition to franchise-operated clinics, that entered into franchise agreements with the Company after March 10, 2010, are required to contribute a percentage of net sales to the fund that is used for public relations and marketing development efforts throughout the system. These clinics were required to contribute 1.0% of net sales to this fund. The assets held by this fund are considered restricted and are in a separate checking

account. The excess of cash held over the related expenditures is recorded as a liability and is included in accounts payable on the consolidated balance sheet as of December 31, 2012. As of December 31, 2011, the marketing expenditures relating to the marketing fund exceeded the marketing fund collections from the franchisees and, accordingly, this was recorded as an expense in the Consolidated Statements of Operations.

Common Stock - Certain stockholders entered into the Founder's Restricted Stock Purchase Agreements (FRSPA) where their purchase of stock vests over a three-year period. This form of agreement is used to ensure that the stock owned by all of the founders is at risk and thus subject to forfeiture if a founder leaves the Company.

The FRSPA permits the Company to buy back any shares not vested should the founder cease to be an employee, consultant, director or advisor. In 2011, one employee left the Company and his 424,500 restricted shares were returned and 212,250 unrestricted shares were issued. The remaining 212,250 shares were issued to new management under the FRSPA agreement. There were 388,980 shares restricted at December 31, 2012 and 2011.

On January 9, 2013, a Certificate of Amendment of Certificate of Incorporation was filed with the Delaware Secretary of State. This amendment authorized the Company to increase the number of Common Stock shares from 150,000 to 4,000,000.

On November 26, 2012, the Board declared a dividend of 29 shares of common stock of the Company on each share of common stock outstanding as of December 1, 2012. The stock dividend is effective and payable automatically as of the effective date of the Certificate of Amendment which was January 9, 2013. The stock dividend has been accounted for as a stock split and retroactively reflected in these financial statements. After the stock dividend, 750,000 shares of the Company's common stock shall be reserved for issuance upon the conversion of any shares of its preferred stock.

Revenue Recognition - The Company records clinic sales at the time chiropractic services are rendered. The Company's revenue recognition policy for franchise and regional developer agreements is detailed below.

Franchise Arrangements - The franchise related revenue consists of initial franchise fees, transfer fees, successor fees, continuing royalty payments, software fees and IT related income.

The initial, non-refundable, franchise fee was typically \$19,500 from March 2010 to April 1, 2011 and then increased to \$29,000 per clinic, of which \$1,000 to \$15,300, respectively, is recognized immediately when a franchise agreement is signed, reflecting the commission earned related to the sale. The remaining non-refundable fee of \$18,500 to \$27,550 is included in deferred franchise fees and is recognized as revenue when the Company has performed substantially all of its obligations, which generally occurs upon the opening of the clinic.

Transfer fees represent consideration paid by the new franchisee to obtain the same rights and services as the former franchisee when ownership is transferred. Successor fees are charged to existing franchisees upon renewal of the franchise agreement. This fee is similar to, but typically less than the initial fee. No successor fees have occurred to date.

All franchise clinics pay a royalty equal to 7% of gross sales and an ad fund fee of 1% of gross sales. Certain franchises with franchise agreements acquired as part of the asset purchase discussed in Acquisition pay monthly flat fees of \$699 under their existing agreements.

Franchise clinics pay a computer software fee of \$275 monthly for use of the Company's proprietary chiropractic software, computer support and internet services support. The new proprietary software was rolled out to all of the clinics in April 2012.

IT related revenue represents a fee of \$3,800 to purchase the clinic's computer equipment, pre-installed chiropractic system software, the key card scanner (patient identification card), credit card scanner and credit card receipt printer.

Regional Developer Fee - Starting in 2011, the Company established a regional development program to bring on independent contractors to assist in developing a specified geographical region or unit. The Regional Developer (RD) pays a fee for the right to develop this unit and in turn, generally receives 50% of all franchise fees collected and 3% of all royalties collected for their region. Any clinics developed by the RD over their contracted minimum in the territory, requires no additional fee. The RD fee consists of a one-time, non-refundable payment equal to \$7,250 per unit in consideration for the services the Company performs prior to the execution of the regional development agreement and receipt of the

corresponding fee. Substantially all of these services, which include, but are not limited to the following: a meeting with the Company's Executive Team, performing background investigations on potential RD's and establishing the territory based upon the amount of funds the RD has available to invest. As a result, the Company recognizes this RD fee in full upon receipt. The Regional Development Agreements have an initial term of 10 years.

Significant Customers - During 2012, one customer accounted for approximately 10% of total revenues. During 2011, four customers accounted for approximately 47% (14%, 12%, 11% and 10%) of total revenues.

Advertising Costs - Advertising costs are charged to expense as incurred. Advertising costs were approximately \$223,775 and \$132,512, for fiscal years 2012 and 2011, respectively, and are included in operating expenses in the Consolidated Statements of Operations.

Pre-opening Expenses - All start-up and pre-opening clinic costs are expensed as incurred. In fiscal 2012, the Company did not open any new Company-owned clinics.

Lease Accounting - The Company recognizes lease expense on a straight-line basis for their operating leases over the entire lease term including lease renewal options and build-out periods where the renewal is reasonably assured and the build-out period takes place prior to the clinic opening or lease commencement date. The Company accounts for construction allowances by recording a receivable when its collectability is considered probable, and relieve the receivable once the cash is obtained from the landlord for the construction allowance. Construction allowances are amortized as a credit to rent expense over the full term of the lease, including reasonably assured renewal options and build-out periods.

Income Taxes - The Company provides for income taxes based on their estimate of federal and state income tax liabilities. These estimates include, among other items, effective rates for state and local income taxes, allowable tax credits for items such as estimates related to depreciation and amortization expense allowable for tax purposes and the tax deductibility of certain other items. The estimates are based on the information available to the Company at the time they prepare the income tax

provision. The Company generally files their annual income tax returns several months after their year end. Income tax returns are subject to audit by federal, state, and local governments, generally years after the tax returns are filed. These returns could be subject to material adjustments or differing interpretations of the tax laws.

Net Income per Common Share - Basic net income per common share ("EPS") is computed by dividing net income by the weighted average number of common shares outstanding for the reporting period. Diluted EPS equals net income divided by the sum of the weighted average number of shares of common stock outstanding plus all additional common stock equivalents relating to preferred stock when dilutive. Total common stock equivalents that could be convertible into common stock were 750,000 for 2012 and 2011.

Reclassifications - Certain amounts in 2011 have been reclassified to conform to the 2012 presentation.

Company-Owned Clinic - The results of operations for the Company's owned clinic for 2012 and 2011 are as follows:

	<u>2012 (1/2 yr)</u>	<u>2011</u>
Revenues	\$ 60,122	\$102,864

Net Loss	<u>\$ (21,122)</u>	<u>\$ (69,077)</u>

2. **PROPERTY AND EQUIPMENT**

Property and equipment at December 31, 2012 and 2011 consists of the following:

Depreciation and amortization expense was \$49,814 and \$18,721 for the periods ended December 31, 2012 and 2011, respectively.

3. NOTES RECEIVABLE, INCLUDING RELATED PARTY

On October 18, 2012 Mr. Fred Gerretzen, shareholder and Director, transferred his ownership in a clinic to a third party. Per the franchise agreement, when a clinic license is transferred, the Company charges a \$21,750 transfer fee to the transferring entity. At the time of transfer, the Board approved a deferral of payment for 12 months. Mr Gerretzen was issued a promissory note for \$21,750 at 0% annum, calculated an implied interest rate of 2-3% based upon current interest rates and determined the interest would be less than \$200. The note matures October 17, 2013 and is classified as short-term.

Effective July, 1, 2012, the Company sold the Company-owned Clinic for \$90,000 including the license agreement, equipment and customer base. The Company received a promissory note for \$90,000 that bears interest at 6% per annum for fifty-four(54) months. The purchaser agreed to make monthly principal and interest payments over forty-two (42) months starting August 1, 2014. The note matures on January 1, 2018.

	<u>2012</u>
Short-term note receivable	\$ 32,105
Long-term note receivable	<u>79,645</u>
Total Notes receivable	<u>\$111,750</u>

The unpaid interest receivable was \$2,734 as of December 31, 2012.

4. OPERATING LEASES

The Company has various operating leases for the clinic and corporate office space with remaining lease terms ranging from 1 to 3 years, excluding lease renewal options. All of these leases contain provisions for payments of real estate taxes, insurance and common area maintenance costs. Total occupancy lease costs for December 31, 2012 and 2011 including rent and CAM charges were approximately \$117,002 and \$185,357, respectively. Minimum rents were approximately \$132,657 and \$144,300 for December 31, 2012 and 2011, respectively.

In 2011, the Company subleased part of its corporate office space to a stockholder under a month-to-month arrangement. In 2011, the Company recognized \$49,000 of sublease income which partially offset rent expense.

Effective July 1, 2012, the Company subleased the Clinic location to the purchaser and the payments were made directly to the landlord. The lease expires December 31, 2015.

Future minimum lease payments existing at December 31, 2012 were:

<u>Year End</u>	
2013	\$130,428
2014	24,080
2015	22,500
2016	<u>-</u>
Total	<u>\$177,008</u>

5. INCOME TAXES

The following table summarizes the income tax expense for income taxes:

	<u>2012</u>	<u>2011</u>
CURRENT:		
Federal	\$ 122,353	\$ -
State	18,912	45
DEFERRED:		
Federal	(369,118)	-
State	<u>(50,409)</u>	<u>-</u>
Total	<u>\$ (278,261)</u>	<u>\$ 45</u>

The impact of uncertain tax positions taken or expected to be taken on income tax returns must be recognized in the financial statements at the largest amount that is more likely than not to be sustained upon audit by the relevant taxing authority. An uncertain income tax position will not be recognized in the financial statements unless it is more likely than not of being sustained.

The Company files income tax returns in the U.S. federal jurisdiction and in Arizona jurisdiction. The effective tax rate for 2012 and 2011 differs from the U.S. Federal statutory tax rate of 34% due to the treatment of franchise fees which are deferred for book purposes and the utilization of net operating losses in 2011.

The Company's tax returns remain open to examination by the related tax jurisdictions for 2010 and 2011.

Deferred taxes recognize the impact of temporary differences between the amounts of assets and liabilities recorded for financial statement purposes and such amounts measured in accordance with tax laws. The net deferred tax asset of approximately \$420,000 and \$244,000 at December 31, 2011 and 2010, respectively, represents primarily the recognition of franchise fees between book and tax return purpose, \$506,000, and depreciation differences (\$86,000) in 2012. In 2011, the difference was due to available net operating loss carryforwards. During year end 2012 and 2011, the deferred tax asset was reviewed for expected utilization using a "more likely than not" approach as required by FASB Standard Codification for Income Taxes, by assessing the available positive and negative evidence surrounding its recoverability. The Company was still in the early stages of developing its business model in 2011 and, accordingly, it had provided a full valuation allowance against this asset in 2011. The valuation allowance decreased approximately \$224,000 due to the utilization of its net operating loss carryforward.

6. RELATED PARTY TRANSACTIONS

The Company entered into consulting and legal agreements with certain common stockholders related to services performed for the development of the Company. Amounts paid to these stockholders were \$556,186 and \$525,939, and rents received of \$0 and \$48,962, for the years ended December 31, 2012 and 2011, respectively. Amounts due to these stockholders at December 31, 2012 and 2011 were \$1,263 and \$525, respectively, and are included in accounts payable on the accompanying consolidated balance sheet.

As noted in the Notes Receivable footnote above, Mr. Fred Gerretzen, shareholder and Director, transferred his ownership in a clinic to a third party. When the transfer occurred, the Board approved a deferral of the \$21,750 payment for 12 months. A promissory note was issued at 0% annum. The note matures October 17, 2013.

7. CONTINGENCIES

The Company currently has no claims filed against it. At such time any claim is filed, the Company will determine the likelihood of a favorable or unfavorable outcome and will accrue for the contingency based upon the most recent information.

8. SUBSEQUENT EVENTS (UNAUDITED)

APPROVAL OF 2012 STOCK PLAN AND RESERVATION OF SHARES

In November 2012, the Company adopted the 2012 Stock Plan. The purpose of the 2012 Plan is to attract and retain the best available personnel for positions of substantial responsibility, provide incentives and additional ownership opportunities for employees, directors and consultants, and generally promote the success of the Company's business. A recommended amount of shares to set aside for this purpose will be presented to the stockholders at the Annual Shareholder's Meeting in April 2013.

The Joint Corp. and Subsidiary

We have audited the accompanying consolidated balance sheet of The Joint Corp. and Subsidiary (the "Company") as of December 31, 2011 and the related consolidated statements of operations, stockholders' equity, and cash flows for the year ended December 31, 2011. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of the Company as of December 31, 2010, prior to restatement, were audited by other auditors whose report dated April 2, 2011, expressed an unqualified opinion on those statements. We also reviewed the adjustment described in Note 1 that was applied to restate the 2010 financial statements. In our opinion, such adjustment is appropriate and has been properly applied.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Joint Corp. and Subsidiary as of December 31, 2011 and the results of their operations and their cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

THE JOINT CORP. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Business - The Joint Corp. ("The Joint" or the "Company"), was incorporated in Delaware on March 10, 2010. The Company develops, owns, operates and franchises chiropractic clinics under the name of "The Joint". The franchising of chiropractic clinics is regulated by the Federal Trade Commission and various state authorities. As of January 1, 2012, there were 30 clinics operating in 11 states, including one Company-owned clinic and 29 franchise-operated clinics. An additional 97 franchise clinics were committed to be opened through signed franchise agreements and an additional 138 clinics were committed to be developed through signed area development agreements with Regional Developers as of December 31, 2011.

The Joint Corporate Unit No. 1, LLC ("Clinic"), was formed in Arizona on July 14, 2010, for the purpose of operating chiropractic centers in the state of Arizona.

Restatement - The financial statements for the period ended December 31, 2010 have been restated to reflect the expensing of the excess of expenditures related to the Marketing Fund over cash received from franchisees. The total adjustment was an increase in Selling and Marketing Expenses and a reduction in Current Assets amounting to \$95,985.

Principles of Consolidation - The accompanying consolidated financial statements include the accounts of the Company and its wholly-owned subsidiary. All significant inter-company transactions and balances have been eliminated in consolidation.

Acquisition - On March 24, 2010, The Joint Corp. acquired certain franchise agreements, intellectual property rights, and trade receivables of the Joint Franchise Co., LLC in exchange for 8,000 shares of the Company's common stock. Under the terms of the asset purchase agreement, The Joint Corp. assumed the liabilities of The Joint Franchise Co., LLC for the performance of the franchisor's obligations under the acquired franchise agreements. Management has determined that there is no material value associated with the assets received or stock issued under the asset purchase agreement. Therefore, there is no acquisition accounting for the estimated fair value of the assets acquired.

Management's Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Financial Instruments - Due to their short-term nature, the carrying value of the current financial assets and liabilities approximates their fair value. The fair value of long-term debt approximates the carrying amount based upon the expected borrowing rate for debt with similar remaining maturities and comparable risk.

Cash and Cash Equivalents - Cash equivalents include all investments with original maturities of three months or less or which are readily convertible into known amounts of cash and are not legally restricted. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000, while the remaining balance of approximately \$852,000 is uninsured at December 31, 2011. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Accounts Receivable, Net - The Company provides an allowance for uncollectible accounts on accounts receivable based on historical losses and existing economic conditions, when relevant. They provide for a general bad debt reserve for franchise receivables due to increases in days' sales outstanding and deterioration in general economic market conditions. This general reserve is based on the aging of receivables meeting specified criteria and is adjusted each quarter based on past due receivable balances. Any changes to the reserve are recorded in general and administrative expenses. There was no allowance for uncollectible accounts at December 31, 2011 and 2010. The Company does not accrue interest on outstanding amounts.

