Forward-Looking Statements

This press release contains statements about future events and expectations that constitute forward-looking statements. Forward-looking statements are based on our beliefs, assumptions and expectations of industry trends, our future financial and operating performance and our growth plans, taking into account the information currently available to us. These statements are not statements of historical fact. Forward-looking statements involve risks and uncertainties that may cause our actual results to differ materially from the expectations of future results we express or imply in any forward-looking statements and you should not place undue reliance on such statements. Factors that could contribute to these differences include, but are not limited to, our failure to develop or acquire corporate clinics as rapidly as we intend, our failure to profitably operate corporate clinics, and the factors described in "Risk Factors" in The Joint Corp.'s 2016 Annual Report on Form 10-K. Words such as "anticipates", "believes", "continues", "estimates", "expects", "goal", "objectives", "intends", "may", "opportunity", "plans", "potential", "near-term", "long-term", "projections", "assumptions", "projects", "guidance", "forecasts", "outlook", "target", "trends", "should", "could", "would", "will" and similar expressions are intended to identify such forward-looking statements. We qualify any forward-looking statements entirely by these cautionary factors. We assume no obligation to update or revise any forward-looking statements for any reason, or to update the reasons actual results could differ materially from those anticipated in these forward-looking statements, even if new information becomes available in the future. Comparisons of results for current and any prior periods are not intended to express any future trends or indications of future performance, unless expressed as such, and should only be viewed as historical data.