Property and Equipment - Property, equipment and leasehold improvements are recorded at cost. Repair and maintenance costs are charged to operations when incurred. Furniture, fixtures, and equipment are depreciated using the straight-line method over estimated useful lives ranging from 3-7 years. Leasehold improvements are amortized using the straight-line method over the shorter of the lease term, including reasonably assured renewal options, or the estimated useful life of the assets.

Recoverability of Property, Equipment and Leasehold Improvements, Impairment Charges, and Exit and Disposal Costs - The Company evaluates clinic sites and long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of clinic sites to be held and used is measured by a comparison of the carrying amount of the site to the undiscounted future net cash flows expected to be generated on a clinic-by-clinic basis. If a clinic is determined to be impaired, the loss is measured as the amount by which the carrying amount of the clinic exceeds its fair value. Fair value, as determined by the discounted future net cash flows, is estimated based on the best information available including estimated future cash flows, expected growth rates in comparable clinic sales, remaining lease terms and other factors. If these assumptions change in the future, the Company may be required to take additional impairment charges for the related assets. Considerable management judgment is necessary to estimate future cash flows. Accordingly, actual results could vary significantly from the estimates.

The Company accounts for exit or disposal activities, including clinic closures, in accordance with the FASB Accounting Standards Codification for Exit or Disposal Cost Obligations. Such costs include the cost of disposing of the assets as well as other facility-related expenses from previously closed clinics. These costs are generally expensed as incurred. Additionally, at the date they cease using a property under an operating lease, the Company records a liability for the net present value of any remaining lease obligations, net of estimated sublease income. Any subsequent adjustments to that liability as a result of lease termination or changes in estimates of sublease income are recorded in the period incurred. Upon disposal of the assets associated with a closed clinic, any gain or loss is recorded in the same caption as the original impairment within the Consolidated Statements of Operations.

Marketing Fund and Restricted Cash - In year ended 2010, the Company established a system-wide Marketing fund. Company-owned clinics in addition to franchise-operated clinics, that entered into franchise agreements with the Company after March 10, 2010, are required to contribute a percentage of net sales to the fund that is used for public relations and marketing development efforts throughout the system. These clinics were required to contribute 1.0% of net sales to this fund. The assets held by this fund are considered restricted and are in an interest bearing account. The excess of cash held over the related expenditures is recorded as a liability and would be included in accounts payable

on the consolidated balance sheets. As of December 31, 2011 and December 31, 2010, the marketing expenditures relating to the marketing fund exceeded the marketing fund collections from the franchisees and, accordingly, this has been recorded as an expense in the Consolidated Statements of Operations.

Common Stock - Certain stockholders entered into the Founder's Restricted Stock Purchase Agreements (FRSPA) where their purchase of stock vests over a three-year period. This form of agreement is used to ensure that the stock owned by all of the founders is at risk and thus subject to forfeiture if a founder leaves the Company.

The FRSPA permits the Company to buy back any shares not vested should the founder cease to be an employee, consultant, director or advisor. One employee left the Company in 2011. His 14,150 restricted shares were returned and 7,075 unrestricted shares were issued. The remaining 7,075 shares were issued to new management of the Company under the FRSPA agreement. There were 12,966 and 24,079 shares restricted at December 31, 2011 and 2010, respectively.

Revenue Recognition - The Company records clinic sales at the time chiropractic services are rendered. The Company's revenue recognition policy for franchise and regional developer agreements is detailed below.

Franchise Arrangements - The franchise related revenue consists of initial franchise fees, transfer fees, successor fees, continuing royalty payments, software fees and IT related income.

The initial, non-refundable, franchise fee is typically \$19,500 from March 2010 to April 1, 2011 and then increased to \$29,000 per clinic, of which \$1,000 to \$15,300, respectively, is recognized immediately when a franchise agreement is signed, reflecting the commission earned related to the sale. The remaining non-refundable fee of \$18,500 to \$27,550 is included in deferred franchise fees and is recognized as revenue when the Company has performed substantially all of its obligations, which generally occurs upon the opening of the clinic.

Transfer fees represent consideration paid by the new franchisee to obtain the same rights and services as the former franchisee when ownership is transferred. Successor fees are charged to existing franchisees upon renewal of the franchise agreement. This fee is similar to, but typically less than the initial fee. No successor fees have occurred to date.

All franchise clinics pay a royalty equal to 7% of gross sales and an ad fund fee of 1% of gross sales. Certain franchises with franchise agreements acquired as part of the asset purchase discussed in Acquisition pay monthly flat fees of \$699 under their existing agreements.

Franchise clinics pay a computer software fee of \$275 monthly for use of the chiropractic system software and computer support services. The Company is currently constructing proprietary software rolling out to all clinics the second quarter of 2012.

IT related revenue represents a fee of \$3,800 to purchase the clinic's computer equipment, pre-installed chiropractic system software, the key card scanner (patient identification card), credit card scanner and credit card receipt printer.

Regional Developer Fee - Starting in 2011, the Company established a regional development program to bring on independent contractors to assist in developing a specified geographical region or unit. The Regional Developer (RD) pays a fee for the right to develop this unit and in turn, generally receives 50% of all franchise fees collected and 43% of all royalties collected for their region. Any clinics developed by the RD over their contracted minimum in the territory, requires no additional fee. The RD fee consists of a one-time, non-refundable payment equal to \$7,250 per unit in consideration for the services the Company performs prior to the execution of the regional development agreement and receipt of the corresponding fee. Substantially all of these services, which include, but are not limited to the following: a meeting with the Company's Executive Team, performing background investigations on potential RD's and establishing the territory based upon the amount of funds the RD has available to invest. As a result, the Company recognizes this RD fee in full upon receipt. The Regional Development Agreements have an initial term of 10 years.

Significant Customers - During 2011 four customers accounted for approximately 47% (14%, 12%, 11% and 10%) of total revenues. During 2010, two customers accounted for approximately 34% (17% and 17%) of total revenues.

Advertising Costs - Advertising costs are charged to expense as incurred. Advertising costs were approximately \$103,500 and \$177,452, for fiscal years 2011 and 2010, respectively, and are

included in operating expenses in the Consolidated Statements of Operations.

Pre-opening Expenses - All start-up and pre-opening clinic costs are expensed as incurred. In fiscal 2011, the Company did not open any new Company-owned clinics.

Lease Accounting - The Company recognizes lease expense on a straight-line basis for their operating leases over the entire lease term including lease renewal options and build-out periods where the renewal is reasonably assured and the build-out period takes place prior to the clinic opening or lease commencement date. The Company accounts for construction allowances by recording a receivable when its collectability is considered probable, and relieve the receivable once the cash is obtained from the landlord for the construction allowance. Construction allowances are amortized as a credit to rent expense over the full term of the lease, including reasonably assured renewal options and build-out periods.

Income Taxes - The Company provides for income taxes based on their estimate of federal and state income tax liabilities. These estimates include, among other items, effective rates for state and local income taxes, allowable tax credits for items such as estimates related to depreciation and amortization expense allowable for tax purposes and the tax deductibility of certain other items. The estimates are based on the information available to the Company at the time they prepare the income tax provision. The Company generally files their annual income tax returns several months after their year end. Income tax returns are subject to audit by federal, state, and local governments, generally years after the tax returns are filed. These returns could be subject to material adjustments or differing interpretations of the tax laws.

Net Income per Common Share - Basic net income per common share ("EPS") is computed by dividing net income by the weighted average number of common shares outstanding for the reporting period. Diluted EPS equals net income divided by the sum of the weighted average number of shares of common stock outstanding plus all additional common stock equivalents relating to preferred stock when dilutive.

The Company had a net loss for the year ended December 31, 2010 and the effect of including dilutive securities in the earnings per common share would have been anti-dilutive. Accordingly, the potential conversion of Preferred Stock into Common Stock was

excluded from the calculation of diluted earnings per share for the year ended December 31, 2010. Total common stock equivalents that could be convertible into common stock were 25,000 for 2011 and 2010.

Company-Owned Clinic - The results of operations for the Company's owned clinic for 2011 and 2010 is as follows:

	<u>2011</u>	<u>2010</u>
Revenues	\$102,864	\$ 11,188
Costs	<u>171,941</u>	<u>55,197</u>
Net Loss	<u>\$(69,077)</u>	<u>\$(44,009)</u>

Reclassifications - Certain amounts in 2010 have been reclassified to conform to the 2011 presentation.

2. **PROPERTY AND EQUIPMENT**

Property and equipment at December 31, 2011 and 2010 consists of the following:

	<u>2011</u>	<u>2010</u>
Office and computer equipment	\$ 38,911	\$32,354
Leasehold improvements	44,131	44,131
Software developed	11,300	-
Construction in-process	<u>122,800</u>	<u>-</u>
Total property and equipment	217,142	76,485
Accumulated depreciation and amortization	<u>(21,792)</u>	<u>(3,071)</u>
Property and equipment, net	<u>\$195,350</u>	<u>\$73,414</u>

Depreciation and amortization expense was \$18,721 and \$3,071 for the periods ended December 31, 2011 and 2010, respectively.

3. **OPERATING LEASES**

The Company has various operating leases for the existing clinic and corporate office space with remaining lease terms ranging from 1 to 4 years, excluding lease renewal options. All of these leases contain provisions for payments of real estate taxes, insurance and common area maintenance costs. Total occupancy lease costs for December 31, 2011 and 2010 including rent and CAM charges were approximately \$186,700 and \$135,000, respectively.

Minimum rents were approximately \$144,300 and \$128,453 for December 31, 2011 and 2010, respectively.

The Company subleased part of its corporate office space to a stockholder under a month-to-month arrangement. The sublease of space has reduced the future minimum lease payments. In 2011 and 2010, the Company recognized \$49,000 and \$68,000, respectively, of sublease income which partially offset the total rent expense.

Future minimum lease payments existing at December 31, 2011 were:

<u>Year End</u>	
2012	\$153,636
2013	27,240
2014	24,080
2015	<u>22,500</u>
Total	<u>\$227,456</u>

4. INCOME TAXES

At December 31, 2011, the Company had federal and state tax net operating loss carry-forwards of approximately \$744,000 and \$716,000, which expire in 2030 and 2015, respectively. The following table summarizes the income tax expense for income taxes:

	<u>2011</u>	<u>2010</u>
CURRENT:		
Federal	\$ -	\$ -
State	<u>45</u>	<u>45</u>
Total	<u>\$ 45</u>	<u>\$ 45</u>

The impact of uncertain tax positions taken or expected to be taken on income tax returns must be recognized in the financial statements at the largest amount that is more likely than not to be sustained upon audit by the relevant taxing authority. An uncertain income tax position will not be recognized in the financial statements unless it is more likely than not of being sustained.

The Company files income tax returns in the U.S. federal jurisdiction and in Arizona jurisdiction. The effective tax rate for 2011 and 2010 differs from the U.S. Federal statutory tax rate of 34% due to the utilization of net operating losses incurred in 2010, effectively reducing taxable income to zero in both years.

The Company's tax returns remain open to examination by the related tax jurisdictions for 2010.

Deferred taxes recognize the impact of temporary differences between the amounts of assets and liabilities recorded for financial statement purposes and such amounts measured in accordance with tax laws. The net deferred tax asset of approximately \$244,000 and \$318,000 at December 31, 2011 and 2010, respectively, represents primarily the available net operating loss carryforward. Realization of the net operating loss carry forwards and other deferred tax temporary differences are contingent on future taxable earnings. During year end 2011 and 2010, the deferred tax asset was reviewed for expected utilization using a "more likely than not" approach as required by FASB Standard Codification for Income Taxes, by assessing the available positive and negative evidence surrounding its recoverability. The Company is still in the early stages of developing its business model and, accordingly, it has provided a full valuation allowance against this asset. The valuation allowance decreased approximately \$74,000 due to the utilization of a portion of its net operating loss carryforward.

5. RELATED PARTY TRANSACTIONS

The Company entered into consulting and legal agreements with certain common stockholders related to services performed for the development of the Company. Amounts paid to these stockholders were \$525,939 and \$301,200 and rents received of \$48,962 and \$69,135 for the periods ended December 31, 2011 and 2010, respectively. Amounts due to these stockholders at December 31, 2011 and 2010 were \$525 and \$23,062 respectively, and are included in accounts payable on the accompanying consolidated balance sheet.

6. SUBSEQUENT EVENTS (UNAUDITED)

The Company evaluated for the occurrence of subsequent events through the issuance date of the Company's financial statements. No other recognized or non-recognized subsequent events occurred that require recognition or disclosure in the financial statements except as noted below.

Through March 31, 2012, the Company contracted with franchisees to open an additional 32 clinics and has received approximately \$928,000 in fees. In addition, the Company has received approximately \$877,000 in Regional Developer fees through the same period.

5. Non-Competition; Non-Solicitation; Confidentiality.

A . Definitions. Wherever used in this Section 5, the term “Franchisor” shall refer to Franchisor and any affiliate, subsidiary, or any successor or assign of Franchisor. Wherever used in this Section, the phrase “directly or indirectly” includes, but is not limited to, acting, either personally or as principal, owner, shareholder, employee, independent contractor, agent, manager, partner, joint venturer, consultant, or in any other capacity or by means of any corporate or other device, or acting through the spouse, children, parents, brothers, sisters, or any other relatives, friends, trustees, agents, or associates of any of the undersigned parties. Wherever used in this Section, the term “employees” shall refer to employees of Franchisor; any affiliate, subsidiary, or any successor or assign of Franchisor; and any franchisee of Franchisor existing as of the date of this Agreement and, to the extent allowable by law, any other person that has been an employee (as defined above) in the twelve (12) months preceding the date of this Agreement. Whenever used in this Section, the term “Confidential Information” shall be defined as provided in Section 10 of the RDA, which provisions are hereby incorporated by reference.

B. Consideration. The undersigned Parties acknowledge that consideration for this Agreement has been provided and is adequate. The consideration includes, but is not limited to, the granting of the Franchise to Regional Developer and/or each undersigned Owner, and Franchisor’s consent to the Transfer of the Transferred Interest as provided in this Agreement.

C . Need for this Agreement. The undersigned Parties recognize that in the highly competitive business in which Franchisor and its affiliates and franchisees are engaged, preservation of Confidential Information is crucial and personal contact is important in securing new franchisees and employees, and retaining the goodwill of present franchisees, employees, customers, and suppliers. Personal contact is a valuable asset and is an integral part of protecting the business of Franchisor. Regional Developer and/or each undersigned Owner recognize that it has had substantial contact with Franchisor’s employees, customers, and suppliers and Confidential Information. For that reason, Regional Developer and/or each undersigned Owner may be in a position to take for his or her benefit the Confidential Information and goodwill Franchisor has with its employees and Confidential Information now or in the future. If Regional Developer and/or each undersigned Owner, after the Transfer of the Transferred Interest as provided in this Agreement, takes advantage of such Confidential Information or goodwill for Regional Developer’s and/or each undersigned Owner’s own benefit, then the competitive advantage that Franchisor has created through its efforts and investment will be irreparably harmed.

D . Non-Competition with Franchisor. Regional Developer and/or each undersigned Owner of Regional Developer agrees that for eighteen (18) months following the date of this Agreement, neither Regional Developer, nor any Owner, nor any member of Regional Developer’s or an Owner’s immediate family will have any direct or indirect interest (e.g., through a spouse) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, representative or agent, or in any other capacity, in any Competitive Business located or operating: (a) within the Development Area; (b) within the development area of any of our other regional developers, or (c) within twenty-five (25) miles of any The Joint Corp. location franchise in operation or development on the date of this Agreement. The term “Competitive Business” means any business which derives more than Fifty-Thousand Dollars (\$50,000) of revenue per year from the performance of chiropractic or related services, or any business which grants franchises or licenses to others to operate such a business, other than a franchise operated under a franchise or regional developer agreement with us.

E . Non-Solicitation of Franchisor's Employees. Regional Developer and/or each undersigned Owner agrees that for twelve (12) months after the date of this Agreement, it will not directly or indirectly: (a) induce, canvas, solicit, or request or advise any employees of Franchisor, the Franchise, or any Location or Regional Developer franchise to accept employment with any person, firm, or business that competes with any business of Franchisor, or any The Joint Corp. location or regional developer franchise; or (b) induce, request, or advise any employee of Franchisor, the Franchise, or any The Joint franchise to terminate such employee's relationship with Franchisor, the Franchise, or any The Joint franchise; or (c) disclose to any other person, firm, partnership, corporation or other entity, the names, addresses or telephone numbers of any of the employees of Franchisor, the Franchise, or any The Joint franchise, except as required by law.

F . Non-Solicitation of Franchisor's Customers. Regional Developer and/or each undersigned Owner agrees that for twelve (12) months after the date of this Agreement, it will not directly or indirectly: (a) induce, canvas, solicit, or request or advise any customers of Franchisor, the Franchise, or any The Joint franchise to become customers of any person, firm, or business that competes with any business of Franchisor, the Franchise, or any The Joint franchise; or (b) induce, request or advise any customer of Franchisor, the Franchise, or any The Joint franchise to terminate or decrease such customer's relationship with Franchisor, the Franchise, or any The Joint franchise; or (c) disclose to any other person, firm, partnership, corporation or other entity, the names, addresses or telephone numbers of any of the customers of Franchisor, the Franchise, or any The Joint franchise, except as required by law.

G . Confidential Information. Regional Developer and/or each undersigned Owner agrees at all times following the date of this Agreement, to hold the Confidential Information in the strictest confidence and not to use such Confidential Information for Regional Developer's and/or each undersigned Owner's personal benefit, or the benefit of any other person or entity other than Franchisor, or disclose it directly or indirectly to any person or entity without Franchisor's express authorization or written consent. Regional Developer and each undersigned Owner fully understand the need to protect the Confidential Information and all other confidential materials and agree to use all reasonable care to prevent unauthorized persons from obtaining access to Confidential Information at any time.

6. Subordination. Regional Developer and/or each undersigned Owner and Assignee each agrees that all of Assignee's obligations to make any installment payments to or for the benefit of Regional Developer and/or an undersigned Owner in connection with the Transfer of the Transferred Interest as provided under this Agreement shall be subordinate to Assignee's obligations under the RDA or any New RDA (as defined below) to pay to us or our affiliates any fees and payments provided for therein.

7. New RDA. Assignee agrees that in connection with the Transfer of the Transferred Interest to it, Assignee shall sign at Franchisor's request the form of Regional Developer Agreement currently used by Franchisor in selling and offering franchises like the Franchise (the "New RDA").

The Joint RD FDD – Exhibit H – Transfer Agreement

8 . Guaranty of Obligations. In consideration of, and as an inducement to, the execution of this Agreement by Franchisor, each undersigned Owner hereby personally and unconditionally (a) guarantees to Franchisor us and its successors and assigns that the Owner will punctually pay and perform each and every undertaking, agreement and covenant of Assignee set forth in the RDA or any New RDA; and (2) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the RDA or any New RDA, including without limitation, monetary obligations, the obligations to take or refrain from taking certain actions and arbitration of disputes. Each undersigned Owner waives (1) protest and notice of default, demand for payment or nonperformance of any obligations guaranteed by this Section 8; (2) any right the Owner may have to require that an action be brought against Franchisor or any other person as a condition of the Owner's liability; (3) all right to payment or reimbursement from, or subrogation against, Franchisor which Owner may have arising out of this guaranty of Assignee; and (4) any and all other notices and legal or equitable defenses to which Owner may be entitled in its capacity as guarantor. Each undersigned Owner consents and agrees that (1) its direct and immediate liability under this Section shall be joint and several; (2) it will make any payment or render any performance required under the RDA or any New RDA on demand if Assignee fails or refuses to do so when required; (3) its liability will not be contingent or conditioned on our pursuit of any remedies against Assignee or any other person; (4) its liability will not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may from time to time grant to Assignee or to any other person, including without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims; and (5) the guaranty under this Section will continue and be irrevocable during the term of the RDA or any New RDA and afterward for so long as Assignee has any obligations under the RDA or any New RDA. If Franchisor is required to enforce the guaranty provided for under this Section in a judicial or arbitration proceeding, and prevail in such proceeding, then each undersigned Owner agrees that Franchisor will be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', arbitrators' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, whether incurred prior to, in preparation for or in contemplation of the filing of any such proceeding. If Franchisor is required to engage legal counsel in connection with any failure by any undersigned Owner to comply with the guaranty provisions of this Section, then the Owner shall reimburse Franchisor for any of the above-listed costs and expenses incurred by Franchisor.

9 . Breach. The Parties hereby agree that each of the matters stated herein are important, material, and confidential, and substantially affect the effective and successful conduct of the business of Franchisor and its reputation, and goodwill. Any breach of the terms of this Agreement is a material breach of this Agreement, which will result in substantial and irreparable injury to Franchisor, for which the breaching Party may be preliminarily and permanently enjoined and for which the breaching Party shall also pay to Franchisor all damages (including, but not limited to, compensatory, incidental, consequential and lost profits damages) which arise from the breach, together with interest, costs and Franchisor's reasonable attorneys' fees (through final unappealable judgment) to enforce this Agreement. This Agreement does not limit any other remedies available at law or in equity available to Franchisor.

10 . No Waiver. Franchisor may waive a provision of this Agreement only in writing executed by an authorized representative. No Party shall rely upon any oral representations as to a waiver of any provision of this Agreement. No waiver by a Party of a breach by another Party of any provision of this Agreement shall operate or be construed as a waiver of any subsequent breach by the breaching Party.

11 . Assignment. This Agreement is fully transferable by Franchisor. Regional Developer and/or each undersigned Owner and Assignee shall not assign, convey, sell, delegate, otherwise transfer this Agreement or any right or duty hereunder without obtaining Franchisor's prior written consent.

12. Binding Agreement. This Agreement shall be binding upon the Parties' heirs and legal representatives. This Agreement shall be enforceable by the successors and assigns of Franchisor, any person or entity which purchases substantially all of the assets of Franchisor, and any subsidiary, affiliate or operation division of Franchisor.

13. Tolling. To ensure that Franchisor will receive the full benefit of this Agreement, the provisions of this Agreement will not run, for purposes of the prohibitions on any competition and solicitation, statute of limitations, or for laches, at any time that a party to this Agreement is actually acting in any way in contravention to this Agreement.

14. Headings. The paragraph headings of this Agreement are not a substantive part of this Agreement and shall not limit or restrict this Agreement in any way.

15. Choice of Law and Venue. This Agreement shall be construed in accordance with and governed for all purposes by the laws of the State of Arizona. If any action or proceeding shall be instituted by any Party, or any representative thereof, all Parties and their representatives hereby consent and will submit to the jurisdiction of, and agree that venue is proper in Maricopa County, State of Arizona.

16. Severance and Reformation. In case any one or more of the provisions or restrictions contained in this Agreement, or any part thereof, shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions or restrictions of this Agreement. In case any one or more of the provisions or restrictions contained in this Agreement shall, for any reason, be held to be unreasonable, improper, overbroad or unenforceable in any manner, it is agreed that they are divisible and separable and should be valid and enforceable to the extent allowed by law. The intention of the Parties is that Franchisor shall be given the broadest protection allowed by law with respect to this Agreement.

17. Entire Agreement. No change, addition, deletion or amendment of this Agreement shall be valid or binding upon any Party unless in writing and signed by the Parties. Insofar as matters within the scope of this Agreement are concerned, this Agreement is the entire Agreement between the Parties and replaces and supersedes all prior agreements and understandings pertaining to the matters addressed in this Agreement. There are no oral or other agreements or understandings between the Parties affecting this Agreement.

18. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall be deemed to constitute one and the same instrument, and each counterpart shall be deemed an original.

19. Opportunity to Seek Independent Advice. The undersigned Parties recognize that this Agreement is an important document that affects their legal rights. For this reason, the Parties may wish to seek independent legal advice before accepting the terms stated herein. The undersigned Parties acknowledge that they have had an opportunity to seek such independent legal advice. They acknowledge that they have read and understand the provisions contained herein and acknowledge receipt of a copy of this Agreement.

CALIFORNIA CORPORATIONS CODE SECTION 31125 REQUIRES THAT THE FRANCHISOR GIVE THE FRANCHISEE A DISCLOSURE DOCUMENT APPROVED BY THE DEPARTMENT OF CORPORATIONS PRIOR TO A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

Neither we nor any person or franchise broker identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a *et seq.*, suspending or expelling such persons from membership in that association or exchange.

Item 5 of the Disclosure Document is modified to include the following paragraph:

We apply the initial Regional Developer fee to our general operating revenues, which we use, among other purposes, to cover the costs of marketing to prospective Regional Developer franchisees, training new Regional Developer franchisees and assisting new Regional Developer franchisees in opening their businesses.

The California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination and non-renewal of a franchise. If the Regional Developer Agreement contains a provision that is inconsistent with the law, the law will control. We may not terminate your Regional Developer franchise except for good cause, and we must give you a notice of default and a reasonable opportunity to cure the defects (except for certain defects specified in the statute, for which no opportunity to cure is required by law). The statute also requires that we give you notice of any intention not to renew your Regional Developer franchise at least 180 days before expiration of the Regional Developer Agreement.

You must sign a general release if you renew or transfer your Regional Developer franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

The Regional Developer Agreement contains a covenant not to compete which extends beyond the termination of your Regional Developer franchise. This provision may not be enforceable under California law.

THE REGIONAL DEVELOPER AGREEMENT REQUIRES APPLICATION OF THE LAW OF ARIZONA. THIS PROVISION MAY NOT BE ENFORCEABLE UNDER CALIFORNIA LAW. To the extent permitted by law, you and we waive any right to or claim for any punitive or exemplary damages against each other and agree that in the event of a dispute between us, each will be limited to the recovery of actual damages only (except in limited circumstances). Each party further waives trial by jury and, to the extent permitted by law, all claims arising out of or relating to the Regional Developer Agreement must be brought within one year from the date on which you or we knew or should have known of the facts giving rise to such claims (except for claims relating to nonpayment or underpayment of amounts you owe us).

The Joint RD FDD – Exhibit I – State-Specific Disclosures

The Regional Developer Agreement requires binding arbitration. The arbitration will occur at the office of the American Arbitration Office closest to our principal executive offices. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

REQUIRED BY THE STATE OF HAWAII

THESE FRANCHISES WILL BE/HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS OR A FINDING BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE DISCLOSURE DOCUMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.

THIS DISCLOSURE DOCUMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

Item 20 of this Disclosure Document will be amended by the addition of the following paragraph:

As of the dates listed in Attachment 1, this franchise offering is or will be effective in California, Hawaii, Illinois, Indiana, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Washington and Wisconsin and exempt from registration in Arizona and Utah. No states have refused, by order or otherwise, to register these franchises. No states have revoked or suspended the right to offer these franchises. The proposed registration of these franchises has not been involuntarily withdrawn in any state.

The Joint RD FDD – Exhibit I – State-Specific Disclosures

REQUIRED BY THE STATE OF ILLINOIS

Item 17 of this disclosure document is supplemented by the addition of the following paragraphs at the end of the chart:

State Law

The conditions under which you can be terminated and your rights on non-renewal may be affected by Illinois law, 815 ILCS 705/19 and 705/20.

The Illinois Franchise Disclosure Act will govern any Regional Developer Agreement if it applies to a subfranchise located in Illinois.

Any condition in the Regional Developer Agreement that designates jurisdiction or venue in a forum outside of Illinois is void with respect to any cause of action that otherwise is enforceable in Illinois, provided that the Regional Developer Agreement may provide for arbitration in a forum outside of Illinois.

REQUIRED BY THE STATE OF INDIANA

The Regional Developer Agreement contains a covenant not to compete that extends beyond the termination of your Regional Developer franchise. This provision may not be enforceable under Indiana law.

Indiana law makes unilateral termination of your Regional Developer franchise unlawful unless there is a material violation of the Regional Developer Agreement and the termination is not done in bad faith.

If Indiana law requires the Regional Developer Agreement and all related documents to be governed by Indiana law, then nothing in the Regional Developer Agreement or related documents referring to Arizona law will abrogate or reduce any of your rights as provided for under Indiana law.

Indiana law prohibits a prospective general release of claims subject to the Indiana Deceptive Franchise Practices Law.

Although the Regional Developer Agreement requires arbitration to be held at the office of the American Arbitration Association closest to our principal executive offices, arbitration held pursuant to the Regional Developer Agreement must take place in Indiana if you so request. If you choose Indiana, we have the right to select the location in Indiana.

The Joint RD FDD – Exhibit I – State-Specific Disclosures

REQUIRED BY THE STATE OF MARYLAND

A franchisee located within the state of Maryland shall not be required to assent to any release, estoppel or waiver of liability as a condition of purchasing a franchise which would act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

The provisions in the Regional Developer Agreement relating to the general release that is required as a condition of renewal, sale and assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

Lawsuits by either you or us may take place in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

Any limitation of claims provision(s) in the Regional Developer Agreement shall not act to reduce the 3-year statute of limitations afforded to you for bringing a claim under the Law. Any claims arising under the Maryland Franchise Registration and Law must be brought within 3 years after the grant of the franchise to you.

REQUIRED BY THE STATE OF MICHIGAN

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition of the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure each failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months' notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualification or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (v) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision

(h) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Attorney General's Department for the State of Michigan, Consumer Protection Division, Franchise Section, 670 Law Building, 525 W. Ottawa Street, Lansing, Michigan 48913, (517) 373-7117.

REQUIRED BY THE STATE OF MINNESOTA

We will protect your right to use the Marks and/or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the Marks.

Minn. Rule 2860.4400D prohibits us from requiring you to assent to a general release. Any release you sign as a condition of renewal or transfer will not apply to any claims you may have under the Minnesota Franchise Law.

With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. Sec. 80C. 14, subds, 3, 4 and 5 which require, except in certain specified cases, that you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for nonrenewal of the Regional Developer Agreement.

The Joint RD FDD – Exhibit I – State-Specific Disclosures

Minn. Stat. § 80C.17, Subd. 5, states that no civil action pertaining to a violation of a franchise rule or statute can be commenced more than three years after the cause of action accrues

Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in this Disclosure Document or the Regional Developer Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

Minn. Rule Part 2860.4400J prohibits us from requiring you to waive your rights to a jury trial or waive your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or consenting to liquidated damages, termination penalties or judgment notes.

REQUIRED BY STATE OF NEW JERSEY

Liquidated damages are void if unreasonable under the totality of the circumstances, including whether a statute governs the relationship and concerns liquidated damages clauses; and the common practice in the industry.

The Joint RD FDD – Exhibit I – State-Specific Disclosures

REQUIRED BY THE STATE OF NEW YORK

Registration of this franchise by New York State does not mean that New York State recommends it or has verified the information in the Disclosure Document.

We may, if we choose, negotiate with you about items covered in the Offering Prospectus. However, we cannot use the negotiating process to prevail upon a prospective franchisee to accept terms which are less favorable than those set forth in the Offering Prospectus.

All references to "Disclosure Document" will be deemed to include the term "Offering Prospectus" as used under the General Business Law of New York.

Item 3 of the Offering Prospectus is supplemented with the following:

Except as provided in Item 3 of the Offering Prospectus, neither we nor any person identified in Item 2 of the Offering Prospectus, or an affiliate offering franchises under our principal trademark:

A. Has an administrative, criminal or civil action pending against that person alleging: a felony; a violation of a franchise, antitrust or securities law; fraud, embezzlement, fraudulent conversion, misappropriation of property; unfair or deceptive practices or comparable civil or misdemeanor allegations.

B. Has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the ten-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud or securities law; fraud, embezzlement, fraudulent conversion or misappropriation of property, or unfair or deceptive practices or comparable allegations.

C. Is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a federal, State or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

Item 4 of this Offering Prospectus is supplemented with the following:

Except as provided in Item 4 of the Offering Prospectus, neither we, our affiliates, nor any officer or general partner has at any time during the ten year period immediately before the date of the Offering Prospectus: (a) filed as debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code; (b) obtained a discharge of its debts under the bankruptcy code; or (c) was a principal officer of a company or a general partner in a partnership that either filed as a debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code or that obtained a discharge of its debts under the U.S. Bankruptcy Code during or within one year after our officer or general partner held this position in the company or partnership.

Under the Regional Developer Agreement, the Manuals we issue may be modified and you are bound by such modifications. However, no such modifications may impose an unreasonable economic burden on you.

Provisions of general releases are mentioned in the Offering Prospectus and specified in the Regional Developer Agreement. These releases are limited by the following: all rights enjoyed by you and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued under this law will remain in force, it being the intent that the non-waiver proviso of the General Business Law of the State of New York Sections 687.4 and 687.5 be satisfied.

We will not make any assignment of the Regional Developer Agreement except to an assignee who, in our good faith judgment, is willing and able to assume our obligations under the Regional Developer Agreement.

The choice of law of the Regional Developer Agreement should not be considered a waiver of any right conferred upon either you or us by the General Business Law of the State of New York, Article 33.

Item 17 of the Offering Prospectus, the summary column of part (d), is modified to include the following sentence:

You can also terminate the Regional Developer Agreement on any grounds available by law.

The Joint RD FDD – Exhibit I – State-Specific Disclosures

REQUIRED BY THE STATE OF NORTH DAKOTA

The Regional Developer Agreement contains a covenant not to compete which extends beyond the termination of your Regional Developer franchise. This provision may not be enforceable under North Dakota law.

Although the Regional Developer Agreement provides that the place of arbitration will be located at the office of the American Arbitration Association closest to our principal executive offices, we agree that the place of arbitration will be a location that is in close proximity to the site of your Franchised Business.

The Regional Developer Agreement requires that you consent to the jurisdiction of a court in close proximity to our principal executive offices. This provision may not be enforceable under North Dakota law because North Dakota law precludes you from consenting to jurisdiction of any court outside of North Dakota.

Although the Regional Developer Agreement provides that it will be governed by and construed in accordance with the laws of the State of Arizona, we agree that the laws of the State of North Dakota will govern the construction and interpretation of the Regional Developer Agreement.

A contractual requirement that you sign a general release may be unenforceable under the laws of North Dakota.

Although the Regional Developer Agreement requires the franchisee to consent to a waiver of trial by jury, the Commissioner has determined that a requirement requiring the waiver of a trial by jury to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. This provision is not enforceable in North Dakota.

Although the Regional Developer Agreement requires the franchisee to consent to a waiver of exemplary and punitive damages, the Commissioner had determined these types of provisions to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. This provision is not enforceable in North Dakota.

Although the Regional Developer Agreement requires the franchisee to consent to a limitation of claims period within one year, the Commissioner had determined this to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The limitation of claims period is therefore governed by North Dakota law.

To the extent any provision of the Regional Developer Agreement requires you to consent to a waiver of exemplary or punitive damages, the provision will be deemed null and void.

The Joint RD FDD – Exhibit I – State-Specific Disclosures

REQUIRED BY THE STATE OF RHODE ISLAND

Even though our Regional Developer Agreement says the laws of Arizona apply, § 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

REQUIRED BY THE STATE OF WASHINGTON

The state of Washington has a statute, RCW 19.100.180 which may supersede the Regional Developer Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Regional Developer Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

These requirements must be included in an addendum to the Regional Developer Agreement you sign for the State of Washington.

THE JOINT CORP.

FRANCHISE AGREEMENT

This Franchise Agreement (this or the “Agreement”) is being entered into effective as of the ____ day of _____, 20__ (the “Agreement Date”). The parties to this Agreement are The Joint Corp., a Delaware corporation (“we,” “us,” the “Company,” or “The Joint Corp.”); _____, as Franchise Owner (“you,” “Franchise Owner,” or “Franchisee”), and, if you are a partnership, corporation, or limited liability company, your “Principal Owners” (defined below).

1. INTRODUCTION.

This Agreement has been written in an informal style in order to make it more easily readable and to be sure that you become thoroughly familiar with all of the important rights and obligations the Agreement covers before you sign it. This Agreement includes several exhibits, all of which are legally binding and are an integral part of the complete Franchise Agreement. In this Agreement, we refer to The Joint Corp. as “we,” “us,” or the “Company.” We refer to you as “you,” “Franchise Owner” or “Franchisee.” If you are a corporation, partnership or limited liability company, you will notice certain provisions that are applicable to those principal shareholders, partners or members on whose business skill, financial capability and personal character we are relying in entering into this Agreement. Those individuals will be referred to in this Agreement as “Principal Owners.”

Through the expenditure of considerable time, effort and money, we and our affiliates have devised a system for the establishment and operation of The Joint Corp. business model, a chiropractic location that specializes in affordable, convenient, and accessible chiropractic care. It is our mission “to improve your quality of life through affordable Chiropractic care.” Our atmosphere is fun and upbeat, and no appointments are necessary (all of these characteristics are referred to in this Agreement as the “System”). This business model includes a location model offering all of our franchised services and products (individually, a “Location” and collectively, the “Locations”). We identify the System by the use of certain trademarks, service marks and other commercial symbols, including the marks “The Joint...A Chiropractic Place®”, “The Joint...The Chiropractic Place™” and certain associated designs, artwork and logos, which we may change or add to from time to time (the “Marks”).

The Joint...The Chiropractic Place™
Franchise Agreement

From time to time we grant to persons who meet our qualifications, franchises to own and operate a The Joint Corp. Location franchise business that will manage clinics that specialize in providing chiropractic services and products to the general public through licensed chiropractic professionals (“Clinic(s)”). This Agreement is being presented to you because of the desire you have expressed to obtain the right to develop, own, and be franchised to operate a The Joint Corp. Location (we will refer to your The Joint Corp. franchise as the “Franchise” or the “Franchised Business”). You may purchase and operate your Franchise as a new, start-up Location (a “Start-up Location”), or may convert an existing chiropractic practice to a The Joint Corp. Location (a “Conversion Location”). In signing this Agreement, you acknowledge that you have conducted an independent investigation of The Joint Corp. Franchised Business, and recognize that, like any other business, the nature of it may evolve and change over time, that an investment in a The Joint Corp. Franchised Business involves business risks, and that the success of this business venture is primarily dependent on your business abilities and efforts.

We expressly disclaim making, and you acknowledge that you have not received or relied on, any guarantee, express or implied, as to the revenues, profits, or likelihood of success of The Joint Corp. Franchise venture contemplated by this Agreement. You acknowledge that there have been no representations by us or our affiliates or our or their respective officers, directors, members, employees, or agents that are inconsistent with the statements made in our current Franchise Disclosure Document concerning the Franchised Business, or the provisions of this Agreement. You further represent to us, as an inducement to our entering into this Agreement with you, that there have been no misrepresentations to us in your application for the rights granted by this Agreement, or in the financial information provided by you and your Principal Owners.

2. GRANT OF FRANCHISE.

2.1 Term: Reference to Exhibit 1.

You have applied for a franchise to own and operate a The Joint Corp. Location, and we have approved your application in reliance on all of the representations you made in that application. As a result, and subject to the provisions of this Agreement, we grant to you a Franchise to operate a The Joint Corp. Location offering all products, services, and proprietary programs of ours, in accordance with all elements of the System, that we may require for The Joint Corp. Locations.

You must operate the Franchise at a mutually agreeable site (the “Premises”) to be identified after the signing of this Agreement, and to use the System and the Marks in the operation of that Franchise, for a term of 10 years (the “Initial Term”). The Initial Term will begin on the Agreement Date. (For convenience, the expiration date of the Initial Term is listed on **Exhibit 1**.) Termination or expiration of this Agreement will constitute a termination or expiration of your Franchise. (All references to the “term” of this Agreement refer to the period from the Agreement Date to the date on which this Agreement actually terminates or expires.)

The Joint...The Chiropractic Place™
Franchise Agreement

2.2 Full Term Performance.

You specifically agree to be obligated to operate the Franchise, perform the obligations of this Agreement, and continuously exert your best efforts to promote and enhance the business of the Franchise for the full term of this Agreement.

2.3 Management Agreement with Professional Corporation – Non-Licensed Franchisees.

If you are not a licensed chiropractor, prior to commencing operations of the Franchised Business, you must enter into a management agreement (“Management Agreement”) with a chiropractic professional corporation (or a professional limited liability company, if permitted in the state in which the Clinic is located) (a “PC”) whereby you will provide to the PC management and administrative services and support consistent with the System and as outlined in our form of Management Agreement, a copy of which is included as an Exhibit to our Disclosure Document, to support the PC's chiropractic practice and its delivery of chiropractic services and related products to chiropractic patients, consistent with all applicable laws and regulations.

The PC shall employ and control the chiropractors and other chiropractic personnel that will provide the actual chiropractic services required to be delivered at and through the Clinic. You shall not provide any actual chiropractic services, nor shall you supervise, direct, control or suggest to, the PC or its chiropractors or employees the manner in which the PC provides or may provide chiropractic services to its patients. You acknowledge and agree that we will not provide any chiropractic services, nor will we supervise, direct, control or suggest to, the PC or its chiropractors or employees the manner in which the PC provide chiropractic services to its patients.

Due to various federal and state laws regarding the practice of chiropractic medicine, and the ownership and operation of chiropractic practices and health care businesses that provide chiropractic services, you understand and acknowledge that that you, as non-chiropractor Location franchisee, shall not engage in any practices that are, or may appear to be, the practice of chiropractic medicine. You acknowledge that the PC must offer all chiropractic services in accordance with the Management Agreement and the System.

You must use our standard form of Management Agreement, however, you may negotiate the monetary terms and, with our written consent, certain other terms of the relationship with the PC. We will not unreasonably withhold our approval to requested changes in the Management Agreement. You must obtain our written approval of the final Management Agreement prior to your execution. We must approve the PC candidate. You shall ensure that the PC offers all chiropractic services in accordance with the Management Agreement and the System. If you are not able to find a suitable chiropractor to create, own and staff the PC, we will attempt to help you find a suitable PC. You must have a Management Agreement in effect with a PC at all times during the operation of the Franchised Business and during the Initial Term of this Agreement.

The Joint...The Chiropractic Place™
Franchise Agreement

If you are a licensed chiropractor, or part of a PC owned by licensed chiropractors, you do not need to execute a Management Agreement. However, you are still responsible for compliance with all laws application to the operation of a chiropractic Clinic and your Location franchise.

2.4 Waiver of Management Agreement.

In certain states, it may be permissible under the existing laws that may be applicable to chiropractic professionals and/or practices, such as chiropractic clinics, for a non-chiropractor to both own and operate a Clinic and a Location Franchise, including hiring chiropractic and other professional personnel and providing chiropractic services to patients at the Clinic. If you determine that the laws that would apply to a Clinic in your state would permit you to do so, you may request that we waive certain of the requirements of the Franchise Agreement related to separating the operation of the chiropractic aspects of the Clinic from the management aspects. In particular, you (i) would not enter into a Management Agreement with a PC that, as a separate entity, would otherwise operate the Clinic and provide all chiropractic services, and (ii) you would not be restricted from hiring and supervising chiropractic professionals. Any waiver, or any modification of our standards, would be subject to compliance with all applicable laws and regulations. If we agree to do a waiver, you must enter into an Amendment to Waive Management Agreement (“Waiver Agreement”), a copy of which is attached as an exhibit to our Disclosure Document. Under the Waiver Agreement, you will agree that, instead of entering into the Management Agreement with a separate PC, you will (a) operate the Clinic, including performing all responsibilities and obligations of the “PC” under the Management Agreement, and (b) manage the Clinic as required in this Agreement and by performing all the responsibilities and obligations of the “Company” under the Management Agreement.

You are responsible for operating in full compliance with all laws that apply to a Clinic, and you must make your own determination as to your legal compliance obligations. Additionally, the laws applicable to your Clinic may change, and if there are any chiropractic regulations or other laws that would render your operation of the Clinic through a single entity (or otherwise) in violation of any medical regulations, you must immediately advise us of such change and of the your proposed corrective action to comply with chiropractic regulations, including (if applicable) entering into a Management Agreement with a PC. Similarly, if we discover any such laws, upon providing you notice of such laws, you agree to make such changes as are necessary to comply with medical regulations, including (if applicable) entering into a Management Agreement with a PC.

The Joint...The Chiropractic Place™
Franchise Agreement

2.5 Selection of Premises; No Protected Territory; Reservation of Rights.

You and we will mutually select the location of the Premises upon or after the signing of this Agreement. You acknowledge that the Franchise granted by this Agreement gives you the right to operate your Franchise only at the Premises. Although we will not seek to operate or grant others the right to operate a The Joint Corp. Location within the same general area as the Premises, we make no guarantee of any protected territory. Except as otherwise provided in this Paragraph 2.5, we retain all rights with respect to The Joint Corp. Location franchises, the Marks and the System, including (by way of example only and not as a limitation): (a) the right to operate or grant others the right to operate The Joint Corp. Location franchises in any location on terms and conditions we deem appropriate; and (b) the right to operate or offer other healthcare-related companies or franchises or enter into other lines of business offering similar or dissimilar products or services under trademarks or service marks other than the Marks, in any location.

2.6 Renewal of Franchise.

(a) Franchise Owner's Right to Renew. Subject to the provisions of subparagraph 2.6(b) below, and if you have substantially complied with all provisions of this Agreement and all other agreements between us, on expiration of the Initial Term, if you refurbish and decorate the Premises, replace fixtures, furnishings, wall decor, furniture, equipment, and signs and otherwise modify the Franchise in compliance with specifications and standards then applicable under new or renewal franchises for The Joint Corp. Location franchises, you will have the right to renew the Franchise for one (1) additional term of ten (10) years (the "Renewal Term").

(b) Notice of Deficiencies and Other Requirements. At least one (1) year before the expiration of the Initial Term, we agree to give you written notice of any deficiencies in your operation or in the historical performance of the Franchise that could cause us not to renew the Franchise. If we will permit renewal, our notice will state what actions, if any, you must take to correct the deficiencies in your operation of the Franchise or of the Premises, and will specify the time period in which those deficiencies must be corrected or other requirements satisfied. Renewal of the Franchise will be conditioned on your continued compliance with all the terms and conditions of this Agreement up to the date of expiration. If we send a notice of non-renewal, it will state the reasons for our refusal to renew.

The Joint...The Chiropractic Place™
Franchise Agreement

(c) Renewal Agreement; Releases. Should you choose to renew the Franchise, you must provide us with written notice of that intent no earlier than two (2) years and no later than one (1) year before the expiration of the Initial Term. To renew the Franchise, the Company, you and your Principal Owners must execute the form of Franchise Agreement and any ancillary agreements we are then customarily using in the grant or renewal of franchises for the operation of The Joint Corp. Location Franchises (with appropriate modifications to reflect the fact that the agreement relates to the grant of a renewal franchise), except that no initial franchise fee will be payable upon renewal of the Franchise. However, you must pay to us a renewal fee equal to 25% of our then-current initial franchise fee for Start-up Locations. You and your Principal Owners and your and their spouses must also execute general releases, in a form satisfactory to us, of any and all claims against us and our affiliates, and our and their respective owners, officers, directors, employees, and agents.

2.7 Personal Guaranty by Principal Owners; Reference to Exhibit 2.

Each of the Principal Owners and their spouses (where applicable), will be required to execute a personal guaranty (the "Guaranty"), guaranteeing the Franchise's liabilities and obligations to the Company. A copy of the Guaranty is incorporated herein as Exhibit 2.

3. DEVELOPMENT AND OPENING OF THE FRANCHISE

3.1 Site Approval; Lease or Purchase of Premises; Opening Timeline; Reference to Exhibit 3.

(a) You will use your best efforts to locate and select a proposed site for the Premises that is acceptable to us as suitable for the operation of the Franchise, which must be reviewed and approved by us within six (6) months of the Agreement Date. Our review and approval process may take up to thirty (30) days, so we recommend you submit your proposed site to us within one hundred fifty (150) days of the Agreement Date. You must submit to us, in the form we specify, a description of the site and such other information or materials as we may reasonably require. We will not unreasonably withhold approval of a site that meets our standards for general location and neighborhood, traffic patterns, parking size, layout and other physical characteristics, for The Joint Corp. Location franchises. Our approval of a site shall not constitute, nor be deemed, a judgment as to the likelihood of success of a The Joint Corp. Location at such location, or a judgment as to the relative desirability of such location in comparison to other locations. If you fail to identify a mutually-agreeable site within the aforementioned six (6) month period, we may terminate this Agreement.

(b) Once we have approved the proposed site of the Premises for your Franchise, you must obtain lawful possession of the Premises through lease or purchase within thirty (30) days of our approval of the Premises. You agree that you will not execute a lease without our advance written approval of the lease terms. The lease for the Premises must include the Addendum to Lease, attached hereto as Exhibit 3, permitting us to take possession of the Premises under certain conditions if this Agreement is terminated or if you violate the terms of the lease.

(c) Unless we agree otherwise, you must open your franchise for business no later than nine (9) months from the Effective Date of this Agreement.

3.2 Prototype and Construction Plans and Specifications.

We will furnish to you prototype plans and specifications for your Location, reflecting our requirements for design, decoration, furnishings, furniture, layout, equipment, fixtures and signs for The Joint Corp. Locations, which may be in the form of actual plans for an existing or proposed Location with which we are involved. Using an architect we designate or approve, it will then be your responsibility to have the plans and specifications modified to comply with all ordinances, building codes, permit requirements, and lease requirements and restrictions applicable to the Premises. You must submit final construction plans and specifications to us for our approval before you begin construction at the Premises, and must construct the Franchise location in accordance with those approved plans and specifications.

3.3 Development of the Franchise.

You agree at your own expense to do the following by the Opening Deadline defined in Exhibit 1: (1) secure all financing required to fully develop the Franchise; (2) obtain all required building, utility, sign, health, sanitation and business permits and licenses and any other required permits and licenses; (3) construct the Franchise location according to the approved construction plans and specifications; (4) decorate the Franchise location in compliance with the approved plans and specifications; (5) purchase and install all required equipment, furniture, furnishings and signs; (6) cause the training requirements of Section 4 to be completed; (7) purchase an opening inventory of products and other supplies and materials; (8) provide proof, in a form satisfactory to us, that your operation of the Franchise at the Franchise location does not violate any applicable state or local zoning or land use laws, ordinances, or regulations, or any restrictive covenants that apply to such location; (9) provide proof, in a form satisfactory to us, that you (and/or your General Manager, as defined in Section 4.1, if any) are legally authorized and have all licenses necessary to perform all of the services to be offered by your Franchise, and that your organizational structure is consistent with all legal requirements; (10) provide proof, in a format satisfactory to us, that you have obtained all required insurance policies, and have name us, as an additional insurance under all such policies; (11) submit to us a completed copy of the grand opening checklist we provide to you; (12) do any other acts necessary to open the Franchise for business; (13) obtain our approval to open the Franchise for business; and (14) open the Franchise for business.

As part of the Computer System, we may require you to obtain specified computer hardware and/or software, including without limitation a license to use proprietary software developed by us or others. Our modification of such specifications for the components of the Computer System may require you to incur costs to purchase, lease and/or obtain by license new or modified computer hardware and/or software, and to obtain service and support for the Computer System during the term of this Agreement. You acknowledge that we cannot estimate the future costs of the Computer System (or additions or modifications thereto), and that the cost to you of obtaining the Computer System (or additions or modifications thereto), including software, may not be fully amortizable over the remaining term of this Agreement. Nonetheless, you agree to incur such costs in connection with obtaining the computer hardware and software comprising the Computer System (or additions or modifications thereto). Within sixty (60) days after you receive notice from us, you agree to obtain the components of the Computer System that we designate and require. The Operations Manual may be composed of or include audio recordings, video recordings, computer disks, compact disks, and/or other written or intangible materials. We may make all or part of the Manual available to you through various means, including the Internet. A previously delivered Operations Manual may be superseded from time to time with replacement materials to reflect changes in the specifications, standards, operating procedures and other obligations in operating the Franchise. You agree, at our request, to modify the operation of the Franchise to comply with all such changes, and to be solely responsible for all related costs.

6. FEES AND COSTS.

6.1 Initial Franchise Fee.

You agree to pay us the initial franchise fee of Twenty-Nine Thousand and No/100 Dollars (\$29,000.00) (the “Initial Franchise Fee”) when you sign this Agreement. In recognition of the expenses we incur in furnishing assistance and services to you, you agree that we will have fully earned the Initial Franchise Fee, and that is due and non-refundable when you sign this Agreement.

6.2 Royalty Fee.

You agree to pay us a continuing franchise royalty fee (“Royalty Fee”) in the amount of seven percent (7%) of the gross revenues of the Franchise for all periods, with a minimum monthly amount of Seven Hundred and No/100 Dollars (\$700.00). This fee will be payable on the 1st and 16th of each month based on the Franchise’s gross revenues. If the 1st or 16th of the month fall on a weekend or holiday, then the fee is payable on the next business day. If, at the end of any calendar month, the total Royalty Fee collected for the preceding month is less than \$700.00, the difference between the amount collected and \$700.00 shall be due on the tenth (10th) day of the following month. The terms “gross revenues” shall, for purposes of this Agreement, mean the total of all revenue and receipts derived from the operation of the Franchise, including all amounts received at or away from the site of the Franchise, or through the business the Franchise conducts (such as fees for chiropractic care, fees for the sale of any service or product, gift certificate sales, and revenue derived from products sales, whether in cash or by check, credit card, debit card, barter or exchange, or other credit transactions); and excludes only sales taxes collected from customers and paid to the appropriate taxing authority, and all customer refunds and credits the Franchise actually makes. For the avoidance of doubt, you specifically acknowledge that “gross revenues” includes the gross revenues of any P.C. or any of P.C.’s clinics that are managed by you pursuant to a Management Agreement, even if those revenues are not recognized on your books, and that you are responsible for determining those revenues and paying the Royalty Fee as if those revenues were recognized on your books. You and we acknowledge and agree that the Royalty Fee represents compensation paid by you to us for the guidance and assistance we provide and for the use of our Marks, Confidential Information (as defined herein), know-how, and other intellectual property we allow you to use under the terms of this Agreement. The Royalty Fee does not represent payment for the referral of customers to you, and you acknowledge and agree that the services we offer to you and our other The Joint Corp. franchisees do not include the referral of customers.

6.3 Regional and National Advertising Fee.

Recognizing the value of advertising to the goodwill and public image of The Joint Corp. Location franchises, we may, in our sole discretion, establish, maintain and administer one or more regional and/or national advertising funds (the "Ad Fund(s)") for such advertising as we may deem necessary or appropriate in our sole discretion. We may, however, choose to use only one Ad Fund to meet the needs of regional, multi-regional, and national advertising and promotional programs. If we establish an Ad Fund, you agree to contribute to the Ad Fund a percentage of gross revenues of the Franchise in an amount we designate from time to time by notice to you, up to a maximum of two percent (2%) of the gross revenues of the Franchise. As of the date of this Agreement, the current required contribution to the Ad Fund is one percent (1%) of the gross revenues of the Franchise. In the event we choose to change the required contribution amount, which we may do at our sole and absolute discretion, up to a maximum of two percent (2%) of gross revenues, we will provide you with thirty (30) days' advance written notice of the change. These advertising fees ("Advertising Fees") will be payable with and at the same time as your Royalty Fees payable under Paragraph 6.2 above. A further description of the Ad Fund and your obligations with respect to advertising and promoting the Franchise is found in Section 11 of this Agreement.

6.4 Local Advertising.

(a) By Franchisee. In addition to the Advertising Fees set forth in Paragraph 6.3, which will be used by us to promote The Joint Corp. on a regional and national level, you agree to spend a certain amount on advertising in your local market area. This amount must equal the greater of (a) Three Thousand and No/100 Dollars (\$3,000.00); or (b) five percent (5%) of the Franchise's gross revenues for each month during the term of this Agreement (the "Local Advertising Requirement"). All proposed local advertising must be submitted to and approved by us before you enter into any advertising agreements. At our request, you must provide us with any documentation we request showing that you have met your monthly Local Advertising Requirement.

(b) Regional Advertising Cooperative. In the event that more than one The Joint Corp. An ADI is a geographic market designation that defines a broadcast media market, consisting of all counties in which the home market stations receive a preponderance of viewing. We reserve the right to determine the amount to be contributed by each member of the Regional Ad Co-op as necessary. The required contributions to any Regional Ad Co-op will not be credited against the Local Advertising Requirement set forth in Paragraph 6.4(a) or 11.2.

These costs may include, but are not limited to, signage, local advertising, flyers, promotions, and giveaways. Upon conclusion of the Grand Opening Period, you must send to us a report detailing the amounts spent to publicize the grand opening of your franchise during the Grand Opening Period. All proposed grand opening advertising must be submitted to and approved by us. At our request, you must provide us with any documentation we request showing that you have met the required spend requirement for your Grand Opening.

6.6 Software and Programming Fees.

The initial purchase and installation fee for the Joint Software is Four Hundred Ninety-Five and No/100 Dollars (\$495.00), which is payable along with the Initial Franchise Fee. For each month during the term of this Agreement, the on-going license fee for the Joint Software is Two Hundred Seventy-Five and No/100 Dollars (\$275.00), which will be debited from the Account on the fifth (5th) day of each month for the preceding month.

6.7 Relocation Fee.

If you must relocate the Premises of your Location for any reason, you must pay to us a Franchise Relocation Fee (the “Relocation Fee”) of Two Thousand Five Hundred and No/100 Dollars (\$2,500.00). The Relocation Fee will help the Company defray the costs of approving a new location, reviewing and approving plans for the new location, and updating Company records and marketing materials to reflect the new location.

6.8 Late Payments.

All Royalty Fees, Advertising Fees, amounts due from you for purchases from us or our affiliates, and other amounts which you owe us or our affiliates (unless otherwise provided for in a separate agreement between us or our affiliates) will begin to accrue interest after their respective due dates at the lesser of (i) the highest commercial contract interest rate permitted by state law, and (ii) the rate of eighteen percent (18%) per annum. In addition to any accruing interest, all late payments will incur a late charge of Fifty and No/100 Dollars (\$50.00) per day until the payment is made. Payments due us or our affiliates will not be deemed received until such time as funds from the deposit of any check by us or our affiliates is collected from your account. You acknowledge that the inclusion of this Paragraph in this Agreement does not mean we agree to accept or condone late payments, nor does it indicate that we have any intention to extend credit to, or otherwise finance your operation of the Franchise. We have the right to require that any payments due us or our affiliates be made by certified or cashier’s check in the event that any payment by check is not honored by the bank upon which the check is drawn. We also reserve the right to charge you a fee of One Hundred and No/100 Dollars (\$100.00) for any payment by check that is not honored by the bank upon which it is drawn.

6.9 Electronic Funds Transfer.

We have the right to require you to participate in an electronic funds transfer program under which Royalty Fees, Advertising Fees, and any other amounts payable to us or our affiliates are deducted or paid electronically from your bank account (the "Account"). In the event you are required to authorize us to initiate debit entries, you agree to make the funds available in the Account for withdrawal by electronic transfer no later than the payment due date. The amount actually transferred from the Account to pay Royalty Fees and Advertising Fees will be based on the Franchise's gross revenues as reported in the Franchise's practice management software. If you have not properly input the Franchise's gross revenues for any reporting period, then we will be authorized to debit the Account in an amount equal to one hundred twenty percent (120%) of the Royalty Fee, Advertising Fee, and other amounts transferred from the Account for the last reporting period for which a report of the Franchise's gross revenues was provided to us. If at any time we determine that you have under-reported the Franchise's gross revenues or underpaid any Royalty Fee or Advertising Fee due us under this Agreement, then we will be authorized to initiate immediately a debit to the Account in the appropriate amount, plus applicable interest, in accordance with the foregoing procedure. Any overpayment will be credited, without interest, against the Royalty Fee, Advertising Fee, and other amounts we otherwise would debit from your account during the following reporting period. Our use of electronic funds transfers as a method of collecting Royalty Fees and Advertising Fees due us does not constitute a waiver of any of your obligations to provide us with weekly reports as provided in Section 12, nor shall it be deemed a waiver of any of the rights and remedies available to us under this Agreement.

6.10 Application of Payments.

When we receive a payment from you, we have the right in our sole discretion to apply it as we see fit to any past due indebtedness of yours due to us or our affiliates, whether for Royalty Fees, Advertising Fees, purchases, interest, or for any other reason, regardless of how you may designate a particular payment should be applied.

6.11 Modification of Payments.

If, by operation of law or otherwise, any fees contemplated by this Agreement cannot be based upon gross revenues, then you and we agree to negotiate in good faith an alternative fee arrangement. 6.12 Non-Compliance Charge.

In addition to our other rights and remedies, we may charge you a non-compliance charge in an amount up to five hundred dollars (\$500) per violation by you of any term or condition of this Agreement, including, without limitation, failure to pay (or to have adequate amounts available for electronic transfer of) amounts owed to Franchisor or Franchisor's affiliates or failure to timely provide required reports, or failure to obtain prior approval from Franchisor whenever Franchisor approval is required (i.e., advertising).

You acknowledge and agree that all your usage of the Marks and any goodwill established by your use will inure exclusively to our benefit and the benefit of our affiliates, and that this Agreement does not confer any goodwill or other interests in the Marks on you (other than the right to operate the Franchise in compliance with this Agreement). You agree to use the Marks as the sole trade identification of the Franchise, except that you will display at the Franchise location a notice, in the form we prescribe, stating that you are the independent owner of the Franchise pursuant to a Franchise Agreement with us. You agree not to use any Mark as part of any corporate or trade name or with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos and additional trade and service marks licensed to you under this Agreement), or in any modified form. You also shall not use any Mark or any commercial symbol similar to the Marks in connection with the performance or sale of any unauthorized services or products, or in any other manner we have not expressly authorized in writing. You agree to display the Marks in the manner we prescribe at the Franchise and in connection with advertising and marketing materials, and to use, along with the Marks, any notices of trade and service mark registrations we specify. You further agree to obtain any fictitious or assumed name registrations as may be required under applicable law.

7.3 Notification of Infringements and Claims.

You agree to immediately notify us in writing of any apparent infringement of or challenge to your use of any Mark, or claim by any person of any rights in any Mark or similar trade name, trademark, or service mark of which you become aware. You agree not to communicate with anyone except us and our counsel in connection with any such infringement, challenge, or claim. We have the right to exclusively control any litigation or other proceeding arising out of any actual or alleged infringement, challenge, or claim relating to any Mark. You agree to sign any documents, render any assistance, and do any acts that our attorneys say is necessary or advisable in order to protect and maintain our interests in any litigation or proceeding related to the Marks, or to otherwise protect and maintain our interests in the Marks.

7.4 Discontinuance of Use of Marks.

If it becomes advisable at any time in our sole judgment for the Franchise to modify or discontinue the use of any Mark, or use one or more additional or substitute trade or service marks, including the Marks used as the name of the Franchise, then you agree, at your sole expense, to comply with our directions to modify or otherwise discontinue the use of the Mark, or use one or more additional or substitute trade or service marks, within a reasonable time after our notice to you.

7.5 Indemnification of Franchise Owner.

We agree to indemnify you against, and reimburse you for, all damages for which you are held liable in any trademark infringement proceeding arising out of your use of any Mark pursuant to and in compliance with this Agreement, and for all costs you reasonably incur in the defense of any such claim in which you are named as a party, so long as you have timely notified us of the claim, and have otherwise complied with this Agreement.

8. RELATIONSHIP OF THE PARTIES; INDEMNIFICATION.

8.1 Independent Contractor; No Fiduciary Relationship.

This Agreement does not create a fiduciary relationship between you and us. You and we are independent contractors, and nothing in this Agreement is intended to make either party a general or special agent, joint venture, partner, or employee of the other for any purpose whatsoever. You agree to conspicuously identify yourself in all your dealings with customers, suppliers, public officials, Franchise personnel, and others as the owner of the Franchise pursuant to a Franchise Agreement with us, and to place any other notices of independent ownership on your forms, business cards, stationery, advertising, and other materials as we may require from time to time.

8.2 No Liability, No Warranties.

We have not authorized or empowered you to use the Marks except as provided by this Agreement, and you agree not to employ any of the Marks in signing any contract, check, purchase agreement, negotiable instrument or legal obligation, application for any license or permit, or in a manner that may result in liability to us for any indebtedness or obligation of yours. Except as expressly authorized by this Agreement, neither you nor we will make any express or implied agreements, warranties, guarantees or representations, or incur any debt, in the name of or on behalf of the other, or represent that your and our relationship is other than that of franchisor and franchisee.

8.3 Indemnification.

We will not assume any liability or be deemed liable for any agreements, representations, or warranties you make that are not expressly authorized under this Agreement, nor will we be obligated for any damages to you or any person or property directly or indirectly arising out of the operation of the business you conduct pursuant to this Agreement, whether or not caused by your negligent or willful action or failure to act. We will have no liability for any sales, use, excise, income, gross receipts, property, or other taxes levied against you or your assets, or on us, in connection with the business you conduct, or any payments you make to us pursuant to this Agreement (except for our own income taxes). We will not assume any liability or be deemed liable for any agreements you enter with any third-parties, whether or not they are an approved or required vendor. You agree to indemnify, defend, and hold us, our affiliates and our and their respective owners, directors, officers, employees, agents, successors, and assigns (individually, an "Indemnified Party," and collectively, the "Indemnified Parties"), harmless against, and to reimburse such Indemnified Parties for, all such obligations, damages, and taxes for which any Indemnified Party may be held liable, and for all costs the Indemnified Party reasonably may incur in the defense of any such claim brought against the Indemnified Party, or in any such action in which the Indemnified Party may be named as a party, including without limitation actual and consequential damages; reasonable attorneys', accountants', and/or expert witness fees; cost of investigation and proof of facts; court costs; other litigation expenses; and travel and living expenses. Each Indemnified Party has the right to defend any such claim against the Indemnified Party. You further agree to hold us harmless and indemnify and defend us for all costs, expenses, and/or losses we incur in enforcing the provisions of this Agreement, defending our actions taken relating to this Agreement, or resulting from your breach of this Agreement, including without limitation reasonable arbitrator's and attorneys' fees (including those for appeal), unless, after legal proceedings are completed, you are found to have fulfilled and complied with all of the terms of this Agreement. You agree that your relationship with us does not vest in you any interest in the Confidential Information, other than the right to use it in the development and operation of the Franchise, and that the use or duplication of the Confidential Information in any other business would constitute an unfair method of competition. Your failure or refusal to do so shall constitute a breach of this Agreement.

10.7 Management and Personnel of the Franchise.

Unless we approve your employment of a General Manager to operate the Franchise as provided in Paragraph 4.1, you must actively participate in the actual, on-site, day-to-day operation of the Franchise, and devote as much of your time as is reasonably necessary for the efficient operation of the Franchise. If you are other than an individual, then at least one (1) Principal Owner, director, officer, or other employee of you whom we approve must comply with the this requirement. If we agree that you may employ a General Manager, then the General Manager must fulfill this requirement. Any General Manager shall each obtain all licenses and certifications required by law before assuming his or her responsibilities at the Franchise. You will ensure that your employees and independent contractors of the Franchise have any licenses as may be required by law, and hold or are pursuing any licenses, certifications, and/or degrees required by law or by us in the Operations Manual, as updated from time to time. Each of your employees and independent contractors must sign a written agreement, in a form approved by us, to maintain confidential our Confidential Information, proprietary information, and trade secrets as described in Paragraph 9.1, and to abide by the covenants not to compete described in Paragraph 9.3. You must forward to us a copy of each such signed agreement. All of your employees and independent contractors must render prompt, efficient and courteous service to all customers of the Franchise. You agree not to recruit or hire, either directly or indirectly, any employee (or a former employee, for sixty (60) days after his or her employment has ended) of any The Joint Corp. Location franchise operated by us, our affiliates, or another The Joint Corp. franchise owner without first obtaining the written consent of us, our affiliate, or the franchise owner that currently employs (or previously employed) such employee. If you violate this provision, in addition to any other right or remedy we may have, you agree to pay the employee's current or former employer twice the employee's annual salary, plus all costs and attorneys' fees incurred as a result of the violation. This amount is set at twice the employee's annual salary because it is a reasonable estimation of the damages that would occur from such a breach, and it will almost certainly be impossible to calculate precisely the actual damages from such a breach.

Each insurance policy must name us (and, if we so request, our members, directors, employees, agents, and affiliates) as additional insureds, and must provide us with thirty (30) days' advance written notice of any material modification, cancellation, or expiration of the policy. Deductibles must be in reasonable amounts, and are subject to review and written approval by us. You must provide us with copies of policies evidencing the existence of such insurance concurrently with execution of this Agreement and prior to each subsequent renewal date of each insurance policy, along with certificates evidencing such insurance. You are responsible for any and all claims, losses or damages, including to third persons, originating from, in connection with, or caused by your failure to name us as an additional insured on each insurance policy. You agree to defend, indemnify and hold us harmless of, from, and with respect to any such claims, loss or damage arising out of your failure to name us as additional insured, which indemnity shall survive the termination or expiration and non-renewal of this Agreement.

The Joint...The Chiropractic Place™
Franchise Agreement

Prior to the expiration of the term of each insurance policy, you must furnish us with a copy of a renewal or replacement insurance policy and appropriate certificates of insurance. If you at any time fail or refuse to maintain any insurance coverage required by us or to furnish satisfactory evidence thereof, then we, at our option and in addition to our other rights and remedies under this Agreement, may, but need not, obtain such insurance coverage on your behalf, and you shall reimburse us on demand for any costs or premiums paid or incurred by us, including any administrative fees or surcharges that we may incur. If you fail to pay us within ten (10) days of our demand for reimbursement, we reserve the right to debit your account the amounts owed to us for any premiums paid on your behalf for such insurance coverage along with any other costs, surcharges expenses and fees we incur to obtain such coverage on your behalf or on behalf of your franchise. We reserve the right to require you to provide us with an application for insurance (in a form acceptable to our required supplier for insurance) for any medical professional that has been offered a position to work in a Franchise location so that we may, if you fail to do so, procure any necessary insurance coverage for such medical professional.

Notwithstanding the existence of such insurance, you are and will be responsible for all loss or damage and contractual liability to third persons originating from or in connection with the operation of the Franchise, and for all claims or demands for damages to property or for injury, illness or death of persons directly or indirectly resulting therefrom; and you agree to defend, indemnify and hold us harmless of, from, and with respect to any such claims, loss or damage, which indemnity shall survive the termination or expiration and non-renewal of this Agreement. In addition to the requirements of the foregoing paragraphs of this Paragraph 10.8, you must maintain any and all insurance coverage in such amounts and under such terms and conditions as may be required in connection with your lease or purchase of the Premises.

Your obligation to maintain insurance coverage as described in this Agreement will not be reduced in any manner by reason of any separate insurance we maintain on our own behalf, nor will our maintenance of that insurance relieve you of any obligations under Section 7 of this Agreement.

10.9 Credit Cards and Other Methods of Payment.

You must at all times have arrangements in existence with Visa, Master Card, American Express, Discover and any other credit and debit card issuers or sponsors, check verification services, and electronic fund transfer systems that we designate from time to time, in order that the Franchise may accept customers' credit and debit cards, checks, and other methods of payment. We may require you to obtain such services through us or our affiliates.

10.10 Pricing.

To the extent permitted by applicable law, we may periodically establish maximum and/or minimum prices for services and products that the Franchise location offers, including without limitation, prices for promotions in which all or certain The Joint Franchise locations participate. If we establish such prices for any services or products, you agree not to exceed or reduce that price, but will charge the price for the service or product that we establish. You hereby agree to apply any pricing matrix or schedule established by us. If you wish to offer an alternate pricing matrix, you must obtain our prior written approval. In states where you must enter a Management Agreement (Section 2.3), this provision shall be modified, to the extent legally permissible, and/or legally construed to conform to the laws of the state where your Franchise location will be located.

11. ADVERTISING.

11.1 By Company.

As stated in Paragraph 6.3, due to the value of advertising and the importance of promoting the public image of The Joint Corp. Location franchises, we will establish, maintain, and administer one or more Ad Funds to support and pay for national, regional, and/or local marketing programs that we deem necessary, desirable, or appropriate to promote the goodwill and image of all The Joint Corp. Location franchises. You will contribute to the Ad Fund the Advertising Fee set forth in Section 6.3. We agree that any Locations owned by us or our affiliates will contribute to the Ad Fund on at least the same basis as you do.

We will be entitled to direct all advertising programs financed by the Ad Fund, with sole discretion over the creative concepts, materials, and endorsements used in them, and the geographic, market, and media placement and allocation of the programs. We will have the sole discretion to use the Ad Fund to pay the costs of preparing and producing video, audio, and written advertising materials; administering regional, multi-regional and/or national advertising programs; including purchasing direct mail and other media advertising; employing advertising agencies and supporting public relations, market research, and other advertising and marketing firms; and paying for advertising and marketing activities that we deem appropriate, including the costs of participating in any national or regional trade shows. and providing advertising and marketing materials to The Joint Corp. Location franchises. We may in our discretion use the Ad Fund to engage in advertising and promotional programs that benefit only one or several regionals, and not necessarily all Location franchises Ad Funds. The Ad Fund will furnish you with approved advertising materials at its direct cost of producing those advertising materials. The amounts you contribute to the Ad Fund will not be used for placement of advertising in television, radio, newspaper or other media. Rather, any collective media placement will be conducted through the local and regional advertising cooperatives described in Section 11.3.

The Joint...The Chiropractic Place™
Franchise Agreement

The Ad Fund will be accounted for separately from other funds of the Company, and will not be used to defray any of our general operating expenses, except for any reasonable salaries, administrative costs, and overhead we may incur in activities reasonably related to the administration of the Ad Fund and its advertising programs (including without limitation conducting market research, preparing advertising and marketing materials, and collecting and accounting for contributions to the Ad Fund). We may spend in any fiscal year an amount greater or less than the total contributions to the Ad Fund in that year. We may cause the Ad Fund to borrow from us or other lenders to cover deficits of the Ad Fund, or to invest any surplus for future use by the Ad Fund. You authorize us to collect for remission to the Ad Fund any advertising monies or credits offered by any supplier to you based upon purchases you make. We will prepare an annual statement of monies collected and costs incurred by the Ad Fund and will make it available to you on written request.

You understand and acknowledge that the Ad Fund will be intended to maximize recognition of the Marks and patronage of The Joint Corp. Location franchises. Although we will endeavor to use the Ad Fund to develop advertising and marketing materials, and to place advertising in a manner that will benefit all The Joint Corp. Location franchises, we undertake no obligation to ensure that expenditures by the Ad Fund in or affecting any geographic area are proportionate or equivalent to contributions to the Ad Fund by The Joint Corp. Location franchises operating in that geographic area, or that any The Joint Corp. Location franchise will benefit directly or in proportion to its contribution to the Ad Fund from the development of advertising and marketing materials or the placement of advertising. Except as expressly provided in this Paragraph, we assume no direct or indirect liability or obligation to you with respect to the maintenance, direction, or administration of the Ad Fund.

We will have the right to terminate the Ad Fund by giving you thirty (30) days' advance written notice. All unspent monies on date of termination will be divided between the Company and the contributing The Joint Corp. Location franchisees in proportion to our and their respective contributions. At any time thereafter, we will have the right to reinstate the Ad Fund under the same terms and conditions as described in this Section (including the rights to terminate and reinstate the Ad Fund) by giving you thirty (30) days' advance written notice of reinstatement.

11.2 By Franchise Owner.

You must spend, in addition to any contributions to the Ad Fund, a minimum of the greater of (a) Three Thousand and No/100 Dollars (\$3,000.00); or (b) five percent (5%) of the Franchise's gross revenues for each month during the term of this Agreement, as outlined in Paragraph 6.4, for local advertising, promotion and marketing. You agree to list and advertise the Franchise in each of the classified telephone directories distributed within your market area, in those business classifications as we prescribe from time to time, using any standard form of classified telephone directory advertisement we may provide.

On each occasion before you use them, samples of all local advertising and promotional materials not prepared or previously approved by us must be submitted to us for approval. If you do not receive our written disapproval within fifteen (15) days from the date we receive the materials, the materials will be deemed to have been approved. You agree not to use any advertising or promotional materials that we have disapproved. You will be solely responsible and liable to ensure that all advertising, marketing, and promotional materials and activities you prepare comply with applicable federal, state, and local law, and the conditions of any agreements or orders to which you may be subject.

11.3 Regional Advertising Cooperatives.

In the event that more than one The Joint Corp. Location franchise is located in an area of dominant influence ("ADI"), we reserve the right to form a regional advertising cooperative (the "Regional Ad Co-op"). We also reserve the right to require you to join the Regional Ad Co-op and to contribute to its funding. We reserve the right to determine the amount to be contributed by each member of the Regional Ad Co-op as necessary. The required contributions to any Regional Ad Co-op will not be credited against the Local Advertising Requirement set forth in Paragraphs 6.4(a) and 11.2.

11.4 Websites and Other Forms of Advertising Media.

You acknowledge and agree that any Website or Other Forms of Advertising Media (as defined below) will be deemed "advertising" under this Agreement, and will be subject to, among other things, the need to obtain our prior written approval in accordance with Paragraphs 7.2 and 11.2. As used in this Agreement, the term or reference to "Website or Other Forms of Advertising Media" means any interactive system, including but not limited to all types of online communications, virtual applications, social media, or the like, including but not limited to Groupon, Living Social, Facebook, Twitter, etc., that you operate or use, or authorize others to operate or use, and that refer to the Franchise, the Marks, us, and/or the System. (b) You will not establish or use any Website or Other Forms of Advertising Media without our prior written approval.

(c) In addition to any other applicable requirements, you must comply with our standards and specifications for Website or Other Forms of Advertising Media as we prescribe in the Operations Manual or otherwise in writing, including any specifications relating to the use of organic and paid search engine optimization, keyword and landing page management. If we require, you will establish a website as part of our corporate website and/or establish electronic links to our corporate website.

(d) If you propose any material revision to Website or Other Forms of Advertising Media or any of the information contained therein, you will submit each such revision to us for our prior written approval.

12. ACCOUNTING, REPORTS AND FINANCIAL STATEMENTS.

You agree to maintain, at your own expense, the Joint Software and accounting software, to act as a bookkeeping, accounting, and record keeping system for the Franchise. The Joint Software includes the capability of being polled by our central computer system, which you agree to permit. With respect to the operation and financial condition of the Franchise, we will pull from the Joint Software (if available), or require you to provide from your accounting software in a form we designate, or in accordance with General Acceptably Accounting Principles ("GAAP"), as the case may be, the following: (1) by Tuesday of each week, an electronic report of the Franchise's gross revenues for the preceding week ending on, and including, Sunday, and any other data, information, and supporting records that we may require; (2) by the thirtieth (30th) day of each month, a profit and loss statement for the preceding calendar month, and a year-to-date profit and loss statement and balance sheet; (3) within ninety (90) days after the end of your fiscal year, a fiscal year-end balance sheet, and an annual profit and loss statement for that fiscal year, reflecting all year-end adjustments; and (4) such other reports as we require from time to time (collectively, the "Reports"). You agree to input all Franchise transactions into the Joint Software and your accounting software in a timely manner to ensure that all Reports are accurate. If it is determined that any information was omitted from the Joint Software or your accounting software was input inaccurately, or you have failed to provide us any required Reports, we may charge a non-refundable accounting fee of One Hundred and No/100 Dollars (\$100.00), payable in a lump sum by the fifth (5th) day of the month following the month during which the inaccurate report was submitted or for any late Reports. You agree to maintain and furnish upon our request complete copies of federal and state income tax returns you file with the Internal Revenue Service and state tax departments, reflecting revenues and income of the Franchise or the corporation, partnership, or limited liability company that holds the Franchise. 13. INSPECTIONS AND AUDITS.

13.1 Company's Right to Inspect the Franchise.

To determine whether you and the Franchise are complying with this Agreement and the specifications, standards, and operating procedures we prescribe for the operation of the Franchise, we or our agents have the right, at any reasonable time and without advance notice to you, to: (1) inspect the Premises; (2) observe the operations of the Franchise for such consecutive or intermittent periods as we deem necessary; (3) interview personnel of the Franchise; (4) interview customers of the Franchise; and (5) inspect and copy any books, records and documents relating to the operation of the Franchise. You agree to fully cooperate with us in connection with any of those inspections, observations and interviews. You agree to present to your customers any evaluation forms we periodically prescribe, and agree to participate in, and/or request that your customers participate in, any surveys performed by or on our behalf. Based on the results of any such inspections and audits and your other reports, we may provide to you such guidance and assistance in operating your Franchise as we deem appropriate.

13.2 Company's Right to Audit.

We have the right at any time during business hours, and without advance notice to you, to inspect and audit, or cause to be inspected and audited, the business records, bookkeeping and accounting records, sales and income tax records and returns and other records of the Franchise, and the books and records of any corporation, limited liability company, or partnership that holds the Franchise. You agree to fully cooperate with our representatives and any independent accountants we may hire to conduct any inspection or audit. If the inspection or audit is necessary because of your failure to furnish any reports, supporting records, other information or financial statements as required by this Agreement, or to furnish such reports, records, information, or financial statements on a timely basis, or if an understatement of gross revenues for any period is determined by an audit or inspection to be greater than two percent (2%), then you agree to pay us all monies owed, plus interest of one and one-half percent (1.5%) per month, and reimburse us for the cost of such inspection or audit, including without limitation any attorneys' fees and/or accountants' fees we may incur, and the travel expenses, room and board, and applicable per diem charges for our employees or contractors. The above remedies are in addition to all our other remedies and rights under this Agreement or under applicable law.

14. TRANSFER REQUIREMENTS.

14.1 Organization.

If you are a corporation, partnership or limited liability company (or if this Agreement is assigned to a corporation, partnership or limited liability company with our approval), you represent and warrant to us that you are and will continue to be throughout the term of this Agreement, duly organized and validly existing in good standing under the laws of the state of your incorporation, registration or organization, that you are qualified to do business and will continue to be qualified to do business throughout the term of this Agreement in all states in which you are required to qualify, that you have the authority to execute, deliver and carry out all of the terms of this Agreement, and that during the term of this Agreement the only business you (i.e., the corporate, partnership or limited liability entity) will conduct will be the development, ownership and operation of the Franchise.

14.2 Interests in Franchise Owner; Reference to Exhibit 4.

You and each Principal Owner represent, warrant and agree that all "Interests" in Franchise Owner are owned in the amount and manner described in Exhibit 4. No Interests in Franchise Owner will, during the term of this Agreement, be "public" securities (i.e., securities that require, for their issuance, registration with any state or federal authority). (An "Interest" is defined to mean any shares, membership interests, or partnership interests of Franchise Owner and any other equitable or legal right in any of Franchise Owner's stock, revenues, profits, rights or assets. When referring to Franchise Owner's rights or assets, an "Interest" means this Agreement, Franchise Owner's rights under and interest in this Agreement, any The Joint Corp. franchise, or the revenues, profits or assets of any The Joint Corp. franchise.) You and each Principal Owner also represent, warrant, and agree that no Principal Owner's Interest has been given as security for any obligation (i.e., no one has a lien on or security interest in a Principal Owner's Interest), and that no change will be made in the ownership of an Interest other than as expressly permitted by this Agreement or as we may otherwise approve in writing. You and each Principal Owner agree to furnish us with such evidence as we may request from time to time to assure ourselves that the Interests of Franchise Owner and each of your Principal Owners remain as permitted by this Agreement, including a list of all persons or entities owning any Interest, as defined above. If you have transferred your Interests in violation of this Agreement you shall be considered in breach of this Agreement.

14.3 Transfer by Company.

This Agreement is fully transferable by us and will inure to the benefit of any person or entity to whom it is transferred, or to any other legal successor to our interests in this Agreement.

14.4 No Transfer Without Approval.

You understand and acknowledge that the rights and duties created by this Agreement are personal to you and that we have entered into this Agreement in reliance on the individual or collective character, skill, aptitude, attitude, business ability, and financial capacity of you and your Principal Owners. Accordingly, neither this Agreement nor any part of your interest in it, nor any Interest (as defined in Paragraph 14.2) of Franchise Owner or a Principal Owner, may be transferred (see definition below) without our advance written approval if such transfer will result in the Principal Owner(s) set forth in Exhibit 4 holding less than a seventy-five percent (75%) Interest in Franchise Owner. Any Transfer that is made without our approval will constitute a breach of this Agreement and convey no rights to or interests in this Agreement, you, the Franchise, or any other The Joint Corp. franchise.

As used in this Agreement the term "Transfer" means any voluntary, involuntary, direct or indirect assignment, sale, gift, exchange, grant of a security interest, or occurrence of any other event which would or might change the ownership of any Interest, and includes, without limitation: (1) the Transfer of ownership of capital stock, partnership interest or other ownership interest (including the granting of options (such as stock options or any option which give anyone ownership rights now or in the future); (2) merger or consolidation, or issuance of additional securities representing an ownership interest in Franchise Owner; (3) sale of common stock of Franchise Owner sold pursuant to a private placement or registered public offering; (4) Transfer of an Interest in a divorce proceeding or otherwise by operation of law; or (5) Transfer of an Interest by will, declaration of or transfer in trust, or under the laws of intestate succession.

We will not unreasonably withhold consent to a Transfer of an Interest by a Principal Owner to a member of his or her immediate family or to your key employees, so long as all Principal Owners together retain a "controlling Interest" (i.e., the minimum ownership percentage listed in Exhibit 4), although we reserve the right to impose reasonable conditions on the Transfer as a requirement for our consent.

Interests owned by persons other than the Principal Owners ("minority owners") may be Transferred without our advance consent unless the Transfer would give that transferee and any person or group of persons affiliated or having a common interest with the transferee more than a collective twenty-five percent (25%) Interest in Franchise Owner, in which case our advance written approval for the Transfer must be obtained. Your formal partnership, corporation or other formation documents and all stock certificates, partnership units or other evidence of ownership must recite or bear a legend reflecting the transfer restrictions of this Paragraph 14.4.

14.5 Conditions for Approval of Transfer.

If you and your Principal Owners are in full compliance with this Agreement, we will not unreasonably withhold our approval of a Transfer that meets all the applicable requirements of this Section 14. The person or entity to whom you wish to make the Transfer, or its principal owners ("Proposed New Owner"), must be individuals of good moral character and otherwise meet our then-applicable standards for The Joint Corp. Location franchisees. If you propose to Transfer this Agreement, the Franchise or its assets, or any Interest, or if any of your Principal Owners proposes to Transfer a controlling Interest in you or make a Transfer that is one of a series of Transfers which taken together would constitute the Transfer of a controlling Interest in you, then all of the following conditions must be met before or at the time of the Transfer:

(a) the Proposed New Owner must have sufficient business experience, aptitude, and financial resources to operate the Franchise;

(b) you must pay any amounts owed for purchases from us and our affiliates, and any other amounts owed to us or our affiliates which are unpaid;

(c) the Proposed New Owner's directors and such other personnel as we may designate must have successfully completed our Initial Training program, and shall be legally authorized and have all licenses necessary to perform the services offered by the Franchise. The Proposed New Owner shall be responsible for any wages and compensation owed to, and the travel and living expenses (including all transportation costs, room, board and meals) incurred by, the attendees who attend the Initial Training program;

(d) if your lease for the Premises requires it, the lessor must have consented to the assignment of the lease of the Premises to the Proposed New Owner;

(e) you (or the Proposed New Owner) must pay us a Transfer fee equal to seventy-five percent (75%) of the then current initial franchise fee we charge to new Start-up Location franchisees, and must reimburse us for any reasonable expenses incurred by us in investigating and processing any Proposed New Owner where the Transfer is not consummated for any reason;

(f) you and your Principal Owners and your and their spouses must execute a general release (in a form satisfactory to us) of any and all claims you and/or they may have against us, our affiliates, and our and our affiliates' respective officers, directors, employees, and agents;

The Joint...The Chiropractic Place™
Franchise Agreement

(g) we must approve the material terms and conditions of the proposed Transfer, including without limitation that the price and terms of payment are not so burdensome as to adversely affect the operation of the Franchise;

(h) the Franchise and the Premises shall have been placed in an attractive, neat and sanitary condition;

(i) you and your Principal Owners must enter into an agreement with us providing that all obligations of the Proposed New Owner to make installment payments of the purchase price (and any interest on it) to you or your Principal Owners will be subordinate to the obligations of the Proposed New Owner to pay any amounts payable under this Agreement or any new Franchise Agreement that we may require the Proposed New Owner to sign in connection with the Transfer;

(j) you and your Principal Owners must enter into a non-competition agreement wherein you agree not to engage in a competitive business for a period of two (2) years after the Transfer and within twenty-five (25) miles of your Franchise Premises or any other The Joint Corp. Location franchise location;

(k) the Franchise shall have been determined by us to contain all equipment and fixtures in good working condition, as were required at the initial opening of the Franchise. The Proposed New Owner shall have agreed, in writing, to make such reasonable capital expenditures to remodel, equip, modernize and redecorate the interior and exterior of the premises in accordance with our then existing plans and specifications for a The Joint Corp. Location franchise, and shall have agreed to pay our expenses for plan preparation or review, and site inspection;

(l) upon receiving our consent for the Transfer or sale of the Franchise, the Proposed New Owner shall agree to assume all of your obligations under this Agreement in a form acceptable to us, or, at our option, shall agree to execute a new Franchise Agreement with us in the form then being used by us. We may, at our option, require that you guarantee the performance, and obligations of the Proposed New Owner; and

(m) you must have properly offered us the opportunity to exercise our right of first refusal as described below, and we must have then declined to exercise it.

The Joint...The Chiropractic Place™
Franchise Agreement

14.6 Right of First Refusal.

If you or any of your Principal Owners wishes to Transfer any Interest, we will have a right of first refusal to purchase that Interest as follows. The party proposing the Transfer (the “transferor”) must obtain a bona fide, executed written offer (accompanied by a “good faith” earnest money deposit of at least five percent (5%) of the proposed purchase price) from a responsible and fully disclosed purchaser, and must submit an exact copy of the offer to us. You also agree to provide us with any other information we need to evaluate the offer, if we request it within five (5) days of receipt of the offer. We have the right, exercisable by delivering written notice to the transferor within fifteen (15) days from the date of last delivery to us of the offer and any other documents we have requested, to purchase the Interest for the price and on the terms and conditions contained in the offer, except that we may substitute cash for any form of payment proposed in the offer, and will not be obligated to pay any “finder’s” or broker’s fees that are a part of the proposed Transfer. We also will not be required to pay any amount for any claimed value of intangible benefits, for example, possible tax benefits that may result by structuring and/or closing the proposed Transfer in a particular manner or for any consideration payable other than the bona fide purchase price for the Interest proposed to be transferred. (In fact, we may in our sole and absolute discretion withhold consent to any proposed Transfer if the offer directly or indirectly requires payment of any consideration other than the bona fide purchase price for the Interest proposed to be transferred.) Our credit will be deemed equal to the credit of any other proposed purchaser, and we will have at least sixty (60) days to prepare for closing. We will be entitled to all customary representations and warranties given purchasers in connection with such sales. If the proposed Transfer includes assets not related to the operation of the Franchise, we may purchase only the assets related to the operation of the Franchise or may also purchase the other assets. (An equitable purchase price will be allocated to each asset included in the Transfer.)

If we do not exercise our right of first refusal, the transferor may complete the sale to the Proposed New Owner pursuant to and on the terms of the offer, as long as we have approved the Transfer as provided in this Section 14. You must immediately notify us of any changes in the terms of an offer. Any material change in the terms of an offer before closing will make it a new offer, revoking any previous approval or previously made election to purchase and giving us a new right of first refusal effective as of the day we receive formal notice of a material change in the terms. If the sale to the Proposed New Owner is not completed within one hundred twenty (120) days after we have approved the Transfer, our approval of the proposed Transfer will expire. Any later proposal to complete that proposed Transfer will be deemed a new offer, giving us a new right of approval and right of first refusal effective as of the day we receive formal notice of the new (or continuing) proposal. We will not exercise a right of first refusal with respect to a proposed Transfer of less than a controlling interest to a member of a Principal Owner’s immediate family or to your key employees.

14.7 Death and Disability.

Upon the death or permanent disability of you or a Principal Owner, the executor, administrator, conservator or other personal representative of the deceased or disabled person must Transfer the deceased or disabled person's Interest within a reasonable time, not to exceed forty-five (45) days from the date of death or permanent disability, to a person we have approved. Such Transfers, including without limitation transfers by a will or inheritance, will be subject to all the terms and conditions for assignments and Transfers contained in this Agreement. Failure to so dispose of an Interest within the forty-five (45) day period of time will constitute grounds for termination of this Agreement.

14.8 Effect of Consent to Transfer.

Our consent to a proposed Transfer pursuant to this Section 14 will not constitute a waiver of any claims we may have against you or any Principal Owner, nor will it be deemed a waiver of our right to demand exact compliance with any of the terms or conditions of this Agreement by the Proposed New Owner.

14.9 Consent Not Unreasonably Delayed.

If all the conditions are met to transfer the FA or any interest therein, we will not unreasonably delay granting our consent to the transfer.

15. TERMINATION OF THE FRANCHISE.

We have the right to terminate this Agreement effective upon delivery of notice of termination to you, if: (1) you do not develop or open the Franchise as provided in this Agreement; (2) you abandon, surrender, transfer control of, lose the right to occupy the Premises of, or do not actively operate, the Franchise, or your lease for or purchase of the location of the Franchise is terminated for any reason; (3) you or your Principal Owners assign or Transfer this Agreement, any Interest, the Franchise, or assets of the Franchise without complying with the provisions of Section 14; (4) you are adjudged a bankrupt, become insolvent or make a general assignment for the benefit of creditors; (5) you use, sell, distribute or give away any unauthorized services or products, and do not cease the use, sale, or distribution of unauthorized services or products within ten (10) days after written notice is given to you; (6) you fail to maintain a valid license to practice and/or fail to maintain compliance with state and federal regulations and do not cure the failure within twenty (20) days after written notice is given to you; (7) you or any of your Principal Owners are convicted of or plead no contest to a felony or are convicted or plead no contest to any crime or offense that is likely to adversely affect the reputation of the Company, the Franchise, and/or the goodwill associated with the Marks; (8) you are involved in any action that is likely to adversely affect the reputation of the Company, the Franchise, and/or the goodwill associated with the Marks; (9) you or any of your employees violate any health or safety law, ordinance or regulation, or operate the Franchise in a manner that presents a health or safety hazard to your customers or the public; (10) you do not pay when due any monies owed to us or our affiliates, and do not make such payment within ten (10) days after written notice is given to you; (11) you fail to meet the minimum local advertising expenditures required in Section 11.2, and to provide the required proof of your expenditures; (12) you or any of your Principal Owners fail to comply with any other provision of this Agreement or any mandatory specification, standard, or operating procedure or you fail to make changes required to comply with applicable state or federal laws within twenty (20) days after written notice of such failure to comply is given to you; (13) you fail to procure or maintain any and all insurance coverage that we require, or otherwise fail to name us as an additional insured on any such insurance policies and failure to do so within ten (10) days after written notice is given to you; or (13) you or any of your Principal Owners fail on three (3) or more separate occasions within any twelve (12) consecutive month period to submit when due any financial statements, reports or other data, information, or supporting records; pay when due any amounts due under this Agreement; or otherwise fail to comply with this Agreement, whether or not such failures to comply are corrected after notice is given to you or your Principal Owners.

In addition, if, in the opinion of our legal counsel, any provision of this Agreement is contrary to law, then you and we agree to negotiate in good faith an amendment that would make this Agreement conform to the applicable legal requirements. If you and we are unable to reach such an agreement, or if fundamental changes to this Agreement are required to make it conform to the legal requirements, then we reserve the right to terminate this Agreement upon notice to you, in which case all of the post-termination obligations set forth in Section 16 shall apply.

In the event that we terminate this Agreement under this Section or other applicable provisions of this Agreement, we shall be entitled, in those states in which such termination fees are enforceable, to receive from you a termination fee in the amount equal to one-half (1/2) of our then-current initial franchise fee for new The Joint Corp. Location franchises (the "Termination Fee"). The Termination Fee shall be payable by you in addition to any damages payable to us, including loss of future revenues, resulting from your improper or wrongful breach or other termination of this Agreement. We shall be entitled to recover all costs, including attorneys' fees, incurred in connection with the termination and collection of the Termination Fee.

If you continue to operate the Franchise after termination of this Agreement, in addition to any other right or remedy we may have (including the Termination Fee), you agree to pay to us the amount of One Thousand and No/100 Dollars (\$1,000.00) per day that you operate the Franchise in violation of this Agreement, plus all costs and attorneys' fees incurred as a result of the violation. This amount is set at \$1,000 per day because it is a reasonable estimation of the damages that would occur from such a breach, and it will almost certainly be impossible to calculate precisely the actual damages from such a breach.

RECITALS

WHEREAS, the Parties hereto have entered into a certain Lease Agreement, dated on the _____ day of _____, 20__ (the "Agreement"), and pertaining to the premises located at _____ (the "Premises");

WHEREAS, Lessor acknowledges that Lessee intends to operate The Joint franchise from the Premises pursuant to a Franchise Agreement (the "Franchise Agreement") with The Joint Corp. ("Franchisor") under the name The Joint or other name designated by Franchisor ("Franchised Business"); and

WHEREAS, the Parties now desire to amend the Lease Agreement in accordance with the terms and conditions contained herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth and each act done and to be done pursuant hereto, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, do hereby represent, warrant, covenant and agree as follows:

1 . Remodeling and Decor. The above recitals are hereby incorporated by reference. Lessor agrees that Lessee shall have the right to remodel, equip, paint and decorate the interior of the Premises and to display the proprietary marks and signs on the interior and exterior of the Premises as Lessee is reasonably required to do pursuant to the Franchise Agreement and any successor Franchise Agreement under which Lessee may operate a Franchised Business on the Premises.

2 . Assignment. Lessee shall have the right to assign all of its right, title and interest in and to the Lease Agreement to Franchisor or its parent, subsidiary, or affiliate, (including another franchisee) at any time during the term of the Lease, including any extensions or renewals thereof, without first obtaining Lessor's consent, pursuant to the terms of the Collateral Assignment of Lease attached hereto as Exhibit A. However, no assignment shall be effective until such time as Franchisor or its designated affiliate gives Lessor written notice of its acceptance of the assignment, and nothing contained herein or in any other document shall constitute Franchisor or its designated subsidiary or affiliate a party to the Lease Agreement, or guarantor thereof, and shall not create any liability or obligation of Franchisor or its parent unless and until the Lease Agreement is assigned to, and accepted in writing by, Franchisor or its parent, subsidiary or affiliate. 3. Default and Notice.

(a) In the event there is a default or violation by Lessee under the terms of the Lease Agreement, Lessor shall give Lessee and Franchisor written notice of the default or violation within ten (10) days after Lessor receives knowledge of its occurrence. If Lessor gives Lessee a default notice, Lessor shall contemporaneously give Franchisor a copy of the notice. Franchisor shall have the right, but not the obligation, to cure the default. Franchisor will notify Lessor whether it intends to cure the default and take an automatic assignment of Lessee's interest as provided in Paragraph 4(a). Franchisor will have an additional fifteen (15) days from the expiration of Lessee's cure period in which it may exercise the option to cure, but is not obligated to cure the default or violation.

(b) All notices to Franchisor shall be sent by registered or certified mail, postage prepaid, to the following address:

(c) Following Franchisor's approval of the Lease Agreement, Lessee agrees not to terminate, or in any way alter or amend the same during the Initial Term of the Franchise Agreement or any Interim Period thereof without Franchisor's prior written consent, and any attempted termination, alteration or amendment shall be null and void and have no effect as to Franchisor's interests thereunder; and a clause to the effect shall be included in the Lease.

4. Termination or Expiration.

(a) Upon Lessee's default and failure to cure the default within the applicable cure period, if any, under either the Lease Agreement or the Franchise Agreement, Franchisor will, at its option, have the right, but not the obligation, to take an automatic assignment of Lessee's interest in the Lease Agreement and at any time thereafter to re-assign the Lease Agreement to a new franchisee without Lessor's consent and to be fully released from any and all liability to Lessor upon the reassignment, provided the franchisee agrees to assume Lessee's obligations and the Lease Agreement. Upon notice from Franchisor to Lessor requesting an automatic assignment, Lessor will, at the cost of Franchisor, take appropriate actions to secure the leased premises including but not limited to changing the locks and granting Franchisor sole rights to the Premises.

(b) Upon the expiration or termination of either the Lease Agreement or the Franchise Agreement (attached), Lessor will cooperate with and assist Franchisor in securing possession of the Premises and if Franchisor does not elect to take an assignment of the Lessee's interest, Lessor will allow Franchisor to enter the Premises, without being guilty of trespass and without incurring any liability to Lessor, to remove all signs, awnings, and all other items identifying the Premises as a Franchised Business and to make other modifications (such as repainting) as are reasonably necessary to protect The Joint marks and system, and to distinguish the Premises from a Franchised Business. 5. Consideration; No Liability.

(a) Lessor hereby acknowledges that the provisions of this Addendum are required pursuant to the Franchise Agreement under which Lessee plans to operate its business and Lessee would not lease the Premises without this Addendum. Lessor also hereby consents to the Collateral Assignment of Lease from Lessee to Franchisor as evidenced by Exhibit A.

(b) Lessor further acknowledges that Lessee is not an agent or employee of Franchisor and Lessee has no authority or power to act for, or to create any liability on behalf of, or to in any way bind Franchisor or any affiliate of Franchisor, and that Lessor has entered into this Addendum with full understanding that it creates no duties, obligations or liabilities of or against Franchisor or any affiliate of Franchisor.

6. Sales Reports. If requested by Franchisor, Lessor will provide Franchisor with whatever information Lessor has regarding Lessee's sales from its Franchised Business.

7. Amendments. No amendment or variation of the terms of the Lease or this Addendum shall be valid unless made in writing and signed by the Parties hereto.

8. Reaffirmation of Lease. Except as amended or modified herein, all of the terms, conditions and covenants of the Lease Agreement shall remain in full force and effect and are incorporated herein by reference and made a part of this Addendum as though copied herein in full.

Written Description of Management Services Arrangement with Business Ventures Corp.

In 2010, in connection with the organization and initial financing of The Joint Corp., The Joint Corp. entered into an informal arrangement with Business Ventures Corp., a Delaware corporation, 100% of the stock of which is owned by Joint Corp. shareholder and director Steven P. Colmar, whereby Business Ventures Corp. will provide general management consulting services on an “as needed” basis, as requested from time to time by The Joint Corp. in exchange for payment of \$6,000 per month.

Business Ventures Corp.’s material obligations under this arrangement are to provide management advice and to respond to requests for assistance in respect of an unlimited scope of management issues, in a manner and substantively, satisfactory to The Joint Corp. Services under this arrangement are performed for Business Ventures Corp. by Steven Colmar, Craig Colmar and Richard Rees.

This arrangement may be terminated by either party without notice and without penalty, and this arrangement will terminate upon the completion of The Joint Corp.’s initial public offering.

Written Description of Consulting Arrangement with John Leonesio.

Effective January 1, 2014, John Leonesio resigned as chief executive officer of The Joint Corp. and became non-executive chairman of The Joint Corp.'s board of directors. The Joint Corp. agreed to pay Mr. Leonesio a consulting fee in connection with his service as non-executive chairman of the board and his ongoing provision of consulting services on an "as needed" basis. The consulting fee was established at the rate of \$90,000 annually, payable in monthly installments.

This arrangement may be terminated by either party without notice and without penalty.

Indemnification Agreement

(Fred Gerretzen)

This Agreement is entered into by The Joint Corp., a Delaware corporation (“Joint”), and Fred Gerretzen (the “Indemnitee”), as of December __, 2012.

Background:

A. The potential liabilities and cost of defense of lawsuits filed against corporate officers, directors, employees and agents in connection with the performance of their duties pose a significant deterrent to experienced and capable individuals who might otherwise be willing to serve or to continue to serve as officers, directors, employees or agents of Joint.

B. As an inducement to the Indemnitee to serve or to continue to serve as an officer, director, employee or agent of Joint, Joint desires to provide the Indemnitee with specific contractual assurances of indemnification protection to the fullest extent permitted by law.

Now, therefore, in consideration of their mutual promises, Joint and the Indemnitee agree as follows:

1. Definitions

Certain capitalized terms used in this Agreement are defined in the attached **Exhibit A**.

2. Indemnification

Joint shall indemnify the Indemnitee against all Judgments and Expenses that the Indemnitee suffers or incurs in connection with any pending, completed or threatened Proceeding (other than a Derivative Proceeding) to which the Indemnitee is or was or is threatened to be made a party, or in which the Indemnitee is or was or is threatened to be made a witness or other participant, by reason of any action or inaction by the Indemnitee while providing Covered Service:

(a) if the Indemnitee acted in good faith and in a manner that he or she reasonably believed to be in, or not opposed to, Joint’s best interests; or

(b) in the case of a criminal Proceeding, if the Indemnitee did not have reasonable cause to believe that his or her conduct was unlawful.

The termination of any Proceeding by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the Indemnitee did not act in good faith and in a manner that he or she reasonably believed to be in, or not opposed to, Joint’s best interests or, in the case of a criminal Proceeding, that the Indemnitee had reasonable cause to believe that his or her conduct was unlawful.

3. **Derivative Proceedings**

Joint shall indemnify the Indemnitee against all Expenses that the Indemnitee suffers or incurs in connection with the defense or settlement of any pending, completed or threatened Derivative Proceeding to which the Indemnitee is or was or is threatened to be made a party, or in which the Indemnitee is or was or is threatened to be made a witness or other participant, by reason of any action or inaction by the Indemnitee while providing Covered Service:

- (a) if the Indemnitee acted in good faith and in a manner that he or she reasonably believed to be in, or not opposed to, Joint's best interests; and
- (b) in addition, in the case of any claim, issue or matter as to which the Indemnitee has been adjudged liable to Joint, if (and only to the extent that) the court in which the Derivative Proceeding was brought determines upon application that despite the adjudication of liability, but in view of all of the circumstances of the case, the Indemnitee is fairly and reasonably entitled to indemnification for those Expenses that the court considers proper.

4. **Advances**

Upon the Indemnitee's written request, Joint shall advance the Expenses incurred by the Indemnitee in defending any Proceeding or Derivative Proceeding if the Indemnitee provides Joint with the Indemnitee's written undertaking to repay the amounts advanced, without interest, if it is ultimately determined that the Indemnitee is not entitled to indemnification under this Agreement. No security shall be required on the Indemnitee's undertaking

If the Indemnitee provides this undertaking, Joint's obligation to advance the Expenses incurred by the Indemnitee shall continue during the pendency of any action by the Indemnitee under Paragraph 6 to enforce his or her rights under this Agreement, notwithstanding any determination under Paragraph 5 that indemnification is not proper because the Indemnitee failed to meet the applicable standard of conduct.

5. **Procedures**

Except as ordered by a court, indemnification under Paragraphs 2 or 3 shall be made only as authorized in the specific case upon a determination that indemnification is proper under the circumstances because the Indemnitee has met the applicable standard of conduct. This determination shall be made by:

- (a) the Board of Directors of Joint, by a majority vote of a quorum consisting of directors who were not parties to the Proceeding or Derivative Proceeding; or
- (b) by a committee of such directors designated by majority vote of such directors, even though less than a quorum;
- (c) if such a quorum is not obtainable, or if it is obtainable but a quorum of disinterested directors directs, by independent legal counsel in a written opinion to the Board of Directors; or

(d) Joint' shareholders.

6. **Right To Indemnification**

The Indemnitee's rights under this Agreement may be enforced by the Indemnitee in any court of competent jurisdiction. The burden of proving that indemnification is not appropriate shall be on Joint. Neither a determination under Paragraph 5 that indemnification is not proper, nor the fact that a determination has not yet been made, shall be a defense to the Indemnitee's action to enforce his or her rights or create a presumption that the Indemnitee has not met the applicable standard of conduct. If and to the extent that the Indemnitee is successful in asserting his rights under this Agreement, Joint shall also indemnify the Indemnitee for his or her related Expenses.

7. **Expenses of Successful Defense**

Regardless of any contrary determination under Paragraph 5, Joint shall indemnify the Indemnitee against all of his or her Expenses to the extent that the Indemnitee has been successful, on the merits or otherwise, in the defense of any Proceeding or Derivative Proceeding.

8. **Indemnification Not Exclusive**

The rights to indemnification under this Agreement shall not be exclusive of any other rights that the Indemnitee may have under Joint's certificate of incorporation or bylaws or under any agreement, vote of disinterested directors, vote of shareholders, or otherwise.

9. **Severability**

If any provision of this Agreement is held invalid, illegal or unenforceable for any reason whatever, the validity, legality and enforceability of the remaining provisions of this Agreement shall not be affected or impaired in any way, and to the fullest extent possible, the provisions of this Agreement shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable.

10. **Notice**

The Indemnitee shall give Joint notice in writing as soon as reasonably practicable of any Proceeding against him or her for which indemnity will or could be sought under this Agreement. In addition, the Indemnitee shall provide Joint with such information and cooperation as it may reasonably require and as shall be within the Indemnitee's power. Notice to Joint shall be directed to The Joint Corp., 9383 E. Bahia, Suite 1000, Scottsdale, Arizona 85260 (or such other address as Joint shall designate in writing to Indemnitee). Notice to the Indemnitee shall be directed to the address below the signature of the Indemnitee on this Agreement (or such other address as the Indemnitee shall designate in writing to Joint). Notices shall be deemed received three days after the date postmarked, if sent by prepaid certified mail, return receipt requested, properly addressed.

11. **Amendment**

No amendment of this Agreement shall be effective unless it is in writing, makes specific reference to this Agreement and is signed by both Joint and the Indemnitee.

12. **Governing Law**

This Agreement shall be governed by the laws of the State of Delaware.

13. **Counterparts**

This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same original.

14. **Binding Effect**

This Agreement shall be binding on the successors and assigns of Joint (including the surviving corporation in the event of any merger to which Joint is a party), and shall inure to the benefit of the Indemnitee and his or her heirs and legal representatives. This Agreement shall continue in effect regardless of whether the Indemnitee continues to serve as an officer, director, employee or agent of Joint.

In witness, the parties have signed this Agreement.
